British Troops To Fire Against Jews And Arabs

Soldiers Ordered To Use Weapons Impartially Against Aggressors In Jerusalem

Jerusalem, March 1 (AP) — The British Army said tonight that from now on its troops would use their weapons impartially against Jewish and Arab aggressors in the fighting within the Holy City.

A statement, issued by Brig. C. P. Jones, commander of the Jerusalem garrison, to all his units, said:

"Prolonged firing between Arabs and Jews within Jerusalem makes life intolerable for its inhabitants. Such disturbances of the peace will not continue. Force will be used in incidents of this kind. The army will, if necessary, use weapons more powerful than those available to Arabs and Jews."

Impartial Use Of Weapons

The military statement then added that since in such fighting it was impossible to determine who is the aggressor, "the army will therefore use its weapons impartially against whichever side is firing."

The implication was that British forces previously have generally withheld their fire during Jewish-Arab battles.

The military commander's announcement followed quickly a British mandatory government statement which bitterly charged the Jewish leadership in the Holy Land with condoning terrorism for political puroses.

Raises Political Tension

In its statement, the Government virtually severed its relations with the Jewish Agency.

The Government warned that it was becoming "clearly more difficult for British troops to look upon members of the Jewish community as persons who are entitled, as they are, to protection."

In the strongest words it yet addressed to the Jews, the Government said that continuance of "indiscriminate murder and condoned terrorism can only lead to forfeiture of all right in the eyes of the world to be numbered among civilized people."

Primary Purpose: Confusion

A broadcast by Haganah, the Jewish militia, said the Government statement's primary purpose was to confuse the issue abroad "particularly at Lake Success."

"This bit of righteous moralizing does not change the facts," the broadcast added. "Most people in Jerusalem realize with sure knowledge that British dissident terrorists bombed Ben Yehuda street."

The statement raised political tension to a boiling point in an otherwise comparatively quiet day in Palestine.

General's Car Blasted

A police report said the car of Lieut. Gen. Gordon McMillan, general officer commanding British troops in Palestine, was blasted by a road mine, but there were no casualties.

Sporadic incidents throughout the country today brought the death toll to 1,513 since partition was approved.

Jewish reaction to the Government announcement, although unofficial, was immediate and unanimous. Jewish observers termed it "unfair and even insulting." A concensus of Arab opinion to the criticism of the Jewish Agency was: "It's about time."

The Government statement followed Sunday's blasting of a British troop train that killed 28 British soldiers. The Stern Gang, Jewish extremist underground group, said it was responsible.

Jewish sources said that in retaliation British personnel picked up a group of Jews at Mikve Israel near Tel Aviv and released them later unarmed amidst Arabs "who at that very time were gathering for attack." Eleven of the Jews were slain, these sources said.

The Government statement was addressed to the Jewish Agency, the political representative of Palestine's 700,000 Jews.

An agency spokesman had previously condemned Sunday's bombing, but there was no official reply to the British charges.

Jewish Sources Reply

However, unofficial Jewish sources described the statement as "only pouring oil on the fire, unhelpful, and probably meant to incite world opinion against the Jewish Agency and the future Jewish state, which will be established despite the present Palestine Government's counterpropaganda."

These sources said the statement was "most unfair and even insulting in its generalizations." They said that despite whatever mistakes Jewish leaders had made in the past, they tried "honestly to end political crime and bring terrorists to reason."

The informants said that if Jewish leaders failed, this was due in part to "numerous blunders, errors and omissions by the British administration."

They added the Jews resented particularly what they described as British "reluctance" to prevent Arab aggression after the United Nations voted on partition of Palestine.

Acts Of Violence Revealed

The Government statement reviewed numerous past acts of violence on the part of the Jewish underground groups and added:

"Leaders of the Jewish community have felt themselves unable for political reasons to take any steps to bring to justice the persons responsible for these crimes and have thus facilitated the spread of lawlessness and disorder to a point at which the community itself is threatened with destruction by elements within itself."

The statement acknowledged that Haganah, the Jewish defense army, had foiled some attempts of terrorists but added "there still remains no method of dealing effectively with these people except the use of machinery provided by law."

The statement said the agency had refused to supply any Jewish witnesses to the bombing a week ago of Ben Yehuda street in the Jewish business district.

Jewish Agency Asked To Help Curb Violence

Jerusalem, March 1 (AP) — The British mandate government told Palestine's 700,000 Jews today that they must help control terrorism or lose the right "to be numbered among civilized peoples."

It accused the Jewish Agency of excusing itself of responsibility for such acts as yesterday's train bombing by "calculated innuendoes, falsehoods and propaganda."

The agency represents the Jewish people in their attempt to make Palestine their national home. Gershon Hirsch, Jewish Agency spokesman, told a new conference shortly before the Government statement was issued that the agency abhors incidents such as the bombing.

The Government said it had tried in vain to enlist the agency's aid in fighting terrorism.

Community Threatened

It continued:

"Jewish community leaders have felt themselves unable for political reasons to take any steps to bring to justice the persons responsible for these crimes and have thus facilitated the spreead of lawlessness and disorder to the point where the community itself is threatened by destruction by elements within itself.

"The agency's recent statement that it stands for law and order, whereas the Government does not, must be judged in the light of the fact that for many years this body has been breaking the laws of Palestine and of other countries in which it has operated.

"A recent illustration is its refusal to put forward any witnesses to give evidence in official inquiries in the Palestine *Post* and Ben Yehuda street incidents (bombings).

Charges Repeated

". . . In spite of official denials, the Jewish Agency has repeated that it was certain a British Army convoy was responsible for the Ben Yehuda street outrage.

"Nobody outside of Jewish circles believes this, and there can be no other purpose in repeating it than to stir up racial hatred.

"In neglect of its responsibilities, the Jewish Agency has attempted to excuse itself by resort to calculated innuendoes, falsehoods and propaganda directed against British members of the security forces who are in fact every day protecting Jewish property and saving hundreds of Jewish lives even at the risk of their own."

Such propaganda, the statement said, not only discredits its authors, but "has the serious consequence that it must henceforward be clearly more difficult for British troops to look upon members of the Jewish community as persons who are entitled, as they are, to protection."

ity. It is unnecessary to catalogue the enormities perpetrated by these people in the past year, and it perhaps is sufficient to recall such incidents as murder by hanging, in every circumstance of brutality, of two innocent members of the security forces; numerous occasions on which members of these forces have been treacherously shot dead from behind; deliberate demolition of buildings with certain consequence of death and injury to women and children; planned killing of certain foreign nationals; intentional shooting of British wounded in hospital; armed robberies and extortions; and finally the outrage committed yesterday in which twenty-seven British soldiers lost their lives.

British Palestine Statement

JERUSALEM, March 1 (AP).— The Palestine mandate government issued today the following statement:

The government has stated on many occasions its intention to do all in its power to maintain law and order without partiality toward either community in Palestine, and this is still its policy. The issue of the following statement, in the light of yesterday's outrage at Rehovoth, must therefore not be taken as implying in any way a change in this policy.

On Feb. 3, 1947, the government invited the Jewish Agency and Vaad Leumi (the Jewish Council) to call upon the Jewish community for their assistance in bringing to justice those members of terrorist groups who had been guilty of murder and other crimes over a considerable period.

It was then pointed out that what was demanded was recognition of the ordinary legal and moral duty to co-operate against crimes which belongs to the citizens and institutions of any civilized state.

The ivitation was declined by the agency on the ground that it was contrary to Jewish political interests.

Incidents Cited

Since that time outrages committed by these groups have not only continued but have increased in numbers and barbar-

Leaders of the Jewish community have felt themselves unable for political reasons to take any steps to bring to justice the persons responsible for these crimes and have thus facilitated the spread of lawlessness and disorder to the point at which the community itself is threatened with destruction by elements within itself.

In this neglect of its responsibilities the Jewish Agency attempted to excuse itself by resort to calculated innuendoes, falsehoods and propaganda directed against British members of the security forces who in fact this very day are protecting Jewish property and saving hundreds of Jewish lives even at the risk of their own.

Propaganda Discredited

This propaganda has already discredited its authors and that not only among those who are acquainted with the facts. It has also had serious consequence in that it must henceforward be clearly more difficult for British troops to look upon members of the Jewish community as persons who are entitled, as they are, to protection.

In spite of official denials, the Jewish Agency has repeated that it was a British Army con-

voy that was responsible for the Ben Yehuda Street outrage. Nobody outside Jewish circles believes this, and there can be no other purpose in repeating it than to stir up racial hatred. The fact that the vehicles responsible for this outrage were no more a British Army convoy than the vehicles stolen from time to time by Jews and used by them on numerous occasions for the murder of many more people than were killed in Ben Yehuda Street.

The Agency's recent statement that it stands for law and order, whereas the government does not, must be judged in the light of the fact that for many years this international body has been breaking the laws of Palestine and of other countries in which it has operated. A recent illustration is its refusal to put forward any Jewish witnesses to give evidence in official inquiries into the Hassolel Street and Ben Yehuda Street incidents, coupled with an invitation to the police to furnish evidence themselves to a self-constituted committee of inquiry which the Agency has set up.

Last November the Agency undertook to establish within ten days a civil guard force (known as the Mishmar Force) to deal with terrorist groups centered in this area.

In consequence of this undertaking British police and troops were withdrawn in order to avoid interference with the activities of this force. But today it is still not in being, and in this area terrorist groups openly and freely continue to murder and rob Jewish inhabitants themselves. No explanation has been given by the Agency of the breach of this undertaking.

The government recognizes that Haganah have from time to time foiled these terrorist groups, but there still remains no method of dealing effectively with these people except the use of machinery provided by law.

The government is mindful of the duty of security forces to maintain law and order and, confronted with the deliberate policy of the Jewish Agency to render their task as difficult as possible, desires now to bring once more to the serious attention of Yishuv (the Jewish community) the fact that continuance of indiscriminate murder and condoned terrorism can lead only to forfeiture by the community of all right in the eyes of the world to be numbered among civilized peoples.

Jews Seized After Blasts, Reports Say

Jerusalem, March 1 (AP)—The Stern Gang said today it set off the triple blast which wrecked three railroad sleeping cars yesterday, killing 27 British troops and injuring 33.

"This is our answer for last Sunday's Ben Yehuda street crime," the Jewish underground group declared. It referred to the Jerusalem bombing which killed 54 Jews on February 22.

Haganah, Jewish militia, said it had "unconfirmed reports" that British troops had arrested 24 Jews at Mikve Israel, near Tel Aviv, last night and had "turned them over to an Arab mob as retaliation" for the attack.

A police source in Jerusalem said it had reports the 24 Jews were taken by soldiers from a spirits factory at Mikve Israel and released in all-Arab Jaffa.

Protest Reported Planned

A Jewish Agency source said the agency was planning a protest to the Palestine Government against the alleged disarming of the Jews at Mikve Israel and their reported surrender to the Arabs. Eleven Jews were reported slain by the Arabs. Police said, however, that the Jews' guns had been returned to them.

Lieut. Gen. G. H. A. MacMillan, commander of British forces in Palestine, said three mines shattered the wooden troop cars near Rehovot, 15 miles southeast of Tel Aviv. They were jammed with soldiers returning from leave in Cairo.

MacMillan said a fourth mine failed to go off. Had it exploded, he said, the toll might have been 50 or more.

The explosion climaxed a day of scattered violence in the Holy Land.

6 Jews Killed In Ambush

Jewish informants in Tel Aviv said six Jews were killed when a Haganah reconnaissance patrol was ambushed in the town of Salama, near Tel Aviv. British police recovered the bodies.

Eight Jews, reported to be Sternists, robbed the Jerusalem municipality office of 800 pounds ($3,200).

Sunday's communal fighting and sabotage throughout the Holy Land claimed 67 lives all told.

Two Arabs and two Jews were shot fatally during the night in various incidents.

The new deaths brought to 1,510 the unofficial toll since the decision to partition Palestine.

JEWISH GROUP OFFERS PLAN

Hebrew Committee Submits Program To U.N. Unit

Lake Success, N.Y., March 1 (AP). The Hebrew Committee for National Liberation submitted today a ten-point proposal for setting up a Hebrew republic in Palestine.

Peter Bergson, chairman of the committee, laid its suggestions before the United Nations Palestine Commission in a closed session. He said he had appeared by invitation. After hearing Bergson the commission adjourned until 2.30 P.M. tomorrow.

Has Support In U.S.

The Hebrew committee is described by its members as an organization of Palestinian and stateless Hebrews closely allied with the militant wing of the Jewish underground.

A spokesman said it is supported in the United States by the American League for a Free Palestine.

A commission spokesman later said Bergson had requested an opportunity to appear and that the commission had informed him he could do so today. The spokesman emphasized that the commission merely extended a courtesy to Bergson and that it did not mean the Hebrew committee was recognized.

Outlines 10-Point Plan

Bergson said he outlined the following ten-point plan to the commission:

1. That the commission decide to carry out the partition plan regardless of the Security Council deliberations now under way.
2. That the commission begin now to create militia, outside of Palestine. He suggested the commission appoint a temporary commanding group of five Palestinians which would be attached to the commission. This militia should tie up with the existing groups in Palestine, such as Haganah, on entering the Holy Land, he added.
3. That each commission member ask his own government to furnish him a force of between twenty to 100 troops for a personal guard. This combined force would be enough to protect the commission, Bergson said and would be a token international army.
4. That the commission set up a border-watch commission similar to the Balkans border-watch to prevent infiltration into the new country.
5. That the commission appeal to all nations not to sell arms to any nation openly saying it will use the arms in Palestine.
6. That the British use the same withdrawal plan which was used in Syria, where troops were kept to barracks until they left the country.
7. That the commission obtain a loan of $50,000,000 from the International Bank or from the United States Government. This would be repaid by the Provisional Government of Palestine.
8. That the commission set up a Palestine supply committee to replenish food stocks in Palestine.
9. That the commission request the British to return to Palestine political prisoners from Kenya. Bergson said about 400 prisoners are held by the British.
10. That the commission designate one of its members to begin the repatriation of Hebrew displaced persons from Europe to Palestine.

Solution Is Still Not In Sight On Partition

Lake Success, March 1 (AP)—Security Council delegates renewed today their search for a solution to the Palestine crisis.

They acknowledged that no solution is in sight.

Council members took advantage of a lull today to discuss the Palestine issues privately and to prepare for tomorrow's Council meeting.

Reluctant To State Views

So far most of the delegates have been reluctant to state their views on the Holy Land. The United States began the debate last week with a proposal for the Council to set up a committee of the five great powers to try to find an answer to the problem.

The majority of the Council's membership has remained silent, each delegate apparently waiting for the others to sound off and indicate the trend of the Council's thinking.

Palestine is the chief concern of the United Nations now, but the dispute between India and Pakistan over Kashmir may be resumed shortly.

Ayyanger's Return Expected

An informed source said the Council likely would resume consideration of that case on March 8. The Indian Minister of State, N. Gopalaswami Ayyanger, who flew home for instructions, is expected to return March 6.

Secretary General Trygve Lie dispatched to the British Government a message from Guatemala protesting what the latter called the "armed provocation of Great Britain."

The British dispatched warships to British Honduras recently on the basis of reports that Guatemala planned to seize British Honduras.

FIVE-NATION TALKS SET FOR THURSDAY

LONDON, March 1—(AP) Britain, France and the low countries will begin talks in Brussels Thursday on implementation of Foreign Minister Ernest Bevin's plan for a "western union" in Europe.

Prime Minister Clement Attlee announced the conference in a surprise statement to the House of Commons.

The disclosure apparently reflected the urgency felt in London for speeding both economic recovery under the Marshall Plan and the political unity of western Europe in the wake of events in Czechoslovakia and Finland.

It came only a few hours after a foreign office spokesman indicated it would be a "matter of weeks" before anything concrete was done toward implementing Bevin's proposals of Jan. 22 for drawing Europe's democracies closer together.

Cites Chaotic Conditions

"There is this dangerous and chaotic state of affairs in Europe and there is fear in Europe—widespread fear—and that is due mainly to a spread of dictatorships being intensified by events of the last few days," Prime Minister Attlee said. He spoke during a debate on a defense white paper.

Bevin's proposal called for a close economic, political and military alliance between Britain, France and Benelux countries — Belgium, the Netherlands and Luxembourg—to serve as a nucleus of a larger grouping of western European democracies.

Attlee said specific proposals were made by France and Britain to the Benelux countries "just over a week ago" and the discussions would cover "all aspects of western union"—economic, social, political and defense problems.

Presumably the talks would be finished prior to the second meeting of the 16 Marshall plan countries, proposal by Britain and France to be held in Paris the middle of this month. Italy today approved this plan.

High ranking United States officials said tonight details of the Marshall plan itself are under renewed study by American policy makers, with the idea of increased dollar strengthening for those countries where communism is strongest.

The sources said this move stemmed directly from the communist coup in Czechoslovakia and renewed Soviet pressure on Finland. They said it may lead to certain revisions in the plan itself to give it a stronger anti-communist character.

These sources declined to go into details but indicated the major change under consideration would be a re-juggling of shares for the various countries in the overall total.

London Papers Unite In Urging Action Now To Stop Russia

London, March 1 (AP)—London's morning newspapers called almost unanimously today for action now to stop Russian expansion.

Strikingly similar editorials appeared in newspapers of both the Right and moderate Left.

The Conservative *Daily Graphic* said:

"The United States should tell Russia, explicitly and forcibly that if she moves another mile forward in Europe, then atom bombs will rain on the Soviet Union."

The *Daily Herald*, organ of the Labor movement, headlined its leading editorial: "Peace or War?"

"Soviet Policy Sinister"

"The Soviet policy is sinister," it declared, "and the western peoples would be reckless if they ignored its implications. But we would add this:

"The western democracies should not be content with closing their ranks in the anticipation of conflict. They should simultaneously make a renewed effort to enlist Russian cooperation in the world-wide partnership which was planned in the San Francisco Charter."

The conservative *Daily Mail* urged speed in organizing the European recovery program and economic and military pacts with the United States, saying:

"Russia has gone far enough. She must be allowed to go no farther."

The influential *Times*, of London, declared:

"The only way now to a settlement with Russia—and the peace of the world depends upon it—is to take up the challenge and bring both the recovery program and western Union (of Europe) to a successful outcome."

Stronger Military Urged

The *Daily Express* urged reorganization of Britain's armed services.

"This is a minimum requirement in a dangerous world," it said.

Reporting a sudden awakening to the dangers of the world situation, the Liberal *News Chronicle* said:

"Once again we have to learn that it is not enough to wish for peace. If peace is to endure we must labor for it tenaciously and unceasingly."

The Conservative *Daily Telegraph* said "the situation that has developed calls for diplomatic action far more urgent than has hitherto been attempted."

Eric Johnston Debates Tax on Films With British

LONDON, March 1 (AP).—Eric Johnston wound up his first talks with British officials tonight apparently no closer to compromising Great Britain's 75 per cent tax on the earnings of Hollywood films.

The head of the Motion Picture Association of America and his associates lunched with Foreign Secretary Ernest Bevin. Other guests were Sir Stafford Cripps, Chancellor of the Exchequer; J. Harold Wilson, president of the Board of Trade, and American Ambassador Lewis W. Douglas. American Embassy sources emphasized that Mr. Douglas is taking no official part in any of the discussions.

Later Mr. Johnston met at the Board of Trade with Mr. Wilson and Sir Wilfrid Eady, of the Treasury. James Mulvey, representing Hollywood independent producers, and Fay W. Allport, M. P. A.'s European chief, also attended.

"These were merely the preliminaries," said Joyce O'Hara, Mr. Johnston's assistant, "and therefore covered little more than general discussions of the film industry's problems."

Gold Shoots Up To New High in Paris Trading

Gain Is Biggest and Volume Heaviest Since Opening of Free Market Feb. 4

PARIS, March 1 (AP).—The price of gold reached a new high in Paris today after a day that saw the biggest advance and heaviest trading since the free gold market was opened Feb. 4.

The 20-dollar gold eagle jumped to 22,200 francs and closed at 22,000 from a previous close of 20,500 Friday. The 20-franc French louis jumped from 4,100 to 4,400, the sovereign from 5,250 to 5,675, the Swiss louis from 3,975 to 4,100—all new highs—from one closing to the next. More than 15,000 gold dollars and more than 5,000 French louis changed hands.

Market observers were puzzled over the reason, but singled out the impact of events in Czechoslovakia for want of any better explanation. Vague rumors of new currency moves had gained little headway.

Possibly increased gold trading was expected. Two free gold markets outside Paris opened today, in Toulouse and in Nancy. A decree to be published in tomorrow's government gazette, "Journal Officiel," protects the anonymity of traders.

The 20-dollar eagle closed at 18,800 and the louis at 3,975 on Feb. 4, the first day of trading, sinking the next day to an all-time closing low of 18,400 and 3,875 respectively.

Italy Agrees To Join European Unity Talks

Paris, March 1 (AP)—Italy officially agreed today to a conference on a permanent international organization for European reconstruction.

Carlo Sforza, Italian Foreign Minister, told officials here he personally would lead the Italian delegation to the meeting, which has been proposed March 15 in Paris.

French officials said Sforza termed the Franco-Anglo-American declaration on the Czechoslovak crisis "a dash of holy water" on an evil situation, and he expressed hope the sixteen-nation conference would take more positive action.

Ex-Nazi Woman Chief Seized

Frankfurt, Germany, March 1 (AP). The arrest of Frau Gertrud Scholtz-Klink, 46, head of the women's branch of the Nazi party throughout the war, was announced today by agents of the United States Army. She was long thought to be dead.

She was apprehended near Teubengin, in the French zone, yesterday on a secret tip. With her, the agents said, was a one-time aide of Heinrich Himmler, SS (Elite Guard) Col. August Heissmeyer, to whom Frau Scholtz-Klink was married in 1940. He also was arrested.

Reported A Suicide

The agents said Colonel Heissmeyer was carrying a poison vial of the type used by Hermann Goering in Nuernberg prison. They said he made no effort to use it when French and American agents walked in.

They said Frau Scholtz-Klink, who was reported to have taken her own life at Konstanz in April of 1945, was wanted by the United Nations War Crimes Commission.

She had been identified with the Nazi party since 1929, the agents said, and was known for her exhortations—echoing those of Adolf Hitler—to German women to bear many children. In 1940, when she married Heissmeyer, she had four children. Heissmeyer at that time had six.

Close To Hitler

Officials said she was regarded as a close associate of Hitler. She had held the title of "Reichsfrauenfuehrerin," or director of women's party work, for twelve years, until the end of the war.

The army's dossier on her shows she also was head of the women's branch of the German Red Cross and of the Women's Labor Front.

The army newspaper, *Stars and Stripes*, said she was credited with founding homes where selected German girls could meet selected German men to breed a "super race," but the agents said they had no confirmation of such a report.

Raids On Reich Girls' Homes Net 70 GI's

Frankfurt, Germany, March 1 (AP)—The United States Army has opened a drive against soldiers who spend the night in the homes of their German girl friends.

Dawn raids on 380 German homes tumbled 70 soldiers and four American civilians from German beds yesterday, an official summary said. They were charged with disorderly conduct or illegal billeting.

The 600 raiding troops and 50 German policemen also picked up 80 German women. They will be tested for venereal diseases and perhaps prosecuted.

Byproducts of the raid were four illegally possessed guns, several soldiers absent without leave, and evidence of at least two cases of large-scale black marketing. Several homes contained large amounts of food and clothing of United States Army origin, apparently gifts from soldiers. Other raids will be conducted.

Two Spanish Bankers Coming To U. S. to Seek Private Loans

MADRID, March 1 (AP).—Representatives of two Spanish banking houses will depart for the United States this week to seek private credits for Spain, informed sources said tonight.

The trip is being made by Count Fontanar, of the Urquijo Bank, and Ignacio Herrero, of the Hispano-Americano Bank.

According to informants who declined to be identified by name, the trip is purely private and is not connected in any way with the Spanish government. The sources said it was possible the bankers might try to sound out the Export-Import Bank on industrial credits.

U. S. Policy Switch Seen

LONDON, March 1 (AP).—Spanish Republican sources declared today American policy is being revised to permit private loans to Generalissimo Francisco Franco's government of Spain.

[In Washington, Michael J. McDermott, State Department press officer, said no change of American policy was involved and that a private loan would be a batter for American bankers and the Spaniards alone].

The informants, who are opponents of the generalissimo, declined to be quoted by name. They said they had learned from underground sources that Spain soon will try to borrow $200,000,000 in the United States and that Generalissimo Franco is confident the money will be granted.

They said their information was that a banking mission would leave Spain within two weeks to arrange the credit with private American banks. The reported change in the official attitude of the United States was attributed to a fear that, without help, the Franco government might fall and open the way for a pro-Communist regime.

The money would be used to help Generalissimo Franco, Spanish chief of state, out of economic difficulty, the informants said. They added it would be granted ostensibly without any change in the American State Department's stand against the Generalissimo.

The Spanish Republicans said the State Department "officially or unofficially" had blocked several earlier attempts to arrange private loans.

Spain was excluded expressly from the European Recovery Program by nations participating in the Marshall plan.

U.S. COOL TO TALK OF SPANISH LOAN

WASHINGTON, March 1 (AP)—The State Department declared hands-off today—at least officially "on reported plans of Spanish bankers to seek a $200,000,000 commercial loan in this country.

Michael J. McDermott, department press officer, told reporters a private loan would be a matter for American bankers and the Spaniards alone.

He added that no change of policy was involved, declaring:

"We have not appeared in such transactions in the past. We have neither encouraged nor discouraged the idea of a loan to Spain."

He said Spain obtained a small private loan here in 1946, but he did not recall details.

Other sources said there was little chance American bankers would make a sizeable loan without getting at least an informal indication whether the government likes the idea. There was no authoritative indication what the answer would be if bankers asked about it.

There is no law against such a loan, even though this and other United Nations governments have expressed pointed dislike for the Franco regime in Spain. American bankers could make their own deal either with the Franco government or Spanish banking houses.

An official of the government's own international lending agency, the Export-Import Bank, said the bank knows nothing about Spain's reported plan to try for a loan.

He said the Spanish government never has approached the bank, even informally, for a credit. He guessed that the Spanish "probably figured it would be a fool errand."

Communists in Europe have accused the United States of taking a softer attitude in recent months toward Franco's totalitarian setup.

Spanish desire for an American loan has been reported frequently in Europe recently. Today the report became concrete with Spanish republican circles in London saying a bankers mission from Spain would leave within two weeks to try for a $200,000,000 credit.

U. S. Ships Meet in Gibraltar

GIBRALTAR, March 1 (AP)—Thirty United States naval ships carrying approximately 14,000 officers and men assembled here tonight for a transfer of Mediterranean fleet units. Vice Adm. Forrest P. Sherman, United States naval commander in the Mediterranean, will make the carrier Rochester his flagship when the cruiser Portsmouth returns to the United States with other ships that are being relieved.

Panama Delegates Quit U. N. Maritime Parley

GENEVA, March 1 (AP).—Panama has walked out of the United Nations Maritime Conference because of what its chief delegate described as "systematic failure to recognize the maritime rights and interests of Panama," it was disclosed today.

The conference chairman, Dr. J. J. Oyevaar, of the Netherlands, published a letter from the Panamanian delegate, Miguel Amado, in which the latter announced his decision to leave the conference. Mr. Amado reserved Panama's final attitude on the proposed international maritime organization, whose constitution is being drafted here by thirty-five nations.

Mr. Amado said that Panama, with a merchant navy of 2,500,000 tons, ranked fifth or sixth among the world's seafaring nations, yet had been included neither among the working party drafting details of the proposed constitution nor among the twelve permanent members of the maritime organization's council.

Greeks Seize 60 In Navy Plot

Athens, March 1 (AP)—More than 60 officers and sailors have been arrested on charges of trying to sabotage the Royal Greek Navy, an authoritative source said today.

Some of the men were on active duty; others had been dismissed. The informant said those seized were members of "a Communist organization" composed mainly of sailors dismissed after a Middle East mutiny in 1943.

He said enough explosives to blow up the destroyer Miaoulis were found aboard the craft last March while she was anchored at Patrai. Failure to conect detonating wires prevented the blast.

Turbines Damaged

At the same time, the source said, steam turbines on the destroyer Crete were damaged badly by emery powder placed in the lubricating oil.

Elsewhere in Greece, Athens newspapers said today, Government forces have chased guerrillas from sixteen villages near the Albanian border.

"Violent hand-to-hand fighting" occurred in many sections, the accounts said. Informed military sources said the operation, on a loose 30-mile front, is the most extensive ever undertaken in Epirus.

Greek Town Bombarded By Guerrilla Mortars

Salonika, Greece, March 1 (AP)—The Greek Army said guerrillas began bombarding the city of Naoussa tonight with mortar shells.

Naoussa is 50 miles west of Salonika.

Officers of the 3d Army Corps said the barrage began at 6 P.M. and was still in progress four hours later. Shells were falling in the center of the city.

Dutch-YugoslavPact Signed

Trade Agreement Involves Goods Valued at $38,000,000

THE HAGUE, March 1 (AP).—The Netherlands and Yugoslavia signed a three-year trade agreement Saturday, it was announced today. Goods valued at 100,000,000 guilders (38,000,000) will be exchanged, an official statement said.

The Netherlands will receive corn, soy beans, timber, tobacco, paper and metals. Yugoslavia will receive ships, yarn, medicines and chemicals, machinery, rubber and other products.

CZECHS PROMISED LEGAL ELECTIONS

Outsiders Can Observe Voting; Balloting Date Undecided

Prague, Czechoslovakia, March 1 (AP) — Czechoslovakia today was promised legal elections which foreign newsmen could observe. The date of the balloting, however, was left in question.

The promise was made at a news conference attended by new members of the Government. The Cabinet members tried to justify what Information Minister Vaclav Kopecky, a Communist, called "the Czechoslovak revolution." They said the events of last week giving Communists control of the Government were the will of the people.

Election Question Arises Early

Later it was announced that Parliament would meet March 10 to hear a statement by Klement Gottwald, Communist Premier. Parliament now is being purged of unwanted deputies by parliamentary and party action committees.

Gottwald was not present at today's news conference nor was Vaclav Nosek, Interior Minister.

The elections question came up early. It was stated that the voting might be held before Parliament is due to adjourn June 7, but that the current crisis and the amount of legislation that must be passed to speed nationalization and agricultural changes might cause further delay.

Curb On Committees Considered

A statement by Evjen Erban, Minister of Social Welfare, gave evidence that the Government heads are beginning to consider steps to curb the activities of the action committees.

These committees, set loose by Gottwald, launched wholesale purgings and firings throughout Czechoslovakia. In attempting to explain the legal basis for the committees, Erban said:

"The Central Action Committee is now going to lay down rules for the activities of all the action committees."

He declared the committees were authorized by "the will of the people."

Kopecky said the Czechoslovak public is indignant at stories in the foreign press about the setting up of the "people's republic." He asserted that "nowhere has so revolutionary a change taken place in so peaceful a manner as in the Czechoslovak revolution."

Kopecky said he had no figures on how many people were arrested in the Communist revolt or how many were discharged. He shrugged his shoulders and grinned when asked to identify the western powers Gottwald asserted were behind the "reactionaries" in the former government.

Antonin Gregor, Communist Minister of Foreign Trade, said Czechoslovakia hopes to maintain trade relations with the West. He told the news conference that a delegation left Saturday for Brussels to discuss trade with Belgium.

"We will keep our commitments and we will expect others to keep theirs," he said.

AP Service Curtailed

Before the news conference Arnost Limbersky, an official in the Information Ministry, said Czechoslovak newspapers had been requested to use only the services of the official Government press agency and of a wire organization known as Telepress. He told the Associated Press:

"We did not order newspapers to quit taking your service, but they usually do what we ask them to."

The ministry has not yet "considered the question of ordering foreign press agencies to halt their services," he said.

The Associated Press news service was being delivered as usual to old customers, and several Left-wing publications continued to buy Associated Press photographs.

One American student attending a Czechoslovakian university has withdrawn and other students are seeking to determine their status, the United States Embassy said today.

Red Control Will Of People, Czech Officials Say

Prague, March 1 (AP)—New Cabinet ministers told foreign reporters today the events last week giving Communists control of the Government were the will of the people.

Vaclav Kopecky, Communist Minister of Information, told a news conference questioner "no figure is available" on the number arrested or how many persons were expelled from their positions. He declined also to identify the Western powers Premier Klement Gottwald asserted were behind "reactionaries" in the former Government.

The Cabinet will meet tomorrow for the first time. The Communist leaders already have made broad promises to farmers and workers.

Parliament will meet at 2 P.M. Tuesday, March 9, in its first plenary session since the Communists took over the Government last week. The Prague radio, announcing the meeting, said Gottwald would make a statement.

Elections Forecast

One Minister told the reporters constitutional elections would be held in the prescribed time before Parliament is due to adjourn June 7. Alois Nuemann, National Socialist Minister of Posts, said, however, the crisis and the crush of legislation might cause a legal postponement. Kopecky said foreign correspondents would be allowed to report the election.

Antonin Gregor, Communist Minister of Foreign Trade, said Czechoslovakia hopes to maintain trade relations with the West. He said a delegation left Saturday for Brussels to discuss trade with Belgium.

The new Ministers said they were from the rank and file of their parties. This was in reply to a question by Palmer Hoyt, Jr., of the Denver *Post*.

They acknowledged that the Rev. J. Plojhar, new Minister of Health, and Alois Petr, Minister of Transport, had been expelled from the Catholic Democratic party. The Ministers said "reactionaries" in the party were to blame.

Emergency Measure

Zdenek Fierlinger, new Minister of Industry, said the action commtitees through Czechoslovakia were formed as a transitory, emergency measure. He and other Ministers defended their activities, asserting the constitution allowed such groups to carry out "the will of the people."

Kopecky said the Czechoslovak public is indignant at stories in the foreign press about the setting up of the "People's Republic."

"Nowhere has so revolutionary a change taken place in so peaceful a manner as the Czechoslovak revolution," he said.

"Isn't it customary that such changes take place after an election?" asked Seymour Freidin, of the New York *Herald Tribune*.

Petr replied that in the first republic, there were similar changes in Government.

Czech News Service Only

Arnost Limbersky, who has risen quickly to power in the Ministry of Information, said before the news conference that the Ministry had requested Czechoslovak newspapers to use only the services of the official Government Czechoslovak Press Agency and of a wire organization known as Telepress.

"We did not order newspapers to quit taking your service," he told the Associated Press, "but they usually do what we ask them to."

Limbersky said the Ministry has not yet "considered the question of ordering foreign press agencies to halt their services."

Several Left-wing publications continued to buy Associated Press Photographs today. The AP news service was being delivered as usual to old customers.

PRAGUE COUP PROTESTED BY NORWEGIANS

Anti-Communist Feeling Shown By Thousands In Oslo

Oslo, Norway, March 1 (AP)—Thousands of students and others demonstrated in Oslo tonight protesting the seizure of power by Communists in Czechoslovakia.

Political leaders said anti-Communist feeling was running higher in the country than at any time since the end of the war.

Political massmeetings and newspaper editorials have attacked sharply the Communist coup in Czechoslovakia and Soviet pressure on Finland.

Torches

Premier Einar Gerhardsen, a Social Democrat, told a labor rally last night "what has happened has caused anxiety and depression here." He called communism an "internal question" and appealed for a fight by democratic methods

to curb the influence of Communists inside Norway.

The students gathered outside the Czech legation in a protest against what they termed "the aggression against the students and professors of the University of Prague."

Carrying torches, slogans and Czech flags they marched to the "people's house," where the communist youth organization was celebrating events in Czechoslovakia.

Hope To Form Neutral Bloc

"Down with the communist party," the demonstrators shouted.

Norway is the only European country with a Russian frontier that has remained outside the hardening Soviet satellite bloc.

With Sweden and Denmark, Norway hoped to form a neutral Scandanavian bloc on friendly terms with the western powers and Russia.

The three powers joined the Marshall plan, but have carefully staved off talk of joining the "western union" of European countries proposed by Ernest Bevin, British Foreign Secretary.

Criticism In Denmark

In Denmark, where pro-Russian feeling blossomed after liberation from the Germans, strong criticism of the Soviet demand on Finland was voiced in the press.

"Danger is closing in on Scandinavia," said the conversative *Nationaltidende*.

Denmark's biggest newspaper, the conservative *Berlingske Tidende*, said Finland was fulfilling all peace terms. It added "one fails to understand the necessity of a military pact. Finland wishes only to maintain friendly and confident relations with the Soviet Union."

Fear Of Reds Cited In Oslo

Oslo, March 1 (AP)—Premier Einer Gerhardsen declared last night that "what has happened in Czechoslovakia has caused anxiety and depression" in Norway.

Speaking in Frederikstad, southern Norway, he accused the Communists of being a "danger to the Norwegian people's liberty and independence."

"Adherents Of Terror"

"Leaders of the Norwegian Communist party are Comintern-Cominform Communists," he said. "In their hearts they are adherents of terror and dictatorship like their comrades in other countries.

"The most important task in the fight for Norway's independence, for democracy and government by law," said the Premier, "is to reduce the Communist party and its influence as much as possible, declaring that Norwegian Communists must be defeated by democratic methods."

World In Danger, Editors Warned

Cape Town, March 1 (AP)—Prime Minister Jan Christian Smuts commented on the Czechoslovak situation today and asked whether or not the time had come for peace-loving nations to say "thus far and no further."

Speaking to a group of twenty United States editors and publishers who are visiting South Africa, Smuts said things were happening in the world today which are wrecking its very foundations. If a halt is not called, he said, the end of civilization as we knew and cherished it is inevitable.

"We see the shadow of slavery, of the placing in bondage of the human spirit, looming before us," Smuts added. "Czechoslovakia has been swallowed, extinguished. Today there is no time to think things out. Tomorrow the situation may be irretrievably lost."

The United States visitors had lunch with the Prime Minister. They went to South Africa aboard a Pan American World Airways plane which inaugurated a new direct service from the United States.

FINNISH GROUP OPPOSES PACT

Conservative Stand Toward Soviet Treaty Revealed

Helsinki, March 1 (AP)—Conservatives in the Finnish Parliament tentatively are opposed to a treaty of friendship and mutual aid with Russia, Arvo Salminen, chairman of the group, said today. He emphasized, however, that the party's stand is not yet definite.

The reaction of the Conservatives, a minority group, became known as President Juho Paasikivi opened discussions with cabinet members of Prime Minister Stalin's proposal for such a pact against "possible German aggression."

Paasikivi conferred at the presidential palace for three and a half hours with Mauno Pekkala, Premier; Carl Enkell, Foreign Minister; Reinhold Sveento, Vice Foreign Minister, and Lieut.-Gen. Aaene Sihvo, commander in chief of the Finnish Army.

Reported Parliament Favors Pact

Well-informed circles reported that Paasikivi was in favor of signing the treaty. The informants said they believe the President feels that Russian-Finnish relations might be aggravated to a dangerous degree if the Soviet bid is rejected. On the other hand, Finland might get as favorable conditions as possible toward keeping national independence by entering into the negotiations, it was said.

The general opinion in Helsinki is that the negotiations cannot be avoided and that they probably will take place in the Finnish capital. The Russian offer to send a delegation to Helsinki is regarded as a favorable sign. The Finnish Government's view is not expected to be made known officially before Wednesday night.

In explaining the Conservatives' position, Salminen said Paasikivi had placed this single question before various parliamentary groups:

"Shall Finland appoint a delegation to discuss forming this new pact?"

Salminen said the conservatives feel the peace treaty with Russia is enough. The party is not opposed to a friendship or cultural agreement, he said, but it does not like military accord.

There is a great difference, Salminen said, between Finland and some of the Balkan countries (which have signed new treaties with Russia). He maintained the social standard in Finland is higher, the parliamentary and political life is more stabilized and the mentality of the people is much calmer.

Liberals Oppose Treaty

[The Finnish Conservatives, or coalition party, hold 28 of the 200 seats in Parliament. The largest bloc is the Popular Democratic Union, composed of Communists and pro-Moscow Social Democrats. The union has 51 deputies in Parliament.]

It is known, but not officially confirmed, that the Finnish Communist party decided on Saturday to advocate acceptance of the pact.

It also is known that on Friday the small Liberal party held an unofficial meeting of its parliamentary group which decided in principle to oppose the treaty. The Liberal party has seven seats in the 200-member Finnish Parliament.

Some observers predicted that many Right-wingers in the Conservative, Agrarian, Social Democratic and Progressive parties vote against the treaty with Russia to save face so long as there was no danger of the pact's ultimate rejection.

Stalin's Letter Published

Helsinki's press and radio yesterday published Stalin's letter to Paasikivi suggesting the treaty. Informants said that now that the letter has been published, getting the pact has become a point of prestige for the Soviet Union.

[In London, the British Board of Trade said complete agreement on a British-Finnish trade pact is expected this week despite recent political events in Finland. Britain is seeking wood pulp, plywood and mine props. The Finns are negotiating for iron and steel products, machinery and other capital equipment.]

Finnish Coalition Party Disfavors Russ Treaty

Helsinki, March 1 (AP)—Arvo Salminen, chairman of the Conservative group in Parliament, said today his followers tentatively opposed a treaty of friendship and mutual aid with Russia.

He emphasized that the party's stand is not yet definite.

Salminen said President Juho Paasikivi had placed this single question before various parliamentary groups:

"Shall Finland appoint a delegation to discuss forming this new pact?"

Cabinet Discussion

The President and his Cabinet were discussing at the same time Prime Minister Stalin's proposal for such a treaty.

Salminen said the Conservatives felt the peace treaty with Russia is enough. He said the party was not against a friendship or cultural agreement, but that it does not like a military accord.

[The Coalition party, or the Finnish Conservatives, holds 28 of the 200 seats in Parliament. The Popular Democratic Union, composed of Communists and pro-Moscow Social Democrats, has 51 members, the largest bloc.]

Not Like Balkans

Salminen said there is a great difference between Finland and some of the Balkan countries (which have signed new treaties with Russia). The social standard in Finland is higher, the parliamentary and political life is more stabilized and the mentality of the people is much calmer, he said.

Paasikivi conferred at the presidential palace for three and a half hours with Premier Mauno Peekala, Foreign Minister Carl Enckell, Vice Foreign Minister Reinhold Svento and Lieut. Gen. Aaene Sihvo, commander in chief of the Finnish Army.

The Government's official statement on the treaty is not expected before Wednesday night.

Point Of Prestige

Press and radio here published yesterday the text of Stalin's letter to Paasikivi, dated February 22 and closing, "with deep respect." The letter proposed negotiations in Moscow or Helsinki toward a "pact of friendship, co-operation and mutual assistance" against "possible German aggression."

Well informed sources said now that the letter is published, getting the pact has become a point of prestige for the Soviet Union. They said they believe President Paasikivi feels this way:

To turn down the Soviet bid would aggravate Russian-Finnish relations to a dangerous degree. To accept it could mean Finland might get as favorable conditions as possible toward keeping national independence.

[K. A. Fagerholm, Social Democratic speaker of the Finnish Parliament, said in Stockholm last night, "we do not want to see events of the kind now occurring in some other countries who have closed agreements with the Soviet Union."

["A change in the Government is conceivable, however," he added, "as a consequence of what has happened."

[He and other Finnish leaders are visiting Sweden for a "Finland's Week" celebration planned by Swedish welfare groups.]

Negotiations "Unavoidable"

Helsinki opinion generally is that negotiations with Russia are unavoidable and probably will take place here.

Political circles noted that Paasikivi, 78, fluent in Russian, has Stalin's confidence because of peace talks in Moscow in 1941 and 1944.

Before the 1945 election, Paasikivi proclaimed that anti-Russian candidates must be taken off the tickets. They were.

Saturday, the President saw Gen. G. M. Savonenkov, Russian Minister to Helsinki. They did not say what they talked about.

"Good Sign" Seen

Some politicians saw a good sign in Stalin's offer to send a Soviet delegation to Helsinki. They noted the Russians did not offer to go to Bucharest and Budapest before working out pacts with Romania and Hungary on the lines proposed to Finland.

Unsigned leaflets turning up in Helsinki yesterday urged Finnish action against Communists. They said Stalin in wartime once "threatened to wipe out the entire Finnish people." They added, "only the Western powers are able to secure Finland's sovereignty."

The Social Democratic newspaper *Suomen Sosialidemokraatti* said such expressions of opposition were "completely aimless," whether patriotic or provocative in motive.

YUGOSLAVIA JAILS U. S.-BORN BISHOP

BELGRADE, Yugoslavia, March 1—(AP) Vojislav Nastich, American-born orthodox bishop of Sarajevo, today was sentenced to 11 years at forced labor. He was charged with betraying his country, helping terrorist organizations and leading enemy propaganda.

The public prosecutor said Nastich had preached sermons against the Yugoslav army, against the government which he said persecuted the church, and against the Yugoslav five-year-plan.

The newspaper Politika said Nastich spoke up boldly during his trial and admitted he recently distributed a written statement that "1,300,000 Serbian victims have fallen on the tray of the bloody hammer and sickle."

Although it was reported Nastich returned to Yugoslavia from his American birthplace when he was nine years old, the newspaper said he told the court he felt equally Serbian and American.

(The Serbian National Defense Council of America, with headquarters in Chicago, said Feb. 28 that Nastich was born in Gary, Ind., on Jan. 31, 1914.

(The organization said Serb groups in America were sending appeals to the U. S. State Department in behalf of Nastich, since they said he is an American citizen by birth.)

Romanian Liberals To Boycott Election

Bucharest, March 1 (A. P.).—Constantin Bratianu, the National Liberal leader, informed the Provincial Liberal organizations today that the party will not participate in the parliamentary elections March 28. This means that the only opposition party of any significance will not offer candidates.

CHINESE STILL CLAIM SINMIN

Nationalists Report Progress In Drive For Mukden

Peiping, March 1 (AP)—A Chinese Nationalist column, blasting its way toward Communist - surrounded Mukden, reported today it was 70 miles away, with much of the intervening area clear. The report broke days of unrelieved Government gloom over the Manchurian situation.

At the same time pro-Government dispatches reported reinforcements were streaming into southern Manchuria, and the Government's Nanking military spokesman said Sinmin was "firmly in our hands."

Sinmin, 30 miles west of Mukden, was reported taken by the Communists February 26, but Government troops hung on in the outskirts and may have made a comeback.

Passenger Trains Delayed

The spokesman said the Communists had failed to penetrate the area between Sinmin and Mukden.

Observers cautiously remarked, however, that poor communications sometimes fail to keep Nanking abreast of Communist conquests.

The relief column heading northeast up the shattered Peiping-Mukden railway reported it captured Tahushan yesterday. The city, 70 miles west of Mukden, is a railway junction point. Its capture was credited to mechanized troops of Gen. Fan Han-chieh.

Reinforcements, moving up by rail as far as possible, were heavy enough that pasenger trains from Peiping to Tientsin were delayed on siding. Other troops were marching overland from Jehol province.

Report Seaborne Forces Land

Seaborne forces were reported landing at Chinwangtao in North China and at Hulutao, only Manchurian port remaining to the Government.

Nanking dispatches said Generalissimo Chiang Kai-Shek at a conference yesterday assured a group of oldtime Manchurian generals that he was sending enough reinforcements to achieve early reopening of communications.

[Harold K. Milks, Associated Press correspondent, reported from Nanking that few persons outside the Government could see how Chiang expected to fulfill his promise, as all his experienced forces already were engaged. He speculated that some might be drawn from the Yangtze Valley.

[Milks quoted military observers as saying that complete loss of Manchuria might later mean loss of North China, hence Government leaders were refusing to admit the Manchurian position untenable.]

Chinese Streaming Into Manchuria

Peiping, March 1 (AP) — Military developments today revived dying hopes of a Chinese Government comeback in Communist-overrun Manchuria.

Pro-Government dispatches reported one "notable success" in efforts to blast open a corridor to isolated Mukden. They said reinforcements streamed into Manchuria by sea and land.

Government mechanized forces under Gen. Fan Han-chieh were reported to have recaptured Tahushan on the Peiping-Mukden railway yesterday. The rail junction is 170 miles north of the Great Wall and 70 miles west of Mukden, the Nationals' headquarters city.

Government Holds Sinmin

[A Government spokesman in Nanking said the Manchurian defense base of Sinmin "firmly is in our hands." The city, 30 miles west of Mukden, was previously reported captured by Chinese Communists. He said the Communists' failure to penetrate the area between Mukden and Sinmin strengthened the situation of the two cities.]

Dispatches from Nanking said Chiang Kai-shek had assured former Manchurain leaders that he was sending enough reinforcements to the northeast to assure early reopening of communications.

Meanwhile, seaborne Government reinforcements were reported landing at the North China port of Chinwangtao and at Hulatao, Manchuria. Other new troops were marching into Manchuria from Jehol, Inner Mongolian province, and traveling by train from North China.

India Turns Surplus Into Deficit

New Delhi, March 1 (A. P.).—Finance Minister R. K. Shanmukham Chetty told the Indian Parliament today that in 1946 India had a surplus of 366,000,000 million rupees (about $110,000,000). But, he added, by November, 1947, India's deficit amounted to 650,000,000 rupees (about $195,000,000). Figures after that date are unavailable, he said.

Editors Lunch With Smuts

Capetown, South Africa, March 1 (AP)—A group of twenty United States editors and publishers lunched today with Prime Minister Jan C. Smuts. The party, traveling on a Pan-American World Airways Constellation plane inaugurating a new direct service from the United States to South Africa, arrived from Johannesburg this morning.

West Java Parliament Bloc Refuses To Vote

Bandoeng, Java, March 1 (AP)—The "Republican" bloc in the West Java provisional parliament refused to vote today in the election of second and third vice presidents in a continued protest of the failure of one member of the bloc to be elected first vice president.

The voting revealed that following rough party alignments: "Indonesian" bloc of about 40 including the "Republicans," "National" faction of eight, "Federal" group of 22, "Pasoendan party" of five and a minorities group of 25 Dutch Arabian and Chinese members.

Korea Election Set May 9 By U.S. Order

Seoul, March 1 (AP)—The United States announced plans today to proceed with a general election May 9, under United Nations observation, to name delegates for establishing a Korean government.

Lieut. Gen. John R. Hodge, United States commander in South Korea, made the announcement as Koreans in the American zone celebrated the twenty-ninth anniversary of their futile proclamation of independence from the Japanese.

Hodge's statement gave no details, but obviously was in line with a decision reached Thursday by the United Nations Little Assembly to conduct such an election.

No Reports Of Disorder

K. P. S. Menon, of India, chairman of the United Nations Korean Commission, and Dr. Victor Hoo, of China, an assistant secretary-general of the United Nations, are expected to return here from Lake Success this week to confer with army authorities on election plans.

The Army said it had received no reports of disorders in observance of Sam Il Day by the volatile Koreans. A city-sponsored mass meeting in Seoul Stadium was marred by one incident.

Hodge acted after the Little Assembly told the United Nations Commission for Korea to ignore Russian opposition and start national elections in Korea. Russia refused the commission entry into its North Korea occupation zone.

May Create Assembly

Under plans outlined at Lake Success, the elections would start in the American zone. If the Soviets should refuse to allow North Koreans to participate, a national assembly would be created, with the seats for North Korea left open.

The North Korea radio recently reported establishment of a Russian-sponsored people's republic there with a constitution to be ratified this month. Coincidental uprisings in South Korea which cost 79 Korean lives in February were described by United States Army authorities as Communist-inspired.

Decision Is Protested

South Korea enters the pre-election period with its political leaders at odds on the United Nations plans. Kimm Kyu Sik, Liberal, resigned yesterday as chairman of the American-sponsored South Korean legislature in protest against the election decision. Kim Koo, veteran Rightist leader, joined Kimm in assailing the election plan.

Hodge told the stadium crowd the balloting "will be carefully watched by all the democratic nations of the world in the hope the world may be shown conclusively that Korea accepts its responsibility and is prepared to take its right place in the family of nations."

Clash At Stadium

The stadium meeting was marred by a short lived attempt by a flying wedge of some 30 pro-Communist youths to distribute handbills urging the United Nations commission to quit Korea. Members of the extreme rightist Northwest Young Men's Association broke up the wedge. About twelve of them were carried out of the stadium for first aid.

Police estimated the stadium crowd at 80,000 to 100,000. Rightist political groups later paraded Seoul streets without incident. Sam Il Day celebrates the independence proclamation issued by a band of Korean patriots in 1919 seeking to end Japanese rule.

(In Tokyo, an estimated 10,000 Koreans loudly but peacefully observed the day with parades and speeches. One banner was inscribed, "Immediate evacuation of Allied troops from Korea.)

GI Guard Balks Kobe Smuggling

Kobe, Japan, March 1 (AP)—A sharp-eyed Philadelphia soldier was instrumental in breaking up a smuggling operation involving an estimated 10,000,000 yen ($200,000) worth of penicillin, saccharin, gold, silver and platinum.

The Army identified the GI today as Pfc. Bill Stewart. He was security guard on the SS Taksang when the Chinese-manned British ship arrived recently from Formosa with a cargo of mica.

Stewart noticed cartons being unloaded from the ship to a lighter. He notified his commanding officer, Lieut. Richard Hughes, of Madison, N.J. Investigating, they found 2,000 vials of penicillin and 350 pounds of saccharin aboard the lighter.

Army criminal investigation agents found more penicillin, a quantity of gold and platinum bars and pieces of silver on the Taksang. Two Chinese crewmen were arrested. The contraband goods were impounded.

Hidden War Goods Sought

Tokyo, March 1 (AP)—The newspaper *Mainichi* reported today the Nagasaki public procurator is looking for an estimated 60,000,000,000 yen ($1,200,000,000) worth of hidden or hoarded war goods.

800-Mile Sea Joyrides Hit

Tokyo, March 1 (AP)—Ryukyuans were told today to quit joyriding between Japan and their home islands, about 800 miles south.

Many of those returned home were found to be stowing away on ships, riding to Japan—and applying for repatriation again. Allied headquarters told the Japanese Government to halt the practice.

War-famed Okinawa is the largest of the Ryukyus.

RICE CONFERENCE OPENS

Filipino Warns That Hungry Asiatics Threaten Peace

MANILA, March 1.—(AP)—One billion hungry Asiatics represent a great threat to peace, the opening session of the World Rice Conference was told today.

Elpidio Quirino, Philippine Vice President, said that the Asiatics "perpetually suffering from mass hunger cannot actively contribute to world peace." He said that in their "deep despair" they are likely to succumb to "fantasies and mirages of dangerous ideologies."

Fifteen nations were represented as the conference started under its sponsorship of the United Nations Food and Agriculture Organization (FAO).

The Philippine's chief delegate, Joaquin M. Elizalde, was elected chairman. Hsieh Chen-Ping, Chinese delegation leader, was named vice chairman, and Armand Arizana of France, representing Indo-China, second vice chairman.

REPORT CALLS DR. CONDON, STANDARDS BUREAU HEAD, 'WEAK' ON SECURITY BASIS

HouseCommitteeWarns Truman Other Officials 'Play Stalin's Game'

Washington, March 1 (AP)—A House Un-American Activities subcommittee said today Dr. Edward U. Condon, a top atomic scientist, has associated with alleged Soviet spies and is "one of the weakest links" in the nation's atomic security.

In its report on Dr. Condon, who heads the National Bureau of Standards, the committee suggested that President Truman be formally advised:

"That the situation as regards Dr. Condon is not an isolated one, but that there are other Government officials in strategic positions who are playing Stalin's game to the detriment of the United States."

NIGHT

Loyalty Status Pending

The committee reported that the Atomic Energy Commission, in November, 1947, listing Bureau of Standards employés who had been cleared for atomic work, carried Condon's name in a "pending status."

In this connection, the Atomic Energy Commission said "Dr. Condon's clearance is pending awaiting word from the Secretary of Commerce relative to the evaluation of his investigation of Dr. Condon."

Told by a reporter about the committee's statements, Dr. Condon said:

"If I am one of the weakest links in the nation's atomic security, this is gratifying information, because I'm absolutely reliable and therefore we (the nation) have nothing to worry about. The country can relax."

Recommended By Wallace

The House group, in a formal report, recalled that Condon was appointed to his post on the recommendation of Henry Wallace. Speaking of Communists, the report said:

"In this country they haven't gotten as far as they did in Czechoslovakia, but they got pretty far, because they got a man as Vice President of the United States, and he is now their candidate for President, and he is the same man who recommended Dr. Condon as director of the Bureau of Standards."

The committee spoke warningly of evidence which it said "indicates very strongly that there is in operation at the present time in the United States an extensive Soviet espionage ring."

Warns Of "Ultimate Disaster"

It warned of "ultimate disaster" if this ring be allowed to continue.

Dr. Condon, the report said, "knowingly or unknowingly entertained and associated with persons who are alleged Soviet espionage agents."

Condon commented: "That's just too vague to talk about. I certainly didn't do it knowingly."

Of the report's statement that he "has lent his name and influence to one of the principal Communist endeavors in the United States," the scientist replied:

"I suppose that refers to my membership in the American Soviet Science Society. This society is supported by a $25,000 grant from the Rockefeller Foundation and is not communistic in any sense of the word."

Cited As Subversive

The committee report did say this was the organization. It added that the council was affiliated with the National Council of American-Soviet Friendship "which was recently cited as a subversive organization" by Attorney General Tom C. Clark.

The committee report included a letter written last May 15 by FBI Director J. Edgar Hoover to Condon's boss, W. Averill Harriman, Secretary of Commerce.

The letter said that Condon had been in contact "with an individual alleged, by a self-confessed Soviet espionage agent, to have engaged in espionage activities with the Russians."

An inquiry today at Hoover's office brought only the reply that "Mr. Hoover does not care to discuss the matter in any way."

Condon told a reporter that he had made two efforts to give the House committee whatever information it wanted about him.

Recalls Magazine Article

He recalled that Chairman J. Parnell Thomas (R., N.J.) "took a couple of cracks at me" in magazine articles last summer.

"When those appeared, I wrote to him and volunteered to give him any information he might want in the investigation," Condon said. "He never answered that letter, and I supposed that he thought the investigation wasn't worth carrying out."

The committee recommended that Dr. Condon either be "removed or a statement should be forthcoming from the Secretary of Commerce, setting forth the reasons why he has retained Dr. Condon in view of the derogatory information which he has had before him."

Appointed In 1945

The Bureau of Standards is under the Commerce Department. The subcommittee said Condon was appointed head of the bureau on November 5, 1945.

The subcommittee which made the report is composed of Representative Thomas (R., N.J.), chairman of the full committee, and Representatives Wood (D., Ga.), and Vail (R., Ill.). Its report was made public by Robert E. Stripling, chief committee investigator, on behalf of Thomas, who is ill at Walter Reed Hospital.

Stripling said the subcommittee met last Friday night at the hospital with the three investigators who had been working on the Condon case. In addition to Stripling, the investigators are William A. Wheeler and Louis J. Russell.

Stripling said that while the report will be laid before the full committee at the earliest possible time, it was made part of the committee's records and released to the public today "because of the urgency of the matter involved."

Cites Hoover Letter

The Hoover letter to Harriman quoted by the committee, further said:

"Mr. and Mrs. Condon associated with several individuals connected with the Polish Embassy in Washington, D.C. Among these are Mrs. Joseph Winiewizc, wife of the Polish Ambassador; Virginia Woark, a clerk of the Polish Embassy, Helen M. Harris, secretary of the Polish Embassy, and Ignace Zlotowski, former counselor of the Polish Embassy and presently a Polish delegate to the United Nations.

"Helen Harris is identified as a former secretary to the American Soviet Science Society during the time it was known as Science Committee of the National American Soviet Friendship Society. She went to work for the Polish Embassy in the Fall of 1946.

"Zlotowski is identified as a nuclear scientist who studied under Joliet Curie, known member of the Communist party. He was ex-secretary of the American Soviet Society. It is known that in February, 1947, Zlotowski purchased 270 books on atomic energy which had been published by the Department of Commerce.

"It is also known that Mr. and Mrs. Condon were in contact with several other persons closely associated with this alleged Soviet espionage agent. It is also reliably reported that in March, 1947, Zlotowski offered the use of the Polish diplomatic pouch to scientific groups as a means of transmitting scientific material outside the United States, dissemination of which had to be restricted because of security reasons by military authorities.

Applied For Passport

"Zlotowski was in contact with Anatole Gromov, first secretary of the Soviet embassy who has since returned to Russia. Mrs. Emily Condon applied for passports for European travel in 1926, and passport for travel to Russia in 1945. Passports were withdrawn.

"Condon was issued Passport 276,319 on October 11, 1946, to travel and study in Germany, France, Holland, Italy, Czechoslovakia, Great Britain, Denmark and Switzerland. He applied for passport June 4, 1946, to Russia which was issued but was later canceled by the Army."

The committee listed Dr. Condon as a native of Alamogordo, N.M., who will be 46 years old tomorrow. He married Emilie Honzek, an American-born woman of Czechoslovakian descent, on November 9, 1922.

In 1940, the committee said, Condon was a member of the National Defense Research Committee and in 1941 was a member of the Roosevelt committee on uranium research. During the Seventy-ninth Congress he was scientific adviser to the special congressional committee on atomic energy.

Observed Bikini Tests

In July, 1946, he was a member of the President's evaluation committee formed for the purpose of observing the Bikini atom bomb tests. Doctor Condon also has served as an adviser to the National Advisory Committee for Aeronautics.

The committee said that the Bureau of Standards has been active in research work in radio propagation, guided missiles, atomic energy, radar proximity fuses, instrument landing system and radiosonde. Last year it conducted research work on secret projects for the Army, the Navy and the Atomic Energy Commission.

"The Bureau of Standards is one of the most important national defense organizations in the United States," the committee said "because of this, it has become the target of espionage agents of numerous foreign powers."

The committee in its conclusions and recommendations said:

"In considering the case of Dr. Condon, we wish to emphasize that what is involved is not a question of freedom of speech or research. The ruthless rush of Stalin through Europe, in the opinion of this subcommittee necessitates a revision of the policy and thinking of this Government and the people of the United States, regarding communism.

"We should bear in mind, that the Government is charged not only with the administration of public affairs, but it is also charged with the security of the people and the institutions of the United States. Whether we like it or not, we are now engaged in a great epochal struggle; not a struggle with guns,

because the Communist don't fight that way.

"They didn't take over Czechoslovakia with guns, they merely employed the strategy of getting a few men in the Government and then a few more, and then they took over the entire Government without firing a single shot or calling out a single regiment of soldiers.

"They are conducting exactly the same kind of campaign in other countries. In this country they haven't gotten as far as they have in Czechoslovakia, but they got pretty far, because they got a man as Vice President of the United States, and he is now their candidate for President, and he is the same man who recommended Dr. Condon as director of the Bureau of Standards.

"Not Isolated" Situation

"It is the unanimous opinion of this subcommittee that Doctor Condon should either be removed or a statement should be forthcoming from the Secretary of Commerce, setting forth the reasons why he has retained Doctor Condon in view of the derogatory information which he has had before him.

"We further recommend that the full committee address a communication to the President of the United States, calling to his attention the fact that the situation as regards Dr. Condon is not an isolated one, but that there are other Government officials in strategic positions who are playing Stalin's game to the detriment of the United States.

"It should also be pointed out to the President that the evidence before our subcommittee and the evidence which we are sure should be available to him, indicates very strongly that there is in operation at the present time in the United States an extensive Soviet espionage ring, and to permit this ring to continue, in view of the high atomic prizes which they are seeking is folly, and can only lead to ultimate disaster.

"We recommend that all of the evidence in the committee's possession be forwarded to the President for his consideration."

Reorganized Bureau

In May, 1947, the committee said, Dr. Condon reorganized the bureau and set up fourteen separate divisions, naming himself head of the atomic physics division.

The committee declared Dr. Condon and his wife "have been guests at the home of persons who are attached to the embassies of Soviet satellite nations" and that present at the time "were the representatives of official Soviet agencies."

Shortly after Condon's appointment, the committee said, he appointed Demetry I. Vinogradoff, a Russian-born scientist, as liaison representative for the bureau.

From July, 1936, through March 31, 1947, a total of 238 visitors and 64 delegates from foreign nations, including Russia and Poland, visited the bureau, the committee reported. It said visitors included 39 Russian and three Polish nationals, the naval attaché and the assistant naval attaché of the Russian Embassy.

666 Visitors Since '47

Since March, 1947, it said, there were 666 visitors representing foreign governments, but "very few Russian or Russian satellite-nation representatives are included in this number."

The committee said it does not know the reason for the decline.

But it noted that in December, 1946, Vinogradoff made arrangements with the first secretary of the Russian Embassy, F. T. Orekahov, to discuss the problem of exchanging books, pamphlets and other written material.

It was agreed, the committee said, that the discussion between Orekahov and Vinogradoff "would be informal because, otherwise, it would be necessary to obtain a clearance from the State Department."

Called "One-Way Street"

"It is also known that Vinogradoff has been in close touch with Capt. A. F. Belikov, assistant naval attaché of the Russian Embassy," the committee added.

"The exchange of scientific material with the Soviet Union is a one-way street," the committee commented and said the United States "is pursuing a dangerous and foolish policy of making scientific data available to the Soviet Union."

The committee said that Dr. Condon "has in the past five years been in personal contact and communication with a number of individuals who are American citizens, but who are members of the Communist party."

It said it has no evidence that Condon is a member of the Communist party "but as a member of the executive committee of the American Soviet Science Society . . . he has lent his name and influence to one of the principal Communist endeavors in the United States."

The committee said that on March 7, 1947, the membership committee of the American-Soviet Science Society sent letters to certain Bureau of Standards employés saying Dr. Condon had suggested that they might be interested in membership.

10 Scientists Join Group

As a result, it said, ten bureau scientists joined the organization but their action "should not necessarily reflect upon these ten employés."

"It does, however, indicate the dangerous extremes to which Dr. Condon has gone in an effort to cooperate with Communist forces in the United Nations," it commented.

In New York, a spokesman for Wallace said the former Vice President was en route back to his home at South Salem, N.Y., from a speaking trip to Minnesota. He said Wallace probably would have a statement on the subcommittee's charges against Condon when he could be reached.

THREAT DELAYED OF WORK STOPPAGE AT ATOMIC PLANT

WASHINGTON, March 1—(AP) An agreement today staved off, at least until Friday, the threat of a work stoppage at an Oak Ridge, Tenn., atomic plant.

At issue is a working contract between the Carbide and Carbon Chemical Corporation and the AFL's Atomic Trades and Labor Council at Oak Ridge.

The company agreed to continue terms of the old contract held by the union at least until Friday, March 5. The union has agreed to keep its 900 production workers on the job in the meantime at the laboratories involved.

Cyrus S. Ching, director of the Federal Conciliation Service, brought the parties together here. He said that a work stoppage would have grave national implications.

The Carbide and Carbon Corporation, a subsidiary of Union Carbide Corp., is in the process of taking over the operation for the Atomic Energy Commission from the Monsanto Chemical Co.

The Monsanto agreement with the commission expired at midnight last night.

The AFL union had a continuous contract with Monsanto which provided that the agreement would remain in effect until replaced by another. That amounted to a no strike, no lock-out pledge.

The union wants a contract with Carbide and Carbon, and was reported to be seeking a wage ncrease along with it.

A joint session of the parties with Ching's assistant, William N. Margolis, and Commissioner Clyde M. Mills, will be held tomorrow. Both sides were seen separately by the federal mediators today.

AIR BOARD URGES 35,000 PLANES TO INSURE DEFENSE

10 Billion-a-Year Program Needed to 'Head Off War,' Congress Told.

RESEARCH NEED CITED

Engel Leads Protests Over Cost of 'War-Strength' Proposal.

WASHINGTON, March 1 — (AP) Congress' own aviation policy board today urged a $10,000,000,000-a-year program to head off "the next war" by making it obvious America would win with air power.

Go-slow signs based on economy were immediately put up in the path of any such project, however. Rep. Engel (R.-Mich.), chairman of the House Appropriations Subcommittee handling military outlays, commented that "we can't keep up to war strength continuously."

Sounds War Warning

The bi-partisan policy board, composed of five senators and five representatives, declared that the political and industrial preliminaries of World War III already are going on. It said civilization stands vulnerable to annihilation" by scientific weapons, with the U. S. "continuously" subject to aggressive attack.

The desirable solution, its report said, would be a "Magna Carta of world defense" through the United Nations. But it said nothing like that is in sight and the need now is to build up America's air strength.

The board, completing a seven-months study, offered 92 recommendations among which these were salient:

1. A warplane strength of 35,000, double the present number.

2. Multiplication of the present plane production rate by five to assure that the 35,000 warcraft will be modern and effective.

3. Extensive research, including intense work on atomic propulsion, to keep American planes ahead.

4. Close coordination of civilian and military aviation programs, on the theory that civilian flying is a big factor in total air power.

5. Quick action by the joint chiefs of staff on a unified plan of military action. The board sharply criticized the lack of such a plan.

The board joined President Truman's five-man air policy commission of private citizens in setting 1953 as a target date for completion of such a program. It did not, however, state publicly that it was doing so with the idea that 1953 is the time when it may be assumed others will have atomic bombs. The President's commission, making military recommendations similar to those of the congressional board, based its plans on that assumption in a report Jan. 13.

Engel told a reporter he had not had a chance to study the congressional board's report, but said:

"Any such program will cost considerable money. We can't keep up to war strength continuously.

"There is the question of how far we can go in money and how far the American people want to go.

"The committee is always reluctant to overrule the President's budget on national defense since as commander in chief of the army and navy he should know what the needs are.

"We'll want to go into this report thoroughly and check into the information on which it was based."

Senator Byrd (D-Va.) said that while he favors building up the air force, the cost mentioned in the report seems large.

"However, I would rather put some of that money into airpower instead of foreign economic recovery programs," he said.

Senator Ball (R-Minn.) said he wonders where this country is going to get the money for such a large undertaking.

The board, with Senator Brewster (R-Me.) as chairman and Rep. Hinshaw (R-Calif.) as vice chairman, was unanimous in its findings.

It criticized the joint chiefs of staffs for not developing a unified plan of military action. And it warned that atom bombs and aircraft have wiped out "security frontiers."

The board called President Truman and Secretary of Defense Forrestal to "exert whatever pressure is required" to bring about a unified plan. It said bickering over army, navy and air force traditions "at the expense of national security is a luxury the nation no longer can afford."

But it blamed in part "an important conflict between executive order and law" with respect to the roles assigned the three services in wartime. The board asked immediate clarification.

The report follows by seven weeks a similar study made by the President's air policy commission and covers the same topics. The two reports are in general agreement except on proposals for reorganization of civil aviation in government.

Senator Owen Brewster (R-Me.) was chairman of the board and Rep. Carl Hinshaw (R-Calif.) was vice-chairman.

"Impending Tragedy"

"It is folly to pretend that the world does not live under a sense of impending tragedy," the report said in its preface to 92 specific recommendations. "Deliberately and continuously we are faced with the possibility of aggressive attack.xxx

"The answer to this greatest of historical dilemmas would be a Magna Carta of world defense, a ringing declaration of moral challenge to match the danger. This should come from the united voice of the powers implementing their joint will through the United Nations. Their forces of inspection would be guarantors to whom modern weapons might be surrrendered.

"That this, presently, cannot be the case is tragic, but it is true."

In the meantime, the board said, America must have supreme air power "to defend ourselves in the age of atomic bombs, of radioactive dust, of bacteriological contamination and guided missiles—to mention some of the new and terrible weapons."

The legislators proposed building up the air force to 20,541 modern

30.24-15927

planes, organized in 70 groups, and the navy arm to 14,500 planes.

It urged highest priority for the nuclear energy propulsion for aircraft (atomic power) program now being carried on by a group of companies headed by Fairchild Engine and Airplane corporation.

It recommended integration of all airways and air traffic control operations in a military plan so that civil facilities would be available instantly in an emergency.

In addition, the overall policy proposals called for coordination of air-power program costs with all other government spending to protect the nation "against both aggression from abroad and bankruptcy at home."

The board asked that steps be taken to promote air commerce at home and abroad, to maintain a healthy manufacturing industry, to coordinate aeronautical research, to improve flying dependability and safety, to encourage small business in flying, and to establish an air education program through the public schools.

For civil aviation in government, the board recommended shuffling present duties in the Civil Aeronautics board and the Commerce department.

This would establish an independent safety director; replace the Civil Aeronautics Administration (a Commerce department agency) with an "Office of Civil Aviation"; make the CAB rather than the CAA responsible for the competency of airmen and aircraft; establish the air coordinating committee by law instead of by executive order as at present.

U.S. Supremacy In Air Asked Of Congress

MAR 1948

Washington, March 1 (AP)—Congress heard a call from its own aviation experts today to make America supreme in the air because the political and industrial phases of "the next war" have already begun.

"Civilization stands vulnerable to annihilation," the ten-member Congressional Aviation Policy Board declared.

The six Republicans and four Democrats who reported on a seven-month study said this country needs 35,000 fighting planes and must be ready to spend nearly $10,000,000,000 a year to make air power the "dominating factor in maintaining world peace."

DAY

"Sense Of Impending Tragedy"

"To defend ourselves in the age of atomic bombs, of radioactive dust, of bacteriological contamination and guided missiles—to mention some of the new and terrible weapons—we must have air power that is supreme," they said.

"It is folly to pretend that the world does not live under a sense of impending tragedy. Deliberately and continuously we are faced with the possibility of aggressive attack. . . .

No Hope Of U.N. Action

"The political phase of the next war has been actively engaged in since VE-day—and the industrial phase is clearly recognizable."

The best answer would be a "Magna Carta of world defense" written in the United Nations, to whose inspectors modern weapons could be surrendered. However, because it is "tragic but true" that no such answer is in prospect, the policy board said these first steps must be taken:

1. Immediate action to resolve the conflict that is delaying a unified military plan.

2. Build toward a 70-group air force with 20,541 planes and a naval air arm with 14,500 planes —about double the present total.

3. Give top research priority to applying atomic power to aircraft.

4. Develop a Federal airways system with ultra-modern equipment for all-weather, large volume flying to serve both civil and military needs.

Those are the main proposals among 92 recommendations in the 54-page report. Some of the steps may be put before Congress soon in the form of legislation.

Agrees With Truman Group

Senator Brewster (R., Maine) was chairman of the board and Representative Hinshaw (R., Cal.) was vice chairman. Their report generally agrees with a similar study completed seven weeks ago by President Truman's Air Policy Commission.

The congressional group said it had been unable to learn the air requirements of the Navy and Air Force for a unified plan of action.

"Moreover, there is no present indication that such a plan is in process of determination," the report said.

Conflict Rapped

The board placed the blame largely on the joint chiefs of staff. But it said a conflict between the 1947 National Security (Unification) Act and a later presidential order defining the wartime roles of the Army, Navy and Air Force was partly responsible. The report urged immediate clarification of both the law and the order.

The board said national air power comprises indivisible elements of commercial and military aviation. Transports, airways and airports and the skilled men and women of industry serve both.

The policy recommendations, they said, aim at "a broad national air policy which by co-ordination of all phases of air power will most discourage aggression, preserve the national security and promote the total social and economic welfare of the United States."

Production Plan Outlined

Two levels of warplane production were proposed.

One would mean building 111,000,000 pounds (roughly 11,000 planes) of military aircraft each year to provide the necessary force in being and an industry large enough to supply a sustained offensive.

The other level — 63,000,000 pounds annually—would support the 70-group air force in readiness, but would require a year to expand industry for a sustained offensive.

The present production rate is about 21,000,000 pounds a year. In addition, the Air Force and the Navy are withdrawing 43,000,000 pounds a year from "moth-ball" storage.

Costs Estimated

The board estimated the Government's total aviation spending at $3,830,000,000 this year. It suggested this should increase to $4,700,000,000 next year, and reach $9,800,000,000 in 1953 before leveling off at $9,500,000,000 under the larger building program. The leveling-off figure would be $7,600,000,000 under the alternate plan.

Other defense spending also would jump under the board's proposals. The group said aviation costs would amount to approximately half of the total armed services budget in 1954 compared with just over one-third now. The armed services are getting $10,350,000,000 this year.

PRESIDENT URGES 3-YEAR EXTENSION OF TARIFF POWERS

WASHINGTON, March 1 (AP)—President Truman asked congress today to extend the reciprocal trade law three more years. All signs pointed to another hot fight over tariffs.

"The importance of the act is greater today than it has ever been," Mr. Truman said in a message forwarded from his Florida vacation.

"Together with other nations we are engaged in a mighty endeavor to build a prosperous and peaceful world.

"The Reciprocal Trades Agreement Act, by stimulating an increase of flow of trade between nations, will contribute strongly to the achievement of this objective.

Calls Extension Essential

"Its extension is essential if we are to complete the work we have begun."

NIGHT

The law, due to expire June 30, is 14 years old but the basic issue—tariffs—is almost as old as the nation. Under the reciprocal trade program the president has power to reduce tariffs on other countries' goods in return for their doing the same on U. S. goods.

Actually, the state department handles details. Supporters of reciprocity contend that their system encourages world trade to the benefit of all concerned. They say that high tariffs, on the other hand, contribute to international antagonism and depression.

Rep. Gearhart (R-Calif) told a reporter that the program gives too much power to the president. He said approval of both house and senate should be required before any tariff-cutting pact becomes effective.

Most Republicans feel the same way, Gearhart added.

Some of the strongest opposition is expected from Senator Butler (R-Neb) and Rep. Knutson (R-Minn). They have been fighting the program for years. Butler has said the tariff adjustments agreed to by the U. S. with 22 other nations last year "may seriously injure many vital domestic industries."

The opposition argument is that lowering of imports allows cheaply made foreign goods to flood the country, to the disadvantage of U. S. labor and capital.

Answers Criticism

Mr. Truman took note of this stand in his message, saying:

"The interests of domestic producers are carefully protected in the negotiation of each trade agreement.

"I assured congress, when the reciprocal trades agreement act was last extended in 1945, that domestic producers would be safeguarded in the process of expanding trade.

"That commitment has been kept. It will continue to be kept."

Rep. Mills (D-Ark) told a reporter that a requirement of congressional ratification "would simply mean the killing of the reciprocal trade program."

Further, he said, it would tend to "renew the log-rolling that once prevailed."

Rep. Eaton (R-NJ), chairman of the House Foreign Affairs committee, said that as a general rule he favors congressional ratification of any treaty. "But an effort to apply this principle to trade pacts might put us in a bog of confusion and delay," he added.

Truman Seeking Trade Pacts To June '51

MAY 1948

Washington, March 1 (AP)—President Truman today asked Congress to extend the Reciprocal Trade Agreements Act for three years, until June 12, 1951.

Mr. Truman said in a message that the Trade Agreements Act has been in effect for fourteen years and has become "an essential element of United States foreign policy."

The act gives the President power to work out tariff-cutting agreements with other nations. The United States agrees, for instance, to cut import duties on British-made products and Britain agrees to cut her import duties on American products.

DAY

Begun In 1934

The act was first put on the statute books in 1934 and has been renewed four times. It said the President could cut tariffs to one half what they were in 1934.

While the power is granted to the President, the State Department actually works out the agreements.

It was under this power that the United States took part in the Geneva Trade Conference last year. This was a meeting at Geneva, Switzerland, of 23 countries to work out tariff-cutting agreements.

Opposition Foreseen

Some of the agreements made there already have come under fire in Congress. Mr. Truman's request for continuance of the law, which expires June 12, appears certain to run into strong opposition.

Generally, the argument of critics runs like this: If tariffs are cut too low, foreign manufacturers will undersell American manufacturers in the American market because foreign wages are lower than American wages.

The Administration reply is that the tariff cutting is carefully done; that items are picked which won't hurt American business men and American workers.

Importance Stressed

In a message sent to the Capitol while the President himself was in Key West, Mr. Truman told Congress:

"The importance of the act is greater today than it has ever been. Together with other nations we are engaged in a mighty endeavor to build a prosperous and peaceful world. . . . The Reciprocal Trades Agreement Act, by stimulating an increase of flow of trade between nations, will contribute strongly to the achievement of this objective. Its extension is essential if we are to complete the work we have begun."

1948

Pacts With 29 Nations

Mr. Truman said that the agreements recognize the fact that "trade is a two-way business, and that our foreign commerce depends upon a balanced relationship between imports and exports." He added:

"Foreign countries must be able to sell to us if they are to have the dollars to pay for our exports and to repay our loans."

Relating the history of the act, Mr. Truman said that by 1945 the United States had made agreements with 29 countries. This affected about one half of all our foreign commerce.

Home Interests Guarded

He called the Geneva agreement "the most important and comprehensive trade agreement in history." In this agreement, Mr. Truman said all 23 nations agreed to reduce their tariff to maintain low tariffs or to have no tariffs at all on a wide variety of products.

Anticipating arguments of opponents, the President said:

"The interests of domestic producers are carefully protected in the negotiation of each trade agreement. I assured Congress, when the Reciprocal Trades Agreement Act was last extended in 1945, that domestic producers would be safeguarded in the process of expanding trade. That commitment has been kept. It will continue to be kept."

VANDENBERG ASKS APPROVAL OF ERP

'Help Stop World War III Before It Starts,' He Tells Senate.

WASHINGTON, March 1 (AP)—Speedy approval of the Marshall plan to "help stop World War III before it starts" was urged by Senator Vandenberg (R-Mich) today in an impassioned hour-and-a-half speech that brought fellow senators to their feet applauding.

Opening an historic debate on the $5,300,000,000 aid-to-Europe bill, the Foreign Relations Committee chairman said this country must "light the beacon" of freedom in a world menaced by aggressive communism.

"But if that beacon is to be lighted at all, it had better be lighted before it is too late," the Michigan senator warned.

Already, he said, Czechoslovakia has been "gutted by subversive conquest" and "the kindred fate of brave little Finland" hangs in the balance.

Vandenberg spoke as the "cold war" against communism stirred new rumblings on the house side of the capitol.

A $500,000,000 recovery program to make Japan a self-supporting "bulwark against communism" was recommended to the house foreign affairs committee.

The proposal came from William Montgomery McGovern, a Northwestern University professor who made a special tour of the Orient as a committee consultant.

And the committee itself:

1—Decided to lump European aid in the same bill with administration proposals for $375,000,000 in military backing to Greece and Turkey and $570,000,000 in non-military aid to China.

2—Invited Generals Douglas MacArthur and Claire Chennault to give their views, either in person or by correspondence, on aid to China and "other critical areas in the Far East."

MacArthur said in Tokyo last week, at the height of a political squabble over bringing him home during a period of presidential maneuvering, that he didn't want to come to Washington in the near future.

"Confused," Eaton Says

Chairman Eaton (R.-N. J.) of the foreign affairs group said the foreign aid picture is "confused beyond measure" by the administration's various proposals.

In the meantime, Eaton told reporters "we have no permanent foreign policy based on obligations to ourselves and to mankind."

The other house developments:

1—A foreign affairs sub-committee, in a long report on the "strategy and tactics of world communism," declared that Soviet policy "begins with the assumption of inevitable war."

2—Reps. Nixon (R.-Calif.) and Kersten (R.-Wis.) said after a series of talks with Soviet bloc diplomats here that the Marshall plan should be backed up by "military alliances" between the U. S. and the democracies of Europe.

Vandenberg stepped down temporarily from his post as presiding officer of the Senate to appeal for adoption of the European recovery bill, drafted in large part by himself, by March 15.

In one of the major speeches of his long legislative career, the broad-shouldered Michigander said Congress' decision "can be a turning point in history for 100 years to come."

He said the issue is this:

"That aggressive communism threatens all freedom and all security, whether in the old world or the new, when it puts free peoples anywhere in chains."

Moscow's campaign against the Marshall plan, Vandenberg said, is "treacherous propaganda" and "it is indeed 'cold war.'"

"The iron curtain," he declared, "must not come to the rims of the Atlantic by aggression or default."

"Peace with justice," he said, "is our utterly paramount concern x x x but peace and appeasement are not on speaking terms."

He described the recovery program, first put forward by Secretary of State Marshall, as an "adventure" for freedom—one that, if it succeeds, will "take western Europe completely off the American dole."

Only American help, Vandenberg said, can prevent "economic chaos" affecting the 16 countries, along with western Germany, which would come under the Marshall plan.

And he urged the senate to turn down proposals to "slice off" the $5,300,000,000 "what might be the difference between success and stillborn failure."

Taft to Press for Cut

Senator Taft (R-Ohio) and several other Republicans were ready, however, to press for a smaller total. An economy bloc headed by Senator Ball (R-Minn) will meet tomorrow night to map strategy for changing the aid bill.

After Vandenberg's speech, Senator Fulbright (D-Ark) introduced an amendment to the aid bill stating that it is this country's policy "to encourage the political unification of Europe."

About 50 of the 96 senators heard Vandenberg speak. One of the few who did not join in the applause was Senator Taylor of Idaho, who is running for vice president on the third party ticket of Henry A. Wallace.

The army reported, meanwhile, that about 100 light tanks are being loaded at Brooklyn for shipment to Turkey as part of the $100,000,000 Turkish aid program which is about to expire.

QUICK AID ASKED BY VANDENBERG TO BLOCK REDS

Points to Czechoslovakia's 'Subversive Conquest' and Finns' Fate.

FEARS KNOCK AT OUR DOOR

Meanwhile, Group in House Would Lump Help for China, Europe, Greece and Turkey.

Washington, March 1 (A. P.).—Senator Vandenberg (R.-Mich.) urged the Senate today to "light the beacon" of economic aid to Europe before "aggressive Communism" knocks on the New World's door and threatens its freedom.

Beginning debate on the $5,300,000,000 Marshall aid plan, the chairman of the Senate Foreign Relations Committee told his colleagues:

"This act may well become a welcome beacon in the world's dark night. But if that beacon is to be lighted at all, it had better be lighted before it is too late."

House Eyes Bulk Action.

Across the Capitol, the House Foreign Affairs Committee decided it will wrap foreign aid for Europe, China, Greece and Turkey into "a single package." Representative Eaton (R.-N. J.)., a committee chairman, said he hopes a bill covering all these aid programs will be ready to go to the House floor before the end of the month.

The administration has asked $570,000,000 aid for China and $275,000,000 in military assistance for Greece and Turkey.

Eaton said:

"Since the administration has seen fit to confuse the issue by laying at our doorstep China and Greek-Turkish aid, we are trying to put all this into a single package. My feeling is that one package containing all these would be no more indigestible to Congress than ERP alone."

'It Is Indeed Cold War.'

"This vast friendly segment of the earth must not collapse," he said. "The iron curtain must not come to the rims of the Atlantic by aggression or default."

The Communist Cominform, he said, is frankly calling on its adherents to wreck the Marshall plan.

"It is indeed 'cold war,'" he declared. "It is pressure war against the independent recovery of Europe. Obviously it also is aimed at us."

Yet, Vandenberg said, there is nothing in the proposal to help western Europe economically that "threatens the Soviet police empire with any sort of consequence which she does not herself choose voluntarily to invite."

Peace With Justice.

"Peace with justice is our utterly paramount concern," he declared. "Any thought of another war is abhorrent to our soul.

"But peace and appeasement are not on speaking terms; and the totalitarian idea of virtually dividing the earth between Washington and Moscow would not be peace. It would simply be a dishonorable truce preceding final, unspeakable disaster."

As Vandenberg took the floor there were indications that the Senate will approve the recovery program in about the form voted by the Foreign Relations Committee—after ten days or two weeks of debate.

Vandenberg said he has no quarrel with those who disagree with the plan to make American funds available over a fifty-two month period to aid European nations rebuild.

"But I am bound to say to those who disagree that they have not escaped to safety by rejecting or subverting this plan," he said. "They have simply fled to other risks and, I fear, far greater ones."

Fifty Senators Present.

Without about fifty Senators listening intently, Vandenberg asked that Congress "help stop world war III before it starts" by approving the European recovery program.

Vandenberg asserted that Czechoslovakia has been "gutted by subversive conquest" directed by Moscow.

Even as the Senate debates a principle, he went on, "the kindred fate of brave little Finland" may be settled. He said the axiom being debated is: "That aggressive Communism threatens all freedom and all security whether in the old world or the new when it puts free peoples anywhere in chains."

The Michigan Senator spoke for about an hour and a half. When he concluded, Senators broke into applause and rose to their feet.

Senator Taylor (D.-Idaho), who is running for vice-president on Henry Wallace's third party ticket, did not rise or join in the applause. Senator O'Daniel (D.-Tex.) who has bitterly criticised the recovery program, also sat silently at his desk.

Standing at the desk where the late Senator Borah of Idaho often spoke, Vandenberg said the decision of Congress on European aid "can be a turning point in history for 100 years to come."

Denouncing "treacherous Moscow propaganda" that has "charged us with iniquitous American imperialism," Vandenberg said the sixteen western European nations must be saved from economic chaos.

The plan, he said, "strives to help stop world war III before it starts," adding:

"It fights the economic chaos which would precipitate far-flung disintegration. It sustains Western civilization. It means to take western Europe completely off the American dole at the end of the adventure."

Some members, including Senator Taft of Ohio, chairman of the Republican policy committee, have said they will vote to cut the $5,300,000,000 limitation on aid spending for the twelve months beginning April 1.

Defending this amount, Vandenberg said it is better to "start with figures which enjoy the preponderance of supporting evidence rather than to arbitrarily slice off what might be the difference between success and stillborn failure."

'Not Too Long to Wait.'

He noted that Congress will be called upon to review the whole program next January. That is not too long, he said, "to wait for the accounting with so much at stake."

30.24-15929

Vendenberg said the success or failure of the program will depend in large measure on "the quality of its administration."

"The choice of the administrator and his associates is one of the most solemn responsibilities that has ever confronted a President of the United States," he declared.

"I beg of the President to search for the best and to be satisfied with nothing less. This act is a challenge to the best brains and to the best experience in the nation."

Under the terms of the bill the administrator would have Cabinet status. If any differences arose between him and the Secretary of State over policy, the President would settle them.

Vandenberg said experts agree that the program will not lead to Government controls that would not otherwise be required. But he added:

"This is no happy picnic. Heavy post-war expenditures involve a burden—just as did the infinitely heavier expenditures of the war-that-was, or the expenditures of another war which we propose, with every resource at our command, to prevent.

"War has no bargains. I think peace does. I believe I am talking about one now."

Snyder Opposes GOP Cut

Webb appeared in person. Secretary of the Treasury Snyder sent up a statement opposing the House-approved G.O.P. bill as dangerous and sticking by President Truman's $40-for-everybody tax cut.

"Premature weakening of our revenue system will involve serious consequences both for our domestic prosperity and for the peace of the world," Snyder said.

Snyder also said that Mr. Truman's plan would help more where the need of relief is greatest. He said that under it, 93 per cent of the income tax reduction would go to people under the $5,000 level as against 66.3 per cent under the Republican bill.

The latter bill would cut taxes from 30 per cent in the lowest income levels to 10 per cent in the highest.

The Senator committee appeared to be inclined toward a reduction of around $5,000,000,000. Chairman Millikin (R-Colo) has said that Mr. Truman's plan is dead.

Any differences between House and Senate figures would have to be adjusted before the measure reaches President Truman. The big question is whether there will be enough Democratic votes in the Senate to help the Republicans override the expected presidential veto.

Senator Lucas (D-Ill) predicted that the committee's bill will have "overwhelming support" in the Senate. He declined to predict what stand Mr. Truman would take on it.

WORLD CONDITIONS BAR BIG TAX CUT, DEMOCRATS ARGUE

WASHINGTON, March 1—(AP) "Uncertain world conditions" were advanced by the administration today as an argument against the Republican bill to cut income taxes $6,500,000,000.

"Practically everything we do to meet these conditions will cost money," Budget Director James E. Webb told the Senate Finance committee.

"The hard facts of international life," he added, hold little hope that Uncle Sam's nephews no longer need to support him so expensively.

NIGHT

Secretary Urges Truman's $40 Deduction

Washington, March 1 (AP)—Secretary of the Treasury Snyder today stiffly opposed the House-passed bill to cut income taxes $6,500,000,000 this year.

In its place, Snyder said, Congress should follow the $40 off-for-everyone plan of President Truman.

He said Mr. Truman's plan is fairer to everyone and would mean no money lost to the Government because higher taxes on corporations would make up the difference.

The House bill would cut taxes from 30 per cent on the lowest income people to ten per cent on the highest, with no offsetting business levy.

"Cannot Go Beyond"

Terming the President's plan a "cost-of-living adjustment," Snyder told the Senate Finance Committee "we cannot go beyond" that "at this time." He added:

"Premature weakening of our revenue system will involve serious consequences both for our domestic prosperity and for the peace of the world."

DAY

The Treasury chief did not appear in person. His prepared testimony was submitted to the committee at the start of its hearings on the bill which the House passed a month ago.

The Senate group appears likely to recommend a $5,000,000,000 cut. Chairman Millikin (R., Col.) already has said Mr. Truman's plan has no chance in Congress.

Gives Comparison

Referring throughout his statement to the House bill by its number—H.R. 4790—Snyder's statement said:

"H.R. 4790 would exempt 6,300,000 from income taxation in comparison with the 10,300,000 exempted under the President's program.

"Moreover, 13,000,000 additional taxpayers with the lowest incomes would receive more tax reduction under the President's program than under H.R. 4790.

"These are the groups most urgently in need of relief from the high cost of living.

"Under the President's program, 93 per cent of the income-tax reduction would go to individuals with net income under $5,000. This compares with 66.3 per cent under H.R. 4790."

If the Republican bill becomes law, Snyder said, this Government not only will be unable to pay off some of the public debt next year but will have to borrow money and so increase the debt.

Budget Director James E. Webb, the next witness, urged that Congress look at the "hard facts of international life" when deciding about cutting income taxes.

Those "hard facts," he said, do not give much hope for big cuts in Government spending in the next two years.

Foresees Rising Expanses

Webb said:

"Present indications are that this nation will face uncertain world conditions for an extended period. Practically everything we do to meet these conditions will cost money and be reflected in the budget. . . .

"Unless world conditions change drastically for the better, the Federal budget in 1950 will undoubtedly be large. That fact cannot be ignored in any consideration of legislation on taxes.

[The 1950 Federal budget will be for the twelve months ending July 1, 1950.]

Warns Of Optimism

"We Americans always have been optimistic. The hard facts of international life do not, in my opinion, justify the degree of optimism which would make it possible to forecast a 1950 budget materially lower than that for (fiscal) 1949."

President Truman's budget for the 1949 fiscal year, starting next July 1, calls for spending $39,700,000,000.

Webb told the committee the budget for the fiscal year 1949 is based on the assumption that prices and employment will remain at about the level of last fall. He added:

"Rises in prices inevitably will mean increased costs for most of the things the Government buys. Likewise, a decrease in agricultural prices or an increase in unemployment would mean that expenditures would rise for such mandatory programs as farm price-support, veterans' unemployment allowances and public assistance."

In support of Mr. Truman's idea, Senator O'Mahoney (D., Wyo.) served notice he will try to restore the wartime excess-profits tax.

Millikin said the committee will listen to O'Mahoney's ideas, but added that there is not any support in Congress now for an excess-profits tax.

O'Mahoney said his excess-profits tax plan would "tell big business either reduce your prices or pay your exorbitant profits into the Treasury to help reduce the national debt."

ADMISSION OF DP'S WINS APPROVAL OF SENATE GROUP

WASHINGTON, March 1 — (AP) Legislation to let 100,000 of Europe's millions of "displaced persons" enter the United States moved one short step forward today with Senate committee approval.

But a similar proposal still lay dormant in the files of the House Judiciary committee with no signs whether it will ever come out. And if it should do so, the House and Senate themselves are high barriers in its path.

White House Urges Measure

The White House long has pleaded for such a measure.

Only Senator Langer (R-ND) voted "no" today when the Senate Judiciary committee, with 11 members present, approved the bill.

It would:

1. Admit 50,000 in the year starting July 1, and another 50,000 the following year. They would be outside regular immigration quotas.

NIGHT

2. Require that half of them be persons, including orphans, whose native country has been annexed by a foreign power. Priority would go to those now in camps and D. P. centers.

3. Provide that half of those admitted must have been engaged in agriculture, and be employed on farms here.

4. Permit entry only of persons who have assurance of housing and jobs in the United States, without displacing citizens.

A new three-man commission would have general supervision over the program, but checking on applicants abroad would be done by the immigration service.

Senator Revercomb (R-WVa) sponsor of the bill, said there would be a careful check to weed out subversives—either fascist or communist.

The committee turned down numerous amendments to raise the number of those admitted.

President Truman has been pleading for admission of displaced persons at intervals since the end of the war. Last July he made his most pointed request in a special message to Congress which said:

"These are people who oppose totalitarian rule, and who because of their burning faith in the principles of freedom and democracy have suffered untold privation and hardship. Because they are opposed to Communism they have staunchly resisted all efforts to return them to Communist controlled areas. x x We should admit a substantial number as immigrants and join in giving them a chance at decent and self supporting lives."

M'Arthur, Chennault Get Bids To Testify On Aid

Washington, March 1 (AP) — The House Foreign Affairs Committee today invited Generals Douglas MacArthur and Claire Chennault to testify on aid to China.

The two generals were asked to testify either in person or by correspondence. The invitations were telegraphed by Chairman Eaton (R., N.J.) after a closed committee session.

MacArthur had previously indicated that he probably could not appear in person.

DAY

The committee invited the Far East commander to give his views on proposals for aid to China "and other critical areas in the Far East" at his earliest convenience.

Specific Views Requested

President Truman has already proposed a $570,000,000 program of economic aid to China during the next fifteen months.

Specifically, the committee asked MacArthur's views on:

1. The importance to world peace and to the United States and its position and interests in the Western Pacific of maintaining a free and independent China friendly to the United States.

2. The measures, economic and otherwise, which you believe necessary or best suited to the achievement of those ends.

The committee said it wanted similar opinions from nCennault, wartime commander of American air forces in China. Chennault has left the Army and is now in China, operating a commercial airline.

The committee asked him to appear "if possible within the next week or ten days."

"Bastion Of Sympathy"

Earlier, the committee received a proposal from a committee consultant for a $500,000,000 recovery program for Japan, along with military and economic aid for China.

Calling Japan "a bastion of pro-American sympathy and ideology in the Far East," William Montgomery McGovern said:

"As long as it remains reasonably prosperous it forms a bulwark against communism. It has an importance to the Far East not unlike that of Germany for Europe.

Made Special Tour Of Orient

"To restore production in both is to lighten the direct burden on the taxpayer of the United States, and to shorten the period of general world deficiencies of production that makes United States aid necessary."

McGovern is professor of political science at Northwestern University. He made a special tour of the Orient for the Foreign Affairs Committee last year. No action has been taken by the committee on his report.

Yugoslavs Get $51,625 In Gold In One Week

Washington, March 1 (AP)—Gold worth $51,625 was exported to Yugoslavia during the week ended February 11, the Commerce Department reported today.

No information on the specific transaction could be obtained from Government agencies.

Officials said Yugoslavia is able to get it in payment for a trade transaction, or to buy outright for industrial purposes.

100 Light Tanks Going To Turkey, Says Army

Washington, March 1 (AP)—Approximately 100 light tanks are being sent to Turkey as part of the Turkish aid program, the Army reported today.

The shipments are being made from the Brooklyn port of embarkation in New York.

The Army declined to elaborate except to deny a report that the tanks were being loaded on a Spanish ship, presumably for Spain.

$2,770,000,000 SAVED ON NAVY WAR DEALS

WASHINGTON, March 1 (AP)—The Navy disclosed today that out of 24,000 renegotiated war contracts 6,000—or one in four—resulted in findings of excessive profits.

The Navy said it soon would release a history of the work of its Price Adjustment Board. The document, it said, will show that the renegotiation resulted in a gross recovery of $2,770,000,000 in excessive profits. It added:

The renegotiable deals reviewed amounted to $76,000,000,000, involving profits of $8,000,000,000 before renegotiation and taxes.

The effect of renegotiation combined with Federal income and excess-profits taxes resulted in an average rate of profit on the renegotiated contracts of 2.4 per cent of sales.

The dollar profits of the companies concerned generally were greater during the war than in the peacetime base period, 1936 to 1939, because of the tremendous volume of war production.

However, this 2.4 per cent average profit was 60 per cent lower than their base period average of 5.9 per cent and 66 per cent lower than their average of 7 per cent in the first half of 1947, when the companies had returned primarily to civilian production.

President Proclaims April 6 As Army Day

Washington, March 1 (AP)—A one-time Army officer, President Truman today proclaimed April 6 as Army Day.

Mr. Truman invited governors to issue proclamations also so that not only the regular army but also the reserves and National Guard, should be honored that day.

Said Mr. Truman: "In these critical times, I urge my fellow citizens to remember that an alert and ready America is a mighty power for peace and a beacon of hope to the peoples of the world who would be free.

"If our soldiers who are on duty in foreign lands are to represent American democracy proudly and successfully, they must know they have the wholehearted support of our people."

Brig. Gen. O. P. Smith Slated For Promotion

Washington, March 1 (AP)—Brig. Gen. Oliver P. Smith, commandant of the Marine Corps schools at Quantico, Va., was nominated by President Truman today to be a major general.

Smith is a native of Menard, Texas. The nomination must be approved by the Senate.

LAMARRE TELLS OF HIS SWITCH TO 'TRUE STORY'

WASHINGTON, March 1.—(AP) Bleriot H. Lamarre said today that Maj. Gen. Bennett E. Meyers paid his travel expenses to Washington to lie to senators investigating Meyers' business deals.

Lamarre told the jury at Meyers' trial that he did tell the Senate committee a "concocted story" as the former No. 2 air forces purchasing chief had urged.

But the 36-year-old Lamarre insisted he told the committee "the truth" a few days later. When he informed Meyers about this switch in testimony in a telephone conversation. Lamarre said, the general hung up on him.

Meyers is on trial charged with subornation of perjury, or having induced Lamarre, a former business associate, to lie under oath.

Asked about his second Senate committee appearance last fall, Lamarre testified today that Meyers telephoned him to see how things had gone.

"I said I told the committee the truth," Lamarre related. "Meyer said: 'Fine, what did you say?' I repeated that I had told the truth."

"Then what did Meyers do?" the trial prosecutor asked the witness.

"He slammed the receiver down on the hook," Lamarre replied.

Shortly after this testimony, defense attorneys began questioning Lamarre for the first time. He repeated that when he was "dummy" president of Aviation Electric Co., a Dayton, O., plane parts plant, Meyers gave him a $50 weekly salary. He said Meyers took $150,000 in profits.

Lamarre denied, when questioned by Defense Attorney Robert T. Bushnell, that he had ever asked Meyers for $25,000 to tell the Senate committee a story favorable to the general.

Meyers gave him $500, Lamarre said, to pay travel expenses of himself, his wife, and of Mr. and Mrs. Thomas E. Readnower when the two couples came to Washington for the senate inquiry.

Readnower is Lamarre's brother-in-law and former Aviation Electric vice president.

LAMARRE PUTS BLAME FOR LIES ON GEN. MEYERS

Tells Jury General Said He Could Have Senate Inquiry Stopped.

ADMITS FALSE TESTIMONY

Head of Electric Firm Says That Meyers Coached Him for Investigation.

Washington, March 1 (A. P.).—Bleriot H. Lamarre testified today that Major-Gen. Bennett E. Meyers once told him not to worry about lying to Senate investigators because the General was going to get the investigation called off.

"He said he had enough influence and enough friends to have it stopped," Lamarre told a jury in United States District Court.

Lamarre is the Government's key witness in a series of charges brought against Meyers as a result of that Senate investigation last year into the General's wartime business deals.

Meyers is on trial on a charge of persuading Lamarre to lie under oath to the Senate committee. The technical charge is subornation to perjury. Meyers also has been accused of perjury and of income tax frauds.

Lamarre was head of Aviation Electric Company of Dayton, Ohio, a plane parts manufacturing establishment, during the war. He has testified that Meyers was the real owner and reaped rich profits from it.

Told Concocted Story.

Lamarre said he told a concocted story at the Senate hearing after being coached on what to say by the 52-year-old general, former deputy purchasing agent for the Army Air Forces.

He said he first gave the Senate committee a denial that Meyers profited by more than $150,000 from the Aviation Electric, but later told the Senators the truth—that Meyers did get that money.

The questioning went:

"And the (first) story you told the Senate committee was false?"

"It was."

"Why did you tell those untruths?"

"Because Meyers told me to—I was going along with the story he concocted."

"And were you relying on his promise that everything would be all right?"

"I was."

LaMarre said the agreed story was that he was to say he took the money and lost it on horse races. He said he thought it sounded pretty weak, and told Meyers so. He continued:

"He told me not to worry. He said if we stuck to the same story—no matter how ridiculous it sounded—the committee couldn't do anything to us."

Denies Asking for $25,000.

Lamarre denied on cross-examination that he asked Meyers for $25,000 to tell the Senate investigators a story favorable to the General's wartime business deals. The question was one of the first put to Lamarre by Robert T. Bushnell, defense council.

The denial came after Lamarre testified that Meyers gave him $500 for travel expenses for him and his wife and another couple to come to Washington to testify at the Senate inquiry.

Lamarre also told the jury that he and Meyers shook hands on a deal for them to split up $8,000 expected as an income tax refund. The refund figured in the dissolving of Aviation Electric Company. Bushnell began his questioning by asking Lamarre if he hated Meyers.

"I have a feeling of contempt for him because of the things he said about me and my wife," Lamarre said.

Meyers told Senate investigators last fall that Lamarre's wife Mildred was his girl-friend and Lamarre knew about it. Meyers said he established Aviation Electric to help out the Lamarres because of this relationship with Mrs. Lamarre.

LAWSON TRIAL DELAYED

WASHINGTON, March 1.—(AP) Trial of John Howard Lawson, the first of 10 Hollywood figures due to face contempt charges, was postponed today from March 8 to April 12, the U. S. attorney's office announced.

Action was taken by Judge Richmond B. Keech at request of both sides so Chairman Thomas (R-NJ) of the House UnAmerican Activities Committee will be available as a witness. Thomas is recovering from an illness.

1,500 VETS BACK HOUSING MEASURE

WASHINGTON, March 1—(AP) Fifteen hundred war veterans demanded today that the Taft-Ellender-Wagner Housing bill, and its public housing provision, be passed immediately.

Delegates to a housing conference sponsored jointly by the major veterans organizations assembled on the steps of the capitol to form into small committees.

Then each committee called upon its assigned senator and representative. The purpose: to find out exactly who is for and who is against the bill.

Earlier the three authors of the bill and three representatives—Javits (R-N.Y.), Kennedy (D-Mass.) and Boggs (D-La.)—urged the veterans to use their influence to bring about its passage.

Senator McCarthy (R-Wis.), on the other side of the fence, told the conference the bill is outmoded and would be a legislative nightmare.

McCarthy asked the veterans to consider his own housing bill submitted in the Senate last week.

He said it incorporates everything in the Taft-Ellender-Wagner measure except public housing. Delegates booed McCarthy's assertion that he is opposed to public housing as being wasteful and inefficient—and unnecessary beacuse industry can accomplish the housing task itself.

Senator Taft (R-Ohio) told the conference he will continue to fight for the three-year-old bill which bears his name. House committees have blocked the measure which the Senate has approved twice.

Taft said public housing is essential because American economy is unable to assure reasonable housing conditions for the lowest income groups.

30.24-15931

Taft And Ellender Assure Vets Of Housing Aid

Washington, March 1 (AP)—Two authors of the Taft-Ellender-Wagner bill said today they would support it despite the introduction of a substitute.

Senator Taft (R., Ohio) told the War Veterans Housing Conference he would continue to push the measure if the veterans are able to force it out of committee in the House. It is on the calendar in the Senate, subject to action when called up.

Senator Ellender (D., La.) said a substitute measure introduced by Senator McCarthy (R., Wis.) includes virtually all provisions of the original bill except for public housing.

DAY

"Bill Very Much Alive"

Elleder said the T.E.W. bill is very much alive, "and I don't believe it can be improved upon."

The bill was passed in the Senate of the last Congress but died in the House, where a counterpart now is pending. A petition is awaiting enough signatures to force its release and on to the House floor for action.

Taft said a housing bill should be passed at this session of Congress.

"I welcome the assistance of this body in coming here to urge a housing program," Taft said.

He said he believes strongly in public housing because the nation's economy "does not work to provide a reasonable standard of housing at the bottom."

Cites Other Basic Policies

He said the nation should provide basic housing as well as basic education, basic subsistence and basic medical care.

"If we ever solve the problem of the relatively high cost of housing, there will no longer be a need for public housing," he observed.

The 1,500 veterans, representing all major organizations, discarded a proposal to parade to the capitol.

However, they agreed to hold a mass meeting on the steps of the capitol after lunch, and then assign committees to buttonhole congressmen.

The only major veterans groups not officially represented at the conference were the American Legion and Amvets, both of which have approved legislative proposals differing from the Taft-Ellender-Wagner bill.

However, both organizations were represented by "observers," and Legion members held a series of caucuses to seek some means of expressing their solidarity in support of the T.-E.-W. measure.

All Have Been Denied Bail

All of the men have been denied bail pending completion of the exclusion proceedings against them. They announced their intended strike in a letter to Tom C. Clark, the Attorney General. The letter was not made public.

The four men have been sharing the same cabin on Ellis Island but eating at a general mess hall.

The Justice Department said they had been permitted visitors and that the callers "have brought them food."

Alien Hunger Strikers' Room Reported Stocked With Food

New York, March 1 (AP)—Four alleged alien Communists held on Ellis Island announced today they were starting a hunger strike to obtain their freedom but an Immigration Service official said their room was well stocked with food.

W. F. Watkins, district director of the Immigration and Naturalization Service, said the men "did not show up" for any of their meals today.

Another Arrest Made Today

However, "they have received various packages from friends with foodstuffs and they have this in their room with them," Watkins added. The men are being held on deportation warrants.

Meanwhile, the Justice Department's drive against alleged alien Communists brought another arrest today with the seizure by Federal agents of Irving Potash, manager of the Furriers National Conference.

Hunger Strikers Listed

Potash was born in Russia, has lived in the United States since 1915, and is a member of the American Communist party's national committee, the department said. He was taken to Ellis Island.

The four men who announced the hunger strike said they would refuse food until given their freedom, the department announced. They are:

GERHART EISLER, described by a House committee as the nation's "No. 1 Communist."

JOHN WILLIAMSON, labor secretary for the American Communist party.

FERDINAND C. SMITH, national secretary of the CIO National Maritime Union.

CHARLES A. DOYLE, long-time regional director of the CIO gas, coke and chemical workers at Niagara Falls, N.Y.

"Cabin Apparently Stocked"

"Apparently their cabin is nicely stocked with food these visitors have brought them," the department said.

Smith, a West Indies Negro, was refused immediate freedom on bail by the United States Circuit Court of Appeals today.

However, the court agreed to hear arguments next Monday on the NMU official's appeal from a ruling of Federal Judge Harold R. Medina. On February 20 Judge Medina denied Smith freedom on bail. The union official had asked that he be released pending the deportation hearing against him.

Hanns Eisler Delays Departure

Hanns Eisler, former Hollywood composer and brother of Gerhart, delayed his departure from the United States today as an alien Communist.

The Justice Department said Hanns and his wife had canceled their plane reservations for Czechoslovakia after Italy had refused him a visa to pass through that country.

Half a dozen men were picketing the Justice Department Building in Washington, protesting the denial of bail for the four men at Ellis Island, when FBI and Immigration agents took Potash into custody at the Furriers Joint Council Office here.

Pickets Distribute Circulars

The pickets handed out circulars bearing the name of the Civil Rights Congress of Maryland and the District of Columbia.

The Justice Department said Potash was the fourth member of the Communist party's National Committee arrested this year for deportation. Others were listed as Alexander Bittelman and Claudia Jones, both free on bail, and Williams.

The Department said the conference of which Potash is manager, is associated with the Joint Council of the CIO International Fur and Leather Workers Union.

Potash Taken To Ellis Island

Watkins said Potash was taken to Ellis Island to await the fixing of a date for a hearing. He said Potash has a wife and one son.

The Justice Department now has instituted deportation proceedings against nearly 30 alleged alien Communists.

The four men who announced the hunger strike, Watkins said, "have the same privileges as other aliens at the island, such as two visits per week, and also may receive their attorneys any working day.

"Heretofore, they have found no fault with the food served them or with other conditions of their detention."

Gift Group Goes To Reich

New York, March 1 (AP)—Five members of the Pacific Northwest Christmas Ship Committee left by air today for Frankfurt, Germany, to arrange for distribution of goodwill food and clothing in Germany and Austria. They plan to meet the S.S. Gretna Victory, carrying the gifts collected by the committee, when it arrives in Bremen on Thursday.

Navy Lists Occupation Medal

BOSTON, March 1 (AP).—The Navy today announced a new medal to be known as the Navy Occupation Service Medal, for which members and former members of that service, th Marine Corps and the Coast Guard are eligible if they participated in taking over former enemy territory. The Navy also announced extension of eligibility to the China Service Medal to a terminal date yet to be determined. The Navy said lists of ships and units entitled to the medals may be obtained at all Navy bases and recruiting stations.

Political Stalling Hampers U.S., Truman Says

Key West, Fla., March 1 (AP)—President Truman refused to discuss his own candidacy and attributed to 1948 politics today the failure to get speedier settlement of foreign and domestic problems.

Speaking in a palm-shaded yard of this submarine base where he is vacationing, the Chief Executive gravely declined to talk about Soviet pressure on Czechoslovakia and Finland or the continued disorders in Palestine.

Answers Refused

He did say that he has been in daily communication with Secretary of State Marshall through the State Department, but he said he could not answer in each case when reporters asked:

1. Did he think the time has come to form a military alliance in western Europe?

2. Were there any conditions under which United States troops might be sent to Palestine?

Presidential year politics, he said, is having a very bad effect on all attempts to settle foreign affairs and domestic problems, too, particularly the housing program.

He said he was not quarreling with any one since it is a situation that develops in presidential campaign years.

The President later gave reporters permission to use for direct quotation:

"The presidential year is having a very bad effect on all approaches to the settlement of the difficulties with which we are faced—both foreign and domestic."

He said there are so many candidates in and out of the Senate that he couldn't blame anyone for this natural circumstance, but added it does make a difference.

Similar To 1920

He said former Ohio Governor James M. Cox, who visited him here yesterday, told him of a similar situation in 1920.

On the domestic front, Mr. Truman said the increased steel price was a good argument in favor of his anti-inflation proposals to Congress which included a request for stand-by wage-price controls and rationing.

Mr. Truman said he had been too busy with affairs at home and abroad to do anything about his own candidacy when reporters asked whether he was running.

Someone asked if Senator Pepper (D., Fla.) would strengthen his ticket if nominated for Vice President.

Silent On Revolt

The President dodged a discussion of that one, saying he was not discussing anyone for Vice President.

If nominated, will he accept?

He'll answer that question when, and if, it happens.

He would not talk about the threats of revolt by Democrats in the South, and even called Virginia Gov. William M. Tuck's proposal to keep his and other names off the ballot in that State a return to the old constitutional approach in selection of delegates.

Stalin Talk View

He said he was working just as hard here as he would in Washington, transacting the same business. The only difference, he said, is the change in scenery.

The President said flatly the Russians have made no overtures for a meeting between him and Premier Stalin in Stockholm or anywhere else.

No such overtures have been made, formally or informally, he said, either through the White House or the State Department.

1,900 Veterans Halt Paying Mortgages

Charge Baltimore Builders Cheated on Housing

BALTIMORE, March 1 (AP).—Nineteen hundred war veterans served notice today they will make no further payments on their new homes, contending they have been cheated. Written notices went out to banks, building and loan associations and other lending agencies which financed their mortgages.

The veterans said the builders used faulty materials and methods and that the houses failed to meet the city building code or the building specifications on which they were purchased.

William J. Muth, vice-president of the City Council and spokesman

for the veterans, said the notices were going out as fast as they could be addresed and mailed. He has taken the protest up with the Department of Justice.

Most of the complaining veterans financed their homes under the G. I. Bill of Rights, with the government standing good for half the mortgage or $4,000, whichever is the smaller amount.

Samuel W. Borden, president of the Loyola Federal Building and Loan Association, said his organization, which has $8,000,000 invested in G. I. housing, would tell the contractors it has financed that they must "do anything, reasonable or unreasonable," to satisfy the complaining veterans.

FILM FIGURES SUE INDUSTRY

10 Writers, Directors Cited By House Ask $61,109,975

Los Angeles, March 1 (AP) — Ten Hollywood film figures under citation by the House Committee on Un-American Activities, sued today in Superior Court for $61,109,775 damages, naming most of the movie-producing industry as defendants.

The suit seeks a permanent injunction against major film studios and producers to prevent "maintaining any blacklist" which would bar the ten plaintiffs from their jobs.

It also demands that the studios "refrain from coercing plaintiffs into adopting any particular course or line of political action."

Cites October Appearance

The action traces the appearance of the writers and directors before the House Committee on Un-American Activities last October. It recites that each declined to state whether he was or ever had been a member of the Screen Writers Guild or of the Communist party.

"Said plaintiffs," the suit says, "responded to said questions by asserting that the said committee did not have the constitutional or legal power or authority to compel an individual to disclose his trade union or political beliefs or affiliations."

Coercion Laid To Committee

The plaintiffs contend that they were "maintaining a political principle which they at all times have believed is one protected by the Constitution of the United States."

The suit alleged also that the questions were part of "a plan on the part of the Un-American Activities Committee to coerce and intimidate the motion picture industry into employing only those persons whose political beliefs are acceptable to said Committee."

The largest sum is demanded by Lester Cole, a writer, who asks $3,283,425 from M-G-M and $2,145,200 from other studios.

Cole asserts that M-G-M "wrongfully, maliciously and without justification or excuse" broke a contract last December which had two years left to run.

He wants $395,200 for the unexpired portion of his contract. He also asks $500,000 for deprivation of "the fame and artistic and intellectual gratification" of writing for motion pictures.

He seeks $250,000 for "shame and humiliation" and another $1,000,000 in punitive damages, alleging "malicious and wanton conduct."

Alleges Unified Action

The suit filed by Robert W. Kenny, the group's attorney, alleges that 14 corporations and 25 individuals acted together in banning the ten writers and directors from work in motion pictures until and unless they cleared themselves of the committee's charges.

The plaintiffs are Cole, writers Ring Lardner, Jr., Dalton Trumbo, Alvah Bessie, Samuel Ornitz, Albert Maltz and Ohn Howard Lawson; and directors Edward Dmytryk, Adrian Scott and Herbert Biberman.

Include Major Studios

The defendants include, M-G-M, which is sued as Loew's, Inc., 20th Century-Fox, Paramount, Columbia, R-K-O, Warner Brothers Studio and Warner Brothers Pictures Distributing Corporation, Republic, Samuel Goldwyn, Hal Roach, Universal, and Walter Wanger, plus the Motion Picture Association of America and the Society of Independent Motion Picture Producers.

Individuals named include the chiefs of the studios named, plus Eric Johnston and Donald Nelson, heads of the two producers' groups.

MUKDEN (300)
BY TOM MASTERSON

SHANGHAI, MARCH 1-(AP)-ALL CHINA IS WONDERING WHETHER THE CHINESE COMMUNISTS ARE READY FOR AN ALLOUT ASSAULT AGAINST ISOLATED MUKDEN?

HERE ARE THE PROS AND CONS:

THE REDS' SPRING OFFENSIVE IS THE GREATEST THEY HAVE TRIED IN MANCHURIA. THEIR QUICK CAPTURE OF SEVERAL OF MUKDEN'S MAJOR OUTPOSTS INDICATES THEY MEAN BUSINESS. SO DO THEIR CONTINUING FULLSCALE ATTACKS ON OTHER OUTPOSTS STILL IN GOVERNMENT HANDS. EVEN OPTIMISTIC GOVERNMENT SUPPORTERS ARE WONDERING WHETHER QUICK COLLAPSE OF GOVERNMENT FORCES IN MANCHURIA IS NEAR.

BUT FOREIGN OBSERVERS WHO KNOW COMMUNIST MILITARY STRATEGY SAY THE REDS ARE NOT YET READY FOR AN ALLOUT BID FOR MANCHURIA. HERE IS WHY:

1. GOVERNMENT LEADERS HAVE CONCENTRATED THEIR MAJOR MANCHURIAN STRENGTH IN MUKDEN. THE FALLEN OUTPOSTS WERE MANNED ONLY BY SMALL GARRISONS AND UNTRAINED, POORLY EQUIPPED LOCAL MILITIA.

2. THE COMMUNISTS' AVOWED STRATEGY IS TO FIGHT A WAR OF ATTRITION. THEIR AIM IS TO ISOLATE HEADQUARTERS CITIES LIKE MUKDEN AND CUT DOWN GOVERNMENT DEFENSES UNTIL SUCH CITIES CAN BE TAKEN WITHOUT SEVERE COST. MUKDEN HAS NOT BEEN REDUCED TO THAT STAGE.

THE QUESTION UPPERMOST IN MOST OBSERVERS' MINDS: HAS CHIANG KAI-SHEK BEEN PUSHED TO THE POINT WHERE HE IS WILLING TO GIVE UP MANCHURIA WITHOUT A FIGHT?

SOME OF AMERICA'S TOP MILITARY MEN HAVE ADVISED HIM TO DO JUST THAT. THE GOVERNMENT RETAINS ONLY ONE-TWENTIETH OF MANCHURIA. THE AMERICANS HAVE WARNED CHIANG THAT THE COST OF KEEPING EVEN THAT SLIM CORRIDOR IS TOO GREAT. THEY HAVE ADVISED HIM TO PULL HIS FORCES DOWN INTO NORTH CHINA AND FIGHT THERE. ONCE HE PUSHES THE REDS FROM ALL OF NORTH CHINA, THEY SAY, HE COULD MOVE BACK INTO MANCHURIA.

THE GOVERNMENT POSITION IN MANCHURIA IS INDEED CRITICAL. BUT IT PROBABLY IS NOT AS DESPERATE AS GOVERNMENT PROPAGAN

PROBABLY IS NOT AS DESPERATE AS GOVERNMENT PROPAGANDISTS MAKE OUT.

PROPAGANDISTS ARE TRYING TO PAINT AS BLACK A PICTURE AS POSSIBLE TO WIN MORE U.S. AID.

THE FEELING HERE RANGES FROM DARK, UNDILUTED PESSIMISM TO AN AIRY "OLD CHINA HAND" QUIP: "THE SITUATION IN CHINA IS ALWAYS HOPELESS BUT NEVER SERIOUS."

THE WASHINGTON INVITATION, EXTENDED ALSO TO GEN.DOUGLAS MACARTHUR, SAID THE TESTIMONY MIGHT BE EITHER IN PERSON OR BY CORRESPONDENCE.

(DISPATCHES DID NOT MAKE CLEAR WHETHER THESE WERE THE REINFORCEMENTS TO WHICH CHIANG REFERRED.

(ASSOCIATED PRESS CORRESPONDENT HAROLD MILKS AT NANKING SAID TODAY: "FEW PERSONS OUTSIDE THE GOVERNMENT OR ITS MILITARY ORGANIZATION ARE ABLE TO UNDERSTAND HOW THE GENERALISSIMO COULD FULFILL THE PROMISE HE MADE TO MANCHURIAN VETERANS YESTERDAY TO DISPATCH NEW ARMIES TO MANCHURIA."

(MILKS SAID CHIANG'S PROMISE TO SEND "STRONG FORCES" TO RELIEVE MUKDEN INDICATES THE NATIONALS ARE PINNING HOPES OF RETAINING NORTH CHINA ON CONTINUED CONTROL OF THE MANCHURIAN BUFFER.

(BUT HE NOTED THAT WELL TRAINED FORCES AVAILABLE TO THE GOVERNMENT ALREADY ARE FIGHTING THE COMMUNISTS OR GUARDING VITAL AREAS WHICH CANNOT BE LEFT EXPOSED. IT IS POSSIBLE, HE SAID, THAT "STABILIZATION" OF THE YANGTZE VALLEY WILL PERMIT RELEASE OF SOME MILITARY UNITS THERE.)

OFFICIAL REPORTS SAID THE MAYOR OF ANSHAN, GEN. LO HYUNG-NIEN, COMMITTED SUICIDE THERE FEB. 19 AS COMMUNISTS COMPLETED CONQUEST OF THE IRON-STEEL CENTER IN MANCHURIA.

(ADVANCE) WASHINGTON,MARCH 1-(AP)-THE TEXT OF THE HOUSE UN-AMERICAN ACTIVITIES SUBCOMMITTEE'S REPORT ON DR.EDWARD U.CONDON (ABOUT 4,000)

WHEN THE COMMITTEE ON UNAMERICAN ACTIVITIES WAS REORGANIZED IN JANUARY, 1947, IT ADOPTED AN EIGHT POINT PROGRAM OF INVESTIGATION. THE FOURTH POINT OF THAT PROGRAM STATED: "THOSE GROUPS AND MOVEMENTS WHO ARE TRYING TO DISSIPATE OUR ATOMIC BOMB 'KNOW-HOW' FOR THE BENEFIT OF A FOREIGN POWER WILL HAVE THE UNDIVIDED ATTENTION OF OUR COMMITTEE AGENTS, AS WELL AS THOSE WHO ARE SEEKING TO WEAKEN OTHER ASPECTS OF OUR NATIONAL SECURITY." WHILE YOUR SUBCOMMITTEE IS FULLY AWARE THAT IT IS NOT OUR RESPONSIBILITY TO DETECT AND COUNTER THE ESPIONAGE ACTIVITIES OF FOREIGN COUNTRIES IN THE UNITED STATES, NEVERTHELESS IN OUR CONTINUING INVESTIGATION OF THE EXTENT AND CHARACTER OF COMMUNISM HERE, WE NECESSARILY HAVE TO CHECK ON THE ACTIVITIES OF SOVIET AGENTS, BECAUSE OF THE INTEGRATION AND TIE-UP BETWEEN SO-CALLED DOMESTIC COMMUNIST ACTIVITIES AND THAT OF THE OFFICIAL SOVIET GOVERNMENT.

30.24-15941

THAT THE SOVIET UNION AND HER SATELLITE NATIONS HAVE BEEN DESPERATELY ATTEMPTING TO NOT ONLY SECURE OUR COMPLETE ATOMIC KNOW-HOW, BUT ALSO TO WEAKRN OR DESTROY OUR HOLD OF THIS IMPORTANT KNOWLEDGE, IS PLAINLY EVIDENT TO THIS SUBCOMMITTEE. AS THE FULL COMMITTEE IS AWARE, FOR OVER A YEAR NOW, AGENTS OF THE COMMITTEE HAVE BEEN ASSIGNED TO SPECIAL INVESTIGATIONS IN THIS FIELD, AND WHILE THEIR INVESTIGATION IS NOT YET COMPLETED, THE SUBCOMMITTEE FEELS THAT IT SHOULD SUBMIT A PRELIMINARY REPORT, PARTICULARLY ON ONE ASPECT OF THIS MATTER WHICH IS OF SUCH IMPORTANCE THAT IT DEMANDS IMMEDIATE ATTENTION.

IT HAS TO DO WITH DOCTOR EDWARD U.CONDON, DIRECTOR OF THE NATIONAL BUREAU OF STANDARDS. FROM THE EVIDENCE AT HAND, IT APPEARS THAT DR. CONDON IS ONE OF THE WEAKEST LINKS IN OUR ATOMIC SECURITY. IN SUBSTANTIATION OF THIS STATEMENT, THE SUBCOMMITTEE RESPECTFULLY SUBMITS THE FOLLOWING INFORMATION:

MAR [illegible] 1948

B25WX

PERSONAL HISTORY AND EDUCATION OF DR.EDWARD U.CONDON:

DR.EDWARD U.CONDON, DIRECTOR OF THE NATIONAL BUREAU OF STANDARDS, WAS BORN AT ALAMOGORDO, NEW MEXICO, ON MARCH 2, 1902. ON NOVEMBER 9, 1922, HE MARRIED EMILIE HONZEK, AN AMERICAN-BORN WOMAN OF CZECHO-SLOVAKIAN DESCENT. DR.CONDON IS A GRADUATE OF THE UNIVERSITY OF CALIFORNIA, HAVING RECEIVED AN A.B.DEGREE FROM THE INSTITUTION IN 1924, AND A PH.D.IN 1926. DURING THE YEARS 1926 AND 1927, CONDON STUDIED AT THE UNIVERSITIES OF MUNICH AND COTTINGEN IN GERMANY. IN 1928, DR.CONDON WAS A LECTURER ON PHYSICS AT COLUMBIA UNIVERSITY IN NEW YORK CITY. IN 1929, CONDON WAS A PROFESSOR OF PHYSICS AT PRINCETON UNIVERSITY, AND DURING THE YEARS 1930 TO 1937, HE WAS ASSOCIATE DIRECTOR OF THE PHYSICS DEPARTMENT AT THE INSTITUTION. FROM SEPTEMBER, 1937, THROUGH NOVEMBER 4, 1945, DR.CONDON WAS EMPLOYED BY THE WESTINGHOUSE LABORATORIES AT PITTSBURGH, PA. WHILE WITH THE WESTINGHOUSE LABORATORIES WHERE HE WAS EMPLOYED AS DIRECTOR, CONDON WAS A CONSULTANT ON WAR RESEARCH PROJECTS, BEING PERFORMED AT THE RADIATION LABORATORIES OF THE MASSACHUSETTS INSTITUTE OF TECHNOLOGY, CAMBRIDGE, MASS., AND THE UNIVERSITY OF CALIFORNIA, AT BERKLEY, CALIF. CONDON IS PRINCIPALLY REGARDED AS A THEORETICAL PHYSICIST WHICH INVOLVES RADAR, NUCLEAR PHYSICS, RADIO-ACTIVE TRACERS, MASS SPECTROSCOPY AND THE ELASTIC PROPERTIES OF METALS. ON NOVEMBER 5, 1945, DR.EDWARD U. CONDON WAS APPOINTED DIRECTOR OF THE NATIONAL BUREAU OF STANDARDS. DR.CONDON WAS RECOMMENDED BY HENRY A.WALLACE, WHO WAS THEN SECRETARY OF COMMERCE. THE BUREAU OF STANDARDS IS A BUREAU IN THE DEPARTMENT OF COMMERCE.

IN ADDITION TO THE EMPLOYMENT MENTIONED ABOVE, IT SHOULD BE NOTED THAT DURING THE YEAR 1940, CONDON WAS A MEMBER OF THE NATIONAL DEFENSE RESEARCH COMMITTEE AND THAT DURING THE YEAR 1941, HE WAS A MEMBER OF THE ROOSEVELT COMMITTEE ON URANIUM RESEARCH. DURING THE 79TH CONGRESS, DR.CONDON WAS SCIENTIFIC ADVISER TO THE SPECIAL COMMITTEE ON ATOMIC ENERGY. IN JULY, 1946, DR.CONDON WAS A MEMBER OF THE PRESIDENT'S EVALUATION COMMITTEE WHICH WAS FORMED FOR THE PURPOSE OF OBSERVING THE EFFECTS OF THE ATOM BOMB TEST MADE AT BIKINI ATOLL. CONDON HAS ALSO SERVED AS AN ADVISER TO THE NATIONAL ADVISORY COMMITTEE FOR AERONAUTICS.

INFORMATION REGARDING THE NATIONAL BUREAU OF STANDARDS:

THE NATIONAL BUREAU OF STANDARDS IS THE PRINCIPAL AGENCY OF THE FEDERAL GOVERNMENT FOR RESEARCH IN PHYSICS, MATHEMATICS, CHEMICALS AND ENGINEERING. IT ACTS AS CUSTODIAN OF THE NATION'S BASIC SCIENTIFIC STANDARDS AND SERVES GOVERNMENT AND INDUSTRY IN AN ADVISORY CAPACITY ON ANY SCIENTIFIC AND TECHNICAL MATTERS IN THE PHYSICAL SCIENCES. THE BUREAU'S DIRECT APPROPRIATIONS FOR THE FISCAL YEAR TOTALED APPROXIMATELY $6,800,000 (M), WHICH WAS SUPPLEMENTED BY APPROXIMATELY $10,800,000 IN FUNDS TRANSFERRED BY THE ARMY, NAVY, THE NATIONAL ADVISORY COMMITTEE FOR AERONAUTICS, THE OFFICE OF THE SECRETARY OF COMMERCE, THE BUREAU OF THE CENSUS, AND OTHER FEDERAL AGENCIES.

THE BULK OF THE BUREAU'S WORK IS CONDUCTED AT ITS LABORATORIES IN WASHINGTON,D.C. HOWEVER, IT HAS SEVERAL FIELD TESTING STATIONS LOCATED AT VARIOUS POINTS WITHIN THE UNITED STATES AND ITS TERRITORIAL POSSESSIONS. INCLUDED IN THE RESEARCH WORK PRESENTLY BEING CONDUCTED BY THE BUREAU OF STANDARDS IS THE FIELD OF RADIO PROPAGATION, WHICH RELATES TO GUIDED MISSILES.

IN CONDUCTING ITS RADIO PROPAGATION ACTIVITIES, THE BUREAU OF 1948 STANDARDS MAINTAINS FIELD STATIONS AT STERLING, VIRGINIA; ADAK, ALASKA; PUNNENE, MAUI, T.H.; PALMRYA ISLAND; GUAM ISLAND; TRINIDAD, BRITISH WEST INDIES; AND LAS CRUCES, WHITE SANDS PROVING GROUND, NEW MEXICO. RESEARCH PROJECTS ENGAGED IN BY THE BUREAU OF STANDARDS AT THE PRESENT TIME CONCERN ATOMIC ENERGY, RADAR PROXIMITY FUSES, INSTRUMENT LANDING SYSTEMS, AND RADIOSONDE. DURING THE YEAR 1947, THE BUREAU OF STANDARDS CONDUCTED RESEARCH WORK ON CLASSIFIED PROJECTS FOR THE WAR DEPARTMENT, THE NAVY DEPARTMENT, AND THE ATOMIC ENERGY COMMISSION.

WITH REFERENCE TO THE WORK PERFORMED UNDER THE AUSPICES OF THE ATOMIC ENERGY COMMISSION, IT SHOULD BE NOTED THAT THE BACKGROUND FOR THIS ACTIVITY EXTENDS TO THE EARLY YEARS OF THE 20TH CENTURY, FOR IN THE ATOMIC ENERGY FIELD, THE NATIONAL BUREAU OF STANDS HAS HAD THE RESPONSIBILITY FOR CONDUCTING BASIC RESEARCH ASSOCIATED WITH THE SCIENTIFIC STANDARDS, THE PHYSICAL CONSTANCES AND PROPERTIES OF SUBSTANCES AND METHODS OF MEASUREMENT AND INSTRUMENTATION. THE ATOMIC BOMB PROJECT ITSELF ORIGINATED IN THE BUREAU IN 1939.

B27WX

OTHER NATIONAL DEFENSE WORK CARRIED ON BY THE BUREAU OF STANDARDS DURING THE YEAR 1947, PARTICULARLY FOR THE ARMY AND NAVY, CONSISTED OF BASIC STUDIES OF THE PROPERTIES OF ELECTRO-MAGNETIC RADIATION IN CONNECTION WITH COMMUNICATIONS AND RADAR ACTIVITIES, THE DEVELOPMENT OF RELATED INSTRUMENTATION, AND RADIO PROPAGATION RESEARCH. THE BUREAU ALSO CONDUCTED SPECIAL RESEARCH REGARDING JET FUELS, THE DESIGN AND CONSTRUCTION OF NEW TYPES OF OPTICAL-RANGE FINDERS AND METHODS OF RETARDING GUN EROSION.

THE BUREAU OF STANDARDS IS ONE OF THE MOST IMPORTANT NATIONAL DEFENSE RESEARCH ORGANIZATIONS IN THE UNITED STATES. BECAUSE OF THIS, IT HAS BECOME THE TARGET OF ESPIONAGE AGENTS OF NUMEROUS FOREIGN POWERS.

THE SUBCOMMITTEE HAS IN ITS POSSESSION OF LIST OF EMPLOYEES OF THE NATIONAL BUREAU OF STANDARDS WHO HAVE BEEN CLEARED BY THE ATOMIC ENERGY COMMISSION TO PERFORM WORK ON ATOMIC PROJECTS. BECAUSE OF THE FACT THAT THIS LIST CONTAINS RESTRICTED DATA, IT IS NOT BEING INCLUDED IN THIS REPORT. HOWEVER, IT IS TO BE NOTED THAT WHEN THIS LIST WAS ISSUED AT THE END OF NOVEMBER 1947, THE NAME OF DR.EDWARD U. CONDON WAS CARRIED IN A PENDING STATUS. THIS LIST CONTAINS THE NAMES OF ALL OF THOSE PERSONS WHO ARE QUALIFIED TO WORK ON ATOMIC ENERGY. PROJECTS FROM A LOYALTY STANDPOINT. THE FACT THAT THE NAME OF THE DIRECTOR OF THE BUREAU OF STANDARDS WAS CARRIED IN A PENDING STATUS BY THE ATOMIC ENERGY COMMISSION AS LATE AS NOVEMBER 1947, BECOMES A MATTER OF SERIOUS CONCERN TO US WHEN IT IS RECALLED THAT HE HAD, AS EARLY AS 1941, HELD SEVERAL IMPORTANT POSITIONS IN THE UNITED STATES GOVERNMENT WHICH RELATED TO THE DEVELOPMENT OF ATOMIC ENERGY. FOR INSTANCE, IN 1941, HE WAS A MEMBER OF THE ROOSEVELT COMMITTEE ON URANIUM RESEARCH, AND IN JULY 1946 HE WAS A MEMBER OF THE PRESIDENT'S EVALUATION COMMITTEE WHICH, AS STATED PREVIOUSLY IN THIS REPORT, WAS FORMED FOR THE PURPOSE OF OBSERVING THE EFFECTS OF THE ATOM BOMB TEST MADE AT BIKINI ATOLL.

IT IS OF INTEREST TO NOTE, THAT IN MAY 1947, DR.CONDON REORGANIZED THE BUREAU OF STANDARDS AND SET UP 14 SEPARATE DIVISIONS. DESPITE THE FACT THAT HE HAD NOT BEEN CLEARED TO PERFORM WORK ON ATOMIC ENERGY PROJECTS FOR THE ATOMIC ENERGY COMMISSION, HE APPOINTED HIMSELF HEAD OF THE ATOMIC PHYSICS DIVISION, ONE OF THE DIVISIONS INVOLVED IN THE REORGANIZATION.

MAR 1948

B29WX

THAT THE ATOMIC ENERGY COMMISSION HAD REASON TO DOUBT THE LOYALTY OF DR.CONDON, IS EVIDENCED BY A LETTER, THE ORIGINAL OF WHICH THE SUBCOMMITTEE HAS IN ITS POSSESSION, WHICH LETTER WAS DATED JULY 11, 1946, AND IS ADDRESSED TO A MEMBER OF CONGRESS, WHO AT THAT TIME WAS A MEMBER OF THE JOINT COMMITTEE ON ATOMIC ENERGY OF THE CONGRESS. THIS LETTER WAS WRITTEN BY A PERSON WHO HELD A HIGH POST IN THE SECURITY DIVISION OF THE MANHATTAN PROJECT, AND WHO IS NOW A RANKING OFFICIAL OF THE ATOMIC ENERGY COMMISSION. THE FIRST PARAGRAPH OF THIS LETTER IS QUOTED IN PART AS FOLLOWS:

"ATTACHED IS A VERY HURRIED ATTEMPT WHICH MAY BE OF SOME HELP. UNFORTUNATELY, THE----GROUP HAS LOADED ME DOWN IN PREPARATION FOR FRIDAY'S MEETING. MAY I SUGGEST THAT YOU DEMAND DR.CONDON'S RECORD OF THE FBI. IT WOULD BE ENLIGHTENING."

THE ASSOCIATIONS OF DR.CONDON AND HIS WIFE HAVE BEEN CAUSE FOR GREAT CONCERN TO THE AGENCIES CHARGED WITH THE SECURITY OF THE UNITED STATES. DR.CONDON, KNOWINGLY OR UNKNOWINGLY, ENTERTAINED AND ASSOCIATED WITH PERSONS WHO ARE ALLEGED SOVIET ESPIONAGE AGENTS, AND PERSONS NOW REPORTED TO BE UNDER INVESTIGATION BY A FEDERAL GRAND JURY. SO SERIOUS HAVE DR.CONDON'S ASSOCIATIONS BEEN, THAT ON MAY 15, 1947, J.EDGAR HOOVER, DIRECTOR OF THE FEDERAL BUREAU OF INVESTIGATION, SENT A CONFIDENTIAL LETTER TO W.AVERILL HARRIMAN, SECRETARY OF COMMERCE. THE LETTER IS QUOTED IN PART AS FOLLOWS:

"THE FILES OF THE BUREAU REFLECT THAT DR.EDWARD U.CONDON HAS BEEN IN CONTACT AS LATE AS 1947 WITH AN INDIVIDUAL ALLEGED, BY A SELF-CONFESSED SOVIET ESPIONAGE AGENT, TO HAVE ENGAGED IN ESPIONAGE ACTIVITIES WITH THE RUSSIANS IN WASHINGTON, D.C., FROM 1941 TO 1944.

"MR. AND MRS.CONDON ASSOCIATED WITH SEVERAL INDIVIDUALS CONNECTED WITH THE POLISH EMBASSY IN WASHINGTON, D.C. AMONG THESE ARE MRS. JOSEPH WINIEWIZE, WIFE OF THE POLISH AMBASSADOR, VIRGINIA WOERK, A CLERK EMPLOYEE OF THE POLISH EMBASSY, HELEN M.HARRIS, SECRETARY OF THE POLISH EMBASSY AND IGNACE ZLOTOWSKI, FORMER COUNSELOR OF THE POLISH EMBASSY AND PRESENTLY A POLISH DELEGATE TO THE UNITED NATIONS.

MAR 1948

"HELEN HARRIS IS IDENTIFIED AS A FORMER SECRETARY TO THE AMERICAN SOVIET SCIENCE SOCIETY DURING THE TIME IT WAS KNOWN AS SCIENCE COMMITTEE OF THE NATIONAL AMERICAN SOVIET FRIENDSHIP SOCIETY. SHE WENT TO WORK FOR THE POLISH EMBASSY IN THE FALL OF 1946.

"ZLOTOWSKI IS IDENTIFIED AS A NUCLEAR SCIENTIST WHO STUDIED UNDER JOLIET CURIE, KNOWN MEMBER OF THE COMMUNIST PARTY. HE WAS EX-SECRETARY OF THE AMERICAN SOVIETY SOCIETY. IT IS KNOWN THAT IN FEBRUARY, 1947, ZLOTOWSKI PURCHASED 270 BOOKS ON ATOMIC ENERGY WHICH HAD BEEN PUBLISHED BY THE DEPARTMENT OF COMMERCE.

"IT IS ALSO KNOWN THAT MR.AND MRS.CONDON WERE IN CONTACT WITH SEVERAL OTHER PERSONS CLOSELY ASSOCIATED WITH THIS ALLEGED SOVIET ESPIONAGE AGENT. IT IS ALSO RELIABLY REPORTED THAT IN MARCH 1947, ZLOTOWSKI OFFERED THE USE OF THE POLISH DIPLOMATIC POUCH TO SCIENTIFIC GROUPS AS A MEANS OF TRANSMITTING SCIENTIFIC MATERIAL OUTSIDE THE UNITED STATES, DISSEMINATION OF WHICH HAD TO BE RESTRICTED BECAUSE OF SECURITY REASONS BY MILITARY AUTHORITIES.

"ZLOTOWSKI WAS IN CONTACT WITH ANATOLE GROMOV, FIRST SECRETARY OF THE SOVIET EMBASSY WHO HAS SINCE RETURNED TO RUSSIA. MRS.EMILY CONDON APPLIED FOR PASSPORTS FOR EUROPEAN TRAVEL IN 1926 AND PASSPORT FOR TRAVEL TO RUSSIA IN 1945. PASSPORTS WERE WITHDRAWN. CONDON ISSUED PASSPORT 276319 ON OCTOBER 11, 1946, TO TRAVEL AND STUDY IN GERMANY, FRANCE, HOLLAND, ITALY, CZECHOSLOVAKIA, GREAT BRITAIN, DENMARK AND SWITZERLAND. HE APPLIED FOR PASSPORT JUNE 4, 1946, TO RUSSIA WHICH WAS ISSUED BUT WAS LATER CANCELLED BY THE ARMY."

THERE ARE OTHER INSTANCES IN WHICH DR.CONDON AND HIS WIFE HAVE BEEN GUESTS AT THE HOME OF PERSONS WHO ARE ATTACHED TO THE EMBASSIES OF SOVIET SATELLITE NATIONS. ALSO PRESENT WERE THE REPRESENTATIVES OF OFFICIAL SOVIET AGENCIES.

WE HAVE PREVIOUSLY STATED HEREIN THAT THE BUREAU OF STANDARDS, BECAUSE OF ITS IMPORTANCE TO THE NATIONAL DEFENSE, HAS BECOME A FOCAL POINT FOR ESPIONAGE AGENTS ATTACHED TO FOREIGN GOVERNMENTS. FOR A GREAT MANY YEARS, THE BUREAU OF STANDARDS HAS BEEN VISITED BY REPRESENTATIVES OF MANY FOREIGN GOVERNMENTS.

30.24-15943

IN ORDER TO ACCOMMODATE FOREIGN VISITORS, SHORTLY AFTER HIS OWN APPOINTMENT AS DIRECTOR OF THE BUREAU OF STANDARDS, DR.CONDON APPOINTED DEMETRY I.VINOGRADOFF, A RUSSIAN-BORN SCIENTIST, AS THE LIAISON REPRESENTATIVE OF THE BUREAU. VINOGRADOFF, PRIOR TO HIS AFFILIATION WITH THE BUREAU OF STANDARDS WAS EMPLOYED BY THE WESTINGHOUSE LABORATORIES AT PITTSBURGH, PA. DURING THE WARTIME YEARS, HE WAS IN CHARGE OF LIAISON BETWEEN THE WESTINGHOUSE ELECTRIC COMPANY AND THE REPRESENTATIVES OF THE SOVIET PURCHASING COMMISSION.

DURING THE PERIOD JULY 1936 THROUGH MARCH 31, 1947, A TOTAL OF 238 VISITORS AND 64 DELEGATES FROM FOREIGN NATIONS, INCLUDING RUSSIA AND POLAND, VISITED THE NATIONAL BUREAU OF STANDARDS. DURING THIS PERIOD, A TOTAL OF 39 RUSSIANS AND 3 POLISH NATIONALS VISITED THE BUREAU. AMONG THESE VISITORS, WERE THE NAVAL ATTACHE AND THE ASSISTANT NAVAL ATTACHE OF THE RUSSIAN EMBASSY, AND THREE REPRESENTATIVES OF THE UNITED NATIONS RELIEF AND REHABILITATION ADMINISTRATION. SINCE MARCH 1947, A TOTAL OF 666 PERSONS REPRESENTING FOREIGN GOVERNMENTS HAVE VISITED THE BUREAU. VERY FEW RUSSIANS OR RUSSIAN SATELLITE NATION REPRESENTATIVES ARE INCLUDED IN THIS NUMBER. THE REASON FOR THE DECLINE IN THE NUMBER OF RUSSIAN VISITORS TO THE BUREAU OF STANDARDS IS UNKNOWN TO THIS SUBCOMMITTEE. HOWEVER, IT SHOULD BE NOTED THAT DURING THE MONTH OF DECEMBER 1946, DEMETRY I.VINOGRADOFF, LIAISON OFFICER OF THE BUREAU OF STANDARDS, MADE ARRANGEMENTS WITH F.T.OREKAHOV, THE FIRST SECRETARY OF THE RUSSIAN EMBASSY IN WASHINGTON, D.C., TO DISCUSS THE PROBLEM OF EXCHANGING BOOKS, PAMPHLETS AND OTHER WRITTEN MATERIAL. THE ARRANGEMENTS FOR THE DISCUSSION WERE MADE BY VINOGRADOFF AT THE REQUEST OF DR.CONDON, AND IT WAS AGREED THAT THE DISCUSSION BETWEEN OREKAHOV AND VINOGRADOFF WOULD BE INFORMAL BECAUSE, OTHERWISE, IT WOULD BE NECESSARY TO OBTAIN A CLEARANCE FROM THE STATE DEPARTMENT.

IT IS ALSO KNOWN THAT VINOGRADOFF HAS BEEN IN CLOSE TOUCH WITH CAPTAIN A.F.BELIKOV, ASSISTANT NAVAL ATTACHE OF THE RUSSIAN EMBASSY.

B31WX

YOUR SUBCOMMITTEE WOULD LIKE TO POINT OUT TO THE FULL COMMITTEE THAT THE EXCHANGE OF SCIENTIFIC MATERIAL WITH THE SOVIET UNION IS A ONE-WAY STREET, AND THAT OUR GOVERNMENT IS PURSUING A DANGEROUS AND FOOLISH POLICY OF MAKING SCIENTIFIC DATA AVAILABLE TO THE SOVIET UNION, SINCE THEY WILL NOT PERMIT US TO INSPECT ANY OF THEIR BUREAUS, NOR WILL THEY EXCHANGE ANY INFORMATION WITH US. EARLY LAST YEAR, THE CHAIRMAN OF THE COMMITTEE, MR.THOMAS, DISCLOSED THAT THE SOVIET UNION, ACTING THROUGH ITS FRONTS, HAD SECURED HUNDREDS OF THOUSANDS OF PATENTS FROM OUR PATENT OFFICE AND OUR PRESENT INVESTIGATION ALONG THESE LINES REVEALS THAT EVEN TODAY THEY ARE CONTINUING TO ORDER THOUSANDS OF PATENTS. WE ARE CONVINCED FROM THE INFORMATION WE HAVE THAT WHAT THE SOVIET UNION IS ACTUALLY DOING IS SETTING UP HER OWN PATENT BUREAU BY OBTAINING ALL OF OURS, AT THE RATE OF TEN AND TWENTY-FIVE CENTS EACH. WE SHOULD LIKE TO POINT OUT THAT THE RUSSIAN GOVERNMENT HAS REFUSED TO GIVE THE UNITED STATES A SINGLE PATENT SINCE 1928.

YOUR SUBCOMMITTEE, BY A VERY DILIGENT INVESTIGATION, HAS DETERMINED THAT DR.CONDON HAS IN THE PAST FIVE YEARS, BEEN IN PERSONAL CONTACT AND COMMUNICATION WITH A NUMBER OF INDIVIDUALS WHO ARE AMERICAN CITIZENS, BUT WHO ARE MEMBERS OF THE COMMUNIST PARTY. THERE IS NO EVIDENCE IN OUR POSSESSION THAT DR.CONDON IS A MEMBER OF THE COMMUNIST PARTY, HOWEVER, BUT AS A MEMBER OF THE EXECUTIVE COMMITTEE OF THE AMERICAN SOVIET SCIENCE SOCIETY, WHICH IS AFFILIATED WITH THE NATIONAL COUNCIL OF SOVIET AMERICAN FRIENDSHIP, INC., AND WHICH WAS RECENTLY CITED AS A SUBVERSIVE ORGANIZATION BY ATTORNEY GENERAL CLARK, HE HAS LENT HIS NAME AND INFLUENCE TO ONE OF THE PRINCIPAL COMMUNIST ENDEAVORS IN THE UNITED STATES.

THE EXTENT TO WHICH HE HAS AIDED AND ABETTED THIS COMMUNIST FRONT IS ILLUSTRATED BY THE FOLLOWING LETTER, DATED MARCH 7, 1946, ADDRESSED TO CERTAIN EMPLOYEES OF THE NATIONAL BUREAU OF STANDARDS, BY SAMUEL GELFAN, FOR THE MEMBERSHIP COMMITTEE OF THE AMERICAN-SOVIET SCIENCE SOCIETY:

B32WX

"AMERICAN-SOVIET SCIENCE SOCITY
"AFFILIATED WITH
NATIONAL COUNCIL OF AMERICAN SOVIET FRIENDSHIP, INC.
114 EAST 32 STREET, NEW YORK 16, N.Y. MURRAY HILL 3-2082.
MARCH 7, 1946.

"-----
NATIONAL BUREAU OF STANDARDS
U.S.DEPT.OF COMMERCE
WASHINGTON, 25, D.C.

"DEAR ---

"IT HAS BEEN SUGGESTED BY DR.CONDON, WHO IS A MEMBER OF OUR EXECUTIVE COMMITTEE, THAT YOU MIGHT BE INTERESTED IN THE ACTIVITIES OF OUR SOCIETY, AND MEMBERSHIP IN SAME.

"WE ARE, THEREFORE, ENCLOSING A BRIEF STATEMENT CONCERNING THE OBJECTIVES AND ACTIVITY OF OUR ORGANIZATION, AND UNDER SEPARATE COVER ARE ALSO MAILING YOU A COPY OF OUR LAST BULLETIN.

SINCERELY YOURS,
/S/ SAMUEL GELFAN
SAMUEL GELFAN
FOR THE MEMBERSHIP COMMITTEE."

IN RESPONSE TO THIS LETTER, TEN SCIENTISTS OF THE BUREAU OF STANDARDS JOINED THIS SUBVERSIVE ORGANIZATION. THE SUBCOMMITTEE IS COGNIZANT, HOWEVER, OF THE IMPLIED PRESSURE WHICH DR.CONDON, AS DIRECTOR OF THE BUREAU, APPLIED TO HIS SUBORDINATES, AND THEREFORE IT SHOULD NOT NECESSARILY REFLECT UPON THOSE TEN EMPLOYEES. IT DOES, HOWEVER, INDICATE THE DANGEROUS EXTREMES TO WHICH DR.CONDON HAS GONE IN AN EFFORT TO COOPERATE WITH COMMUNIST FORCES IN THE UNITED STATES.

SPEAKING BEFORE THE FIFTH ANNUAL SCIENTIFIC INSTITUTE MARCH 5, 1946, DR.CONDON STATED IN SPEAKING OF RUSSIA:

"WE MUST WELCOME THEIR SCIENTISTS TO OUR LABORATORIES, AS THEY HAVE WELCOMED OURS TO THEIRS, AND EXTEND THE BASE OF SCIENTIFIC COOPERATION WITH THIS GREAT PEOPLE. OF COURSE, WE MUST BEHAVE THIS WAY TOWARD THE SCIENTISTS OF ALL NATIONS. I ONLY MENTION RUSSIA BECAUSE SHE IS RIGHT NOW THE TARGET OF ATTACK BY THOSE IRRESPONSIBLE WHO THINK SHE WOULD BE A SUITABLE ADVERSARY IN THE NEXT WORLD WAR."

THIS SUBCOMMITTEE IS IN POSSESSION OF NO EVIDENCE OR INFORMATION WHICH INDICATES THAT THE SOVIET GOVERNMENT HAS IN THE PAST, OR WILL IN THE FUTURE PERMIT THE SCIENTISTS OF THE UNITED STATES IN THEIR LABORATORIES OR TO MAKE AVAILABLE TO THEM ANY INFORMATION OF ANY SCIENTIFIC IMPORTANCE. ANY GOVERNMENT OFFICIAL WHO IS NOT AWARE THAT THE SOVIET UNION IS BENT UPON THE STALINIZATION OF THE WORLD, IS NOT QUALIFIED TO HOLD A STRATEGIC POSITION WHICH AFFECTS THE SECURITY OF THE UNITED STATES.

1948

CONCLUSIONS AND RECOMMENDATIONS:

"IN CONSIDERING THE CASE OF DR.CONDON, WE WISH TO EMPHASIZE THAT WHAT IS INVOLVED IS NOT A QUESTION OF FREEDOM OF SPEECH OR RESEARCH. THE RUTHLESS RUSH OF STALIN THROUGH EUROPE, IN THE OPINION OF THIS SUBCOMMITTEE NECESSITATES A REVISION OF THE POLICY AND THINKING OF THIS GOVERNMENT AND THE PEOPLE OF THE UNITED STATES, REGARDING COMMUNISM. WE SHOULD BEAR IN MIND, THAT THE GOVERNMENT IS CHARGED NOT ONLY WITH THE ADMINISTRATION OF PUBLIC AFFAIRS, BUT IT IS ALSO CHARGED WITH THE SECURITY OF THE PEOPLE AND THE INSTITUTIONS OF THE UNITED STATES. WHETHER WE LIKE IT OR NOT, WE ARE NOW ENGAGED IN A GREAT EPOCHAL STRUGGLE; NOT A STRUGGLE WITH GUNS, BECAUSE THE COMMUNISTS DON'T FIGHT THAT WAY. THEY DIDN'T TAKE OVER CZECHOSLOVAKIA WITH GUNS, THEY MERELY EMPLOYED THE STRATEGY OF GETTING A FEW MEN IN THE GOVERNMENT AND THEN A FEW MORE, AND THEN THEY TOOK OVER THE ENTIRE GOVERNMENT WITHOUT FIRING A SINGLE SHOT OR CALLING OUT A SINGLE REGIMENT OF SOLDIERS.

"THEY ARE CONDUCTING EXACTLY THE SAME KIND OF CAMPAIGN IN OTHER COUNTRIES. IN THIS COUNTRY THEY HAVEN'T GOTTEN AS FAR AS THEY HAVE IN CZECHOSLOVAKIA, BUT THEY GOT PRETTY FAR, BECAUSE THEY GOT A MAN AS VICE PRESIDENT OF THE UNITED STATES, AND HE IS NOW THEIR CANDIDATE FOR PRESIDENT, AND HE IS THE SAME MAN WHO RECOMMENDED DR.CONDON AS DIRECTOR OF THE BUREAU OF STANDARDS.

B34WX

"IT IS THE UNANIMOUS OPINION OF THIS SUBCOMMITTEE THAT DR.CONDON SHOULD EITHER BE REMOVED OR A STATEMENT SHOULD BE FORTHCOMING FROM THE SECRETARY OF COMMERCE, SETTING FORTH THE REASONS WHY HE HAS RETAINED DR.CONDON IN VIEW OF THE DEROGATORY INFORMATION WHICH HE HAS HAD BEFORE HIM.

"WE FURTHER RECOMMEND THAT THE FULL COMMITTEE ADDRESS A COMMUNICATION TO THE PRESIDENT OF THE UNITED STATES, CALLING TO HIS ATTENTION THE FACT THAT THE SITUATION AS REGARDS DR.CONDON IS NOT AN ISOLATED ONE, BUT THAT THERE ARE OTHER GOVERNMENT OFFICIALS IN STRATEGIC POSITIONS WHO ARE PLAYING STALIN'S GAME TO THE DETRIMENT OF THE UNITED STATES. IT SHOULD ALSO BE POINTED OUT TO THE PRESIDENT THAT THE EVIDENCE BEFORE OUR SUBCOMMITTEE AND THE EVIDENCE WHICH WE ARE SURE SHOULD BE AVAILABLE TO HIM, INDICATES VERY STRONGLY THAT THERE IS IN OPERATION AT THE PRESENT TIME IN THE UNITED STATES AN EXTENSIVE SOVIET ESPIONAGE RING, AND TO PERMIT THIS RING TO CONTINUE, IN VIEW OF THE HIGH ATOMIC PRIZES WHICH THEY ARE SEEKING IS FOLLY, AND CAN ONLY LEAD TO ULTIMATE DISASTER.

"WE RECOMMEND THAT ALL OF THE EVIDENCE IN THE COMMITTEE'S POSSESSION BE FORWARDED TO THE PRESIDENT FOR HIS CONSIDERATION."

-(360)-CONDON TEXT

WASHINGTON, MARCH 1-(AP)-THE TEXT OF A STATEMENT BY DR.EDWARD U. CONDON, HEAD OF THE NATIONAL BUREAU OF STANDARDS, REGARDING TONIGHT'S REPORT FROM A HOUSE UNAMERICAN ACTIVITIES SUBCOMMITTEE:

I HAVE NOTHING TO REPORT. IF IT IS TRUE THAT I AM ONE OF THE WEAKEST LINKS IN ATOMIC SECURITY THAT IS VERY GRATIFYING AND THE COUNTRY CAN FEEL ABSOLUTELY SAFE FOR I AM COMPLETELY RELIABLE, LOYAL, CONSCIENTIOUS, AND DEVOTED TO THE INTERESTS OF MY COUNTRY AS MY WHOLE CAREER AND LIFE CLEARLY REVEAL. IT WOULD BE BETTER IF THE COMMITTEE WERE SURE THAT I AM THE VERY WEAKEST LINK.

I DO NOT KNOW WHAT MATERIAL THE COMMITTEE THINKS IT HAS WHICH JUSTIFIES SUCH ACCUSATIONS. WHEN A SIMILAR ACCUSATION WAS MADE LAST JUNE BY CHAIRMAN THOMAS, I WROTE TO HIM AND OFFERED HIM ANY HELP I COULD GIVE HIM. £3 ,3;34 430)83$, NOR DID ANY OF HIS STAFF CONSULT ME. AT THAT TIME I ASKED SECRETARY HARRIMAN TO HAVE A FULL INVESTIGATION MADE. I PROVIDED HIM WITH ALL THE MATERIAL CONCERNING MY CAREER AND LIFE THAT I COULD THINK OF, AND HE COLLECTED ALL THE MATERIAL

COULD GIVE HIM. HE NEVER REPLIED, NOR DID ANY OF HIS STAFF CONSULT ME. AT THAT TIME I ASKED SECRETARY HARRIMAN TO HAVE A FULL INVESTIGATION MADE. I PROVIDED HIM WITH ALL THE MATERIAL CONCERNING MY CAREER AND LIFE THAT I COULD THINK OF, AND HE COLLECTED ALL THE MATERIAL THERE WAS FROM THE REGULAR INVESTIGATING AGENCIES OF THE GOVERNMENT. THAT WAS MANY MONTHS AGO. I ASSUMED THAT HE WAS FULLY SATISFIED FOR HE TOOK NO ACTION.

SUBSEQUENTLY I WAS APPOINTED BY HIM TO THE PRESIDENT'S INTERDEPARTMENTAL COMMITTEE ON SCIENTIFIC RESEARCH AND DEVELOPMENT.

THE ACCUSATIONS ARE SO VAGUE THAT IT IS HARD TO COMMENT ON THEM. THERE ARE NO NEW ALLEGED FACTS WHICH HAVE NOT BEEN AVAILABLE FOR MANY MONTHS. THE TRUE MEANING OF THESE ATTACKS WERE MADE CLEAR LAST JULY IN A SPEECH BY CONGRESSMAN CHET HOLIFIELD OF CALIFORNIA ON THE FLOOR OF THE HOUSE. IN THAT SPEECH HE ANALYZED IN DETAIL THE ATTACK THAT HAD BEEN MADE ON ME AND RELATED THEM TO AN UNDERCOVER ATTEMPT TO

SMEAR CIVILIAN CONTROL OF ATOMIC ENERGY BY SMEARING THE SCIENTISTS WHO ASSISTED THE DEVELOPMENT OF THE ATOMIC ENERGY ACT OF 1946. IN THIS CONNECTION I WAS ADVISER TO THE SPECIAL SENATE COMMITTEE ON ATOMIC ENERGY UNDER THE CHAIRMANSHIP OF SENATOR BRIEN MCMAHON.

I REPEAT: IF I AM THE WEAK LINK IN ATOMIC SECURITY, THEN THE NATION NEED HAVE NO FEAR. IT IS VERY GRATIFYING. I HOPE IT IS TRUE, FOR THEN WE HAVE NOTHING TO WORRY ABOUT.

(ADVANCE) WASHINGTON, MARCH 1-(AP)-THE YEARLY COST OF THE ARMED SERVICES WILL REACH $14,720,000,000 (BILLION) IN 1953 IF CONGRESS ACCEPTS THE AIR POWER READINESS PROGRAM DRAWN BY A SPECIAL AVIATION POLICY BOARD COMPOSED OF TEN SENATORS AND REPRESENTATIVES.

AS AN ALTERNATIVE, THE MILITARY COST COULD BE HELD TO $14,720,000,000 BY REDUCING AIRCRAFT PRODUCTION TO A LEVEL WHICH WOULD REQUIRE A YEAR'S TIME TO REACH EMERGENCY STATUS.

THE CURRENT MILITARY BUDGET IS ABOUT $10,350,000,000. (B)

THOSE TWO PLANS WERE OFFERED TODAY IN THE REPORT OF THE SPECIAL BOARD, CREATED LAST JULY TO REPORT ON THE NATION'S AVIATION NEEDS.

IN EITHER CASE, THE AIR FORCE WOULD HAVE 70 GROUPS AND 20,541 AIRCRAFT. THAT IS THE SIZE FIRST RECOMMENDED IN 1945 AND WHICH THE PRESIDENT'S AIR POLICY COMMISSION AGAIN PROPOSED IN JANUARY. IT IS CONSIDERABLY LARGER THAN THE PRESENT AIR FORCE.

THE NAVY AIR ARM WOULD HAVE 14,500 AIRCRAFT, ABOUT THE SAME AS NOW AND ALSO AS RECOMMENDED BY THE PRESIDENT'S GROUP.

AN IMPORTANT DIFFERENCE IS THAT BOTH BRANCHES WOULD HAVE MUCH MORE MODERN AIRCRAFT, BACKED BY A HIGHER PRODUCTION RATE THAN NOW. IN FACT, PRODUCTION WOULD BE ABOUT FIVE TIMES GREATER UNDER THE FIRST PLAN AND THREE TIMES GREATER UNDER THE SECOND.

THE SPECIAL BOARD, HEADED BY SENATOR BREWSTER (R-ME), SAID THE DIFFERENCE IN THE PLANS IS THIS:

THE FIRST PLAN WOULD PROVIDE "AN EFFECTIVE, CONTINUING AND SUCCESSFUL AIR OFFENSIVE AGAINST A MAJOR ENEMY." IT CALLS FOR AN ANNUAL PRODUCTION RATE OF 111,000,000 POUNDS OF AIRFRAME (ABOUT 11,000 PLANES) A YEAR. THE TOTAL AIR POWER COST WOULD BE $9,500,000,000 A YEAR BEGINNING IN 1953.

THE SECOND PLAN, CALLING FOR 63,000,000 POUNDS OF AIRFRAME ANNUALLY, WOULD WITHSTAND AN INITIAL BLOW FROM AN ENEMY, FORM THE BASIS FOR A STRONG TERRITORIAL DEFENSE AND PROVIDE EFFECTIVE RETALIATION, BUT NOT A SUSTAINED OFFENSIVE ACTION. UNDER THIS PLAN, INDUSTRY WOULD REQUIRE A YEAR LONGER TO REACH A WARTIME LEVEL OF PRODUCTION THAN UNDER THE FIRST PROPOSAL. THE ANNUAL COST WOULD BE $7,600,000,000.

THE BOARD SAID THAT THE AIR FORCE AND NAVY NOW TAKE TWICE AS MANY PLANES OUT OF WORLD WAR II SURPLUS STOCKS AS THEY GET FROM PRODUCTION LINES. IT ESTIMATED THE STORAGE SUPPLY WILL BE EXHAUSTED BY 1950, WHEN PROPOSED PRODUCTION LEVELS CAN BE REACHED.

COMBINED STAFF

BY ELTON C. FAY

WASHINGTON, MARCH 1-(AP)-THE UNITED STATES AND BRITAIN ARE RETAINING IN THESE DAYS OF UNCERTAIN PEACE THE COMBINED MILITARY HIGH COMMAND THAT OPERATED DURING MOST OF THE WAR.

QUARTERED IN ONE OF THE MOST HEAVILY GUARDED SECTIONS OF THE PENTAGON--WITH ALL BUT SPECIALLY APPROVED VISITORS BARRED--IS THE HEADQUARTERS OF THE "COMBINED CHIEFS OF STAFF."

THE ONLY OFFICIAL DESCRIPTION OF THE DAY TO DAY WORK IS TERSE AND NOT PARTICULARLY ILLUMINATING: "THE COMBINED CHIEFS OF STAFF CONSIDER AND DECIDE QUESTIONS DERIVING FROM THE WARTIME COOPERATION OF GREAT BRITAIN AND THE UNITED STATES."

HOWEVER, IT IS KNOWN THAT THE AGENCY PROVIDES A CLEARING HOUSE FOR A DIRECT EXCHANGE OF IDEAS ON EQUIPMENT, WEAPONS AND TACTICS OF ALL MILITARY BRANCHES OF THE TWO NATIONS.

ONE OF THE MORE IMPORTANT POSTWAR JOBS OF THE JOINT ORGANIZATION HAS BEEN AN EFFORT TO STANDARDIZE TYPES AND SIZES OF THE PRINCIPAL COMMON WEAPONS.

THE COMBINED CHIEFS ARE PENTAGON NEIGHBORS OF ANOTHER HIGHLY SECRET GROUP OF OFFICERS. ALONG AN ADJACENT CORRIDOR ARE THE OFFICES OF THE "ARMED FORCES SPECIAL WEAPONS PROJECT" DEALING WITH GUIDED MISSILES, ATOMIC WEAPONS AND OTHER LESS WELL KNOWN INSTRUMENTS OF DESTRUCTION.

THE COMBINED CHIEFS ARE SEVEN MEN, FOUR FROM THE UNITED STATES, THREE FROM BRITAIN. THE AMERICAN MEMBERS ARE ADM. WILLIAM D. LEAHY, CHIEF OF STAFF TO THE PRESIDENT; ADM. LOUIS E. DENFELD, CHIEF OF NAVAL OPERATIONS; GEN. OMAR N. BRADLEY, ARMY CHIEF OF STAFF, AND GEN. CARL SPTZOHEF OF STAFF.

NAVAL OPERATIONS; GEN. OMAR N. BRADLEY, ARMY CHIEF OF STAFF, AND GEN. CARL SPAATZ, AIR FORCE CHIEF OF STAFF. BRITISH MEMBERS ARE ADM. SIR HARRY MOORE; GEN. SIR WILLIAM MORGAN AND AIR CHIEF MARSHAL SIR GUY GARROD.

THE ORGANIZATION WAS CREATED IN FEBRUARY 1942 AS THE RESULT OF AN AGREEMENT BETWEEN THE LATE PRESIDENT ROOSEVELT AND FORMER PRIME MINISTER CHURCHILL. PRESIDENT TRUMAN HAS EXPRESSED BELIEF THAT THE ORGANIZATION SHOULD BE CONTINUED.

NAVY (250)

BY WILLIAM F. ARBOGAST

WASHINGTON, MARCH 1-(AP)-REP. SHEPPARD (D-CALIF) CONTENDED TODAY THE AMERICAN NAVY WOULD BE UNABLE TO COPE WITH A MAJOR EMERGENCY IF ONE SHOULD ARISE.

SHEPPARD SAID THE BLAME RESTS ON BOTH PRESIDENT TRUMAN'S BUDGET BUREAU AND ON CONGRESS ITSELF.

AS TOP DEMOCRAT ON A HOUSE APPROPRIATIONS COMMITTEE CONSIDERING THE NAVY'S 1949 BUDGET, THE CALIFORNIAN SAID IN AN INTERVIEW HE WILL LEAD A FIGHT TO GIVE THE SEA ARM MORE MONEY.

"BECAUSE OF CUTS IN THE NAVY'S BUDGET FOR THIS YEAR (CONGRESS TRIMMED IT BY $245,000,000 TO $3,600,000,000) THE NAVY HAS BEEN FORCED TO LAY UP FIGHTING SHIPS THAT IT WANTED TO KEEP IN OPERATION," SHEPPARD SAID.

BUT THE NAVY CAN'T ASK CONGRESS TO GIVE IT MORE MONEY NEXT YEAR, £3 :)-8.3$, BECAUSE OF A BUDGET BUREAU ORDER THAT NO DEPARTMENT MAY SEEK MORE FOR 1949 THAN IT HAD IN 1948.

"BUT THERE IS NOTHING IN THE WORLD TO PREVENT THE APPROPRIATIONS COMMITTEE FROM OVERRIDING THE BUDGET BUREAU," SHEPPARD ADDED. "I HOPE THAT AFTE

BUT THE NAVY CAN'T ASK CONGRESS TO GIVE IT MORE MONEY NEXT YEAR, HE CLAIMED, BECAUSE OF A BUDGET BUREAU ORDER THAT NO DEPARTMENT MAY SEEK MORE FOR 1949 THAN IT HAD IN 1948.

"BUT THERE IS NOTHING IN THE WORLD TO PREVENT THE APPROPRIATIONS COMMITTEE FROM OVERRIDING THE BUDGET BUREAU," SHEPPARD ADDED. "I HOPE THAT AFTER OUR HEARINGS THE COMMITTEE WILL SEE FIT TO DO JUST THAT."

AS OF TODAY, THE LAWMAKER SAID, "THE NAVY'S OPERATING EFFICIENCY HAS BEEN IMPAIRED AND IT WOULD TAKE AT LEAST 90 DAYS, POSSIBLY LONGER, TO GET SHIPS BACK IN COMMISSION AND PUT A FIRST CLASS FLEET IN ACTION."

"THAT," HE DECLARED, "IS TOO MUCH TIME IN AN EMERGENCY."

WHILE THE UNITED STATES STILL HAS THE LARGEST FLEET IN ACTUAL OPERATION, RUSSIA IS KNOWN TO HAVE OUTBUILT THIS COUNTRY IN SUBMARINES AND MILITARY AIRPLANES, SEHPPARD SAID. "AND WE DO NOT KNOW WHAT THEY ARE DOING IN THE WAY OF SHIP CONSTRUCTION."

"I THINK IT IS FOOLISH," HE CONTINUED, "TO PRACTICE FALSE ECONOMY ON OUR NATIONAL DEFENSE UNTIL THINGS ARE MORE SETTLED IN THE WORLD AND THE UNITED NATIONS IS IN A POSITION TO HANDLE ANYTHING THAT MAY ARISE INTERNATIONALLY."

WASHINGTON, MARCH 1-(AP)-SOME OF AMERICA'S LEADING INDUSTRIAL EXPERTS WANT JAPAN TO BE MADE INDUSTRIALLY STRONG.

THEY ARE AGAINST TAKING FROM THE JAPANESE, AS REPARATIONS, ANY INDUSTRIES--EXCEPT "PRIMARY WAR FACILITIES"--WHICH THE JAPANESE THEMSELVES CAN USE EFFECTIVELY.

THE ARMY DISCLOSED THIS TONIGHT IN RELEASING A REPORT BY OVERSEAS CONSULTANTS, INC., AFTER A SIX-MONTH STUDY OF WHAT REPARATIONS JAPAN CAN BE EXPECTED TO FURNISH.

THE REPORT, ISSUED IN SUMMARY FORM BUT TO BE PUBLISHED IN FULL LATER, SAYS AN INDUSTRIALIZED JAPAN "UNLESS CAREFULLY CONTROLLED, MIGHT BECOME A STRONG MILITARY POWER."

"IN OUR OPINION, HOWEVER," THE REPORT SAYS, "A STRONG INDUSTRIAL JAPAN WOULD BE LESS DANGEROUS TO THE PEACE AND PROSPERITY OF THE FAR EAST THAN A CONTINUANCE OF THE PRESENT STATE OF INSTABILITY AND ECONOMIC MALADJUSTMENT IN THIS VAST AND POPULOUS REGION."

OVERSEAS CONSULTANTS, INC., WAS ORGANIZED BY LEADING U.S. INDUSTRIAL ENGINEERING AND APPRAISAL FIRMS AND HIRED BY THE ARMY TO MAKE THIS STUDY.

THE REPORT SAYS INDUSTRIAL REPARATIONS TAKEN FROM JAPAN SHOULD NOT GO BEYOND "PRIMARY WAR FACILITIES" AND CERTAIN OTHER INDUSTRIES WITH A COMBINED VALUE OF 1,648,156,000-(B)-1939 YEN--OR ABOUT $1,483,200,000-(B)-IN PRESENT U.S.DOLLARS.

THE "PRIMARY WAR FACILITIES" ARE NOT DETAILED IN THE REPORT. THE OTHER INDUSTRIES RECOMMENDED FOR REPARATIONS, WITH THEIR ANNUAL CAPACITIES, ARE:

NITRIC ACID, 107,000 METRIC TONS; SYNTHETIC RUBBER, 900-(CORRECT)-METRIC TONS; SHIPBUILDING, 385,000 GROSS TONS; ALUMINUM AND MAGNESIUM FABRICATING, 50,000 METRIC TONS; AND MAGNESIUM REDUCTION, 480-(CORRECT)-METRIC TONS.

JAPAN-CHINA

BY BRACK CURRY

(ADVANCE) WASHINGTON, MARCH 1-(AP)-A $500,000,000 RECOVERY PROGRAM FOR JAPAN TOGETHER WITH MILITARY AND ECONOMIC AID FOR CHINA WERE PROPOSED TO THE HOUSE FOREIGN AFFAIRS COMMITTEE TODAY BY A COMMITTEE CONSULTANT.

CALLING JAPAN "A BASTION OF PRO-AMERICAN SYMPATHY AND IDEOLOGY IN THE FAR EAST," WILLIAM MONTGOMERY MCGOVERN SAID:

"AS LONG AS IT REMAINS REASONABLY PROSPEROUS IT FORMS A BULWARK AGAINST COMMUNISM. IT HAS AN IMPORTANCE TO THE FAR EAST NOT UNLIKE THAT OF GERMANY FOR EUROPE.

"TO RESTORE PRODUCTION IN BOTH IS TO LIGHTEN THE DIRECT BURDEN ON THE TAXPAYER OF THE UNITED STATES, AND TO SHORTEN THE PERIOD OF GENERAL WORLD DEFICIENCIES OF PRODUCTION THAT MAKES UNITED STATES AID NECESSARY."

MCGOVERN IS PROFESSOR OF POLITICAL SCIENCE AT NORTHWESTERN UNIVERSITY. HE MADE A SPECIAL TOUR OF THE ORIENT FOR THE FOREIGN AFFAIRS COMMITTEE LAST YEAR. NO ACTION HAS BEEN TAKEN BY THE COMMITTEE ON HIS REPORT.

MCGOVERN SAID THE HALF-BILLION DOLLAR SUM HE PROPOSED SHOULD MAKE JAPAN SELF-SUPPORTING BY 1951 OR 1952. HE PROPOSED YEARLY APPROPRIATIONS RATHER THAN A LUMP SUM GRANT.

HE DECLARED, HOWEVER, THAT NO LONG TERM SOLUTION OF JAPAN'S ECONOMIC PROBLEM IS POSSIBLE IF KOREA AND CHINA, INCLUDING MANCHURIA, "ARE IN A CONDITION OF CHAOS AND ANARCHY OR IF THEY ARE DOMINATED BY INIMICAL COMMUNIST REGIMES."

OF CHINA, HE SAID:

"POLITICALLY AND ECONOMICALLY SHE IS IN A DESPERATE SITUATION, SO DESPERATE THAT THE CENTRAL GOVERNMENT MAY WELL COLLAPSE WITHIN A YEAR."

IF THAT HAPPENS, MCGOVERN SAID, AND, MORE ESPECIALLY, IF THE COMMUNISTS SUCCEED IN GAINING CONTROL OVER CHINA, IT WILL BE A MAJOR BLOW TO AMERICAN NATIONAL POLICY AND EVEN TO AMERICAN SECURITY.

"IF CHINA FALLS INTO COMMUNIST HANDS IN ALL PROBABILITY THE REST OF THE FAR EAST WILL ALSO BE ENGULFED BY COMMUNIST FORCES AND THE EFFECT OF OUR VICTORY IN THE PACIFIC WAR WILL BE COMPLETELY NULLIFIED."

MCGOVERN SAID THE RUSSIANS HAVE BEEN SUPPLYING THE CHINESE COMMUNISTS WITH ARMS AND AMMUNITION FOR TWO YEARS. AND HE ADDED THAT ANY AMERICAN HELP SHOULD START WITH THE SALE OR GIFT OF SURPLUS MILITARY EQUIPMENT.

HE ESTIMATED THAT CHINA WILL NEED FROM $500,000,000 TO $600,000,000 OVER A THREE OR FOUR YEAR PERIOD. PRESIDENT TRUMAN ALREADY HAS PROPOSED A $570,000,000 PROGRAM OF ECONOMIC AID FOR CHINA DURING THE NEXT 15 MONTHS.

WASHINGTON, MARCH 1-(AP)-THE STATE DEPARTMENT SAYS IT IS NOT "IN ANY SENSE SLIGHTING" LONG-RANGE PROBLEMS OF AMERICAN AGRICULTURE IN MAPPING EUROPEAN RECOVERY.

AT THE SAME TIME, THE MARSHALL PLAN CONTEMPLATES INCREASED FOOD PRODUCTION ABROAD DURING THE WORLD FOOD SHORTAGE, CHARLES E. BOHLEN, COUNSELOR TO SECRETARY OF STATE MARSHALL, WROTE SENATOR YOUNG (R-ND).

YOUNG IN A PREVIOUS LETTER TO MARSHALL SAID A PROSPEROUS AMERICAN AGRICULTURE COULD BE MAINTAINED ONLY BY RETAINING "LARGE OUTLETS IN EUROPE."

THE SENATOR SAID WHEAT MIGHT BE SELLING FOR $1 A BUSHEL TODAY IF IT WASN'T FOR FOREIGN RELIEF PROGRAMS.

WHEAT PRODUCTION IN THIS COUNTRY, HE ADDED, IS AT A LEVEL OF ABOUT 500,000,000 BUSHELS ANNUALLY ABOVE THE DOMESTIC NEEDS.

YOUNG SAID "MANY MEMBERS OF CONGRESS AND OTHERS HIGH IN GOVERNMENT POSITIONS" APPARENTLY ARE STRIVING TO MAKE EUROPE SELF-SUFFICIENT IN FOOD.

HE EXPRESSED CONCERN WHETHER FUTURE EXPORT MARKETS WOULD BE AVAILABLE TO TAKE UP AMERICAN CROP SURPLUSES.

BOHLEN, IN HIS REPLY TO THE SENATOR STATED:

"THERE SEEMS TO BE LITTLE DOUBT, AT LEAST DURING THE CURRENT PERIOD OF EXTREME WORLD SCARCITY OF FOOD, THAT EUROPE, AS WELL AS OTHER COUNTRIES, MUST INCREASE ITS OUTPUT TO PROVIDE FOR ESSENTIAL FOOD NEEDS.

"IN THE DEVELOPMENT OF THE EUROPEAN RECOVERY PROGRAM IT SEEMED TO BE NECESSARY TO ENCOURAGE THIS TREND FOR THE FOUR-YEAR PERIOD.

"MANY OF THOSE IN THE UNITED STATES BEST ABLE TO JUDGE FEEL THAT THE ACREAGE NOW DEVOTED TO WHEAT IN THE UNITED STATES MUST TAPER OFF IN THE INTERESTS OF SOIL CONSERVATION AND CONSEQUENTLY THE EUROPEAN RECOVERY PROGRAM CONTEMPLATES THIS SITUATION.

"OBVIOUSLY, A BALANCE MUST BE ESTABLISHED EVENTUALLY IN WHICH EUROPE WILL UTILIZE ITS RESOURCES TO PRODUCE THE MAXIMUM OF LIVESTOCK PRODUCTS ALONG WITH SOME QUANTITIES OF GRAIN.

"CHEAPER WHEAT FROM THIS COUNTRY AND FROM OTHER OVERSEAS SOURCES SHOULD FINALLY BE A MAJOR SOURCE OF THE BREAD GRAIN SUPPLY."

AT THE SAME TIME, BOHLEN SAID THE STATE, COMMERCE AND AGRICULTURE DEPARTMENTS ARE INTERESTED IN IMPROVING OPPORTUNITIES FOR SELLING AMERICAN PRODUCTS ABROAD.

BOHLEN SAID IN THE RECENT TARIFF TRADE AGREEMENTS THE UNITED STATES "OBTAINED TARIFF CONCESSIONS FROM OTHER COUNTRIES ON OVER 500 AGRICULTURAL PRODUCTS, INCLUDING CONCESSIONS ON WHEAT, FLOUR BARLEY, CORN AND MEATS."

WASHINGTON, MARCH 1-(AP)-THE GOVERNMENT TODAY CLAMPED NEW CONTROLS ON AMERICAN GOODS SHIPPED TO EUROPE.

OFFICIALS SAID THIS WILL HELP CARRY OUT AMERICAN FOREIGN POLICY OF AIDING WESTERN EUROPE BECAUSE:

1. IT WILL MEAN LESS GOODS SHIPPED TO EASTERN EUROPEAN COUNTRIES DOMINATED BY RUSSIA.

2. IT WILL MEAN MORE GOODS SHIPPED TO THOSE WESTERN EUROPEAN COUNTRIES STILL OUTSIDE RUSSIA'S GRIP.

SOME EXPORTERS HAVE PROTESTED THAT THE NEW CONTROLS WILL WIPE OUT "THE SMALLER, INDEPENDENT BUSINESS MAN IN THE EXPORT TRADE."

BUT DAVID BRUCE, ASSISTANT SECRETARY OF COMMERCE, SAID THEY ARE "JUSTIFIED BY THE CURRENT POLITICAL REALITIES OF THE PRESENT WORLD."

THE CONTROLS WILL BE HANDLED BY THE COMMERCE DEPARTMENT'S OFFICE OF FOREIGN TRADE. THEY'LL DO THIS:

1. REQUIRE LICENSES FOR ALL GOODS, OVER $100 IN VALUE, SHIPPED TO EUROPE.

2. PUT LICENSES FOR SHIPMENT OF SCARCE GOODS ON A COMPETITIVE PRICE BASIS.

LICENSES WILL BE REFUSED EXPORTERS WHOSE PRICES ARE TOO HIGH ON SUCH GOODS.

BRUCE SAID THE CONTROLS WILL HELP WESTERN EUROPEAN COUNTRIES "SPEND THEIR DOLLARS FOR THE GOODS THAT WILL BEST PROMOTE THEIR RECOVERY."

HE SAID THERE IS NO INTENTION OF SHUTTING OFF "ALL SHIPMENTS" TO COUNTRIES IN THE RUSSIAN SPHERE.

LAST YEAR RUSSIA GOT $150,000,000 WORTH OF GOODS FROM THE UNITED STATES, MOSTLY MACHINE TOOLS AND OTHER EQUIPMENT FOR INDUSTRY.

THIS COUNTRY SHIPPED $4,840,100,000 WORTH OF GOODS DURING 1947, TO THE 16 WESTERN EUROPEAN COUNTRIES OUTSIDE THE SOVIET ORBIT.

RECIPROCAL TRADE TEXT

(ADVANCE) WASHINGTON MARCH 1-(AP)-PRESIDENT TRUMAN'S MESSAGE ASKING CONGRESS FOR A THREE-YEAR EXTENSION OF THE RECIPROCAL TRADE ACT FOLLOWS: (ABOUT 1300)

MAR 1 1948

TO THE CONGRESS OF THE UNITED STATES:
I RECOMMEND THAT THE CONGRESS EXTEND THE RECIPROCAL TRADE AGREEMENTS ACT IN ITS PRESENT FORM FOR THREE YEARS, UNTIL JUNE 12, 1951. THIS ACT AUTHORIZES THE PRESIDENT, UNDER WELL-DEFINED PROCEDURES AND LIMITATIONS, TO CONCLUDE AGREEMENTS WITH OTHER COUNTRIES FOR THE RECIPROCAL REDUCTION OF TARIFFS AND OTHER OBSTACLES TO INTERNATIONAL TRADE.
FOR FOURTEEN YEARS THE RECIPROCAL TRADE AGREEMENTS ACT HAS BEEN AN ESSENTIAL ELEMENT OF UNITED STATES FOREIGN POLICY. IT WAS FIRST ENACTED IN 1934, AND HAS BEEN EXTENDED BY THE CONGRESS FOUR TIMES, ON EACH OCCASION AFTER THOROUGH STUDY OF ITS OPERATION AND RESULTS. IT IS WELL KNOWN TO THE AMERICAN PEOPLE AND HAS DRAWN THEIR CONSTANT AND INCREASING SUPPORT, REGARDLESS OF PARTY AFFILIATION.
THE BASIC REASON FOR THIS CONSTANT POPULAR SUPPORT AND REPEATED CONGRESSIONAL APPROVAL IS THAT THE ACT HAS PROVIDED A SOUND METHOD FOR INCREASING WORLD TRADE THROUGH PROGRESSIVE LOWERING OF TRADE BARRIERS, TO THE BENEFIT OF LIVING STANDARDS BOTH HERE AND ABROAD.
THE IMPORTANCE OF THE ACT IS GREATER TODAY THAN IT HAS EVER BEEN. TOGETHER WITH OTHER NATIONS WE ARE ENGAGED IN A MIGHTY ENDEAVOR TO BUILD A PROSPEROUS AND PEACEFUL WORLD. THE FINANCIAL ASSISTANCE WE HAVE ALREADY CONTRIBUTED, AND THE FURTHER AID WE SHALL GIVE TO NATIONS IN EUROPE AND ELSEWHERE, CONSTITUTE A TREMENDOUS INVESTMENT TOWARD

30.24-15949

WORLD ECONOMIC RECOVERY. THE RECIPROCAL TRADE AGREEMENTS ACT, BY STIMULATING AN INCREASING FLOW OF TRADE BETWEEN NATIONS, WILL CONTRIBUTE STRONGLY TO THE ACHIEVEMENT OF THIS OBJECTIVE. ITS EXTENSION IS ESSENTIAL IF WE ARE TO COMPLETE THE WORK WE HAVE BEGUN.

THE TRADE-AGREEMENTS PROGRAM CONTRIBUTES NOT ONLY TO THE RESTORATION OF A PROSPEROUS WORLD ECONOMY; IT ALSO CONTRIBUTES DIRECTLY TO THE WELFARE AND PROSPERITY OF THE PEOPLE OF THE UNITED STATES. OUR PEOPLE NEED TO IMPORT MANY COMMODITIES FROM ABROAD; WE NEED EQUALLY TO EXPORT MANY OF OUR PRODUCTS. BOTH NEEDS ARE SERVED BY AGREEMENTS WHICH REDUCE OR ELIMINATE OBSTACLES TO COMMERCE BETWEEN THE UNITED STATES AND OTHER COUNTRIES.

MAR 1948

B54WX

THESE AGREEMENTS RECOGNIZE THE FUNDAMENTAL FACT THAT TRADE IS A TWO-WAY BUSINESS, AND THAT OUR FOREIGN COMMERCE DEPENDS UPON A BALANCED RELATIONSHIP BETWEEN IMPORTS AND EXPORTS. FOREIGN COUNTRIES MUST BE ABLE TO SELL TO US IF THEY ARE TO HAVE THE DOLLARS TO PAY FOR OUR EXPORTS AND TO REPAY OUR LOANS. ADEQUATE MARKETS FOR OUR AGRICULTURAL AND INDUSTRIAL PRODUCERS DEPEND UPON THE LOWERING OF TRADE BARRIERS BY OTHER COUNTRIES. IMPORTS OF GOODS NEEDED IN THIS COUNTRY IMPROVE THE STANDARD OF LIVING OF OUR PEOPLE AS CONSUMERS AT THE SAME TIME THAT THEY MAKE POSSIBLE THE MAINTENANCE OF MARKETS FOR OUR PEOPLE AS PRODUCERS.

CURRENTLY, WE ARE EXPORTING FAR MORE THAN WE ARE IMPORTING. BUT THIS IS A TEMPORARY CONDITION MADE NECESSARY BY CONSIDERATIONS OF OVERRIDING IMPORTANCE. THE TRADE-AGREEMENTS PROGRAM IS A SOUND METHOD FOR ACHIEVING A MORE BALANCED RELATIONSHIP IN THE FUTURE WITHIN THE BROADER FRAMEWORK OF THE EXPANDING WORLD TRADE SO NECESSARY TO ECONOMIC RECONSTRUCTION.

IN ADDITION, BY CONTRIBUTING TO THE LOWERING OF TRADE BARRIERS THE UNITED STATES CAN SUPPORT THE EXPANSION OF PRIVATE TRADING AS DISTINCT FROM GOVERNMENT TRADING. THE EXISTENCE OF TRADE RESTRICTIONS IS TOO OFTEN ACCOMPANIED BY GOVERNMENT PARTICIPATION IN TRADING OPERATIONS--EXTENDING EVEN TO TRADING BY GOVERNMENT AGENCIES. THE PRESERVATION OF OUR PRIVATE ENTERPRISE SYSTEM AT HOME IS CLOSELY BOUND UP WITH THE REDUCTION OF TRADE RESTRICTIONS AND THE ENCOURAGEMENT OF PRIVATE INTERNATIONAL TRADE.

THE RECIPROCAL TRADE AGREEMENTS ACT IS A PROVEN INSTRUMENT FOR ACHIEVING THESE OBJECTIVES. PRIOR TO 1945 THE UNITED STATES HAD CONCLUDED AGREEMENTS WITH 29 COUNTRIES, AFFECTING ABOUT ONE-HALF OF OUR FOREIGN COMMERCE. THESE AGREEMENTS HELPED GREATLY TO REDUCE TRADE BARRIERS AND TO STIMULATE THE FOREIGN COMMERCE OF THE UNITED STATES AND THE OTHER COUNTRIES CONCERNED.

SINCE 1945 WE HAVE CONTINUED OUR EFFORTS TO REDUCE THE STRAINS IMPOSED UPON THE WORLD ECONOMY BY NARROW CONCEPTS OF ECONOMIC NATIONALISM. LAST SUMMER AT GENEVA THE UNITED STATES AND TWENTY-TWO OTHER COUNTRIES CONCLUDED THE MOST IMPORTANT AND COMPREHENSIVE TRADE AGREEMENT IN HISTORY. BY THIS AGREEMENT THESE TWENTY-THREE NATIONS AGREED TO REDUCE THEIR TARIFFS, OR TO MAINTAIN LOW TARIFFS OR NONE AT ALL, ON A WIDE VARIETY OF PRODUCTS. THE PRODUCTS AFFECTED ACCOUNTED IN 1938 FOR OVER HALF THE WORLD'S INTERNATIONAL TRADE. IN ADDITION, THE GENEVA AGREEMENT INCLUDED COMMITMENTS TO CURB THE USE OF OTHER TRADE RESTRICTIONS, SUCH AS IMPORT QUOTAS AND PREFERENTIAL TREATMENT OF IMPORTS FROM ONE COUNTRY AS AGAINST THOSE FROM ANOTHER.

MAR 1948

B55WX

THIS AGREEMENT IS A LANDMARK IN INTERNATIONAL ECONOMIC RELATIONS. NEVER BEFORE HAVE SO MANY NATIONS COMBINED IN SUCH AN INTENSIVE EFFORT TO REDUCE BARRIERS TO TRADE. WHILE IT WILL BE SOME TIME BEFORE THE BENEFITS OF THE AGREEMENT CAN BE FULLY FELT, IT IS CLEAR THAT IT WILL MAKE A SUBSTANTIAL CONTRIBUTIONNTO THE EXPANSION OF WORLD TRADE AND TO THE RECOVERY OF THE WORLD ECONOMY.

WE EXPECT THAT MANY OTHER COUNTRIES WILL WISH TO JOIN THE GENEVA AGREEMENT. THE CONTINUANCE OF THE RECIPROCAL TRADE AGREEMENTS ACT IS NECESSARY TO ENABLE THE UNITED STATES TO PLAY ITS PART IN EXTENDING THIS REDUCTION OF TRADE BARRIERS TO THESE OTHER COUNTRIES. FURTHERMORE, WE SHALL NEED THE AUTHORITY OF THE ACT TO MAKE APPROPRIATE REVISIONS IN THE GENEVA AGREEMENT AS THEY ARE MADE NECESSARY BY CHANGING WORLD CONDITIONS.

THE TRADE-AGREEMENTS AUTHORITY WILL ALSO BE NEEDED TO ENABLE US, IN CONCERT WITH OTHER NATIONS, TO CARRY OUT THE INTERNATIONAL TRADE ORGANIZATION CHARTER, NOW BEING COMPLETED AT HAVANA. THE UNITED STATES HAS ACTIVELY SPONSORED THE CREATION OF THIS ORGANIZATION TO ENCOURAGE THE CONDUCT OF TRADE BETWEEN NATIONS ON FAIR AND LIBERAL PRINCIPLES AND TO PROVIDE A FORUM WHERE NATIONS CAN CONSULT ON POINTS OF ECONOMIC DIFFERENCE AND ON COOPERATIVE MEASURES TO SOLVE COMMON ECONOMIC PROBLEMS. THE PROPOSED CHARTER, WHICH WILL BE PRESENTED TO THE CONGRESS AT A LATER DATE, INCLUDES AS ONE OF ITS CARDINAL POINTS THE UNDERTAKING THAT ALL MEMBER COUNTRIES WILL STAND READY TO NEGOTIATE FOR THE REDUCTION OF TARIFFS AND OTHER TRADE BARRIERS ON A RECIPROCAL AND MUTUALLY ADVANTAGEOUS BASIS. THE EXTENSION OF THE RECIPROCAL TRADE AGREEMENTS ACT WILL ENABLE US TO CARRY OUT THIS UNDERTAKING.

FOR ALL THESE REASONS I AM CONVINCED THAT WE SHOULD CONTINUE THE RECIPROCAL TRADE AGREEMENTS ACT. THE POSITIVE BENEFITS TO WORLD TRADE, TO UNITED STATES EXPORT INDUSTRIES AND AGRICULTURE AND TO OUR DOMESTIC CONSUMERS ARE BEYOND QUESTION. FURTHERMORE, WE NEED HAVE NO FEAR OF SERIOUS HARM TO ANY DOMESTIC PRODUCER. AN EXPANDING FOREIGN TRADE PROMOTES THE MOST EFFICIENT USE OF OUR PRODUCTIVE RESOURCES AND CONTRIBUTES TO THE GROWING PROSPERITY OF THE WHOLE NATION.

B56WX

IN ADDITION, THE INTERESTS OF DOMESTIC PRODUCERS ARE CAREFULLY PROTECTED IN THE NEGOTIATION OF EACH TRADE AGREEMENT. I ASSURED THE CONGRESS, WHEN THE RECIPROCAL TRADE AGREEMENTS ACT WAS LAST EXTENDED IN 1945, THAT DOMESTIC PRODUCERS WOULD BE SAFEGUARDED IN THE PROCESS OF EXPANDING TRADE. THAT COMMITMENT HAS BEEN KEPT. IT WILL CONTINUE

TO BE KEPT. THE PRACTICE WILL BE CONTINUED OF HOLDING EXTENSIVE PUBLIC HEARINGS TO OBTAIN THE VIEW OF ALL INTERESTED PERSONS BEFORE NEGOTIATIONS ARE EVEN BEGUN. THE PRACTICE WILL BE CONTINUED WHEREBY EACH AGREEMENT BEFORE ITS CONCLUSION WILL BE CAREFULLY STUDIED BY THE DEPARTMENT OF STATE, TREASURY, AGRICULTURE, COMMERCE AND LABOR, THE NATIONAL MILITARY ESTABLISHMENT, AND THE UNITED STATES TARIFF COMMISSION. FINALLY, EACH AGREEMENT WILL CONTINUE TO INCLUDE A CLAUSE WHICH WILL PERMIT WITHDRAWAL OR MODIFICATION OF CONCESSIONS IF, AS A RESULT OF UNFORESEEN DEVELOPMENTS AND OF THE CONCESSIONS, IMPORTS INCREASE TO SUCH AN EXTENT AS TO CAUSE OR THREATEN SERIOUS INJURY TO DOMESTIC PRODUCERS.

THE RECIPROCAL TRADE AGREEMENTS ACT IS A TESTED AND PRACTICAL MEANS, WHICH HAS WIDE BI-PARTISAN SUPPORT, FOR ACHIEVING THE BENEFITS OF EXPANDING WORLD COMMERCE FOR THE UNITED STATES AND FOR OTHER COUNTRIES. IT IS A CONTINUING EVIDENCE OF THE DETERMINATION OF THE UNITED STATES TO CONTRIBUTE ITS FULL SHARE TO THE RECONSTRUCTION OF A SOUND AND GROWING WORLD ECONOMY AS THE BASIS FOR ENDURING PEACE. AS SUCH, I STRONGLY RECOMMEND THAT THE ACT BE EXTENDED FOR AN ADDITIONAL THREE YEARS.

LAKE SUCCESS, MARCH 1-(AP)-RUSSIA'A ANDREI A.GROMYKO ACCUSED THE UNITED STATES AND BRITAIN TODAY OF BLOCKING ANY EFFORTS TOWARD GLOBAL ARMS REDUCTION.

THE SOVIET DELEGATE MADE AN HOUR-LONG SPEECH BEFORE THE UNITED NATIONS COMMISSION ON CONVENTIONAL ARMAMENTS IN CLOSED SESSION. HE REJECTED IN ITS ENTIRETY A BRITISH RESOLUTION OUTLINING PRELIMINARY STEPS TOWARD ARMS REDUCTIONS BASED UPON DEVELOPMENT OF FULL INTERNATIONAL CONFIDENCE.

THE SOVIET DELEGATE SAID BRITAIN APPARENTLY HAS NO INTENTION OF TRYING TO BRING ABOUT ARMS REDUCTIONS AND THAT THE COMMISSION DELEGATES ARE "WASTING UNITED NATIONS PAPER AND MONEY."

HE SAID THE U.S. AND BRITAIN ALSO ARE OBSTRUCTING INTERNATIONAL CONTROL OF ATOMIC ENERGY AND THE CREATION OF A U.N. GLOBAL POLICE FORCE. HE SAID THERE IS LITTLE PROSPECT OF SETTING UP THIS INTERNATIONAL ARMY AS LONG AS "SOME DELEGATES ADOPT ATTITUDES NOT IN KEEPING WITH THE U.N. CHARTER."

THE APPEAL WAS MADE YESTERDAY BY THE RIGHT REV.HENRY KNOX SHERRILL, PRESIDING BISHOP OF THE CHURCH, IN A NATIONWIDE BROADCAST TO PARISHES AND MISSIONS OF THE DENOMINATION.

NEW YORK, MARCH 1-(AP)-THE RT.REV.HENRY KNOX SHERRILL, PRESIDING BISHOP OF THE PROTESTANT EPISCOPAL CHURCH, MADE A RADIO APPEAL YESTERDAY IN SEEKING TO RAISE $1,000,000 IN ONE DAY FOR HIS WORLD RELIEF FUND.

BISHOP SHERRILL DELIVERED A SERMON OVER 600 RADIO STATIONS TO PARISHES AND MISSIONS OF HIS CHURCH.

THE MUTUAL BROADCASTING SYSTEM BROADCAST THE SERMON, WITH TANSCRIPTIONS USED FOR CONGREGATIONS IN THE CENTRAL, MOUNTAIN AND PACIFIC TIME ZONES.

"TODAY, EVEN THE MOST HARD-HEADED REALISTS ARE THINKING IN TERMS OF A WORLD CRISIS AND OF WORLD NEEDS," BISHOP SHERRILL SAID. "THERE IS SUCH A GULF BETWEEN CONDITIONS AT HOME AND IN THESE (FOREIGN) COUNTRIES THAT IT IS DIFFICULT FOR US TO REALIZE THE ACTUALITY OF WHAT IS HAPPENING. X X X

"MAN CANNOT LIVE WITHOUT BREAD, BUT NEITHER CAN HE LIVE BY BREAD ALONE. X X X THE INESCAPABLE LESSON OF THE PAST 40 YEARS IS THAT THE WORLD'S PROBLEM IS SPIRITUAL. UNTIL MEN HAVE COME TO REALIZE THAT GOD REIGNS, ALL OUR EFFORTS, ECONOMIC AND POLITICAL AND CULTURAL, ARE DOOMED TO FAILURE.

"WE HEARTILY APPROVE THE PROGRAM OF GOVERNMENT AND OF PRIVATE RELIEF AGENCIES, BUT IT IS ALSO ESSENTIAL THT GIFT SHOULD GO TO CHRISTIANS OF OTHER LANDS, NO IN THE NAME OF ANY NATION OR OF ANY ORGANIZATION, BUT IN THE NAME OF CHRIST, AS A WITNESS TO THE UNIVERSAL FELLOWSHIP WITHIN THE CHURCH."

NEW YORK, MARCH 1-(AP)-THE UNITED STATES MUST ARM STRONGLY RATHER THAN "REST OUR NATIONAL SECURITY IN THE UNITED NATIONS" UNDER PRESENT CONDITIONS, SAYS GEN.JOSEPH T.MCNARNEY.

"WHEN THE UNITED NATIONS WAS ORGANIZED," HE SAID IN A SPEECH LAST NIGHT, "IT WAS THOUGHT THAT THERE WOULD BE NO QUESTION THAT COULD NOT BE PEACEFULLY DISCUSSED AND UPON WHICH GENERAL AGREEMENTS UNDER LAW COULD NOT BE REACHED. THAT THIS HAS NOT PROVED TO BE THE CASE HAS BEEN ONE OF THE BITTER DISAPPOINTMENTS OF OUR TIME."

GENERAL OF AMERICAN OCCUPATION FORCES IN EUROPE, SPOKE AT A DINNER CELEBRATING THE 53RD ANNIVERSARY OF THE JEWISH WAR VETERANS OF THE UNITED STATES.

SAYING "WE CANNOT AFFORD TO REST OUR NATIONAL SECURITY IN THE UNITEDINATIONS," HE DECLARED:

"UNDER CURRENT CONDITIONS, OUR ONLY ALTERNATIVE IS TO ARM THE UNITED STATES SO STRONGLY THAT AS A NATION WE CANNOT BE BLUFFED, TO ARM SO STRONGLY THAT OTHER NATIONS WILL HESITATE TO ATTACK US OR OUR VITAL NATIONAL INTERESTS, BECAUSE OF THE VIOLENCE OF THE COUNTER ATTACK THEY WOULD HAVE TO FACE."

THE UNITED STATES, HE SAID, "MUST WORK WITH PATIENCE AND FIRMNESS" TOWARD PLACING ITS SECURITY IN THE UNITED NATIONS, "BUT IN THE INTERIM, WORLD PEACE AND OUR OWN NATIONAL SECURITY ARE IN OUR HANDS."

FORMER SECRETARY OF WAR ROBERT P.PATTERSON TOLD THE GATHERING THAT THE COMMUNIST COUP IN CZECHOSLOVAKIA MAKES IT NECESSARY FOR THE UNITED STATES TO SEND MORE ECONOMIC AID TO NON-COMMUNIST EUROPE QUICKLY AND TO ADOPT UNIVERSAL MILITARY TRAINING. "THIS IS NO TIME FOR THE PEOPLE OF THE UNITED STATES TO HESITATE," HE DECLARED.

BRIG.GEN.JULIUS KLEIN, JWV NATIONAL COMMANDER, SAID WAR VETERANS "ARE SHOCKED AND BEWILDERED TO OBSERVE THAT ON THE DAY AFTER THE ELIMINATION OF CZECHOSLOVAKIA AS AN INDEPENDENT REPUBLIC, THE ISSUE OF UNIVERSAL MILITARY TRAINING IN OUR COUNTRY STILL IS BEING TREATED AS A POLITICAL PING PONG BALL."

NEWSPAPERS IN THE FRENCH ZONE OF GERMANY HAVE ONLY LIMITED FREEDOM, SAID POST, WHO IS CORRESPONDENT FOR THE LONDON ECONOMIST.

HE DID NOT ELABORATE ON WHAT THE NEWS RESTRICTIONS ARE IN THE U.S.AND BRITISH ZONES BUT SAID HE FEELS THEY ARE NECESSARY SO LONG AS THE ZONAL ADMINISTRATION CONTINUES.

NEW YORK, MARCH 1-(AP) PALESTINE IS ONE OF THE GREATEST PROBLEMS CONFRONTING THE UNITED STATES, SAYS JAMES A.FARLEY, AND "MEN IN RESPONSIBLE POSITION MUST FACE IT."

THE NATION "CANNOT AND SHOULD NOT DODGE" THE PALESTINE QUESTION, THE FORMER DEMOCRATIC NATIONAL CHAIRMAN SAID YESTERDAY IN AN ADDRESS AT A COMMUNION-CONSECRATION BREAKFAST OF THE METROPOLITAN DISTRICT, GRAND LODGE OF MASONS.

"THE UNITED NATIONS," HE SAID, "ALREADY HAS TAKEN A POSITION, BUT IT HAS GONE ONLY HALF WAY. IF THE U.N. RETRACES ITS STEPS AND FAILS TO CARRY OUT ITS ORIGINAL RESOLUTION, THAT ORGANIZATION WILL BREAK DOWN, AND GOD KNOWS WHAT WILL HAPPEN THEN. THAT ORGANIZATION IS OUR ONLY HOPE FOR PEACE IN THE WORLD.

"I THINK THE MEN IN RESPONSIBILITY IN WASHINGTON WILL MEET THIS CHALLENGE WITHOUT TOO LONG A DELAY. THE SOONER THOSE CHARGED WITH THAT RESPONSIBILITY DO THE RIGHT THING, THE BETTER IT WILL BE FOR THE WORLD."

FARLEY SAID THE UNITED STATES MUST GIVE AID TO EUROPE TO "PREVENT RUSSIA FROM RIDING ROUGHSHOD ALL OVER EUROPE."

SAYING HE HOPED CONGRESS WILL PASS THE MARSHALL PLAN BY MARCH 15, THE DEADLINE URGED BY ITS SPONSORS, FARLEY DECLARED:

"WE MAY DIFFER AS TO THE EXTENT AND THE METHOD, BUT IF WE GIVE THAT AID TO EUROPE WE WILL SAVE THE SITUATION IN EUROPE AND SAVE OURSELVES FROM ANOTHER WAR."

MAR 1948

IN AN INTERVIEW AT UNION COLLEGE KERENSKY DECLARED THE COMMUNIST COUP IN CZECHOSLOVAKIA WAS "NO SURPRISE" TO HIM.

"COMMUNISTS IN CZECHOSLOVAKIA WERE WELL ORGANIZED LONG BEFORE THE FIRST WORLD WAR," HE SAID. "THE MOVEMENT IS NOT A PECULIAR MOVEMENT OF THE RUSSIAN PEOPLE. ITS ROOTS ARE PROFOUND IN ALL EUROPEAN COUNTRIES!

COMMUNISM THRIVES ON THE EXTREME POVERTY AND MISERY IN THE COUNTRIES OUTSIDE RUSSIA, HE SAID, ADDING:

"THE MASSES IN RUSSIA NOW ARE MUCH LESS UNDER THE HYPNOSIS OF COMMUNISM. IF FREE ELECTIONS WERE HELD IN RUSSAI TOMORROW THE PEOPLE WOULD VOTE OUT THE COMMUNISTS IMMEDIATELY."

KERENSKY WAS AT THE COLLEGE FOR A SERIES OF LECTURES TODAY AND TOMORROW. HE FLED RUSSIA IN 1918 AND CAME TO THE UNITED STATES WHEN FRANCE FELL TO THE GERMANS IN WORLD WAR TWO.

NIGHT LEAD TRUMAN

BY ERNEST B. VACCARO.

KEY WEST, FLA., MARCH 1-(AP)-PRESIDENT TRUMAN SOUGHT TODAY TO PLACE THE BLAME FOR DELAYS ON VITAL LEGISLATION ON PRESIDENTIAL CANDIDATES IN AND OUT OF THE SENATE.

HE DIDN'T MENTION ANY OF THE CANDIDATES, OR THE REPUBLICAN PARTY, IN A BRISK NEWS CONFERENCE WITH SPORTS-CLAD REPORTERS ON THE PALM-SHADED YARD OF HIS VACATION "WHITE HOUSE."

"THE PRESIDENTIAL YEAR," HE SAID, GIVING PERMISSION TO QUOTE HIM DIRECTLY, "IS HAVING A VERY BAD EFFECT ON ALL APPROACHES TO THE SETTLEMENT OF THE DIFFICULTIES WITH WHICH WE ARE FACED""BOTH FOREIGN AND DOMESTIC."

THE PRESIDENT, HIS FACE GRAVE WHEN THE REPORTERS BROUGHT UP THE QUESTIONS, SIDESTEPPED ANY DISCUSSION OF SOVIET PRESSURE ON CZECHOSLOVAKIA AND FINLAND AND THE CONTINUING CRISIS IN PALESTINE.

HE SAID HE HAD BEEN IN TOUCH WITH SECRETARY OF STATE MARSHALL EVERY DAY WHILE HERE THROUGH A STRAIGHT LINE INTO THE STATE DEPARTMENT, ALTHOUGH HE HASN'T TALKED PERSONALLY WITH HIM EVERY DAY.

"DO YOU THINK THE TIME HAS COME TO FORM A MILITARY ALLIANCE IN WESTERN EUROPE?" A REPORTER INQUIRED.

SPEAKING SLOWLY, THE PRESIDENT SAID HE COULD NOT COMMENT ON THAT AT THIS TIME.

"ARE THERE ANY CIRCUMSTANCES UNDER WHICH UNITED STATES TROOPS MIGHT GO TO PALESTINE?" ANOTHER INQUIRED.

MR. TRUMAN TERSELY REPLIED HE COULD NOT ANSWER THAT QUESTION.

MR. TRUMAN SAID HE WAS NOT QUARRELLING WITH THOSE WHOSE 1948 POLITICAL ASPIRATIONS WERE BLOCKING SETTLEMENT OF FOREIGN PROBLEMS AND DOMESTIC ISSUES LIKE THE HOUSING PROGRAM.

IT IS UNDERSTANDABLE, HE SAID, WITH SO MANY CANDIDATES IN AND OUT OF THE SENATE. HE COULDN'T BLAME THEM, IT WAS NATURALLY IN A CAMPAIGN YEAR, BUT THE FOREIGN SITUATION AND THE NEED FOR HOUSING REQUIRE A BI-PARTISAN APPROACH.

THE PRESIDENT WAS IN A CONCILIATORY MOOD INSOFAR AS THE SOUTHERN THREATS OF A REVOLT WITHIN HIS OWN PARTY WERE CONCERNED. HE WOULDN'T TALK ABOUT ANYTHING BUT VIRGINIA GOVERNOR W.M. TUCK'S PROPOSAL FOR A LAW BARRING HIS NAME FROM THE NOVEMBER BALLOT IN THAT STATE.

UNDER THE SUGGESTED LAW, VIRGINIA'S ELECTORS WOULD BE FREE TO VOTE FOR MR. TRUMAN OR ANY ONE ELSE FOR PRESIDENT. THE PROPOSAL CAME AS THE AFTERMATH OF SOUTHERN PROTESTS AGAINST MR. TRUMAN'S CIVIL RIGHTS RECOMMENDATIONS, INCLUDING AN ANTI-LYNCHING LAW, POLL TAX REPEAL AND NON-SEGREGATION ON INTERSTATE CARRIERS.

A184MH

EVERY STATE, THE PRESIDENT SAID OF TUCK'S ACTION, HAS THE RIGHT TO DECIDE HOW TO CARRY ON ELECTIONS PROVIDED THEY GIVE EVERYBODY THE RIGHT TO EXPRESS HIS OPINION AT THE POLLS. HE SAID PRESIDENTIAL ELECTORS FORMERLY WERE FREE AGENTS.

HE ADDED HE THOUGHT THE VIRGINIANS WERE TRYING TO RESTORE THE OLD CONSTITUTIONAL APPROACH WHICH DIDN'T WORK SO WELL BEFORE.

MR. TRUMAN SAID HE HADN'T RECEIVED A REPORT YESTERDAY ON THE INQUIRY HE DIRECTED INTO STEEL INCREASES.

HE SAID HIS TEN-POINT ANTI-INFLATION PROGRAM STILL IS NECESSARY AND THAT THE STEEL PRICE INCREASE WAS A STRONG ARGUMENT IN FAVOR OF STANDBY PRICE CONTROL AUTHORITY.

AS FOR HIS OWN CANDIDACY, HE HAS BEEN "TOO DARN BUSY" WITH FOREIGN AND DOMESTIC AFFAIRS TO THINK ABOUT IT. HE SAID HE WOULD MAKE HIS OWN DECISION WHEN AND IF THE DEMOCRATIC CONVENTION NOMINATES HIM.

WITH TRUMAN

KEY WEST, FLA., MARCH 1-(AP)-PRESIDENT TRUMAN SAID TODAY THE STEEL PRICE INCREASE WAS A GOOD ARGUMENT IN FAVOR OF HIS ANTI-INFLATION PROPOSALS TO CONGRESS.

MR. TRUMAN TOLD A NEWS CONFERENCE HE HAD NO NEW REPORT ON THE INQUIRY HE ORDERED THE JUSTICE DEPARTMENT, THE COUNCIL O ECONOMIC ADVISORS AND THE COMMERCE DEPARTMENT TO CONDUCT.

BRITAIN HOPEFUL OF WESTERN UNION 'WITHIN A YEAR'

A. SINGLETON

LONDON, March 2—(AP) Diplomatic authorities said today Britain has hopes that most of western Europe will join a British-French-Benelux union "within a year."

Officially, the British foreign office would say only that it hopes others among the 16 Marshall plan nations "will interest themselves soon in western union."

Privately, Whitehall sources say talk of such expanded cooperation in political, economic and military matters has gone beyond the speculative stage.

Parley Opens Tomorrow

Negotiations open at Brussels Thursday for the pact between Britain, France and the members of the Benelux customs union—Belgium, the Netherlands and Luxembourg.

It is expected to include pledges of mutual help against any aggressor. If so, it will go beyond the existing Anglo-French alliance against any rebirth of German military might.

The Brussels newspaper "Le Peuple" said:

"According to a particularly well informed person matters have advanced to a point where the western European pact will be signed before the fifteenth of this month." The paper is the official organ of Premier Paul-Henri Spaak's Belgian Socialist party.

Signing of the pact that quickly would complete the five-power talks before the expected opening of the second 16-nation Marshall plan conference in Paris.

Informants here said, however, there would be "careful differentiation" between the two meetings.

They pointed out that Norway, Denmark and Sweden, all traditionally neutral in the tugging and hauling between Russia and the west, will be represented at Paris. Hence, these informants said, there will be no effort to push western union at the Marshall plan conference.

Reports in Brussels say Communist moves in Czechoslovakia and Finland heightened Spaak's anxiety to bring the five-power union into being quickly.

Ever since the start of the Czech crisis he has urged creation of a western European agreement as "a bulwark against continued Russian expansionism."

British Offer Russians Compromise On Austria

London, March 2 (AP)—British observers said Britain made "a desperate attempt to bring Russia down to brass tacks" today in discussion of a peace settlement for Austria.

The British suggested to the deputy foreign ministers that Russia take claim to eleven Austrian oil fields, two refineries and two oil distributing companies as part settlement of Russian demands upon former German assets in Austria.

N. P. Koktimov, the Soviet delegate, may have to obtain instructions from Moscow before answering fully, an American observer said.

However, Koktimov called the proposal a "step backward."

Russia claims two thirds of Austria's oil production for 50 years; $200,000,000 in cash within two years, and control of the Danube Shipping Company.

Under the Soviet proposal, property taken over by Russia would be immune from Austrian nationalization. Samuel Reber, the American delegate, said the United States would reject any settlement which gave any Austrian industry "perpetual immunity from nationalization."

Attlee Urges Bloc Against Russia

A. SINGLETON

London, March 2 (AP)—Spurred by developments in Finland and Czechoslovakia, Britain, France and the low countries will open conversations in Brussels Thursday on formation of a "western union" in Europe.

Prime Minister Attlee, in a surprise announcement to the House of Commons last night, said the discussions will cover all aspects of such a union—economic, social, political and defense problems.

"There is this dangerous and chaotic state of affairs in Europe and there is fear that is due mainly to a spread of dictatorships being intensified by events of the last few days," the Prime Minister declared.

Feeling Of Urgency

His announcement apparently reflected a new feeling of urgency in London.

The feeling seemed to be sparked by a desire both for speeding economic recovery under the Marshall plan and for political unity in western Europe, especially in the light of the Communist victory in Czechoslovakia and the pressure on Finland.

Bevin's proposal called for a close alliance of Britain, France and the Benelux countries—Belgium, the Netherlands and Luxembourg—to form the nucleus for a larger, later grouping of western European nations. He termed it a means of combating "ruthless" efforts by Russia to dominate the Continent. MORE

Coup Linked To Socialist Aid

London, March 2 (AP)—Britain's ruling Labor party tonight blamed the Communist coup in Czechoslovakia on Socialists who play ball with the Communists.

A statement from the party's national executive committee said the Communist-imposed rule in Czechoslovakia was "a warning and lesson to democratic Socialists."

The nation's unity was "shattered in a week because the Communist minority in the Governme t, afraid of defeat in free elections, chose instead to impose a dictatorship," the statement said.

"No clearer demonstration could be possible that Communists consider as enemies all those who do not surrender unconditionally to their slightest whims."

Support From Minority

Then the statement added:

"But Czechoslovakia teaches us something more. Communists cannot achieve their aims without support from a minority within the camp of democratic socialism.

"As in Czechoslovakia, so in Hungary, Romania and Bulgaria, individual Socialists, by permitting or abetting Communist attacks on democracy, have connived at their own destruction."

The statement said that for the second time in ten years Czechoslovakia had "fallen victim to aggression from without aided by treachery from within. . . .

Compared To Spain

"Any attempt to achieve socialism by means which deny democracy and human rights, particularly by the operation of an all-powerful secret police, must lead inevitably to a dictatorship, indistinguishable in its impact on the common man from fascism, as it existed in Italy and in Germany, and as its still exists in Spain.

"Czechoslovakia is an acid test of sincerity. Those who seek to condone this crime show that they are false to the principle of democratic socialism for which the Labor party stands."

BRITISH TO SHIP STEEL TO RUSSIA

London, March 2 (A. P.).—A Board of Trade spokesman said today that the first cargo of British steel for Russia under the Anglo-Soviet trade pact was loaded over the week end and is scheduled to sail early this week from Bristol.

The cargo of 1,500 tons of light rails is being carried in the Russian cargo ship Selenga.

Earlier the Communist Daily Worker reported that the first two Russian ships to bring grain to Britain departed without scheduled cargoes of steel.

The board of trade spokesman said the Anglo-Soviet trade agreement left to the Russians all arrangements for shipping goods bought in Britain and "if the Russian ships left without these cargoes presumably it was because that was what was intended."

Egypt Bars British Plea For Legislature in Sudan

LONDON, March 2 (AP).—The British Foreign Office said tonight that Egypt had rejected a British suggestion for creation of an Executive Council and Legislative Assembly in the Sudan.

The Egyptian Ambassador, Abdel Fattah Amir Pasha, saw Foreign Secretary Ernest Bevin today. He expressed Egypt's disapproval of the scheme which Mr. Bevin proposed to give the Sudanese a greater degree of self-government.

Anglo-Egyptian negotiations on revision of the 1936 treaty between the two countries broke down last year over the question of the Sudan. Egypt contends the rich upper Nile territory, now administered by Egypt jointly with Great Britain, should come wholly under Egyptian sovereignty.

BRITAIN TO TAKE LAST OF U. S. LOAN

London, March 2 (A. P.).—An authoritative British source said today the last $100,000,000 of the $3,750,000,000 of the United States loan to Great Britain probably will be drawn in the next three or four days.

Britain will rely on a Canadian credit and the sterling area's gold and dollar reserves to tide her over until Marshall plan help comes.

Reserves are estimated now at £567,000,000 ($2,268,000,000). At the present rate of foreign trade, under which Britain is buying more than she is selling, these reserves would last only a few months.

Britain recently has drawn regularly on the loan at a rate of $100,000,000 a month. The last withdrawal was on February 6.

British Treasury To Get Fund From Korda Films

London, March 2 (AP)—Sir Alexander Korda today said he would turn over to the British Treasury $1,500,000 received from his American distributors on future earnings of three of his movies.

He said it was the largest single dollar payment ever received by a British company for its films in the United States.

The money, paid to Korda's London Film Productions by Twentieth Century-Fox, covers "An Ideal Husband," starring Paulette Goddard; "Anna Karenina," with Vivien Leigh and Sir Ralph Richardson, and "Mine Own Executioner," featuring Burgess Meredith.

Price Of Gold In Paris Firm In Heavy Trading

Paris, March 2 (AP)—The price of gold wavered today after yesterday's all-time high in Paris but closed firm again after another day of heavy trading.

The Swiss 20-franc gold piece even gained 100 francs over yesterday's closing to end at a new high of 4,200 (February 10, 3,900) while the French equivalent dropped only 75 francs to 4,325 still 25 above last month's high of February 10.

However, the 20-dollar goldpiece, which had gained disproportionately, closed at 20,800 (yesterday 22,000; February 10, 21,100) and the gold sovereign at 5,475 (yesterday 5,675; February 10, 5,600).

Trials Go On At Nuernberg; Taylor Stays

Nuernberg, Germany, March 2 (AP)—Gen. Lucius D. Clay's chief adviser on German war crimes said today the Nuernberg trials would be completed despite criticism.

Alvin Rockwell, chief of legal affairs in Berlin, said also that Brig. Gen. Telford Taylor would head the prosecution to the finish. Rockwell came here to inquire into recent criticism over the trials.

He said it was natural for some critics to say the trials have been entirely a prosecution show. He defended the impartiality of the hearings.

General Clay, the United States Military Governor in Germany, said in Berlin he is convinced that the "American principles of justice and fair play are being observed." He also expressed confidence in Taylor.

The trials of German officials of Krupp and I. G. Farbenindustrie and high German military commanders are expected to be finished by June 30. The last case, involving some of the Nazi ministries, is expected to continue into September.

Gen. Clay Defends Army's Press In Reich

Berlin, March 2 (AP)—Gen. Lucius D. Clay, American commander in Germany, today defended the Army newspaper, *Stars and Stripes*, against charges made by a United States congressman that it has printed "pro-Soviet, pro-Communist and anti-American material."

Asked to comment on these charges, made by Representative George A. Dondero (R., Mich.) in the House of Representatives, Clay said:

"I am a daily reader of the *Stars and Stripes* and I am very proud of it. I have not noticed any anti-American material in it."

Clay said he had not seen any reference by Dondero to specific articles and therfore could not comment further. He observed, however, that the Army newspaper received American news service reports, as do newspapers in the United States.

Ford Inspects Cologne Plant

COLOGNE, Germany, March 2 (AP)—Henry Ford 2d arrived this afternoon by automobile for a one-day inspection of the largely idle German Ford plant here, just three years after it was liberated by American troops. Mr. Ford arrived with his wife and aides from Amsterdam and will leave for Berlin tomorrow night.

on the Marshall plan.

Earlier, Giuseppe Saragat's Italian Socialist Workers' party announced at Rome that it would send a delegation to London. Mr. Saragat's party split off from the Socialists last year over the issue of collaboration with the Communists.

ITALIAN LABOR BODY SPLITS ON AID PLAN

ROME, March 2—(AP) The Communist-dominated Italian General Labor Confederation (CGIL) split today over the Marshall plan.

Rome newspapers immediately urged a clean break between Communist and anti-Communist workers.

The executive committee of the 6,000,000-member CGIL, meeting in Bologna, voted 13 to four today against accepting an invitation from the British Trades Union Congress to attend the London labor conference on the Marshall plan. The meeting opens March 10.

Anti-Communist committee members announced they would defy the decision and send delegates to London.

Giornale d'Italia, independent rightist newspaper said "now is truly the time to split. x x x Now it is a question of the present and future life of all Italians."

2 Spanish Banks Seek Private Loans In U.S.

Madrid, March 2 (AP)—Two Spanish banking firms are sending representatives to the United States this week to seek private credits for Spain, informed sources said today.

Count Fontanar, of the Urquijo Bank, and Ignacio Herrero, of the Hispano Americano Bank, will sail from England March 5, the informants said.

Some believed the trip was being made in the belief that America's attitude toward Spain is friendlier than it has been.

[In Washington, Michael J. McDermott, State Department press officer, said a private loan would be a matter for American bankers and the Spaniards. He said no change of United States policy was involved.]

Spain Tries 73 as Rebels

BARCELONA, Spain, March 2 (AP).—A military court today began trying seventy-three defendants accused of military rebellion. They were charged with forming the "Organization of Armed Forces of the Spanish Republic" three years ago. The prosecution said several former Loyalist officers were leaders and that the purpose was to overthrow the Franco government.

Italy Red Union Rejects Bid to Parley in London

BOLOGNA, Italy, March 2 (AP).—The Communist - dominated Italian General Confederation of Labor (C. G. I. L.) rejected today the proposed London labor conference on the Marshall plan. Its executive committee, by a vote of 13 to 4, rejected an invitation from the British Trade Union Congress to attend the meeting, which is scheduled to open March 10.

Giuseppe Di Vittorio, Communist secretar general, said the decision was "suggested by a desire not to abandon the line of direction of the world labor federation." Soviet trade union leaders agreed Saturday to calling a meeting of the World Federation of Trade Unions, rather than risk a split in the world organization, after the British trade unions had indicated they were going ahead with a European labor conference

Underground Leader Condemned In Warsaw

Warsaw, Poland, March 2 (AP)—Stanislav Kasznica, described as a commander of anti-Government underground armed forces, was sentenced to death by a military tribunal today.

Lech Neyman, his chief aide, also was condemned to die. Four others were sentenced to from 10 to 15 years in prison.

Kasznica was accused of killing or signing death warrants for 100 persons termed Polish "democratic leaders."

Ministry Denies Benes Has Resigned

Prague, March 2 (AP)—President Eduard Benes remains under the care of his personal physician, and his scheduled return to Prague on Thursday still is uncertain, the Ministry of Information said today.

A ministry spokesman termed "stuff and nonsense" a London *Evening News* dispatch that Benes had resigned and that the Communists now in control of the Government were keeping the resignation secret.

Benes, 64 and frail, is at the presidential country home at Sezimovo Usti, the Ministry said. His physician is a Dr. Klinger, who long has attended him.

Signing Last Week Reported

The London *Evening News* said Benes had signed a formal declaration last week giving up his title as President of the Czechoslovak Republic, but "Communists have not yet allowed the resignation to be made public for fear of a violent reaction among the people."

[United States officials in Washington said they had heard within the past two days that Benes was thinking of resigning, but had no word on what decision he might have reached.]

A Prague source said last Thursday that if Benes did step down, he would be succeeded by Zdenek Fierlinger, pro-Communist leader of the Social Democratic party and a former premier. Fierlinger is Minister of Industry in the new regime.

Left Capital Friday

Parliament will meet March 10 to hear a statement by Communist Premier Klement Gottwald.

President and Mrs. Benes left for the country last Friday after he had sworn in the new Cabinet. He was visibly suffering from the rigors of the political crisis.

The ministry spokesman said rumors that the President had resigned might have been prompted by the fact that the presidential flag was down at the palace. It is always lowered, he said, when the President is out of the city.

A member of the President's secretariat said he had no information that the President had taken any action. Such a step had been the subject of speculation the night before Benes accepted the new Cabinet.

Czechs In Flight

Marktredwitz, Germany, March 2 (AP)—German border police said today they have arrested 25 political refugees from Czechoslovakia in the past few days.

They said the arrested persons, described as soldiers, minor officeholders and journalists, were turned over to American occupation authorities.

Washington, March 2 (A. P.).—United States officials said today that they have heard within the last two days that Benes was thinking of resigning but have had no word on what decision he may have reached.

CZECH REDS PRESS PURGING OF FOES

A. I. GOLDBERG

Action Committees 'Here to Stay,' Communist Leader Says.

PRAGUE, March 2—(AP) Rudolf Slansky, secretary-general of the Czech Communist Party, declared tonight that the action committees which aided the communist seizure of power were here to stay.

The Czech government news agency said Slansky's statement was made at a meeting of communist party officials.

The statement was contrary to declarations yesterday by Zdenek Fierlinger, the new minister of industry. He told foreign newsmen the committees were formed as a transitory, emergency measure.

Evjen Erban, minister of social welfare, had said the committees were authorized by the "will of the people" but would continue only until the forces of "reaction" were routed. Fierlinger is a Social Democrat who was removed as party chairman several months ago for his close collaboration with the communists.

Slansky said that the new national front coalition dominated by the communists would be thoroughly controlled by an action committee of a coalition secretariat. He said the committee was the permanent organ of the will of the people.

The committees, under the direction of communist Premier Klement Gottwald, launched wholesale firings and purges throughout Czechoslovakia in the communist march to power.

The word purge came in for more use tonight by Alexev J. Cepicka, communist minister of justice. He called for a "purge in every walk of life in every village up to the cities." He said it must be carried out "wisely and justly, with thought to the welfare of the nation."

He said all party organizations must be approved by the action committee of the national front. He promised retroactive laws to conform to their action.

The new government harped continually on the theme that the country must be on guard for an attempt of reaction to come back against "the will of the people."

The newspaper Prace asked why stories were being whispered about that Foreign Minister Jan Masaryk had been jailed and President Eduard Benes had suffered a stroke.

Benes Rumor Spiked

The Ministry of Information termed "stuff and nonsense" a London *Evening News* story that Benes had resigned and the Communists were keeping it a secret.

Benes, 64 and ailing, is at the presidential country home at Sezimovo Usti under the care of his personal physician, the Ministry said. His scheduled return to Prague Thursday remains uncertain, the Ministry added.

Mlada Fronta, another newspaper, criticized a book seller who filled the windows of his shop with one book titled "Reign of Terror." It also assailed a radio-shop owner who came out with a huge sign announcing he would install short-wave couplings in radio sets.

The law profession was marked down for a nationwide purge by the action committees. The Government radio announced that not only lawyers but court procedures and the language of the law itself would be subjects of close scrutiny.

Action committees charged with cleansing political parties announced their first results today. A Government press agency statement said twelve deputies were thrown out of the Catholic Peoples' party. The statement said the committees were now ready to start looking at the Social Democratic party.

The National Socialists said they would have a meeting tomorrow and promised a self-purge.

The moves threatened to weed out unwanted deputies before the next meeting of Parliament, scheduled for March 10. The Communists would then have a clear path for legislation wanted on nationalization, finance reforms and agriculture aids.

The Communists scored another in their succession of victories as the new Slovak Communist Council announced it had been accepted by Premier Gottwald. The Communists supplanted the Slovak Democrats in power in Slovakia.

Czech Communist Coup To Delay Loan Action

Washington, March 2 (AP)—Communist seizure of power in Czechoslovakia will slow up at least action by the World Bank on a $350,000,000 loan application by that country, the bank's chief officer indicated today.

John J. McCloy, president, told a news conference that the 46-nation bank would wait a more "appropriate time" to send an economic mission to Czechoslovakia to investigate the loan request.

Czechoslovakia O.K.'s Constitution Of WHO

New York, March 2 (AP)—Czechoslovakia has ratified the constitution of the World Health Organization.

The announcement today did not disclose whether the ratification had taken place before or after the recent Communist seizure of power in Czechoslovakia.

The WHO, with headquarters in New York, is the only specialized agency of the United Nations in which Russia has become a member.

Czechoslovakia was the twenty-second member of the United Nations to ratify the WHO constitution. Ratification by 26 is necessary before the organization becomes a permanent body.

FINN GROUP HITS REDS FOR TRYING TO 'STIR UNREST'

E. SHANKE

HELSINKI, March 2—(AP) The powerful Social Democratic party accused Finnish communists tonight of trying to "provoke unrest" in Finland.

The Social Democrats, one of the "big three" parties which constitute the government bloc in parliament, issued a statement urging the use of "constitutional and democratic" means in dealing with the question of a military pact with Russia.

"Communist circles have shown their intention to use this situation for the purpose of national conflict and discord among the classes," the statement said.

It was drafted at a meeting of the party's parliamentary group to consider Prime Minister Stalin's request that Finland sign a defense and mutual assistance pact with Russia.

Must Yield, Is Belief

Earlier, spokesmen for the principal parties in parliament indicated they felt that Finland must negotiate with Russia on a military pact.

The Social Democratic attack on "communist provocations" came after the communists put their propaganda steamroller into motion to support a pact with the Soviet Union. Communists control the popular democratic party which has 51 of parliament's 200 seats and the largest single representation of any party. Other parties in the government bloc are the Social Democrats and the Agrarians, each with 48 seats.

MAR 2 1948

The communists began organizing factory and trade union meetings and demonstrations to support a pact, declaring it was the best way to guarantee the interests of Finland and peace.

It has been estimated that between 28,000 and 45,000 of Finland's 3,775,000 citizens are communists.

The Social Democratic statement said the communists "think they are in a position where they can have a strong effect on the coming parliamentary elections."

These elections will be held in July. Finns regard them as crucial because of the rebuff communists and left wingers received in recent municipal elections.

Street and factory demonstrations, the Social Democrats said, "would make more difficult a peaceful, responsible handling of the new situation" for President Juho Paasikivi and parliament.

Later tonight, the Finnish "popular front" of communists and extreme left-wing social Democrats also issued a statement urging the acceptance of a military pact and hailing Russia as "the most powerful on our continent."

"It is the call of a friend—a call which we have no reason to refuse," the front said.

Meanwhile, the chairmen of the parliamentary blocs indicated Finland would accept the Soviet request to begin negotiations for a military pact because "it would be difficult to refuse."

Not Acceptance Of Pacts

The chairmen of each of six political parties held news conferences today. Speaking for their fellow deputies, they affirmed unanimously that Finland had little choice but to begin negotiations.

Time and again, however, various party leaders emphasized that "acceptance of negotiations does not mean acceptance of the pact."

Juho Koivisto, chairman of the Agrarian parliamentary bloc, said "there is no reason to say 'no' to Marshal Stalin's request to negotiate a defense and mutual-assistance pact. The question is being handled correctly by President Paasikivi. Parliament is being kept informed and not faced with an accomplished fact."

"I think it would be difficult to refuse to negotiate," said Levi Jarn, vice chairman of the influential Swedish party, which has fifteen seats.

Kalle Kauppi, chairman of the Liberal party, said "if we accept the negotiations that does not mean we accept the pact."

The Liberals have nine members in Parliament.

The Conservatives alone have taken a stand against a military pact, although they say they do not oppose a friendship treaty.

The Conservatives hold the other 29 seats in Parliament.

Finnish leaders have been moving slowly and cautiously since it was disclosed last Friday that Stalin had addressed a letter to Paasikivi suggesting that negotiations be opened. MORE

Finn Reds Begin Drive For Pact With Soviets

SHANKE

Helsinki, March 2 (AP)—Finland's Communists today began organizing factory and trade-union meetings to support a military pact with Russia.

The Communist organ *Tyoekansas Sanomat* said workers favor a friendship and assistance treaty with the Soviet Union because it is the best way to guarantee the interests of Finland and the cause of peace.

The first of the factory meetings being organized by the Communists was held yesterday at Turku and Tampere, two of Finland's most important industrial centers.

"A Friend's Hand"

The Turku metal workers adopted a resolution recommending acceptance of the military pact. The resolution said: "We must take a friend's hand if it is offered."

Political leaders held closed sessions to discuss whether Finland should negotiate with the Russians and what the consequences would be, particularly in the West. They hope to have their answers ready for President Juho Paasikivi tomorrow.

The attitude of two important parties—the Agrarians and Social Democrats—is expected to be made clear today.

Tentative Opposition

The 28 Conservatives in Parliament already have voiced tentative opposition to the proposal.

It was reported the Communist party voted Saturday to advocate acceptance of the pact.

It is also known that the small Liberal party has decided to oppose the treaty. It has seven seats in Parliament.

Face-Saving Vote

Some observers predicted Rightist elements in the Conservative, Agrarian, Social Democratic and Progressive parties might vote against the Russian pact to save face, provided there is no danger of the proposal being rejected.

The largest voting bloc in Parliament is the Popular Democratic Union, composed of Communist and pro-Moscow Social Democrats. The union has 51 deputies. There are 200 seats in Parliament.

Considerable power, however, lies in the hands of the Social Democrats and Agrarians, who each hold 48 seats. Together the two parties hold six of the twelve Cabinet posts.

Anti-Red Wave Sweeps Over Scandinavia

AKE FEN

Oslo, Norway, March 2 (AP)—A wave of anti-Soviet sentiment swept Scandinavia today as resentment mounted against the Communist coup in Czechoslovakia and Russian pressure in Finland.

In Norway, Denmark and Sweden the feeling manifested itself in mass demonstrations and press attacks against the spread of communism over Europe.

In Oslo, thousands of students demonstrated last night outside the Czechoslovak legation. Later, they marched to the "people's house" where a Communist youth organization was celebrating the Czech coup.

"Down with communism," the demonstrators shouted.

Feeling Is High In Norway

Political leaders said anti-Communist feeling was running higher in Norway than at any time since the end of the war.

In Denmark, pro-Russian after liberation from the Nazis, the Soviet demand on Finland was denounced in the press.

"Danger is closing in on Scandinavia," said the conservative *Nationaltidende*.

H. C. Hansen, Danish Foreign Minister, said:

"We do not believe in a state community where people live as slaves. For that reason we will join in efforts to build up a strong defense which will show that Denmark wants to remain a free country."

Denies Secret Alliance

Danish Defense Minister Rasmus Hansen told Parliament there is no "foundation whatsoever" to reports that a secret military agreement existed among the Scandinavian countries, the United States and Great Britain.

He said Denmark has received arms from Sweden and the United States and weapons of German origin. The reason, he said, was that Sweden and the United States were willing to deliver.

In traditionally neutral Sweden, the press came out strongly for more effective co-operation with the western states.

"U.S. Core Of Resistance"

"By sticking together loyally," the liberal *Goeteborg Handelstidning* said: "Democracies can prevent Russia from subduing one country after another. Everyone knows that the United States must be the core of this resistance. But a condition is also that western Europe does not degenerate, but place herself as a strong partner by America's side."

Norway is the only European country with a Russian frontier that has remained independent of the Soviet sphere of influence.

She had hoped to join Sweden and Denmark in a neutral bloc friendly with both the western powers and Russia.

Recent events in eastern Europe and Finland have lessened this desire for neutrality.

Geneva, March 2 (A. P.).—London was unanimously chosen as the permanent site of the proposed International Maritime Organization today by delegates of thirty-five nations drafting the organization's constitution.

Guerrillas Shell Advancing Greeks

MAR 2 1948

Athens, March 2 (AP)—Press reports declared today that advancing Greek troops were shelled yesterday by mortars from the Albanian village of Perdikari.

The Greeks did not retaliate for fear of international complications, the dispatches said. Guerrillas were reported getting noticeably more help as the fighting surged close to the border of the Communist state.

The fighting in Epirus was growing more intense. Reports said losses were heavy on each side but that national forces made good progress in both the Philiates and Pogoniou sectors.

Kastaniani Entered

An army unit entered Kastaniani at the Albanian border southwest of Delvinaki this morning. The village recently was a guerrilla headquarters.

The American Mission to Aid Greece said today a number of C-47 transport planes have been delivered to the Greek Air Force. The number was not disclosed. The planes came from the United States air depot in Erding, Germany. They were loaded with supplies for the air force.

The Mission said supplies and equipment for a 300-bed military hospital in Patrai were awaiting shipment in New York. The hospital is expected to be ready within 60 days.

17 Insurrectionists Killed

The War Ministry said seventeen insurrectionists were killed and 61 wounded yesterday at Marcronissos Island.

The report said the skirmish occurred when "dangerous Communists attempted to disarm the guard during religious services." Four guards were wounded, the Ministry reported.

Macronissos is an island on the southeast coast of Attica where a camp has been established for conscripts whose loyalty has been questioned. A brief report yesterday said five "incorrigible Communists" had been killed at the camp during an attack on a priest.

Russians Translate Sinclair Lewis

CHINA CLAIMS MUKDEN GAIN

Defenders Report Clearing Communists From Railroad

Peiping, *Wednesday*, March 3 (AP)—Government troops fighting up the railway from Peiping to relieve Mukden, Manchuria, reported an advance today.

Dispatches said the forces moved beyond Tahushan, a recaptured rail town 70 miles westward from Mukden. Mukden's defenders meanwhile were said to have cleared Chinese Communist forces from the railroad between Mukden and Sinmin, 35 miles west.

Sinmin's status was in doubt. Contradictory dispatches said both that Government forces were in possession and that Government planes were bombing it.

Communist units were converging on isolated Szepingkai, north of Mukden on the railway to encircled Changchun. Scattered fighting was reported under way there.

Manchurian Generals Ask Return of Young Marshal

By The Associated Press.

NANKING, March 2—President Chiang Kai-shek was urged today to permit the Manchurian marshal who kidnapped him in 1936 to fight for the Government in Manchuria.

The "young" marshal, Chang Hsueh-liang, is heir of the last war lord ruler of Manchuria, the "old" marshal, Chang Tso-lin, who was murdered by the Japanese. He has been under Government detention since the kidnapping. He now lives in Formosa.

A meeting of old Manchurian generals and elder statesmen in Nanking proposed that the young marshal be allowed to return to Manchuria in a prominent position of trust.

Chennault Is Silent On Bid to Testify

Shanghai, March 2 (A. P.).—Major-Gen. Claire L. Chennault, retired wartime commander of American Air Forces in China, declines to say at this time whether he will accept an invitation of the Congressional Foreign Affairs Committee to testify on aid to China.

The Washington invitation said that the testimony might be either in person or by correspondence.

Shantung Business Control Feared

Tsingtao, North China, March 2 (AP)—Foreign sources said today a group of Chinese generals and politicians is seeking to establish a dictatorial control over all business life in productive Shantung province.

Key men in the commercial airline of Maj. Gen. Claire L. Chennault, ex-Flying Tiger commander, were promised up to $50,000 (United States) a month "for playing ball," these sources said.

Chennault flatly refused to make his airline available only to the proposed semi-official monopoly. He declared it would continue to serve all customers.

Formed Two Weeks Ago

The foreign sources told this story:

The semi-official Shantung "Yu Lu Enterprise Corporation" was formed at Tsinan two weeks ago by provincial officials and Shantung merchants, presumably without the Nanking Government's knowledge.

Its aim: A monopoly of all goods, services and transportation in the province. Its method: Put all who fail to co-operate out of business.

American and British embassies were informed of the scheme, which observers said would disastrously affect the British and American firms marketing Shantung's rich tobacco crop.

RICE EXPORT SUPPLIES TO CONTINUE LIMITED

BAGUIO, Philippines, March 2 (AP)—Delegates of only three nations at the United Nations Food and Agriculture Organization's world rice confemrence offered hope today of being able to help relieve the critical would shortage.

Leonard B. Ellis, chief United States delegate, said American rice production was increased 60 per cent last year to 1,000,000 tons, providing an exportable surplus exceeding 400,000 tons.

Isom Deshotels, representative of the American Military Government in South Korea, estimated, however, that most of the United States surplus would be needed for Korea.

Mexico reported that she could increase production from 25,000 to 50,000 tons, and Paraguay from 75,000 to 150,000 tons if they received assistance.

Korean Legislature Lacks Quorum

Seoul, March 2 (AP)—The Korean interim Legislature failed today to muster a two-thirds quorum to consider the resignation of Chairman Kimm Kiu.

American officials predicted the session may expire without formal adjournment, in view of Kimm's resignation and the election scheduled May 9 to form a government under United Nations sponsorship.

With Kimm in spurning today's session were 23 Leftists and moderate Leftists, who walked out of an informal session Friday.

Kimm opposed a resolution signed February 19 by 43 Rightist legislators asking for a United Nations-supervised election in South Korea. Kimm contends the election will permanently partition the country. Russian-occupied North Korea refused to participate in a nation-wide election.

Tojo Hides Behind French Revolution

War Trial Lawyer Blames Forces Unleashed by 1789 Turmoil for Jap Aggression.

Tokyo, March 2 (A. P.).—Japan's war aggression today was blamed on forces set in motion by the French Revolution.

Dr. Somei Uzawa, 75-year-old lawyer-philosopher, made that plea today in opening the final defense arguments of Hideki Tojo and twenty-four co-defendants against major war crimes charges.

"The Japanese were a peaceful race living within their islands until forced from their self-imposed seclusion by the Western Powers," he declared.

"No fruitful result has yet been achieved by nations seeking to eliminate war. If judgment of aggression is made only by victorious nations against defeated ones, then it is nothing but a one-sided decision."

The requirements of justice, he asserted, demand that "victorious as well as defeated nations be judged alike (since) in warfare the victors are not excepted and given the right to commit slaughter and destruction."

Japanese philosophy, said Uzawa, is based on the Wang Tao (kingly way) of ancient China, in which war is recognized as an evil of progress. Under that philosophy, he contended, Japanese leaders conducted themselves properly and could not justly be held responsible for carrying out their assigned tasks.

Oil Field Found in Turkey

INSTANBUL, Turkey, March 2 (AP)—The discovery of a new oil field in the Tigris River Valley near Diyarbakir in southeastern Turkey was reported today by geologists. No estimate was given of its potentials but geologists, including American exports, said it was rich. President Ismet Inonu visited the area yesterday.

Turkey Puts 56 Alleged Reds On Trial

Istanbul, March 2 (AP)—Fifty-six alleged Communists went on trial today, charged with forming a society to "establish the supremacy of one class over another."

They are the last group still held from a sweeping anti-Communist cleanup in Turkey in December, 1946. Hundreds were seized, political parties smashed, labor syndicates abolished and four publications closed.

Despite protests from the defendants, the trial was ordered held in private. The prosecution contended that "indignation against the Communists is so high a secret trial is necessary for public order."

Russ-Egyptian Talks On Trade Pact Ended

Cairo, March 2 (AP)—The Ministry of Trade today announced the completion of Soviet-Egyptian talks on a trade-and-barter agreement. He said the signing has been delayed pending certain formalities.

Egyptian sources say the agreement provides for export to Russia of 38,000 tons of Egyptian cotton in exchange for 216,000 tons of wheat and 19,000 tons of corn.

British Helped Jews To Rout Arab Attack, Agency Reports

C DAVIDSON

Jerusalem, March 2 (AP)—British forces joined Jewish fighters today in a battle that scattered a band of several hundred Arabs, a Jewish Agency source said.

Heavy rifle and mortar fire sounded in the Judean hills 12 miles west of Jerusalem for several hours.

It was the first such action reported since the announcement by the British last night that they would use their armed forces "impartially against whichever side is firing."

British police and troops moved in alongside the Jewish fighters in the dislodging of the Arabs from hillsides which commanded the Jerusalem-Jaffa road, the agency informant said.

Conway Attacked

Private informants said the Arabs were believed to have suffered numerous casualties.

The battle started when the Arabs attacked a small military convoy on the Jerusalem-Jaffa road, and later a Jewish bus convoy. An 18-year-old girl was killed and two other bus passengers wounded.

An armed escort of Haganah, the Jewish defense army, returned the fire. The Arabs were believed to be members of the band that attacked Jewish traffic on the Tel Aviv-Jerusalem road yesterday, killing three Haganah soldiers.

Jewish sources said uniformed Arabs attacked two settlements in northern Galilee at sunset but were repulsed.

Five Reported Killed

One Jew and four Arabs were reported killed. The new deaths brought to 1,533 the unofficial death toll since the November 29 decision of the United Nations to partition Palestine.

A Haganah broadcast called upon the British to publish names, numbers and photos of army and police deserters "so we may determine whether Britishers in future attacks on Jews are connected actively with security forces."

The unofficial death toll since the United Nations decision to partition Palestine mounted to 1,526.

Mail Service Curbed

The Jewish Agency had drafted no official reply as yet to the British statement yesterday charging the agency with condoning terrorism for political purposes. Eliezer Kaplan, agency treasurer, commented in a speech that the Palestine Government's accusations against the Jews "were merely cover for its inability to fulfill its own duties."

The British announced that, due to the impending termination of their mandate, certain mail services would be suspended. All incoming parcel mail from other countries will be discontinued about March 15.

A Government spokesman confirmed that arms manuals as well as arms were embargoed as shipment from the United States to Palestine. Book stores with orders for such titles as "Manual of the Stengun" and "Manual of Street Fighting" got them returned marked "not available for Palestine at present."

140 Mortars Moved In

In Damascus, Syria, a military informant said the Arab volunteer army had moved 140 mortars and several pieces of field artillery into Palestine for the fight against the Jews.

He said the mortars included "American type heavies" and the artillery was believed to be French 75's formerly owned by the Syrian Army.

Violence in Haifa killed one Jew and one Arab.

British Reported Helping Jews Repel Arabs

DAVIDSON

Jerusalem, March 2 (AP)—British troops battled beside Jews today against Arab snipers dug in on hillsides commanding the Jerusalem-Jaffa road, a Jewish Agency source said.

The British vowed last night to use their weapons henceforth "impartially against whichever side is firing."

The informant said both British police and Tommies moved into the area, about 12 miles outside Jerusalem.

A large-scale battle appeared to be under way. Heavy automatic weapons and grenades were heard, and the Jews were believed to be bringing up mortars.

The British have threatened to use weapons more powerful than those available either to Jews or Arabs to stem the bloody fighting which has raged in Palestine ever since the United Nations decision to partition the Holy Land was announced in November.

Battling Near Road

The new battle is near a point where the Jerusalem-Jaffa road leaves the Judean hills and enters the plains. A three-mile stretch of road has been impassable for weeks because of sniping.

No casualty reports were immediately available.

The British crackdown order in Jerusalem came from Brig. C. P. Jones, commander of the British garrison, who told his troops that force must be used impartially against both Arabs and Jews.

Hondurans Demonstrate Loyalty To Britain

Belize, British Honduras, March 2 (AP)—Thousands of residents of this capital city participated today in a demonstration of loyalty to the British. They marched through the streets singing patriotic songs and waving British flags.

Two British cruisers and a detachment of troops have arrived here "to protect British lives and property." Neighboring Guatemala claims British Honduras.

BAN ON U. S. REDS LOOMS IN CANADA

Ottawa, March 2 (A. P.).—The Canadian Cabinet is considering a total ban on the entry of Communists from the United States, and an inner Government spokesman said today that Canada may also cancel permission of known American Communists here on labor organization work, to remain in the country.

Prime Minister W. L. Mackenzie King is known to have been following with deep concern the political events in Europe during recent weeks, particularly the Communist domination of Czechoslovakia, and this is understood to have convinced the Canadian Government that it must bar Communists if it can find a proper way to do so without infringing upon the principle of general civil liberties.

RUSSIANS AGREE TO BIG 5 TALK ON PALESTINE ISSUE

Conditionally Accept U. S. Plan to Seek Solution to Problem.

BRITAIN IN OBJECTION

F. CARPENTER

British Troops Join Jews in Firing on Arabs in Jerusalem.

LAKE SUCCESS, March 2—(AP) Russia accepted conditionally today a United States plan for the big five to try to solve the Palestine problem.

A shouting woman demonstrator briefly disrupted a tense United Nations Security Council meeting before Andrei A. Gromyko, Soviet deputy foreign minister, spoke.

He voiced Russia's decision against creating a formal committee of the big five powers for consultations with Arabs, Jews and British.

Favors Conference

Gromyko said the five great powers certainly should consult among themselves but that a committee as such would only drag out a settlement.

Britain informed the council she could not join in the proposed big power consultations.

Gromyko said that "no one great power should hide behind a committee." He said the U. S. proposal for a big five committee to consult with the Jews and the Arabs was "artificially introduced" and could not be justified.

He said the Palestine commission already is consulting with Jews and Arabs and there is no necessity of creating a parallel channel for consultations.

The five powers, he suggested, should talk informally and report back in 10 or 15 days.

"The utsiation is such that any delay in the consideration of these questions could not be justified in any way," Gromyko said.

He still did not give any hint on Russia's position on the international force requested by the five-member Palestine commission to help carry out the partition plan.

Members have been slow to speak on that point.

Warren R. Austin, chief United States delegate, urged the council to approve the American proposal, made a week ago at the start of the crucial debate. He told the delegates that the United States supports the general assembly plan for partition but that it must be done by peaceful means.

Woman Ejected

Austin was just ending his speech with a declaration that the council must act if it found a threat to peace when the woman shouted from the public section "what kind of action?"

UN guards quickly spotted the shouter as a black-haired woman wearing a purple shawl and asked her to be quiet. She continued talking and John Cosgrove, of the UN security force, started to escort her out. She resisted, shouting: "Has an American no rights?"

With that, other UN guards joined Cosgrove and carried her out. Spectators left their seats and crowded around the guards. The tumult caused the interpreter to halt the French translation of Austin's speech for about three minutes. The guards then asked everyone to get back to their seats and the meeting continued.

2 DEFENDANTS FREED AS SHIPPERS OF TNT

NEW YORK, March 2 — (AP) Federal Judge Henry W. Goddard today dismissed charges against two men allegedly involved in an attempt to ship 60,000 pounds of T.N.T. to Palestine in January.

Goddard accepted the recommendation of U. S. Attorney John F. X. McGohey in dismissing charges that the men filed false shipper's export declarations on the T.N.T. shipment. The men had pleaded innocent.

They were Joseph Seiger, 24, a concert pianist, and Morris Schachter, 18, both of New York.

Six other defendants, who pleaded guilty to the same charges Feb. 17, were given suspended sentences. The charges stemmed from discovery of the shipment at a Jersey City pier when a case broke open accidentally.

BULLITT WARNS OF PUSH AT U.S.

Fears Attack By 'Masses Of Stalin-Driven Slaves'

Washington, March 2 (AP)—"An attack on our country by overwhelming masses of Stalin-driven slaves" was declared possible today by William C. Bullitt, former Ambassador to Russia.

Bullitt was urging $100,000,000 for "military supplies to China."

He told the House Foreign Affairs Committee, which is considering the request of the Secretary of State, Gen. George C. Marshall, for $570,000,000 in nonmilitary help to the Chiang Kai-shek Government:

"If our Government should permit the Communists to take over China, it would have failed to bar the way to attack on our country by overwhelming masses of Stalin-driven slaves."

Refers To Marshall Plan

In a reference to the Marshall program for European recovery, Bullitt added:

"We cannot successfully oppose Communist conquest of the world by opposing communism in Europe only."

The Administration's program contemplates only economic help for the Chinese—money to finance food and other consumer imports and for improvement of railroads, roads and factories.

Some Congress members have urged that the program be broadened to include weapons the Chinese Government can use in fighting Communists.

Bullitt accused the State Departmen, which drafted the aid program, of "blindness and apathy" toward China.

'Key To Entire Far East'

"China is the key to the entire Far East," he said.

Bullitt said economic aid for China is but one leg of the table on which must stand the vital interest of the American people in Chinese independence.

He recommended:

1. That the United States send to Nanking at once "a man of the highest intelligence and energy" who can help China on military as well as political and economic problems.

2. That this country make sure

China gets plenty of munitions to fight the Communists.

Warns On Other Moves

He said a small amount of ammunition is on the way to China, thanks to congressional attention to the issue.

But the Soviet Government, he said, "has been arming the Chinese Communists from both the enormous amount of equipment it captured from the Japanese and new Japanese equipment which it has manufactured in Korea and Siberia with Japanese machinery."

If Communists overrun China, Bullitt said, they will move on to Indo-China, Thailand, the Malay Peninsula and eventually to Japan.

Bullitt took frequent jabs at Secretary Marshall.

At one point he said the Chinese defending Mukden have only a "pitiable remnant" of ammunition for their American weapons.

'His Determined Effort'

He added:

"This is due to the fact that General Marshall, in his determined effort to force Generalissimo Chiang Kai-shek to take Communists into the Chinese Government in 1946, caused the Department of State to refuse to give licenses for export of ammunition to China."

Bullitt said this stopped the movement of a single cartridge or shell, except from some left-over supplies in China. He said the American Government has not delivered a single combat plane or bomber since August, 1946.

Marshall, he said, stopped delivery of planes and "dishonored" a United States pledge.

Russia has refused permission to leave the country to thirteen women who married American soldiers or Americans attached to the embassy in wartime. Six Russian women who are married to Chileans are unable to leave. One is the wife of the son of the Chilean Ambassador to Moscow, Ruiz David Cruz Ocampo.

Britain's Foreign Minister Bevin has tried repeatedly in vain to arrange for the departure of thirteen Russians married to Britons.

Moscow has been particularly tough on the subject since a formal decree was issued February 15 last year forbidding any Soviet citizen, at home or abroad, to marry a foreigner.

Exploring Next Steps

Chilean and United States officials said their talks thus far have been merely to explore possible next steps. Chile broke off diplomatic relations with Moscow last fall and since has been holding some twenty members of the Russian Embassy staff at Santiago as "hostages" for the Russian wives of Chileans.

The United States has relied on repeated pleas by Ambassador Walter B. Smith. In a note in November, Moscow was reminded that the United States raised no objections to the departure of the wives of Soviet Armenians who were returning to Russia.

Russia Deaf To Pleas To Let Wives Leave

Washington, March 2 (AP)—The United States and Chile have been trying to find some way to persuade Russian officials that they should let the Soviet wives of Americans and Chileans leave Russia.

Officials said today that one thing discussed informally is a mass protest in which other countries would be invited to join.

Other measures considered include taking the matter to the International Court or some other organ of the United Nations. But what to do still stumps Britain and several other nations, as well as the United States and Chile.

NEW WORLD GROUP PROPOSED BY G.O.P.

Would Be Outside the UN and Free of Russian Veto.

WASHINGTON, March 2—(AP) A new international agency to protect this nation and all its friends against both aggression and subversion was proposed tonight by a group of Republican senators.

It would be outside the United Nations, free of the Russian veto which has stymied many UN. Security council moves. Russia, however, is not mentioned by name in the proposal.

To Offer Plan Today

Senator Ball (R-Minn) said he will offer the plan for the proposed "supreme council" in the senate tomorrow as an amendment to the $5,300,000,000 European recovery plan.

Senator Brewster (R-Me), another of the senators who put the proposal together, called it "an offensive-defensive alliance." He said it provides a way of "collective security without the paralyzing power of veto."

Ball outlined the plan to reporters after a meeting of the Republican group. He is chairman of the steering committee of the coalition which is working on changes for the recovery program.

The amendment would direct the president and secretary of state to undertake immediately to negotiate with other members of the UN an agreement providing:

"1. For the establishment of a supreme council to consist of eleven members, all signatories of the agreement who are elected or permanent members of the security council of the United Nations to be, ipso facto, elected or permanent members of the supreme council, and any remaining members to be elected by the other signatories of the agreement.

"2 That each member of the supreme council shall have one vote and that all decisions of the supreme council shall be made by the affirmative vote of seven members, including the concurring votes of a majority of the permanent members.

"3. That all signatories to the agreement shall agree x x x to make their armed forces and resources available to the supreme council whenever the council decides that the use of such forces and resources is necessary to maintain peace or to defend the freedom or independence of any or all signatories against aggression or subversion in any form."

File On Condon's Loyalty Check To Be Sought

Washington, March 2 (AP)—The Commerce Department's loyalty board files concerning Dr. Edward U. Condon were ordered subpoenaed today by Chairman Thomas (R., N.J.) of the House Un-American Activities Committee.

Condon, 46-year-old scientist and head of the Government's Bureau of Standards, was accused by a House group of being "one of the weakest links in our atomic security." He also was accused by the group, headed by Thomas, of associating with Communist agents.

As Thomas acted to obtain records in the case, the Atomic Energy Commission told a Senate-House committee that Condon has had no access to top atomic secrets.

Senator Hickenlooper (R., Iowa) said the commission reported that Condon has not been cleared for access to its restricted files.

Says "Country Can Relax"

Replying to the House committee accusation, Condon retorted:

"This is gratifying information because I'm absolutely reliable and therefore we have nothing to worry about. The country can relax."

To an accusation that he "knowingly or unknowingly entertained and associated" with alleged Russian spies, Condon commented to a reporter:

"That's just too vague to talk about. I certainly didn't do it knowingly."

Called Target Of Spies

The House group contended that the Bureau of Standards—as the testing ground for some of the nation's top secrets—"has become the target of espionage agents of numerous foreign powers."

Thomas announced his decision to subpoena Condon records through Robert E. Stripling, chief committee investigator. The action followed a conference at Walter Reed Hospital, where Thomas is recovering from a stomach ailment.

Stripling quoted Thomas as saying he could not understand "how the Commerce Department loyalty board could have cleared Dr. Condon, in view of the evidence."

Hickenlooper told reporters that, so far as the Senate-House committee learned, there has been no occasion for the commission to clear Condon for atomic energy work.

Closed-Session Developments

At a three-hour closed session with commission members, Hickenlooper said the special Senate-House Atomic Energy Committee was told:

The commission has an FBI report on Condon. (An FBI report that Condon associated with alleged Soviet espionage agents was mentioned in the report of the House Un-American Affairs Committee.)

The commission has not decided whether to clear Condon for access to its files.

Hickenlooper noted that as a physicist of 25 years' standing, Dr. Condon had worked on the wartime Manhattan (atomic) Project. He said subsequently, Condon was a scientific adviser to the special Senate committee which drafted the Atomic Energy Act.

As adviser to the special Senate group, Hickenlooper said Condon was present at closed meetings but heard nothing more there than information "fairly widely known to physicists generally."

Promises Every Consideration

Hickenlooper quoted commission members as saying they would give "every consideration" to the House committee's report before taking any action which would make top atomic secrets available to Condon.

Hickenlooper said the Senate-House group will watch developments in the case carefully.

"The committee is very interested in any developments in this case," he said. "It will be interested to see if there is any further amplification of the charges or if there is proof of those made. In the meantime, the committee is making no assumptions."

No Evidence Of Disloyalty

Stripling quoted Thomas as emphasizing that "the (House Un-American Activities) committee has no evidence that Dr. Condon is disloyal, but it has ample evidence that he has been at least indiscreet in a position in which indiscretion could have serious consequences."

"There certainly must be an explanation of his association with the people we know he associated with," Thomas was quoted. "He may have been only a dupe."

CONDON LOYAL, WALLACE SAYS

Third-Party Candidate Assails Report On Atomic Aide

New York, March 2 (AP)—Henry A. Wallace said today Dr. Edward U. Condon, head of the Government's Bureau of Standards, has "kept inviolate his oath of office to defend the Constitution of the United States against all enemies, foreign and domestic."

The third-party presidential candidate, who as Secretary of Commerce administered the oath of office to Condon two years ago, sharply criticized a report by a House un-American activities subcommittee which described the scientist as "one of the weakest links in our atomic security."

Wallace's statement was issued through the *New Republic* magazine, in which it will be published this week.

"Cannot Seriously Believe" Charge

In it he said that "Parnell Thomas (chairman of the House committee) and Attorney General Tom Clark do not seriously believe that Dr. Condon has betrayed a single scientific secret, directly or indirectly, to the Soviets.

"What they are really trying to do," Wallace said, "is to scare everyone into being a good Republican or a good Democrat. They can't dictate how people vote, but they can silence them."

"Things have come to a pretty pass," Wallace's statement continued, "when Government officials or even private citizens can apply to the FBI for its file on an individual and then deny employment to that individual on the basis of that file. This means that the United States is rapidly becoming a police state."

Sees Freedom In Danger

The statement added:

"Freedom is in worse danger in the United States today than it was in 1770. What freedom is there when there is no freedom to speak without the risk of losing a job? What freedom is there for scientific research if a scientist is compelled to be ignorant of work done in eastern Europe?

"Dr. Condon must be asking these questions as he ponders the oath administered to him two years and four months ago. If he

30.24- 15959

has any feeling of bitterness about his native land, I ask him to remember that the vast bulk of Americans will finally be with him, once the facts are known."

Wallace resigned as editor of the *New Republic* when he announced his presidential candidacy, but he still writes a weekly article for it.

Meanwhile, Wallace, addressing the national convention of the CIO United Office and Professional Workers Union, termed the accusation against Condon "nefarious," and said:

"I think no man ever took the oath of office who was so fully determined to carry it in its full Americanism.

"I think he took it more fully than the three congressmen who signed the report against him."

Wallace said he had noted the subcommittee's report also stated that "communism got a man as Vice President of the United States."

"In other words," Wallace commented, "the subcommittee is saying that President Roosevelt was a Communist when he asked me to run for Vice President in 1940.

"Stooping A Little Low"

"I think that's stooping a little low. I think that's a little lower than the Thomas committee ordinarily goes."

Wallace, referring to the Communist coup in Czechoslovakia, told the convention:

"We don't know the full story yet but the United States apparently was backing very vigorously the right wing in Czechoslovakia. This wing seized the initiative to precipitate a crisis. They thought they could swing things their way.

"It did not work out that way so the new Government is composed very largely of Communists. We don't like that but we have to realize we brought it on ourselves.

Russia "Terribly Afraid"

"We have to realize how we would act if Russia had sent arms to Cuba or Mexico and had built airports within bombing range of our factories, especially if they had the atomic bomb and we did not.

"We must realize Russia is terribly afraid. I am telling you these things because the American press only gives us one side of the story."

The third-party candidate was greeted with some boos when he entered the convention hall but these were drowned out by loud cheers and shouts of "We want Wallace."

REDS CONTINUE 'HUNGER STRIKE'

NEW YORK, March 2 (AP)—Five alleged alien communists held on Ellis Island continued tonight their self-styled 'hunger strike" but the state of their appetites was somewhat in doubt.

Immigration officials said a supply of food the men had in their quarters yesterday had vanished—and it hadn't been determined whether they had eaten it or not.

The men are being held without bail pending deportation hearings. They sent out word they were not eating in effort to obtain release on bail.

They are Gerhart Eisler, described by a congressional committee as the "No. 1 Communist" in the U.S.; John Williamson, labor secretary of the Communist Party; Ferdinand C. Smith, West Indian-born negro and secretary of the CIO National Maritime Union; Charles A. Doyle, regional director of the CIO Gas, Coke and Chemical Workers at Niagara Falls, N.Y., and Irving Potash, an officer of the CIO International Fur and Leather Workers Union.

W. F. Watkins, district director of the immigration service, said yesterday the men had plenty of food. They had received various packages from friends with foodstuffs, he said and had these in their room.

Today Watkins said "there now is no food in their possession." An aide said it was not determined whether the men had eaten the food.

All but Potash had refused government meals at the Ellis Island cafeteria since Sunday. Potash was not taken into custody until yesterday and ate regular meals at the cafeteria until noon today.

Then he joined the other four, in whose quarters he had been placed, in declining meals.

In a separate action today, counsel for Potash obtained a writ of habeas corpus returnable tomorrow in federal court here in an effort to obtain his release.

Mrs. Carol King, Potash's attorney, told Federal Judge William Bondy her client was "an important union official in the middle of negotiations and his detention is prejudicial to the rights of 115,000 workers."

MARSHALL URGES EARLY ADOPTION OF UMT PROGRAM

WASHINGTON, March 2 (AP)—Early adoption of universal military training was urged today by Secretary of State Marshall upon six senators who came to him concerned about communism's latest push in Europe.

The senators, members of the armed services committee, are nearing a committee vote on the legislation whose chances of passage have not appeared bright. On the house side, it is stuck in the powerful rules committee with no sign of jarring loose.

Chairman Gurney (R-SD) of the senate group told reporters the six sought out Marshall in view of international developments, "including Czechoslovakia and the critical situation in Finland."

They spent the period getting his ideas on universal military training "and his definite assurance he is for it just as he has always been," Gurney added.

With Marshall were Senators Bridges (R-NH), Robertson (R-Wyo), Saltonstall (R-Mass), Byrd (D-Va), and Hill (D-Ala).

The training proposal, strongly supported by the administration and the defense establishment, got a dash of cold water today from Senator Taft (R-Ohio). He said he favored an extra billion dollars or so for air preparedness. He talked of getting the money "by cutting out $400,000,000 for universal military training" and shifting other funds from the army and navy.

CORPORATION EARNINGS RISE

Survey Also Shows Sharp Increases In Sales

New York, March 2 (AP)—The National City Bank's annual survey of corporation earnings disclosed sharp increases in 1947 for profits, sales, and rate of return.

Net profits after taxes of 960 manufacturing companies topped 1946 by 50 per cent. Sales rose 42 per cent.

Average return on net worth rose to a new peak of 17.1 per cent. This compared with 12.5 per cent in 1946 and the previous high of 12.8 per cent in 1929.

[Net worth includes the book value of outstanding preferred and common stocks and surplus account at the beginning of each year.]

Breakdown Is Shown

A breakdown of the 960 concerns into industrial groups showed the following gains in net income of more than 100 per cent: sugar; electrical equipment and radio; machinery; automobiles and parts.

Other increases included: agricultural implements 99.4; building plumbing and heating equipment 96.1; pulp and paper products 88.5; cotton goods 83.7; paint and varnish 70.8; leather and shoes 58.3; iron and steel 57.7.

Consumer Credit Drops In January

Washington, March 2 (AP)—A seasonal decline in consumer credit during January was reported today by the Federal Reserve Board.

The total dropped $336,000,000 from the record December high to $13,043,000,000 at the end of January.

The main reason was a drop of $372,000,000 or ten per cent, in charge accounts, which shrank to $3,240,000,000. Charge accounts customarily decline in the month after Christmas.

All other forms of consumer credit, covering financial aid to retail buyers, increased except for credit extended to buyers of refrigerators, washing machines, radios, home furnishing, etc.

This type of installment credit was down $64,000,000 to a total of $1,624,000,000. It still was about 65 per cent higher than a year before.

Total installment credit was up $22,000,000 to a total of $6,176,000,000. Contributing were a $43,000,000 increase in installment credit on autos, which reached a total of $1,194,000,000, and a $43,000,000 increase in installment loans to a $3,358,000,000 total.

Single-payment loans, those repayable in a lump sum, increased $14,000,000 to a total of $2,711,000,000.

Fifth Of Whisky 25c. In Price War

Fairbanks, Alaska, March 2 (AP)—Whisky sold at 25 cents a fifth in a liquor price war here.

The three weeks' price war was capped by a mass meeting of 500 persons yesterday before the Nevada Liquor Store. Proprietor Byron Gillam spoke for ten minutes on what he called attempts by longtime merchants to "freeze out competition and free enterprise."

Then he announced his store was open for sale of twenty cases of whisky at 25 cents a fifth. A rushing business followed.

During the cut-rate battle prices on one popular brand of whisky previously had dropped from $4.70 to $2.95 a fifth.

Stock Market Trend Mixed

Assorted Oils and Rails Keep on Recovery Path.

NEW YORK, March 2—(AP) Assorted oils, rails and industrials kept on the recovery path in today's Stock Market although many leaders found the going a bit difficult.

Prices stiffened in most departments as commodities enjoyed a forenoon bulge. There was a letdown when the latter eventually stumbled. Trends again improved in the final hour for favorites. While gains of fractions to a point or so predominated at the close, minus signs for pivotals were plentiful.

Dealings quickened at intervals but the ticker tape inclined to idle after midday. Transfers of 770,000 shares, however, equalled those of yesterday which were among the largest since mid-February.

Some professionals cashed in on the idea general uncertainties would prevent any widespread advance. Others extended commitments with the thought the technical comeback had yet to be completed. Public customers still held aloof because of doubts regarding economics, taxes, labor and international confusion.

The Associated Press 60-stock composite was up .2 of a point at 61.6, a high since Feb. 9 and its third straight gain. The market was fairly broad, 949 issues registering. Of these, 503 rose, 209 fell and 237 were unchanged.

St. Louis Southwestern Railway common and preferred climbed at the last when directors voted the first payment on the senior stock since 1930. The former was up 2 points at 87 and the latter 4 at 68 1-2, a top for the past year, on odd-lot transactions.

A. O. Smith added 6 points at 55 on a proposed 100 per cent stock dividend. Mission Corp. was up 2 1-4 at 51 1-4 and Pacific Western oil 1 5-8 at 50 5-8 on renewed merger talk.

Ahead a point or so were Union Pacific at 162, Standard Oil (NJ) 72 3-4, Bethlehem Steel 32 1-4, Goodrich 53, U. S. Rubber 42 1-2, Du Pont 166 1-2 and International Paper 45 3-4. Twentieth Century-Fox was up 1-8 at 19 5-8 in the face of a sliced dividend.

Most of the buoyant aircrafts of Monday were grounded. While Grumman edged forward, small declines were shown for Boeing, Douglas, Lockheed, American Airlines, United Air Lines and Transcontinental & Western Air.

The recent sprinter, Atlantic Gulf & West Indies dropped 5 points at 41 1-2 while Deere yielded 1 at 36 1-2, lesser casualties included Chrysler, Studebaker, International Harvester, Oliver Corp., Owens-Illinois, Philip Morris, Southern Pacific, Western Union and Consolidated Edison.

Railway bonds did better. At Chicago wheat ended off 1-4 to 3-4 of a cent a bushel, corn down 1 to 3 1-2 and oats up 1 3-4 to off 1 1-4. Cotton was up 25 cents to off 45 cents a bale.

On the upside in a generally narrow curb were Cities Service, Menasco Mfg., Pantepec, Northrop Aircraft and United Aircraft products. Recessions were shown for Acme Aluminum and American gas. Turnover here was 200,000 shares versus 230,000 the day before.

STEEL PRICE BOOST NOT INFLATIONARY, FAIRLESS ASSERTS

WASHINGTON, March 2—(AP) Amid a barrage of critical questions, the head of U. S. Steel Corporation denied today the recent steel price boost was inflationary.

President Benjamin F. Fairless of U. S. Steel told the Senate-House economic committee that many of the complaints against the industry were "political." The increase was justified, he said, to halt a loss in certain steel operations.

He insisted that the $4.85-a-ton boost in price of semi-finished steel announced Feb. 20 was "too small and unimportant" to be inflationary. It applied to only about 10 per cent of his firm's tonnage, he emphasized.

"Can't be Made Scapegoat"

Its influence on general price levels has been "grossly exaggerated," he said, and added that his firm "cannot fairly be made the scapegoat for the nation's ills."

Senator Taft (R-Ohio) said the "inevitable result" of the increase is to encourage labor to seek another wage increase.

The committee is checking into causes of recent price hikes. The congressional study is part of a broad scale investigation. The Justice department, at President Truman's request, is looking into the steel raise, too, to see if anti-trust laws were violated.

Both Fairless and Arthur B. Homer, president of Bethlehem Steel Co., testified today.

Taft fired critical questions at the head of the nation's largest steel firm:

Hadn't steel price increases caused the cost of living to climb? Fairless said no.

Wouldn't the increase cause labor unions to ask for more pay?

A new wage boost would send consumer prices soaring again, Fairless said.

"I don't believe such a wage increase will in the long run bring benefit to anyone," he said. "In my opinion, it will only result in further inflation and distress for many of our people."

Was the increase justified in view of $150,000,000 earnings by U. S. Steel in 1947?

Fairless said his firm's 1947 profit was $127,000,000 on all kinds of steel, not $150,000,000. And, he said, U. S. Steel lost about $1,000,000 on its January, 1948 sales of the semi-finished products in question.

"I do not believe it is good business or good economics to conduct one segment of our business at a loss of around $1,000,000 a month," he said.

Hits Rising Labor Costs

Fairless said one major cause of inflation was rising labor costs. Labor can help halt any further climbs by not asking for more wages now, he said.

"The CIO announced last week it will go ahead with its plans to seek more pay in steel and elsewhere." (Labor has had two "rounds" of wage boosts since the war.)

Fairless said U. S. Steel labor costs have gone up 80 per cent since 1940 and that output of workers dropped in the same period.

Under questioning, he estimated that the recent steel price increase will boost the firms' income by $28,433,197 this year. He said the figure was based on present production rates.

demand for Government controls?"

"Not unless we make a mountain out of a mole hill," Fairless replied.

Both Fairless and Arthur B. Homer, president of Bethlehem Steel Company, told the committee they do not think a third-round wage increase is justified.

Fairless said further wage boosts would "only result in further inflation and distress for many of our people." He urged labor to forego its demand saying it would bring "still higher prices for most of the products of industry."

Probe Of Costs

The committee called the steelmakers to find out whether the $4.85-a-ton increase in semi-finished steel prices will mean higher living costs.

Fairless said the increase is "too small and unimportant" to be inflationary. Its influence on the general price level has been "grossly exaggerated," he continued, adding that much of the criticism is "emotional or political in character."

Both Fairless and Homer told of rising costs. Fairless estimated labor costs of his firm were up 80 per cent since 1940, while he said worker output has dropped.

Dividend Cited

Senator O'Mahoney (D., Wyo.) wanted to know how, in view of this "sad picture," United States Steel was able to pay an extra dividend in 1947.

"We declared it out of earnings of course," Fairless answered. "The history of United States Steel dividends is a sad one as far as the stockholders are concerned."

Fairless said United States Steel "will give earnest consideration to" a cut in prices of various steel products "when costs are no longer on the upward trend."

Policy Of "Restraint"

Homer, too, said that price reductions "will not be to long deferred" once cost increases "can be sufficiently restrained through wage stability and increased production efficiencies."

The Bethlehem chief insisted that his firm has followed a policy of "price restraint." He said it has carried that policy "so far that we are now forced to rely heavily on our earnings in order to finance the largest expansion in our history."

Homer said that average hourly earnings have gone up 95 per cent over the 1936-1939 base, and that the cost of living went up 68 per cent in the same period. Saying he saw no need of further wage increases, he added:

"We believe that our employes are becoming convinced that it is in their own interest and the public's interest that the spiral of upward costs and prices be halted."

Fairless said that while his company made a 1947 profit of $127,000,000 on all kinds of steel, it dropped about $1,000,000 on its January, 1948, sales of the semi-finished product.

"Not Sound Business"

"I do not think it is sound business or good economics to conduct one segment of our business at a loss of around $1,000,000 a month," he said. The loss did not result from lack of demand, he added, but from "an unsound and improper relationship between costs and selling prices."

"Even after this price adjustment," Fairless testified, "one of our semi-finished products is still selling at a loss."

Contending that the inflationary influence of the price increase has been "grossly exaggerated," the industrialist commented:

"United States Steel is a victim of inflation and not the cause of it. Steel prices as a whole have lagged far behind the prices of other commodities. United States Steel cannot fairly be made the scapegoat for the nation's ills."

No General Rise Planned

He said United States Steel has made no general increase in prices and "does not now contemplate making any such increase." Moreover, he said the firm has made "no agreement or understanding, private or otherwise, to grant further wage increases."

Fairless added the suggestion, "which I hope may be helpful in the public interest," that labor could help hold prices down by not making further wage demands now.

"I don't believe such a wage increase will in the long run bring benefit to anyone," he said.

any additional spending for the Air Force will have to be at the expense of universal military training and be deducted from army and navy funds.

Would Shift Defense Funds

"I think we may be able to get a billion dollar more for the Air Force by cutting out $400,000,000 for universal military training and shifting some army and navy funds over," the Ohio Senator said.

Taft said he wants this country to have the world's most efficient Air Force. But he said it remains to be seen whether it will be necessary, as the congressional aviation policy board urged, to have 35,000 warplanes.

The board said such a program would involve spending about ten billion dollars a year on all aviation projects, compared with about $3,830,000,000 this year.

Taft said he thinks it may be necessary to boost these expenditures to $5,000,000,000 when delivery of the new planes actually begins.

Seems Large, Byrd Says

The board's proposals—advanced with the warning that this country "continuously" faces the possibility of attack—looked pretty big to some other lawmakers.

Senator Byrd (D., Va.) said that while he wants a topnotch air force, the estimate of the air policy board seems large.

"However," he added, "I would rather put some of that money into air power instead of foreign economic programs."

Washington, March 2 (AP)—Senator Knowland (R., Cal.) urged today that Congress put American defenses "in first-class condition" as well as combatting communism through aid to Europe.

"We must have an air force in being, and not just in blueprint," Knowland told the Senate during debate on the $5,300,000,000 European recovery plan.

He also urged that Congress pass legislation for universal military training.

Knowland took the floor after offering an amendment to legislation for the aid program.

Proposes Restriction

He proposed to write in a prohibition against sending to countries not taking part in the program any materials needed by those countries coming in the program.

Knowland said that while essential materials should be channeled to participating nations, Congress has a right to expect that none shall go to nations attempting to wreck the program.

The California senator said he would vote for the program recommended unanimously by the Senate Foreign Relations Committee, but expressed hope that his amendment would be accepted.

Senator Wherry (Neb.), acting Republican floor leader, said a number of his colleagues have indicated they want more information about the $5,300,000,000 program.

The top question confronting the Senate is whether the amount of money involved can be safely cut.

Taft, Ball Favor Slash

Senator Taft (R., Ohio) believes it can. So does Senator Ball (R., Minn.), one of the leaders of the so-called GOP "revisionist" group.

Taft has not yet announced an alternate figure. But Ball may lay before a revisionist meeting tonight a proposal to trim the sum to $3,500,000,000. At the same time, the group is expected to decide what other amendments may be offered, either by individuals or on behalf of the entire bloc of some twenty senators.

Thus the outcome of tonight's meeting will have a definite bearing on the timetable proposed by Chairman Vandenberg (R., Mich.) of the Foreign Relations Committee. Vandenberg has asked that the program be approved by March 15 and sent to the House.

Issues Warning

He opened debate on the bill yesterday by declaring that the Communist "iron curtain must not come to the rims of the Atlantic by aggression or default."

Steel-Price Rise May Start Wage Move, Taft Says

Washington, March 2 (AP)—Senator Taft (R., Ohio) expressed fear today that the recent steel-price increase might touch off new demands for wage boosts.

He said he is concerned that "one of the fundamental industries comes along and increases its prices" despite pleas from President Truman and others to hold down prices generally.

Taft, head of the Senate-House Economic Committee, aimed his remarks at Benjamin F. Fairless, president of the United States Steel Corporation. Fairless was a witness at a committee hearing on the steel price increase.

Query To Fairless

Taft asked Fairless if he did not think the increase would encourage every labor union to ask for more wages.

"Isn't that the moral effect?" he pressed. "Hasn't it increased the

Taft Favors Billion Rise In Air Force's Budget

Washington, March 2 (AP)—A billion-dollar increase in the Air Force budget was suggested today by Senator Taft (R., Ohio).

Although Taft said he doesn't like to talk in abstract figures, he said he is willing to spend considerable more on building up the nation's air power than Mr. Truman has proposed.

In his $39,669,000,000 budget for the year beginning July 1, the President suggested an outlay of $1,230,700,000 for military aircraft.

Taft, however, made it clear that

in Czechoslovakia and new Russian demands on Finland as adding urgency to his proposal for speedy, favorable action.

Taft, however, said that so far as he can see, the Communist coup "doesn't have any effect on the Marshall plan." But he added that it has "strengthened the case for military aid for Greece and Turkey."

President Truman seeks $275,000,000 for those two nations.

Aid In A "Single Passage"

On the House side, meanwhile, Chairman Eaton (R., N.J.) said his Foreign Affairs Committee would wrap up the Marshall plan, the Greek-Turkish aid request and aid for China into a "single package."

The House committee also announced that it has invited Gen. Douglas MacArthur, supreme commander in Japan, and Gen. Claire Chennault, former commander of the Flying Tigers, to testify on the $570,000,000 aid to China program.

The two military leaders were invited to testify either in person or by correspondence. MacArthur has already indicated he would not be able to appear before the committee. Chennault declined to say in Shanghai whether he would accept the invitation.

SURPLUSES LEAVE ROOM FOR TAX CUT, SENATE BODY TOLD

WASHINGTON, March 2 — (AP) A former New Deal treasury official, urging a tax cut, pointed today to England, France and Italy as examples of "stagnation" caused by too-high taxes.

He warned it could happen here.

John W. Hanes, undersecretary of the Treasury in 1938-39 and now a New York corporation executive, told the Senate Finance Committee he favored a "good, healthy" income tax reduction.

Urges General Cut

He said the cut should be general, and not just for low income brackets.

A cut in taxes for those in upper brackets, he said, would "revitalize risk capital, help maintain employment, and through increased production, lower the cost of goods and services to the consumer."

But he said the tax reduction should not be as large as the $6,500,000,000 voted by the House.

Senator Brewster (R-Me) predicted the committee will vote to cut income taxes about $4,500,000,000.

Last year a four billion tax cut bill was passed by Congress. President Truman vetoed two versions of that measure, and the vetoes stuck.

This year's bill would cut taxes from 30 per cent for persons with the lowest income to 10 per cent for those in the highest brackets.

Brewster said he believes the Senate committee probably will make the reductions range from 15 to 5 per cent.

According to this plan, the House provision for a $600 exemption for every dependent would be unchanged.

Hanes, testifying today, predicted the government will take in nearly $20,000,000,000 more than it spends this year and next.

Sees Room for Cut

He said this should leave "ample room" for a tax cut. The surplus, he said, indicates "the government is taxing the people far beyond its needs."

"Tax laws which steal from the individual the fruits of his labor will produce stagnation in this country just as it has done in England, France, Italy and elsewhere," he said.

"Socialism and capitalism cannot live together. x x x We cannot afford any further experiments in Socialism."

His 20 billion surplus estimate is far higher than the administration's. But he said the Treasury has "revised their revenue estimates upwards" three times already and he does not have much faith in its current estimates of about twelve billion.

Clarence D. Laylin, representing the National Association of State Chambers of Commerce, told the committee his group "would be opposed" to cutting the $6,500,000,000 House figure.

The Association, he said, sees "no revenue necessity" for a smaller cut.

WORLD BANK'S NEXT FINANCING

McCloy Says Issue May Be Floated Abroad.

Washington, March 2.—John McCloy, president of the International Bank for Reconstruction and Development, said today that the bank's next bond issue may be floated in foreign countries and that the issue would be more than a mere token.

McCloy said that he already has talked with British, Swedish and other foreign financial experts about the possibility that bank securities might find a market in those countries. He expressed interest in discussing the same subject with Swiss representatives who have come here reportedly to talk about blocked assets. The bank, he said, has no immediate plans to go through with the foreign issue and it has taken no definite steps to carry out such a plan.

The bank's president said in reply to questions that the Spanish government some time ago had inquired at the bank about the procedure for joining, but nothing has been heard from that country since then.

Asked whether Communist moves in Europe had in any way changed the status of directors representing Poland, Czechoslovakia or Yugoslavia, McCloy said "no" and added that he would hate to lose any of the directors now serving with the bank.

Finland, having recently joined the bank, already has inquired about loan possibilities for transportation and other projects. Asked in this connection whether the bank had any specific attitude about lending to countries which still pay reparations, McCloy said the bank had reached no decision on the question.

Biggest Tariff Fight In 2 Decades Looms

Washington, March 2 (AP)—The biggest Republican-Democratic tariff battle in almost two decades loomed today.

President Truman has asked Congress to continue the Reciprocal Trade Act "as is" for three years. He said this would be a boon to peace and to world economic recovery. Unless renewed, the law expires June 12.

But Chairman Taft (R., Ohio) of the Senate GOP Policy Committee said that a three-year extension of the act is unlikely.

Sees Ratification Requirement

He said Republicans would probably restrict the law to a shorter term and require ratification by a majority vote in each house before any trade pact becomes effective.

Representative Doughton (N.C.), 84-year-old Democratic leader of many a tariff battle and who was author of the original Reciprocal Trade Act in 1934, has tossed a bill into the hopper to extend the act three more years.

Chairman Eaton (R., N.J.) of the House Foreign Affairs Committee commented:

"I would hate to see in this present world situation any impairment of our efforts to build up trade with the friends we have left in the world.

Fears "Bog Of Confusion"

"Generally, I favor congressional ratification of any sort of treaty, but an effort to apply this principle to trade pacts might put us in a bog of confusion and delay."

Representative Gearhart (R., Cal.) led the revision movement in the House, telling reporters: "I am for continuation of the act only with restrictive amendments."

He proposed these changes:

1. Congressional ratification with a majority vote in each house, before any trade pact becomes effective.

2. Permit court suits by any person considering himself injured by a trade agreement—including the right of injunction against enforcement if he can prove injury.

3. Limit the "most favored nation" clause to "those countries that do not discriminate against us." Under this clause, all nations which sign the reciprocal-trade agreement get, on any given commodity, a tariff rate equal to the lowest rate the United States has agreed for any single nation.

Representative Mills (D., Ark.) said the "ratification" amendment "would simply mean the killing of the reciprocal-trade program."

Truman Asks Congress Approval of Defense Board Post

WASHINGTON, March 2 (AP) President Truman asked Congress today for legislation enabling him to reappoint Dean Acheson as civilian member and chairman of the American Section of the Joint United States-Canadian Defense Board.

Present law forbids anyone to hold a Government job, even part time, who is connected with a private firm that may prosecute claims against the Government.

Mr. Acheson has practiced law since he resigned as Under-Secretary of State on June 30, 1947. He recently gave up the Defense Board post because of what the President described as the "technical bearing" of the statutes on Federal-private employment.

In letters to Senator Arthur H. Vandenberg, Republican, of Michigan, Senate president, and House Speaker Joseph W. Martin Jr., Republican, of Massachusetts, Mr. Truman said he believed Congress would agree that Mr. Acheson's service on the board "is far indeed from those situations where the Congress feared there might be divided loyalty or the use of 'inside' information for private purposes."

The President described the board as an advisory body which recommends to the two Governments joint security measures against attack from abroad.

TRUMAN SPORTS NEW FISHING CAP

Key West, Fla., March 2 (A. P.).—President Truman followed a familiar vacation pattern today as he sauntered around the submarine base here in a pair of pinkish slacks and an open-neck sports shirt.

With him were his closest confidants in an odd assortment of toggery and a wide variety of hats. Mr. Truman, whose collection of headgear is the envy of his associates, appeared in a new long-billed cap with built-in sun glasses.

Already equipped with a white sulky cap, a salt-and-pepper seaboard headpiece, a pith helmet, a yachting cap and a variety of other numbers, he bought this one from a Secret Service man who picked it up in Key West. There was a rush to the same store by his companions for similar ones.

It had no fascination for Fleet Admiral William D. Leahy, however. He went fishing in a battered old felt of ancient vintage.

The President didn't get any fish. "Nope," he said. "Mine got away. It was a grouper, I think. That fish must have weighed ninety pounds. He broke the line."

PRESIDENT NEARS END OF VACATION

KEY WEST, Fla., March 2 (AP) —President Truman swam, strolled and sunbathed again today.

Eben Ayres, press secretary, said the president got up at 8 o'clock—an unusually late hour for him. He breakfasted, read official correspondence flown in from Washington, wrote a few letters and took off for the beach.

In the afternoon, he lounged around and napped.

He flies back to Washington Friday morning from what may be his last extended vacation before the 1948 presidential campaign.

He wouldn't talk about his candidacy at a news conference yesterday.

The White House staff has consistently refused to comment on southern Democratic threats of revolt because of Mr. Truman's advocacy of anti-lynching legislation, poll tax repeal, non-segregation on interstate carriers and other legislation of that nature.

LAMARRE TELLS OF HIS 'CONTEMPT' FOR GEN. MEYERS

WASHINGTON, March 2.—(AP) The government's main witness against Maj. Gen. Bennett E. Meyers said today he still wants to see Meyers "crawl on his belly."

The witness, Bleriot H. Lamarre, 36-year old former business associate of Meyers, testified today that he has "contempt" for the wartime No. 2 purchasing chief of the army air forces.

Tries to Shake His Story

Lamarre's comment came during a defense attempt to shake his story that he lied at a senate investigation last fall of Meyers' business affairs.

Meyers is being tried on charges that he persuaded Lamarre to deny falsely that Gen. Meyers received more than $150,000 wartime profits from a Dayton, Ohio, plane parts firm, the Aviation Electric Co. Lamarre says he was "dummy" president of the firm.

Robert T. Bushnell, New York attorney for Meyers, asked if Lamarre's "bias and hostility" against Meyers began when the general refused to pay Lamarre approximately $6,000.

That is the sum Lamarre said he had expected Meyers to pay him when the Aviation Electric company was dissolved.

Lamarre denied that he had been promised a light sentence on separate charges of perjury, to which he has already pleaded guilty, in return for his present testimony against Meyers. He also denied "hostility" toward Meyers.

"Would you do anything to hurt him?" Bushnell asked.

"No, I would not," Lamarre replied.

"Would you do anything to help him?"

"No, I would not."

"Well, would you like to see him crawl out of this courtroom on his belly?"

"Yes, I would," Lamarre replied cooly.

Lamarre had testified at the senate probe he wished to see Gen. Meyers "crawl out of this (senate committee) room on his belly like the snake that he is."

His "contempt" for Meyers, Lamarre said today, dated from the time Meyers told the senate committee he had been "friendly" with Lamarre's wife, with Lamarre's consent. Mrs. Lamarre, waiting to testify at the present trial, has denied she ever was Gen. Meyers' "girl friend."

C.I.O. SUPPORTS BAN ON RADIO OPINION

Washington, March 2 (A. P.).—Radio's battle for the right to broadcast its own editorial opinions, now being waged before the Federal Communications Commission, ran into opposition today. The C. I. O. ranged itself beside James Lawrence Fly, former FCC chairman, in support of the "no-editorial" rule which now binds the industry.

A union spokesman said the C. I. O. is ready to tell the FCC hearing that radio is "big business, dependent on advertising." If broadcasters were allowed to take sides, he contended, they would reflect a commercial point of view.

As the hearing opened yesterday the heads of three networks—NBC, ABC and CBS—asked a reversal of the ban. Radio should enjoy the same freedom as the press, they argued, with no regulatory strings attached. The hearing on whether to change the FCC's "Mayflower decision" may last a week or more. That ruling forbade the Mayflower Broadcasting Corporation of Boston—and by implication, all other radio stations and networks—to "advocate the causes" of its owner in politics or controversial matters.

FLY DEFENDS RADIO POLICY

Former FCC Head Backs 'No Editorializing' Rule

Washington, March 2 (AP)—The radio industry should not be allowed to "grind its own ax" over the air, former Chairman James L. Fly told the Federal Communications Commission today.

Occupying a witness chair, Fly defended the "no-editorializing" rule which became FCC policy during his five-year regime in the commission.

Free As Individual

"The individual broadcaster, in his individual capacity, is free to speak his mind on any subject under the law," Ely testified.

"He is not free to speak his mind, to the exclusion of others, through the medium of broadcasting and over a station which he operates through temporary and conditional possession of a license."

Fly now is an attorney in New York. His clients include radio companies, but his appearance here was in behalf of the American Civil Liberties Union.

1941 Decision Involved

It marked a day in which FCC—now trying to decide whether to reverse itself—heard the first substantial opposition to any change in its policy. The FCC's 1941 "Mayflower Decision" forbids the management of stations or networks—but not news commentators—from taking sides in politics or on controversial issues.

The presidents of three major networks opened the hearing yesterday by asking that FCC scrap the policy. They asked the same editorial freedom as newspapers.

But Fly said freedom of speech is better served by requiring radio to give the public "unrestricted access to all points of view."

"Illusion Of Green Pastures

The wish to editorialize, he said, is largely "an illustion of green pastures on the part of broadcasters—they 'want to be like newspapers'."

"I wonder if they really want to sink to the comparatively impotent level of the daily press," Fly said.

Radio's potential influence on public opinion "is not merely dynamite, it is atomic," Fly asserted.

As To Public Opinion

"Have we forgotten," he asked, "the impact on public opinion of Roosevelt, Long and O'Daniel? What newspaper man has had a comparable influence on public opinion?"

Joseph A. Beirne, president of the Communications Workers of America, appealed for retention of the present rule and "stronger enforcement of it."

"Broadcasters are too closely dependent upon advertising revenue to permit fair and reasonable editorial policies," he telephone workers' leader said.

TOKYO,WEDNESDAY,MARCH 3-(AP)-THE DEATH PENALTY FOR JAPAN'S WARTIME LEADERS, NOW ON TRIAL AS WAR CRIMINALS, MIGHT MAKE THEM MARTYRS, THE DEFENSE WARNED THE INTERNATIONAL COURT TODAY.

"...HISTORY IS REPLETE WITH INSTANCES WHERE A DEATH PENALTY IMPOSED ON A POLITICAL OR RELIGIOUS LEADER NOT ONLY PURGES ALL HIS OFFENSES BUT MAGICALLY LENDS GLORY TO AN OTHERWISE PROSAIC LIFE," DR.KENZO TAKAYANAGI DECLARED. HE REPRESENTED THE DEFENSE IN ARGUING ON THE APPLICATION OF INTERNATIONAL LAW TO THE CURRENT TRIAL OF THE 25 ACCUSED JAPANESE.

IT IS RECOGNIZED THAT INDIVIDUALS CAN BE PUNISHED FOR VIOLATING RULES OF WARFARE, HE ARGUED, BUT "CRIMES AGAINST PEACE AND CRIMES AGAINST HUMANITY," INCLUDED IN THE ALLIED INDICTMENT OF THE JAPANESE, HAVE NEVER BEFORE BEEN RECOGNIZED IN INTERNATIONAL LAW.

THESE TWO CLASSIFICATIONS ARE KEYSTONES IN THE PROSECUTION CHARGES THAT WARTIME PREMIER HIDEKI TOJO AND HIS FELLOW DEFENDANTS CONSPIRED TO PLAN AND WAGE AGGRESSIVE WARS WHICH COST MILLIONS OF LIVES.

TAKAYANAGI CHALLENGED THE RIGHT OF THE PROSECUTION TO CONDUCT THE TRIAL UNDER SURRENDER TERMS SIGNED BY JAPAN, BUT PRAISED THE COURT FOR FAIRNESS. ITS CONDUCT, HE SAID, COMPLETELY DISPELLED RUMORS IT WAS SET UP MERELY "TO PUNISH ENEMY LEADERS" ARBITRARILY.

BRITISH COLONIAL SECRETARY ARTHUR CREECH-JONES TOLD THE COUNCIL IN EFFECT THAT BRITAIN COULD NOT ACCEPT THE AMERICAN RESOLUTION. HE INSISTED AGAIN THAT BRITAIN'S DECISION TO END THE PALESTINE MANDATE MAY 15 IS "IRREVOCABLY FIXED."

CREECH-JONES SAID THE PROBLEM WAS ONE IN WHICH ALL U.N. MEMBERS MUST TAKE PART INSTEAD OF JUST THE BIG FIVE. HE REPEATED THAT BRITAIN COULD NOT PARTICIPATE IN ANY WAY IN CARRYING OUT A SCHEME WHICH INVOLVES "COERCION" OF EITHER THE JEWS OR ARABS OR THE ASSUMPTION OF FURTHER COMMITMENTS BY THE BRITISH GOVERNMENT.

CREECH-JONES ATTACKED THE JEWISH AGENCY FOR PALESTINE, SAYING IT HAD TAKEN "COMPARATIVELY LITTLE POSITIVE ACTION" TO SUPPRESS "RUTHLESS MURDERS" IN PALESTINE.

LAKE SUCCESS, MARCH 2-(AP)-RUSSIA SAID TODAY SHE ACCEPTED IN PRINCIPLE A UNITED STATES PROPOSAL FOR BIG POWER CONSULTATIONS ON THE PALESTINE PROBLEM.

IN THE FIRST SOVIET POLICY DECLARATION ON IMPLEMENTATION OF THE PARTITION PLAN, RUSSIA'S ANDREI A.GROMYKO SAID THE FIVE GREAT POWERS SHOULD CONSULT "AMONG THEMSELVES" AND REPORT BACK TO THE UNITED NATIONS SECURITY COUNCIL IN "10 OR 15 DAYS."

HE PROPOSED CONSULTATIONS ON AN INFORMAL BASIS RATHER THAN IN A SPECIAL COMMITTEE AS THE U.S. SUGGESTED.

GROMYKO SPOKE AFTER BRITAIN ANNOUNCED SHE WOULD NOT SERVE ON THE BIG POWER GROUP.

THE UNITED STATES, MEANWHILE, RE-AFFIRMED ITS SUPPORT OF THE PARTITION OF PALESTINE BUT SAID IT MUST BE CARRIED OUT BY "PEACEFUL MEASURES."

GROMYKO ANNOUNCED AT THE OUTSET THAT HE DID NOT INTEND TO DEAL AT THIS STAGE WITH THE POSSIBILITY OF CREATING AN INTERNATIONAL FORCE FOR PALESTINE.

HE EXPRESSED A BELIEF THAT FORMAL ESTABLISHMENT OF A BIG POWER COMMITTEE, AS PROPOSED BY THE U.S., WOULD "DRAG OUT SETTLEMENT."

"ANY DELAY IN CONSIDERATION OF THE QUESTIONS CAN'T BE JUSTIFIED," GROMYKO SAID.

REGARDING THE U.S. PROPOSAL FOR CONCILIATION TALKS WITH JEWISH, ARAB AND BRITISH REPRESENTATIVES, GROMYKO SAID THERE WAS NO NEED FOR SUCH CONSULTATIONS AS THE RESULTS OF PREVIOUS EFFORTS ARE WELL KNOWN TO HAVE FAILED.

HE SAID THIS U.S. PROPOSAL WAS "ARTIFICIALLY PUT FORWARD."

HE SAID HE WOULD DELETE ALL PORTIONS OF THE AMERICAN RESOLUTION DEALING WITH CONSULTATIONS WITH THE INTERESTED PARTIES AND CONFINE THE TALKS TO DISCUSSIONS AMONG THE BIG FIVE ON WHAT SHOULD BE DONE TO SOLVE THE PALESTINE PROBLEM.

THE COUNCIL ADJOURNED AT 4:48 P.M. (EST) UNTIL 2:30 P.M. TOMORROW.

U.S. CHIEF DELEGATE WARREN R.AUSTIN ALSO TOLD THE UNITED NATIONS SECURITY COUNCIL THAT "ARMED FORCE CANNOT BE USED FOR IMPLEMENTATION" OF THE U.N. ASSEMBLY'S 1947 DECISION ON PARTITION.

IN THE MIDST OF AUSTIN'S SPEECH, A WOMAN AROSE FROM THE AUDIENCE AND BEGAN SHOUTING.

"WHAT KIND OF ACTION?" SHE DEMANDED AT ONE POINT. U.N. GUARDS RUSHED TO HER SIDE. SHE WAS LED FROM THE CHAMBER SAYING: "IS THERE NO RIGHT FOR AN AMERICAN?"

HER REFERENCE TO "ACTION" FOLLOWED AUSTIN'S USE OF THAT WORD.

AUSTIN HAD JUST FINISHED SAYING THAT THE ASSEMBLY HAD ASKED THE COUNCIL TO DETERMINE WHETHER A THREAT TO INTERNATIONAL PEACE EXISTS IN PALESTINE "AND IF SUCH THREAT IS FOUND" TO TAKE "ACTION UNDER CHAPTER VII" OF THE U.N.CHARTER.

IN HIS SECOND PALESTINE POLICY DECLARATION, AUSTIN REPEATED HIS EARLIER ASSERTION THAT THE U.N. CHARTER "LIMITS THE USE OF UNITED NATIONS FORCE EXPRESSLY TO THREATS AND BREACHES, AND AGGRESSION AFFECTING INTERNATIONAL PEACE."

HE ADDED THAT THE SECURITY COUNCIL "MAY REGARD ATTEMPTS TO ALTER BY FORCE THE SETTLEMENT ENVISAGED BY THIS (THE U.N. ASSEMBLY'S) RESOLUTION AS CONSTITUTING SUCH A THREAT."

THIS APPEARED TO GO A STEP FARTHER THAN THE U.S. STATEMENT OF LAST TUESDAY WHEN AUSTIN MADE A LEGAL DISTINCTION BETWEEN THE USE OF FORCE TO IMPLEMENT PARTITION AND THE USE OF FORCE TO MAINTAIN PEACE.

AUSTIN SPOKE AGAINST A BELGIAN MOVE TO AMEND A PENDING U.S. PALESTINE RESOLUTION IN THE COUNCIL. BELGIUM PROPOSED TO ELIMINATE A PARAGRAPH IN WHICH THE SECURITY COUNCIL WOULD ACCEPT AN ASSEMBLY REQUEST FOR AID IN CARRYING OUT PARTITION.

DEFENDING HIS OWN RESOLUTION, AUSTIN SAID A VOTE FOR THE ORIGINAL AMERICAN VERSION OF THIS RESOLUTION WOULD BE "A VOTE FOR PARTITION AS A PALESTINE SOLUTION."

AUSTIN WENT ON TO SAY: MAR 1948

"THE GENERAL ASSEMBLY VOTED FOR PARTITION AS A PALESTINE SOLUTION. THE UNITED STATES OF AMERICA VOTED FOR THAT SOLUTION AND STILL SUPPORTS IT."

AUSTIN THEN POINTED OUT THAT THE U.S. FEELS THE POWERS OF THE SECURITY COUNCIL WERE LIMITED TO ACTION ONLY IF PEACE IS THREATENED.

"THEREFORE," HE SAID, "WE MUST INTERPRET THE GENERAL ASSEMBLY RESOLUTION AS MEANING THAT THE UNITED NATIONS MEASURES TO IMPLEMENT THIS RESOLUTION ARE PEACEFUL MEASURES."

more

THE REASONING BEHIND THE OPPOSITION TO THE AMENDMENT WAS EXPECTED TO AMPLIFY THE AMERICAN POSITION ON THE WHOLE UNITED NATIONS PARTITION SCHEME. DEAN RUSK, AUSTIN'S TOP ADVISER ON PALESTINE, RETURNED FROM WASHINGTON LAST NIGHT AFTER CONFERENCES WITH STATE DEPARTMENT OFFICIALS. IT WAS PRESUMED HE TALKED EITHER WITH SECRETARY OF STATE GEORGE C.MARSHALL OR WITH TOP OFFICIALS FAMILIAR WITH THE SECRETARY'S VIEWS.

BELGIUM SEEKS TO ELIMINATE A SECTION OF THE AMERICAN PLAN PROVIDING THAT THE COUNCIL ACCEPT THE PARTITION TERMS LAID DOWN BY THE GENERAL ASSEMBLY. THE BELGIAN STAND IS THAT ACCEPTANCE WOULD BE PREMATURE IF THE MAJOR POWERS ARE TO CONSULT. THE U.S. HOWEVER HOLDS THAT SUCH AN AMENDMENT MIGHT BE VIEWED AS A RETREAT FROM PARTITION.

DELEGATES STILL ARE WAITING TO HEAR FROM RUSSIA'S ANDREI A.GROMYKO. A PALESTINE COMMISSION REPORT ASKING THE COUNCIL FOR INTERNATIONAL FORCE TO CARRY OUT PARTITION HAS BEEN IN THE HANDS OF ALL DELEGATES FOR TWO WEEKS. THE SOVIET UNION HAS NOT SAID A WORD ABOUT IT SO FAR.

ALSO ON THE U.N. PROGRAM TODAY IS A MEETING OF THE LITTLE ASSEMBLY (10:30 A.M. EST). DEBATE IS SCHEDULED ON A SERIES OF PROPOSALS FOR PERFECTING CONCILIATION MACHINERY, INCLUDING A JOINT CHINESE-AMERICAN PLAN.

THORNBURG, NOW AN INDUSTRIAL CONSULTANT IN THE MIDDLE EAST, WROTE BREWSTER FROM HIS HOME ON UMM A'SABAAN ISLAND, BAHRAIN, PERSIAN GULF. HE SENT A COPY OF HIS OPEN LETTER TO THE ASSOCIATED PRESS.

THE LETTER SAID FRIENDS IN THE UNITED STATES HAD SENT HIM CLIPPINGS OF NEWS STORIES ABOUT A HEARING BY BREWSTER'S SENATE WAR INVESTIGATING COMMITTEE JAN.24. THE STORIES QUOTED BREWSTER AS ASKING CHARLES EVANS HUGHES, JR., COUNSEL FOR THE ARABIAN-AMERICAN OIL CO., WHAT HE THOUGHT ABOUT "THE PLACING OR PLANTING OF MR.MAX THORNBURG IN OUR STATE DEPARTMENT TO INFLUENCE OUR FOREIGN POLICY."

HUGHES REPLIED: "THAT'S YOUR INTERPRETATION, I DON'T WANT TO DISCUSS IT."

THORNBURG WROTE THAT BREWSTER'S CHARGE WAS FALSE AND UNFAIR.

ONE OF THE WITNESSES WAS FORMER INTERIOR SECRETARY HAROLD L.ICKES, ONE-TIME PETROLEUM ADMINISTRATOR FOR WAR. SAN FRANCISCO,MARCH 2-(AP)-U.S.CUSTOMS AUTHORITIES ARE HOLDING A 90 POUND PACKAGE CONSIGNED TO RUSSIA FROM THE CYCLOTRONIC SPECIALTIES CO., OF MORAGA,CALIF., TO SEE WHETHER OR NOT IT SHOULD BE SEIZED.

COLLECTOR OF CUSTOMS PAUL LEAKE SAID TODAY THE MATTER WAS REFERRED TWO WEEKS AGO TO WASHINGTON AND "WE'RE WAITING FOR A DECISION." SHIPMENT OF THE PACKAGE WAS HELD UP FIVE MONTHS AGO.

D.R.TIBBETTS, PRESIDENT OF THE COMPANY, CALLED THE CASE A "COMEDY OF ERRORS." HE SAID CUSTOMS AGENTS BELIEVED THE SHIPMENT CONTAINED GEIGER COUNTERS, USED IN ATOMIC RESEARCH. HE ADDED "THE INSTRUMENTS ARE NOTHING MORE THAN ELECTRO-MAGNETIC CLOCKING DEVICES NOT USED IN ATOMIC ENERGY RESEARCH OF ANY KIND."

TIBBETTS SAID TELEPHONE COMPANIES USE SIMILAR INSTRUMENTS BY THE HUNDREDS IN COUNTING AUTOMATICALLY THE NUMBER OF TELEPHONE CALLS GOING OVER A LINE. CANNERIES ALSO USE THEM TO COUNT THE NUMBER OF TIN CANS GOING BY ON A CONVEYOR BELT.

CHICAGO, MARCH 2-(AP)-THE EXECUTIVE COMMITTEE OF THE ATOMIC SCIENTISTS OF CHICAGO ASSERTED TODAY THAT CONTACTS WITH FOREIGN SCIENTISTS IS A "ROUTINE PART OF A SCIENTISTS LIFE."

THE COMMITTEE SAID IT WAS "DISTURBED" BY THE ACTION OF THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE THAT CALLED DR.EDWARD U. CONDON, ATOMIC SCIENTIST, AND HEAD OF THE GOVERNMENT'S BUREAU OF STANDARDS "ONE OF THE WEAKEST LINKS IN OUR ATOMIC SECURITY."

THE EXECUTIVE COMMITTEE OF THE ASC, AN ORGANIZATION REPRESENTING SCIENTISTS WHO PIONEERED IN DEVELOPMENT OF THE ATOMIC BOMB, SAID IN A STATEMENT:

"ATTACKS OF THIS NATURE ON A DISTINGUISHED SCIENTIST WILL INCREASE THE GOVERNMENT'S DIFFICULTY IN OBTAINING THE SERVICES OF ABLE SCIENTISTS. IF AS A RESULT OF SUCH ATTACKS, DR.CONDON SHOULD PERCHANCE RESIGN HIS DIRECTORSHIP OF THE BUREAU OF STANDARDS IN DISGUST, IT IS UNLIKELY THAT THE GOVERNMENT COULD FIND A SUCCESSOR OF COMPARABLE TALENT AND STANDING."

THE CHICAGO GROUP ACCUSED THE HOUSE SUBCOMMITTEE OF ISSUING "A LIST OF INNUENDOES INCLUDING THE STATEMENT THAT DR.CONDON HAD 'KNOWINGLY OR UNKNOWINGLY ENTERTAINED OR ASSOCIATED WITH PERSONS WHO WERE ALLEGED SOVIET AGENTS.' THERE IS NO WAY IN WHICH DR. CONDON COULD POSSIBLY DEFEND HIMSELF AGAINST INNUENDOES OF THIS TYPE IN ORDER TO PROTECT HIS NAME."

SAN FRANCISCO,MARCH 2-(AP)-THE IMMIGRATION SERVICE RECESSED ITS DEPORTATION CASE AGAINST NAT YANISH TODAY AFTER PLACING A SECOND CHARGE AGAINST THE 38-YEAR-OLD ADMITTED COMMUNIST, ADVERTISING MANAGER FOR THE DAILY PEOPLE'S WORLD.

THE SECOND CHARGE SAID THE COMMUNIST PARTY TO WHICH YANISH BELONGS HAS WRITTEN AND PRINTED LITERATURE ADVOCATING VIOLENT OVERTHROW OF THE UNITED STATES GOVERNMENT. THE FIRST CHARGE WAS THAT YANISH, A NATIVE OF RUSSIA WHO ENTERED THIS COUNTRY IN 1917, BELONGED TO A POLITICAL PARTY WHICH ADVISED, ADVOCATED AND TAUGHT OVERTHROW OF THE GOVERNMENT BY VIOLENCE.

IMMIGRATION SERVICE ATTORNEY ROBERT S. DE MOULIN SAID THE YANISH CASE MAY LEAD TO A NEW UNITED STATES SUPREME COURT DECISION ON WHETHER THE COMMUNIST PARTY STANDS FOR VIOLENT OVERTHROW OF THE GOVERNMENT. SINCE YANISH HAS ADMITTED PARTY MEMBERSHIP, DE MOULIN SAID, THE QUESTION IS WHETHER THE PARTY STANDS FOR UNCONSTITUTIONAL MEANS OF DISPLACING THE PRESENT GOVERNMENT.

WASHINGTON,MARCH 2-(AP)-ALL BUT THE CLOSING FORMALITIES WERE COMPLETED TODAY IN THE PERJURY TRIAL OF HAROLD CHRISTOFFEL.

A FEDERAL DISTRICT COURT JURY IS EXPECTED TO RECEIVE THE CASE SOMETIME TOMORROW AFTER HEARING CLOSING ARGUMENTS IN BEHALF OF THE MILWAUKEE LABOR LEADER BY HIS COUNSEL, O.JOHN ROGGE.

ROGGE ABRUPTLY RESTED THE DEFENSE CASE TODAY WITHOUT PUTTING CHRISTOFFEL ON THE STAND. WITHOUT EXPLANATION, HE EXCUSED THREE MORE MILWAUKEE DEFENSE WITNESSES AFTER JUDGE EDWARD M.CURRAN DECLINED TO PERMIT HIM TO READ A STATEMENT TO THE JURY.

THE STATEMENT, MADE BY CHRISTOFFEL TO THE HOUSE LABOR COMMITTEE MARCH 1, 1947, IS PART OF A GOVERNMENT EXHIBIT. IT WAS NOT THIS, BUT SUBSEQUENT STATEMENTS BY CHRISTOFFEL THAT SAME DAY TO THE COMMITTEE THAT RESULTED IN HIS INDICTMENT FOR PERJURY.

IN THE LATTER TESTIMONY HE DENIED HE HAD BEEN A COMMUNIST OR HAD

BEEN CONNECTED WITH COMMUNISTS OR THEIR ACTIVITIES.

THE STATEMENT ROGGE WANTED TO READ TO THE JURY INCLUDED CRITICISM OF THE ALLIS-CHALMERS COMPANY OF MILWAUKEE.

FRANK H.PATTON, A SPECIAL ASSISTANT TO THE ATTORNEY GENERAL, TOLD THE JURY THAT TESTIMONY OF THE FIRST FOUR OF SIX DEFENSE WITNESSES MONDAY "WAS THE MOST REHEARSED TESTIMONY I EVER HEARD IN A COURT ROOM."

SUMMING UP THE GOVERNMENT'S CASE, HE SAID THE DEFENSE TESTIMONY WAS "PARROT LIKE" AND FOLLOWED A SET PATTERN.

THE SIX HAD TOLD THE COURT CHRISTOFFEL'S REPUTATION AND CHARACTER WAS "GOOD."

PATTON DECLARED THAT "THE COMMUNIST PARTY IS NOT HERE ON TRIAL." HE ADDED:

"WHETHER IT IS A GOOD PARTY OR A BAD PARTY OR WHETHER ITS POLICIES ARE GOOD OR BAD FOR OUR GOVERNMENT IS NOT AN ISSUE IN THIS CASE. THE ISSUE IS WHETHER CHRISTOFFEL PERJURED HIMSELF BEFORE THE HOUSE LABOR COMMITTEE."

PATTON REMINDED THE JURY THAT WITNESSES HAD TESTIFIED THAT THE DEFENDANT WAS A COMMUNIST, THAT HIS WIFE HAD BELONGED TO THE YOUNG COMMUNIST LEAGUE AND THAT HE HAD FREQUENTLY ASSOCIATED WITH COMMUNISTS.

"THE DEFENDANT BY HIS OWN ACTIONS AND ASSOCIATIONS HAS WRITTEN HIS RECORD," PATTON SAID.

ROGGE TOLD REPORTERS HE EXPECTED TO TAKE THE FULL TWO HOURS ALLOWED HIM TO SUM UP THE DEFENSE CASE.

WASHINGTON,MARCH 2-(AP)-COUNSEL FOR A WEST COAST UNION SAID TODAY HOLLYWOOD MOVIE PRODUCERS WOULD LIKE TO "SQUELCH" ALL TALK OF COMMUNISM IN THE FILM CAPITAL.

MATTHEW M.LEVY, ATTORNEY FOR THE AFL-INTERNATIONAL ALLIANCE OF THEATRICAL STAGE EMPLOYES, TOLD A HOUSE LABOR SUBCOMMITTEE:

"THE PRODUCERS WANT A HUSH-HUSH POLICY ON COMMUNISM BECAUSE THEY ARE AFRAID IT MIGHT HURT THE MOVIE INDUSTRY. ASK ANY PRODUCER ABOUT COMMUNISM AND HE'LL SAY HE DOESN'T KNOW ANYTHING ABOUT IT.

"WE KNOW ABOUT IT BECAUSE THE COMMUNISTS WORKED IN LABOR UNIONS. EVERYBODY IN SOUTHERN CALIFORNIA KNOWS THERE IS COMMUNIST INFILTRATION IN HOLLYWOOD, AND THE PRODUCERS KNOW IT, TOO."

LEVY HAS REPEATEDLY CHARGED BEFORE THE HOUSE GROUP THAT HERBERT K. SORRELL, PRESIDENT OF THE AFL-CONFERENCE OF STUDIO UNIONS, HELD A COMMUNIST PARTY CARD IN 1938 AND HAS SINCE FOLLOWED THE COMMUNIST PARTY LINE.

AT LEVY'S REQUEST, REP.LANDIS (R-IND) AGREED TO ASK THE HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES TO TURN OVER A "SECRET DOSSIER" ON SORRELL'S ALLEGED RED ACTIVITIES TO THE LABOR SUBCOMMITTEE WHEN SORRELL TESTIFIES TOMORROW.

SORRELL, WHO HAS DENIED TO REPORTERS THAT HE EVER SAW A COMMUNIST PARTY CARD, HAS WAITED THROUGH TWO WEEKS OF HEARINGS FOR HIS TURN TO TESTIFY. HE HAS PROMISED TO "BLOW THE LID OFF."

CHAIRMAN KEARNS (R-PA) ANNOUNCED THAT AFTER MANY DELAYS SORRELL "DEFINITELY" WILL TESTIFY TOMORROW (10 A.M., EST).

THE HOUSE GROUP IS INVESTIGATING THE 17-MONTH OLD HOLLYWOOD MOVIE STRIKE ALONG WITH ANY COMMUNIST ANGLES IN AN EFFORT TO BRING ABOUT A SETTLEMENT. THE DISPUTE AROSE OVER RIVAL AFL UNIONS CLAIMING THE RIGHT TO PERFORM THE SAME WORK.

(ADVANCE)..CHICAGO, MARCH 2-(AP)-SEN.EDWIN C.JOHNSON (D-COLO) SAID TONIGHT THAT INFLATION AND WORLD WAR THREE ARE DANGERS "STICKING OUT LIKE TWO VERY SORE THUMBS." HE URGED INITIATION OF AN "INTERNATIONAL CURRENCY", GOOD ANYWHERE.

IN A SPEECH PREPARED FOR STUDENTS AT NORTH PARK COLLEGE, SENATOR JOHNSON CRITICIZED THE MARSHALL PLAN FOR EUROPEAN REHABILITATION AS INFLATIONARY, EXCEPT FOR ITS PROVISIONS FOR FEEDING THE HUNGRY IN FOREIGN NATIONS.

INSTEAD OF THE LOAN FEATURES OF THE PROGRAM, HE URGED ISSUANCE OF A STABILIZED INTERNATIONAL CURRENCY AND ESTABLISHMENT OF A EUROPEAN RECONSTRUCTION FINANCE CORPORATION.

"THE BEST HELP WE CAN GIVE THEM (MARSHALL PLAN BENEFICIARIES) IS TO STABILIZE THEIR CURRENCY THROUGH THE INTERNATIONAL MONETARY FUND WHICH NOW HAS A CAPITAL OF $8,800,000,000 (B) HE SAID.

"WE SHOULD DIRECT THIS AGENCY TO ISSUE THEM A NEW INTERNATIONAL CURRENCY GOOD ANYWHERE, INCLUDING THE UNITED STATES."

HE SAID THE RFC FOR EUROPE, PROPOSED BY SEN.CAPEHART (R-IND), "WOULD WORK LIKE MAGIC" IF THE RFC IN THIS NATION PURCHASED 50 PER CENT OF THE STOCK OF SUCH A FOREIGN FINANCING AGENCY AND EXTENDED ADDITIONAL CREDITS.

OF THE MARSHALL PLAN, HE SAID, "OUTSIDE OF ITS HUMANITARIAN ASPECTS AND ITS POSSIBLE TENDENCY TO DRAW THE 16 NATIONS OF WESTERN EUROPE MORE CLOSELY TOGETHER, I SEE VERY LITTLE MERIT IN IT. IT IS VIOLENTLY INFLATIONARY."

OF THE WAR THREAT, SENATOR JOHNSON TOLD THE STUDENTS, "THE RIVALRY FOR POWER BETWEEN THE U.S. AND THE U.S.S.R. HAS ENGENDERED A POISONOUS CLIMATE IN WHICH HELPLESS HUMANITY IS DRIFTING TOWARD WORLD WAR THREE."

HE SAID UNIVERSAL MILITARY TRAINING "WOULD ADD NOTHING WHATEVER TO OUR MILITARY STRENGTH OR TO OUR SECURITY" AGAINST ATOMIC ATTACK.

HE WARNED THAT THERE WAS NO REASON TO HOPE THAT RUSSIA WILL DEVELOP "A NEW SPIRIT OF CONCILIATION TOWARD THE CAPITALISTIC DEMOCRACIES."

"A STRONG DOMINATING ALLIANCE WITH GERMANY," HE SAID, "IS THE VERY HEART AND SOUL OF" PRESENT RUSSIAN FOREIGN POLICY. THE SOVIET CHANCES OF ACHIEVING THIS END, HE DECLARED, ARE GOOD.

"RUSSIA CAN LIVE AND PROSPER WITHOUT WESTERN EUROPE," THE SENATOR SAID, "BUT WESTERN EUROPE CANNOT LIVE WITHOUT HER UNLESS AFRICA IS IMMEDIATELY AND THOROUGHLY DEVELOPED. THE OVERWHELMING SIGNIFICANCE OF THAT SOLEMN TRUTH NEEDS TO BE HAMMERED HOME TO EVERY RUSSIAN HATER."

EDITORS: THIS IS THE FIRST OF A SERIES OF BACKGROUND ARTICLES ON THE FORTHCOMING BOGOTA CONFERENCE. THEY ARE WRITTEN BY AN ASSOCIATED PRESS REPORTER WHO HAS COVERED THE PRE-CONFERENCE DISCUSSIONS AT THE PAN-AMERICAN UNION.

MAR 1948

BY LESLIE HIGHLEY

WASHINGTON,FEB.25-(AP)-THE BOGOTA CONFERENCE, SCHEDULED TO OPEN MARCH 30, IS EXPECTED TO BE ONE OF THE MOST CONTROVERSIAL IN THE HISTORY OF PAN AMERICAN RELATIONS.

THIS WILL BE THE NINTH INTER-AMERICAN MEETING.

IT WILL GET UNDER WAY AT A TIME WHEN POLITICAL AND ECONOMIC COOPERATION AMONG THE 21 AMERICAN REPUBLICS IS CONSIDERED ESSENTIAL IN THE WORLD'S RECONSTRUCTION.

AT BOGOTA, THE AMERICAN REPUBLICS HOPE TO:

1. REORGANIZE THEIR 58-YEAR OLD INTER-AMERICAN SYSTEM AS A REGIONAL BRANCH OF THE UNITED NATIONS.

2. WRITE A TREATY FOR MORE ECONOMIC COOPERATION TO IMPROVE LIVING STANDARDS OF THEIR PEOPLES.

3. 3. AGREE ON METHODS TO SETTLE DISPUTES AMONG THEMSELVES BY PEACEFUL MEANS.

MAR 1948

THE ECONOMIC ASPECT OF THE CONFERENCE IS THE MOST CONTROVERSIAL.

THIS IS WHY:

THE UNITED STATES WOULD LIKE LATIN AMERICA TO OPEN ITS DOORS TO FOREIGN CAPITAL TO PROMOTE ECONOMIC DEVELOPMENT.

SOME LATIN AMERICAN NATIONS ARE OPPOSED TO THIS.

THEY BELIEVE THEY SHOULD RETAIN THE POWER TO RESTRICT FOREIGN ENTERPRISES IF THESE ATTEMPT TO INTERFERE IN LOCAL AFFAIRS.

THE FIRST TOPIC OF THE CONFERENCE IS THE APPROVAL OF AN "ORGANIC PACT OF THE INTER-AMERICAN SYSTEM." 942.44

THIS ORGANIC PACT, ALSO CALLED "THE CHARTER", WOULD WRAP UP ALL TREATIES, CONVENTIONS, AGREEMENTS AND DECLARATIONS ADOPTED BY THE AMERICAN REPUBLICS SINCE THE SYSTEM WAS ORGANIZED 58 YEARS AGO.

THIS COORDINATION WAS ORDERED BY THE MEXICO CITY CONFERENCE OF 1945.

A DRAFT OF THIS CHARTER, ALONG THE LINES PROPOSED AT MEXICO CITY;KRE

A DRAFT OF THIS CHARTER, ALONG THE LINES PROPOSED AT MEXICO CITY, RECENTLY WAS CONCLUDED BY THE PAN AMERICAN UNION GOVERNING BOARD.

IT HAS BEEN DISTRIBUTED TO THE 21 GOVERNMENTS FOR STUDY BEFORE THE CONFERENCE.

SOME OF THE MOST IMPORTANT PRINCIPLES INCLUDED IN THE SUGGESTED CHARTER ARE:

MAR 1948

1. THE AMERICAN NATIONS ARE JURIDICALLY EQUAL, ENJOY THE SAME RIGHTS, AND HAVE EQUAL CAPACITY IN THEIR EXERCISE OF POWER.

THE RIGHTS OF EACH NATION DO NOT DEPEND ON POWER, BUT ON EXISTENCE AS A PERSON UNDER INTERNATIONAL LAW.

2. RESPECT FOR AND FAITHFUL OBSERVANCE OF TREATIES CONSTITUTE THE INDISPENSABLE RULE FOR THE RELATIONS AMONG THE AMERICAN NATIONS.

3. A NATION CANNOT INTERVENE IN THE INTERNAL OR EXTERNAL AFFAIRS OF ANOTHER.

4. THE AMERICAN NATIONS CONDEMN WAR AND SHOULD NOT RESORT TO THE USE OF ARMED FORCE OR THREATS TO SETTLE THEIR DISPUTES.

5. DISPUTES SHOULD BE SETTLED BY PEACEFUL MEANS.

6. ECONOMIC WELFARE OF EACH NATION DEPENDS ON THE ECONOMIC WELFARE OF ALL THE AMERICAN NATIONS. ECONOMIC COOPERATION IS ESSENTIAL TO THEIR COMMON PROSPERITY.

7. THE AMERICAN REPUBLICS' ECONOMIC POLICY IS AIMED AT HIGHER LIVING STANDARDS FOR THEIR PEOPLES, THE BEST USE AND DISTRIBUTION OF THEIR NATURAL RESOURCES, AND INCREASED AGRICULTURAL AND INDUSTRIAL PRODUCTION.

THIS IS HOW THE INTER-AMERICAN SYSTEM WOULD BE ORGANIZED UNDER THE SUGGESTED CHARTER:

LEGISLATIVE AUTHORITY WOULD BE VESTED IN THE INTER-AMERICAN CONFERENCES. THESE ARE DIVIDED INTO THREE TYPES: INTERNATIONAL CONFERENCES OF AMERICAN NATIONS, CONSULTATION MEETINGS OF THE FOREIGN MINISTERS, AND SPECIALIZED CONFERENCES OF PURELY TECHNICAL ORGANIZATIONS.

MAR 1948

THE ADMINISTRATIVE FUNCTIONS WOULD BE ENTRUSTED TO THE PAN AMERICAN UNION, WHICH WOULD BE THE SECRETARIAT OF THE SYSTEM.

THE PAN AMERICAN UNION WOULD BE MADE UP BY THE GOVERNING BOARD, THE DIRECTOR GENERAL, AND THE FOLLOWING DEPENDENT ORGANS: THE ECONOMIC AND SOCIAL COUNCIL, THE DEFENSE COUNCIL, THE JURIDICAL COUNCIL, AND THE CULTURAL COUNCIL.

OF THESE FOUR BODIES, ONLY THE ECONOMIC AND SOCIAL COUNCIL HAS BEEN ESTABLISHED. THE OTHER THREE ARE TO BE SET UP BY THE BOGOTA CONFERENCE.

THE GOVERNING BOARD WOULD BE FORMED BY ONE AMBASSADOR FROM EACH OF THE 21 AMERICAN NATIONS. IT WOULD BECOME THE TEMPORARY CONSULTATION ORGAN UNTIL THE FOREIGN MINISTERS MEET.

THE BOARD ALSO WOULD COORDINATE THE ACTIVITIES OF SUCH SPECIALIZED INSTITUTIONS OF THE SYSTEM AS THE INTER-AMERICAN COMMISSION OF WOMEN, INTER-AMERICAN INSTITUTE OF AGRICULTURAL SCIENCES, PAN AMERICAN SANITARY BUREAU, AND INTER-AMERICAN COFFEE BOARD.

BRITISH LOAN FROM U.S. SPENT

$3,750,000,000 Gone At Rate Of $4,300 A Minute

G. WILLIAMS

London, March 3 (AP)—Britain pocketed her last borrowed American dollar today. She calculated that the $3,750,000,000 loan she received in 1946 had run through her fingers at a little more than $4,300 a minute.

The loan came after the termination of lend-lease. Britain accepted it hurriedly with gravely expressed doubts about its conditions, on the grounds she had to have it to keep going.

It totaled $4,400,000,000, but Britain got only $3,750,000,000 of it to spend. The rest was to balance the difference between lend-lease and reverse lend-lease, and to settle a couple of lesser accounts. If she is able Britain will begin paying it back in 1951.

Still In Deep Morass

The money was meant to last about four years. The last dollar was drawn within 19½ months, only 595 days. When President Truman signed the congressional measure authorizing the loan, high hopes were expressed that Britain would be on her feet by the time it was exhausted. Britain still is deep in an economic morass.

Like the householder counting his small change just before pay day, Britain now asks, "where did it all go?"

Like the perplexed householder, the British get the same answer. Nobody knows—exactly.

The borrowed dollars went into the same account as the earned dollars. All were spent for food, machinery, oil, raw materials, tobacco and movies.

Dalton Explained Some Of It

Hugh Dalton, then Chancellor of the Exchequer, accounted for most of the money last October when he explained the "dollar crisis" to Parliament.

The money was spent in the United States, Canada, Central America, South America, and Europe.

He said $450,000,000 earned from British exports and $1,350,000,000 borrowed were spent in the United States by last August.

Raw materials, including oil, took 28 per cent, a total of $504,000,000. That was the biggest item.

$180,000,000 For Tobacco

Other items were: $414,000,000 for food; $270,000,000 for machinery, mostly to re-equip industry; $234,000,000 for food and essentials for Britain's zone in Germany; $180,000,000 for American tobacco; $126,000,000 to buy American ships and charter others; $72,000,000 for Hollywood movies.

About $360,000,000 was spent in Canada for small quantities of meat and large amounts of wheat and timber, another $360,000,000 in Central American countries, mostly for oil and sugar, $240,000,000 in South America, mainly Argentina, for meat, corn, hides, flaxseed for linseed oil and animal fats.

$150,000,000 In Europe

Britain was the banker for other countries in the sterling area—countries whose money is pegged to Britain's currency and gold reserves. So these countries were allotted another $620,000,000 which was spent for United States and Argentine grain for India, fertilizer for Egypt and cotton textiles for some of the colonies.

Another $150,000,000 was spent in other countries of Europe and in French and Belgian colonies. Practically all of this drain came last July and August as a result of Britain's agreement to begin changing other countries' pounds into dollars beginning July 15. She had to cancel the agreement.

Finally, Britain had to deposit $35,000,000 with the International Bank.

That accounts for the money spent up to August 20. So far no one has said where the other $635,000,000 went. Part of it, $235,000,000, was used to pay for goods already ordered in the United States by August.

BRITISH EXHAUST AMERICAN LOAN

Washington, March 3 (A. P.).—Britain has exhausted its $3,750,000,000 loan from the United States with a $100,000,000 draft, the Treasury Department disclosed today.

Originally expected to last from three to five years, the loan funds held out only nineteen and a half months. Britain checked them out at an average rate of nearly $200,000,000 a month.

The last withdrawal was made on Monday.

Exhaustion of the loan came a short time after a British Government white paper declared, in effect, that Britain faces bankruptcy and that it has overspent its income by $4,000,000,000 in the last two years.

New dollar aid, however, is in prospect in the $5,300,000,000 European Recovery Program now under debate in the Senate. Upward of our-fourth of ERP funds may go to Britain, expected to be the biggest beneficiary under the program.

FRENCH DEMANDS ON RUHR CONTROL SNAG BIG 3 TALKS

A. SINGLETON

LONDON, March 3 — (AP) Diplomatic officials said today that French demands for an equal say with the United States and Britain on control of the Ruhr have become a major issue in the three-power talks on Germany's future.

The informants said the dispute threatens to delay major decisions on expanding Germany's production to aid the Marshall Plan for European recovery.

The French stand has the suppo fo Belgium, the Netherlands and Luxembourg who are sitting in on the conference. Britain objects to the French demand.

The United States was reported supporting the French claim on condition that France agree to merge her occupation zone with the British and American zones.

The French have proposed international ownership of the Ruhr mines and principal industries. The British want them nationalized by the German people along the lines of the labor government's control of basic industries at home. The United States was reported working on a compromise which would place the Ruhr under German control but with close international supervision.

A high American official said the odds against obtaining an agreement at the current talks are heavy—either on Ruhr control or on consolidation of the three zones. But American officials hope general terms might be worked out which could be examined in London, Washington and Paris in the next ten days. They hope Germany's place in the Marshall Plan can be charted by March 15, when the second 16-nation conference on the Marshall Plan opens in Paris.

Meanwhile talks among Russia, Britain, France and the United States on an Austrian settlement appear to be getting nowhere. Samuel Reber, representing the United States in a deputy foreign ministers meeting, today called Russia's bill for a peace treaty "too high." The Soviet Union is seeking $200,000,000 in settlement of her claims on German assets in Austria, two-thirds of Austria's oil for 50 years and control of Danube shipping.

Red 'Peace Bill' For Austria 'Too High'

London, March 3 (AP)—The United States today called Russia's bill for an Austrian peace treaty too high.

The opinion was voiced by Samuel Reber in the midst of a deadlock among the Big Four deputy foreign ministers, arguing over Russia's claims on German assets.

Russia seeks $200,000,000 cash within two years. It wants two thirds of Austria's oil production for 50 years and control of the Danube Shipping Company.

One Half Propoesd

France has suggested a settlement of roughly half that amount as full compensation for Russian claims on Austria for former German property on Austrian soil.

The deputies vainly sought agreement for two hours today.

An official British observer said the atmosphere was one of frustration, but that all hopes of a settlement had not vanished.

Reber said he did not see how a compromise can be reached unless Russia is willing to discuss details instead of insisting on a percentage formula.

The Soviet delegate, N. K. Koktimov, contended that if an agreement could be reached on a percentage formula, this could be translated quickly into terms of property.

BRITISH ON GUARD IN ANTARCTICA ROW

LONDON, March 3. — (AP) Foreign Secretary Ernest Bevin told the House of Commons today that British ships and officials had been ordered "to take all necessary measures", to safeguard British title to the Falkland islands dependencies.

The islands in the Antarctic are the subject of a territorial dispute among Britain, Argentina and Chile.

Bevin said two cruisers also had been sent to British Honduras in Central America because "the government considered it x x x to insure the protection of life and property."

"I have offered to settle this business to discuss it, but if there is any threat to take force, to injure life, it is his majesty's government's duty, apart from the merits of the case, to take the necessary steps," he added.

He said the British minister in Guatemala had reported that a resolution was put forward in the Guatemalan congress on Feb. 23 "advocating an immediate invasion of British Honduras" but the president of Guatemala had "refused to accept this resolution."

Guatemala has been claiming British Honduras for the past 100 years.

Asked if he would consider the "forcible removal" of Argentine and Chilean detachments from the Falkland dependencies, Bevin said "I do not like to threaten anyone while negotiations are going on and I had better exercise common sense."

Franks To Lead Delegation

London, March 3 (AP)—Sir Oliver Franks, newly named British Ambassador to the United States, will lead Britain's delegation to the March 15 conference in Paris of the nations participating in the Marshall plan. He played a major role in drafting the plan last year.

London Stock Exchange

LONDON, March 3 (AP).—Gloomy forecasts of the contents of the forthcoming government white paper, giving the economic survey for 1948 made for quiet conditions on the Stock Exchange today.

"The Financial Times" daily index of London stocks was 110.0, off 0.3. Stock closings, in sterling:

French Recovery Seen 'Assured' This Year Under Right Conditions

PARIS, March 3 — (AP) When France's minister of commerce and industry held his first press conference it was to make the kind of announcement rarely heard in postwar Europe.

France's recovery is "virtually assured" this year, Robert LaCoste told the newsmen. But she must steer clear of social troubles and get hold of foreign assets.

The right wing socialist minister said France's 1948 output of producers' goods would be well ahead of that 10 years ago, before the war.

Steel Outlook Excellent

She will have 78,000,000 tons of coal available from home and abroad—4,000,000 tons more than she can transport. The outlook in steel and power is excellent. Even the fuel situation should improve.

But there are a couple of bad apples left that may spoil the whole barrel. Producers' goods have been upped at the expense of two things:

1—The export industries on the whole are still below par. They are textiles, chemicals, perfume and cosmetics, luxury goods and passenger cars.

2—Consumers' goods still aren't being made in nearly enough quantity to meet needs, and private consumers must yield to industry in allocations of things like electricity and gasoline.

Both these sacrifices look like a reasonable "first-things-first" proposition. But experts are not as

sure of this now as they were a few years ago.

Foreign Assets Needed

They strike at the one thing you need before raw materials—money to buy them with. And at the one thing you need before capital goods and plant equipment—the people to work them.

LaCoste warned sharply, "we need foreign assets. France is a country without raw materials. We produce one per cent of our oil. Before the war we imported one-third of our coal. We haven't copper, we haven't cotton, we haven't enough wool."

To get the foreign assets, France wants to sell things abroad, but she just hasn't enough to sell.

She arranged a new exchange rate which theoretically should allow her exporters to sell things at half their former price in foreign money and still make as much in French money.

There is a big demand in America for passenger cars. At half their former price, French cars could corner the lowest-price market. With every ton of steel France puts into passenger cars instead of construction for her own use, she could make enough dollars to get two tons of steel for the priority uses.

But the demand for steel for oil refineries, rolling stock and new factories is so pressing, it has to go to them first. There is not enough left to increase French passenger car exports. Since all the cars now exported are being sold, there is no point in halving the price.

'Incentive Goods'

As a result, France cannot take full advantage of her new exchange rate to get hold of more dollars.

The consumers' goods shortage has results as bad, if not worse. A country's total production is only the number of workers times the amount of work each of them does. That is where "incentive goods" come in.

A man will put in a better day of work if he's not cold, or hungry or worried. He will be a better worker if he knows he is going home to a happy family and sit down to a good meal in a warm apartment. And light a pipeful of good tobacco or smoke a decent cigarette after that, and maybe go down to the corner cafe for a glass with the boys.

"That," said LaCoste, "is what we're up against."

But there was another angle to it that worried him even more. The worker who becomes indifferent because he cannot get all these things may stop his production al-

ogether.

Strikes Hit Nation Hard

The strike wave that engulfed France toward the end of last year was an economic catastrophe of proportions hard to imagine by people who live in the United States. In almost every field of French industry the average production per number of days worked was far higher last year than in 1946. But the total 1947 production was in many cases lower. The strikes did that.

"For producers' goods," LaCoste said, "we can say the crisis is solved, with a 'but.' If we run into new social troubles, everything we have gained will be wiped out. Utterly wiped out."

The problem is partly a political one, of fighting Communist agitation. But LaCoste has no illusions that social troubles are caused because people have a liking for agitators. The heart of the problem is to provide the means for better living.

That is the next phase of LaCoste's program.

"We had to sacrifice everything to increase the production of coal. Now we've got it. We can turn our efforts to lowering the price of coal. . . . We sacrificed everything to get coal for the factories. Now they've got it; we have to think of the home."

Reich On Upswing, Gen. Clay Declares

Stuttgart, Germany, March 3 (AP)—Gen. Lucius D. Clay said today western Germany "has gone through its worst," but that increased Communist activity can be expected.

Improved conditions in the Anglo-American zones, he said, "will, however, do more than anything else to take care" of Communist influences in Germany.

The American military governor said that western Germany passed its low point economically during December and January. He said he doubted the food, industrial and housing situation would ever be as bad again as it was this winter.

"Germany is beginning its upturn," Clay said.

It was his most confident statement in months.

The General was here to address the monthly meeting of the American Zone Council of States.

COMMUNISTS HIT CATHOLIC DECREE

E BRUTTO

VATICAN CITY, March 3.—(AP) A decree from the Vatican's consistorial congregation was published today warning Catholics to vote for only those candidates who "defend the rights of the church."

The decree from what may be considered the most important administrative organization at the Vatican did not mention communism by name. But it definitely placed Vatican approval on the efforts of cardinals, bishops and other prelates who have been urging Catholics to vote against the leftists when Italians choose their first Republican parliament April 18.

The communist press tonight bitterly assailed the decree, calling it the beginning of a "clerical offensive to prevent the success of the popular front"—an alliance of communists, left-wing socialists and other leftist groups who are presenting a single list of candidates.

Vatican sources said the decree was valid for Catholics throughout the world, as well as in Italy.

Originally drafted in 1945, the decree was reconfirmed March 31, 1947 and was published in the Rome press for the first time today.

The decree said that the sacred congregation "considering the dangers to which religion and public good are exposed, whose gravity demands the united collaboration of the honest, warns all those who have the right to vote, in whatever condision, sex or age, without any exception, that they are in conscience strictly and gravely obligated to make use of that right.

"Catholics may give their vote only to those candidates and to those lists of candidates from which there is the certainty they will respect and defend observance of the divine law and rights of religion and the church in private and public life."

Vatican Advises Catholics Not To Vote Red

E BRUTTO

Vatican City, March 3 (AP)—The Sacred Consistorial Congregation of the Catholic church issued a decree today informing Catholics that they may vote only for candidates who will "respect and defend the rights of the church."

Vatican sources said the decree applies to Catholics throughout the world. Pope Pius XII himself serves as prefect of this congregation. Its members include Francis Cardinal Spellman, of New York, and James Cardinal McGuigan, of Toronto.

Throughout Italy, Catholic prelates, following the lead of Alfredo Ildefonso Cardinal Schuster, immediately made clear that the decree precluded a vote by Catholics for Communist or extreme left candidates. The consistorial congregation is the high legislative and administrative body of the church.

A pastoral letter by Cardinal Schuster two weeks ago ordered priests in his Milan diocese to refuse absolution to Communists.

Called "Normal" Guidance

The cardinal's letter also warned Catholics that a vote for Communist candidates was "gravely illicit for the faithful."

The letter was attacked by the extreme left as a violation of Italy's electoral laws. There was a possibility that it might be discussed in today's session of a central committee of major political parties formed to help maintain an electoral truce for the April 18 elections.

The degree of the consistorial congregation—a body whose functions include discipline and administration—was described by Vatican sources as "normal" guidance for the faithful in political elections.

Pastoral Letter Issued

Last week the Vatican's paper *Observatore Romano* backed Cardinal Schuster's stand. It declared the church would be lacking in its duty if it maintained silence before "heresy that raised a political banner."

A collective pastoral letter signed by Alessio Cardinal Ascalesi, archbishop of Naples, seventeen other archbishops, and 55 bishops of Southern Italy, was issued recently.

The letter said "nobody can at the same time be a good Catholic and a Socialist."

The Communist paper *Unita* said today the bishop of Como had "exceeded even Schuster" in a pastoral letter condemning the Communist party, the Popular Front and the Workers party.

Italian Anti-Reds Urged To Leave Labor Group

Rome, March 3 (AP)—Rome newspapers urged anti-Communist workers today to break away from the Communist-dominated Italian General Labor Confederation (CGIL). The 6,000,000-member organization split yesterday over the Marshall plan.

Anti-Communist members have already announced they intend to defy a CGIL executive committee decision rejecting an invitation from the British Trade Union Congress to a labor conference on the aid-to-Europe plan in London March 10.

Election Hopes

A break in Italy's solid labor front, as urged by the press, would be a serious blow to Communist hopes in the April 18 national elections. *Il Giornale d'Italia*, an independent Rightist publication, said: "Now is truly the time to split. . . . Now it is a question of the present and future life of all Italians."

Anti-Communists in the CGIL

said they would send delegates to London regardless of the executive committee's 13-to-4 vote in Bologna yesterday against accepting the bid.

The committee vote found the Communists and their allies, the Left-wing Socialists, aligned against Christian Democrats, Labor Socialists and Republicans.

Rome Discusses New Drop in Lira

Rome, March 3 (A. P.).—With the Italian lira back on the skids, Italian business men and financiers met here today to talk about foreign exchange problems.

Premier Alcide de Gasperi and eight members of his Cabinet turned out for their opening session. De Gasperi stressed Italy's need to regain lost foreign markets. He promised tax relief.

The lira, sliding down fifty points in the last week, today went below 650 to the dollar, the lowest since last November. The "official" rate for March is 573 to the dollar. Paper lire in circulation diminished 5,000,000,000 in January, the first substantial decrease since the war.

Spaak Is Backed On 5-Power Pact

Brussels, Belgium, March 3 (AP)—Paul Henri Spaak, Belgian Premier and Foreign Minister, was cheered by all but Communist deputies today when he urged that a five-power Western defense pact be signed.

"We want to organize ourselves and we will," he said. He spoke on the eve of a conference here when representatives of Belgium, the Netherlands, Luxembourg, Britain and France will discuss a proposed western European union.

"A political treaty must be drafted in Brussels within the framework of the United Nations charter. A political treaty should be bound up with a military agreement between the five powers because it is impossible to defend this country without outside help," the Premier said.

He stressed that a treaty would not work without economic collaboration, and that "United States aid to Europe must come and must come quickly."

Greeks Execute 8 As Reds

Athens, March 3 (AP)—Eight Communists were executed in Athens today. They were sentenced for crimes committed during the rebellion of December, 1944.

A Government report said 40 guerrillas were killed and 150 wounded during a four-day battle at Nea Chora in the Lepanto area. The battle, which began February 27, was between a guerrilla band and a gendarmerie contingent. Six gendarmes were reported killed and 29 wounded.

Maj. Gen. James A. Van Fleet, chief of military forces in the United States mission to Greece, leaves today on a five-day inspection tour of the Second and Third Greek Army areas.

Accompanying him are Gen. Demetrius Yadzis, Greek general staff chief, and Brigadier C. D. Steele, of the British military mission.

Peasants Resume Trading After New Orders Are Explained

BELGRADE, March 3 (AP).—Yugoslav peasants are returning to stalls in Belgrade marketplaces as word spreads through the suburban countryside that the government has not abolished the free market. Apparent misunderstanding of the new government system of prices and supply, which went into effect March 1, kept farmers and their products away from the marketplace Monday.

Premier Marshal Tito announced the new price system early last month. Newspapers have tried to explain to workers and peasants the sweeping measures designed to tie the prices of industrial and consumers goods with agricultural products.

Frontier Guard Reinforced.

Budapest, March 3 (A. P.).—The Liberal newspaper Vilag said today that the frontier guard at the Czechoslovak border had been reinforced "to prevent undesirable Fascist elements from escaping in consequence of the new political situation in Czechoslovakia."

Big 3 Stand On Prague Assailed

Prague, Czechoslovakia, March 3 (AP)—A criminal court confiscated copies of the three-power denunciation of Communist seizure of power in Czechoslovakia.

Joseph Kolarek, United States press attaché, said today he was served with a copy of the court order which charged that circulation of the American-British-French declaration in Information Service bulletins violated public security and order "in a coarse and inciting manner."

The court held that the Czech republic "was humiliated to the extent that the dignity of the republic and its international relations were endangered."

Society Makeup Changed

The American-British-French declaration called the present Czechoslovakia regime a "disguised dictatorship."

A Communist action committee today changed the controlling makeup of the Society for Cultural Relations with the United States, a Czech organization, without consulting the American Embassy officials.

Another action committee was busy reforming the Czechoslovak Red Cross.

A third removed Frantisek Hrebik as head of the Sokol Movement—the Czech nationalist organization best known to outsiders for its mass exhibitions of calisthentics.

The Sokols, with a membership of 800,000, were ordered dissolved when the Nazis ruled the country.

In Bratislava the name of "Churchill Square" was changed to "Trade Unions Square."

The Czech National Socialist party, chief anti-Communist party, moved to shed its name so similar to that of Hitler's party. The central action committee said it would hereafter be known as the Czechoslovak Socialist party.

The election committee of the Czech Legionaires, veterans of World War I, threw out Lev Sychrava as editor of their newspaper. Sychrava was Czech delegate on the United Nations commission for freedom of the press.

There was some evidence, however, that the Government was trying to rein in some of its action committees.

Economic Loss Warning

Alexej Cepcika, Minister of Justice and a Communist, warned that huge economic losses might result if the committees went beyond original instructions to "purge reaction."

He singled out especially action committees which have been seizing former German-owned lands in the border areas and parceling them out in small lots.

There have been some private expressions of dismay at the speed of action committees in some industries in throwing out employés because of their politics.

The criminal court action was the second taken against publicizing of the three-power denunciation. On Saturday police ordered the Information Service to withdraw copies from its office windows.

Wouldn't Remain Enslaved

The court order was directed against two bulletins of the Information Service which also contained newspaper editorials and the comment of Representative Karl Stefan (R., Neb.) on events in Czechoslovakia.

[Stefan, a native of Czechoslovakia, in a speech to the House of Representatives said his native land would not always remain "enslaved by Communists."]

Editorial comment from the Washington *Daily News*, the New York *Herald-Tribune*, the Cincinnati *Inquirer*, the Birmingham *Age-Herald*, the Pittsburgh *Post-Gazzette*, the Baltimore *Sun*, the Indianapolis *News* and *Wall Street Journal* was barred, along with the comment of Elmer Davis and Joseph and Stewart Alsop, Communists. Nearly 1,000 copies of the bulletins were distributed before the order was received.

Marshall Comments

Material in a report of a press conference with Gen. George C. Marshall, Secretary of State, came under the ban, but statements on arms for Turkey, Latin-American exports, Soviet views on the Austrian economy and military aid for Greece and Turkey escaped court displeasure.

The three-power denunciation was distributed by the Associated Press here as part of its regular news service to newspapers but it did not appear in print.

The Czech Foreign Ministry in an indirect manner has attacked the denunciation as an interference in Czechoslovakia's internal affairs. The Government news agency distributed the ministry's statement and the denunciation was quoted only briefly.

Czech Reds Ban U.S. Display Of Coup Rebuke

Prague, March 3 (AP)—A Criminal Court has ordered confiscation of a three-power denunciation of the Communist seizure of power in Czechoslovakia, A United States press attaché said today.

Joseph Kolarek, the attaché, said copies of the declaration by the United States, Great Britain and France had been distributed by the United States Information Service.

Communist leaders called for still more drastic purges. Rudolf Slansky, secretary general of the party, said the action committees which executed the coup last week are here to stay.

Window Display Also Banned

Kolarek said the confiscated issues of the Information Service also included newspaper editorials and comments of Representative Karl Stefan (R., Neb.) on the developments here. The confiscation order was served on Kolarek last night. It charged the information disturbed the security of the republic and humiliated it.

About 1,000 copies of the confiscated material already had been distributed. Police ordered the United States Information Service to withdraw from its windows last Saturday a display of bulletins containing the denunciation.

Clamp Called Permanent

Slansky's statement, reported by the Government news agency, said the Communist-dominated national-front coalition would be controlled by an action committee of a coalition secretariat.

The committee, he said, was the permanent organ of the will of the people.

Slansky's statement was contrary to the declarations of other Government leaders, who described as temporary the committees which launched wholesale purges throughout the country in the Communist march to power.

"Until Reaction Is Routed"

Zdenek Fierlinger, new Minister of Industry, told newsmen the committees were formed as a transitory, emergency measure.

Evjen Urban, Minister of Social Welfare, said the committees would function only until the forces of "reaction" were routed.

Alexevj Cepicka, Communist Minister of Justice, called for a "purge in every walk of life in every village up to the cities."

He said the purge must be carried out "wisely and justly, with thought to the welfare of the nation."

May Purge Lawyers Next

The Government radio indicated the legal profession might be next on the purge list. Lawyers, court procedures and the language of the law itself will be closely scrutinized, the broadcast said.

A Government press agency statement said twelve deputies had been ejected from the Catholic People's party. The statement said the action committees would next turn their attention to the Social Democratic party.

The National Socialists have promised to purge themselves.

Observers said that if they succeeded in weeding out unwanted deputies before the March 10 meeting of Parliament the Communists would have a clear path for legislation. MORE

Czech Quits As Envoy

Washington, March 3 (AP)—Juraj Slavik, Czech Ambassador, resigned today, announcing he will try to rally Czechoslovakia's "patriots" to oppose the Communist regime in his homeland.

He said the Czech Minister to Canada likewise is resigning rather than serve a Government imposed by "duress and terror." He predicted that other envoys abroad would do so, too.

"Czechoslovakia has become a fully totalitarian police state," the Ambassador said. "President Benes may even now be a prisoner."

While the envoy was announcing his self-exile, workmen started moving his personal effects from the embassy. He and his family will live in a hotel.

Reciprocal Pact Weighed

Slavik announced his decision at a news conference without advance notice to his staff. He said he was notifying Prague without delay, and also the State Department and the governments of three other nations to which he is accredited—Cuba, Haiti and the Dominican Republic.

Robert A. Lovett, Under Secretary of State, said, meanwhile, that the United States is considering whether to go through with a reciprocal trade treaty negotiated last fall with Czechoslovakia.

Lovett said the question of withdrawing diplomatic recognition from Czechoslovakia has not yet arisen.

Confidence In Benes

Slavik didn't specify how he proposes to combat the Communist regime in his homeland. But he did express confidence that the great majority of Czechs "are in agreement with us in this great cause."

"I still have confidence in President Benes," the Ambassador said in a formal statement. "He wanted to prevent bloodshed and tears and he did not want to give his consent to a division of a nation into two hostile camps. He wanted to save lives.

"But it is apparent that he could not even save the life and assure the security of his most faithful disciple and closest follower, Dr. Prokop Drtina."

The reference was to Benes's former secretary who was found injured outside his quarters after Communist Prime Minister Klement Gottwald took over. The police announced Dr. Drtina tried to commit suicide.

Minister To Canada Quits

Ottawa, March 3 (AP)—Dr. Frantisek Nemec said today that he had resigned as Czechoslovak Minister to Canada and would remain in Ottawa as a private citizen. He said he disagreed with the Communists who have taken over his Government.

The 50-year-old diplomat, a former underground fighter, told a press conference that the first secretary, the commercial attaché and three minor members of his staff had resigned with him. Two others, including the military attaché, will remain on duty.

Dr. Nemec said: "I do not agree with the methods by which the new Government has been formed. . . . I was, am and will always be for democratic principles."

U. S. Reconsiders Trade Pact

WASHINGTON, March 3 (AP).—Under Secretary of State Robert A. Lovett told reporters today that the United States is considering whether to go through with a reciprocal trade treaty negotiated last fall with Czechoslovakia. He said the question of withdrawing diplomatic recognition from Czechoslovakia has not yet arisen.

Czech Coup Likened To Hitler Moves

London, March 3 (AP)—Lord Pakenham described the Communist coup in Czechoslovakia today as "Hitlerite in technique and utterly damnable in every way."

The fate of Czechoslovakia "should be a warning to all who put faith in fellow travelers elsewhere," said Lord Pakenham, Government spokesman in the House of Lords.

"In Czechoslovakia a revolution has been carried through in a few days," he said. "Now Finland is being approached with the kiss of

death."

Must Act Quickly

Lord Pakenham spoke in a foreign affairs debate. Conservative Leader Lord Salisbury declared Britain must act quickly to prevent "the swallowing up of Western Europe by the East."

Foreign Secretary Ernest Bevin told the House of Commons that Britain planned no further steps beyond the joint declaration with the United States and France condemning Communist seizure of the Prague Government.

"I think the declaration can stand by itself," Bevin said .

Britain's ruling Labor (Socialist) Party, meanwhile, maintained that the Czechoslovak *coup* would have been impossible without the aid of Socialists who played ball with the Communists.

RED TROOPS MOVE NEAR CZECH AREA

Frankfurt, March 3 (A. P.).—United States Army officers said today that 10,000 or more Russian troops had moved in the last month to an area near the borders of Czechoslovakia and the American Zone of Germany.

They said, however, that these movements within the Soviet Zone of Germany seemed to be in connection with routine spring maneuvers. The officers were commenting on a report in the German newspaper Hessische Nachrichten that the Russian troop movements coincided with the Communist rise in power in Czechoslovakia.

"It is true," a United States Army agent told newsmen, "that the Russians moved troops into the general area below Leipzig. In one case, there were 10,000 men in six trainloads. They hopped out and started digging trenches.

"Our evaluation is that there is no cause for alarm. That is the same general area where the Russians held their maneuvers last spring. Spring came early this year, and they probably started their maneuvers earlier."

Finnish Pact Delay

SHANKE

Helsinki, Finland, March 3 (AP)—Most Finnish Government leaders clung to their hesitancy tonight about hurrying into negotiations with the Soviet Union for a military pact against Germany.

They held to this attitude despite the reported impatience of President Juho Paasikivi over Parliament's delay in giving him its views on the subject.

Throughout the day the President was in almost constant consultation with his closest advisers.

It was reliably understood that much of the discussion revolved around the question of whether a defense pact against Germany was needed at this time. The view was offered that there is no possibility of German aggression in the foreseeable future.

May Irritate Russians

Prime Minister Stalin, in his letter of February 22 proposing the treaty, reminded President Paasikivi that Hungary and Romania had signed with Russia treaties of mutual assistance against possible German aggression.

Responsible informants said Paasikivi fears that undue delay in beginning the negotiations might irritate the Russians and destroy a favorable base for the talks.

Paasikivi, it was learned, has sent Stalin a reply to his letter, briefly acknowledging its receipt and saying the Russian proposal would be taken up through normal democratic procedures. In the final sentence he was said to have emphasized that he always had worked for co-operation with Russia.

The first parliamentary bloc to send its recommendation to Paasikivi was the Popular Front of Communists and Radical Socialists. It was understood they recommended urgent acceptance of the pact. Last night they issued a statement advocating such a course. This group has 51 of the 200 seats in Parliament, and is a third member of the Government bloc.

Limitation Move

Chairmen of the other party blocs said they had no intention of delaying tactics, but that the question was so serious it required careful consideration.

The general belief was that the Finns would accept the invitation to negotiate, but would seek to limit the scope of the treaty as much as possible in its military clauses.

Conservative party newspapers condemned Communist-organized workers' meetings in support of the pact as useless and extra-parliamentary tactics.

Helsinki itself was calm and no demonstrations had been reported. The Communist press reported gatherings in small towns under the sponsorship of the Popular Front.

The Social Democrats said last night the Communist party was attempting to provoke unrest and exploit the situation through such demonstrations.

Paasikivi Called Impatient At Finn Delay

SHANKE

Helsinki, March 3 (AP)—President Juho Paasikivi was described by responsible sources today as growing impatient at Parliament's delay in informing him of its views on a suggested military pact with Russia.

Political leaders are said to be in favor of negotiating on the pact, but emphasize that acceptance of Prime Minister Stalin's proposal would not necessarily follow.

Letter In Friday

The 78-year-old President, who has had years of experience in dealing with the Russians, was said to fear that undue delay might irritate them and destroy a favorable basis for negotiations.

Government circles said they thought Paasikivi might urge parliamentary groups today to speed formulation of their attitude toward the pact. Stalin's letter proposing the agreement was handed to Paasikivi last Friday.

Parliamentary groups from the far right to the extreme left have spent hours discussing the proposed defense and mutual assitance pact plus its consequences for Finland. More such meetings are scheduled today.

Chairmen of the party blocs said they had no intention of employing delaying tactics, but that the question was so serious it required careful consideration.

Worker Meetings Condemned

Conservative party newspapers condemned Communist-organized worker meetings in support of the pact as useless and extraparliamentary tactics.

No demonstrations have been reported yet in Helsinki, but the Communist papers carried accounts of such meetings in small towns under the sponsorship of the far left "Popular Front" bloc.

Informants said the Government was receiving telegraphed resolutions from the meetings urging acceptance of the pact.

The Popular Front was the first parliamentary bloc to send its recommendation to the President. It issued a statement last night urging acceptance of the pact.

Spokesmen for the three major parties in the Government bloc indicated they feel that under the circumstances Finland must negotiate.

FINLAND FACING 'KISS OF DEATH,' BRITON DECLARES

LONDON, March 3—(AP) Lord Pakenham, government spokesman in the House of Lords, declared today that Finland "is being approached with the kiss of death."

He told the House of Lords the communist coup in Czechoslovakia was "Hitlerite in technique and utterly damnable in every way."

Then, looking to the future of another country which might become a target for communist expansion he said:

"Whatever happens, the people of Austria can rest assured of our unshakable support for the integrity and independence of their country."

Asking "how can the world be saved from communism without war?" Lord Pakenham said:

"The first answer lies in the sphere of defense and very vitally necessary it is. But if that were the whole answer what a prospect we should be facing! Surely there must be a brighter vista than that. I believe there is.

"We must spare no effort to live in charity with Russia x x x

"If we succeed, as I believe we shall, with the aid of the Marshall Plan, we shall win not only Western Europe but Eastern Europe as well."

Conservative leader Lord Salisbury said Britain must act quickly to prevent "the swallowing up of Western Europe by the East. The sands are running out and time is running very short."

In the House of Commons British Foreign Secretary Ernest Bevin said Britain planned no further steps beyond the joint declaration with the United States and France condemning the communist seizure of the Czech government.

"I think that declaration can stand by itself," Bevin said.

Charges Of Slander

Berlin, March 3 (AP)—The official Russian newspaper in Berlin charged today the western press is waging "a lying, slanderous campaign" against a Finnish-Soviet military pact.

The newspaper, the *Taegliche Rundschau*, said the aim was to convince the world that Russia's proposal for such a treaty was a threatening gesture. It declared the Russian proposal actually was made in the interests of peace.

SWEDISH PRESS URGES NATION TO REJECT REDS

STOCKHOLM, March 3—(AP) The Swedish press says Sweden should cooperate more with the Western powers and oppose Russian activity.

Sweden's largest newspaper, Dagens Nyheter, said today "the pressure of events has in less than a month made the great debate on foreign politics in parliament look like a ghost parade."

In that debate the government strongly reaffirmed its neutrality toward big power blocs. The paper said the only way for Sweden to survive is to show willingness to oppose Russian activity by a positive attitude toward cooperation in peacetime with Western powers.

"All Democrats should unite on a common course before it is too late," Dagens Nyheter said. "It is a question of life and death for the Swedes as an independent people."

Other newspapers, especially the large liberal newspapers, are taking a similar line.

Norse Told 'Armies On The March'

Oslo, Norway, March 3 (AP)—Col. Johannes Schioetz told a big public meeting last night "the armies are marching up for the next war."

Schioetz, a conservative and a prominent member of the Defense Association, said Norway is in a military vacuum and the situation is dangerous because it invites aggression.

The country borders part of Finland, which has been bidden by Russia to sign a treaty of friendship and mutual assistance.

Bridges Reported Wrecked

Prof. Wilhelm Keilhau, a leading historian and economist, told the meeting that bridges between the east and west have been wrecked. He said Norway needs a strong defense so that the counrty will not be taken in a coup.

He predicted that should war break out, Russia would march against western Germany and imperil Denmark.

He said the Scandinavian countries cannot fight a war alone and must seek assistance from one of the big powers. Keilhau said Scandinavia could not remain neutral.

Dynamite Blast In Haifa Kills 11, Hurts 27

C DAVIDSON

Jerusalem, March 3 (AP)—A truckload of dynamite was exploded in the business section of Haifa today, and police said the blast killed eleven Arabs and wounded 27.

Police said the extremist Jewish underground group, the Stern Gang, had taken responsibility for the blast.

Several children were killed. It was the heaviest toll of life from a bombing incident since the blast-

30.24- 15983

ing of Jerusalem's Ben Yehuda street February 22, in which 55 Jews were killed.

The seven-story Salameh Building, near Haifa's central police station, was wrecked. The explosion also crumpled the front half of a building across the street housing the Arab division of the Government welfare office. A wide area was shaken by the explosion.

Debris Searched For Bodies

Army bulldozers and rescue crews tore at the wreckage, fearing more victims were trapped in the debris.

Two of the dead were Arab policemen, walking toward the nearby courts building.

Arab-Jewish warfare continued elsewhere in Palestine. Arabs dynamited a highway bridge 5 miles west of Jerusalem, cutting all communication with Tel Aviv and Jaffa, except through Arab territory. The highway has been the scene of heavy fighting between Jews, supported by British army units, and Arab snipers, dug in on hillsides. Ten Arabs were slain in yesterday's fighting in the area.

An armed Arab band attacked the Jewish village of Magdiel in Sharon last night with Bren guns and mortars, killing two Jews and injuring three. Haganah, the Jewish militia, rushed men to the battle scene and repulsed the Arabs.

Eyewitness Reports

Eyewitnesses of the Haifa blast said two army-type trucks were driven up to the Salameh Building. The leading one was driven by a man in Arab garb. He left the truck and got into the second one, which carried four uniformed men who apparently served as an escort. The escort truck drove away.

"A short time later there was a terrific boom," the witness said.

Jewish sources said the Stern Gang declared the attack was carried out because the Salameh Building housed Arab military quarters. A police official said this was nonsense. He said until recently the building's roof had been used by the British as an army observation post.

Shooting In Jerusalem

In Jerusalem, sporadic shooting broke out early this morning in the Sheikh Jarrah and Katamon quarters. One Jew was shot fatally.

The fifty-fifth death in the Ben Yehuda street bombing was that of a Jewish woman in a hospital today.

Police confirmed that ten Arabs were slain in yesterday's fighting for highway positions in Bal el Wad on the Jerusalem-Tel Aviv road through the Judean hills.

Not counting deaths in today's blast in Haifa, there have been 1,545 persons killed since Palestine's partition was voted by the United Nations.

Blast Laid To Jews

An explosion which roared out in the Katamon district before noon today was reported initially to have been set off by Jews blowing up an empty Arab house believed by them to be a sniper's nest.

Jewish sources said uniformed Arabs attacked two settlements in northern Galilee just before nightfall last night, but that they were repulsed. One Jew and four Arabs were reported killed.

A Haganah (Jewish militia) broadcast asked the British to publish names, numbers and photos of army and police deserters, "so we may determine whether Britishers in future attacks on Jews are connected actively with security forces."

14 KILLED, 27 HURT IN HAIFA

Stern Gang Claims Responsibility For Blast

Jerusalem, March 3 (AP)—A truck laden with 400 pounds of explosives blasted a seven-story Arab building in Haifa today, killing 14 Arabs and injuring 27.

The violence coincided with the arrival here of the first representatives of the United Nations commission which will attempt to work out partition of the Holy Land.

Six members of the commission secretariat moved into a private apartment in the area of the King David Hotel, under heavy police guard. They were taken in armored cars to their barbed-wire inclosed residence.

Stern Gang Claims Deed

The Jewish Stern Gang claimed it was responsible for the Haifa blast. The explosion gutted the seven-story Salameh building and damaged others for four blocks along Stanton street, a mixed Jewish and Arab section. One of the damaged buildings was the district police headquarters.

The blast crumpled in the front half of a building across the street. The Salameh structure houses the Arab section of the Government welfare office.

A Stern Gang communiqué said the Salameh building was the Haifa district headquarters for an Arab military group under the direction of Syrian and Iraqi officers. A police official said the statement was "nonsense," and that until recently the building, one of the city's tallest, had been used as a British Army observation post.

It was the Stern Gang that claimed responsibility for the blowing up of the troop train near Rehovot Sunday that killed 28 British soldiers.

Many Children Among Victims

Police said many children were among today's blast victims.

The blast shook the entire Haifa port area. Jewish sources said a 5-year-old girl was killed in the Hadar Carmel Jewish section in sniping that broke out after the explosion.

Eyewitnesses said two army-type trucks came up the street prior to the explosion. The driver of the lead truck, in Arab dress, parked it at the Salameh building and got into the second truck.

The escort truck, which carried four men in uniform, drove off, and a short time later the explosion occurred.

Army bulldozers and rescue workers dug into the litter of rock and plaster in their search for victims. Two of the dead were Arab policemen who were walking near by.

Other incidents in Palestine today took the lives of six more Arabs and three Jews. The unofficial death toll since the November 29 decision of the United Nations to partition Palestine reached 1,562.

The six members of the United Nations commission secretariat flew to Lydda yesterday and arrived at the Jerusalem airport today.

The advance party, headed by Pablo Azcarate, onetime Spanish legislator and veteran League of Nations official, declined to see newsmen tonight. They had a brief talk with Sir Henry Gurney, chief secretary of the Palestine administration, in his office.

Intermittent shooting broke out a few hundred yards from where the United Nations people are staying. A Government spokesman said they would be fed and protected by Palestine police. They were not supplied with a cook, however, and prepared their first meal themselves.

Highway battles in the Judean mountains west of Jerusalem continued today, but casualties were reported light.

Police said Arabs demolished a house in Tel Aviv with mortar fire, and entered Kishleh prison and stole rifles, Sten guns and revolvers.

R. M. Graves, chairman of Jerusalem's British municipal commission, told newsmen thousands of citizens in the Holy City had ceased paying their municipality taxes since December 1. He said if the practice continued civil services would be withdrawn.

Haifa, March 3 (A. P.).—A truckload of dynamite which the police said was planted by the Jewish underground Stern Gang exploded in an Arab residential district today. The police said that fourteen persons were killed and twenty-seven others were wounded by the blast, which shook the Haifa port area.

The blast wrecked the seven-story Salamen Building. A Stern Gang statement declared that the building was the Haifa district headquarters for an Arab military group directed by Syrian and Iraqi officers. The statement charged the building contained a central information office and concentration point and an ammunition dump. The police denied this.

The police stated that the Stern Gang had taken responsibility for the blast, which killed several children. It was the heaviest toll of life from a bombing since the blasting of Jerusalem's Ben Yehuda street buildings on February 22, when fifty-five Jews were killed.

The Salemah Building explosion also crumpled the front half of a building across the street housing the Arab division of the Government Welfare Office.

Trucks Used in Bombing.

Eyewitnesses said that two army-type trucks came up the street. They said that the leading one was driven by a man in Arab dress who parked the vehicle by the Salameh Building. The driver got into the second machine which, witnesses said, carried four men in uniform, apparently acting as an escort. The escort truck rolled away and "a short time later there was a terrific boom."

Army bulldozers and rescue workers dug into a litter of rocks and plaster, fearing that other victims might be buried. Two of the dead were Arab policemen who were walking toward a nearby court building.

Bursts of heavy sniper fire crackled through the district. The explosion disrupted connections to the telephone exchange two blocks away and many of the city's telephones failed.

Officials said that the British Army had used the roof of the Salameh Building as a lookout post, and until three or four days ago, a small contingent of soldiers was billeted across the street.

U. N. Group Arrives.

Meanwhile the Jerusalem police announced that an advance partition party of the United Nations Secretariat had arrived by air in the Holy Land. They are to be quartered in Jerusalem.

Arab-Jewish warfare continued elsewhere in Palestine. Arabs dynamited a highway bridge five miles west of Jerusalem, cutting all communication with Tel Aviv and Jaffa, except through Arab territory. The highway has been the scene of heavy fighting between Jews, supported by British Army units, and Arab snipers dug in on hillsides. Ten Arabs were slain in yesterday's fighting in the area.

An armed Arab band attacked the Jewish village of Magdiel in Sharon last night with Bren guns and mortars, killing two Jews and injuring three. Haganah, the Jewish militia, rushed men to the scene and repulsed the Arabs.

In Jerusalem, sporadic shooting broke out early today in the Sheikh Jarrah and Katamon quarters. One Jew was shot fatally.

Partition Opposed.

Leaders of eleven Christian communities in Palestine urged today that the partition plan be shelved in the interest of peace. The statement was issued at a news conference in the Old City of Jerusalem at the Coptic Chambers adjoining the Holy Sepulchre.

It was signed by the Orthodox (Greek) Patriarchate, the Latin Patriarchate, the Armenian Patriarchate, the Custodian de Terra Santa, the Vicar of the Melkite Patriarchate, the Arab Evangelical Episcopal Community, the Coptic Patriarchate, the Vicar of the Armenian Catholic Patriarchate, the Metropolitan of the Syrian Orthodox Community, the Vicar of the Syrian Catholic Patriarchate, and the Arab Lutheran Community in Palestine. The statement was addressed to all world religious and political bodies.

7 Secretaries Of U.N. Party In Jerusalem

Jerusalem, March 3 (AP)—Seven members of an advance partition party of the United Nations secretariat have arrived in Palestine, a police source said today.

They landed late yesterday at Lydda Airdrome, which is under special police protection. They stayed overnight in the airdrome hotel, inside the British military compound.

The party included five men and two women, headed by Pablo Aycarate, special secretary representing Trygve Lie, United Nations secretary general. The secretaries flew from New York to London two weeks ago.

Police were posted around the King David Hotel area in Jerusalem. Private sources said the secretaries would be quartered there.

London, March 3 (AP)—A Russian airborne landing in Palestine after British troops withdraw was forecast tonight by the Earl of Cork and Orrery, retired admiral of the fleet. He told the House of Lords during a foreign affairs debate that a large-scale civil war between Arabs and Jews probably would follow the British departure unless an international police force were set up.

Cairo, March 3 (A. P.).—Russia and Egypt signed a barter agreement tonight. Russia will send 216,000 tons of wheat and 19,000 tons of corn to Egypt within four months in exchange for 38,000 tons of cotton.

This is the first treaty to be completed between the two countries.

Cyprus Mine Strikers Are Fired Upon

Nicosia, Cyprus, March 3 (AP)—Four persons were injured today when police fired into a crowd of strikers of the Cyprus Mines Corporation. The company is American owned.

RUSSIANS SEARCHING FOR TROTTING HORSE

MOSCOW, (AP)—Russia's famous trotting horse Graba—stolen by the Germans during the war—has not been found.

The German invasion saw the Wehrmacht take off a number of fine race horses from the soil of the USSR. In addition to Graba, the famous Gilda was also removed. She was found, however, but somehow she had lost her eyesight.

The Russians are still looking for Graba, but they've about given up hope.

Russ Oust Trade Minister; Scientists Under Fire

T. P. WHITNEY

Moscow, March 3 (AP)—The Soviet press announced today that A. V. Lyubimov, Minister of Trade, and been displaced for unsatisfactory work.

Lyubimov had been in charge of most of the Soviet Union's retail network. His successor is V. B. Zhavoronkov, Communist party leader who made a name for himself in the defense of Tula during the war.

Coupled with the announcement were these developments:

S. V. Kaftanov, Minister of Higher Education, sharply criticized Russian scientists for their "formalism" and said they would serve the nation and party without reservations or conditions.

More Carloadings Asked

Pravda, Communist party organ, told railroads in a lead editorial they must increase average daily carloadings this year by fourteen per cent. The economic plan for 1948 showed Soviet rail transport increased carloadings ten per cent in 1947 over 1946. (The number of carloads handled was not stated.)

While *Izvestia*, the Government organ, and other papers did not elaborate on the charges against Lyubimov, it was possible that he had failed to measure up to his job after derationing in December.

There has been much criticism of retail organizations in the Soviet press recently for their alleged failure to meet the problems of decontrolled trade and consumer needs.

Stores Are Accused

Individual retail stores and networks have been charged with "lack of maneuverability" and inelasticity in distributing inventories. It has also been charged that some regional divisions of the Ministry of Trade have stocked up on goods of poor quality or types which cannot be sold quickly.

Kaftanov criticized some Soviet scientists for "separation from the important problems of industry and agriculture."

Writing in *Pravda*, he said scientists at Molotov University for many years had devoted an inordinate amount of attention to the problem of multiplication of spiders, while vital agricultural problems had been neglected.

Farmers Already Knew It

He also cited the work of a scientist from the Timiryazev Agricultural Academy who had proved, by dint of long scientific labor in Buryat, Mongolia, that udder-fed calves develop better than those partially weaned at an early age. Kaftanov said this represented wasted time, since "every Buryat Mongolian farmer already knows this is true."

The Education Minister also attacked some scientists who forget the "party character" of science and who are too impressed by western scientists. Such a course, he added, sometimes leads to "anti-state, anti-patriotic actions."

Music Decree Cited

Kaftanov demanded that the Communist party decree on music, in which the formalism of Dmitri Shostakovich, Serge Prokofiev and other composers was condemned, also be applied to Soviet science.

He cited a former head of the history faculty at the Moldavian Pedagogical Institute who, he said, had failed to "portray the progressive role of Russia in the history of Moldavia."

Red Propagandist Dies

Moscow, March 3 (AP)—The death of Maj. Gen. Vladimir Sergeivich Veselov, chief of agitation and propaganda of the armed forces central political department, was announced today. The announcement said that his death was "untimely," but gave no details.

RIOTING ENDS IN GOLD COAST

Troops Restore Order After 25 Are Killed, Many Hurt

Accra, Gold Coast, March 3 (AP). Troops with shoot-to-kill orders restored order in Accra today following a week end of rioting in which 25 persons were killed and several hundred wounded.

Police and British colonial officials still were mystified as to the cause of the disorders.

All Accra's hospitals were jammed with wounded, including many women and children.

Police said at least 50,000 of the city's 73,000 residents were rioting early Sunday at the height of the disorders. Even bow-and-arrow fighting Tribesmen from the northern sector of the colony took part.

Situation Called "Ugly"

[In London, the Admiralty said two British sloops were en route from Simonstown, South Africa, to the West African colony which lies just north of the equator. The Colonial Office called the situation "ugly." One Government spokesman said "there was almost certainly Communist incitement" to the riots.]

The riots were aggravated by an orgy of looting and vandalism which caused damage estimated at several million pounds sterling.

Soldiers and police have closed off the business section in Accra.

Looters Arrested

During the disorders they arrested looters who smashed in the fronts of scores of shops. The streets were cluttered with merchandise and looters fought among themselves. The looting fever spread from Accra to other towns. Wounded persons were brought into Accra's hospitals today from Kumasi, Koforidua and Sawam.

The disorders began Saturday when police tried to head off a procession of ex-service men who attempted to enter the Governor's castle. The police fired a volley, killing two persons, and hysteria broke out.

Apparently the ex-service men were trying to present a petition, the nature of which was not known.

British Send 2 Sloops To Africa Riots

London, March 3 (AP)—The Admiralty announced today that two British sloops are steaming from Simonstown, South Africa, to the African Gold Coast colony, scene of widespread rioting.

Fourteen persons were killed and 140 wounded Saturday when a mob of 50,000 swept through the capital city of Accra, looting shops and battling police.

Laid To Communists

As late as yesterday, the Colonial Office announced, there was "an ugly situation" in Koforidua. Women and children were evacuated and a police flying column was sent to the town.

The British Government announced Monday "there was almost certainly Communist incitement" behind the disorders.

The disorders started when an ex-service men's organization left an agreed parade route and tried to march on the palace of Sir Gerard Creasy, the governor. The ex-service men's group proposed to present the governor a petition. The Colonial Office said it did not know its contents or the grievance behind the demonstrations.

W. Java Bars Presidency On American Plan

Bandoeng, Java, March 3 (AP)—The West Java provisional Parliament rejected without a vote today a Dutch plan to model the state's executive branch after the United States presidency. The Legislature demanded instead a Cabinet responsible to Parliament.

The question arose during a debate on a constitution. A majority of members said the United States system gives the President too much power. It was understood that the Dutch had sought to use the United States Constitution as a model because the Indonesian state government system had brought about what the Dutch consider too frequent changes in the Government.

Other changes in the constitution were minor. The Parliament is to elect a chief of state tomorrow.

Convoy-Attack Toll Set At 560

Saigon, Indo-China, March 3 (AP). An informed source said today that about 560 persons were dead or missing after the mass guerrilla attack Monday on a Saigon-Dalat convoy. He said the majority were dead.

A French Army spokesman refused to comment, saying reports were incomplete.

The dead included French, Anamites and Chinese. A survivor said he had counted at least twenty bodies of Europeans. He estimated 50 of the 60 trucks, busses and automobiles in the convoy had been destroyed during two attacks over a seven-hour period by small bands totaling 2,500 guerrillas.

The French Press Agency said 25 persons, mostly Cochin-Chinese police, had been killed in an attack on a convoy from Sadoc to Saigon, about 60 miles southwest of Saigon.

REDS LAUNCH ATTACK ON MANCHURIAN CITY

NANKING, March 3—(AP) The communists have loosed a heavy attack on Szepingkai, battered Manchurian stronghold 100 miles northeast of Mukden, a government military spokesman said today.

This fortified city on the railway to Changchun, Manchuria's capital, has stood firm against all previous Red assaults. This time the garrison's plight may be more serious.

The spokesman, Lt. Gen. Teng Wen-yi, told a news conference the attackers were bolstered by veterans brought up from battles South of Mukden.

Dispatches from Mukden said the communists also were boasting they soon would attack Changchun and Kirin, power center 60 miles to the east.

Red Commentator Says Chiang Faces Disaster

Moscow, March 3 (AP)—Generalissimo Chiang Kai-shek faces "inevitable disaster" regardless of what America does, a Soviet commentator said today in the *Literary Gazette*.

O. Prudkov, reviewing the course of China's civil war, said "even official circles in the United States have been forced to admit that American aid' can do nothing to materially alter the situation in China."

160 Die as Ship Sinks During Pirate Attack

Shanghai, March 3 (A. P.).—The Central News Agency reported from Amoy today that panic resulting from a pirate attack on a Chinese steamship caused it to capsize and sink last Saturday with the loss of 160 lives.

The band of ten pirates had gone aboard as passengers, mingling with the crowd until the vessel had left Anhai on its trip to Amoy. The bandits then drew pistols. Frightened passengers stampeded to the rails, causing the ship to capsize. Four pirates were among 120 persons rescued, the Central News Agency said.

Chinese Training Is Race Against Time

Ping-tung, Formosa, March 3 (AP)—The American-aided training program for the Chinese Army in South Formosa has become a race against time—and the Chinese Communists.

It is a question of whether Chiang Kai-shek's armies can stall off a Communist victory long enough for the training program to make itself felt.

Chinese officers and their United States advisers agree it should have been started long ago.

Superior Type Of Soldier

The program appears to be producing a type of soldier far superior to most of those in the national armies. The men look healthy, happy and well fed. Their faces reflect morale to a degree startling in contrast to the tired, indifferent trooper you find in many parts of China proper.

But the time element is of supreme importance. Gen. Sun Li-jen was asked how many battle-readied divisions he thought would be needed to turn the tide in Manchuria, and how soon he could produce them.

He replied that no one knows how many, but twenty new divisions would materially ease the situation. He added that the time needed to train them depends to a large extent on supplies, which are terribly short.

Reds Capture Yingkow

[In Nankng, the Government's military spokesman told a news conference that the Manchurian port of Yingkow fell to the Communists last week because the garrison was out of ammunition.

[Lieut. Gen. Teng Wen-yi said the Reds were opening heavy attacks against Szepingkai, rail city 100 miles northeast of besieged Mukden. Government troops attempting to relieve Mukden from the southwest were reported to have taken Heishan, a branch rail town 70 miles to the west.]

(Editor's Note: The U. S. Army advisory group in China is helping the government train new combat divisions at a base recently established on Southern Formosa, big island province off South China's coast. The Chinese government has permitted little to be written about this base at Pingtung. Fred Hampson, chief of the Associated Press staff in China, arranged a flying visit to Pingtung, however, and here gives the first glimpse of what is being accomplished.)

By FRED HAMPSON

PINGTUNG, Formosa, March 3 —(AP) The Chinese army and its U. S. advisers are turning out soldiers here—well-fed troops who look like they can fight.

On a quick visit to this government training base on Southern Formosa, I found a morale which is in sharp contrast to the weariness and indifference of the nationalist troops usually seen in China.

The program is turning out a better fighting man than those who now bears arms for the government on the civil war battlefields.

The trainees look healthy, and happy. Above all they seem to be enjoying the job.

They say a Chinese soldier properly trained is as good as any in the world. One can believe it after seeing the trainees work out on the warm drill grounds and ranges of Pingtung.

I was watching a bayonet drill. A U. S. sergeant who fought in France and Germany was standing nearby looking on.

"Most Chinese soldiers," he observed, "don't look to me like they could fight a lick. But these guys look like they could fight plenty."

In any evaluation of a Chinese army training program you must reckon with the time element.

How many trained divisions does China need, and can they be produced in time to turn the tide against the Chinese communists?

I asked Gen. Sun Li-jen, in command of all Chinese army training bases, how many well-trained divisions he thought were needed to throw back the communist threat.

The general said no one knew the answer, but he thought 20 divisions would make a big difference in easing the situation.

How long it will take to produce these divisions, Sun added, would depend largely on supplies, which are extremely short.

(Sun, admirer of the U. S. army, was graduated from Virginia Military Institute. He commanded the crack U. S. - trained new First army in Burma.)

In any event, the training program has something to show in the way of progress. And no telling what this base can do in the way of turning out finished troops when it operates at peak capacity.

Everybody connected with the base, Chinese and American, agree it should have been started long ago.

Philippines Defer Bank Law Hearing

Manila, March 3 (A. P.).—At the request of ten banks the Philippine Congress today postponed consideration of financial legislation proposed by President Roxas. A joint committee deferred hearings until March 11 to give Philippine and foreign bank representatives time to study the measure.

Roxas wants to create a central bank which would "maintain an international reserve adequate to meet any foreseeable net demands." Philippine currency now must be backed by 100 per cent reserve in the United States Treasury.

Roxas said the exchange of two pesos for $1 would not be affected.

Guatemala Flag Hoisting Hit By British

Guatemala, Guatemala, March 3 (AP)—A British diplomatic spokesman said today Britain will protest the flying of the Guatemalan flag over the British Legation here during a demonstration yesterday.

The spokesman said a "vigorous protest" will be made to Guatemala's Government, which is currently disputing Britain's claim to British Honduras.

Thousands of persons demonstrated for more than an hour yesterday and ran up the Guatemalan flag over the legation. British personnel remained inside.

Flag Hauled Down

Police said the crowd was orderly and no one was injured.

The Guatemalan flag was hauled down at the end of the demonstration "to keep the British from insulting it."

The national anthem was sung several times and speakers appealed for the Guatemalan Republic to unite against Britain.

Warships At Belize

Britain has three warships at Belize, sent there "because of possible incidents by irresponsible elements in neighboring Guatemala."

Guatemala called the British move "a hostile act."

Marshall And Forrestal Urge Greater Help

MAR 1948

Washington, March 3 (AP)—Secretaries Marshall and Forrestal told Congress today there is "grave danger" Greece and Turkey cannot remain free unless they get more military aid from the United States.

The two Cabinet members testified jointly to the House Foreign Affairs Committee in support of the Administration's request for $275,000,000 to be spent on guns, planes and other weapons for the two nations.

Secretary of State Marshall said that arming the Greeks and Turks would be "discouraging" to further aggression against their countries.

Both Marshall and Secretary of Defense Forrestal left little doubt they were thinking of Russia.

Evidence Of Intention

Marshall said there is "clear evidence in Greece and Czechoslovakia of Communist intention against all nations that stand in the way of their expansion."

And as long as threats confront Greece and Turkey, Marshall said, there can be no assurance that American assistance can be stopped.

Forrestal said it is evident that "the military position in both countries must receive our first attention."

He added:

"Greece and Turkey lie on the fringe of totalitarian countries, whose actions leave little doubt that they hope to extend their control over these two strategically located nations."

Aid Voted In May

Congress voted $400,000,000 for aid to Greece and Turkey last May. The $275,000,000 additional the lawmakers are now being asked to vote would be for spending in the twelve months beginning next July 1.

The $400,000,000 was divided $300,000,000 for Greece and $100,000,000 for Turkey. It was originally planned that half ($150,000,000) of Greece's $300,000,000 would be spent to improve business conditions there. But Marshall said $172,000,000 had to be spent for military aid because of the guerrilla warfare in northern Greece.

Guerrillas Get Aid

Both the Cabinet members said the guerrillas are getting help from neighboring countries on the north.

They said that economic recovery in Greece depends on first wiping out the guerrilla nuisance.

"No program of reconstruction," Forrestal said, "can be carried out until the guerrillas are reduced and military stability achieved. Therefore, we must reinforce the Greek armed forces by furnishing supplies and providing technical assistance."

Marshall and Forrestal both said, too, that Turkey is under foreign pressure and needs continued help if her people are to be assured of keeping their independence.

"Strategic Importance"

Forrestal stressed the "strategic military importance" of Greece and Turkey.

If Greece should fall under control of a totalitarian minority, he said, the effect on Turkey would be "extremely serious." Turkey, he said, "bars the path to the ambitions of any power coveting the rich resources of the Near East."

"In addition," he said, "the loss of Greece and Turkey as free and independent states would have a demoralizing impact on other countries which are struggling to maintain their freedoms under most difficult conditions. The consequences of a display of weakness on our part in this critical area are beyond calculation."

Marshall told the committee he believes Greece's northern neighbors would not ware commit an overt act if the Greek Army became more successful in its drive against the guerrillas.

Question By Vorys

Representative Vorys (R., Ohio) had asked whether success of the Greek Army would not enlarge the conflict. He suggested Greece's northern neighbors, under Communist influence, might increase their aid to the Greek rebel forces.

Marshall said there is "positive evidence" that the guerrillas are retiring across the northern border frequently for rest and to reorganize their forces. He said he doubts if many of the guerrillas are of Greek nationality, and said there is evidence they are being equipped from across the northern border.

Helping Themselves

Representative Lawrence H. Smith (R., Wis.) wanted to know if the Greeks themselves are doing all they can to put down the rebels.

Forrestal said that in terms of what America would do in a similar circumstance, probably not, but that he expects the American general in Greece to impart a new spirit to the Greek Army "and I think we can look for an increase in vigor in the spring."

TEXT

By The Associated Press.

WASHINGTON, March 3—The text of the statement by Secretary of State Marshall to the House Foreign Affairs Committee today on Greek and Turkish aid, as reported by The Associated Press, follows:

On March 12, 1947, Congress was requested to authorize assistance to Greece and Turkey in the amount of $400,000,000 for the period ending June 30, 1948. The President then stated that such action was made necessary by the gravity of a situation which involved the foreign policy and national security of the United States.

Congress authorized the requested aid by Act of May 22, 1947, and appropriated the necessary funds by Act of July 30, 1947. There has been presented to the Congress a request for additional military assistance to Greece and Turkey in the amount of $275,000,000, covering the period through the fiscal year 1949.

In Turkey the supply of equipment destined for the strengthening of the Turkish defense forces is under the general supervision of Ambassador Edwin C. Wilson, who also serves as chief of the American Mission for Aid to Turkey. In Greece the work of supporting and rehabilitating the Greek economy and of strengthening the Greek armed forces is being carried on by the American Mission for Aid to Greece under the leadership of Dwight P. Griswold.

Greece Exists as Free Nation

The program of American aid to Greece has had the important substantial result that Greece continues to exist as a free nation. Economic recovery has been seriously impeded, in spite of American aid, because guerrilla warfare, supported from the neighboring countries, has been intensified and continues to disrupt Greek economy.

One hundred and seventy million dollars, or about 57 per cent of the total funds provided for the Greek aid program, is being expended for the strengthening of the Greek armed forces and the creation of local national guard units to take over from the mobile army the protection of towns, villages and lines of communications threatened by the guerrilla forces.

When the President addressed Congress on this subject in March 1947, a commission of the Security Council of the United Nations was in the Balkans to investigate alleged border violations along Greece's northern frontier. The majority report of this committee, submitted on June 27, 1947, concluded that Yugoslavia, Albania and Bulgaria had supported the guerrilla warfare in Greece. Action on the basis of this report by the Security Council was blocked by a Soviet veto.

The matter was accordingly referred, on American initiative, to the General Assembly which, on Oct. 21, 1947, adopted a resolution calling upon Albania, Bulgaria and Yugoslavia "to do nothing which could furnish aid or assistance" to the guerrillas. It also called upon these powers and Greece "to cooperate in the settlement of their disputes by peaceful means," making certain specific recommendations to this effect. It established a special committee to observe the compliance by the four governments with these recommendations and to be available to assist in their implementation.

Greeks Are Cooperative

The government of Greece reiterated its willingness to cooperate with the special committee. It has in fact done so. On the other hand, the government of Yugoslavia informed the Secretary General of the United Nations that it "will not extend any cooperation to the commission or its observation groups and will not permit their entry into Yugoslav territory." Similar announcements were made by the governments of Albania and Bulgaria. The delegates of the Soviet Union and Poland in the General Assembly had already made it clear that their governments would take no part in the activities of the special committee, though membership on the committee was, and still is, reserved for them.

This attitude on the part of the U.S.S.R., Poland, Yugoslavia, Bulgaria and Albania led the committee in its first interim reports to comment on its inability "to report any evidence of bilateral compliance with any of the recommendations of the General Assembly." In its second interim report, the committee called attention to the large-scale guerrilla attack of Christmas Day against the Greek town of Konitsa on the Albanian border and declared, on the basis of the report of its observation group in the region, "that aid in the form of logistic support is being furnished from Albania to guerillas operating on Greek territory."

There was an announcement on Dec. 24, 1947, over the Belgrade radio of the establishment of a Greek junta under the guerrilla leader Markos. Propaganda against the United States and in favor of the Greek guerrillas has been carried on by the government-controlled press and radio in the Communist-dominated countries of Eastern Europe, and, like support extended to the Greek guerrillas, has been intensified since the inception of the American aid program.

The President, in transmitting to the Congress the second report on assistance to Greece and Turkey, stated:

"It is significant that the guerrilla warfare is directed not against the Greek army but against the people of Greece. The deliberate and wanton destruction of Greek villages does not result from military engagements.

Ruthless Program Seen

"It is determined and rutehless destruction intended to render people homeless and drive them from the soil; to force them into overcrowded urban centers where they become charges of an already overburdened state; and to create for them conditions of misery and hardship in the hope that this will make them susceptible to political agitation."

The accuracy of this statement is confirmed by the fact that over 400,000 of the Greek people have left their homes in the villages of the districts where the guerrillas operate and have sought refuge in the cities of northern Greece. They have fled from the guerrillas. They have not joined them.

By such means the independence and territorial integrity of Greece are being threatened and all efforts of the Greeks and their friends to promote the economic rehabilitation of the country are being systematically undermined. The Greek government has been obliged to divert to military purposes and for refugee relief increasing amounts of money and supplies needed for economic rehabilitation. The American aid mission also has been obliged to divert some $23,000,000 of the American funds originally intended for economic purposes in order to build up the Greek armed forces.

The situation is serious, but it is not without hope. The Greek Government, in its efforts to meet its many critical problems, has shown a commendable resistance to the pressure to depart from democratic principles and to apply totalitarian methods to meet the situation. A coalition government headed by the chief of the Liberal party and supported by a large majority of the freely elected Greek Parliament still is in power.

An intensification of the Greek military effort against the guerrillas, with the forces and equipment presently authorized and now proposed, and with the help of the American military officers now reaching the field, gives promise of greater success. With such success in the elimination of guerrilla warfare, the economic part of the American aid program which already has begun to show results will have a greatly increased effectiveness in the strengthening of Greek economy.

Extension of further American military aid to Greece and Turkey which is now before the Congress, as well as early and favorable action on the European Recovery Program will be of tremendous importance in discouraging more overt aggression against Greece. Conversely, nothing could be more calculated to encourage the enemies of Greece in their designs than a show of weakness or hesitation on the part of the United States.

Need for Aid Increased

When request for appropriation for aid to Greece and Turkey was made last year the Department of State expressed the hope that with funds provided under the initial year's program, recovery in Greece would have progressed to such a point that further financing of Greek rehabilitation could be obtained from the international fiscal institutions. The intensification of guerrilla warfare brought about by increased support by Greece's northern neighbors has unfortunately not only made this impossible but has in fact increased the need for both economic and military assistance to Greece.

As a member of the Paris Conference of the Committee of European Economic Cooperation, Greece participated in the development of a program for European recovery which it was calculated would require four years for realization. Funds provided under the ERP will not, of course, be available for military assistance to the Greek armed forces in their fight against the guerrillas.

Although there is expectation that the guerrilla menace can be

30.24- 15987

brought under control during the period for which additional military funds are now requested, ultimate success in the guerrilla war and termination of military assistance to Greece depends in large part upon the degree to which Greece's northern neighbors give assistance to the guerrillas, in their efforts to secure Communist domination of Greece against the wishes of the Greek people.

I call your attention to the following passage from the recent report on Greece of the subcommittee of the House of Representatives Select Committee on Foreign Aid:

"Should the United States now withdraw its support from Greece, which would almost certainly result in the establishment of a Communist government, the Communist parties throughout Europe would undoubtedly utilize the opportunity to point out to those who are now valiantly resisting Communist infiltration in other countries the uncertainty of relying on United States help. The effects of such withdrawal would greatly weaken the determination of the constitutional forces resisting communism elsewhere."

Large Army Maintained

The continuation of military assistance to Turkey, which has since the war been under such constant foreign pressure that she has had to maintain a large and burdensome military establishment, is equally important. Intensification of Communist pressure against Turkey during the past year, coupled with clear evidence in Greece and Czechoslovakia of Communist intentions against all independent nations who stand in the way of their plans for expansion, have foreclosed the expectation that the military assistance we are furnishing Turkey in this year's aid program will be sufficient. While the proposed program involves no commitment, moral or otherwise, as to continuation of assistance to Turkey beyond the fiscal year 1949, no assurance can be given that additional aid will not be required as long as there exists the active threat to Turkey of Communist domination.

Greece and Turkey occupy a strategic position in the Eastern Mediterranean area. They are confronted by the same menace of the loss of their independence and the imposition by an aggressive minority of a system which is contrary to that desired by the great majority of their peoples. Their loss of independence would have serious effects far beyond the frontiers of the two countries. It would greatly weaken the position of those European countries which the United States is seeking to aid through the proposed European recovery program. It is in the national interest of the United States that the principles of the United Nations shall be maintained and that the rights of "free peoples to work out their own destiny in their own way" shall not be violated.

M'ARTHUR SAYS HE CAN'T COME HERE TO TALK ON CHINA

Cables His Duties Keep Him in Japan, but Urges Aid for Nanking.

MAR 1948

Washington, March 3 (A. P.).—Gen. Douglas MacArthur said today that he could not return home to testify on China's need for aid, but that Congress should not underrate such needs or their importance. The American commander in Tokyo cabled the House Foreign Affairs Committee: "A free, independent and peaceful and friendly China is of profound importance to the peace of the world."

The committee had sent him a request for his opinions on the pending proposals for China aid.

Making public MacArthur's reply, the committee disclosed also that Gen. Claire Chennault, former commanding officer of the Flying Tigers, had cabled that he would return from China to discuss the aid program. Chennault, in commercial aviation in China, has married a Chinese girl.

Chennault said that he would reach the United States on March 10.

The committee is considering an administration request for $570,000,000 to help China rebuild roads and factories, and pay for needed imports of food and other consumer supplies. Some members of Congress are urging other funds which China could use to buy weapons with which to fight the Communists. At committee hearings, William C. Bullitt, former Ambassador to Russia, suggested $100,000,000 for that purpose.

MacArthur told the committee in his cablegram that China is a naval theater, and what information he gets comes to him indirectly, but he said he felt that China's problem "is a part of a global situation that should be considered in its entirety" by the committee, adding that "maintenance of China's integrity against forces threatening her existence are of paramount importance" to the world. MacArthur also urged that the committee "take care to avoid committing our resources beyond what we can spare."

In saying that he would be unable to come to Washington, MacArthur explained that his decision was prompted by "pressure of my operational duties" as commander-in-chief of the occupation forces in Japan.

MacArthur Takes Issue With Truman, Marshall

WASHINGTON, March 3 — (AP) General Douglas MacArthur took issue with President Truman and Secretary of State Marshall today in urging military aid to China.

MacArthur said "the maintenance of Chinese integrity against destructive forces which threaten her engulfment" is "infinitely" more important than "internal reform."

The general, who is being mentioned as a possible presidential candidate, cabled his views from Tokyo at the request of the House Foreign Affairs committee.

They differed pointedly from those of the President, who has asked $570,000,000 in strictly non-military aid to the Chinese government to help it set its economic house in order.

And they came close to the views of William C. Bullitt, former ambassador to Russia, and Rep. Judd (R.-Minn.), both of whom have criticized Marshall for refusing to ask guns and planes for China.

World Anti-Red Body Barred by Vandenberg

Tells Senate Ball Plan Would Commit U. S. to War on Vote of Seven Nations—Opposes Any Delay on ERP.

1948

Washington, March 3 (A. P.).—Senator Vandenberg (R.-Mich.) flatly rejected today a proposal to set up a new international agency to checkmate Communism in the world.

"I could not agree to a new charter for the peace of the world," he told the Senate.

The proposal to set up a supreme council was offered to the Senate by four Republican Senators as an amendment to the $5,300,000,000 European recovery program.

Vandenberg said it was drawn up by Senator Ball (R.-Minn.) and his friends "in the last few minutes."

Would Hold Back ERP.

"What overwhelms me is the asking of Congress, on twenty-four hours' notice, to accept a formula which would commit the United States to war on the vote of foreign countries," Vandenberg declared.

"I can't contemplate attempting to hold back the European recovery plan which has been considered for eight months to develop a military defense program."

Vandenberg, chairman of the Senate Foreign Relations Committee, took the position that any such agency would permit other countries to push the United States into war against its will.

In a debate with Ball, Vandenberg declared:

"Seven other countries could vote us into war. I don't think I agree with it."

Ball urged Congress to ask the President to invite other nations to join the United States in a "pledge of armed forces" to halt the "steady Russian Communist aggression."

He was joined by three other Republicans, Wherry (Neb.), Hawkes (N. J.) and Cain (Wash.).

Their plan asked the establishment of a supreme council, to be created outside the United Nations, to defend all member nations against "aggression" or "subversion."

In the debate on ERP, Senator Hoey (D.-N. C.) told the Senate that the recovery program offers the "best immediate means" to further the cause of peace.

"Time will aid us in making crystal clear to Russia and all the world our own high purposes and unselfishness of the course we are pursuing," he declared.

Hoey said that while there was no assurance the program would keep peace, it was worth trying and had the virtue of being both economical and right.

Strictly European.

Under-Secretary of State Robert Lovett said today that the United States wants any organization of Western European nations to be purely a European affair. For that reason, he told a news conference, the United States has no plans to participate in a meeting beginning at Brussels tomorrow on a western European union.

Lovett said the American Government is now deciding the policy it would follow toward such a proposed organization. The Under-Secretary, in discussing the matter, did not rule out the possibility that the American Government would favor some kind of military alliance, or mutual defense arrangement, between the United States and a western European union.

Other high spots of Lovett's conference:

1. France and several other European countries are now running on a thin margin economically. Unless the European Recovery program goes through Congress about April 1 those countries will be faced with very difficult economic problems.

2. United States troops did not liberate Prague solely because Gen. Eisenhower was asked by the Soviet High Command on May 5, 1945, not to do so. Russian propaganda in Czechoslovakia has charged American troops deliberately refused to free Czechs from Nazi rule.

UN TO DRAFT PACT BANNING GENOCIDE

LAKE SUCCESS, March 3 (AP)—The United Nations set up machinery today to draft an international treaty outlawing any mass extermination of minorities.

Without a formal vote, the Economic and Social Council approved creation of a seven-nation committee to draft a convention banning genocide—the term coined to describe such massacres. The UN assembly has declared genocide a crime against humanity.

The committee was instructed to send the draft convention to the Spring meeting of the UN Human Rights commission. It will then go to the General Assembly next Fall for final action before submission to the UN members for ratification.

G. B. Shaw Donates $84

Lake Success, N. Y., March 3 (AP). The United Nations received word today that George Bernard Shaw has given $84 to the United Nations Children's fund.

The appeal for relief of distressed children throughout the world asks contributions for the equivalent of one day's earnings. Shaw's donation to the British appeal committee for the fund was sent with this message: "For the kids. No acknowledgment expected."

would in reality bring the first test vote on partition in the Council, would not obtain the required majority of seven votes out of the eleven.

There was no indication at this stage that the Belgian motion would pass either but some delegates have said that the big five must consult soon on the Palestine situation.

The Council sat only 43 minutes. It adjourned at 3:32 p.m. (EST) until 10:30 a.m. Friday to hear Camille Chamoun, of Lebanon, before taking a vote. Chamoun was reported recovering in New York from an illness which prevented him from speaking yesterday. MORE

CANADA, CHINA HIT U.S. RESOLUTION ON PARTITION PLAN

F. CARPENTER

LAKE SUCCESS, March 3 (AP)—Canada and China blasted today an American attempt to get quick Security Council approval for the Palestine partition plan.

These countries told the United Nations Security Council that the five great powers must make supreme efforts to settle the Palestine question by conciliation.

They made it virtually certain that the Council would not approve a resolution pressed by Warren R. Austin, United States chief delegate.

This resolution would put the Council definitely on record for partition and would call on the five great powers to consult with Jews, Arabs and British in an effort to reach a settlement for Palestine.

A Belgian substitute is opposed to the U. S. proposal. It is exactly the same as the U. S. proposal except that it would knock out the key paragraph committing the Council to accept the partition plan approved by the UN assembly last Nov. 29.

Belgium voted for partition last Fall but contends that consultations looking forward conciliation are in order.

China, Canada, Syria, and Belgium are definitely opposed to the U. S. resolution and Britain will abstain. Thus the U. S. plan, which

MCCABE PROBE TURNS TO U.S. SALES IN CHINA

Tobey Says 1948 Reserve Board Appointee Ordered B-25's Destroyed

Washington, March 3 (AP)—A probe into the fitness of Thomas B. McCabe for a Federal Reserve Board post today turned into a barrage of charges that surplus property sales in China were badly handled.

McCabe is President Truman's choice for head of the board. If he is confirmed by the Senate, he will succeed Marriner S. Eccles. The Senate Banking Committee is checking on his record.

What Tobey Seeks

Senator Tobey (R., N.H.) said he wants to:

1. Investigate McCabe's fitness for the job.

2. Find out what led Mr. Truman to demote Eccles to the vice chairmanship.

In a 10,000-word statement, Tobey said McCabe, while head of the war surplus sales abroad, ordered eleven nearly new B-25 bombers destroyed.

He said this was to "forestall bad publicity" as a result of their sale to a private Chinese firm.

Today, McCabe said this was all news to him.

Irregularities Charged

Hubert R. Moody, a member of the staff of the Senate Expenditures Committee, testified that a long series of "serious irregularities" took place in surplus property transactions in China while McCabe was foreign liquidation commissioner.

He listed:

1. Sale of 151 planes for $500,000 as compared with an established world price of $2,730,000.

2. Inclusion, contrary to United States policy, of eleven B-25 bombers in this sale. He said they were destroyed to avert publicity, and that another B-25 which was not surplus was inadvertently destroyed also.

3. Charging other buyers, including the United States Relief and Rehabilitation Agency, more for surplus property than the Chinese Government was charged.

McCabe Not Linked Directly

Moody did not link McCabe directly with the charges, but he said McCabe was in China while they were investigated.

Moody's major charges were directed against Brig. Gen. B. A. Johnson, McCabe's deputy commissioner.

Moody said when he called McCabe's attention to irregularities McCabe said Johnson's "weakness was poor public relations."

Moody said he replied it was "not bad press relations but outright violations of the law."

He said Johnson dismissed a subordinate because he protested the sale of blood plasma and drugs which later found their way to the Chinese black market, persisted in turning over property to the Chinese without contracts, canceled a contract to sell sheet steel to American oil companies after half the $95,000 purchase price had been paid and later sold it to the Chinese for only $20,000.

Court-Martial Dropped

He said court-martial plans against Johnson were dropped because it would upset the political situation, and there were not enough officers present.

Later, Moody said, Johnson "was allowed to resign" but re-entered the service and is still "a transportation officer in Tokyo."

Tobey recessed the hearing when Moody completed his testimony. He said McCabe will be given a chance to make a statement, probably next Wednesday.

McCabe, a Republican, is president of the Scott Paper Company but is on leave of absence. He is chairman of the Philadelphia Federal Reserve Bank. He was head of foreign surplus sales from 1944 to 1946.

Charges Of Tobey

Tobey's charges, made in a 10,000-word statement reviewing McCabe's handling of war surpluses, alleged:

1. Heavy losses on war surplus sales, because of what he called "mismanagement."

2. Failure to "look into charges" against a surplus agent in China.

Tobey, chairman of the committee, said he plans to present all charges against McCabe before asking him to testify.

McCabe said he had not seen the accusations until he entered the open hearing today. He said he had not been given a chance to answer.

"Most of them are old criticisms raised by the former War Investigating Committee in a report in 1946," McCabe said after the hearing recessed. "I'll have to make a study of all these things before I am ready to comment."

Ordered Tails Of Planes Cut Off

Regarding the B-25's, Tobey said:

The sale was arranged by Brig. Gen. B. A. Johnson. The buyer was a firm headed by T. L. Soong, brother of Premier T. V. Soong. When the story was printed, McCabe ordered the bombers destroyed by cutting off their tails.

He quoted the old Senate War Investigating Committee, which criticized the small return this country received on approximately $12,000,000,000 in surplus goods left overseas.

His report traced many of the multimillion dollar deals. He mentioned sales in England, Iran and India.

A-SCIENTISTS CALL CONDON 'SMEAR' VICTIM

FBI Report Fails To Show Disloyalty In Alleged Association With Russian

Washington, March 3 (AP)—Atomic scientists rushed to the defense of Dr. Edward U. Condon today, and it was disclosed an FBI report said there was no evidence Condon was disloyal in his alleged association with a Russian spy suspect.

The chief of the Bureau of Standards was pictured by the Federation of American Scientists as the victim of a "deliberate smear." It assailed a report of a House Un-American Activities subcommittee which had said he mingled with alleged Russian agents.

"Certainly Critical"

The House group's chairman, Representative J. Parnell Thomas (R., N.J.), conceded today that the report had omitted the favorable reference to Condon in quoting from a letter by J. Edgar Hoover, FBI director.

Thomas explained an investigator had copied only parts of the Hoover letter, and said the subcommittee used all that it had in making its report.

"A further check discloses," he said, "that while Hoover did say there was no evidence that Condon had been disloyal in associating with this one individual, the tenor of the rest of the three and a half pages is entirely different. Its tone is certainly critical of Condon and his activities."

Thomas called for full disclosure of the letter by the Department of Commerce, under which Condon works. The subcommittee said the Hoover letter was addressed to the department in confidence last May.

"At Least . . . Indiscreet"

Thomas has said previously that his group has no evidence that Condon is disloyal. But, he added, Condon "has at least been indiscreet."

The Condon case also brought these rapid developments:

1. The Un-American Activities Committee formally subpoenaed the letter and all other records of the department's loyalty investigation of Condon for a committee meeting Friday.

2. Thomas demanded to know why the Commerce Department "required until last Tuesday to reach a decision on Dr. Condon's loyalty, since he has held this highly strategic position for over two years."

The loyalty board of the department held there was "no reasonable ground" to doubt his loyalty.

3. The subpoena, served on John L. Towne, secretary of the loyalty board, was turned over to a department attorney.

It was assumed this was for consideration of the question whether confidential files of an executive agency are subject to a congressional subpoena. However, in the absence of W. Averell Harriman, Secretary of Commerce, who is on his way back from a vacation, officials refused to comment.

4. The Federation of American Scientists labeled the subcomittee's report a "deliberate smear" of a scientist who has "earned the respect and admiration of his American colleagues."

The House group's evidence was termed "of the most specious kind" and its report "replete with inconsequential inferences." The statement was issued by Prof. Robert E. Marshak, federation chairman.

5. In Chicago, the Emergency Committee of Atomic Scientists declared the subcommittee had "rendered a disservice to the interests of the United States."

Headed By Einstein

The group, headed by Albert Einstein, said the result of "unsubstantiated and unwarranted" attacks on Government scientists is to make it more difficult for the Government to get able scientists to work for it.

Meanwhile, the Un-American Activities Committee was virtually assured of getting the largest fund in its history.

The sum of $200,000 for the rest of 1948 was approved by the House Administration Committee, subject to the final approval of the House—perhaps this week. It is twice what the investigating group had last year and $50,000 more than it ever had before. It plans to take on ten more employés to add to its staff of 26.

Thomas, who is in a hospital recovering from an illness, made his explanation of the Hoover letter's handling through Robert E. Stripling, his chief investigator.

The letter purported to describe Condon's associations with various individuals. One paragraph read:

"The files of the bureau reflect that Dr. Edward U. Condon has been in contact as late as 1947 with an individual alleged, by a self-confessed Soviet espionage agent, to have engaged in espionage activities with the Russians in Washington, D.C., from 1941 to 1944."

This morning, the Washington *Post* said it had learned this section was followed by a sentence in which Hoover said the FBI found no evidence of disloyalty or subversive activities in Condon's reported association with the alleged one-time spy.

16 Foreign Countries Arrange To Get Radioactive Isotopes

OAK RIDGE, Tenn., March 3—(AP) Sixteen foreign countries have arranged to obtain radioactive isotopes for research, the Atomic Energy Commission announced today.

To qualify, the countries first must agree to certain terms.

Among other things, they must agree to allow "qualified scientists, irrespective of nationality," to visit the laboratories where the research is being carried out.

They also must submit progress reports on their experiments to this country every six months, and agree not to use the materials for any purposes other than those agreed on with the U. S.

Of the sixteen countries, Australia, United Kingdom, Canada, Italy, Argentina, Denmark, Peru and Sweden already have received shipments.

New Zealand, the Netherlands, Cuba, France, Belgium, Union of South Africa, Ireland and Switzerland have completed the preliminary arrangements but are still arranging for shipping.

Radioactive isotopes are ray-emitting forms of various chemical elements.

Chemically, they act the same as do the regular forms of these elements. But the fact that they emit rays—just as radium does—enables them to be used in two ways:

1. As "tracer" materials. In certain studies, researchers can tell what happens to ordinary elements by means of the "signals" given off by the radioactive form of that element.

2. As a means of utilizing rays in the treatment of certain diseases.

They are produced by subjecting ordinary forms of the elements to the rays emitted by atomic piles operated at the nuclear fission plants here.

New Veto-Free Unit To Curb Reds Urged

Washington, March 3 (AP) — A new, veto-free world agency with power to curb Russian expansion was proposed to the Senate today.

The idea was offered as an amendment to the Marshall plan by a group of Republican senators.

They called for the United States to take the lead in creating a supreme international council apart from the United Nations.

The chief job of this supreme council would be to combat either "aggression or subversion in any form."

Senator Ball (R., Minn.) announced that he would offer the plan formally when debate resumes on the $5,300,000,000 European Recovery Program.

Proposed By Revisionists

The superagency proposal emerged from a meeting of fourteen Marshall plan "revisionists" last night.

The text of the amendment does not mention Russia by name. But the intent is obvious.

Senator Brewster (R., Maine), who attended the meeting, defined the proposed new agency as an "offensive-defensive alliance." He said it would provide for "effective collective security without the paralyzing power of veto."

Russia on several occasions has made use of the veto she holds as one of the "Big Five" permanent members of the United Nations Security Council. The other four are the United States, Britain, France and China.

Drawn Up By Ball

Ball, who drew up the blueprint for the supreme council, is chairman of the revisionist group's steering committee.

During yesterday's debate, Ball assailed the spread of "Russian tyranny" and said western Europe must be offered a means of political security as well as economic stability.

Ball's amendment would direct the President and Secretary of State to open immediate talks with other members of the United Nations.

The aim would be to try to win agreement among as many countries as possible on the new power-backed superagency.

Russ Using Jap Prisoners For Propaganda

Washington, March 3 (AP)—Russia is using Japanese prisoners of war to broadcast Soviet propaganda to their homeland.

A Moscow radio program recorded here by United States Government monitor included the "radio voice" of one Toshio Kimura.

Kimura said that in Russia he saw no "jobless, idle" people, "let alone any pool-playing, good-for-nothings, the sort of people we used to see in prewar Japan."

Still Holding 750,000

Another voice, identified by Moscow as that of Mitsui Matsuo, told the Japanese the prisoners are well treated "under the kind protection of the Soviet authorities."

"We see movies at least once in ten days," he added.

Nearly 30 months after V-J day, Russia still holds 750,000 Japanese prisoners, American officials estimate.

Moscow started using prisoners' voices after broadcasting several thousand letters over the past five months addressed to their families in Japan. The same device was used by Germany in broadcasts beamed to the Allied nations—including the United States—during World War II.

Charges M'Arthur "Racket"

Moscow complained in the program recorded here that this "humanitarian policy" is being hampered by a "racket" in Japan carried on by "reactionary elements, who are stooges of General MacArthur."

It asserted the broadcast letters are copied by a "Tokyo repatriates assistance association," and then sold to prisoners' families. The association, Moscow said, had the approval of headquarters of Gen. Douglas MacArthur, supreme commander in Japan.

Communism's Force Discussed

Buck Hill Falls, Pa., March 3 (AP). Communism has the "force, the dynamic and emotional release of a new religion," Dr. W. Stanley Rycroft, an officer of the Foreign Missions Conference, said today.

"The sooner we all realize that, the better it will be for all of us," the executive secretary of the Committee for Co-operation in Latin America, told 327 delegates of 118 Protestant foreign mission boards.

The churchmen are here to consider advance plans for overseas missionary work.

Dr. Rycroft, one of nine church leaders who spoke today, declared "it would be the height of folly to ignore or fail to understand communism."

He urged missionaries and clergymen in Latin America to make a careful study of communism's aims, doctrines and methods as the first step in checking its spread in that section of the world.

The churchman said communism was attracting converts in South America—particularly in Brazil, Chile and Cuba—"not because of what it has done but because it holds out hope for a better life."

Dr. Rycroft advocated "a community approach" in missionary work, with the church becoming a nucleus around which are built public health and child welfare clinics as well as other services for the entire community.

Alien Red Suspect Wins Release From Ellis Island in $5,000 Bail

NEW YORK, March 3 — (AP) Irving Potash, furriers' union leader charged with being an alien Communist, today was released from Ellis Island in $5,000 bail.

Potash became the first of five alleged alien Communists to secure such release pending deportation proceedings. The men have been on what they described as a hunger strike in an attempt to obtain action.

Federal Judge William Bondy allowed Potash to leave the island under bail while he appealed dismissal of a writ of habeas corpus seeking his release.

Judge Bondy held that the government had failed to show reasonable cause to doubt Potash's loyalty. His lawyer had produced a number of citations awarded to Potash by the American Red Cross and the Treasury department for war work.

Earlier his attorneys had contended that Potash's detention, in the midst of negotiations of the CIO International Fur and Leather Workers union, would be "prejudicial to the rights of 115,000 workers." Potash is manager of the Furriers' joint council.

U. S. Attorney John F. X. McGohey told the court he had failed to contact Attorney General Tom C. Clark today to meet the court's demand for more detail on why Clark opposed bail for Potash.

"I am authorized to say," McGohey said, "that the seriousness of the charge on which this defendant was arrested was sufficient to cause the Attorney General to exercise his discretion in the way he did, by refusing to fix bail."

McGohey said Potash had a criminal record, including a plea of guilty to the charge of advocating criminal anarchy nearly 30 years ago.

Potash's lawyer said the anarchy conviction was under a law later repealed in New York and held unConstitutional in other states.

NOT A COMMUNIST, FILM UNION HEAD TELLS COMMITTEE

WASHINGTON, March 3.—(AP) Herbert K. Sorrell scoffed at charges he is a communist and told a Congressional committee under oath today that "I'm an American first, last and all the time."

Sorrell has been a central figure in the 17-month-old Hollywood movie strike which the House Labor subcommittee is investigating. He has been identified in sworn testimony as a card-carrying communist as far back as 1938.

"I'm not now and never have been a member of the Communist party," Sorrell testified.

"And you'll never get me for perjury, either. I'll tell the truth whether it hurts me or not."

The big, powerfully-built witness, an ex-prizefighter who rose through the ranks of labor to become president of the AFL- Conference of Studio Unions in Hollywood, said:

"If I had ever joined the Communist party, I'd just as soon tell you because you couldn't deport me back to Missouri where I was born. There isn't a thing you could do about it."

As Sorrell testified, Chairman Kearns (R-Pa) told reporters he plans to get Westbrook Pegler, New York syndicated columnist, to appear before the committee "and tell us what he knows about Willie Bioff."

Bioff was West Coast representative of George Browne, former president of the AFL-International Alliance of Theatrical Stage Employes (IATSFE), known as the Stagehands Union.

"Bioff claims to have been 'Peglerized,' so we'll see what Pegler has to say about him," Kearns said.

Sorrell described Bioff as "a filthy panderer, rotten to the core." He said Bioff once offered him $56,000 to "betray" the Painters Union in Hollywood. Sorrell is business agent for the union.

The witness explained that the money represented a 10 per cent wage increase for the painters. Sorrell was demanding a 20 per cent increase.

"Bioff told me he would give me the money in pennies, nickels, dimes or dollars—all cash," Sorrell said.

Sorrell said he replied, "the hell with that. I don't want any part of a deal like that."

$200,000 Fund For Disloyalty Probe Okayed

Washington, March 3 (AP)—A $200,000 fund for investigating un-American activities this year was approved today by the House Appropriations Committee.

The House itself still must okay the amount. It may do that later in the week. That would give the Un-American Activities Committee twice the sum it operated on last year, and $50,000 more than it ever had before.

Some of the money may finance public hearings centering around a subcommittee report that Dr. Edward U. Condon, director of the National Bureau of Standards, is "one of the weakest links in our atomic security."

Chairman LeCompte (R., Iowa) of the Administration Committee said the Condon case had nothing to do with his committee's action.

Chavez Defends Condon

Senator Chavez (D., N.M.) told the Senate that "I do not believe he (Condon) is disloyal."

Condon is a native of New Mexico.

The 46-year-old Condon has denied the accusation.

Robert E. Stripling, chief investigator for the Un-American Activities group, relayed word from Chairman J. Parnell Thomas (R., N.J.) that:

1. Commerce Department loyalty records on Condon will be subpoenaed today.

2. These may be used for public hearings.

3. Even if Condon is loyal—and the committee has no evidence he is not—he still could be indiscreet. And, from a security standpoint, Thomas thinks it makes little difference.

Cleared By Loyalty Board

The Commerce Department loyalty board was reported by Under Secretary William C. Foster to have found no reason to believe Condon is disloyal to the United States.

Henry A. Wallace, the third-party presidential candidate who recommended Condon for the post when Wallace was Secretary of Commerce, said Condon has "kept inviolate his oath of office to defend the Constitution of the United States against all enemies, foreign and domestic."

Support From Dr. Shapley

Further support of Condon came, meanwhile, from Dr. Harlow Shapley, Harvard scientist, who last night said:

"We must not permit in our country such attacks on science or such purges of scientists that . . . when you grow up you will be loath to accept Government responsibility. . . ."

If the committee gets the $200,000 it wants for this year, the committee plans to add ten employés to its staff of 26.

Christoffel Jailed After Conviction On Perjury Count

Washington, March 3 (AP)—Harold Christoffel, Milwaukee labor leader, tonight was convicted of perjury charges by a Federal District Court jury.

He was convicted on all counts of a six-count indictment in which he was charged with falsely testifying under oath that he had never been a Communist or been connected with the Communist party.

The jury was out five hours. Christoffel, without show of emotion, was immediately committed to jail by Judge Edward M. Curran. He had been at liberty on bond. He was led away by United States marshals after the verdict was announced.

Judge Curran granted five days to ask for a new trial. Sentence was deferred until then.

Under the District of Columbia perjury law, Christoffel is subject to a sentence of two to ten years on each count and no fine. The maximum thus would be 60 years.

Charges against Christoffel arose from statements made on March 1, 1947, to the House Labor Committee studying labor unrest at various plants, including the Milwaukee plant of Allis-Chalmers Company. Christoffel was a former president of a CIO-United Auto Workers union there.

Cotton, Tobacco Off Marshall Plan List

U. S. Won't Use Funds on These Items Abroad

WASHINGTON, March 3 (AP).—The State Department has decided against direct purchases of foreign tobacco and cotton with Marshall Plan funds for countries in the European Recovery Program.

This was learned today when a check of tht department's proposed plans for spending recovery funds outside the United States showed that tobacco and cotton had been eliminated from a list of commodities released last Feb. 7.

Howevtr, the same comparison showed that an identical amount of money, $194,100,000, had been transferred to another category of funds for the purpose of enabling the European nations to buy tobacco and cotton outside the United States.

Evidently tht list was revised because American tobacco and cotton interests opposed using American funds to buy those two commodities which are produced in large quantities in this country.

The maneuver came to light when the State Department was asked why it should be necessary for the United tSates government to propose to spend money for cotton and tobacco outside the United States. The inquiry was based on the fact that those two items had been included in a list of goods for "off-shore procurement," which the department prepared for presentation to the Senate Foreign Relations Committee and released on Feb. 7.

STASSEN LAUDS ERP IN NEW HAMPSHIRE

Littleton, N. H., March 3 (A. P.).—Harold E. Stassen, candidate for the Republican nomination for President, today underscored the heavy stakes he is playing for in New Hampshire's first-in-the-nation primary by making his second visit here within a month for a last-minute appeal before the voting on March 9. Held up a day by a storm in Minnesota, he finally reached this White Mountain town by plane and car to begin a two-day swing through the State.

On his arrival he reiterated his advocacy of the Marshall plan and hedl up Senator Vandenburg of Michigan, as that great statesman whom this country should follow in charting its course in international affairs.

He denounced the Communist seizure of Czechoslovakia. He emphasized, however, American strength as compared with Russian weaknesses—especially in productive ability. This, he maintained, gave grounds for optimism and hope.

82% of War Steel Plants Taken Over by Industry

WASHINGTON, March 3 (AP).—Private industry has taken over 82 per cent of the steel plant capacity built by the government for war, the War Assets Administration reported today.

Of the 150 surplus plants and other units, 113 have been sold or leased. Nearly all the rest are now in process of disposal or under "active negotiation," W. A. A. said.

Among the disposals are coke ovens with a yearly capacity of 4,404,000 tons of coke; blast furnaces with a capacity of 6,149,850 tons of pig iron annually, and open hearth and electric furnaces with a yearly capacity of 4,700,000 tons.

The eighty-seven properties sold cost the government $609,046,270; the twenty-six leased represented a war-time outlay of $147,125,064. Plants remaining for disposal had an original cost of $166,708,864. The return to the Treasury on those sold totaled $220,214,730.

WOLCOTT SAYS PRICE INCREASE BODES U. S. ILL

Republican Leader Assails Steel Companies and Taft Backs Him.

'BIG BUSINESS' IS BERATED

C. I. O. President Asserts People Are Being Driven to 'Economic Despair.'

Washington, March 3 (A. P.).—The steel price increase in the face of coming wage talks brought fresh Republican criticism today. Representative Wolcott (R.-Mich.), vice-chairman of the Congressional Economic Committee, termed last month's increase "the worst thing that could have happened psychologically."

"The companies are seemingly inviting their men to come in and ask for more money," Wolcott told reporters. His comment came as he and other members of the Senate-House economic group began studying the testimony of three steel company executives.

Senator Taft (R.-Ohio), the committee chairman, said that this study would determine if further hearings are to be held and if the committee would have anything to say formally about the price jump. Taft first brought up the matter of prices and wages during questioning of the steel men at yesterday's session.

Taft's Comment.

Told that the price of semi-finished steel was increased about $5 a ton because of rising costs, the Ohio Senator commented that this argument "is the same one that could be made for labor and for all sides." Taft said that the inevitable result would be to stimulate wage demands.

Wolcott, saying that he was not convinced that the increase was justified, commented: "Under the former pattern of price increases, after wages are set," the companies, "might have been able to justify a price increase; in my opinion, they certainly haven't justified it at the present time."

Wolcott insisted, in any event, that the timing was bad, adding, "We are doing everything we can to balance the economy, and commodity prices had even started down when this came."

One Point of Defense.

Wolcott came to the defense of the steel companies on one point, however, commenting: "I don't think there was any collusion."

President Truman ordered the Department of Justice last week to look into the price increase to determine if there had been any violation of the anti-trust laws. FBI agents visited the executive offices of sixteen steel companies as part of that inquiry, but no findings have been announced, though Wolcott said. "There certainly hasn't been any case of collusion made yet; it was just a strange coincidence."

Murray Speaks at Boston.

Boston, March 3 (A. P.).—Philip Murray, C. I. O. president, says that "big business is driving the people of the United States to economic despair." He told the Catholic Conference on Industrial Problems here last night that "they must be stopped, or we will have one of the most devastating depressions the world has ever known."

Murray advocated the return of price controls as "the only effective means of protecting the people from being gouged by profiteers." Asserting that "big business has been on an extravagant drunk," Murray added:

"We don't have a free enterprise system, it is a misnomer; it is a system of legitimate licensed extortion and profiteering. Never has such an orgy of widespread extortion existed as in 1947," he said. "It must be stopped."

He said that the impact of increases in steel prices "will be felt by every single individual in the country; it will be reflected in increased prices in everything from small gadgets to automobiles and tractors."

HEAVY MARKETING DIPS HOG PRICES

CHICAGO, March 3—(AP) Hog prices broke sharply at midwest markets today. Most commodities slipped lower.

Heavy marketing of hogs caused the slump in hogs prices. At Sioux City, Ia., the decline was $2.50 a hundred pounds. Prices dipped $1 to $1.25 at Chicago; $1 to $2 at St. Joseph, Mo.; 75 cents to $1.50 at Omaha; $1.25 to $1.75 at St. Louis and $1.50 to $2.50 at Kansas City.

Cattle prices were steady to 25 cents higher at Chicago, and lamb prices held steady.

Wheat closed 2 to 3 1-4 cents a bushel lower on the Chicago Board of Trade, with other grains mixed in price. Corn was 1 1-2 lower to 1 cent higher, oats were 5-8 lower to 3-8 higher and soybeans were 1 to 1 1-2 higher.

Cotton futures finished 50 cents to $1.15 a bale lower in New York and 40 to 70 cents lower in New Orleans.

Wholesale meat prices were slightly higher in Chicago and New York.

Fractional advances and declines were fairly well scattered on the New York Stock Exchange.

The Associated Press weighted wholesale price index of 35 commodities declined .40 of a point to 188.16. A week ago the index was 187.54, a month ago 199.93 and a year ago 177.39.

RADIO STATIONS HIT BAN ON EDITORIALS

WASHINGTON, March 3 — (AP) Eighteen radio stations today joined the major networks in their attack on the rule which bars them from editorializing.

Many of the stations "feel no particular urge" to take sides on controversial issues, said their counsel, W. Theodore Pierson. But he told the Federal Communications Commission they believe that "fundamental rights" of free expression are curbed by FCC's policy.

The witness questioned FCC's authority to base the granting of a broadcast license on its own decisions whether the station's programs are "in the public interest." Such action, he said, amounts to censorship.

Other witnesses, including Rep. Celler (D-NY) and a spokesman for the American Jewish Congress, disagreed. Celler, who took part in the Congressional debate on the 1934 Communications Act, told the FCC hearing:

"Congress did not intend that the air should be dominated by radio chains, large advertisers or large manufacturers.

"Freedom of the air should assure that John Q. Public has the right to hear opinion from all sources, not only from the station owners."

FCC Chairman Wayne Coy asked whether it would be proper to let a radio station take sides, if FCC also required the station to give its opponents full opportunity to air their views.

"Yes, it would be proper if the opposing side were given," Celler said.

TRUMAN 'REDUCES' TO 175 POUNDS

KEY WEST, Fla., March 3 (AP) —President Truman tipped the scales at 173 pounds today, to near fighting trim.

Word that he had dropped three pounds since flying to Florida last Wednesday came from the commandant's quarters at this submarine base where he is vacationing.

He will fly back to Washington Friday where he will meet with his cabinet at 4 p.m. (EST) at a time when Soviet pressure on Czechoslovakia and Finland is causing grave concern. It will be the first cabinet session since he left Washington Feb. 20 for a visit to Puerto Rico and the Virgin Islands.

The protests of Southern Democrats against his civil rights proposals were already under way at the time. His advocacy of anti-lynching legislation, poll tax repeal, a FEPC and other similar measures brought cheers at St. Thomas and St. Croix of the predominantly Negro Virgin islands.

Brig. Gen. Wallace H. Graham, Mr. Truman's physician, said his charge was "in excellent shape" today.

In keeping with his determination to bring down his weight, the President breakfasted on toast and tea before moving on to the beach for his daily swim and sunbath.

Graham said that 173 pounds is a good weight for the President, who weighed up to 178 pounds at one time. He was under 170 when he took office in April of 1945.

He will drive from here to the Boca Chica airport Friday to take off at 9 a.m. (EST) for the five-hour flight in the "Sacred Cow."

He has some additional messages to Congress under consideration. Eben Ayers, assistant press secretary, did not disclose their nature.

Belgium, Holland Get Loan

Washington, March 3 (AP)—The World Monetary Fund today reported it loaned $11,000,000 to Belgium and $16,500,000 to Holland in February. The two countries pledged as security for the dollars an equal amount of their own currency.

THE PARTY'S EXECUTIVE COMMITTEE ISSUED A STATEMENT LAST NIGHT DECLARING THAT LAST WEEK'S EVENTS IN PRAGUE CONSTITUTED "A WARNING AND LESSON TO DEMOCRATIC SOCIALISTS."

IT SAID THE COMMUNIST MINORITY IN CZECHOSLOVAKIA CHOSE TO "IMPOSE A DICTATORSHIP" RATHER THAN RISK DEFEAT IN FREE ELECTIONS AND ADDED: LDN- T WILLIAMS- XXX COMMUNISTS

"NO CLEARER DEMONSTRATION COULD BE POSSIBLE THAT COMMUNISTS CONSIDER AS ENEMIES ALL THOSE WHO DO NOT SURRENDER UNCONDITIONALLY TO THEIR SLIGHTEST WHIM.

"BUT CZECHOSLOVAKIA TEACHES US SOMETHING MORE," THE STATEMENT CONTINUED. "COMMUNISTS CANNOT ACHIEVE THEIR AIMS WITHOUT SUPPORT FROM A MINORITY WITHIN THE CAMP OF DEMOCRATIC SOCIALISM.

"AS IN CZECHOSLOVAKIA, SO IN HUNGARY, ROMANIA AND BULGARIA, INDIVIDUAL SOCIALISTS, BY PERMITTING OR ABETTING COMMUNIST ATTACKS ON DEMOCRACY, HAVE CONNIVED AT THEIR OWN DESTRUCTION.

"ANY ATTEMPT TO ACHIEVE SOCIALISM BY MEANS WHICH DENY DEMOCRACY AND HUMAN RIGHTS, PARTICULARLY BY THE OPERATION OF AN ALL-POWERFUL SECRET POLICE, MUST LEAD INEVITABLY TO A DICTATORSHIP, INDISTINGUISHABLE IN ITS IMPACT ON THE COMMON MAN FROM FASCISM, AS IT EXISTED IN ITALY AND IN GERMANY, AND AS IT STILL EXISTS IN SPAIN.

"CZECHOSLOVAKIA IS AN ACID TEST OF SINCERITY. THOSE WHO SEEK TO CONDONE THIS CRIME SHOW THAT THEY ARE FALSE TO THE PRINCIPLE OF DEMOCRATIC SOCIALISM FOR WHICH THE LABOR PARTY STANDS."

IN THE HOUSE OF COMMONS, SIR DAVID ROBERTSON OF THE CONSERVATIVE OPPOSITION DEMANDED THAT THE LABOR GOVERNMENT CANCEL ITS TRADE AGREEMENT WITH RUSSIA. HE SAID "WEAPONS OF WAR" WERE BEING SENT TO THE SOVIET UNION.

"WHAT I AM SAYING ABOUT THIS WAR POTENTIAL," HE SAID, "I AM SAYING WITH GREAT DELIBERATION AND GREAT REGRET, BUT IT WOULD GRIEVE ME AND OUR AMERICAN ALLIES AND DOMINIONS IF THEY FELT WE WERE SUPPLYING WAR POTENTIAL TO A NATION WHICH IS BEHAVING JUST SHORT OF WAR."

THE TRADE AGREEMENT, NEGOTIATED LAST FALL, PROVIDED THAT BRITAIN SEND LOCOMOTIVES, STEEL AND MACHINERY TO RUSSIA IN RETURN FOR GRAIN.

"OUR PROBLEM THEREFORE, IS TO FIND WAYS OF LIMITING ITS SCOPE."

HIGHLY PLACED INFORMANTS SAID THE GOVERNMENT WAS SEEKING SOME WAY OF LIMITING THE EXTENT OF THE PROJECTED PACT--ESPECIALLY ITS MILITARY COMMITMENTS.

SOME LEADERS FEEL IT WOULD BE TO FINLAND'S ADVANTAGE TO NEGOTIATE OPENLY IN HELSINKI INSTEAD OF IN MOSCOW.

OTHERS CONTEND THAT IT MIGHT BE EASIER TO NEGOTIATE WITH TOP RUSSIAN OFFICIALS IN THE SOVIET CAPITAL THAN THROUGH A DELEGATION TO HELSINKI CARRYING LIMITED INSTRUCTIONS.

IN HIS LETTER STALIN PROPOSED EITHER MOSCOW OR HELSINKI AS THE SITE.

THE COMMUNISTS£ WHO HAVE BEAT THE PROPAGANDA DRUMS EVER SINCE THE PROPOSAL WAS DISCLOSED, HAVE BEEN ORGANIZING FACTORY AND TRADE UNION MEETINGS AND DEMONSTRATIONS TO SUPPORT THE PACT, WHICH THEY CONTEND IS THE BEST WAY TO GUARANTEE THE INTERESTS OF FINLAND AND PEACE.

IT HAS BEEN ESTIMATED THAT THERE ARE BETWEEN 28,000 AND 45,000 COMMUNISTS AMONG FINLAND'S 3,775,000 CITIZENS.

A BRITISH GOVERNMENT SPOKESMAN DECLARED IN LONDON THAT "NOW FINLAND IS BEING APPROACHED WITH THE KISS OF DEATH."

LORD PAKENHAM, ADDRESSING THE HOUSE OF LORDS, SAID THE COMMUNISTS CARRIED THROUGH A REVOLUTION IN CZECHOSLOVAKIA IN A FEW DAYS, "HITLERITE IN TECHNIQUE AND UTTERLY DAMNABLE IN EVERY WAY."

IN WASHINGTON, CZECHOSLOVAKIA'S AMBASSADOR, JURAJ SLAVIK, RESIGNED TO "FIGHT FOR A FREE CZECHOSLOVAKIA." HE SAID HE IS CONVINCED PRESIDENT EDUARD BENES SURRENDERED HIS COUNTRY TO COMMUNIST DOMINATION UNDER "DURESS AND TERROR." IN OTTAWA, DR.FRANTISEK NEMEC STEPPED OUT AS CZECHOSLOVAK MINISTER TO CANADA.

IN PRAGUE, A CRIMINAL COURT HAS ORDERED CONFISCATION OF THE AMERICAN-BRITISH-FRENCH JOINT PROTEST AGAINST THE COMMUNIST SEIZURE OF POWER IN CZECHOSLOVAKIA. A U.S. PRESS ATTACHE SAID COPIES OF THE DENUNCIATION HAD BEEN DISTRIBUTED BY THE U.S. INFORMATION SERVICE. COMMUNIST LEADERS THERE, MEANWHILE, CALLED FOR EVEN MORE DRASTIC PURGES IN OTHER POLITICAL PARTIES.

BRITAIN'S RULING LABOR PARTY ISSUED A STATEMENT IN LONDON LAST NIGHT DECLARING LAST WEEK'S EVENTS IN PRAGUE WERE "A WARNING AND A LESSON TO DEMOCRATIC SOCIALISTS." IT SAID THE COUP WOULD HAVE BEEN IMPOSSIBLE IF SOCIALISTS HAD NOT PLAYED BALL WITH THE COMMUNISTS.

U.S. ARMY OFFICERS IN FRANKFURT, SAID 10,000 OR MORE RUSSIAN TROOPS HAD MOVED IN THE PAST MONTH TO AN AREA IN THE SOVIET ZONE OF GERMANY NEAR CZECHOSLOVAKIA'S BORDERS, BUT THEY SAID THIS PROBABLY WAS IN CONNECTION WITH ROUTINE SPRING MANEUVERS. 1948

THE PACT OFFERED FINLAND BY STALIN WOULD BE SIMILAR TO THE ONE UNANIMOUSLY RATIFIED BY HUNGARY'S PARLIAMENT TODAY. HUNGARY THUS BECAME THE LATEST EASTERN EUROPEAN NATION IN A CHAIN ACROSS EUROPE'S MIDRIFF, BINDING THE EASTERN AREA TO THE SOVIET UNION. JOSEF REVAI, COMMUNIST MEMBER, TOLD THE HUNGARIAN PARLIAMENT HE WAS GLAD HUNGARY WAS NOT OCCUPIED BY AMERICANS OR BRITISH, BECAUSE THEN "WE WOULD HAVE TO FIGHT FOR OUR FREEDOM LIKE OUR COMRADES IN GREECE DO." GREEK GOVERNMENT GUERRILLAS ARE FIGHTING GREEK ARMY TROOPS.

SECRETARIES MARSHALL AND FORRESTAL TOLD THE U.S. CONGRESS GREECE AND TURKEY ARE IN GRAVE DANGER OF LOSING THEIR FREEDOM UNLESS THEY GET MORE MILITARY AID FROM THE UNITED STATES.

BUDAPEST, HUNGARY, MARCH 3-(AP)-PARLIAMENT UNANIMOUSLY RATIFIIED TODAY THE HUNGARIAN-RUSSIAN TREATY OF FRIENDSHIP AND MUTUAL ASSISTANCE.

THE ACCORD WAS SIGNED FEB. 18 IN MOSCOW. RUSSIAN FOREIGN MINISTER V.M.MOLOTOV SAID AT THE TIME IT COMPLETED TREATIES WITH ALL NATIONS ON RUSSIA'S WESTERN BORDERS. (RUSSIA IS CURRENTLY ANGLING FOR A SIMILAR TREATY WITH FINLAND.)

JOZSEF REVAI, LEADING COMMUNIST MEMBER, TOLD PARLIAMENT:

"EVERYBODY WHO WANTS TO WORK IN THIS COUNTRY IS PRO-SOVIET-MINDED. THE SOVIET OCCUPATION PREVENTED CIVIL WAR IN HUNGARY. THANK GOD, WE WERE NOT OCCUPIED BY THE AMERICANS OR ENGLISH. IN THAT CASE WE WOULD HAVE HAD TO FIGHT FOR OUR FREEDOM, LIKE OUR COMRADES IN GREECE DO."

THE LIBERAL NEWSPAPER VILAG SAID THE FRONTIER GUARD AT THE CZECHOSLOVAK BORDER HAD BEEN REINFORCED "TO PREVENT UNDESIRABLE FASCIST ELEMENTS FROM ESCAPING IN CONSEQUENCE OF THE NEW POLITICAL SITUATION IN CZECHOSLOVAKIA."

SALONIKA, GREECE, MARCH 3-(AP)-NEWS REPORTS FROM NAOUSSA SAID GUERRILLAS FIRED 50 ARTILLERY AND MORTAR SHELLS INTO THE CITY TONIGHT. TWO CIVILIANS WERE KILLED AND FIVE WOUNDED IN THE THREE-HOUR BARRAGE.

IT WAS THE SECOND HEAVY BOMBARDMENT OF NAOUSSA, 50 MILES WEST OF SALONIKA, IN 48 HOURS. GUERRILLAS PUMPED MORE THAN 90 MORTAR SHELLS INTO THE CITY MONDAY NIGHT, KILLING SIX CIVILIANS AND WOUNDING 14.

LARISSA, GREECE, MARCH 3-(AP)-MAJ. GEN. JAMES A. VAN FLEET, CHIEF OF MILITARY FORCES IN THE U.S. MISSION TO GREECE, GOT HIS FIRST CLOSE LOOK AT THE GREEK SOLDIER TODAY. HE LIKED WHAT HE SAW.

VAN FLEET LEFT ATHENS THIS MORNING ON A FIVE-DAY INSPECTION TOUR OF THE SECOND AND THIRD GREEK ARMY AREAS.

INSPECTING TROOPS AT SECOND ARMY CORPS HEADQUARTERS HERE, VAN FLEET SAID:

"THE GREEK SOLDIER IS A GRAND TYPE. BOTH THE NATIONAL GUARD AND THE REGULAR SOLDIERS ARE FAR SUPERIOR TO MY EXPECTATIONS."

TWO NATIONAL GUARD BATTALIONS APPEARED AT INSPECTION WITHOUT ARMS. GREEK OFFICERS SAID THERE WERE NOT ENOUGH ARMS AVAILABLE TO EQUIP THEM.

VAN FLEET REPLIED THAT "ONE OF MY OBJECTIVES ON THIS TRIP IS TO SEE WHAT THE GREEK ARMY HAS AND NEEDS TO GO AHEAD WITH THE DESTRUCTION OF THE BANDITS."

HE REFERRED TO THE LEFTIST GUERRILLA FORCES AGAINST WHOM THE GREEK ARMY IS CARRYING AN OFFENSIVE.

JERUSALEM, MARCH 3-(AP)-HAGANAH SAID TONIGHT BRITISH RESIDENTS HAD RECEIVED LEAFLETS PURPORTEDLY DISTRIBUTED BY THE "BRITISH LEAGUE OF EX-SERVICEMEN" WHICH, HAGANAH SAID, TOOK RESPONSIBILITY FOR A FEB. 22 BOMBING.

ARABS HAVE TAKEN RESPONSIBILITY FOR THE BLAST IN WHICH 55 JEWS DIED.

HAGANAH, THE JEWISH MILITIA, SAID IN A RADIO BROADCAST THAT THE LEAFLETS DECLARED:

"WE PLEDGE FULL SUPPORT TO THE CHIVALROUS SONS OF THE ARAB PEOPLE. WE ASSEMBLED IN THE HOLY SEPULCHRE AND TOOK AN OATH FOR A CRUSADE AGAINST THE JEWS. WE ATTACKED THE JEWS IN THEIR CENTER. AND WE WILL FINISH THE JOB."

IN LONDON, SEVERAL MEMBERS OF PARLIAMENT RECEIVED ANTI-JEWISH PAMPHLETS TODAY MAILED FROM JERUSALEM BY A GROUP WHICH DESCRIBED ITSELF AS THE "BRITISH LEAGUE, PALESTINE BRANCH."

THE PAMPHLETS SAID A NUMBER OF BRITISH EX-SERVICEMEN HAD TAKEN AN OATH IN THE CHURCH OF THE HOLY SEPULCHRE IN JERUSALEM, PLEDGING THEMSELVES TO A CRUSADE AGAINST THE JEWS.

THE BRITISH LEAGUE WAS MERGED RECENTLY WITH OTHER GROUPS TO FORM THE UNION MOVEMENT OF SIR OSWALD MOSLEY, PRE-WAR FASCIST LEADER.

MOSLEY SAID TONIGHT THAT PAMPHLETS WERE A "CRUDE PLANT" TO DISCREDIT HIS MOVEMENT. MICHAEL RYAN, FORMER ORGANIZER FOR THE BRITISH LEAGUE, DENIED THERE EVER HAD BEEN A PALESTINE BRANCH.

NANKING, THURSDAY, MARCH 4-(AP)-ONE OF CHINA'S MOST INFLUENTIAL LEADERS SAID TODAY ANY EFFECTIVE AID TO CHINA MUST ASSURE A WORKABLE MONETARY REFORM PLAN. A UNITED STATES GRANT OF HALF A BILLION DOLLARS CASH AND ANOTHER HALF BILLION AS A RESERVE WOULD ACCOMPLISH THIS, HE SAID.

THE LEADER, MINISTER OF ORGANIZATION CHEN LI-FU, IS RANKED SECOND ONLY TO CHIANG KAI-SHEK IN THE PRESENT CHINESE GOVERNMENT.

"WHAT CHINA MUST HAVE IS COMPLETE CURRENCY REFORM WHICH WILL PERMIT A SIX-MONTHS BREATHING SPELL IN WHICH TO TURN THE WHOLE NATIONAL ECONOMY INTO THE RIGHT CHANNELS," HE TOLD INTERVIEWERS. HE SAID THE HALF-BILLION-DOLLAR RESERVE HE REGARDED AS NECESSARY "MIGHT NOT HAVE TO BE TOUCHED AT ALL." HALF A BILLION IN CASH MIGHT BE SUFFICIENT.

ANY AID PROGRAM WOULD BE WASTED IF IT DID NOT INCLUDE PROVISION FOR ADEQUATE CURRENCY REFORM, HE INSISTED.

WASHINGTON, MARCH 3-(AP)-FOLLOWING IS THE TEXT OF GENERAL DOUGLAS MACARTHUR'S CABLEGRAM ON CHINA AID TO THE HOUSE FOREIGN AFFAIRS COMMITTEE: (ABOUT 1200)

I AM GRATEFUL TO THE COMMITTEE ON FOREIGN AFFAIRS OF THE HOUSE OF REPRESENTATIVES FOR THE CONFIDENCE REFLECTED IN ITS DESIRE THAT I APPEAR BEFORE IT TO GIVE MY VIEWS ON AMERICAN POLICY IN THE EXTENSION OF AID TO CHINA. THE PRESSURE OF MY OPERATIONAL DUTIES IN THE ADMINISTRATION OF JAPAN, ESPECIALLY AT THIS TIME OF CHANGE IN THE JAPANESE GOVERNMENT, HOWEVER, RENDERS IT IMPRACTICABLE FOR ME TO LEAVE MY POST AND EVEN WERE IT OTHERWISE, I GRAVELY DOUBT THAT I COULD GIVE CONSTRUCTIVE AND HELPFUL ADVICE AS TO DETAILS INVOLVED IN PENDING AID PROPOSALS, WHICH I HAVE NOT SEEN NOR HAD ANY OPPORTUNITY TO STUDY. CHINA, AS YOU PERHAPS KNOW, IS A THEATER OF UNITED STATES NAVY CONTROL, OUTSIDE THE SCOPE OF MY EXISTING AUTHORITY. I HAVE NO REPRESENTATIVE THERE, AND, APART FROM GENERAL BACKGROUND KNOWLEDGE, SUCH DETAILED INFORMATION AS HAS BEEN MADE AVAILABLE TO ME HAS BEEN DERIVED LARGELY BY INDIRECTION. EXHAUSTIVE INVESTIGATIONS OF THE CHINESE SITUATION HAVE BEEN MADE BY RESPONSIBLE UNITED STATES OFFICIALS, BUT THESE STUDIES ARE NOT WITHIN MY CHANNEL OF INFORMATION OR COMMAND AND IN CONSEQUENCE I AM NOT ADEQUATELY FAMILIAR THEREWITH. I HAVE FURTHERMORE NOT HAD THE OPPORTUNITY TO VISIT CHINA FOR MANY YEARS. WITH THIS BACKGROUND, YOU WILL READILY PERCEIVE I AM NOT IN A POSITION TO RENDER AUTHORITATIVE ADVICE WITH REFERENCE TO THE MYRIAD OF DETAILS ON WHICH A DEFINITE POLICY FOR THIS PARTICULAR AREA MUST NECESSARILY REST.

'IN GENERAL ANSWER TO YOUR SPECIFIC QUESTIONS, I CAN SAY WITHOUT THE SLIGHTEST HESITATION THAT A FREE, INDEPENDENT, PEACEFUL AND FRIENDLY CHINA IS OF PROFOUND IMPORTANCE TO THE PEACE OF THE WORLD AND TO THE POSITION OF THE UNITED STATES. IT IS THE FUNDAMENTAL KEYSTONE TO THE PACIFIC ARCH. UNDERLYING ALL ISSUES IN CHINA IS NOW THE MILITARY PROBLEM. UNTIL IT IS RESOLVED LITTLE PROGRESS CAN BE EXPECTED TOWARD INTERNAL REHABILITATION REGARDLESS OF THE EXTENT OF OUTSIDE AID. ONCE IT IS RESOLVED, HOWEVER, THERE IS LITTLE DOUBT BUT THAT CHINA'S TRADITIONAL RESILIENCY WILL PROVIDE THE BASIS FOR RAPID RECOVERY TO RELATIVE STABILITY.

THE CHINESE PROBLEM IS PART OF A GLOBAL SITUATION WHICH SHOULD BE CONSIDERED IN ITS ENTIRETY IN THE ORIENTATION OF AMERICAN POLICY. FRAGMENTARY DECISIONS IN DISCONNECTED SECTORS OF THE WORLD AEBT

FRAGMENTARY DECISIONS IN DISCONNECTED SECTORS OF THE WORLD WILL NOT BRING AN INTEGRATED SOLUTION. THE PROBLEM INSOFAR AS THE UNITED STATES IS CONCERNED IS AN OVERALL ONE AND CAN ONLY BE RESOLVED ON THE BROADEST POSSIBLE GLOBAL BASIS. IT WOULD BE UTTERLY FALLACIOUS TO UNDERRATE EITHER CHINA'S NEEDS OR HER IMPORTANCE. FOR IF WE EMBARK UPON A GENERAL POLICY TO BULWARK THE FRONTIERS OF FREEDOM AGAINST THE ASSAULTS OF POLITICAL DESPOTISM, ONE MAJOR FRONTIER IS NO LESS IMPORTANT THAN ANOTHER, AND A DECISIVE BREACH OF ANY WILL INEVITABLY THREATEN TO ENGULF ALL. BECAUSE OF DEEP-ROOTED RACIAL AND CULTURAL AND BUSINESS TIES, WE ARE PRONE TO OVERCONCENTRATE ON HAPPENINGS AND EVENTS TO OUR EAST AND TO UNDEREMPHASIZE THE IMPORTANCE OF THOSE TO OUR WEST. AMERICA'S PAST LIES DEEPLY ROOTED IN THE AREAS ACROSS THE ATLANTIC BUT THE HOPE OF AMERICAN GENERATIONS OF THE FUTURE TO KEEP PACE WITH THE PROGRESS

OF THOSE OF THE PAST LIES NO LESS IN THE HAPPENINGS AND EVENTS ACROSS THE PACIFIC.

WHILE FULLY AVAILING OURSELVES OF THE POTENTIAL TO THE EAST, TO OUR WESTERN HORIZON WE MUST LOOK BOTH FOR HOPE OF A BETTER LIFE THROUGH

YET UNTAPPED OPPORTUNITIES FOR TRADE AND COMMERCE IN THE ADVANCE OF ASIATIC RACES, AND THREAT AGAINST THE LIFE WITH WHICH WE ARE EVEN NOW ENDOWED. FOR BEYOND HORIZON UPON THE OUTCOME OF THE IDEOLOGICAL STRUGGLES IN WHICH OPPOSING FORCES ARE NOW ENGAGED AND THE RESTORATION OF POLITICAL, ECONOMIC AND SOCIAL STABILITY, RESTS WAR OR PEACE, ASSURANCE OR THREAT, HOPE OR FEAR.

THE INTERNATIONAL ASPECT OF THE CHINESE PROBLEM UNFORTUNATELY HAS BECOME SOMEWHAT CLOUDED BY DEMANDS FOR INTERNAL REFORM. DESIRABLE AS SUCH REFORM MAY BE, ITS IMPORTANCE IS BUT SECONDARY TO THE ISSUE OF CIVIL STRIFE NOW ENGULFING THE LAND, AND THE TWO ISSUES ARE AS IMPOSSIBLE OF SYNCHRONIZATION AS IT WOULD BE TO ALTER THE STRUCTURAL DESIGN OF A HOUSE WHILE THE SAME WAS BEING CONSUMED BY FLAME. FRIENDLY AND SEARCHING AS OUR INTEREST MAY BE IN THE REFORMATION OF CHINA'S INSTITUTIONS AND PRACTICES TO BRING THEM CLOSER INTO LINE WITH OUR OWN CONCEPT OF LIBERTY AND JUSTICE, AND RIGHT AND WRONG, THE MAINTENANCE OF CHINA'S INTEGRITY AGAINST DESTRUCTIVE FORCES WHICH THREATEN HER ENGULFMENT IS OF INFINITELY MORE IMMEDIATE CONCERN. FOR WITH THE FIRM MAINTENANCE OF SUCH INTEGRITY, REFORM WILL GRADUALLY TAKE PLACE IN THE EVOLUTIONARY PROCESSES OF CHINA'S FUTURE.

THE FLOW TO CHINA OF MILITARY SUPPLIES, SURPLUS TO OUR OWN REQUIREMENTS, HAS BEEN RESUMED. ADDITIONAL MATERIAL SUPPORT SHOULD BE MEASURED IN EQUITABLE RELATION TO SUCH GLOBAL AID AS MAY BE DETERMINED UPON IN THE ORIENTATION OF AMERICAN POLICY, WITHOUT UNDERRATING THE STRATEGIC IMPORTANCE TO US, AS TO THE WORLD, OF A FREE AND PEACEFUL CHINA, WITHOUT IGNORING HER IMPOVERISHMENT AND FATIGUE IN CONSEQUENCE OF SO MANY YEARS OF VIOLENT STRUGGLE OVER HER SOIL, WITHOUT FAILING ACCURATELY TO ASSESS HER POTENTIAL IN THE STABILITY AND ADVANCEMENT OF OUR OWN FUTURE STANDARD OF LIFE, AND WITHOUT NEGLECTING TO RECOGNIZE OUR LONG AND FRIENDLY RELATIONSHIP, WELL TESTED THROUGH YEARS OF PEACE AND YEARS OF WAR.

IN THE DETERMINATION OF OUR GLOBAL POLICY, CARE MUST OF COURSE BE EXERCISED TO AVOID COMMITMENT OF OUR RESOURCES BEYOND WHAT WE CAN SAFELY SPARE -- THE SAPPING OF OUR NATIONAL STRENGTH TO THE POINT OF JEOPARDY TO OUR OWN SECURITY -- AND THE OVERBURDENING OF OUR PEOPLE BEYOND THEIR CAPACITY TO MAINTAIN A STANDARD OF LIFE CONSISTENT WITH THE ENERGIES WITH WHICH THEY ARE NATURALLY ENDOWED. FOR IT WOULD BE ILLOGICAL FOR US TO YIELD OUR OWN LIBERTIES IN THE SAFEGUARD OF THE LIBERTIES OF OTHERS -- TO FORFEIT OUR OWN HERITAGE OF FREEDOM IN SECURING THE FREEDOM OF OTHERS. NO LESS ILLOGICAL WOULD IT BE TO EXTEND OUR MATERIAL AID BEYOND HOPE OF RECIPROCAL REPAYMENT THROUGH CONTRIBUTION IN ONE FORM OR ANOTHER TO HUMAN PROGRESS. FOR IT WOULD NOT SERVE OUR PURPOSE MERELY TO CREATE IN RETURN FOR OUR SACRIFICE A CONDITION OF INDIGENCE AND MENDICANCY ELSEWHERE, TO BECOME A BRAKE UPON HUMAN ADVANCEMENT.

IT IS ONE OF THE TRADITIONAL CHARACTERISTICS OF THE AMERICAN PEOPLE THAT IN TIME OF GREAT CRISES THEY HAVE NEVER FAILED TO RISE TO MASTERFUL HEIGHT TO MEET THE CHALLENGE OF THE TIME. NEVER BEFORE HAS OUR WISE, FEARLESS AND POSITIVE LEADERSHIP OF A CONFUSED WORLD BEEN MORE NEEDED AS A STABILIZING INFLUENCE. NEVER BEFORE HAVE THE AMERICAN PEOPLE BEEN MORE READY TO ASSIST OTHERS IF IT BE A PURPOSE-

FUL SACRIFICE. FOR WE ON AMERICAN SOIL BARE BEFORE THE EYES OF THE ENTIRE WORLD THE WORKING OF A WAY OF LIFE WHICH DESPITE THE VEIL OF CONFUSION AND DISORDER AND SELF-SERVING AMBITION, IS THE CHERISHED HOPE AND GOAVSN IIDK J

OF CONFUSION AND DISORDER AND SELF-SERVING AMBITION, IS THE CHERISHED HOPE AND GOAL OF ALL MANKIND. LET US ABOVE ALL ELSE PRESERVE IT.

TOKYO, MARCH 3-(AP)-A JAPANESE DEFENSE ATTORNEY WAS REBUFFED TODAY BY SIR WILLIAM WEBB, PRESIDENT OF THE INTERNATIONAL WAR CRIMES TRIBUNAL, FOR CRITICISING LORD WRIGHT OF THE UNITED NATIONS WAR CRIMES COMMISSION.

TAKAYANAGI HAD TOLD THE TRIBUNAL IT SHOULD NOT RELY ON LORD WRIGHT'S OPINION THAT CRIMES AGAINST PEACE ARE PUNISHABLE UNDER INTERNATIONAL LAW. HE SAID THE BRITISH JURIST WAS "SPEAKING NOT AS A JUDGE" BUT ONLY IN SUPPORT OF BRITAIN'S POLICY.

WEBB ASSERTED LORD WRIGHT'S "GOOD FAITH" WAS BEING ATTACKED.

THE JAPANESE LAWYER WITHDREW HIS REMARK AND WAS PERMITTED TO PROCEED. TAKAYANAGI CONTENDS THAT THE RULES UNDER WHICH JAPAN'S ERSTWHILE LEADERS ARE BEING TRIED WERE ENACTED AFTER THE INCIDENT OCCURRED.

MANILA,THURSDAY,MARCH 4-(AP)-SENATOR MELECIO ARRANZ, PHILIPPINE MEMBER OF THE UNITED NATIONS KOREAN COMMISSION,WHO PROPOSED THAT THE UNITED STATES BE ASKED TO ESTABLISH MILITARY BASES IN SOUTH KOREA,STOOD FIRM TODAY DESPITE A DEMAND FOR HIS REMOVAL FROM THE COMMISSION.

YOUNG YEUNG KIM, PRESIDENT OF AN ORGANIZATION WHICH CALLS ITSELF THE "KOREAN AFFAIRS INSTITUTE," HAD PROTESTED ARRANZ' STATEMENT AND URGED THE SENATO'S REMOVAL FOR
THE SENATOR'S REMOVAL FOR "AGGRAVATING SOVIET-AMERICAN DIFFERENCES."

PRESIDENT MANUEL A.ROXAS SENT AN UNDISCLOSED REPLY TO KIM LAST NIGHT. SENATOR ARRANZ EXPRESSED CONFIDENCE THAT THE PRESIDENT WOULD SUPPORT HIS VIEWS.

ESTABLISHMENT OF AMERICAN BASES,IF ACCEPTABLE TO KOREANS, WOULD NOT IMPAIR THE SOVEREIGNTY OF A KOREAN GOVERNMENT NOR MAKE A MOCKERY OF ITS INDEPENDENCE, ARRANZ TOLD THE MANILA BULLETIN.

THE BEST EVIDENCE OF THIS, HE ADDED, WAS EXISTENCE OF AMERICAN BASES IN THE PHILIPPINES, WHICH HE SAID HAVE NOT IMPAIRED PHILIPPINE INDEPENDENCE.

"THERE WAS NOTHING DEMANDING OR COMPULSORY IN MY PROPOSAL," HE DECLARED. "I CANNOT SEE WHY YONG YEUNG KIM SHOULD FIND ANYTHING IN IT WHICH COULD BE INTERPRETED AGAINST THE INTERESTS OF KOREA."

LAKE SUCCESS, MARCH 3-(AP)-CANADA CALLED TODAY FOR RENEWED EFFORTS TO SOLVE THE PALESTINE PROBLEM BY CONCILIATION.

GEN.A.G.L.MCNAUGHTON, CANADIAN DELEGATE, TOLD THE UNITED NATIONS SECURITY COUNCIL THAT "EVEN AT THIS LATE HOUR CONCILIATION MUST BE TRIED."

HE URGED THE FIVE GREAT POWERS TO TAKE RESPONSIBILITY FOR TRYING TO FIND A SOLUTION ACCEPTABLE TO BOTH JEWS AND ARABS BEFORE TAKING STEPS TO CARRY OUT THE PARTITIONING OF THE HOLY LAND.

"IF THESE EFFORTS FAIL," MCNAUGHTON SAID, "IT THEN WOULD BE UP TO THE COUNCIL TO DECIDE WHAT COURSE TO TAKE."

HE SAID CANADA IS NOT REPUDIATING OR ABANDONING THE U.N.ASSEMBLY'S 1947 PARTITION DECISION BUT COULD NOT VOTE FOR THE FIRST SECTION OF A PENDING U.S.RESOLUTION UNTIL EVERY EFFORT AT CONCILIATION HAD FAILED.

THIS SECTION PROVIDES THAT THE COUNCIL ACCEPT THE ASSEMBLY'S REQUEST FOR AID IN CARRYING OUT PARTITION.

MCNAUGHTON SAID HE WOULD SUPPORT A BELGIAN AMENDMENT WHICH ELIMINATES THIS SECTION OF THE AMERICAN RESOLUTION.

A PRELIMINARY SOVIET POLICY STATEMENT ON PALESTINE WAS GIVEN YESTERDAY IN COUNCIL. IT DEALT WITH THE QUESTION RAISED BY THE UNITED STATES ON HOW THE CURRENT CRISIS MIGHT BE APPROACHED BY THE BIG FIVE POWERS.

DEPUTY FOREIGN MINISTER ANDREI A.GROMYKO DODGED THE ISSUE OF SENDING A UNITED NATIONS ARMED FORCE INTO THE HOLY LAND. HE DID ACCEPT A PORTION OF THE AMERICAN PLAN SUPPORTING THE PRINCIPLE OF PARTITION. HE ALSO AGREED TO BIG FIVE CONSULTATIONS ON THE SUBJECT BUT OBJECTED TO A U.S.PLAN FOR CARRYING OUT THE TALKS.

GROMYKO'S SPEECH WAS UNUSUALLY CONCILIATORY. TWICE HE ACCUSED THE UNITED STATES OF ATTEMPTING TO CONFUSE THE ISSUE, BUT HIS COUNTER-SUGGESTIONS APPEARED TO OFFER A BASIS FOR SETTLEMENT. HE ALSO OMITTED PREVIOUS CHARGES THAT THE BRITISH ARE OBSTRUCTING PARTITION.

THE UNITED STATES WANTS THE COUNCIL TO ESTABLISH A BIG FIVE COMMITTEE TO LOOK INTO THE PALESTINE PROBLEM, TALK WITH THE ARABS AND JEWS, AND REPORT BACK. GROMYKO SAYS THE BIG FIVE SHOULD MEET INDEPENDENTLY OF THE COUNCIL AND SHOULD NOT BOTHER TRYING TO MEND DIFFERENCES BETWEEN THE JEWS AND ARABS AT THIS LATE STAGE.

U.S.DELEGATE WARREN R.AUSTIN RESERVED COMMENT ON THE RUSSIAN SPEECH. HE WAS UNDERSTOOD TO FEEL THAT THE DIFFERENCES WERE NOT INSURMOUNTABLE AND THAT ONCE THE COUNCIL WENT ON RECORD AS SUPPORTING PARTITION OTHER AGREEMENTS WOULD UNFOLD GRADUALLY.

THE BRITISH, HOWEVER, REMAINED FIRM IN THEIR STAND NOT TO TAKE PART IN ANY DISCUSSIONS DESIGNED TO ENFORCE PARTITION. ARTHUR CREECH JONES, COLONIAL SECRETARY, SAID HIS GOVERNMENT COULD NOT SERVE ON THE AMERICAN-SUGGESTED COMMITTEE.

CREECH JONES SUMMED UP THE BRITISH POSITION WITH THIS SENTENCE:

"WE CANNOT PARTICIPATE IN ANY WAY IN THE IMPLEMENTATION OF A SCHEME WHICH INVOLVES THE COERCION OF ONE OF THE COMMUNITIES (ARABS), AND THAT THE LARGER, IN PALESTINE, OR THE ASSUMPTION OF FURTHER COMMITMENTS IN PALESTINE BY THE BRITISH GOVERNMENT."

THE UNITED STATES HAS TAKEN THE STAND THAT PARTITION CANNOT BE ENFORCED LEGALLY WITH ARMS, BUT THAT THE COUNCIL CAN ACT TO MEET THREATS TO THE PEACE. SOME OBSERVERS HERE BELIEVE THAT AUSTIN TOOK A FURTHER STEP WHEN HE SAID:

"THE COUNCIL MAY REGARD ATTEMPTS TO ALTER BY FORCE THE SETTLEMENT ENVISAGED BY THIS RESOLUTION (PARTITION) AS CONSTITUTING SUCH THREAT."

STATE DEPARTMENT INFORMATION IS THAT KIM IS A KOREAN WHO HAS LIVED IN THIS COUNTRY FOR ABOUT 30 YEARS, WITH BUSINESS INTERESTS IN CALIFORNIA.

FOR SEVERAL YEARS HE HAS SPENT MOST OF HIS TIME IN WASHINGTON, GIVING A GREAT PART OF HIS ATTENTION TO BUSINESS OF THE "KOREAN AFFAIRS INSTITUTE." KIM SAYS THE INSTITUTE IS SUPPORTED BY KOREANS AND OTHERS FOR THE PROMOTION OF KOREAN INDEPENDENCE AND OTHER KOREAN INTERESTS.

(ADVANCE) CHICAGO, MARCH 3-(AP)-A GERMAN WARTIME DISCOVERY IN MEASURING ATOMIC RADIATION PROMISES TO AID AMERICAN SCIENTISTS IN ATOMIC AND CANCER RESEARCH.

THE DEVICE IS KNOWN AS A "SCINTILLATION COUNTER." IT WAS CONSTRUCTED AT THE UNIVERSITY OF CHICAGO BY DR. JAMES S. ALLEN OF THE SCHOOL'S INSTITUTE FOR NUCLEAR STUDIES.

HE BUILT IT ON INFORMATION FURNISHED TO AMERICAN SCIENTISTS BY GOVERNMENT AGENCIES INVESTIGATING WARTIME ATOMIC ENERGY DEVELOPMENTS IN GERMANY.

THE COUNTER IS A BOX CONTAINING A BIT OF FLUORESCENT MATTER AND A SENSITIVE PHOTO-ELECTRIC TUBE. ATOMIC PARTICLES OR RAYS, ADMITTED TO THE BOX THROUGH A SMALL HOLE, PRODUCE BURSTS OF LIGHT IN THE FLUORESCENT MATTER. THE LIGHT IS PICKED UP BY THE PHOTO ELECTRIC TUBE AND CHANGED INTO ELECTRIC CURRENT WHICH CAN BE AMPLIFIED AND MEASURED.

DR. ALLEN SAID THE DEVICE WAS A "NOTICEABLE IMPROVEMENT" OVER THE IONIZATION CHAMBER METHOD OF MEASURING RADIATION AND SHOULD "FACILITATE RESEARCH IN NUCLEAR PHYSICS AND VARIOUS BRANCHES OF BIOLOGY, INCLUDING THE FIELD OF CANCER."

WASHINGTON, MARCH 3-(AP)-SECRETARY OF DEFENSE FORRESTAL CALLED IN A SCORE OF NEWS EXPERTS TODAY TO TALK OVER THE MATTER OF MILITARY SECRETS.

REPRESENTATIVES OF NEWSPAPER PUBLISHERS, EDITORS, RADIO, TELEVISION, NEWS REEL, WIRE SERVICES, MAGAZINES AND TRADE PAPERS WERE INVITED TO THE PENTAGON CONFERENCE.

FORRESTAL'S AIDES SAID THAT AMONG THE POINTS HE WANTS TO DETERMINE IS WHETHER THERE IS ANY SENTIMENT IN FAVOR OF A VOLUNTARY AGREEMENT TO SUBMIT DOUBTFUL STORIES--THAT IS, THOSE THAT MIGHT GIVE AWAY SECRETS--TO A REVIEW UNIT SET UP BY THE NEWS INDUSTRY ITSELF.

THE IDEA IS NOT CENSORSHIP, THESE AIDES INSIST.

DURING THE WAR, THE NEWS INDUSTRY OPERATED UNDER A VOLUNTARY PRESS AND RADIO CENSORSHIP CODE. AN OFFICE OF CENSORSHIP, UNDER A CIVILIAN DIRECTORSHIP, ADMINISTERED THE CODE AS AGREED TO BY THE INDUSTRY. IT ALSO SERVED AS AN APPEAL BOARD FROM MILITARY RULINGS WHICH NEWSMEN FELT WERE ARBITRARY AND UNWARRANTED BY SECURITY.

IN OVERSEAS AREAS, THE ARMY AND NAVY MAINTAINED THEIR OWN CENSORSHIP. IT WAS BACKED BY MILITARY REGULATIONS AND THE POSSIBILITY THAT A CORRESPONDENT VIOLATING IT WOULD BE EJECTED FROM THE WAR THEATER OR, IN EXTREME CASES, SUBJECTED TO MILITARY TRIAL.

WASHINGTON,MARCH 3-(AP)-UNDER SECRETARY OF STATE ROBERT LOVETT SAID TODAY THE UNITED STATES WANTS ANY ORGANIZATION OF WESTERN EUROPEAN NATIONS TO BE PURELY A EUROPEAN AFFAIR.

FOR THAT REASON, HE TOLD A NEWS CONFERENCE, THE UNITED STATES HAS NO PLANS TO PARTICIPATE IN A MEETING BEGINNING AT BRUSSELS TOMORROW ON A WESTERN EUROPEAN UNION.

LOVETT SAID THE AMERICAN GOVERNMENT IS NOW DECIDING THE POLICY IT WOULD FOLLOW TOWARD SUCH A PROPOSED ORGANIZATION. BUT HE SAID THE POLICY CANNOT BE ENTIRELY COMPLETED UNTIL OFFICIALS FIND OUT WHAT SPECIFIC PLANS COME FROM THE MEETING.

THE UNDERSECRETARY, IN DISCUSSING THE MATTER, DID NOT RULE OUT THE POSSIBILITY THAT THE AMERICAN GOVERNMENT WOULD FAVOR SOME KIND OF MILITARY ALLIANCE, OR MUTUAL DEFENSE ARRANGEMENT, BETWEEN THE UNITED STATES AND A WESTERN EUROPEAN UNION.

OTHER HIGH SPOTS OF LOVETT'S MEETING WITH REPORTERS:

1. THE PROBLEM OF HOW TO GUARD AGAINST THE POSSIBILITY OF GERMANY'S EVER AGAIN BECOMING A MILITARY POWER PROBABLY WILL COME UP IN THE TALKS NOW UNDERWAY AT LONDON AMONG THE UNITED STATES, BRITAIN AND FRANCE ON THE FUTURE OF WESTERN GERMANY.

2. FRANCE AND SEVERAL OTHER EUROPEAN COUNTRIES ARE NOW RUNNING ON A THIN MARGIN ECONOMICALLY. UNLESS THE EUROPEAN RECOVERY PROGRAM GOES THROUGH CONGRESS ABOUT APRIL 1 THOSE COUNTRIES WILL BE FACED WITH VERY DIFFICULT ECONOMIC PROBLEMS. THE FRENCH HAVE ALREADY ASKED $150,000,000 MORE AID PENDING ENACTMENT OF THE RECOVERY PROGRAM.

3. A 15-MINUTE CZECH BROADCAST HAS BEEN ADDED TO THE "VOICE OF AMERICA" PROGRAM. THE STATE DEPARTMENT FEELS INCREASING PRESS RESTRICTIONS WOULD MAKE THIS A USEFUL SERVICE.

4. U.S. TROOPS DID NOT LIBERATE PRAGUE SOLELY BECAUSE GEN.DWIGHT D.EISENHOWER WAS ASKED BY THE SOVIET HIGH COMMAND ON MAY 5, 1945 NOT TO DO SO. RUSSIAN PROPAGANDA IN CZECHOSLOVAKIA HAS CHARGED U.S. TROOPS DELIBERATELY REFUSED TO FREE CZECHS FROM NAZI RULE.

Finland Seen Ready To Begin Red Talks On Friendship Pact

MAR 9 1948

Decision Rests With Paasikivi On Closer Ties

Powerful Swedish Party Advises President To Negotiate.

E. Shalk

Helsinki, Finland, March 4 (AP)—Finland appeared ready tonight to begin talks with Russia in answer to Prime Minister Stalin's request for a friendship and mutual assistance pact.

The stand of most Finnish political parties, however, indicated that Finnish negotiators would attempt to steer clear of opening the way to a purely military alliance.

The parliamentary group of the Social Democratic party was emphatic in opposing a military pact. The party has great influence among workers and fills 48 of parliament's 200 seats.

NIGHT

Seeks Clear Basis

The group stressed the need for defining a clear basis for negotiations leading to a possible pact.

The question whether Finland should move a step closer to Russia's eastern bloc rested with President Juho Paasikivi. As soon as the Social Democrats conveyed their views to Paasikivi, he called a meeting of his closest advisors. There yas no announcement as to the results of the meeting.

A Social Democratic statement said the party believed Finland hardly could refuse to open negotiations.

The Swedish Peoples Party, powerful in influencing foreign affairs, advised the president to negotiate with Russia. The party has 15 seats and a balance of power position in the 200-seat Finnish parliament.

The Communist-dominated popular front bloc, with 51 parliamentary seats, favors signing a treaty at once.

The other parliamentary groups—conservatives, liberals and Agrarians—announced they would make known their attitudes tomorrow. A conservative spokesman said he believed his party also would approve the opening of negoitations but, like the Social Democrats, would attach stout strings to the power of the delegation.

Paasikivi must make the final decision. Before doing so he has been consulting parliament, various party executive boards and government advisers. Parliament must ratify any agreement.

With the exception of the popular front, the party groups have confined their discussions purely to the question whether negotiations should be started. The best Finnish opinion is that agreement to negotiate does not necessarily mean acceptance of the proposed pact.

Informants close to Paasikivi said the president was unenthusiastic about the proposed pact. They said Paasikivi's opinions about the next move "were not in accord" with some of Finland's leading left wing politicians.

The informants expressed the belief, however, that the president would respect the recommendations of the parliamentary groups "even if he did not do so gladly."

At Paasikivi's request, experts on international law and treaty writing submitted today their analysis of the proposed military alliance and Russia's similar agreements with Romania and Hungary.

Prime Minister Stalin of Russia proposed the accord shortly after Communists took charge of Czechoslovakia last week.

The Swedish people's party represents the 10 per cent of the Finns who speak Swedish. It advised the President that since Prime Minister Stalin had requested a treaty, Finland scarcely could say no to negotiations. It pointed to Finland's long frontier with Russia and its isolation from the Western democracies.

Mr. Paasikivi must make the final decision. Before doing so he has been consulting the Eduskunta, various party executive boards and government advisers. The Eduskunta must ratify any agreement.

Paasikivi of such action. The Popular Front bloc, dominated by the Communists, did so last night. The Popular Front has 51 seats in the 200-member Parliament. The Swedish party has fifteen.

Paasikivi was disclosed last night to have replied to Stalin that the proposal would be taken up through normal Finnish parliamentary and democratic procedures.

"Question Of Life"

The Popular-Front combination of Communists and Radical Socialists urged immediate negotiations and acceptance as a "question of life" for Finns.

The six parliamentary blocs were scheduled to have secret meetings today. By night, informed Finns expect, Paasikivi would have a clear picture of what these groups think.

Under the constitution, the President may make his own decision on a foreign-policy matter like this. But it was learned he again has urged that the parliamentary groups speed consideration of the problem so he can have the benefit of their advice. Parliament must ratify any treaty that may result from the proposed talks.

Cabinet Due To Meet

The Cabinet holds its weekly meeting this afternoon. A Government member said the proposed pact is not on the agenda. Members of the Government's Foreign Affairs Committee planned to sit in on the meetings.

The Finns still take a calm attitude toward the situation. Most profess to believe that there is little likelihood of Finland becoming "another Czechoslovakia."

One high Finnish official said any effort of Communists to take over Finland would fail for two main reasons:

1. Their number is small. Finnish Communists are estimated to number from 28,000 to 45,000. The country has some 3,775,000 inhabitants.

2. The Social Democrats have a firm hold on the trade-unions. They have come out strongly for free democratic methods in the present crisis.

New Swedish Policy Urged

[A Stockholm dispatch reported yesterday Swedish newspapers are beginning to demand that Sweden reconsider her policy of neutrality toward all big-power blocs.

[*Dagens Nyheter*, Sweden's biggest paper, said the country could survive only by showing willingness to buck Russia by a positive attitude toward peacetime collaboration with the Western Powers.]

Finland's Minority Party Advises Treaty Talks

MAR 9

E. Shalk

Helsinki, March 4 (AP)—The influential Swedish People's party recommended today that Finland begin negotiations with the Soviet Union on Prime Minister Stalin's proposal for a treaty of co-operation.

High officials of the Government said they foresee little chance of a final decision on the negotiations before tomorrow.

Stalin proposed the treaty in a letter to President Juho Paasikivi February 22.

Influences Foreign Affairs

The Swedish People's party represents the interests of the Swedish-speaking minority in Finland. However, it exerts a great influence in Finland's foreign affairs.

The Swedish party announced it had advised the President of the decision. It is the second to advise

Britain Denies Devaluation Plan For Own, Belgian, Dutch Money

MAR 9 1948

LONDON, March 4 (AP).—Sir Stafford Cripps said today Britain does not intend to cheapen the pound sterling as a way of fighting her economic crisis. The Chancellor of the Exchequer vigorously denied at a news conference a widespread rumor of possible joint Anglo-Dutch-Belgian currency devaluation.

Commenting on the final borrowing of the $3,750,000,000 American loan yesterday, he said Britain would now have to sell more of her precious gold reserves to pay for vital imports.

"Complete nonsense" was the treasury chief's comment on the devaluation rumor that sent stock prices up on the Amsterdam exchange and caused brief buying spurts on the London market. The Brussels bourse was quiet.

Britain will not solve her chief economic problem—caused by importing much more than she sells abroad—by "monkeying with its currency," Sir Stafford said. Asked if he thought devaluation of the pound was inevitable this year, he snapped: NIGHT "No, I certainly do not."

Sees Need to Boost Exports

Britain's only hope of balancing her export-import books and cutting the drain on gold reserves is to sell more abroad, he said. The chancellor reported Britain's volume of over-all industrial production rose 9 per cent last year over 1946 and must gain more than another 10 per cent this year to maintain the present standard of living.

Treasury experts said Britain would lose far more than she would gain by devaluing—or cheapening—the pound. Last year she imported goods valued at 675,000,000 pounds ($2,700,000,000), more than those she exported.

Sir Stafford avoided mention of possible Marshall plan aid in his comment that ending of the American loan would make Britain dig deeper into sterling area reserves. But only last month he warned that Britain can spend its reserves at the present rate for only three more months without endangering the strength of the pound.

Although Britain is now exporting more and importing less than she did in 1938, her adverse trade balance is larger than in pre-war days mainly because of higher dollar prices for imported commodities, the Chancellor said. The steel shortage is now the main block to Britain's production drive, he added.

ANOTHER DENIAL ON MONEY POLICY

London, March 4 (A. P.).—Great Britain today denied widespread rumors that she had proposed devaluation of the pound, the Belgian franc and the Dutch florin.

Sir Stafford Cripps, Chancellor of the Exchequer, called the report "complete nonsense." The rumors had caused occasional buying spurts in an otherwise dull session in the London securities market.

The Dutch Government also issued a denial, but not before stocks in Amsterdam had risen sharply in reaction to the rumors.

Sir Stafford issued his denial in a news conference in which he said British industry must produce more to prevent "any noticeable fall in the standard of living."

DAY

British production increased 9 per cent in volume last year. Sir Stafford asked an additional increase of more than 10 per cent this year.

Sir Stafford's plea to save the standard of living was underlined by Britain's withdrawal yesterday of the last $100,000,000 installment of the United States loan.

With the exhaustion of the loan, the Chancellor of the Exchequer said, Britain must draw more heavily on her gold reserves. These are unofficially estimated to have shrunk to £567,000,000 ($2,268,000,000) as of February 1.

Cripps said devaluation of the pound would offer Britain no advantage in solving her economic program.

Did he consider devaluation of the pound inevitable this year?

"No, I certainly do not," he replied. "When a country is near the limit of its exports and has rigid controls over imports, it doesn't get any advantages by monkeying with its currency."

Self-Rule Demanded For Gold Coast Colony

London, March 4 (AP)—Two groups of West Africans today demanded self-government for Britain's Gold Coast colony, the scene of riotous disorders last week end.

A dispatch last night from Accra, the capital, said 25 persons were killed and several hundred were wounded. British officials reported earlier that fourteen persons were killed in rioting Saturday. British colonial officials said they still did not know what caused the outburst.

The West African Student's Union and the West African National Secretariat made the demand for self-government in a joint statement that accused police of firing on "unarmed and defenseless men."

"In view of these circumstances the people of the Gold Coast rightly demand immediate self-government . . . and the recall of the governor."

The rioting, which spread from Accra to several other towns, has subsided and "all is quiet," the British Colonial Office reported today.

merchant shipping by American aircraft which have been examining Soviet merchant vessels in the Yellow Sea and the Sea of Japan, circling over the ships, passing over them at a low level and even diving down at them."

According to information at hand, the broadcast added, the United States Government has not yet replied to this note.

"In the meantime," the broadcast continued, "the Government has heard about fresh violations of the freedom of merchant shipping by American planes in the Far East. In view of this, the Foreign Ministry has sent to the American Embassy a note again calling the attention of the United States Government to the matter and insisting on immediate measures to stop these violations."

In recent weeks Russia also has protested the presence of United States warships and marines in Italian waters and the projected reopening of Mellaha airfield at Tripoli, North Africa, for use by American planes.

Plus these protests, a Russian protest to Iran directly concerned the United States. It charged that the activities of United States military advisors to the Iranian Government "can create danger."

Russia also has protested jointly to the United States, Britain and France against the holding of three-power talks on Germany, which are expected to end in London this week.

Russia Again Protests U. S. Planes; Says They Annoy Ships in Far East

LONDON, March 4 (AP)—Russia has filed a second protest against the activities of United States airplanes in the Far East, the Moscow radio said tonight. A broadcast heard in London said the Soviet Union had made a new complaint over "continued violations of the freedom of merchant shipping" by United States planes off Japan.

It was the fourth Russian protest to the United States in the past six weeks concerning American activities in the so-called military field. Tonight's Moscow broadcast said:

"American planes continue to violate the freedom of merchant shipping. As previously announced, the Soviet Foreign Ministry sent a note on Jan. 30 to the American Embassy in Moscow about repeated violations of the freedom

New Soviet Protest Accuses U. S. Flyers

London, March 4 (A. P.).—The Moscow radio announced tonight that Russia has made a new protest to the United States over "continued violations of the freedom of merchant shipping" by American planes off Japan.

Russia has received no reply to her note of January 30 protesting that American aircraft have been "examining Soviet merchant vessels in the Yellow Sea and the Sea of Japan," and "fresh violations" have since been reported, Moscow added, wherefore the Soviet Government is insisting on "immediate measures to stop these violations."

Moscow Hits Back At Western Critics

London, March 4 (AP)—The Moscow radio assailed Western critics tonight for defending Soviet composers officially rebuked recently for producing music unworthy of Soviet ideals.

The unidentified broadcaster singled out world-famous violinists Yehudi Menuhin and Joseph Szigeti who, he said, "lowered themselves to take part in the dirty campaign."

He said Menuhin and Szigeti talked "of the freedom of creative art, using the United States as an example."

The United States, he concluded, is "a country in which every progressive artist is persecuted and a man of art is the paid hireling of the bourgeois businessmen."

General's Wife 'Still A Nazi,' She Boasts

Tuebingen, Germany, March 4 (AP)—Frau Gertrud Scholtz-Klink Heissmeyer, who was the führer of Germany's women in the Nazi days, declared today: "I am still a Nazi—as much as ever."

But her voice as she said it was soft, almost meek.

Then, clenching her fist, she said:

"Hitler still lives for me and my husband."

But, she added, she and her husband, Maj. Gen. August Heissmeyer, both believe Hitler and Deputy Führer Martin Bormann are dead.

First Interview

Frau Heissmeyer talked with an interviewer today for the first time since she was arrested last week end by American, French and German police.

General Heissmeyer, apprehended with her, spent most of his time during the interview trying to shush his wife. They are being held in a small French prison here.

She said she escaped from Berlin on May 2, 1945, after being wounded five times by Russian shell splinters in the last days of Nazidom. With her husband, she said, she fled into the Russian zone and stayed there until October, 1945.

Frau Heissmeyer and her husband, formerly an SS (Elite Guard) officer, are being held by the French, who said they would be questioned further to determine what, if any, charges to bring against them. United States officials said they had no further interest in the two.

Another Nazi Says Hitler, Eva Escaped

Nuernberg, Germany, March 4 (AP)—United States Army intelligence officers have turned up another German who claims to have seen Hitler and Eva Braun escape from Germany as the war ended.

This one is a former German air force pilot named Arthur Frederick Angelotte-Mackensen. The intelligence officers said today he told them he saw Hitler and Eva escape by plane from Berlin to Denmark and as far as southern France in late April, 1945.

Mackensen was arrested at Molfratshausen, near Munich, on a tip from a German girl. United States officers in Frankfurt said they were awaiting an official report, but added that similar stories had been told before and had not been proved.

Ford Talks With Clay

BERLIN, March 4 (AP).—Henry Ford 2d conferred with General Lucius D. Clay, American military governor, and departed today for Copenhagen. He is touring Europe inspecting Ford properties. He talked with General Clay about economics in Germany, where his main plant is situated, at Cologne. He declined to answer questions about socialization and the prospects for future investment of capital in Germany.

50-YEAR PACT FORECAST FOR WEST EUROPE

5-Nation Talks On Defense Against Communism Begin

Brussels, March 4 (AP)—Diplomatic circles said tonight a pact being drafted here probably will unite Britain, France, Belgium, the Netherlands and Luxembourg in a mutual defense agreement for at least 50 years.

The five nations began talks during the day on a suggested western European union to stem Communist expansion. Conference sources expressed confidence a general agreement would be reached not later than Sunday.

The agreement, it was said, would deal with military, political and economic questions will be taken care of later by multilateral agreements between the powers. The economic details are proving the most difficult to solve.

Marshall Plan Accord

Leading conference delegates were said to be agreed that the five nations' economic difficulties could be solved by the Marshall plan.

Paul-Henri Spaak, Belgian Premier and Foreign Minister, opened the conference formally. He expressed the hope the discussions would reach a successful conclusion.

After the formal opening, Fernand van Langenhove, permanent Belgian delegate to the United Nations, presided over the conference. The deliberations were closed to newsmen.

Hopes For Wider Union

Informants said the five powers hope the agreement being drafted here will form the nucleus of a wider western European union.

Sir George Rendell, British Ambassador to Belgium and principal British delegate to the conference, said he was confident a general agreement would be drafted.

He explained he was not empowered by his Government to sign a treaty during the present talks. If final agreement is reached the Foreign Ministers of the five countries represented will sign it later.

The Benelux countries—Belgium, the Netherlands and Luxembourg—submitted a draft agreement at the first session. A communique said: "The draft was studied and revealed great similarity of views on the principles discussed by the five powers."

eign Affairs Ministry. Deliberations were closed to the press.

Paul-Henri Spaak, Belgian Premier and Foreign Minister, welcomed the delegates to Brussels and said he hoped their discussions would result in the successful conclusion of a five-power agreement.

Move To Balk Reds

They were called to study the idea of a treaty and alliance to stop the spread of Communist control, newly installed in Czechoslovakia and feared in Finland.

The delegates were reported to have agreed to proceed with the meeting despite the absence of Gladwyn Jebb, second British delegate, who was delayed in London by bad weather.

After the formal opening by Spaak, the conference was presided over by Fernand Van Langenhove, permanent Belgian delegate to the United Nations.

The five delegations are:

BRITISH — Sir George Rendel, Ambassador to Belgium, and Jebb.

FRENCH — Count Jean Marie Frances de Hautecloque, Ambassador; Roland de Margerie, counselor; M. Gros, legal adviser, and M. Valery.

LUXEMBOURG—Robert Als, Minister in Brussels, and Pierre Elvinger, counselor.

DUTCH — Baron van Harinxma Thoe Sloten, Ambassador; M. Boon, political adviser, and M. Ryckevorstel.

BELGIAN—Van Langenhove, Walter Loridan, director of the Foreign Ministry's political section, and F. Muuls and George Jaeckenbeek, of the Foreign Ministry.

Reach Common Attitude

Britain called the conference in line with Foreign Secretary Ernest Bevin's proposal for "consolidation of western Europe," made in the House of Commons January 22.

France joined her in inviting the Low Countries to treaty talks. French officials said they "naturally" approved Bevin's pronouncement.

Experts from the other three governments said yesterday they had arrived at a common attitude for the conference. They did not say what it was.

5 Nations Seek Pact To Stem Red Advance

Brussels, Belgium, March 4 (AP)—Five nations commenced talks today on a suggested western European union to stem Communist expansion.

Representatives of Great Britain, France, Belgium, the Netherlands and Luxembourg met at the For-

United States [illegible] Secretary of State Robert A. [illegible], meanwhile, said in Washi[illegible] the United States wants any [illegible]ern European union to be stric[illegible] European. He said the United States would not take part in the Brussels meeting.

Lord Vansittart, chief diplomatic adviser to the Chamberlain Government from 1938 to 1941, said in the House of Lords last night Britain should form "the closest union with the United States."

Britain and France already have a 50-year military alliance under the Dunkirk pact of March, 1947. The Low Countries are joined in the Benelux Customs Union, instituted last January 1.

Bevin did not propose a military union specifically in his speech. But a spokesman for the British Foreign Office said he had in mind an alliance along the lines of the Dunkirk treaty.

Agreement Is Studied

The Benelux countries submitted a draft agreement at the first session.

"The draft was studied and revealed great similarity of views on the principles discussed by the five powers," a communiqué said.

"The five-power talks were postponed until Friday afternoon to make it possible for the French and British delegates to make a further study of the Benelux proposals."

Disclosing that invitations had gone out for five-nation treaty talks, Bevin said Italy and other "historic European countries" would be invited into any union that might result.

U.S. Haste Urged

Paul-Henri Spaak, Belgian Premier and Foreign Minister, said in Parliament yesterday: "A political treaty should be bound up with a military agreement between (*sic*) the five powers because it is impossible to defend this country without outside help."

He called for economic collaboration, too, and said: "We want to organize ourselves and we will."

"If United States aid to Europe, through the Marshall plan, does not arrive in the coming months—in the coming weeks," said Spaak, "Europe will return to the worst economic conditions of the worst year of the second World War."

U.S. At London Talks

With the start of today's meeting, two will be in progress among Britain, France and the Benelux countries. The other, in London, concerns the future of western Germany and its place in the Marshall plan. The United States is sitting in on the London meeting.

Diplomatic officials said yesterday the French stand on the industrial Ruhr threatens to delay big decisions in that conference.

A high United States source said the odds were heavy against an agreement either on control of the Ruhr or on the merger of the French occupation zone with the British and United States zones.

Prague Police Seize Czech As One Of Spy Center Ring

Prague, March 4—(AP)—Security police announced tonight the arrest of Felix Uhl on charges of complicity in setting up espionage centers in the American zone of Germany. Police said Czechoslovaks were fleeing to these centers.

Former Student Leader

Police described Uhl as the former head of the student section of the peoples party. They said other persons would be involved.

Uhl was accused of selling information to the military espionage organ of an unnamed foreign power. Police said he had worked under false documents issued by a diplomatic office which allowed him to travel abroad.

A police statement said:

"Uhl acted as liaison of a foreign intelligence service with some well-known Czechoslovak persons, some of whom are trying to flee to espionage centers in Germany with which they were in contact in the American zone."

Mystery surrounded the whereabouts today of Adolf Prochazka, former minister of health, and his wife. They were variously reported to have escaped across the Czechoslovak border into Germany or to have been captured.

Their daughter, Milada, 19, was under arrest after an unsuccessful effort to flee the country. The Communist press, which reported for the first time that Czechoslovak citizens were escaping across the frontier, was vague about her parents.

Rude Pravo, the official Communist newspaper, reported the "attempted" escape of the minister and his wife. It said an official statement would be made in a few days. Mlada Fronta, Communist youth paper, said the pair had escaped along with Emil Ransdorf, anti-Communist student leader.

The information ministry said it was unable to get any statement about Prochazka from the interior ministry. Both ministries are headed by Communists.

Early this year Prochazka visited Britain. He was one of the ministers singled out by Premier Klement Gottwald as "an agent of foreign reaction" during the recent political crisis.

Prague Papers Hint At Escape Of Prochazka

Prague, March 4 (AP)—The Communist press hinted today that former Health Minister Adolf Prochazka, his wife and an anti-Communist leader have fled Czechoslovakia, but mystery surrounded their whereabouts.

Milada, 19, the former Minister's daughter, is under arrest after an unsuccessful attempt to escape from the country.

Mlada Fronta, a Communist newspaper, said the Prochazkas and student leader Emil Ransdorf escaped across the border. It was the first time the Communist press reported that Cechs were fleeing across the frontiers.

Official Statement Later

Rude Pravo, the official Communist newspaper, reported the Prochazkas "attempted" escape, but gave no details.

It said an official statement would be made in a few days. Other reports, all unconfirmed, said the three were captured or were across the border in the United States occupation zone of Germany.

The Ministry of Information announced that President Eduard Benes is convalescing at his country home in Sezimovo Usti, southern Bohemia, and will not return to Prague this week, as scheduled.

Singled Out By Gottwald

Prochazka is one of the ministers singled out by Communist Premier Klement Gottwald as "an agent of foreign reaction."

The press also carried an account of the sentencing of two army officers "for the crime of military treason." Capt. Josef Kraka was sentenced to sixteen years in prison and Lieut. Ivan Popovic to four months. Pramovil Rajchl, described as a contact man, is to be tried soon.

Talk Of Routes And Exits

Publication of the Prochazka story confirmed for the people oral tales of persons trudging through the snow over ski trails to reach unguarded border spots.

Already there is talk here of routes and exits wh e friendly German police would receive refugees and bundle them into busses bound for the nearest police post.

Mlada Fronta spoke of scores of "luxurious American automobiles" with Czech license plates found abandoned in the snows in border areas, and called upon authorities to investigate.

The Information Ministry has said nothing about the reported escape of the Prochazkas.

Czech 'Free' Schools Dead

Prague, March 4 (AP)—Two Americans sharply attacked today the position of education and students under the new Government of Czechoslovakia.

"There is no academic freedom here," said Jim Smith, of Houston, Texas. This will be his report to the National Students Association of more than 350 colleges and universities in the United States. It has been trying to work along with the International Student Federation.

"Propaganda Institute"

Frank Lewand, of Philadelphia, cultural attaché in the United States Embassy, commented:

"The people who thought they were coming here to celebrate the six hundredth anniversary of Charles University this summer had better save their time and money. I have just told the State Department and the Veterans' Administration again that it is nothing more than a propaganda institute."

Smith was acting as proxy vice president of the International Students' Union, representing American schools. He was serving for William Ellis, of Boston, who was ill in Leysin, Switzerland. Both resigned over the week end. Smith said his report would be factual and objective. He indicated his resignation spoke for itself.

Europe Spurs Feeding Of Children

Prague — (AP) — The emergency feeding of children has begun in nine European countries and will begin soon in the remaining three countries in the program. Alfred Davidson, European director of the United Nations International Children's Emergency Fund, has reported.

More than 3,500,000 children are to be fed supplemental fats, milk and protein rations. Expectant and nursing mothers also will be aided.

Maurice Pate of New York, executive director, says neither political nor religious factors are considered in the program. He says children in all four occupation zones of Austria are being fed and that the same will apply in Communist and non-Communist areas in Greece.

Envoy Of Czech Reds Hurries To U.S.

Washington, March 4 (AP)—Czechoslovakia's new Communist Government already has an envoy on the way to replace the Ambassador who quit rather than serve a "police state."

Diplomatic officials said today Irvin Munk was named minister-counselor to Washington after last week's Red coup in Prague.

Due in New York Monday, he thus was en route when Ambassador Juraj Slavik quit his post yesterday to "fight for Czechoslovak democracy."

Munk is slated to become charge d'affaires. In that capacity he will head the embassy staff, which did not immediately follow the Ambassador into voluntary exile.

Slavik Welcome To Stay

The State Department, meanwhile, is prepared to assure Slavik that he is welcome to remain in the United States. But whether he can look for official support in his announced attempt to rally Czech "patriots" against the new government of Prime Minister Klement Gottwald is something else again.

Under Secretary Robert A. Lovett said the United States is holding further talks with Britain and France, which joined this country in a three-power condemnation of the latest Communist seizure of power in eastern Europe.

But if the established pattern is followed, there will be no break in diplomatic relations with Prague, and Slavik could expect no more backing than similar refugees from other Soviet satellite states.

Other Exiles Cited

Already in recent voluntary exile in the United States are Hungary's former Premier Ferenc Nagy, Hungarian Minister Aladar Szegedy-Maszak, Poland's recent Vice-Premier Stanislaw Mikolajczyk, and Agrarian party leaders from Yugoslavia and Bulgaria.

But of all such exiles, the United States gives diplomatic recognition only to the envoys of Latvia, Lithuania and Estonia—the three Baltic states which Russia absorbed in the early days of World War II.

Slavik's resignation left Josef Hanc, minister-counselor in charge of the nine-man embassy staff as charge d'affaires. Hanc, however, already was under orders to return to Prague next month.

Bawled Out By Phone

Dr. Slavik said today he got an angry bawling out by telephone from Prague because of his resignation as ambassador.

Slavik denounced the new Communist-controlled Government of Czechoslovakia yesterday when he resigned. He said today that later he had a phone call from Czechoslovakia's deputy Foreign Minister, Vladimir Klementis, a Communist.

He said the conversation went:

Klementis: Is it true that you have resigned as our Ambassador?

Slavik: Yes.

Klementis: Do you know what is being said here of you? It is being said you are a characterless betrayer of your country.

Slavik: I was acting on my conscience. I cannot work for a Communist government.

Klementis: I'm finished with you.

Slavik chuckled today that he "knew I was through with the Czech Government, as it is today" when he resigned.

Communism And Italy's Elections

Rome, March 4 (AP)—The battle for Italy's elections April 18 got under way today. These elections may be Europe's most momentous political event of the next two months.

This was the last day the country's numerous political parties could put up candidates for the republic's first Parliament. The make-up of Parliament may decide whether Italy falls into the Communist camp.

Somewhere in Europe there may be a line. If communism steps over that line it may mean a showdown. Czechoslovakia, already drawn into the Communist lineup, proved not to be that line. Finland apparently will not be. Trieste, even, might not be. Italy conceivably could be that line.

NIGHT

Would Upset Western Strategy

Certainly, a clean-cut Communist victory in the fight to elect 574 deputies and some 400 senators would throw the Western powers' long-range strategy far away.

An indecisive election, if it prepared the way for events such as those in Czechoslovakia, might be equally fraught with peril to peace.

The single bloc of Communists and Socialists will oppose 21 other separate parties in the elections.

That bloc, known as the "Democratic Popular Front," was No. 1 on the official list of participating parties, having been the first to register its candidates.

Big Fight Between These Two

Premier Alcide de Gasperi's Christian Democrats, the largest single party, was No. 20. Some 80 other minor parties failed to file before tonight's deadline and will not be allowed to have candidates on the voting lists.

The big fight is between the Christian Democrats and the "Popular Front."

Publicly, the Left predicts a smashing victory. Publicly, so do the Christian Democrats. Privately, both admit they expect to run neck and neck, with the small parties holding the balance of power.

The guesses of the best informed are that the "Front" and the Christian Democrats each will take some 40 per cent of the 25,000,000 votes expected to be cast.

The Communist Underground

If that happens de Gasperi should be able to form another government without the Communists, like the one he has headed for the last six months.

However, the Communists, still largely faithful to a truce on political violence that was signed a few weeks ago, have made no bones about their well-organized underground, their hidden arms, their "shadow government" which they say is ready to take over.

What their policy would be if they fail to win control in the election is the nation's biggest question.

All Italy is waiting for the answer. No one these days is making vacation plans, signing long-term apartment leases, starting new businesses, buying new clothes. "After April 18," they say.

The Three Paramount Issues

The big election issues are:

1. CZECHOSLOVAKIA. The events at Prague have let the anti-Communists take the offensive for the first time. De Gasperi and lesser orators are warning, "it can happen here." The Communists answer: "it ought to."

2. THE CHURCH. The Leftists are angry at the advice Italian cardinals and bishops have been giving the Catholics that their religion obliges them to vote against parties and candidates who will not respect the church.

3. THE UNITED STATES, and its program of aid to European recovery.

Curiously, the Communists are keeping fairly quiet about the last two issues these days.

Left Ignores Church Decree

A decree from the Church's Consistorial Congregation, which was published in large Rome newspapers for the first time yesterday and which in effect supported the bishops' anti-Communist line, received no attention from Leftist morning newspapers today.

The oft-made Leftist charges that de Gasperi has "sold out for dollars" are being mildly phrased recently.

Observers believe that Palmiro Togliatti, the shrewd Communist boss, has concluded that anti-Catholic, anti-American blasts may cost votes in Catholic, under-fed, practical Italy.

Catholic Action's Stand

The president of Catholic Action says that lay organization of the church is going down the line to prevent a Communist victory.

Catholic Action counts more than 4,000,000 members, 3,225,000 of voting age. This is 1,000,000 more than the membership of the Communist party.

The organization has distributed copies of the Consistorial Congregation's decree to more than 100 diocesan periodicals throughout Italy. Vatican authorities said the decree was issued two years ago, was reaffirmed March 31, 1947, and remains in force.

Since last October speakers for Catholic Action, both clerical and lay, have addressed groups throughout Italy.

Veronese Vittorino, president, says Catholic Action is not a political organization but has two current aims: to convince the Catholic masses they must vote, and that communism threatens the advent of the party state "which denies all religious and civil rights."

France, Italy To Sign Customs Union Pact

Rome, March 4 (AP)—A Foreign Ministry spokesman said today the Italian and French Foreign Ministers will meet soon to sign an agreement on a customs union.

A customs union is an agreement of two or more countries for lowering trade barriers and collecting customs jointly.

MAR 9 1948

Catholics Open Anti-Red Drive

Vatican City, March 4 (AP)—Authoritative sources said today Italian Catholic Action has undertaken an intensive drive to avert a Communist victory in Italy's April 18 elections.

This campaign is evidenced by Catholic Action's distribution of a Vatican decree directing Catholics to vote only for candidates who "will respect the rights of the church."

Catholic Action counts more than 4,000,000 members, of whom 3,225,000 are of voting age.

DAY

To Campaign In Parishes

The Vatican decree, issued by the consistorial congregation of the Vatican two years ago, was reaffirmed March 31, 1947. It admonished Catholics throughout the world to vote for candidates who would defend the church's rights. Catholic Action last week, distributed the decree through its news service to more than 100 diocesan periodicals.

A spokesman for the organization said, however, it was depending even more upon the spoken word in Italian parishes to make Catholics "aware of their duty to vote."

Failure To Vote Is Hit

Catholic Action aims to convince Catholics that failure to vote is a vote against the church and that communism seeks a state which denies civil and religious rights.

Italian dailies published the Vatican decree yesterday. *Giornale Della Sera*, of Rome, Rightist independent newspaper, published it again today. The Communist press referred to the decree yesterday as a church campaign against the Popular Front, but avoided reference to it today. The Leftists likely fear to draw too sharp a religious line because of the possible loss of votes.

Anti-Nazi Head In Sweden Hits Communists

Stockholm, March 4 (AP)—A Swedish senator called upon his country today to isolate Communists as a fifth column.

Senator Ture Nerman, a leader of the anti-Nazi movement in Sweden during the war, said in the Social Democratic newspaper *Aftontidningen*:

"The Communists must be isolated in Sweden. They are a potential fifth column, just as dangerous as the Nazis during the war."

Called "Mercenary Troops"

Nerman said it is the duty of the Social Democratic party "to sever all ties with Stalin's Swedish section and consider them not as democrats or leftists but as mercenary troops of a foreign empire."

The leading conservative newspaper, *Svenska Dagbladet*, said it will boycott all news conferences held by the Premier and the Foreign Minister "as long as Communists are allowed to participate in the delicate discussions on foreign affairs and military preparedness."

Attacked In Parliament

In Parliament last night, several Social Democrats and Liberals turned sharply on the Communists, likening them to the wartime Nazis.

Loud laughter greeted a Communist deputy's statement that events in Czechoslovakia, where the Communists seized power, were in accord with the will of the Czech people.

The Association of Conservative Students issued a declaration demanding that "a democratic united front be formed against the Communists and their subversive activities." They also asked stronger Swedish defenses and reconsideration of Sweden's policy of neutrality.

2,400 German Youths Get Swiss Farm Jobs

Bern—(AP)—More than 2,400 German students from the British zone, including nearly 1,000 girls, are scheduled to come to Switzerland this summer to help with the harvest.

The students, all volunteers, will work on farms for three weeks for the same wages paid to Swiss workers, and will be allowed to spend a fourth week vacationing at a Swiss resort.

A similar scheme from the British zone was in operation last year, but only 300 students were permitted to participate.

Yugoslavs Prosecute Five Priests

Belgrade, March 4 (A. P.).—Belgrade authorities announced today that five priests are being tried at Buje in the Yugoslav zone of the Free Trieste Territory on charges of smuggling rationed food and currency into Italy. Four pleaded guilty, the announcement said.

Many Greeks See Their First Movies

Athens —(AP)— Thousands of Greek villagers are seeing motion pictures for the first time. The American Mission for Aid to Greece and the Greek army are sending American documentary films to hundreds of little towns.

Jack Evans, of Lynchburg, Va., Amag film officer, says that in some towns the same films were run three times consecutively to accommodate the crowds. He says an amazing number have never seen a motion pitcure. At least one-third of them have never seen a film with a Greek sound track.

Even Hollywood features at big-city theaters do not have Greek sound tracks.

Soviet Generals Warned To Study Marx and Lenin

By The Associated Press.

MOSCOW, March 4—Soviet generals were told today that ability and bravery alone were not sufficient for advancement. They must also be fully grounded in Marxism and Leninism.

Red Star, the Army newspaper, said in an editorial that generals must constantly improve their "ideological preparation." The editorial disclosed a new directive by the political administration.

Soviet generals who fail to pursue such studies will lose out in assignments to responsible military posts, Red Star said.

The army paper said it was impossible to comprehend Stalinist military science without ceaseless study of Marxism and Leninism. They cannot give their full value to society without understanding Communist ideology, Red Star stressed.

Lead British to Bodies

Arabs later led British troops to the bodies, which had been stripped of arms and clothing.

The patrol was shot up in a two-hour battle a few miles north of the Kalandiya airport. Known Arab casualties were two wounded. A second Jewish force, estimated to number 25 men, was either driven off or escaped.

The ambush was sprung by perhaps 200 Arabs deployed in the hills. Haganah sources said the Arabs killed 12 of the Jews during the battle and took the five others to Ramallah where they were shot.

Presumably the Jewish patrol sought to cut the Arab-controlled highway between Jerusalem and Ramallah, 17 miles to the north. It was thought this blow might have been designed as retaliation for Arab bridge dynamiting and convoy attacks which cut the only Jewish route from Jerusalem to Tel Aviv.

Arabs said the ambushed patrol was trying to penetrate through the hills to lay mines on the Ramallah highway. The Haganah informants denied the Jews were laying mines and said they merely were on patrol.

The British mandate government said the patrol already had reached the road at one point and attacked an Arab bus before the ambush developed.

Meanwhile, a reliable source in Haifa said British officials and families awaiting transportation to England were moved from Haifa to Jenin in an Arab area of Palestine because of fear of possible Jewish attacks.

An American living in the same Haifa hotel with the Britons received repeated warnings from Jewish friends that it would be "advisable to move from the hotel immediately." The American refused.

200 Deployed In Hills North Of Jerusalem Wipe Out Haganah Band In Two-Hour Battle—Five Claimed Shot After Capture.

Jerusalem, March 4— (AP) —Seventeen Jewish militiamen were killed today when a Haganah road patrol was ambushed and wiped out in Arab territory north of Jerusalem.

NIGHT

30.24- 16007

Police put a heavy cordon of armored cars around the building and the next day moved the Britons to the former police depot at Jenin. The informant said Jenin would remain the concentrating point for Britons evacuating Palestine through Haifa.

The unofficial death toll in Palestine since the United Nations voted for partition Nov. 29 rose to 1,590.

A British Army officer and two Jews were killed by snipers in the Haifa area. Army sources said the officer was slain as he went to the aid of a wounded Jew. The attack came from an Arab house and soldiers returned the fire. (AP)

Arabs Ambush Patrol, Kill 17 Jews

MAR 9 1948

Jerusalem, March 4 (AP)—Arabs ambushed a Haganah patrol near Ramallah today and police said seventeen Jewish militiamen were killed.

Arab sources said the patrol was trying to pass over the hills to lay mines on the highway when it encountered Arab defenders. A two-hour gunfight resulted. There was no estimate of Arab casualties.

Arabs said the Jewish patrol came from Kalandiya settlement, which adjoins the airport where the advance party of the United Nations Commission charged with carrying out Holy Land partition landed yesterday.

Only Road To North, West

The Ramallah road is the only outlet to the north and west of Jerusalem which Arabs have used since the partition vote last November.

British heavy guns roared out in the Holy Land during the night under Britain's new policy of firing impartially on Jewish or Arab aggressors.

Two-inch and 6-inch guns were fired at Arabs attacking a Jewish quarry. The Arabs fled. No casualties were reported.

Three-inch mortar shells scattered an Arab patrol which had blown up a culvert on the road between Jerusalem and Mount Scopus. One Arab was believed killed.

Students Help Troops

Jews from the Hebrew University joined British troops in repulsing what appeared to be an Arab attack on Jewish positions in Jerusalem.

Haganah, the Jewish militia, said in a radio broadcast last night that British residents of Jerusalem had received leaflets supposedly distributed by the "British League of Ex-Service Men," taking responsibility for the Ben Yehuda street bombing here February 22. Fifty-five Jews were killed in the blast, which, Arabs say, they set off.

The Stern Gang, Jewish underground group, claims responsibility for blowing up a British troop train last Sunday, killing 28 British soldiers, in retaliation for the Ben Yehuda street incident. The Stern Gang also claims responsibility for yesterday's explosion at Haifa which killed 14 Arabs and wounded 27. (AP)

U.N. PALESTINE VOTE DEMANDED

MAR 9 1948

U.S. Insists On Council Ballot On Partition

F. Carpenter

Lake Success, N.Y., March 4 (AP). United States officials insisted tonight that the United Nations Security Council vote soon on indorsing partition of Palestine.

The first test ballot in the Council may come tomorrow.

In the face of almost certain defeat, the United States was said authoritatively to be standing behind its pending resolution. Warren R. Austin, chief American delegate, says a vote for this measure is a vote for partition.

"Time To Be Counted"

Some delegates who opposed Austin say this is not the time to vote on the partition plan itself; they say conciliation moves must come first in an attempt to find a solution agreeable to Jews and Arabs.

A spokesman for Austin said this country wanted a vote and would not accept a compromise on that resolution. Another source familiar with United States policy agreed, saying:

"It is time for the boys to stand up and be counted."

The issue is this:

Austin proposed last week a resolution which called for the council to accept the plan approved last Nov. 29 by the U. S. Assembly to divide Palestine into Jewish and Arab countries.

This resolution also proposed that the council set up a committee of the five great powers — France, Britain, the U. S., Russia and China —to consult with Jews and Arabs in an effort to reach a peaceful settlement.

Belgium countered with an amendment calling for a big power committee but knocking out the paragraph by which the council accepted the partition plan. The U. S. rejected the Belgian move.

Andrei A. Gromyko, of Russia, has told the council he favors the partition part but did not think a formal committee necessary for consultations.

U.S. Standing Firm On Palestine Plan

W. Horne Cox

Lake Success, March 4 (AP)—The United States stood firm on its Palestine policy today despite a recognized probability of defeat in the United Nations Security Council.

Informed quarters said United States Chief Delegate Warren R. Austin would not change his original resolution to meet objections raised by Russia, Belgium, Canada, Syria and China in the last week.

Some quarters had hoped that the recess today in the Palestine debate might lead to some off-the-floor compromise, but a check of the delegates failed to disclose any consultations either in progress or planned.

DAY

U.S. To Seek Vote

Austin was reported ready to press for a vote tomorrow on his proposal approving partition as the solution of the Palestine problem and setting up a Big Five committee to find a way to implement the Assembly's November 29 decision.

The United States delegation was understood to feel the proper time to seek a compromise is when, and if, the American resolution is defeated.

Meanwhile, the Hebrew Committee of National Liberation announced that it had submitted to the Security Council a proposal for a United Nations border commission to check the reported influx of Arabs from countries outside Palestine.

Lebanese In Hospital

The official reason given for the one-day adjournment of the Palestine debate was the illness of Camille Chamoun, special Lebanese representative. Chamoun was still in St. Clare Hospital, New York. His physician, Dr. N. K. Basile, said he would not be able to appear before the Council until next week at the earliest.

It was understood, however, that Dr. Charles Malik, Lebanese Ambassador to Washington and delegate here, would read Chamoun's statement tomorrow.

It became apparent yesterday that at least a portion of the American resolution on Palestine partition is headed for defeat. Canada and China joined Belgium and Syria in opposing a section calling on the Council to accept the partition scheme laid down by the Assembly.

Russia Is Silent

Should this opposition crystallize sufficiently to bring passage of a Belgian counterproposal, which would eliminate acceptance of partition, the American plan would be stripped of its major point.

Russia took no part in yesterday's debate, Soviet Delegate Gromyko, March chairman of the Atomic Energy Commission, made the delay possible by canceling a meeting Friday of a committee which conflicted. The Council session then was held up until 10.30 A.M. tomorrow.

Gromyko's action raised the possibility that he wanted extra time either to get further instructions from the Kremlin or to initiate some new moves among delegates.

IRAQ'S CABINET SHIFTED

New Ministers of Interior, Justice, Social Affairs Are Named

BAGHDAD, Iraq, March 4 (AP)—Iraq's cabinet was shuffled today.

Jamil al-Madfai resigned as Interior Minister, saying he did not want to go through the coming election. Nasrat al-Farisi, Minister Without Portfolio, succeeded him.

Umar Nadhmi resigned as Minister of Justice, a post to which the Minister of Social Affairs, was named. Daoud al-Haidari, Minister Without Portfolio, became Minister of Social Affairs. Party complaints that Nadhmi ignored charges of election frauds last year forced his resignation.

Elections are expected within forty days.

The Nationals also reported recapture of the rail town of Chuliuho, 27 miles west of Mukden. They said rail traffic between those two points was resumed.

Reinforcements Awaited

Dispatches to Nanking said Szepingkai is "urgently awaiting" reinforcements. Strong Red forces were reported closing in, the vanguards approaching the eastern and southern suburbs.

The newspaper *Hsin Min Pao* reports the Communists captured Tieh-ling, 40 miles northeast of Mukden on the rail line to Szepingkai. This was not confirmed.

The official Central News Agency said French colonial troops and the Chinese Army were co-operating in mopping up Communist "bandits" along the south China and Indo-China border. Government sources habitually call the Reds bandits.

The agency said co-ordinated attacks prevented the Reds from dodging from one side of the border to the other. A number of Communists were reported trapped in Tachinshan, Kwangsi province, and in Bangku, Indo-China.

Says China's Need Is Currency Reform

Nanking, March 4 (A. P.).—Chen Li-fu, Minister of Organization, said today that any effective aid to China must assure a workable monetary reform plan. A United States grant of $500,000,000 cash and another $500,000,000 as a reserve would accomplish this, he said.

"What China must have is complete currency reform which will permit a six-months' breathing spell in which to turn the whole national economy into the right channels," he told interviewers.

The press here said that of 51 French civilians in the convoy, five were killed and ten wounded and the rest came through safely. Dalat is about 140 miles northeast of here across the Cochin China Annam line.

Quoting informed sources, the newspaper *Populaire* said guerrilla leaders of the attack are encircled and "on the point of capture" by French troops, including "many hundreds" of paratroopers dropped in the area.

French Soldiers Rescued

Singapore, March 4 (AP)—Malay fishermen rescued five members of the French Foreign Legion from the Straits of Malacca today. The five said they jumped from a French transport rather than fight in Indo-China. Singapore military police turned the men over to the French.

New Interim Regime Scheduled For Java

Batavia, Java, March 4 (AP)—A new interim government for all the Netherlands East Indies will be appointed and installed Monday, it was announced today.

Political negotiations are expected to be resumed through the United Nations Good Offices Commission next week between the Dutch and Republican delegations.

Acting Governor General H. J. van Mook plans to go to Bandoeng for the inauguration of the newly elected Chief of State of West Java. He is expected to make significant speeches both here and at Bandoeng, indicating perhaps the future Dutch line in relations with the Republican regime.

Tokyo, March 4 (AP)—Nations that honestly need "living space" for overcrowded populations ought to have some way of getting it without plunging the world into war, the Rev. Father Edmund Walsh, S. J., told the Tokyo Industry Club.

He is vice president of Georgetown University, Washington, D.C., and heads the university's School of Foreign Service.

Threat To Mukden Eases Again As Outpost Is Recaptured

Peiping, March 4 (AP)—Improvement in the military situation around Mukden, isolated Manchurian citadel, was reported today. However, the Chinese Communists increased their pressure on Szepingkai, 100 miles to the northeast.

Chiang Kai-shek's forces reported recapture of the railway station at Simmin, 35 miles west of Mukden. Simmin is one of the key points in Mukden's defense system.

Boners in Japan Textbooks

"Asahi" Says "Pope Gory XIII" Is Listed in One Book

TOKYO, March 4 (AP).—Japan's post-war government has compiled schoolbooks full of mistakes, the newspaper "Asahi" said today.

One book, "Asahi" noted, named Pope Gregory XIII as "Pope Gory XIII." Another discussed Professor Kiyoshi Shiga, who isolated the dysentery germ, and said he died thirteen years ago. Professor Shiga, however, says: "I am still alive."

Japan's Arms Giants To Be Split Up

Tokyo—(AP)—Nine industrial giants which helped to arm Japan for war will be split into 58 companies under the Japanese Economic Decentralization law, says Kyodo News Agency.

Most of the concerns will be split into four of five companies, but the great Mitsubishi Heavy Industries company, one of the largest of them all, will be divided into 23, the agency reports.

Russia Returns 2 Tankers to U. S.

Yokohama, March 4 (A. P.).—Two more lend-lease tankers have been returned to the United States by Russia at a time of critical world shortage of such vessels.

The tankers are the former Swanee Rail and the Paul Dunbar, which were brought to Yokohama by Russian crews. American crews will be flown here to sail the ships to the Persian Gulf for oil to relieve the shortage along the United States East Coast. The first ship to be returned by the Soviet was delivered to an American crew in Hongkong last week.

14 Huks Killed In Fight

Manila, March 4 (AP)—Philippine Constabulary units today killed 14 and wounded 50 Hukbalahaps in the campaign against central Luzon strongholds of the armed, rebellious peasants. One constabularyman kidnapped February 29 was found dead.

U.S. Army Man Battles Filipinos, Escapes

Manila, March 4 (AP)—A running gun battle between a United States Army officer in a sedan and pursuing Filipinos in a jeep was reported by the United States Army today.

Four rounds were fired into the sedan, driven by Lieut. Paris D. Parks, Jr. Parks returned the fire, and one or more of his pursuers was believed wounded.

The army said the attack occurred on the outskirts of Manila Monday near the point where an American captain was wounded fatally last month resisting a holdup.

RICE WASTE IS STUDIED

U. N. Conference Is Told of Damage to World Crops

BAGUIO, the Philippines, March 4 (AP)—World farm experts studied today means of avoiding waste to make more rice available to Asia's millions. The United Nations World Rice Conference was told that 10 per cent of this year's crop would be unfit or unavailable for consumption because of insects, rodents and handling waste.

The conference production committee learned also that millions of acres of rice land in war-devastated countries were lying idle and would have to be reclaimed.

Burma's U Khin said his nation's huge rice export crop was stored in thatch warehouses and that the lack of metal roofing had caused losses from wind and rain.

Battleship Pennsylvania Scuttled Feb. 10; Famed Old Warship Sunk Near Kwajalein

PEARL HARBOR, March 4 (AP)—The battleship Pennsylvania, which fired more steel at the enemy than any other warship in history and survived both Bikini atomic bomb tests, was scuttled near Kwajalein Feb. 10, The Navy said today the Pennsylvania was a belated victim of an aerial torpedo that hit her Aug. 12, 1945, two days before the war ended.

Radioactivity absorbed at Bikini also figured in the decision to scuttle the veteran of Pearl Harbor and of fifteen offensives against the Japanese. The Navy said scrapping would have required decontamination, which would have cost more than it was worth.

At the same time, the Navy disclosed that the destroyer Trippe and the attack transport Banner, also Bikini guinea pigs, were scuttled Feb. 3 and Feb 16 because of "progressive deterioration."

All three were towed to Kwajalein lagoon after the Bikini tests of 1946. It was feared that they, like the former German cruiser Prinz Eugen, might sink there before long.

Last rites were informal for the 33,100-ton Pennsylvania after thirty-two years of hard service. The ship that once was home to 130 officers and 2,300 enlisted men had a crew of sixteen aboard as she was towed to sea. They opened the seacocks, removed condenser plates, then mustered on deck and boarded a tug.

Navy planes circled overhead during the two and one-half hours it took the Pennsylvania to sink stern first in half-mile deep water.

For a "monument" there remained Kwajalein, one of the many islands from the Aleutians to the Ryukyus that the "Pennsy" helped to win from the Japanese.

Completed in 1916, the Pennsylvania saw routine service in the Atlantic in the first World War and later was flagship of the United States Fleet. The Japanese caught her in drydock at Pearl Harbor Dec. 7, 1941. Repaired, she took the offensive against Attu in the Aleutians May 5, 1943.

In the next two years her twelve 14-inch guns and countless smaller weapons hurled more than 11,000,000 pounds of steel and explosive at the enemy. This, old Navy men said, was a record.

Gallant Pennsylvania Is Scuttled

Pearl Harbor, March 4 (AP)—The battleship Pennsylvania, survivor of the Pearl Harbor debacle and two atomic blasts, was scuttled near Kwajalein February 10, the Navy announced today.

"Damage received at Okinawa was mainly responsible for the Pennsylvania's unseaworthiness and not damage inflicted during the atomic bomb tests" at Bikini in July, 1946, the Navy said.

Two other warships, termed victims of "progressive deterioration," also were scuttled last month. They were the destroyer Trippe, sunk February 3, and the attack transport Banner, sunk February 16.

Could Not Stay Afloat

The Navy said the Pennsylvania could not have remained afloat much longer in Kwajalein lagoon. She was towed there after the Bikini atom tests. She was considered a possible menace to shipping if she sank in the lagoon, as did the Prinz Eugen. Both were guinea pigs of the Bikini tests.

The "Mighty P," as the Navy calls her, recovered from the Pearl Harbor attack to strike at the Japanese thirteen times with 11,000,000 pounds of steel—more than was fired by any other battleship in history.

Off Okinawa, 59 hours before the war ended, an aerial torpedo ripped the Pennsylvania's stern and killed twenty men.

Commissioned In 1915

She was commissioned March 16, 1915. She had a displacement of 33,000 tons and was 608 feet in length, with a beam of 106 feet 3 inches. She carried twelve 14-inch guns, sixteen 5-inchers and many smaller weapons.

This is how the Pennsylvania ended her days:

Sixteen sailors manned her on the last run. In her glory days, the Pennsylvania carried 130 officers and 2,300 enlisted men.

She rode ignominiously at the end of a tow hawser, her once-powerful engines silent. At the designated spot, the crew opened the seacocks, removed the condenser plates, scrambled to the deck and boarded a tug.

Three Ships Radioactive

Her stern dropped beneath the waves, but for 2½ hours the Pennsylvania resisted her fate while navy planes circled overhead. Then she slipped to her grave.

The Navy said the three ships sunk were radioactive to a degree they could not be used for scrap without extensive decontamination. They were so unseaworthy that they could not be towed to the United States mainland without danger of sinking.

The cost of decontamination, the Navy added, would far exceed any scrap value.

TROOPS ON MOVE IN GUATEMALA

Units Sent To Border In Dispute Over British Honduras

Guatemala, Guatemala, March 4 (AP)—Troop movements on both sides of the border were reported today as Guatemala's wrath against the British over possession of British Honduras mounted.

The Government said army units had been sent to the frontier adjoining British Honduras to prevent a possible British invasion.

Col. Alejandro Maldonado, Governor of Peten province, told the Government he received reports that about 1,500 British troops with field cannon had taken up positions in British Honduras at the Guatemalan border. He said he was en route to the border to verify the reports.

The Foreign Ministry and the army high command said they had ordered soldiers to the border "in view of the actual emergency precipitated by the disembarkment of British troops in our territory of Belize (British Honduras)."

Broadcasts Appeal

President Juan José Arevalo broadcast an appeal for all Guatemalans to unite against what he termed a British threat. He granted political amnesty to all Guatemalans abroad to return and oppose the British.

(Britain's) position in British Honduras is in any sense being illegally maintained."]

Arevalo said in his radio speech that the 21 American nations should take steps to end the colonial system in the Western Hemisphere. "Otherwise," he said, "inter-American pacts form hollow words."

The Education Ministry today banned the showing of British films throughout Guatemala. A group of university students asked cancellation of British programs heard over the Government radio system.

Canada's Border Shut to Alien Reds

Labor Leaders From U. S. Are Cabinet's Target

OTTAWA, March 4 (AP).—Canada has ordered its border police to stop any alien Communists who try to enter the country, a government informant said today.

The instructions were issued as the result of a Cabinet decision to move against Communists from other countries. The decision was said to be aimed particularly at Communists who are known to have been entering Canada from the United States in recent years as labor union officials.

The government informant said the immediate effect of the order is likely to be that undesirables will be told at the border by immigration officers that they cannot enter the country without stating their reasons. It was noted that the United States already has a similar practice.

Alien Communists already in Canada will probably not be ejected at present, the informant said, but their visas will not be renewed when they expire.

Wedemeyer Urges Armed China Aid

Washington, March 4 (AP)—The man who wrote the "secret report" on China, Lt. Gen. Albert C. Wedemeyer, said today this country should help in the fight against Chinese Communists.

Admits Differences

Wedemeyer, admitting "honest differences" with Secretary of State Marshall, thus lined up with General Douglas MacArthur. Their joint opinion to the House Foreign Affairs Committee:

Economic aid, as proposed by the Truman Administration, is not enough.

Wedemeyer told the committee that "we are going to pay in blood" if the spread of Communism is not halted. He said:

"I believe we should give military aid to all countries and all peoples whose policies and economic structures are compatible with our own and who are striving against totalitarian doctrines."

MacArthur cabled the committee from Tokyo yesterday that "one major frontier is no less important than another" in resisting "the assauts of political despotism."

And the general said China, whose Government is locked in a Civil War with Communist forces, is one of the major frontiers.

30.24- 16009

Comment Withheld

There was no offcial comment from the State Department on either general's testimony. Officials appeared to agree, however, with the general idea that economic help to countries fighting Communism should be backed up by guns and planes.

But Europe, they say, is the No. 1 battleground—hence the proposed $275,000,000 in military aid to Greece and Turkey but economic aid alone, $570,000,000 worth of it, for China.

Wedmeyer said he would hesitate to endorse the Chinese aid program unless there were military help to "protect" it.

He did not call for U.S. "participation" in the Chinese war "at this time," but said we should send equipment and competent advisers.

The committee later went into a closed session with Wedemeyer, who said he has been ordered by President Truman not to make public the report on China which he prepared after a first-hand survey last Summer.

Wedemeyer spoke highly of Generalissimo Chiang, whose chief of staff he once was. "He has the common people at heart," Wedemeyer said. But Chinese military leaders in "general don't seem to have organizational ability," said the general.

Does Not Favor U.S. Fighting, He Stresses

Washington, March 4 (AP)—Lieut. Gen. Albert C. Wedemeyer today proposed military aid for China.

"We are going to pay in blood" if proper steps are not taken by America to stop the spread of communism, Wedemeyer told the House Foreign Affairs Committee.

"I don't think dollars alone will stop the spread of communism anywhere," the one-time chief of staff to Generalissimo Chiang Kai-shek continued. The Administration has proposed $570,000,000 aid to China without military help.

Not "Military Participation"

He said that economic aid abroad should be backed up with military support. But Wedemeyer made plain he is talking about military aid and not military participation.

He said military aid means sending competent officers to advise in the use of weapons where a country has been given economic aid.

"I don't believe military participation is necessary at this time," he added at the committee hearing on the China-aid measure.

Wedemeyer said communism "is out to destroy everything we hold dear.

"I believe we should give military aid to all countries and all peoples whose policies and economic structures are compatible with our own and who are striving against totalitarian doctrines."

Concedes Differences

He acknowledged that he and Secretary of State Marshall have "honest differences" about military aid to China.

Representative Judd (R., Minn.) commented that he did not understand that Marshall opposes any military aid for China, but simply does not want such aid in the bill before the committee.

Judd told Wedemeyer there seems to be an effort to spread propaganda that the Chinese Government is unworthy and that the Communists are not associated with world communism, but are fighting peasants.

The Communists in China, Wedemeyer testified, "are Communists trying to further world communism."

Wedemeyer, who helped direct Chinese forces in the war with Japan, said economic aid alone "is a question of improving areas and then having opposing forces take them over. That is going on."

Has Confidence In Chiang

He voiced confidence in the Chinese Generalissimo, testifying: "I went to China prepared not to trust him. But I left admiring him. He has the common people at heart. He does not strut. He is not unwilling to make personal sacrifices."

Wedemeyer made an extensive survey in China last summer for President Truman. His findings never have been made public.

The General said Mr. Truman has given him orders not to discuss that report. Frequently he asked to be excused from answering specific questions for fear of disclosing secret information.

Decides On Closed Session

The committee then voted to hold a closed-door session, excluding newsmen and the public, at which Wedemeyer could speak more freely.

Wedemeyer said Chinese leaders are trying to make a way of life in keeping with American ideals.

Army leadership in China is not good, he said, because "they don't seem to have organizational ability."

But as for willingness of Chiang Kai-shek to co-operate, he recalled that one time "it looked like the Japanese would take us (the Chinese) out of the war."

"I asked the Generalissimo for permission to redispose Chinese troops. He did not hesitate. The situation was saved."

Another Plea For Aid

Walter Robertson, former economic counselor and minister at the American Embassy in Nanking, also urged prompt aid for China.

He testified that military aid in China "is vastly important," adding that "we must protect the economic aid we send in."

Robertson told the committee the big question is: "What would it be to America if China becomes dominated by Communists?"

Robertson, who said he no longer is in Government service, made three points:

1. The situation in China "is fraught with the greatest calamity to China and to us."

2. Two groups in China have political or military power. If we decide to work with China, we must choose between them. He says there is no question but that Chinese Communists are "controlled by Moscow."

3. Piece-meal aid without considering overall policy would be a negative approach.

Wedemeyer was asked if the Chinese Government alone has the ability to win the war against the Communists.

"No, sir, they don't," he replied flatly.

He said military aid could include equipment, training and advice.

Wedemeyer said $200,000,000 "would have helped China immeasurably" two years ago.

"But today," he added, "I don't think I would recommend $500,000,000 in aid to China unless there were military aid to protect that $500,000,000.

"This vast movement that has been so successful in Czechoslovakia, and probably in Finland, is sweeping down from the north. If we in America intend to put a stop to it, we can't do it by purely economic aid."

Only Economic Help Planned

The Administration's aid program proposes only economic help for China.

Representative Kee (R., W.Va.) brought out Wedemeyer's view about backing up economic aid with military power.

"Do you think it would be a part of wisdom for the United States at this time to embark on a policy of rendering military aid to the Chinese Government?" Kee asked.

Wedemeyer replied that "power vacuums" were created all over the world by the last war, making many countries helpless. He said he thinks the experience of history shows "we must protect our policies and interests all over the world."

Urges Careful Scrutiny

"I believe," he said, "we should give military aid to all countries and all peoples whose policies and economic structures are compatible with our own and who are striving against totalitarian doctrines."

Wedemeyer said aid should be "carefully scrutinized" to see that money is spent for what it was intended.

"We don't want to make rich Chinese richer," he said, "but the Chinese people are worthy of our help.

"I do not think we should create strength anywhere, economic or military, until we have the military forces to back it and the United Nations is equipped to maintain peace anywhere in the world," Wedemeyer said.

He was asked whether it would be wise to give China economic help now and military aid later if the "problem becomes very acute."

"Your idea is sound, sir," Wedemeyer replied, "but I'm afraid it's too late."

Two years ago, right after Japan's defeat, that would have been all right, he said. But since then, he added, forces opposing the Chinese Government have received more military strength.

CHINA TO GET 150 SURPLUS PLANES

MAR 9 1948

Washington, March 4 (A. P.).—One hundred and fifty United States Air Force transport planes are expected to be added to China's military aviation establishment by next August.

The planes are of the C-46 cargo type and were purchased by the Chinese Government from the War Assets Administration for $5,000 each after the craft had been declared surplus. They are said by the United States Air Force to have cost this country more than $200,000 each.

A Chinese aviation mission here has let contracts to two California aviation companies to rehabilitate the planes at an estimated cost of $4,000,000. The Slick Airways Company at Burbank has contracted to repair fifty of the transports and the Grand Central Airport at Glendale will handle the remaining 100. The craft are now at Walnut Ridge, Ark., where they have been standing for two or three years.

It is understood the Trans-Ocean Airlines of Oakland, Cal., has contracted with the Chinese to fly the transports to China after they have been reconditioned. The planes are to be taken to Shanghai.

The Chinese are understood to be negotiating with the United States to purchase additional surplus American planes.

HOUSE GROUP IS DENIED FILE ON CONDON

MAR 9 1948

Harriman Holds Loyalty Papers As Unit Plans Public 'Showdown'

Washington, March 4 (AP)—The Commerce Department refused tonight to turn over its loyalty check papers on Dr. Edward U. Condon and the House Un-American Activities Committee announced plans for a public "showdown."

Dr. Condon is the head of the National Bureau of Standards. He had been described by an un-American activities subcommittee Monday as an official who "knowingly or unknowingly" mingled with alleged Russian spies.

W. Averell Harriman, Secretary of Commerce, wrote the House group tonight that he would not accede to its demand for the files of a department board which cleared Dr. Condon in a loyalty check.

Harriman To Seek Review

Harriman did say that in view of the public interest in the matter "I believe that it would be desirable to have the case reviewed by the Loyalty Review Board of the Civil Service Commission."

He said he intends to ask for such a review and to send the board the "relevant papers."

Chairman J. Parnell Thomas (R., N.J.) said the House committee "now will hold public hearings on this case."

He said that "I am resolved to have a showdown."

"Secretary Harriman," he said, "hasn't got the courage to produce these records at this time. But he will produce them before we are through."

Agreed To Board's Finding

Harriman told the committee he "concurred" in the finding of his department's three-man loyalty board February 24 that "no reasonable grounds exist for believing that Dr. Condon is disloyal to the Government of the United States."

Harriman's letter said that to release the demanded file would "gravely prejudice . . . the very objectives which your own committee has been pursuing in protecting the United States against subversive elements."

He said the file "includes confidential reports and documents" received from other Government agencies. He said it includes names of persons who have furnished information "on the assurance that their action in so doing would not be disclosed."

Would Set Precedent

"If a precedent were to be set by releasing such a file it would be difficult, if not impossible, to assure persons from whom information is obtained in future cases . . . that they can rely upon the Government to protect the confidential nature or source of the information," the letter continued.

"As a consequence, many persons would be reluctant to give information, the discovery of disloyal employés would be made more difficult, and the effectiveness of the Government's loyalty program seriously jeopardized."

Representative Thomas is in New Jersey, recovering from a stomach ailment. His statement was issued through the committee here.

"This is just another example," he said, "where an agency of the Government is attempting to flaunt the Congress and if they think they are going to get away with it, they are mistaken."

To Call Condon, Harriman

Thomas did not say when hearings would be ordered. He did say that Condon, Harriman and Attorney General Tom C. Clark will be called to testify.

At that time, he said, Harriman again will be called on to produce the Commerce Department file and Clark to produce "all the files and investigations of the FBI on the Condon matter."

And before the hearings are over, the chairman said, "there will be other names of Government officials whose records of Communist affiliation and association will be brought to public attention."

"What Have They To Hide?"

"The refusal of the Commerce Department to turn over the records in the Condon case," Thomas said, "is definite proof that there is something they don't want the Congress and the people to see. What have they to hide?

"Considering the vital position Dr. Condon holds in respect to our security, there should be nothing about his background or associations which should be kept confidential from the public."

Harriman wrote:

"I am advised by the Attorney General that . . . the executive branch is not, as a matter of law, required to furnish information of this kind to a congressional committee. . . .

Rule Set By Washington

"This rule has been established since the time of President Washington, who declined to comply with a congressional request to forward certain documents in the custody of the executive branch of the Government."

Dr. Condon earlier had asked the Senate-House Atomic Committee to run a test of his loyalty and "put an end to public smears on scientists."

Condon directed his request for an investigation to Senator Bourke B. Hickenlooper (R., Iowa), chairman of the Joint Congressional Committee on Atomic Energy. Condon formerly was the committee's technical adviser.

Nation's Scientific Life Involved

That committee, carefully chosen to handle delicate and important matters vital to national security, contains some of the most seasoned members of the Senate and House.

Hickenlooper said Condon's letter will be discussed at the committee's next meeting, probably next week. Meanwhile he declined to comment on the request for an investigation.

There were indications, though, that the committee may call for the records of an FBI investigation of Condon, to learn if the Standards Bureau chief had anything to do with recent atomic developments.

May Not Go Into Case

Committee members said they doubt the group will go into the Condon case if they decide it does not touch directly on the atomic energy field.

Declaring that "the whole scientific life of the nation is involved," Condon wrote Hickenlooper:

"I would hope that an investigation by your committee would result in restoring conditions in which men of intelligence would be willing to work for their Government and will not be constantly harassed and harried by irresponsible attacks on their character."

Target Of Espionage Agents

At 46, Condon heads the Federal Government's principal agency for fundamental research in physics, chemistry and engineering. It also is in charge of national standards of physical measurement, and strives to improve methods of testing materials and equipment. It has fourteen technical divisions, including one concerned with atomic physics.

The Un-American Activities subcommittee declared that its string of laboratories has become "the target of espionage agents" of numerous foreign powers. It called Condon "one of the weakest links in our atomic security."

The scientist cracked back that the country has nothing to worry about "because I'm absolutely reliable."

Says He Has Been Cleared

He told Hicklenlooper that he has been investigated and reinvestigated and —so far as he knows—has been "uniformly cleared." He said he isn't worried about the subcommittee's "insinuations" concerning his own loyalty, but nevertheless is deeply concerned over the effect on other scientists in Government.

Low salaries, budget troubles and administrative details are bad enough, he said, "but in addition there has been a mounting tension of threats of purges, spy-ring exposures, publicity attacks and sudden dismissals without hearings."

There must be an end to smears on scientists in and out of government, he said, "in order not to throttle the scientific research which is so important to the material side of our civilization."

Condon Asks Probe To End 'Smears On Scientists'

MAR 5 1948

Washington, March 4 (AP)—Dr. Edward U. Condon, under fire from the House Un-American Activities Committee, asked today for a congressional investigation to "put an end to public smears on scientists in and out of Government."

Condon made his request in a letter to Senator Hickenlooper (R., Iowa), chairman of the Senate-House Atomic Energy Committee. Members of the committee reported Condon's letter

DAY

At the Commerce Department, meantime, it was learned that Secretary Harriman has asked Attorney General Clark's advice on whether he should give the Un-American Activities Committee his files on the department's investigation of Condon. The House group demanded them after releasing a subcommittee's report saying Condon has associated "knowingly or unknowingly" with suspected Russian spies.

Asks For Investigation

Condon is head of the Federal Bureau of Standards.

Condon wrote Hickenlooper:

"I would hope that an investigation by your committee would result in restoring conditions in which men of intelligence would be willing to work for their Government and will not be constantly harassed and harried by irresponsible attacks on their character."

He said the issue is larger than appears on the surface. He said there is difficulty in getting able scientists to work for the Government, and that "the whole scientific life of the nation is involved."

Not Personally Concerned

Condon formerly was an adviser to the Atomic Energy Committee.

He said he is not concerned how he personally is affected by the Un-American Activities Committee's "insinuations about my loyalty and charges of untrustworthiness."

Like other Government scientists, he said, he has been investigated and reinvestigated by Government agencies. As far as he knows, he has been "uniformly cleared."

But Condon said he is concerned over the whole situation.

New Difficulties Added

He said it is hard to keep scientists in Government work because of low salaries, budget troubles and administrative detail. Then he added:

"But, in addition to that, there has been a mounting tension of threats of purges, spy-ring exposures, publicity attacks, and sudden dismissals without hearings."

After every war, Condon wrote, it has been said the victors adopt the vices of the vanquished.

"I am sincerely concerned," he added, "that we are on the point of doing that in the matter of how we deal with scientists in Government."

Aides said Harriman, just back from a vacation, is going into all phases of the situation raised by the House Un-American Activities Committee's demand for the files. One question is whether Congress has a right to demand an executive agency's confidential papers concerning an employé's character.

Ordered By Truman

Harriman's associates said the Secretary is receiving a large number of telegrams from scientists, calling on him to support Condon.

The "loyalty files" are papers the Government has been gathering on all its employés as a result of an order from President Truman in March of last year.

Mr. Truman ordered an investigation of the loyalty of every Government worker. Each Government agency set up a "loyalty board" to look over what information was dug up.

Aides said that whether or not he decides to surrender the files, Harriman will send John L. Towne, secretary of the Commerce Department loyalty board, before the committee tomorrow morning.

A committee subpoena was served upon Towne yesterday. It called on him to surrender the files.

U.S., Russia And News

APR 1948

Washington, March 4 (AP)—A State Department official said today the United States faces a head-on clash with Soviet Russia in trying to frame an international agreement on freedom of information.

Lloyd A. Free predicted that Russia, at this month's United Nations conference at Geneva, will oppose removal of barriers to free flow of news and other information.

Free is in charge of American preparations for the conference, called for March 23 to draft a declaration for adoption by the United Nations.

150 Organizations

He spoke to representatives of some 150 private organizations and Government officials who gathered at the State Department to discuss the subject.

"The Soviet Union feels removal of barriers will chiefly benefit the United States," he said. "Russia can carry on its propaganda most effectively through local Communist parties.

NIGHT

"We want to get away from Government control of information. Russia wants to put control at the disposal of the 'broad masses of the people,' which is another way of saying Government control."

Talks Held "Off The Record"

The afternoon session of today's "Freedom of Information" conference was held "off the record"—at the request, the State Department said, of some of the organizations.

Reporters were welcome to attend, the department said, so long as they refrained from reporting. Earlier, Mrs. Franklin D. Roosevelt said Russia, at last year's Geneva session on a United Nations declaration of human right, "never missed a chance" to criticize racial relations in the United States.

She added, however, that the Russian representative's active interest in framing the declaration was "encouraging."

"Trend Is Downward"

Free asserted that "without freedom of information no other human right can be secure." In the background of the American preparations, he said, there is the aim of preventing a repetition of "what has just taken place in Czechoslovakia."

"The situation on freedom of information is worse than at any recent time, except during the war, and the trend is downward," Free told the conference.

He advised that the United States delegation take the offensive from the start and hammer at the idea that the world's people have the right to be informed.

MRS. LAMARRE SAYS SHE TOOK JOB FOR RAISE

APR 1948

Testifies About Transfer To Become Secretary To Meyers

Washington, March 4 (AP)—Mrs. Bleriot H. Lamarre said today she became private secretary to Maj. Gen. Bennett E. Meyers to get a $180 Government pay raise.

The attractive wife of the Government's main witness at Meyers's trial was called to the stand only a few minutes before court recessed for the day.

The General, who was wartime deputy purchasing chief of the Air Forces, is charged with inducing Bleriot H. Lamarre, a former business associate, to lie at a Senate investigation last fall about Meyers's money deals.

Worked At Wright Field

Meyers told the Senate inquiry that Mrs. Lamarre had been his "girl friend" and Lamarre knew it. This statement, denied by the Lamarres, was the explanation given by Meyers for his connection with the Aviation Electric Company, plane parts firm of Dayton, Ohio.

General Meyers contended then that he set up Aviation Electric as a business for Lamarre, a 36-year-old Dayton accountant.

Mrs. Lamarre testified today that she transferred from a job in the personnel section at Wright Field, near Dayton, because it meant getting $180 more a year Government salary as private secretary to Meyers, then an Air Forces major. That was in 1938.

NIGHT

Paid Train Ticket And Meals

Early in 1939 Meyers got Lamarre a plane factory job in California. Mrs. Lamarre said that after three months apart from her husband, she quit her job with General Meyers and joined Lamarre on the West Coast.

"Meyers asked me when I was leaving and I gave him the approximate date," Mrs. Lamarre said. "He said as a sort of a farewell gift he would buy my train ticket."

Besides the ticket, the pretty, dark-haired woman recalled, Meyers also arranged to pay for her meals en route.

"Kick Back" Alleged

"When I went into the diner, the waiter told me I couldn't pay—that General Meyers had arranged to pay for my meals," she said.

The couple later returned from California. Lamarre has testified, so he could become the "dummy" president of Aviation Electric. Lamarre said he and his wife's brother, Thomas E. Readnower, drew fat salaries from the firm, as president and vice president.

Both Lamarre and Readnower say, however, that they "kicked back" most of their pay to General Meyers, a total of approximately $150,000. Then, they said, Meyers asked them to tell Senate investigators they had kept all the money.

Defense Loses Meyers Trial Delay Plea

MAR 9 1948

Washington, March 4 (AP)—Attorneys for Maj. Gen. Bennett E. Meyers failed today in an effort to get a two-week recess in his Federal court trial.

Judge Alexander Holtzoff denied the motion. He ruled that once a trial jury begins hearing the case no temporary adjournment is allowed.

Meyers is being tried on charges that he persuaded Bleriot H. Lamarre to lie at a Senate inquiry last fall into the general's wartime business deals.

Lamarre has estified that he falsely denied to Senators on Meyers's instructions that Meyers received $150,000 in wartime profits from the Aviation Electric Company, plane parts grm, at Dayton, Ohio.

Mrs. Lamarre Next

Thomas E. Readnower, who was vice president of Aviation Electric, was on the witness stand when the motion for a delay was made.

Government attorneys said Lamarre's wife, Mildred, would be the next witnes. She was a sister of Readnower. Meyers has contended that she once was his "girl friend," but she has denied this.

On the motion for a delay, the defense contended that the Government was withholding some records. Prosecuting attorneys insisted that the records have been available to the defense for some time.

Russell Hardy, one of Meyers's lawyers, then asked for two weeks to inspect fourteen cartons of records now in the United States attorney's office.

Records Questioned

The defense began an attempt to show, through questioning, that only Lamarre, his friends and members of his family wrote up Aviation Electric records and controlled its funds.

Readnower said he and Lamarre kept most of the firm's records and Readnower's wife, as a company clerk, helped them.

Closely questioned by the defense, Readnower could not remember many details about an occasion when he said he gave $7,000 in cash to Meyers on a Washington visit.

'VOICE' FUND RISE BARRED

House Accepts Appropriations Group's $28,000,000 Figure

WASHINGTON, March 4 (AP)—The House refused today to increase from $28,000,000 to $34,382,000 an appropriation for the State Department's Voice of America short-wave broadcasts and information programs.

For the year beginning July 1, Representative J. Vaughan Gary of Virginia urged the increase. He said the State Department should have all it asked for "international information and educational activities."

Representative Karl Stefan, Republican, of Nebraska, said $28,000,000 was as much as the department could spend "economically and efficiently."

The House also rejected amendments offered by Mr. Gary to add $6,165,830 more for salaries than the Appropriations Committee recommended.

Mrs. Roosevelt Reports on Reds

MAR 9 1948

Says They Never Missed Chance to Assail U. S. on Race Issue in Framing Human Rights Draft.

Washington, March 4 (A. P.).—Mrs. Eleanor Roosevelt said today that Soviet Russia never missed a chance to criticize the United States for racial discrimination during the drafting of a United Nations declaration on human rights.

She reported at the State Department on last year's international meeting at Geneva to write the declaration.

Russia also created difficulties at Geneva for the United States and other nations, Mrs. Roosevelt said, by insisting that the draft cover economic and social rights. As the sole employer of labor in Russia, the Soviet Union is able to pledge economic rights for individuals which democratic, capitalistic governments cannot gaurantee, she said.

Nevertheless, she described Russia's active interest in drafting the declaration as encouraging, even though the Soviet delegate, on instructions from Moscow, did not vote.

Mrs. Roosevelt represented the United States at Geneva as the American delegate to the Commission on Human Rights.

She spoke at a State Department meeting of representatives of some 150 American private organizations and Government officials who submitted views on the human rights draft and on a proposed declaration on freedom of information.

The information declaration is to be taken up at another Geneva meeting on March 23.

Garner Quoted As Believing F.D.R. Not Best War Leader

MAR 9 1948

Washington, March 4 (AP)—John Nance Garner not only opposed a third term on principle, but also because he did not believe President Roosevelt would make the best war leader, his biographer says.

Bascom N. Timmons in an article in *Collier's* magazine says the Texan feared the President's "desire to do everything in directing efforts both on the military and civilian fronts might be a definite handicap."

He also quoted the two-term Vice President as saying that "Roosevelt would have run as long as he lived and was in office."

"He Was Ambitious"

"He was ambitious," Garner said. "He wanted history to record him as the man who served longest in the presidency. He was afraid someone would undo his work.

"But I think he would have had a better record . . . if he had not run for a third term."

Garner wouldn't have been a third-term running mate with Roosevelt even if the President had asked him to, Timmons says.

Many thought Garner retired from public life in a huff, and sulked on his Uvalde ranch because Roosevelt chose Wallace in 1940.

Ruled Himself Out

But Timmons says Garner specifically ruled himself out at the Chicago convention that year. He was dead against a third term for Roosevelt or for himself.

The Texan asked Timmons to serve as his proxy at the convention, and as his spokesman if the occasion arose.

"It was understood . . . that I was to tell the convention that Mr. Garner would not take the vice presidency under any circumstances," Timmons says.

"But no action was necessary. The bewildered delegates waited around until Roosevelt named Henry Wallace as his choice. They came near rebelling, but finally accepted the decision."

U.S. Considering Draft-All Plan

Washington, March 4 (AP)—Maj. Gen. Lewis B. Hershey told a Senate Appropriations subcommittee today that if another war comes the Government may draft women and children along with the men and boys.

Hershey, selective service director of World War II, said plans along this line are already under study.

He asked the subcommittee to restore $718,300 in "planning and training funds" for the Office of Selective Service Records, which he now heads.

Questioned about an overall draft of all persons for any future war by Senator Green (D., R.I.), Hershey said:

"It's a breath-taking idea. We have had almost no experience on trying to control everybody."

SAYS STATE DEPT. HAS 14 REDS IN IT

Washington, March 4 (A. P.).—Representative Taber (R.-N. Y.) told the House today that there are at the very least fourteen Communists working for the State Department. A little later he said thirteen cases of suspected Communists were being investigated.

His remarks came during debate on State Department appropriations. There was no immediate clarification of them.

Taber is chairman of the Appropriations Committee. He said committee agents have been studying the department's personnel records and have found that Communists are on the pay roll.

Representative Judd (R.-Minn.) said that a House expenditures sub-committee has secret information showing the presence in the State Department of employees whose loyalty is highly questionable. Disclosure of the information, he said, would be "shocking."

SENATOR SMITH BACKS AID PLAN

MAR 9 1948

Jersey Legislator Warns Against Division Here.

Washington, March 4 (A. P.).—Senator Smith (R.-N. J.) told the Senate today that any "selfish division" among American people over aiding western Europe will be a signal for Communism "to move in and take over."

He spoke as the Senate began its fourth day of debate on the Marshall plan. Smith said he supports the program "with confidence and with enthusiasm." He said that the United States ought to proceed under a "bi-partisan and all-American foreign policy."

"Let us bear in mind that this is a war of ideas and the democratic system is on trial," he said.

"Communism waits for our economic system to break down. Our inability through selfish division at home to aid in the rehabilitation of Europe at this critical moment will be the signal for Communism to move in and take over.

"There can be no distinction between Republicans and Democrats when we are thinking in these terms.

"If we can have an American bi-partisan foreign policy which is understood by the world, we can remove the fear for the future that other nations might have if they felt that a change in administration might mean a change in that policy."

Langer Demands Pacts.

Senator Langer (R.-N. D.) demanded that the administration make available all written decisions of the Big Three at secret wartime conferences. Great Britain, Russia and the United States constituted the Big Three.

"In the files of the Secretary of the combined chiefs of staff will [illegible] the answers to the mysteries of all of the negotiations from Casablanca to Potsdam," Langer said.

The combined chiefs of staff was set up during world war II and is composed of top United States and British military leaders.

Langer told the Senate that "as yet we do not even know the full text of the agreements which have set the course for the chaotic condition the world finds itself in today."

William Green, president of the American Federation of Labor, made public telegrams to Senator Vandenberg (R.-Mich.) and Representative Eaton (R.-N. J.), who head the Senate and House Foreign Affairs committees, urging that European aid be voted quickly. Green opposed combining Chinese and Greek-Turkish aid measures with the European recovery bill as proposed by Eaton's committee.

Conferees Favor More Money For On-job Trainees

Washington, March 4—(AP)—More money for veterans taking on-the-job training was agreed upon today by Senate and House conferees.

They fixed ceilings of $210 a month for veterans with no dependents, $270 for those with one dependent and $290 for those with two or more.

The ceiling is on the combined income of the veteran. For example, a veteran with no dependents, who is paid less than $210 a month by his employer, would be entitled to a subsistence allowance from the Veterans Administration. However, his combined wages and allowance could not exceed $210.

Today's agreement is subject to approval by both houses. Chairman Rogers (R-Mass) of the House Veterans Affairs Committee said a House vote will be taken Monday. The legislation would go into effect April 1.

Under present legislation, subsistance payments to on-the job trainees could not exceed $65 a month for veterans having no dependents, and $90 for those with dependents.

Veterans still would be limited to two years of one-the-job training. Overtime pay would not be included in computing eligibility for subsistence allowances.

Veterans taking on-the-farm training and going to school part of the time would share in the subsistence increases voted last month for full time college students.

G-Men Claim 'Identical Prices' On Steel Quoted

Washington, March 4—(AP)—Federal investigators said today steel companies have been quoting "identical prices" to government agencies.

Robert E. Freer, chairman of the Federal Trade Commission, told a Senate appropriations subcommittee that FTC hearings on this will open here next Monday.

An investigation is being made of recent steel price increases to determine their effect on inflation. Also under investigation are possible anti-trust law violations.

Freer said the evidence was found in a general probe by the trade commission into steel prices.

He made his statement when Senator O'Mahoney (D-Wyo) asked whether it wasn't true that "Tennessee Valley Authority and the navy were required to pay identical prices from whatever source steel products were purchased."

Freer said yes, but asked to be excused from further comment until the hearing opens.

The trade commission is one of the government's "anti-monopoly" or "trust busting" agencies. Among other things, it is directed to prevent unfair competition and improper trade practices.

Freer said the Monday hearing will not take up the recent price increases in steel. These price hikes were investigated earlier this week at a Senate hearing.

U. S. Steel said then that the $5 a ton increase in semi-finished steel has been "grossly exaggerated" in its possible influence on spiraling prices.

Today Senator Flanders (R-Vt) issued a statement saying U. S. Steel "tells the truth but not the whole truth."

He said that besides the increases on semi-finished steel, the company made increases on other products accounting for about 15 per cent of its output. These raises averaged $6 a ton, he said.

Additional Price Hikes Charged To U.S. Steel

MAR 9 1948

Washington, March 4 (AP)—Senator Flanders (R., Vt.) said today that United States Steel "tells the truth but not the whole truth" in its public statements about its recent price increases.

He said that United States Steel claims the effects of its price increases of $5 a ton on "semi-finished steel" have been "grossly exaggerated"; that semi-finished steel "constitutes only ten per cent of our total steel shipments."

This was listed as a "fact" in a full-page advertisement by the steel corporation in today's New York *Times*.

Other Increases Admitted

Flanders said the joint congressional Economic Committee learned from steel corporation officials Tuesday that, in addition to the $5 increase on semi-finished steel, United States Steel "made at the same time other increases for an additional 15 per cent of the corporation's output, which averaged around $6 a ton."

Flanders also said the corporation contends that "United States Steel is a victim of inflation and not the cause of it."

On this the Senator said:

"In my judgment, it is both a victim and a cause to the same extent; no less and no more than is the labor union with which it collectively bargains."

SUPPLY IN FABRICS BALANCES DEMAND

Cotton Textile Industry Needs No 'Agreement' Now, Says Commerce Department

WASHINGTON, March 4 (AP)—The Department of Commerce found today that the supply of many types of cotton fabrics is "clearly in balance with demand." Therefore, the department said, the cotton textile industry will not be asked now for a voluntary agreement to parcel out primary fabrics or unfinished goods.

The decision was reached after talks with executives of four cotton textile manufacturing and marketing associations. It is the first time a decision has been reached not to ask an industry for a voluntary allocation agreement. The agreements are permitted, if needed, under the Republican anti-inflation bill.

Such voluntary allotment programs are being sought now for steel, freight car, farm machinery and other industries.

The department said some factors may change the situation with regard to cotton textiles. These include cotton needs under the European Recovery Program, now before Congress.

The department reported this situation in cotton textiles:

The industry is expanding production of cotton goods in short supply.

There were improvements in 1947 production of narrow sheeting, print cloth yarn fabric, colored yarn cotton goods, wide cotton fabrics, napped fabrics and other materials.

Textile executives who met with John C. Virden, the department's Director of Industry Cooperation, were: Claudius T. Murchison, Cotton Textile Institute, Inc.; W. Ray Bell, Association of Cotton Textile Merchants; Russell T. Fisher, National Association of Cotton Manufacturers, and William P. Jacobs, American Cotton Manufacturers.

Truman Criticized

Washington, March 4 (AP)—Representative Clevenger (R., Ohio) told the House that President Truman "flagrantly flaunts his fanny in the Florida sand" despite the "sad state" of the nation.

In a speech printed in today's *Congressional Record*, Clevenger recounted the nation's problems and asked:

"Is the little man in the White House worried?"

"Not at all," Clevenger went on. "He just lies in the sun . . . waiting for the icicles to melt off his new balcony."

Vodka Flows As Soviets Open Progress Exhibit In New York

New York, March 4 (AP)—The Soviet Union tonight opened its first large-scale exhibition in this country since the war. At the same time the Soviet Ambassador, Alexander Panyushkin, made his first public appearance in the city.

A last-minute guest at the Ambassador's cocktail party—where vodka and caviar aplenty lined up alongside the more commonplace manhattans and martinis—was Andrei Gromyko, chief Soviet delegate to the United Nations.

Also present were the consuls general of Czechoslovakia, Finland, Sweden and Poland; a representative of the Indian United Nations delegation; Jo Davidson, sculptor; Dr. Howard E. Wilson, associate director of the Carnegie Endowment; the Rev. Howard Melish, chairman of the National Council for American Soviet Friendship, and Mr. and Mrs. Corliss Lamont.

30 Pickets Also There

Uninvited guests were 30 pickets outside the Rockefeller Center Museum of Science and Industry who said they were Lithuanian political refugees.

They broke up their picket line after a half-hour of carrying signs reading: "We protest the Soviet exhibit of lies."

Most of the exhibit consisted of huge placards showing Soviet progress in the last 30 years—in industry, culture and education.

On most of the charts the lines went nearly straight up—starting from nothing or next to nothing. There was one exception. The chart on unemployment, 1915 to 1948, started at 1,500,000 and went down to zero.

Oil Paintings Shown

Visitors to the exhibit, to be open all this month, also will see oil paintings by leading Soviet artists, rugs, lacework and other handicraft and displays of the ore, furs and other products of Russia.

Scores of pictures show Soviet workers who have won Stalin prizes, who have doubled their output, young women who run collective farms or head medical centers and peasants and workers from every area and racial group in the Soviet Union.

Commissioner Resigns After Passport Probes

Philadelphia, March 4 (AP)—Norman J. Griffin resigned his post as United States Commissioner suddenly today in the wake of State Department investigation of alleged Chinese passport frauds.

The 43-year-old commissioner, named in 1940, turned in a written resignation after being questioned privately by three United States district court judges.

The jurists accepted the resignation immediately.

Colleges Will Train Europe's Teachers

260 American Institutions Join in Program

TEMPE, Ariz., March 4 (AP).—A plan under which 260 American colleges will accept students from countries devastated by the war for a year of training as teachers was announced today by Dr. Grady Gammage, president of Arizona State College.

Dr. Gammage was recently appointed chairman of the committee for international teacher education of the National Association of Colleges for Teacher Education.

Dr. Gammage said the year of study would be "a potent factor in establishing democratic ideas." Arizona State will take the lead by offering a year's scholarship to a German student.

The cost of transportation and tuition for each student is estimated at $600. Dr. Gammage said the Rockefeller Foundation of New York had expressed interest in financial sponsorship of the program.

West Europe's Fall To Reds In A Year Feared

San Francisco, March 4 (AP)—John T. Kmetz, Assistant Secretary of Labor, said today that unless the Marshall plan is applied quickly all of western Europe will be under Communist domination within a year.

Here for an observance of the thirty-fifth anniversary of the Department of Labor, Kmetz said in an interview:

"If the Marshall plan is not put into quick operation, it is bound to be this way if the Russians maintain their momentum.

"A few days ago it was Czechoslovakia. A few days from now it will be Finland. The preliminary operation is already under way in Norway. Then what happens to Sweden? How long would she be able to stand that kind of pressure?"

WITH BRUSSELS

LONDON, MARCH 4 (AP)—BRITAIN AND FRANCE PLEDGED AGAIN TODAY THEIR DETERMINATION TO BIND THE "GOOD NEIGHBORS" OF WESTERN EUROPE TOGETHER FOR MUTUAL DEFENSE.

ERNEST BEVIN, BRITISH FOREIGN SECRETARY, AND GEORGES BIDAULT, FRENCH FOREIGN MINISTER, EXCHANGED LETTERS, PLEADING FOR A WESTERN EUROPEAN UNION, ON THE FIRST ANNIVERSARY OF THE DUNKERQUE PACT.

THE BRITISH-FRENCH TREATY, SIGNED AT DUNKERQUE, CONTAINS GUARANTEES OF MUTUAL ASSISTANCE IN CASE OF GERMAN AGGRESSION. THE EXCHANGE OF LETTERS COINCIDED WITH THE OPENING OF FIVE POWER TALKS IN BRUSSELS, BELGIUM, ON A WESTERN EUROPEAN UNION.

SIMULTANEOUSLY, THE FOREIGN MINISTERS' DEPUTIES OF BRITAIN, FRANCE AND THE UNITED STATES, MEETING WITH RUSSIAN DEPUTIES IN LONDON, DECIDED TO TRY TO PERSUADE RUSSIA TO REDUCE ITS PRICE FOR AN AUSTRIAN PEACE SETTLEMENT.

THE WESTERN DEPUTIES SUGGESTED A POSSIBLE COMPROMISE ON RUSSIA'S CLAIMS ON AUSTRIA FOR $200,000,000 (M) WITHIN TWO YEARS, TWO-THIRDS OF AUSTRIA'S OIL PRODUCTION AND CONTROL OF THE DANUBE SHIPPING COMPANY.

30.24- 16013

THE RUSSIAN DELEGATION DID NOT GIVE AN ANSWER.

FRANCE HAS SUGGESTED A SETTLEMENT FOR ABOUT HALF THE AMOUNT RUSSIA WANTS. BRITAIN HAS OFFERED AN EVEN LOWER FIGURE. THE UNITED STATES, WHILE TERMING THE SOVIET CLAIM TOO HIGH, HAS NOT PUT FORWARD A FIGURE OF ITS OWN.

BEVIN'S LETTER TO BIDAULT SAID THE DUNKERQUE TREATY HAS BECOME "EVEN MORE NECESSARY TO THE PEACE AND STABILITY OF EUROPE."

BIDAULT REPLIED THAT BRITAIN AND FRANCE "MUST BUILD UP SUCH A UNION OF THE FREE COUNTRIES OF EUROPE, AND IN THE FIRST PLACE OF WESTERN EUROPE, AS MAY CONSTITUTE AN EXPRESSION OF OUR FAITH IN THE MORAL VALUES WHICH HAVE BEEN THROUGHOUT HISTORY THE RAISON D'ETRE OF OUR TWO PEOPLES AND THEIR NEIGHBORS."

NIGHT LEAD GOLD COAST (250)

LONDON, MARCH 4-(AP)-TWO WEST AFRICAN GROUPS DEMANDED TODAY THAT BRITAIN'S GOLD COAST COLONY BE GRANTED IMMEDIATE SELF GOVERNMENT. DURING THE PAST FEW DAYS THE COLONY HAS BEEN SWEPT BY RIOTS IN WHICH 25 PERSONS WERE REPORTED KILLED.

A JOINT STATEMENT ISSUED TO A NEWS CONFERENCE BY THE WEST AFRICAN STUDENT'S UNION AND THE WEST AFRICAN NATIONAL SECRETARIAT CONTAINED THE DEMAND FOR SELF GOVERNMENT. THE SECRETARIAT IS MADE UP OF WEST AFRICAN NATIONALS IN LONDON.

REFERRING TO THE DISORDERS WHICH BEGAN LAST SATURDAY THE STATEMENT ACCUSED POLIC OF FIRING ON "UNARMED AND DEFENSELESS MEN."

"IN VIEW OF THESE CIRCUMSTANCES," THE STATEMENT CONTINUED, "THE PEOPLE OF THE GOLD COAST RIGHTLY DEMAND IMMEDIATE SELF GOVERNMENT, CONVENING OF A CONSTITUENT ASSEMBLY TO FORMULATE PLANS FOR EFFECTING TRANSFER OF POWER AND THE RECALL OF THE GOVERNOR."

THE BRITISH SLOOPS ACTAEON AND NEREIDE ARE STEAMING TOWARD ACCRA, THE GOLD COAST CAPITAL, FROM SIMONSTOWN, SOUTH AFRICA.

THE COLONIAL OFFICE SAID QUIET HAS BEEN RESTORED IN THE COLONY AFTER THE DISORDERS SPREAD FROM ACCRA TO SEVERAL OTHER TOWNS.

A BRITISH GOVERNMENT STATEMENT IN THE HOUSE OF COMMONS MONDAY ATTRIBUTED THE RIOTING TO COMMUNIST INCITEMENT.

THIS CHARGE "WAS ENTIRELY FALSE AND COMPLETELY MISLEADING" SAID K.A.B. JONES QUARTEY, EDITOR OF THE WEST AFRICAN STUDENT'S UNION MAGAZINE.

ACCORDING TO THE COLONIAL OFFICE, THE DISORDERS WERE TOUCHED OFF WHEN THE EX-SERVICEMEN'S UNION, A MINORITY GROUP OF VETERANS, LEFT A PRESCRIBED ROUTE OF MARCH IN ACCRA AND CONVERGED ON THE RESIDENCE OF THE GOVERNOR, SIR GERALD CREASY, TO PRESENT A PETITION. THE NATURE OF THE PETITION HAS NOT BEEN DISCLOSED. SHOTS WERE FIRED, THE COLONIAL OFFICE SAID, AFTER POLICE ATTEMPTED TO DIVERT OR STOP THE RIOTERS.

THIS PROMPTED A DENIAL FROM J. CHEEVER COWDIN, CHAIRMAN OF THE UNIVERSAL BOARD, AND NATE BLUMBERG, ITS PRESIDENT, WHO ARE IN LONDON FOR CONFERENCE WITH MEMBERS OF THE J.ARTHUR RANK ORGANIZATION.

A PARTING HOPE OF SUCCESS FOR JOHNSTON'S TALKS WITH BRITISH LEADERS WAS EXPRESSED TONIGHT BY RANK, WHO SAILS TOMORROW ON THE QUEEN ELIZABETH FOR THE UNITED STATES.

"WE WANT THEM TO SUCCEED," HE SAID, "BECAUSE A SETTLEMENT WILL ENCOURAGE WORLD DISTRIBUTION OF OUR PICTURES AND BECAUSE RESTRICTIONS ON A REASONABLY FREE FLOW OF FILMS ARE BAD FOR EVERYBODY."

"THOUGH WE ALL HOPE TO SEE A HAPPY SETTLEMENT SO THAT WE CAN SCREEN THE BEST PICTURES OF ALL COUNTRIES," HE ADDED, "OUR THEATERS WILL STAY OPEN--AND STAY BUSY. PEOPLE WHO SAYS THAT THE WHOLE OF THE BRITISH FILM INDUSTRY IS IN BAD SHAPE ARE TALKING NONSENSE."

SYRIA IS AGAINST PARTITION IN ANY FORM; BRITAIN HAS ANNOUNCED SHE WILL ABSTAIN. THUS THE U.S. ON THE BASIS OF DECLARED POSITIONS TAKEN BY FIVE DELEGATES CANNOT OBTAIN THE REQUIRED MAJORITY OF SEVEN MEMBERS IN THE 11-NATION COUNCIL.

HANOVER,N.H.,MARCH 4-(AP)-HAROLD E.STASSEN SAYS THE AMERICAN POSITIO IN PALESTINE IS "VERY WEAK."

THE REPUBLICAN PRESIDENTIAL ASPIRANT TOLD A RALLY IN BERLIN LAST NIGHT THAT HE DID NOT SEE ANY WAY THE UNITED STATES COULD ACT EXCEPT THROUGH THE UNITED NATIONS.

"IT WOULD BE DEFINITELY WRONG," HE ADDED, "IF THIS COUNTRY DID ANY-THING ALONE."

HE SAID, HOWEVER, THAT AMERICA SHOULD TAKE THE LEADERSHIP IN SEEING THAT THE U.N. PARTITION DECISION IS CARRIED OUT.

ONCE AGAIN HE PROPOSED A U.N. POLICE FORCE WITH THE UNITED STATES SUPPLYING ITS SHARE OF TROOPS FOR KEEPING ORDER IN THE HOLY LAND.

STASSEN'S COMMENT ON PALESTINE CAME AFTER HE DEMANDED THAT PRESIDENT TRUMAN PERSONALLY INTERVENE TO STOP STEEL PRICES FROM RISING.

BARNSTORMING THROUGH NEW HAMPSHIRE IN A LAST MINUTE BID FOR SUPPORT IN THE STATE'S MARCH 9 PRESIDENTIAL PRIMARY, STASSEN SAID THAT THE BOOS IN STEEL PRICES WOULD LEAD TO ANOTHER ROUND OF WAGE INCREASES.

HE SUGGESTED PRESIDENT TRUMAN CALL BOTH BENJAMIN FAIRLESS, HEAD OF THE U.S.STEEL, AND PHILIP MURRAY, HEAD OF CIO'STEEL WORKERS' UNION, TO A WHITE HOUSE CONFERENCE.

THE OBJECT WOULD BE TRY TO GET THEM TO AGREE TO A PLAN CALLING FOR "A SIX MONTH MORATORIUM."

UNDER THIS PLAN THE BIG STEEL COMPANIES WOULD REVOKE THE $4.85 PER TON PRICE INCREASE RECENTLY ANNOUNCED FOR SEMI-FINISHED STEEL AND THE WORKERS WOULD PUT OFF ASKING PAY RAISES.

"IF SUCH AN AGREEMENT COULD BE OBTAINED," STASSEN SAID, "IT WOULD HAVE SUCH A CONSTRUCTIVE EFFECT ON OUR ENTIRE ECONOMY THAT BOTH STEEL CAPITAL AND STEEL LABOR WOULD RECEIVE GREATER INDIRECT RETURNS IN PURCHASING POWER FOR THEIR WAGES AND STABILITY FOR THEIR INVESTMENTS THAN ANY DIRECT BENEFIT THEY CAN ATTAIN BY PRICE AND WAGE RAISES NOW."

TAIHOKU (TAIPEH), FORMOSA,MARCH 4-(AP)-THE FIRST ANNIVERSARY OF THE BLOODY FORMOSA UPRISING HAS SLIPPED BY WITHOUT VIOLENCE, DESPITE THE FACT THE CHINESE GOVERNMENT HAS LESS THAN 25,000 TROOPS ON THIS ISLAND AND ALMOST ALL ITS CITIES ARE LIGHTLY POLICED.

NEITHER HERE IN THE NORTH NOR IN SOUTHERN FORMOSA COULD I FIND ANY EVIDENCE OF DEEP-SEATED UNREST OF THE TYPE THAT CAUSED LAST YEAR'S TROUBLE.

(RIOTS PROTESTING THE CHINESE ADMINISTRATION OF THE BIG ISLAND PROVINCE BEGAN IN LATE FEBRUARY, 1947. HUNDREDS WERE KILLED IN THE MOB VIOLENCE AND SCORES WERE LATER EXECUTED. FORMOSA WAS RULED BY JAPAN FOR 50 YEARS, PASSING TO CHINESE ADMINISTRATION AT THE END OF THE WAR IN 1945. RIOTERS SOUGHT SELF-RULE.)

FORMOSAN FARMS ARE PRODUCING NOW, MOST FACTORIES ARE RUNNING, COMMUNICATIONS ARE FUNCTIONING, AND THE ISLAND'S ECONOMY BEYOND DOUBT IS SPEEDING UP WEEKLY, WITH UNEMPLOYMENT DIMINISHING. INFLATION IS FAR LESS SEVERE THAN IN CHINA PROPER.

I VISITED FOUR CITIES IN SOUTH FORMOSA, AS WELL AS THIS NORTHERN CAPITAL, WITHOUT ENCOUNTERING ONE BEGGAR.

ALL IN ALL, UNREST IN FORMOSA--WHILE UNDOUBTEDLY STILL PRESENT--DOES NOT APPEAR SERIOUS NOW, AND SEEMS TO BE DIMINISHING.

HE SAID THERE ARE TWO ASPECTS TO THE GENERAL PRPBLEM: 1. TIGHTENING UP "LEAKS" OF INFORMATION WITHIN THE ARMED FORCES THEMSELVES; 2. ASSUMPTION BY THE PRESS OF RESPONSIBILITY FOR "VOLUNTARILY REFRAINING FROM PUBLISHING INFORMATION DETRIMENTAL TO OUR NATIONAL SECURITY."

FORRESTAL OFFERED WHAT HE SAID WAS A SUGGESTION BY NEWSPAPER FRIENDS AS "ONE POSSIBLE SOLUTION." IT WAS THIS: TO ESTABLISH BOTH A SECURITY ADVISORY COUNCIL OF SIX MEN FROM AMONG THE GROUP WHICH MET WITH HIM YESTERDAY AND AN INFORMATION ADVISORY UNIT. THIS LATTER UNIT WOULD OPERATE WITHIN THE NATIONAL MILITARY ESTABLISHMENT BUT WOULD BE MADE UP OF CIVILIANS "INSOFAR AS PRACTICABLE."

THE ADVISORY UNIT WOULD FUNCTION 24 HOURS A DAY TO ANSWER "INQUIRIES ON CERTAIN SECURITY SUBJECTS AND OFFER GUIDANCE TO THE NEWS MEDIA." THE COUNCIL WOULD SET UP THE RULES GOVERNING OPERATION OF THE INFORMATION ADVISORY UNIT.

(250) DISABILITY PAY

WASHINGTON, MARCH 4-(AP)-TRACY VORHEES, AN ARMY DEPARTMENT OFFICIAL, ADVISED CONGRESS TODAY TO REWRITE THE LAWS AND TREAT OFFICERS AND ENLISTED MEN ALIKE WHEN THEY ARE RETIRED FROM THE ARMED SERVICES FOR DISABILITY.

VORHEES IS THE ARMY'S FOOD ADMINISTRATOR FOR OCCUPIED AREAS. HE MADE A STUDY OF DISABILITY RETIREMENT TWO YEARS AGO FOR ROBERT P. PATTERSON, THEN SECRETARY OF WAR.

HE GAVE HIS VIEWS TO A HOUSE ARMED SERVICES SUBCOMMITTEE WHICH IS STUDYING THE QUESTION OF DISABILITY PAY.

AS THINGS ARE NOW, THERE ARE SEPARATE DISABILITY RETIREMENT SYSTEMS FOR ARMY OFFICERS AND ENLISTED MEN.

WHEN AN ENLISTED MAN IS RETIRED BECAUSE HE IS DISABLED, MEDICAL MEN FIGURE THE PERCENTAGE OF DISABILITY HE HAS SUFFERED. HIS RETIREMENT PAY IS FIXED ACCORDING TO THAT PERCENTAGE.

IN THE CASE OF AN OFFICER, THERE IS NO FIGURING AS TO THE DEGREE OF DISABILITY. HE GETS THREE-FOURTHS OF HIS BASE PAY WHETHER THE DISABILITY IS GREAT OR SMALL.

THE HOUSE COMMITTEE HAS REPORTED THAT MANY OFFICERS, RETIRED WITH TAX-FREE DISABILITY PAY, HAVE PROVED WELL ENOUGH TO TAKE HIGH-PAYING JOBS AS CIVILIANS.

MAR 9 1948

VORHEES SUGGESTED:

DISABILITY PAY FOR BOTH OFFICERS AND ENLISTED MEN SHOULD BE ON A "SLIDING SCALE."

WASHINGTON, MARCH 4-(AP)-CONVICTED OF LYING WHEN HE DENIED BEING A COMMUNIST, MILWAUKEE LABOR LEADER HAROLD CHRISTOFFEL TODAY FACES A POSSIBLE 60-YEAR PRISON TERM.

ACTUAL SENTENCING WILL BE DELAYED, HOWEVER, UNTIL MOTIONS FOR A NEW TRIAL ARE ARGUED EARLY NEXT WEEK.

THE SIX-COUNT PERJURY INDICTMENT ON WHICH CHRISTOFFEL WAS FOUND GUILTY BY A FEDERAL COURT JURY LAST NIGHT GREW OUT OF TESTIMONY BEFORE THE HOUSE LABOR COMMITTEE.

CHRISTOFFEL TOLD THE COMMITTEE ON MARCH 1, 1947, THAT HE WAS NOT THEN AND NEVER HAD BEEN A COMMUNIST OR HAD COMMUNIST CONNECTIONS.

THE JURY OF EIGHT MEN AND FOUR WOMEN WAS OUT FIVE HOURS BEFORE RETURNING ITS VERDICT OF GUILTY ON EACH OF THE SIX COUNTS.

THE PENALTY FOR PERJURY IN THE DISTRICT OF COLUMBIA IS TWO TO 10 YEARS ON EACH COUNT.

CHRISTOFFEL WAS COMMITTED TO JAIL IMMEDIATELY AFTER HIS CONVICTION. HE PREVIOUSLY HAD BEEN AT LIBERTY UNDER BOND.

O. JOHN ROGGE, CHIEF DEFENSE LAWYER, TOLD A REPORTER THAT IF THE PLEA FOR A NEW TRIAL IS DENIED HE WILL APPEAL TO THE U.S. COURT OF APPEALS AND, IF THIS FAILS TO THE SUPREME COURT.

SOME DOZEN WITNESSES TESTIFIED DURING THE TWO AND A HALF WEEK TRIAL THAT CHRISTOFFEL, FORMER PRESIDENT OF THE ALLIS-CHALMERS LOCAL 248 OF THE CIO UNITED AUTO WORKERS, FREQUENTLY ASSOCIATED WITH HIGH COMMUNIST PARTY OFFICIALS.

LOUIS F. BUDENZ, FORMER MANAGING EDITOR OF THE COMMUNIST DAILY

WORKER AND PRESENTLY AN ASSOCIATE PROFESSOR AT FORDHAM UNIVERSITY, SAID FLATLY THAT CHRISTOFFEL WAS A COMMUNIST.

THE HOUSE LABOR COMMITTEE, AT THE TIME CHRISTOFFEL TESTIFIED, WAS STUDYING LABOR STRIFE AND POSSIBLE SUBVERSIVE ACTIVITIES IN VARIOUS PLANTS, INCLUDING THAT OF THE ALLIS-CHALMERS COMPANY.

THREE STRIKES WERE CALLED AGAINST ALLIS-CHALMERS. ONE, WHICH LASTED THREE MONTHS, WAS SETTLED SHORTLY BEFORE GERMANY ATTACKED RUSSIA IN 1941.

-900)-HARRIMAN TEXT

WASHINGTON, MARCH 4-(AP)-THE TEXT OF THE LETTER SENT BY SECRETARY OF COMMERCE HARRIMAN TONIGHT TO CHAIRMAN J.PARNELL THOMAS (R-N.J) OF THE HOUSE UNAMERICAN ACTIVITIES COMMITTEE IN CONNECTION WITH THE CONDON INVESTIGATION(ABOUT 900)-

THE SECRETARY OF THE LOYALTY BOARD OF THE DEPARTMENT HAS BEEN SERVED WITH A SUBPOENA SUMMONING HIM TO APPEAR BEFORE YOUR COMMITTEE, AND;

"BRING WITH HIM LETTER OF MAY 15, 1947, FROM J.EDGAR HOOVER, DIRECTOR OF THE FEDERAL BUREAU OF INVESTIGATION, TO W.AVERELL HARRIMAN, SECRETARY OF COMMERCE, TOGETHER WITH ALL RECORDS, FILES, DOCUMENTS, OTHER CORRESPONDENCE, ADMINISTRATIVE FINDINGS, AND TRANSCRIPT OF THE HEARINGS OF THE AFORESAID LOYALTY BOARD PERTAINING IN ANY MANNER WHATSOEVER TO DR.EDWARD U.CONDON."

I AM ADVISED BY THE ATTORNEY GENERAL THAT UNDER TRADITIONAL CONCEPTS OF THE SEPARATION OF POWERS AND RESPONSIBILITIES OF THE EXECUTIVE AND LEGISLATIVE BRANCHES OF OUR GOVERNMENT, THE EXECUTIVE BRANCH IS NOT AS A MATTER OF LAW REQUIRED TO FURNISH INFORMATION OF THIS KIND TO A CONGRESSIONAL COMMITTEE, BUT ON THE CONTRARY HAS THE DUTY TO EXERCISE ITS OWN JUDGMENT IN DETERMINING WHETHER THE FURNISHING OF THE INFORMATION WOULD BE IN THE PUBLIC INTEREST. THIS VIEW FINDS STRONG EXPRESSION IN AN OPINION BY ATTORNEY GENERAL JACKSON DATED APRIL 30, 1941 (40 OP.A.G. 8). IT IS THERE MADE CLEAR THAT THIS RULE HAS BEEN ESTABLISHED SINCE THE TIME OF PRESIDENT WASHINGTON, WHO DECLINED TO COMPLY WITH A CONGRESSIONAL REQUEST TO FORWARD CERTAIN DOCUMENTS IN THE CUSTODY OF THE EXECUTIVE BRANCH OF THE GOVERNMENT.

THIS DEPARTMENT DESIRES TO COOPERATE WITH YOUR COMMITTEE IN ACHIEVING ITS OBJECTIVE OF PROTECTING THE NATION AGAINST SUBVERSIVE ACTIVITIES. BUT SUCH COOPERATION MUST BE EFFECTED ON A BASIS CONSISTENT WITH THE DEPARTMENT'S OVER-ALL DUTIES AND RESPONSIBILITIES. WHILE I WOULD BE GLAD TO INSTRUCT ANY OFFICER OF THE DEPARTMENT TO FURNISH YOUR COMMITTEE WITH ANY RELEVANT INFORMATION WHICH COULD PROPERLY BE REVEALED, I HAVE AFTER CAREFUL CONSIDERATION REACHED THE CONCLUSION THAT THE RELEASE OF THE DOCUMENTS AND INFORMATION CALLED FOR IN THIS CASE WOULD IN FACT BE PREJUDICIAL TO THE PUBLIC INTEREST.

B49WX (TEXT) Q

THE FILE WHICH HAS BEEN REQUESTED INCLUDES CONFIDENTIAL REPORTS AND DOCUMENTS RECEIVED FROM OTHER AGENCIES OF THE GOVERNMENT, INCLUDING THE NAMES OF PERSONS WHO HAVE FURNISHED INFORMATION TO GOVERNMENT INVESTIGATORS ON THE ASSURANCE THAT THEIR ACTION IN SO DOING WOULD

30.24- 16023

NOT BE DISCLOSED. IT IS ALSO NECESSARY TO CONSIDER THE EFFECT WHICH RELEASE OF THIS FILE MIGHT HAVE ON THE SUCCESS OF THE LOYALTY PROGRAM WHICH IS BEING CARRIED OUT IN ALL DEPARTMENTS AND AGENCIES OF THE GOVERNMENT. IF A PRECEDENT WERE TO BE SET BY RELEASING SUCH A FILE IT WOULD BE DIFFICULT, IF NOT IMPOSSIBLE, TO ASSURE PERSONS FROM WHOM INFORMATION IS OBTAINED IN FUTURE CASES IN THIS DEPARTMENT OR ANY OTHER AGENCY OF THE GOVERNMENT THAT THEY CAN RELY UPON THE GOVERNMENT TO PROTECT THE CONFIDENTIAL NATURE OR SOURCE OF THE INFORMATION. AS A CONSEQUENCE, MANY PERSONS WOULD BE RELUCTANT TO GIVE INFORMATION, THE DISCOVERY OF DISLOYAL EMPLOYEES WOULD BE MADE MORE DIFFICULT, AND THE EFFECTIVENESS OF THE GOVERNMENT'S LOYALTY PROGRAM SERIOUSLY JEOPARDIZED.

I BELIEVE THAT THE VERY OBJECTIVES WHICH YOUR OWN COMMITTEE HAS BEEN PURSUING IN PROTECTING THE UNITED STATES AGAINST SUBVERSIVE ELEMENTS WOULD BE GRAVELY PREJUDICED BY RELEASE OF THE REQUESTED DOCUMENTS OR THE INFORMATION WHICH THEY CONTAIN. LIKEWISE, THE INTEREST OF GOVERNMENT EMPLOYEES IN BEING PROTECTED FROM UNFOUNDED CHARGES, AND THE INTEREST OF THE GOVERNMENT ITSELF IN BEING FAIR AND JUST TO ITS EMPLOYEES AND THUS MAINTAINING HIGH MORALE, DEMANDS CAREFUL ADHERENCE TO THE PROCEDURES ESTABLISHED UNDER EXECUTIVE ORDER 9835.

MAR 9 1948

THE LOYALTY BOARD OF THIS DEPARTMENT HAS UNANIMOUSLY DECIDED, IN ITS REPORT OF FEBRUARY 24, 1948, THAT NO REASONABLE GROUNDS EXIST FOR BELIEVING THAT DR.CONDON IS DISLOYAL TO THE GOVERNMENT OF THE UNITED STATES. I HAVE ACCEPTED THEIR REPORT AND CONCUR IN THEIR DECISION. HOWEVER, IN VIEW OF THE PUBLIC INTEREST IN THIS MATTER, I BELIEVE THAT IT WOULD BE DESIRABLE TO HAVE THE CASE REVIEWED BY THE LOYALTY REVIEW BOARD OF THE CIVIL SERVICE COMMISSION UNDER THE CAREFULLY ESTABLISHED PROCEDURES WHICH PREVAIL UNDER EXECUTIVE ORDER 9835. ACCORDINGLY, IT IS MY INTENTION TO REQUEST THE BOARD FOR A REVIEW OF THE CASE AND TO TRANSMIT THE RELEVANT PAPERS TO THE BOARD FOR THAT PURPOSE WHEN IT UNDERTAKES THE REVIEW.

I HAVE INSTRUCTED THE SECRETARY OF THE LOYALTY BOARD OF THIS DEPARTMENT TO APPEAR IN RESPONSE TO THE SUBPOENA WHICH YOU HAVE CAUSED TO BE SERVED ON HIM AND TO REPORT TO YOU THAT HE IS NOT AUTHORIZED OR EMPOWERED TO PRODUCE THE PAPERS IN QUESTION. I HAVE FURTHER INSTRUCTED HIM, IN VIEW OF THE CONSIDERATIONS MENTIONED ABOVE, INCLUDING THE IMPORTANCE OF AVOIDING ANY ACTION WHICH MIGHT PREJUDICE THE REVIEW OF THE CASE BY THE LOYALTY REVIEW BOARD OF THE CIVIL SERVICE COMMISSION, RESPECTFULLY TO DECLINE TO TESTIFY CONCERNING THE SUBJECT MATTER OF THE SUBPOENA.

I HAVE DISCUSSED THIS MATTER WITH THE ATTORNEY GENERAL AND HE HAS ADVISED ME THAT THE POSITION TAKEN IN THIS LETTER IS CONSONANT WITH THE LAW AND PROPERLY WITHIN MY DISCRETION.

THOMAS (250)

WASHINGTON,MARCH 4-(AP)-THE TEXT OF A STATEMENT ISSUED HERE TONIGHT BY REP.J.PARNELL THOMAS (R-NJ), CHAIRMAN OF THE HOUSE COMMITTEE ON UNAMERICAN ACTIVITIES, ON REFUSAL OF THE COMMERCE DEPARTMENT TO PROVIDE RECORDS INVOLVING DR.EDWARD U.CONDON (ABOUT 250)

THE REFUSAL OF THE COMMERCE DEPARTMENT TO TURN OVER THE RECORDS IN THE CONDON CASE IS DEFINITE PROOF THAT THERE IS SOMETHING THEY DON'T WANT THE CONGRESS AND THE PEOPLE TO SEE. WHAT HAVE THEY GOT TO HIDE? CONSIDERING THE VITAL POSITION DR.CONDON HOLDS IN RESPECT TO OUR SECURITY, THERE SHOULD BE NOTHING ABOUT HIS BACKGROUND OR ASSOCIATIONS WHICH SHOULD BE KEPT CONFIDENTIAL FROM THE PUBLIC.

THIS IS JUST ANOTHER EXAMPLE WHERE AN AGENCY OF THE GOVERNMENT IS ATTEMPTING TO FLAUNT THE CONGRESS AND IF THEY THINK THEY ARE GOING TO GET AWAY WITH IT THEY ARE MISTAKEN. OUR COMMITTEE WILL HOLD PUBLIC HEARINGS ON THIS CASE AND WE ARE GOING TO SUMMON AMONG OTHERS DR. CONDON, SECRETARY HARRIMAN AND ATTORNEY GENERAL CLARK, AT WHICH TIME SECRETARY HARRIMAN WILL AGAIN BE CALLED UPON TO PRODUCE THE COMMERCE FILE AND THE ATTORNEY GENERAL WILL BE CALLED UPON TO PRODUCE ALL THE FILES AND INVESTIGATIONS OF THE FBI ON THE CONDON MATTER.

BOTH ARE CUSTODIANS OF THIS IMPORTANT INFORMATION. I AM RESOLVED TO HAVE A SHOWDOWN. IN THE MEANTIME, HOWEVER, WE WILL PROCEED WITH OUR INVESTIGATION OF PERSONS IN THE GOVERNMENT WHO HAVE BEEN FLIRTING WITH FOREIGN AGENTS. AND I MIGHT ADD THAT BEFORE THE CONDON HEARINGS ARE OVER THERE WILL BE OTHER NAMES OF GOVERNMENT OFFICIALS WHOSE RECORDS OF COMMUNIST AFFILIATION AND ASSOCIATION WILL BE BROUGHT TO PUBLIC ATTENTION.

SECRETARY HARRIMAN HASN'T GOT THE COURAGE TO PRODUCE THESE RECORDS AT THIS TIME. BUT HE WILL PRODUCE THEM BEFORE WE ARE THROUGH.

LAKE SUCCESS, MARCH 4-(AP)-THE ECONOMIC COMMITTEE OF THE UNITED NATIONS ECONOMIC AND SOCIAL COUNCIL DECIDED TODAY THAT YUGOSLAVIA'S GOLD CLAIM AGAINST THE UNITED STATES IS NOT ITS AFFAIR. THE COUNCIL HAD ASKED FOR AN OPINION WHETHER IT SHOULD HEAR THE CASE.

YUGOSLAVIA COMPLAINED THAT U.S. RETENTION OF $47,000,000 (M) IN GOLD HAD CAUSED SERIOUS DAMAGE TO ITS ECONOMIC RECOVERY PROGRAM AND AFFECTED OTHER COUNTRIES. THE GOLD WAS BROUGHT TO THE U.S. FOR SAFEKEEPING WHEN THE NAZIS INVADED YUGOSLAVIA.

NEW YORK, MARCH 4-(AP)-WILLIAM GREEN, PRESIDENT OF THE AMERICAN FEDERATION OF LABOR, SAID TONIGHT FREE TRADE UNIONS ARE "THE STRONGEST BULWARK AGAINST THE INFILTRATION OF COMMUNIST TOTALITARIANISM INTO AMERICA."

"REPRESSIVE AND OPPRESSIVE ANTI-LABOR LEGISLATION AND IMPAIRMENT OF THE AMERICAN STANDARD OF LIVING ARE THE SUREST WAYS OF FOSTERING AND ENCOURAGING COMMUNISM IN THE UNITED STATES," HE SAID.

HIS SPEECH WAS PREPARED FOR DELIVERY AT A DINNER CELEBRATING THE 35TH ANNIVERSARY OF THE U.S. LABOR DEPARTMENT.

THE AFL HEAD SAID "TODAY SOVIET RUSSIA HAS EXTENDED HER DOMAIN OVER EASTERN EUROPE AND HAS TAKEN OVER CZECHOSLOVAKIA LARGELY BECAUSE THE LABOR FORCES OF THOSE NATIONS ARE DRIVEN BY REPRESSION AND OPPRESSION INTO THE ARMS OF COMMUNISM.

"THE SAME PROCESS IS RAPIDLY DEVELOPING IN SEVERAL KEY COUNTRIES OF WESTERN EUROPE, WHERE IN DESPERATION THE TRADE UNION MOVEMENTS HAVE TURNED COMMUNISTIC.

"DO THE NATIONAL ASSOCIATION OF MANUFACTURERS AND THE APOSTLES OF ONE-WAY FREE ENTERPRISE WANT THAT TO HAPPEN HERE IN AMERICA?

PRESIDENT TRUMAN SENT A MESSAGE TO THE DINNER, SPONSORED BY A NEW YORK LABOR-INDUSTRY COMMITTEE. HE SAID "THE HARD-WON GAINS OF THE PAST THREE AND ONE-HALF DECADES MUST BE GUARDED ZEALOUSLY.

"TODAY, WITH FULL EMPLOYMENT ESTIMATED AT 60,000,000 (M) WORKERS, THE WAGE EARNERS MAY WELL FEEL PROUD OF WHAT THE DEPARTMENT OF LABOR HAS DONE FOR THEM IN THE ADMINISTRATION OF LAWS DESIGNED FOR THEIR PROTECTION," SAID THE PRESIDENT.

"OUR RAPIDLY CHANGING ECONOMY MAKES ADDITIONAL LEGISLATION IMPERATIVE, ESPECIALLY THE INCREASE IN THE MINIMUM HOURLY WAGE OUTMODED DURING WARTIME AND MADE ALMOST INSIGNIFICANT AT ITS PRESENT LOW LEVEL BY THE INFLATIONARY TREND EVIDENCED SINCE ABANDONMENT OF PRICE CONTROLS."

SECRETARY OF LABOR L.B.SCHWELLENBACH, ANOTHER SPEAKER, CALLED FOR RAISING TO 75 CENTS AN HOUR THE PRESENT MINIMUM WAGE SCALE OF 40 CENTS.

ROBERT R.YOUNG, CHAIRMAN OF THE BOARD OF THE CHESAPEAKE AND OHIO RAILWAY, REPRESENTING MANAGEMENT AT THE DINNER, SAID FAR GREATER PROGRESS IS POSSIBLE.

"LABOR AND MANAGEMENT MUST ABANDON THEIR TRADITIONAL ROLES AS ANTAGONISTS," HE DECLARED IN HIS PREPARED SPEECH. "THE NEXT LONG STEP IN PROGRESS MUST COME FROM CAPITAL. X X X IT WILL TAKE POSITIVE AND INDISPUTABLE EVIDENCE AS A DESIRE FOR PARTNERSHIP BEFORE LABOR CAN BE EXPECTED TO BELIEVE."

"WE HAVE TWO OF THESE FRATRICIDAL WARS GOING ON IN CHINA AND GREECE AND I TRUST WE DON'T START A THIRD ONE IN CZECHOSLOVAKIA."

FINNS OPPOSE MILITARY PACT

MAR 9 1948

But Parliament Majority Favors Treaty Talks

E. SHANKE (N)

Helsinki, Finland, March 5 (AP)—A majority of the Finnish Parliament favored tonight the opening of treaty negotiations with Russia but opposed entering any far-reaching military alliance.

Of the six parliamentary groups, only the Communist-dominated Popular Front bloc has voiced support for a full military alignment with the Soviet Union. This bloc has 51 of the 200 seats in the Finnish Parliament.

Prime Minister Stalin of Russia has asked for a treaty of friendship and mutual assistance.

Paasikivi Asks Stands

If the proposed treaty is stripped of mutual-assistance clauses, it would boil down to a cultural and friendship pact. Most Finns feel this would be meaningless since the September, 1947, peace treaty already regulates such relations between the two countries. Moreover, there are few Finns who feel Russia would be satisfied with such an agreement.

President Juho Paasikivi had asked the parliamentary groups for their opinions on the treaty negotiations. A Government minister said the statements of the various parties should be regarded as "merely reflecting public opinion" in Finland.

The important point to remember, he said, is that Paasikivi alone must make the decision on the question of beginning the talks.

Must Be Ratified

Any treaty that is concluded must be ratified by Parliament.

The Agrarians, with 48 parliamentary seats, told Paasikivi they "cannot recommend negotiations" on the basis of Stalin's proposal. The party's letter to the President was published tonight.

An Agrarian spokesman said if "we agree to the talks we automatically must agree to pacts such as Hungary and Romania signed."

This view ran counter to the belief of many Conservatives and Liberals who maintained that acceptance of negotiations does not necessarily mean acceptance of the pact.

The Social Democrats, who also hold 48 seats, were emphatic in their stand against a military tie. A similar position was taken by the Conservatives, 29 seats; Liberals, 9 seats, and the Swedish People's party, 15 seats.

Giving Up Neutrality

In opposing military aspects of the proposed pact, the Conservatives said such clauses "would signify joining a special group of powers and giving up our neutrality."

A Foreign Office official told a news conference no Cabinet session to consider the problem was scheduled tonight. He said the Government's foreign affairs committee would meet tomorrow.

The weather-beaten presidential palace overlooking the ice-choked Helsinki harbor was the scene today of great activity. The Agrarian, Conservative and Liberal delegations of Parliament paid formal calls on Paasikivi. Close advisers, including Karl Enckell, Foreign Minister, also conferred with the President.

Faster Action Expected

Informed Finnish sources speculated that a Finnish delegation to meet the Russians might be selected tonight. They reasoned that the Finnish Government would move faster now, especially in an attempt to "take the punch out of" any planned Communist-sponsored demonstrations for a pact that would tie Finland closely into the Russian bloc.

[The Russian newspaper *Izvestia* described the proposed treaty as a precautionary measure. The account said the proposal has "evoked a new explosion of slander among overt and secret warmongers."]

Efforts to approve a resolution supporting the treaty failed today at a Communist-sponsored meeting of rail workers. The shops are about evenly divided between Social Democrats and the radical Popular Front.

Answer Is "Neither"

"Whose hand do you wish to choose—that of capital, or Comrade Stalin?" a Popular Front speaker asked about 1,000 workers.

A cry of "neither" drowned out a fainter utterance of "Stalin/s." The crowd cheered a speaker who said there should be no effort by labor to force the Government's hand.

"It is obvious the majority of our people desire to protect our country's neutrality," the Liberal Swedish-language newspaper *Nya Pressen* said. "The task of the negotiators therefore is to study the possibility of getting a friendship pact with the Soviet Union which does not have the character of a direct military alliance." Gold

Finns' President Weighs Advice On Russ Pact (D)

MAR 5 1948

Helsinki, March 5 (AP)—President Juho Paasikivi weighed tonight the advice of a majority of the Finnish Parliament to begin negotiations with the Russians on some sort of pact, but to avoid an out-and-out military alliance.

Four parties, representing 101 of the 200 votes in Parliament, already had presented these views when the advice of a fifth—the Agrarians—was presented tonight. The Agrarians, holding 48 seats, were believed to have expressed similar views.

The Democratic Union, a Communist dominated Leftist bloc with 51 seats in Parliament, has been demanding acceptance of Prime Minister Stalin's proposal of a military pact similar to those linking Russia with he other neighbors in Eastern Europe.

Firm Stand Taken

The Social Democrats, holding 48 seats, were emphatic in their stand against a military tie. They have been joined by the Conservatives, 29 seats; Liberals, nine seats, and the Swedish People's party, fifteen seats. The ratification of Parliament is necessary for any treaty concluded.

Some informed sources speculated that the appointment of a delegation to Moscow might be announced at any moment.

There were some unconfirmed reports that the President already has drafted his reply to Stalin.

In responding to the President's request for parliamentary guidance, the Social Democrats emphasized that Finland has "no chance to refuse" Stalin's proposal for negotiations.

At the same time, the party said negotiations must be conducted on the premise that "our nation wants to maintain neutrality. The great majority of our peace-loving people is against binding our country to military alliances and wants to do everything possible to keep our country out of possible conflicts."

Russ Say Finn Move Is Precautionary

Moscow, March 5 (AP)—The proposed Soviet-Finnish treaty of friendship and mutual assistance was described by *Izvestia* today as a precautionary measure.

"The Finnish democratic public met the proposal with approval," said an observer writing in the Soviet Government newspaper.

"Relations between the Soviet Union and Finland after the conclusion of the armistice and peace treaty are bound to convince the Finnish public that only a policy of friendship with the Soviet Union can insure Finnish national independence and sovereignty."

The article said the proposal has "evoked a new explosion of slander" among "overt and secret warmongers."

CZECH ARMY (N) BEING PURGED

MAR 5 1948

Cominform Founder In Charge, Prague Paper Says

A. J. GOLDBERG

Prague, Czechoslovakia, March 5 (AP)—The Social Democratic newspaper *Pravo Lidu* disclosed tonight the Czechoslovak Army is undergoing a thorough purge.

Rudolf Slansky, secretary general of the Communist party in this country and a founder of the Cominform, appeared to be in charge.

The disclosure was in a paragraph which said:

"Action committees are not going to intervene in the purge going on in the army. In case of intervention or doubt, action committees should apply directly to the Ministry of Defense and at the same time report to the chairman of the Defense Committee of Parliament, Slansky."

Bread Ration Raised

The action committees have been purging political parties, Parliament, industry, the police and cultural bodies.

The Communist Government announced an increase in bread rations. Mrs. Ludmila Jankovcova, new Food Minister, said March rations would be raised 2.2 pounds and those for April 3.3 pounds. She said grain deliveries from Russia are satisfactory and that most bread will be of white flour.

Newspapers featured an interview given by Communist Premier Klement Gottwald in which he blamed the recent crisis on "ministers of reaction."

Masaryk Backs Regime

He asserted that Russia brought no pressure to force the "rebirth of the national front." Gottwald said foreign policy would not be changed except that "reactionaries" in foreign service would not throw dirt on the Czechoslovak Republic.

Jan Masaryk, Foreign Minister and son of the country's first President, removed all doubt of his viewpoint. The controlled press reported a speech to army officers in which Masaryk said:

"I am one of you. You can count on me. We have entered a new phase of history. We must be grateful if Russia allows us to be at her side."

Hof Reports Of Purge

The Communists have been in control in Czechoslovakia for two weeks. They took pains to assert no move was afoot to replace President Eduard Benes, tired and ill at his country home at Sezimovo in southern Bohemia.

A dispatch from Hof, Germany, at the Czech border said there were indications a "gigantic purge has started in Czechoslovakia." United States security officers estimated 600 Czechoslovaks had slipped out of the country, fearful of their lives. The escaping Czechs reported concentration camps had been set up for the less fortunate ones who were caught.

[The United States Military Government in Berlin suspended extradition of German nationals wanted in Czechoslovakia for trial on war-crimes charges. Czechoslovakia was accused of twice violating agreements to return acquitted persons, delivering them instead to the Russians.]

Yielded To Demands

Frantisek Necasek, press officer for Premier Gottwald, said Benes is "very tired and it is not known when he can come back to Prague." The frail executive left a week ago after yielding to Communist demands that he accept resignations of Cabinet ministers opposing Gottwald.

The constitution provides that the President may be replaced after six months' incapacitation. Necasek said "there has been no consideration given to any replacement or successor," and that constitutional means would be used if such action were taken.

Some foreign diplomats spoke of Benes's approval of the Communist-controlled Cabinet as having been accomplished by duress. They pointed to mass demonstrations and the threat of a general strike as pressure forcing him to yield. Statements from Gottwald and Benes indicated the step was taken to avoid civil war.

Red Denies Plan To Oust Benes (D)

Prague, March 5 (AP)—Communist Premier Klement Gottwald's office denied today that President Eduard Benes is being replaced because of illness.

"The President is very tired and it is not known when he can come back to Prague," said Frantisek Necasek, chief of the Premier's press section. "We do not know how long he may be ill. There has been no consideration given to any replacement or successor for him and, if any such step is taken, it will be according to the Constitution."

Constitutional Provision

Benes, a founder of the country, was elected to a seven-year term in 1946. The Constitution provides that if the President is unable to do his work for six months, three fourths of the Cabinet may decide to name a Deputy Vice President. He then would be elected by three fifths of a quorum in Parliament.

Necasek said Benes would be unable to speak in Prague Monday at the celebration of the battle of Sokolov, in which Czech soldiers fought alongside the Red Army.

"The Premier asked permission to represent him at the celebration," the press officer said. "That was all."

Gottwald Comment

The Communists gained full control of Czechoslovakia February 25 and have consolidated power while preserving the facade of a coalition government. The National Radio broadcast this comment from Gottwald after today's first full meeting of the new Government:

"For the first time I entered a

Cabinet room which has been ventilated of reaction."

Mrs. Ludmila Jankovcova, new Food Minister, said the March bread ration would be raised 2.2 pounds and the April ration 3.3 pounds. She said Russian grain deliveries were satisfactory and much of the bread will be of white flour.

Fierlinger Quoted

The news broadcast quoted Zdnek Fierlinger, Minister of industry, as telling a Polish reporter that the Polish system would be followed in nationalizing industry further. He said the rule that companies with 50 or more employés must be nationalized was not absolutely fixed.

The Cabinet was reported by the radio to have approved Government changes in semi-autonomous Slovakia, where Communists also seized control.

Felix Uhl Seized

Felix Uhl, former official of the Catholic People's party, has been arrested and accused of spying for an unnamed foreign power.

Security police disclosed his arrest last night. They said others were involved in the case. They charged that Uhl had helped set up spy centers in the United States zone of Germany to which Czechoslovak citizens are fleeing.

The police statement, describing Uhl as one-time head of his party's student section, said he had acted as "liaison of a foreign intelligence service" with "well-known Czechoslovak persons."

Accused Of Selling Data

It accused him of selling information to the unnamed country's military-spy agency. It said he had used false diplomatic papers in travels.

Government supporters, meanwhile, pushed a purge of Parliament.

The Social Democratic party said in a headquarters announcement last night it expelled ten Right-wingers in its parliamentary delegation and asked them to resign their seats.

The party's newspaper, *Pravo Lidu*, said the parliamentary action committee is expected to dismiss at least thirteen Catholic People's party and at least 30 Czech National Socialist deputies.

Others Ousted

The ousted Social Democrats include Brazej Vilim, former party secretary general, and Vackav Majer, former Food Minister.

The official Czechoslovak news agency said Juraj Slavik, resigned Czechoslovak Ambassador to the United States, has "joined the united front of Durcansky."

[Ferdinand Durcansky, who was Foreign Minister of the wartime puppet government of Slovakia, heads an exile separatist movement. He is supposed to be in Rome.]

Jan Masaryk Backs Czech Red 'Putsch'

Prague, March 5 (AP)—Jan Masaryk, Czechoslovakia's Foreign Minister, declared last night the "bloodless revolution" had his approval and said he is grateful Czechoslovakia is able to be at the side of the Soviet Union.

Masaryk, son of Czechoslovakia's hero and first President, Thomas Masaryk, addressed officers of the National Defense Ministry. His speech was reported in the controlled press today.

"Germany will always be our enemy," Masaryk said.

Unity With Russia

"We should like to see a unified Germany restored to the family of nations. But there are 2,000,000 enemy Germans right on our borders and we must guard against them."

"We must have unity with the Soviet Union. Our place is at their side. We must be grateful if Russia allows us to be there."

"We made a bloodless revolution," the Foreign Minister said, "and have entered a new phase of history."

Knew "My Place"

"When the situation sharpened I did not contemplate for one minute where my place is. It is with the Czechs and the Slovaks, the people whom I love."

He paid tribute to those in resistance work at home and abroad during the German occupation.

"Resistance to Hitler, yes, but resistance to your own brethren, no," he said. He was apparently referring to such former Ministers as Priokop Drtina, who stood up to the Communists and then attempted to end his life.

Masaryk said he did not believe he would live to see another war. He ended his talk: "You can count on me. I am one of you."

BULGARIAN MINISTER RESIGNS IN BRUSSELS

BRUSSELS, March 5 (AP)—Vassil Youroukov, Bulgarian Minister to Belgium, said today he had quit because "events prove loyal collaboration with the Communists is impossible." He said he could "no longer represent a regime which has established itself against the will of the people and by violence."

[In Sofia, an official announcement said M. Youroukov had been dismissed.]

BALTIMORE, March 5 (AP)—James Primus Sr., consular agent for Czechoslovakia, has resigned in protest against "the undemocratic seizure of power" by Communists in Czechoslovakia.

MONTREAL, March 5 (AP)—Dr. Joseph Kotrly, Czechoslovak consul general, said today he had resigned because he could not agree with the Communist regime in Prague.

500 Czechs Flee To U.S. Zone In Reich

MAR 9 1948

Hof, Germany, March 5 (AP)—American security officers estimated today about 500 Czechs, fearful of their lives, have fled across this border point since the Communists seized control of Czechoslovakia.

They said most of the fugitives seeking refuge in United States-occupied territory are military men of ranks up to colonel and that all are certain they would die if they remained in their homeland.

Those who have worked their way to HOF are unshaven, hungry and tired. Most of them have walked over mountain passes and rough countryside for four or five days.

There have been no incidents—not even sporadic shootings—to indicate that the flights are bothering the authorities on the other side of the border.

Some refugees do not quite reach the border. They have arrived in such numberes that it has been necessary to set up special camps for them, some visible from the American side.

Czechs who got through call them "concentration camps."

AMG Extraditions To Czechs Halted

Berlin, March 5 (AP)—The American Military Government announced today that it has suspended the extradition of Germans wanted by Czechoslovakia for trial on war-crimes charges.

AMG said the extraditions were stopped because the Czechs twice violated signed agreements by delivering acquitted or untried persons to the Russians.

In the case of an individaul extradited in July, 1946, AMG said, a German was acquitted by the Czechs, but when the Americans asked for him "he was not returned but delivered to Soviet authorities on November 20, 1947."

In a second case, a German was held more than a year without trial, AMG said. When the Americans asked his return they were told he also had been turned over to the Russians. The Germans involved were not named.

The order said there would be no more extradictions to Czechoslovakia until the two individuals were returned or "until full and satisfactory explanation is given of the reasons for which they were turned over to Soviet authorities."

Dewey Names Czechoslovak Day.

Albany, March 5 (A. P.)—Gov. Dewey, expressing shock at "the Communist putsch" which "turned Czechoslovakia into a police state," today asked public expression of "our sympathy for that unhappy people."

Proclaiming Sunday as Czechoslovak Day, he declared: "It is fitting that we keep alive the hope that the pendulum of history will swing again and restore the freedom of that brave and liberty-loving nation."

He added that the observance would fall on the anniversary of Thomas Garrigue Masaryk, former Czechoslovakian President, whom he termed "one of the great patriots of all time."

Chairman Reece Criticized

LANSING, Mich., March 5 (AP)—Gov. Kim Sigler said he received the following telegram today from Carroll Reece, chairman of the Republican National Committee:

"In view of present situation in Czechoslovakia suggest caution in issuing any statement or proclamation on anniversary of foundation of republic."

Governor Sigler, a Republican, said he telegraphed Mr. Reece:

"Thanks for your telegram. I hope the Republican party does not become so cautious that it misses the boat."

The Governor added to newsmen: "I don't see why the chairman of the Republican committee should tell the Governor of Michigan what to do."

Laborites Carry Wigan Bi-election

Wigan, England, March 5 (A. P.).—The Labor Government's unprecedented success in holding its parliamentary margin continued yesterday. R. W. Williams, Labor Union solicitor Harold Dowling, defeated Conservative schoolmaster, 28,941 to 17,466 in yesterday's by-election here. Labor's majority was down almost a third from the general elections three years ago, when they won by 16,726 votes.

In thirty-seven previous by-elections Labor has lost only one seat to the Conservatives. Labor now has 396 seats with none vacant, against 198 seats with two vacant for the Conservatives out of 640 Commons seats.

New Violence Flares On African Gold Coast

London, March 5 (AP)—The Colonial Office reported today a renewal of violence in the African Gold Coast colony.

A Gold Coast communiqué reported "sporadic looting in smaller centers" last night. There was no indication of whether there were new casualties. Up to 25 persons have been unofficially reported killed since Saturday.

Sir Gerald Creasy, Colonial Governor, proclaimed a state of emergency in the Gold Coast yesterday.

He said he would exercise the power of censorship to halt circulation of stories that were "so much more interesting than the truth."

5-Power Brussels Talks Progressing

British, French Delegates Bring Views to Benelux

BRUSSELS, March 5 (AP).—British and French delegates joined tonight the five-power conference here aimed at stemming Communism, and sources close to the delegations predicted a rapid agreement.

The two delegates, Gladwin Jebb, Assistant Under Secretary in the British Foreign Office, and Jean Chauvel, General Secretary of the French Ministry of Foreign Affairs, had been delayed by a North Sea fog.

They had been consulting at London and brought the views of their governments on the Benelux draft treaty submitted to the conference yesterday. Belgium, the Netherlands and Luxemburg are the Benelux.

Mr. Jebb said there is little difference between the Benelux treaty draft and the Franco-British proposals. It was understood, however, that the general treaty would have to be followed by more detailed talks which might produce difficulty.

The Belgian Foreign Ministry said the five powers would meet tomorrow at 9 a. m.

A defense union of the five nations would weld together an area of 323,147 square miles with a total population of 106,337,918.

Russia currently has mutual defense understandings with Poland, Czechoslovakia, Yugoslavia, Romania, Hungary and Bulgaria. The Soviet Union is angling to draw Finland into a mutual defense accord.

The Belgian government ordered a judicial inquiry into the Belgian Press Agency, Belga's, report of rumors that the conference would make proposal for simultaneous devaluations of the Belgian franc, the British pound and the Dutch florin. The French franc already has been devalued. Both the British and Belgians denied the report.

North Sea Fog Delays Opening Of W. Europe Bloc Talks

MAR 9 1948

Brussels, Belgium, March 5 (AP)—A five-nation conference on a proposed Western European union to buck communism skipped today's meeting because of the absence of two key delegates.

An official communique, issued at the Belgian Foreign Ministry, said resumption of the conference has been postponed until tomorrow.

The postponement was agreed upon, the communique said, because two delegates carrying instructions from their governments have not yet arrived.

Delegates Held Up By Fog

The two are Gladwyn Jebb, second British delegate, and M. Chauvel, general secretary of the French Foreign Ministry. Both were held up by a thick fog in the North Sea.

The five neighboring countries previously had intended to take up a draft agreement today, and some conference sources had predicted a general understanding by Sunday.

Belgium, the Netherlands and Luxembourg presented the draft yesterday in the first session of their talks with Great Britain and France, held at the invitation of the two big powers. A communiqué said it showed "great similarity of views."

50-Year Pact Expected

Diplomatic circles said last night one outcome probably will be a five-nation treaty of mutual defense for at least 50 years. The British-French Dunkerque pact is such a treaty.

Yesterday was the first anniversary of the signing of that pact. British Foreign Secretary Ernest Bevin and French Foreign Minister Georges Bidault took the occasion to plead for a union of western Europe.

Greets Wife in Germany, Dies

WIESBADEN, Germany, March 5 (AP).—A happy reunion here turned into tragedy within twenty-four hours. Lieutenant Colonel David F. Aldrich, of Houston, Tex., welcomed his wife to Germany yesterday. Today he was found dead at his home. Air Force officials said an autopsy was being performed, although he apparently died from natural causes.

FOOD SHIP IS FOG-BOUND

Delegates of U. S. Cities Await the Gretna Victory of Bremen

BREMEN, Germany, March 5 (AP)—The U. S. S. Gretna Victory, carrying American food to Germany and Austria, was reported fog-bound today. American Military Government officials said she had been scheduled to dock yesterday.

Waiting in Bremen to welcome the ship are five representatives of areas that donated the gifts last December and January.

They are Richard McKinney of Portland, Ore.; Joseph Schlower of Glasgow, Mont.; Ott J. Bothne of Twin Falls, Idaho; Mrs. Otis S. Lamson of Seattle, Wash., and Ralph Bartholomew of Ketchikan, Alaska.

They will make a tour of relief agencies, charitable groups and displaced persons camps in western Germany and Austria, after distribution of the food.

Belgian News Agency Loses Official Status

Brussels, March 5 (AP)—The Belgian radio announced today the Government has deprived the Belga agency of privileges it has enjoyed as the official news organization.

The Government ordered an inquiry into Belga's reporting yesterday of rumors that plans existed for joint devaluation of the Belgian, Dutch and British monetary units. Officials of Britain, the Netherlands and Belgium denied the rumors, but not before they affected stock markets.

Applause For Duce's Picture Starts Riot

Rome, March 5 (AP)—A picture of Benito Mussolini flashed on the screen and started a riot in a Naples theater last night.

Dispatches said many applauded as the photograph of the dead Duce appeared in Charley Chaplin's film, "Monsieur Verdoux."

That started the fight.

A woman and two men were arrested.

U.S. Aid To Italy Not Imperialist: Dunn States

MAR 9 1948

Reggio Calabria, Italy, March 5 (AP)—United States Ambassador James C. Dunn said today that 400 American ships have brought 4,000,000 tons of grain, coal and medicines to Italy in the past six months.

He spoke on the arrival of the four hundredth ship.

He said the shipments were "to provide effective help until the next harvest, and until an overall European recovery program can become operative."

Propaganda Discounted

In what was obviously a reference to recent charges in the Communist press, Dunn added:

"Propagandists in Italy against Italian-American friendship, in addition to their preposterous and nonsensical propaganda about American 'imperialism,' have sought to make Italians believe that Italy is paying for the aid from the United States.

"I assure you this is not true. They are attempting to confuse the Italian people with untruths and unfounded rumors."

Funds For Relief

The Communist press has commented particularly on the lire fund created by the Italian Government's sale of part of the American supplies.

The Communists charge it is used for political purposes

Dunn declared the lire fund was used "for the benefit of the Italian people—for direct relief (one billion lire went for winter relief during January), or in the form of employment on public works projects."

Gift Ship Reaches Genoa

Rome, March 5 (AP)—The United States Navy schoolship Golden Bear, with 400 tons of gift food contributed by West Coast Americans, has arrived at Genoa.

Guerrillas Routed In Olympus Area

Salonika, Greece, March 5 (AP)—A communiqué issued by the Greek 3d Army said tonight that national forces are pursuing a strong guerrilla band in the Pieria Olympus Mountain region about 50 miles southwest of here.

The army air force discovered the band a few days ago as it was moving from Mount Grammos. The Guerrillas were reported to have two heavy cannon.

It was announced officially that guerrilla casualties in the last three days in this area total 118 killed and 88 wounded. Army casualties were placed at five wounded. In the Pieria region 15 rebels were reported to have surrendered and two were captured.

The communiqué also said the army had driven back to the center of Mount Vermion a large band of guerrillas which it had engaged in fierce fighting near Veria for the last several days.

On the northern front, the Greek army was reported in a press dispatch to have captured Kakavia on the Greek-Albanian border.

The defeated guerrillas were reported to have retreated into Albania. Kakavia, on the Ioannina-Argirocastro highway, was used by the guerrillas as a supply and attack base, the dispatch said.

Other press reports said guerrilla units had abducted 50 persons from Almyros and Euxinoupolis, 22 miles southwest of Volos. The rebels were said to have looted shops and houses in the two villages.

The defeated guerrillas were reported to have retreated into Albania. Kakavi, on the Yanina-Argyrokastron highway, was used by the guerrillas as a supply and attack base, the dispatch said.

Other press reports said guerrilla units in Thessaly had abducted fifty persons from Almyros and Euxinoupolis, twenty-two miles southwest of Volos. The rebels were said to have looted shops and houses in the two villages. Authorities have ordered the evacuation of Keramidi, ten miles northeast of Volos.

About 2,000 women and children arrived in Volos from the Almyros area and more than 1,000 from Keramidi. There now are more than 10,000 refugees in Volos, a major Aegean port 110 miles northwest of Athens.

Eight more persons were executed in Athens today. They had been sentenced by Peloponnesan tribunals for crimes during the December, 1944, rebellion.

Greeks Seize Attack Base Of Guerrillas (AP)

Athens, March 5 (AP)—A Greek press dispatch said today Army forces captured Kakavia on the Greek-Albanian border after five days of heavy fighting with guerrillas who retreated into Albania.

The town is on the Ioannina-Arghyrocastro highway. The dispatch said it was used by the guerrillas as a supply and attack base.

Earlier, it was announced that eight persons were executed for crimes committed during the December (1944) rebellion.

Van Fleet Visits Yanina

YANINA, Greece, March 5 (AP)—Lieut. Gen. James A. Van Fleet, chief of military forces in the United States Mission to Greece, today described as "inferior" the Greek guerrilla prisoners he saw in the jail here.

General Van Fleet is on a five-day inspection tour of the Greek Second and Third Corps areas.

General Van Fleet said of the Greek Army men opposing the guerrillas:

"Everywhere I've gone I've seen the same magnificent spirit. They're outstanding soldiers with an increasing desire to see this fighting finished."

Romania Looking To Expropriation Of Oil Resources

Bucharest, Romania, March 5 (AP). A draft of a proposed new constitution for Romania, released tonight, provides for state ownership of natural resources.

This, apparently, would mean an end to American and British operations in the Romanian oil fields. The proposed constitution provides for "just compensation" on expropriation of public utilities.

The Romano-Americana Company, operated by the Standard Oil Company of New Jersey, is the only listed American oil holding in Romania.

[A spokesman for the Standard Oil Company of New Jersey said in New York that the company's personnel was operating in the Romanian company, but that control of the company was only nominal, due to government regulations.

The proposed constitution will be submitted to the grand national assembly April 6. The draft was inspired largely by the Soviet constitution and is based on the principle that all power comes from the people and belongs to the people.

Antarctic Incident Headlined In Oslo

Oslo, Norway, March 5 (AP)—News that a Norwegian scientific vessel had been stopped by an Argentine minesweeper near the Antarctic circle won banner headlines today in Oslo's papers.

The Government newspaper, *Arbeiderbladet*, published the news under a headline reading: "Argentine Encroachment Against Norwegian Ship."

British-Claimed Port

The Conservative paper *Aftenposten* quoted Rolf Andersen, a secretary in the Norwegian Foreign Department, as saying that "Norway must certainly protest."

British sources at Port Stanley, in the Falkland Islands, said yesterday the Argentine minesweeper Parker intercepted the Norwegian ship Brategg as she approached a British-claimed port on Deception Island.

An officer of the Parker indorsed in the Brategg's log an order that in future she must report to Argentine naval authorities and ask permission to enter the harbor, these informants said. Deception Island is in the South Shetlands about 550 miles below the southern tip of South America. Both Argentina and Britain claim it.

Informants said the captain of the Brategg complained to the British here, who protested to the minesweeper's commander. The British harbor master at the Deception

port canceled the Argentine entry in the Brategg's log, they added.

Antarctic Pact Signed

Chile and Argentina signed an agreement yesterday providing for joint political and legal action in defense of their rights in the Antarctic, where both dispute British claims. A Chilean spokesman said no military action was contemplated under the agreement.

All three have sent warships to the region to "show the flag." Chilean and Argentine delegates who signed yesterday's accord said they hoped Chile's and Argentina's overlapping Antarctic claims would be settled this year.

British Seek Argentines On One of Falkland Isles

LONDON, March 5 (AP).—The Admiralty announced tonight that British officials aboard the cruiser Nigeria are seeking Argentine officials on Deception Island to protest against the interception of a Norwegian ship there. The British warship has reached the island and is proceeding to Pourquoi Bay, where the British expect to meet the Argentines, an Admiralty spokesman said.

British sources at Port Stanley, Falkland Islands, said last night that the Argentine minesweeper Parker had intercepted the Norwegian ship Brattegg near Deception Island, to the south, and warned the Norwegians they must have Argentine permission to anchor in the area.

A Foreign Office spokesman said today that Great Britain is not willing to let the International Court of Justice at The Hague decide the status of the Falkland Islands. He made a distinction, however, between those islands and the Falkland dependencies, consisting of smaller islands—among them Deception Island—further south in the Antarctic. Britain is willing to allow the international court to judge the conflicting claims to the dependencies.

30 Arabs Slain, Haganah Says

Jerusalem, March 5 (AP)—The Jewish militia, Haganah, said today that Jewish fighters killed 30 Arabs and wounded many others in a four-hour battle last night on the Plains of Sharon.

The battle developed in the coastal region between Tel Aviv and Haifa when the Jews repulsed Arabs attacking the settlement of Magdiel, Haganah's communiqué issued in Tel Aviv said.

Four Jews were wounded, Haganah reported. The Jewish force returned safely to its base.

Arab sources in Tel Aviv said Arab commando forces are concentrated in hill towns in the Sharon district, ready to strike when the order is given.

May Become Battleground

Now that the orange growing season is nearing an end, some observers believe the Sharon area will become a major battleground for Arabs and Jews.

It was learned in Jerusalem that Fawzi Bey al Kaukji, commander of Arab volunteer armies, had set up headquarters in a hotel at Nablus in northern Palestine. Kaukji moved with his headquarters company from Damascus, Syria, to the Holy Land yesterday.

Lieut. Gen. Sir Alan G. Cunningham, British High Commissioner for Palestine, appealed tonight to the warring peoples of the Holy Land to respect the lives and safety of United Nations personnel here.

Regarded As Invasion

Six members of the United Nations secretariat arrived two days ago. They constitute the advance party of the commission charged with carrying out the United Nations' decision to partition the Holy Land.

Cunningham's appeal asked residents of Palestine to accord the secretariat group the immunity which civilized nations are obliged "to show to members of this world organization."

Arabs regard partition as an invasion of their land. They have said they could give no guarantees or safety to any commission members who came here.

The secretariat group has been housed in a heavily guarded "zone within a zone" since its arrival.

Commenting on the arrival of the United Nations personnel the official publication of the Arab Higher Executive said:

"They have come at an unfavorable moment and have to stay under unfavorable circumstances. They will not only have to be locked up in strongly guarded places and have no freedom to move around, but they arrive at a moment when the plan whose implementation they serve is already on its way to death. . . .

"Members of this secretariat group might soon find themselves in need of more protection. These gentlemen may be asking themselves soon: Wouldn't it have been better not to have come to Palestine? And the sooner this question is answered the better."

30 Arabs Killed In Fighting On Sharon Plains

MAR 9 1948

Jerusalem, March 5 (AP)—Haganah said today that 30 Arabs were killed and many were wounded in a four-hour battle with Jews last night on the Plains of Sharon between Tel Aviv and Haifa.

The battle erupted when Arabs attacked a Jewish settlement at Magdiel on the Tel Aviv-Haifa highway, said a communiqué of the Jewish militia issued in Tel Aviv.

It was learned in Jerusalem that Fawzi Bey al Kaukji, commander of Arab volunteer armies, set up headquarters in a hotel at Nablus in northern Palestine. Fawzi Bey summoned his district chieftains for conferences.

Appeals To Security Council

Palestine Chief Rabbi Dr. Isaac Halevy Herzog urged the United Nations Security Council to carry out the terms of the General Assembly's decision on partition of the Holy Land. He asked the council in a statement made public here to "realize the momentous moral issue involved . . . whether mankind shall fulfill the inner summons of its conscience or shall succumb to political expediency."

"As for my people, it is fully aware that the hour of its supreme destiny has struck and it is inspired by the immovable faith that with the help of God the end of the age-old exile and suffering is in sight," Dr. Herzog said.

Arab Concentration Reported

Arab sources in Tel Aviv say Arab Commando forces are concentrated in towns on the Sharon Plain, ready to strike when the order is given. Some believe the plain will be a major battleground of Arabs and Jews.

Arab leaders left Jerusalem at dawn to meet with Kaukji, who moved his army headquarters company from Damascus to Palestine yesterday.

Kaukji has made several previous trips to Palestine, but only on quick inspection tours.

Permanent Headquarters Expected

Arab informants here said he probably would establish permanent headquarters in some village in the hills around Nablus.

PALESTINE TALKS ORDERED BY U.N.

MAR 9 1948

Rejects U. S. Proposal for Speedy Action on Partition.

M. HARRELSON

LAKE SUCCESS, March 5—(AP) The United Nations Security Council late today rejected a United States proposal which would have committed the council now to all-out aid in partitioning Palestine.

Instead, the council voted to ask the big powers to consult and then say what instructions the council should give the U.N. Palestine Commission.

These instructions would bear on implementation of the U.N. assembly's partition decision of last Nov. 29.

Britain Withdraws

Off the floor, Britain quickly declined to take part in the big power consultations.

That left it up to Russia, the United States, China and France. They will meet Monday in the Russian delegation's New York offices at the invitation of Soviet Delegate Andrei A. Gromyko.

The council acted after the Jewish Agency told it in effect that Palestine Jews were determined to go ahead with creation of a Jewish nation in Palestine—with or without U.N. help.

The resolution which the council finally approved by a vote of 8 to 0 bore little resemblance to the original U.S. proposal submitted last week by Chief U.S. Delegate Warren R. Austin.

Voting for the U.S. resolution, as finally amended, were the United States, China, France, Russia, Belgium, Canada, Colombia and the Soviet Ukraine. Britain, Argentina and Syria abstained.

During the day the U.S. resolution was revised sharply in an attempt to meet Soviet objections and then the council rejected three of its seven paragraphs. The rejected parts included the controversial "Paragraph 1" which Austin earlier had declared was a test for partition.

The gist of this paragraph was that the council should accept the assembly's request to take the necessary measures for implementation of partition and to declare that any effort to block partition by force constituted a threat to peace.

This was defeated. It received only five affirmative votes. Seven of the council's 11 votes were needed for approval. It was supported by the United States, Belgium, France, Russia and the Soviet Ukraine. No member voted against it but the six absentions killed it.

To Submit Recommendations

The council gave the big powers ten days to submit recommendations. Their talks will be private.

Reaction to the council's decision was mixed. A Jewish Agency spokesman said the agency considered the vote a victory for partition despite the refusal of the council to make a specific commitment for implementation.

It was pointed out that the draft, as approved, contained a reference to implementation. It also was noted that the council defeated a provision which both Russia and the agency had contended would open up a possibility of Jewish-Arab conciliation attempts which might lead to confusion and delay.

One top U.N. official said the decision was "very good" for partition; but some officials attached to the 5-nation Palestine Partition Commission said it was a blow to the project for Jewish and Arab nations in Palestine by Oct. 1.

Before the final vote on the U.S. proposal, the council defeated a Belgian measure which was similar but would have been even more non-committal on partition.

The U.S. compromise moves were made by Austin in a rare give-and-take with Gromyko across the council table.

U.S. Accepts Russian Proposals On Palestine

MAR 9 1948

Lake Success, March 5 (AP)—The United States today accepted a series of Russian amendments in efforts to line up Soviet support on American proposals for meeting the Palestine-partition crisis.

United States Delegate Warren R. Austin said he agreed to several changes in plan as suggested by Russia. This was the first yielding on the American Palestine position in the United Nations Security Council.

Austin told the Council it was done in efforts to "establish harmony between the United States and the Soviet Union."

To Confer Off Floor

As the Council went into a luncheon recess, Austin and Soviet Delegate Andrei A. Gromyko agreed to confer off the floor in a move for complete agreement.

Austin accepted a Soviet suggestion for private big power consultations outside the range of the Council rather than in a Big Five committee formally responsible to the Council.

In pressing this point, Gromyko emphasized that Britain had spurned participation in any committee seeking methods to carry out partition.

Austin also agreed to a Russian move to give the big powers a maximum of fifteen days to consult. Presumably the Council would not discuss Palestine in that period.

U.S. Holds Firm

The United States, however, held firm to its demand that the Council vote today on accepting the General Assembly's decision to partition the Holy Land into Jewish and Arab nations by October 1. The Council was scheduled to resume debate this afternoon.

The United States-Soviet harmony moves came on top of these developments in the debate:

1. The Jewish Agency for Palestine informed the Council in effect that it was determined to go ahead with creation of a Jewish nation.

2. With the United States spear-

30.24 · 16033

heading the opposition, the Council rejected a proposal from Colombia to recess debate for a week without any specific provision for big-power talks. Only Syria, an Arab nation, backed up Colombia.

Only Vote Of Morning

The only vote at the morning session was on the Colombian proposal.

The United States, Russia, the Soviet Ukraine, China and Canada voted against the move. Britain, France, Belgium and Argentina abstained. Seven votes were needed for adoption.

Demands Renewed

The American delegation then renewed demands for an immediate vote on acceptance of the partition plan by the Council.

Silver Gives Stand

Dr. Abba Hillel Silver, chairman of the American section of the Jewish Agency's executive, told the council:

"We feel under obligation to make our position unmistakably clear. As far as the Jewish people is concerned, it has accepted the (partition) decision of the United Nations. We regard it as binding and we are resolved to move forward in the spirit of that decision.

"Under the plan there are dates to be met. We must assume that these dates will be met.

"We fully respect the authority of the United Nations but if it is unable to carry out its own decision and, as a consquence, the Jewish community of Palestine is confronted with the threat of annihilation, it will be compelled by the considerations of sheer survival, not to speak of the preservation of its rights, to take all the necessary measures which the situation will call for."

Off-Floor Interpretation

Zionist sources emphasized off the floor that Dr. Silver's statement meant the agency was going ahead with setting up of a Jewish country.

Dr. Silver renewed appeals calling on the United Nations to press Britain for permission to organize a Jewish militia. Britain recently turned down efforts of the United Nations Palestine Commission to help organize such a force.

"It is likewise an elementary moral obligation on the part of those nations which have approved the (partition) plan to remove all embargoes of the shipment of arms to the Jewish people of Palestine who have loyally accepted the decision of the United Nations," Silver said, "and to deny such arms to those (the Arabs) who are violently resisting it."

"Greater Urging"

The agency speaker said the organization and equipping of such a militia was of greater urgency than the sending of an international armed force into the Holy Land.

Dr. Silver questioned the usefulness of the American proposal for renewed Arab-Jewish consultations on carrying out partition. He said the proposal could only cause long delays and would be seized upon by the opponents of partition as "another opportunity to reopen the whole question."

While Dr. Silver criticized the American plan for conciliation, he said it had been "undoubtedly suggested by commendable motives."

Russia on Wednesday assailed the United States proposal for conciliation efforts as useless in view of past failures.

Replied To Creech-Jones

In reply to an attack in the council on the Zionists by Arthur Creech-Jones, British Colonial Secretary, Dr. Silver charged that the British Labor party had refused to honor a single one of its promises made to the Jews. He said Britain was following a "lawless policy" on Palestine.

"The Jewish Agency has never condoned terrorism," Dr. Silver said. "The Jewish Agency, be it remembered, has no governmental or police authority."

Dr. Silver said partition was a test case which the world was following with utmost concern. He said the outcome would determine whether the United Nations would share the fate of another peace organization which he said was "wrecked by the failure of the great powers to maintain its authority." This was an apparent reference to the defunct League of Nations.

Speaking in the debate for the first time, France's Alexander Parodi said the prestige of the United Nations was involved in the Palestine case.

Opposition By Force

"It is quite inadmissible that any member of the United Nations should oppose by force a recommendation of the General Assembly," Parodi said in obvious reference to Arab country opposition to the splitup scheme.

"Such action goes much further than mere abstention, which the Charter allows. It amounts to open revolt."

Parodi also expressed surprise that the Jewish Agency had not put down Jewish attacks in the Holy Land. He said these "amount practically to organized assassination."

The French delegate said he would support a move to strike out an American proposal for Council acceptance of the partition plan, saying the question should be decided later.

(b) The Security Council consider if circumstances during the transitional period require such consideration, whether the situation in Palestine constitutes a threat to the peace. If it decides that such a threat exists, and in order to maintain international peace and security, the Security Council should supplement the authorization of the General Assembly by taking measures, under Article 39 and 41 † of the Charter, to empower the United Nations Commission, as provided in this resolution, to exercise in Palestine the functions which are assigned to it by this resolution.

†The relevant parts of the articles referred to in Paragraph (b) are as follows:

Support Palestine Split

Washington, March 5 (AP)—Three members of Congress, each with a different party label, called on the United States today to stiffen its attitude on the Palestine partition.

Representative Isacson, new American Labor party member from New York city, urged in his first House speech that President Truman lift the ban on shipment of arms to Palestine, and take steps to bring about "full implementation" of the United Nations Palestine partition decision.

Senator Morse, Oregon Republican, told his colleagues that "the State Department is faltering" in its support of the United Nations decision, and should "stop diplomatic double-talk and double-dealing" on the issue.

Senator Taylor of Idaho, who was elected as a Democrat but who has agreed to be Henry A. Wallace's third-party running mate, introduced a resolution instructing United States representatives on the United Security Council to support all measures to make the partition decision effective.

Early Trial Expected In Gandhi-Death Case

New Delhi, March 5 (AP)—A high police official said today he expected Narayan Vinayak Godse to come to trial within the next few weeks on charges that he assasinated Mohandas K. Gandhi January 30.

The official declined to say where the trial would be held. Godse now is being held in Bombay, which investigators have termed the headquarters of a conspiracy against Gandhi's life.

Chinese Relief Forces Near Sinmin

MAR 9 1948

Peiping, March 5 (AP)—National armies today were reported on the verge of reopening the southwest Manchurian corridor to isolated Mukden.

Pro-Government dispatches said relief forces attacking the Communists northeastward along the Mukden-Peiping railway were only a few miles from Sinmin, 30 miles west of Mukden.

[If true, this would mean that forces striking westward out of Mukden and the relief columns are about to form a juncture at Sinmin. Recapture of Sinmin and the reopening of rail traffic from there to Mukden was reported in dispatches reaching Nanking.]

Could Change Ebbing Tide

Communists closed the land route to Mukden last fall, wrecking the rail line in many places. Reopening of this supply line could change the ebbing tide of the Government's military fortunes in Manchuria.

The Communists control more than 90 per cent of the vast territory, but the Nationals have clung to its major cities.

Chinese dispatches reported the recapture of Penki, coal center 35 miles southeast of Mukden. Previous reports said the Reds, after removing machinery from the mines, withdrew southward to Anshan, steel center which they captured recently.

Skirmishes At Szepingkai

Skirmishes were reported at Szepingkai, Government stronghold about 100 miles northeast of Mukden. The Communists yesterday were said to be intensifying the siege.

Government military quarters said the action around Szenpingkai indicated that the Communists had shifted to the north because they didn't have the strength to take Mukden.

[Nanking said the Chinese Air Force had virtually stopped its tactical operations because of a critical shortage of maintenance and replacements.]

Appeal For War Aid

Nanking, March 5 (AP)—The first official Chinese appeal for United States military assistance against the Communists was made today by the Nanking Municipal Council.

The council sent this message to President Truman and Congress:

"We beg that you come to an immediate decision to supply military assistance. In so doing, you will help crush the Chinese Communists which are but a link in the Communist world party."

A council resolution said: "Our critical situation in the northeast (Manchuria) is partly a direct outcome of the secret pact in the Yalta agreement."

U.S. Seaman Is Seized By Chinese Reds

MAR 9 1948

San Francisco, March 5 (AP)—The Chinese Communist radio reported today an American was captured February 28 when the Reds seized Yingkow, South Manchurian seaport.

The broadcast, heard here, did not identify him, but said he was the chief engineer of one of two Chinese ships taken.

One of the vessels was described as the North Pole No. 1, an icebreaker, and the other a 3,500-ton LST, No. 105. Both were obtained by China from the United States.

The Communists are holding four United States Marines captured Christmas Day on a hunting trip north of Tsingtao. A fifth leatherneck was slain.

PUBLIC EXECUTION SEEN 'EMBARRASSING'

Peiping, March 5 (A. P.).—Manchu-born Princess Yoshiko Kawashima, sentenced to die for espionage, said today she would be "greatly embarrassed if executed in public. She asked to be shot in private, and without fanfare.

The princess was called the "Mata Hari of Asia" at her trial last fall. Date of her execution has not been announced.

She said she did not want to be shot at Peiping's Bridge of Heaven, a favorite sightseeing spot.

"Only real traitors and other criminals are usually shot there," she told her lawyers.

Shiratori Collapses In Courtroom

Tokyo, March 5 (AP)—Defendant Toshio Shiratori, 61, former Ambassador to Italy, collapsed today at the trial of 25 Japanese war leaders and was taken to a United States Army hospital.

Shiratori apparently suffered a relapse of a respiratory ailment, which kept him in a hospital three weeks recently. He fell as he walked unsteadily from the prisoners' dock at the afternoon recess.

Capt. John R. Kersten, of Fort Dodge, Iowa, medical officer, said Shiratori's condition was not critical.

Smuggling Warfare Flares In S.W. Honshu

Tokyo, March 5 (AP)—A series of clashes between New Zealand troops and smugglers in southwest Honshu resulted in the wounding of one soldier and proclamation of a limited state of emergency, it was reported reliably today..

An informant said a New Zealand sergeant was shot through the leg while on patrol last week. He was watching for Korean smugglers and Japanese black-market operators.

The sergeant, unidentified, was reported to have previously broken up several smuggling rings operating between the south tip of Korea and the Japanese islands.

The informant said all New Zealand occupation troops in the area now carry sidearms.

ASIANS FIGHT RICE LOSSES

Siam Using Navy to End Illegal Export, Baguio Parley Hears

BAGUIO, Philippines, March 5 (AP)—Siam is imposing life imprisonment on persons convicted of smuggling rice to other countries, the United Nations World Rice Conference was told today.

The Siamese delegation reported Siam's small navy was being mobilized in an effort to stop the smuggling. More than 40,000 tons of rice are taken out of Siam illegally each year.

Burma estimated her smuggled-out losses at 60,000 to 70,000 tons.

The conference production committee was told that South American nations are moving steadily toward production of large rice crops by development of irrigation.

Roxas Meets Swedish Envoy

Manila, March 5 (AP)—President Roxas today received Torsten Luddvig Hammarstroem, Swedish Ambassador to China and new Minister to the Philippines. Both said their governments look forward to conclusion of treaties of amity and general relations, commerce and navigation.

West Java Parliament Okays Name Change

Bandoeng, Java, March 5 (AP)—The West Java Provisional Parliament approved a measure today changing the new state's name from West Java to Negara.

The Parliament also indorsed the Renville truce provisions that any West Java government be temporary pending the outcome of a plebiscite in the area.

CANADA BARS REDS

Ottawa, March 5 (A. P.).—Canada has ordered its border police to stop any alien Communists who try to enter the country.

The instructions were issued as the result of a Cabinet decision to move against Communists from other countries. The decision was said to be aimed particularly at Communists who are known to have been entering Canada from the United States in recent years as labor union officials.

G. O. P. SENATORS CLASH SHARPLY ON AID PROGRAM

MAR 9 1948

WASHINGTON, March 5—(AP) Republican senators clashed head-on over the aims and probable results of the Marshall plan today with tempers flaring toward the end of the session.

Senator Hawkes (R-NJ) lighted the fuse by declaring "any sane man knows" the $5,300,000,000 program will fail to stop communism, will depress this country's living standard and may lead to World War III.

His voice shaking with emotion, Hawkes said he lost a son in the last war. "I want my little grandson," he cried, "to know I didn't vote to sell the United States down the river."

Draws Protest from Lodge

Indignantly, Senator Lodge (R-Mass), World War II army officer, said Hawkes had no right to question "the patriotism and sanity" of those backing the European recovery plan.

"If this bill were to succeed 100 per cent," Lodge said, "you would see free trade all over Europe between the west and the east. It would mean that the iron curtain would have broken down."

Lodge appeared as "quarterback" for the aid bill, defending it in a series of exchanges with half dozen GOP senators. Only one or two Democrats were on the floor most of the time. They kept out of the argument.

Later, Senator George (D-Ga) introduced two amendments designed, he said, to make clear just how farm products should be bought for shipment abroad..

One amendment would require that "established trade channels" be used as far as possible. The other says commodities must be procured when there is an exportable surplus of them.

A far-reaching amendment by Senator Ball (R-Minn)—to set up a vetoless international agency to resist communism—apparently was doomed. Senator Taft (R-Ohio), chairman of the GOP Policy Committee, joined chairman Vandenberg (R-Mich) of the Foreign Relations Committee in opposing it.

Seek to Speed Action

Outside the capitol, the committee for the Marshall Plan held a meeting to step up its campaign for congressional approval of the program without long drawn-out debate.

Secretary of State Marshall, in an off-the-record talk, reportedly stressed the need for final action before the April elections in Italy, when many U. S. officials expect another communist attempt to seize power.

Rep. Mike Mansfield (D-Mont) said as much on the record: "If we lose Italy, we can lose Austria, Germany and possibly France. Our position in Greece and Turkey would become untenable. And we would lose our entrance into the Middle East."

Among the 200 committee members there were E. A. Emerson, president of the Armco International Corporation; Mrs. J. L. Blair Buck, president of the General Federation of Women's Clubs; CIO Secretary-Treasurer James B. Carey and Joseph C. Grew, former ambassador to Japan.

The senate now has completed the first of about two weeks' debate on the bill. The house foreign affairs committee studied the proposed senate measure at a closed session today.

Steps Up Drive for E. R. P.

WASHINGTON, March 5 (AP).—The Committee for the Marshall Plan held a meeting to step up its campaign for Congressional approval of the program without long drawn-out debate.

Secretary of State George C. Marshall, in an off-the-record talk, reportedly stressed the need for final action before the April elections in Italy. Representative Mike Mansfield, Democrat, of Montana, among the other speakers, said, "If we lose Italy, we can lose Austria, Germany and possibly France. Our position in Greece and Turkey would become untenable. And we would lose our entrance into the Middle East."

Among the 200 committee members there were E. A. Emerson, president of the Armco International Corporation; Mrs. J. L. Blair Buck, president of the General Federation of Women's Clubs; James B. Carey, Congress of Industrial Organizations secretary-treasurer, and Joseph C. Grew, former Ambassador to Japan.

At the Capitol an amendment by Senator Joseph H. Ball, Republican, of Minnesota, to set up a new, veto-less international agency to resist Communism—apparently was doomed. Senator Robert A. Taft, of Ohio, chairman of the Senate Republican Policy Committee, joined Senator Arthur H. Vandenberg, Republican, of Michigan, chairman of the Senate Foreign Relations Committee, in opposing it.

U.S. REJECTS SOVIET BLOC'S NOTE ON REICH

MAR 9 1948

Yugoslavia, Czechoslovakia, Poland Refused Policy Roles

Washington, March 5 (AP)—The United States bluntly rejected today a joint request from Yugoslavia, Czechoslovakia and Poland that they be consulted on American policies in Germany.

The rejection was stated in identical notes sent by Robert A. Lovett, Under Secretary of State, to the Polish, Yugolsav and Czechoslovak embassies.

Russia had supported the request of the three satellite nations and copies of the note were also supplied to the Soviet Embassy.

The joint request was based on a resolution adopted by the foreign ministers of the three eastern European governments at Prague February 18. In general this resolution denounced the policies of the United States, Britain and France in reconstructing western Germany.

Text Of Lovett's Notes

The State Department released the texts of Lovett's notes. In each case they said:

"With reference to your note of February 23, 1948, transmitting the text of the declaration concerning German problems, drawn up by the ministers of foreign affairs of Czechoslovakia, Poland and Yugoslavia at their recent conference in Praha (Prague), I have the honor to inform you that this resolution contains so many statements which are not in accord with the facts that discussion of its contents would serve no useful purpose.

"Accept, Excellency, the renewed assurances of my highest consideration."

MAR 9 1948

Czech Quit Post

The notes were addressed to Ambassador Sava N. Kosanovic, of Yugoslavia; former Ambassador Juraj Slavik, of Czechoslovakia, and Stefan Rogonzinski, the Polish *charge d'affaires*.

Slavik had resigned in protest against the communization of the Czech Government before the note was delivered, but the State Department had not received official notice of his resignation in time to readdress the note.

RUSSIA PLANNING 'ARMS PLANTS' IN SATELLITE LANDS

MAR 9 1948

WASHINGTON, March 5—(AP) A House committee reported today that Russia is bent on having her satellite nations build up heavy industries which can quickly change over to producing "military goods."

The special committee on foreign aid, headed by Rep. Herter (R-Mass), also said in a report:

1. The United States, in effect, is "financing Finnish reparations payments" to Russia by lending Finland money for equipment to produce lumber. It said Finland has to export lumber to pay off Russia.

Plundering Program

2. Soviet policy toward Finland, Hungary and Romania "has been directed primarily to plundering."

3. In Bulgaria, Czechoslovakia, Poland and Yugoslavia, Russia is trying to develop Soviet-type governments.

4. In the future, "it is likely that Soviet policy will x x x be more political, less economic."

5. In eastern Europe, opposition parties "have been too ruthlessly shattered to permit of their offering any effective resistance to the Sovietization process; even in Czechoslovakia and Finland, the last countries to boast of opposition groups, the noose is tightening.

6. Because of the "friendly" character of the satellite governments, Russia apparently has been able to get away with charging them high prices for what it sells and paying low prices for what it buys.

The report was issued with the idea of showing how conditions in the Soviet satellites may affect the recovery program for western Europe.

It said the smaller countries are committed to a large volume of trade with Russia. It said their total exports still are considerably below prewar levels.

"Even if these countries could regain their prewar volume of exports," it said, "a considerably smaller volume of goods would be forthcoming to western Europe."

It said it is "unlikely" that eastern Europe will "withdraw completely into itself" because that would harm its economy.

Because of strained relations with the U. S., the report said Russia may turn to western Europe to buy needed machinery.

STOP RUSSIA NOW, TWO OFFICIALS URGE

WESTOVER AIR FORCE BASE Mass., March 5—(AP) Two officials of the military government of Germany tonight called for American action "to stop Russia right now" upon their arrival here aboard an air transport command plane from overseas.

The officials were James R. Newman of Akron, Ohio, civil governor of the province of Hesse, and Louis Glaser of Washington, D. C., chief of civil administration and political affairs in Berlin.

"We must stop the Russians right now," said Newman, "even if a show of force is necessary."

Travelers Aid Convention Asked to Seek Revision of Senate Bill

KANSAS CITY, March 5 (AP).—Mrs. Cecilia Davidson, of New York, a consultant on refugees and displaced persons to the Citizens Committee on Displaced Persons, suggested today that the National Travelers Aid Association's convention urge the Senate to pass an amended version of the bill allowing entrance of displaced persons to this country and facilitate establishment of displaced persons after they are admitted to the United States.

"Most of them (the displaced persons) mention going to New York," she said, "but that is only because they know only of New York. They should be taken on ships to New Orleans or Houston, Tex., docks, then sent to the Mid-West and Western states, where workers are badly needed in many types of industry or agriculture."

Mrs. Davidson said the new Senate bill could help the European refugee problem if the 100,000 entrance limit were raised and the period for admittance were lengthened.

MacVeagh Shifted To Lisbon Embassy

Transfer From Athens Is Called Griswold Victory

WASHINGTON, March 5 (AP).—President Truman today moved Ambassador Lincoln MacVeagh from Greece to Portugal.

This in effect was a victory for Dwight Griswold, American economic boss in Athens. Mr. MacVeagh and Mr. Griswold have been in a behind-the-scenes argument over handling of the $300,000,000 American aid program to Greece.

Mr. MacVeagh, American envoy to Greece since Dec. 12, 1943, has been in United States six months recovering from an operation.

Mr. Griswold, former Governor of Nebraska, has differed with him frequently, but State Department officials said this was caused by overlapping authority and had been ironed out satisfactorily.

Government officials, however, said President Truman might delay naming a successor to Mr. MacVeagh in Athens until next July to give Mr. Griswold a chance to complete the American economic and military programs.

The $300,000,000 is scheduled to be spent by June 30. The State Department hopes Congress will then approve $275,000,000 to carry on a strictly military aid program for Greece and Turkey.

Mr. MacVeagh, a diplomat with twenty-five years experience, will succeed John C. Wiley, who has been named Ambassador to Iran.

4 TO 6 BILLIONS TAX CUT URGED BY ROSWELL MAGILL

MAR 9 1948

Slash Would Ease Collection Costs, Former Treasury Official Says.

NAM BACKS REDUCTION

Over-Taxation Is Menace to Nation's Economy, Senate Group Told.

WASHINGTON, March 5—(AP) A tax cut of $6,500,000,000 actually wouldn't take that much from the treasury, Roswell Magill, of Weston, Conn., former New Deal treasury official, told the Senate Finance Committee today.

He said the loss in revenue would be lower than the house-approved six and a half billion figure because:

"People do not wrestle quite so hard to find the last dollar of lawful deductions. Evasion is less tempting. Collection becomes easier, less costly."

The committee is considering the house bill. The senate is expected to make this figure lower.

Magill, speaking in favor of a cut of from 4 to 6 billions ,said treasury surpluses for 1947 and 1948 tops $16,400,000,000.

NAM Backs Cut

The National Association of Manufacturers (NAM) also backed the proposed tax cut. But it added the suggested total is not enough to provide "risk capital" for business and industrial expansion.

Don G. Mitchell, NAM witness, said they supported the present move because NAM hoped for a bigger tax cut later.

"If the nation does not have a thorough-going tax reform," he said, "over-taxation will kill the goose that lays the golden eggs of better jobs, better wages, better goods, lower prices."

Mitchell is president of Sylvania Electric Products of New York, and chairman of NAM's taxation committee.

Using government charts and data and President Truman's economic reports, he said business will be short about $50,000,000,000 in risk or venture capital for investments during the next six or seven years.

He said the best way to provide venture capital is by a "drastic revision of tax rates on both individual and corporate incomes."

Taft Gives Views

Senator Taft (R-Ohio) told the committee he didn't see the day coming "when you are going to put back large fortunes again and have a lot of angels starting small companies."

He suggested that business find other ways for accumulating funds. He said this might be through a reduction of capital gains tax rates, allowing business to retain more profits for expansion.

Another way, he said, would be to stimulate savings by small income earners for such investments, possibly with partial government insurance of such pools of funds.

The National Lawyers Guild opposed both the Knutson Bill and President Truman's proposal for a flat $40 cut for everybody.

Robert J. Silverstein, executive secretary of the guild, asked that tax cuts be concentrated in the lower income brackets.

WHEAT-EXPORT PRICE HINTED

36-Nation Pact Said To Have Set $2 A Bushel Maximum

Washington, March 5 (AP)—Diplomatic officials said today representatives of 36 countries have drawn up a five-year agreement setting a maximum price of $2 a bushel for wheat exported from the United States, Canada and Australia.

These informants, who asked not to be quoted by name, said it will be signed and officially announced tomorrow.

They said N. R. Dodd, Under Secretary of Agriculture, will sign for the United States.

He headed the American delegation that helped draw up the agreement.

Several To Fight It

Final approval by the United States depends on favorable action by Congress. Several farm bloc congressmen have served notice they will fight against any move to fix prices for wheat.

Senator Young (D., N.D.) said he favors waiting a few years before acting on such an agreement. Representative Clifford R. Hope (R., Kan.), chairman of the House Agriculture Committee, said he is "open minded" on the question and will consider it carefully.

The $2-a-bushel price is about 50 cents lower than the present market price.

Minimum Price Guarantee

The plan, as reported by diplomatic officials, guarantees a minimum price or "floor" of $1.50 a bushel the first year. The minimum drops 10 cents a bushel annually until 1952 it is $1.10.

In return for the price assurances, the 33 importing countries promise to buy at least 500,000,000 bushels of wheat from the United States, Canada and Australia. Canada, long a heavy exporter of wheat, would export 230,000,000 bushels of this; the United States 185,000,000 bushels, and Australia 85,000,000 bushels.

Two other important grain exporting countries—Russia and Argentina—refused to participate in the agreement. Russia declined to send any delegate. Argentina sent an observer, but later recalled him. It announced it would not participate in any pact on wheat unless a broader economic pact was negotiated, too.

Truman Seeks End Of WAA In June

Washington, March 5 (AP)—President Truman asked Congress today to wind up the War Assets Administration June 30.

The disposal of remaining domestic surplus war property would be transferred to the Federal Works Agency.

Of the original $40,000,000,000 worth of surplus property, about $5,400,000,000 will remain to be disposed of at home by June 30.

The $600,000,000 worth left to be sold abroad by that date would be transferred from the State Department to the owning agencies for handling. These agencies primarily are the Army and Navy departments.

Special Message

Mr. Truman also recommended that Government procurement and disposal functions be consolidated by transferring the Bureau of Federal Supply to the works agency.

In a special message to Congress, Mr. Truman said:

"The enactment of such legislation will abolish our largest remaining war agency and provide for an orderly liquidation of the present war surplus disposal program.

"It will establish an improved system for managing the Government's property and mark a major advance toward the development of a central service agency for the

Federal Government. These steps will make an important contribution to the efficient and economical conduct of the Government."

Priorities Change Asked

Mr. Truman asked that the priorities and preference requirements of the Surplus Property Act applying to personal property should be struck out. Those applying to real property would continue until December 31, 1949.

Mr. Truman also asked that the priority and preference provisions be stopped with respect to consumer and producer goods and such items as aircraft, electronic equipment and other miscellaneous items. There will be about $500,000,000 of consumer and producer goods remaining on June 30 and $1,200,000,000 of aircraft and similar items.

Difference Cited

He said a different situation exists, however, regarding surplus real property, of which $2,600,000,000 will remain for disposal along with $1,100,000,000 under lease. He said a long-range program will be required for the disposition of this property.

Of his plan to merge the Bureau of Federal Supply, now in the Treasury Department, with the Federal Works Agency, Mr. Truman said:

This will permit establishment of an efficient system to "insure that equipment no longer needed by one agency is made available to other agencies and to prevent the purchase of new equipment when surplus equipment is already available."

The Chief Executive was greeted by half a dozen members of his Cabinet on his arrival.

Mrs. Truman and their daughter Margaret also were at the airport. The President kissed them both.

Will Meet McGrath

In addition to his meeting with his Cabinet, the first in three weeks, Mr. Truman will hold an early conference with Senator McGrath (D., R.I.), chairman of the Democratic National Committee.

Southern Democratic protests against his civil rights proposals have continued without abatement since he left Washington February 25 for a visit to Puerto Rico and the largely Negro Virgin Islands.

A special message to Congress recommending early termination of the War Assets Administration went back to Washington yesterday on a special courier plane.

'SHOWDOWN' DUE ON CONDON

MAR 9 1948

Congress, U.S. Department

Plan To Test Strength

Washington, March 5 (AP)—A new test of strength between Congress and the executive branch of Government was built up today in the Condon case.

The Commerce Department formally refused to turn over its loyalty files on Dr. Edward U. Condon to the House Committee on Un-American Activities.

Representative J. Parnell Thomas (R. N.J.), chairman of the House committee, declared there is going to be a "showdown." He didn't specify when.

Three other Republican congressmen made speeches criticizing W. Averell Harriman, Secretary of Commerce, for refusing to turn over the papers which the committee sought to subpoena.

Condon Favors Hearings

Condon, director of the National Bureau of Standards, said he certainly has no objection to the hearings which Thomas said will be held. In fact, Condon said, he asked for a hearing last July.

A subcommittee of the Un-American Activities group charged last Monday that he had mingled "knowingly or unknowingly" with alleged Russian spies, and was "one of the weakest links" in the nation's chain of atomic security. Condon commented that the country has nothing to worry about—he is thoroughly reliable.

It had been known since last night that the Commerce Department had no intention of turning over its Loyalty Board's investigation of the 46-year-old scientist.

Against Public Interest

Secretary Harriman said it would be against the public interest to make such confidential information public. At the same time, he assured the committee that the departmental Loyalty Board had decided unanimously February 24 that "no reasonable grounds" exist to doubt Condon's loyalty.

John L. Towne, secretary of the Loyalty Board, appeared before the committee today in response to a subpoena. But he didn't bring the papers and wouldn't even talk about them.

A little later, Representative Rankin (D., Miss.) asked that the full report of the committee's own investigator assigned to the Condon case be put in the record.

Representative Nixon (R., Cal.) blocked the move. He told Rankin that a Federal grand jury sitting in New York is investigating alleged spying by Americans and aliens. He said the jury's findings might be "prejudiced" if the committee's record were made public.

A special Federal grand jury was convened in New York city last summer and has been sitting intermittently ever since. It currently is in recess, but will sit again about mid-March.

What the grand jury is investigating has been one of the Justice Department's top secrets. Department officials repeatedly have declined to discuss the matter.

Condon, who showed up as an onlooker at today's committee session, said he hadn't "the slightest idea" who the Russian spy the committee accused him of associating with is supposed to be. And he said the committee's report was mistaken in stating he has associated with Mrs. Jozef Winiewicz, wife of the Polish Ambassador. Condon said he doesn't even know her.

Would End Smearing

Committee Chairman Thomas was ill at his home in Allendale, N.J., and was unable to set a date for the "showdown" hearings. But he has announced through his office here that both Condon and Harriman will be called on to testify.

Condon has asked the Joint Committee on Atomic Energy to hold a hearing in his case and "put an end to the smearing of scientists" in and out of Government.

He said that if matters continue as they are, it is going to be hard to hold any young research men in Government laboratories.

"The time has come to raise hell about it, because of the national weakness that is bound to result from such a Government policy," he told an interviewer.

Probe Typical Of Goebbels

In a televised interview, Dr. Condon said tonight the investigation of his loyalty is being conducted in a manner typical of Joseph Goebbels.

Goebbels was Hitler's propaganda minister.

Dr. Condon said he had been subject to sniping instead of being given a clearcut examination after he had asked for an investigation last summer.

Christoffel, Ex-Union Official, Gets 2 To 6 Years As Perjurer

MAR 9 1948

Washington, March 5 (AP)—Harold Christoffel, Milwaukee labor leader who was convicted of perjury because he swore he was not a Communist, was given a two to six year prison sentence today. His lawyers said they would carry the case to the Supreme Court if necessary.

Christoffel was convicted by a Federal District Court jury Wednesday on charges that he lied about his alleged Communist connections to the House Labor Committee last March.

Judge Edward M. Curran imposed the sentence today after striking out one of the six counts against the defendant.

Declines Comment

Judge Curran said the sentence was based on the indictment as a whole and not upon the separate counts on which Christoffel was convicted. He could have been given a two to ten year sentence on each count.

A low "no, sir" was the only comment from the former union official when asked if he had anything to say.

O. John Rogge, Christoffel's defense counsel, said he would carry the case to the United States Circuit Court of Appeals and then to the Supreme Court if necessary.

Christoffel did not take the stand in his own defense. Only six defense witnesses were called, and all testified that his reputation for honesty was "good."

Accused By Budenz

Louis F. Budenz, former Communist and former managing editor of the *Daily Worker*, said Christoffel was a Communist.

Christoffel told the House committee he was not and never had been a Communist. He was former president of Union Local 248, United Auto Workers (CIO), at the Milwaukee Allis-Chalmers plant.

Christoffel also was charged with denying falsely that he knew Fred B. Blair and Ned Sparks, both Wisconsin Communists. Testimony was given that he was seen with them several times.

Returned To Jail

Judge Curran first denied a plea by Rogge for a new trial, for Christoffel's freedom on bail, and for a directed verdict of acquittal on all counts.

The judge threw out the one count in which Christoffel was charged with falsely stating he had never been a member of the Communist Political Association.

Christoffel was sent to the district jail when the jury returned its verdict Wednesday night and returned there after his sentence today.

He wore a dark brown suit-coat and lighter brown trousers. His features were drawn, but he gave no other indication of emotion.

Late in the afternoon, Acting Chief Justice Harold Stephens of the Circuit Court of Appeals declined to hear a motion immediately that Christoffel be released on bond.

At an informal hearing at which counsel for the Government and the defendant were present, Stephens gave John S. Pratt, chief Government prosecutor, until Tuesday to file a written objection to the granting of bail.

Thus Christoffel is expected to remain in the District jail until the question of bail is settled.

Pratt said that, in the event bail is granted, he will recommend that it be set at $5,000 until the Court of Appeals reviews the case.

Motion for an appeal was filed earlier in the day by Rogge.

Rogge's main point on appeal is expected to center around the question of whether a quorum, or majority, of the 25-man Labor Committee was present at the time

JUDGE PONDERS BAIL FOR 3 ALLEGED REDS

NEW YORK, March 5—(AP) Three alleged alien communists who sought release on bail pending deportation proceedings must remain on Ellis Island a while longer.

The matter of bail came up before Federal Judge William Bondy today but he informed attorneys he must give the matter further study. He declined to release the men in the meantime.

The men are Gerhart Eisler, alleged No. 1 U. S. communist; John Williamson, labor secretary of the Communist Party, and Charles A. Doyle, president of the CIO United Gas, Coke and Chemical Workers Union.

They and Ferdinand C. Smith, secretary of the CIO National Maritime Union, have staged what they called a "hunger strike" in an effort to secure release on bail. A deportation hearing for Smith will begin soon.

A fifth, Irving Potash, CIO Furriers' Union official, has been released in bail.

RUBINSTEIN SEEKS CONVICTION REVIEW

WASHINGTON, March 5—(AP) Serge M. Rubinstein, Russian-born financier, asked the supreme court today to review his conviction in New York of violating the Selective Service Act.

Rubinstein was sentenced last April 23 to two and a half years in prison and was fined $50,000.

Rubenstein came to this country in 1938 and reportedly ran a small stake into millions in Wall Street operations. The government charged he filed false statements with his draft board. These included assertions that he was essential to wartime operations of some of the companies he controlled.

Allen Gordon Foster, a co-defendant of Rubinstein, also appealed to the supreme court. Foster was convicted of aiding Rubinstein to evade military service. Foster was given a suspended sentence of two years, placed on probation for five years, and fined $10,000.

Hopley To Direct New Defense Unit

Washington, March 5 (AP)—Russell J. Hopley was named director today of a new civil-defense planning unit, designed to help proteet America from mass destruction by atom bombs.

Hopley, of Omaha, is president of the Northwestern Bell Telephone Company and executive of the Bell Telephone System.

He was appointed by James V. Forrestal, Secretary of Defense.

The defense planning unit succeeds the old wartime Office of Civilian Defense. Its job includes a plan for creating a permanent civil defense agency to protect the nation's population and industry from atomic-age warfare.

Forrestal said one of the jobs of the director would be to "separate the fantastic from the possible" in deciding the system of defense needed in modern war.

Uranium 233, New Atomic Metal, Is Made From Thorium

MAR 9 1948

New York, March 5 (AP)—Dr. Glenn T. Seaborg, famous atomic scientist, disclosed tonight that the first small pieces of a new kind of atomic bomb and fuel metal have been manufactured.

The new metal is Uranium 233, made by changing the heavy metal thorium into uranium. This new form of uranium does not exist naturally on earth. Neither is it known to exist in the stars.

A small part of an ounce of the new metal, Dr. Seaborg reported, has been made in the Hanford (Wash.) uranium-graphite, chain-reacting, atomic piles. The total new metal is a few hundred milligrams.

Statement Not Amplified

This statement was not amplified. But it means that the atomic ovens which change uranium into plutonium also can bake more than one kind of atomic metal.

These ovens were built to change uranium. Whether they can be used, without alterations, to change thorium, too, Dr. Seaborg did not say. But the fact that the same oven has produced both kinds of transmuted, man-made metals shows that thorium's use for atomic power is practicable.

Since thorium is three times more plentiful than uranium, it will be the world's main reliance for atomic power. Uranium is so scarce that the known supplies would not keep the present-size American power industry running more than five years.

Power Is Multiplied

When uranium is converted into plutonium this power supply is multiplied, probably by 100 times But even so the plutonium power supply is far less than that in prospect from thorium.

Dr. Seaborg also disclosed that uranium 233, when manufactured by transmutation, will last for many thousands of years. Its "life" is far longer than that of plutonium. The thorium transmutation produces a new atomic metal that will half disintergrate in 162,000 years. Plutonium does the same half disintegration in about 24,000 years.

Mr. Seaborg made the disclosures in a paper prepared for his response to award of the William H. Nichols Medal of the New York section of the American Chemical Society.

Savants Learning To Fight Radiation

Chicago, March 5 (AP)—A scientist today reported progress in preventing damage to the blood cells by rays accompanying release of atomic energy.

Such damage was suffered by survivors of the atomic bombings of Hiroshima and Nagasaki during the war.

Dr. Leon O. Jacobson, assistant professor of medicine at the University of Chicago, described the development as an advance against radiation diseases which will rank foremost among new medical problems in the atomic age.

Radiation damage has been prevented in experimental animals, he said, by stimulating blood forming tissues in the bone marrow and spleen. This halts the anemia ordinarily produced by large doses of radiation.

Discovery Reported

The discovery was made by investigators from the Argonne National Laboratory and the University of Chicago clinics. It was reported in *Science Magazine* by the researchers.

Their study was begun during the war to determine whether personnel engaged in atomic energy research would be affected more adversely by radiation than normal individuals.

It was concerned chiefly with women, who are commonly anemic.

Dr. Jacobson said the findings in the experiments with animals refute the accepted concept that the more actively dividing cells of the body are the most sensitive to radiation.

Rabbits Suffered

Animals with regenerative anemia before radiation developed no further anemia and recovered immediately.

Rabbits with normal growing red corpuscles developed severe anemia when irradiated. The blood-forming cells in the bone marrow and spleen were destroyed.

Methods involved in stimulating red corpuscles to prevent radiation damage include the administration of phenyldrazine, a drug used in the treatment of patients with an abnormal excess of red blood corpuscles, bleeding or change of oxygen saturation.

Tribune Asks Royall To Punish Gen. Taylor

MAR 9 1948

Chicago, March 5 (AP)—The Chicago *Tribune* has made a formal protest to Secretary of Army Kenneth G. Royall in connection with its recent complaint against Brig. Gen. Telford Taylor, chief prosecutor at the Nuernberg war crimes trials.

The *Tribune* said it asked for the punishment of Taylor and two of his subordinates for what it described as "theft of literary property, malfeasance and unbefitting conduct."

The aides named were E. C. Deane, army public relations officer in Germany, and his assistant, Anne Turner.

The *Tribune* said the protest was based "on the unauthorized and extralegal interception by General Taylor and his aides of a news dispatch filed by Hal Foust, *Tribune* correspondent, from Nuernberg on February 22."

Foust's story contained an interview with Judge Charles F Wennerstrum, of Iowa, a presiding judge at the trials. In the interview he sharply criticized the prosecution.

The *Tribune* said that before Foust's story was published, Taylor issued a statement answering the criticism. It charges that by "misrepresentation and fraud" Taylor obtained a copy of Foust's story while it was awaiting transmission in the Frankfurt (Germany) office of Press Wireless.

The *Tribune* said it asked for punishment of General Taylor and his associates "for the good of the service and to deter others from engaging in similar pursuits."

2-Gun Cowboys! Naked Women! Stir 'Voice of America' Protest

MAR 9 1948

By ED CREAGH

WASHINGTON, March 5 (AP)—Two-gun cowboys! Outlaws in the mayor's office! Feathered and naked women!

Rep. Rich (R-Pa) raised his hands to high heavens. That, he declared, is how our state department is picturing the United States to Latin-America.

"I just feel like resigning from congress," he said with a tear in his voice.

Rich is the manufacturer-congressman who rises almost daily in the house to demand: "Where are you going to get the money?"

As to what the taxpayers' cash is being spent on, he read into today's congressional record a "Voice of America" radio script broadcast, he said, to South America about three weeks ago.

Give a listen to the dialogue:

"There was a time when all the inhabitants of Cheyenne were outlaws, including the mayor." (laughter)

"I suppose that he was elected by his own gang, like in the movies?"

"Of course."

That was in the good old days. Today:

"Look at those cowboys! Every one of them carries two guns. . . . In Wyoming, all citizens are allowed to carry firearms if they keep them in plain view."

The script gets better:

"Look! What magnificant Indian girls!"

"Feathered and naked"

"What are they going to do?"

Nothing but run a footrace, as it turns out. Disappointed?

Final announcement: "You have just heard 'Know North America,' a weekly program in which we relate the intellectual adventures of two travelers who are discovering the multiple surprises of historic and present-day life in the U. S."

Surprises, indeed, said Rep. Rich. "I want the members of congress to see how silly they have been in voting this money for the Voice of America," he told the house.

The "Voice of America" did not immediately voice any comment.

NEW YORK, March 5—(AP) The State Department's radio advisory committee today called for "immediate steps to strengthen the 'Voice of America'."

Through the "Voice of America" programs, the State Department beams radio news programs to foreign countries.

Urging Congress to provide funds for expansion of the programs, the committee said:

"Even the amount originally requested by the State Department for international broadcasting during the next fiscal year—$13,750,750—is substantially less than that now being spent by other major powers."

DR. SLAVIK, WHO RESIGNED HIS DIPLOMATIC POST WEDNESDAY, WAS INTERVIEWED BEFORE ADDRESSING A MEETING OF THE AMERICAN-CZECHOSLOVAK SOCIETY TONIGHT. THE MEETING HONORED THE 98TH BIRTHDAY ANNIVERSARY OF THOMAS MASARYK, FOUNDER OF THE CZECHOSLOVAK REPUBLIC.

IN ADDRESSING THE SOCIETY, DR. SLAVIK SAID MASARYK WAS A POLITICAL EXILE IN WORLD WAR I AND EDUARD BENES, THE PRESENT CZECHOSLOVAK PRESIDENT, WAS ONE IN WORLD WAR II. NOW, HE SAID, THERE ARE MANY POLITICAL REFUGEES WHO NEED FINANCIAL AND MORAL SUPPORT OF AMERICANS OF CZECH EXTRACTION.

FIRST LEAD UPDATED COMMUNIST ROUNDUP

MAR 9 1948

BY THE ASSOCIATED PRESS

MOST MEMBERS OF FINLAND'S PARLIAMENT WANT NO MILITARY PACT WITH RUSSIA, BUT ARE WILLING TO DICKER OTHERWISE ON A NEW FINNISH-SOVIET TREATY, UNDER DECISIONS DISCLOSED TODAY.

THE CONSERVATIVES AND THE LIBERALS LINED UP WITH THE FACTION OPPOSED TO A MILITARY TIE, GIVING THIS FACTION 101 OF THE 200 SEATS IN PARLIAMENT.

AT THE SAME TIME THE CONSERVATIVES AND LIBERALS JOINED OTHER PARTIES AND BLOCS TO MAKE A MAJORITY APPROVING THE OPENING OF NEGOTIATIONS WITH THE SOVIET UNION. PRIME MINISTER STALIN SUGGESTED LAST WEEK THAT FINLAND AND RUSSIA SIGN A FRIENDSHIP AND MUTUAL AID TREATY.

THIS IS THE TYPE OF TREATY WHICH HAS HELPED TIE BALKAN AND CENTRAL EUROPEAN NATIONS TO RUSSIA. THEY HAVE SIGNED UP FOR 20 YEARS. PLEDGES OF MILITARY AID ARE INCLUDED. THE FORM SUCH A TREATY MIGHT TAKE WITHOUT MILITARY CLAUSES IS UNDETERMINED.

CZECHOSLOVAKIA, ITALY, GERMANY, AUSTRIA, BELGIUM AND CANADA ALSO WERE SCENES OF DEVELOPMENT IN THE WORLD STRUGGLE OVER COMMUNISM.

THE AMERICAN MILITARY GOVERNMENT ANNOUNCED IN BERLIN IT HAS SUSPENDED THE EXTRADITION OF GERMANS WANTED BY CZECHOSLOVAKIA, NOW UNDER COMMUNIST RULE, FOR TRIAL ON WAR CRIMES CHARGES. U.S. SECURITY OFFICERS ESTIMATED ABOUT 500 CZECHOSLOVAKS HAD FLED INTO THE AMERICAN-OCCUPIED ZONE OF GERMANY THROUGH ONE BORDER POINT, THE CITY OF HOF, SINCE THE COUP IN PRAGUE.

VASSIL YOUROUKOFF RESIGNED IN BRUSSELS AS BULGARIAN MINISTER TO BELGIUM. HE SAID HE COULD "NO LONGER REPRESENT A REGIME WHICH HAS ESTABLISHED ITSELF AGAINST THE WILL OF THE PEOPLE AND BY VIOLENCE."

BRITAIN, FRANCE, BELGIUM, THE NETHERLANDS AND LUXEMBOURG HAD DELEGATES IN BRUSSELS TALKING A PROPOSED UNION OF WESTERN EUROPE TO BUCK COMMUNIST EXPANSION.

FINLAND'S PRESIDENT JUHO PAASIKIVI WAS GETTING ADVICE FROM POLITICAL PARTIES BEFORE REPLYING TO PRIME MINISTER STALIN'S PROPOSAL FOR A TREATY OF FRIENDSHIP AND MUTUAL ASSISTANCE.

TWO OF THE THREE TOP POLITICAL GROUPS ALREADY HAVE GIVEN THEIR ADVICE. THE THIRD--THE AGRARIAN PARTY, WITH 48 OF PARLIAMENT'S 200 SEATS--IS EXPECTED TO DO SO TODAY.

BOTH THE OTHER GROUPS--THE COMMUNIST-RADICAL SOCIALIST POPULAR FRONT, WITH 51 SEATS, AND THE SOCIAL DEMOCRATS, WITH 48--CAME OUT FOR NEGOTIATING WITH RUSSIA. BUT THE SOCIAL DEMOCRATS INSISTED YESTERDAY THAT FINLAND STAY OUT OF MILITARY ALLIANCES.

IZVESTIA, THE SOVIET GOVERNMENT'S MOSCOW NEWSPAPER, COMMENTED TODAY ON THE TREATY PROPOSAL THAT "ONLY A POLICY OF FRIENDSHIP WITH THE SOVIET UNION CAN ENSURE FINNISH NATIONAL INDEPENDENCE."

IN ITALY, THE LINES WERE DRAWN FOR A TEST BETWEEN COMMUNISTS AND ANTI-COMMUNISTS AT THE POLLS. THE TEST WILL COME IN THE ELECTION OF THE REPUBLIC'S FIRST PARLIAMENT APRIL 18.

YESTERDAY WAS THE LAST DAY TO REGISTER CANDIDATES FOR 574 DEPUTIES AND AROUND 400 SENATORS. TWENTY-ONE PARTIES AND A TWO-PARTY BLOC HAVE FILED TICKETS.

THE MAIN CAMPAIGNERS ARE PREMIER ALCIDE DE GASPERI'S CHRISTIAN DEMOCRATS AND THE BLOC--THE COMMUNIST-SOCIALIST POPULAR FRONT.

A43

EACH IS FORECASTING VICTORY FOR ITSELF. WELL INFORMED OBSERVERS PREDICT THAT EACH INSTEAD WILL GET AROUND 40 PER CENT OF AN EXPECTED 25,000,000 VOTES, LEAVING THE BALANCE OF POWER WITH SMALLER PARTIES.

THE BIG QUESTION, THEY SAY, IS WHAT THE COMMUNISTS WILL DO IF THIS PREDICTION COMES TRUE AND DE GASPERI THEN FORMS ANOTHER GOVERNMENT EXCLUDING COMMUNIST MINISTERS. THE COMMUNISTS CLAIM TO HAVE ARMS HIDDEN AND AN UNDERGROUND "SHADOW GOVERNMENT" IN READINESS.

ITALIAN ELECTIONEERS, FOR AND AGAINST COMMUNISM, HAVE BEEN MENTIONING CZECHOSLOVAKIA, WHERE COMMUNISTS RECENTLY GOT CONTROL OF THE GOVERNMENT.

IN THAT COUNTRY, SECURITY POLICE LAST NIGHT ANNOUNCED THE ARREST OF A FORMER OFFICIAL OF THE CATHOLIC PEOPLE'S PARTY, FELIX UHL, ON A CHARGE OF SPYING FOR AN UNNAMED FOREIGN POWER.

THE CZECHOSLOVAK SOCIAL DEMOCRATS SAID THEY HAD KICKED 10 RIGHTIST DEPUTIES OUT OF THE PARTY AND ASKED THE DEPUTIES TO RESIGN FROM PARLIAMENT. THE PARTY'S PRAGUE NEWSPAPER FORECAST A SIMILAR PURGE BY TWO OTHER PARTIES.

IN GERMANY, AN OFFICIAL OF THE AMERICAN MILITARY GOVERNMENT, SPEAKING BY RADIO FROM BERLIN, TOLD THE PEOPLE "RED FASCISTS" HAVE GRABBED POWER IN CZECHOSLOVAKIA. RICHARD M. SCAMMON OF MINNEAPOLIS, CHIEF OF THE AMG'S ELECTIONS AND POLITICAL PARTIES BRANCH, SAID THAT PROVED "THERE CAN BE NO COMPROMISE WITH TOTALITARIANISM."

A RELIABLE AUSTRIAN GOVERNMENT SOURCE IN VIENNA PROFESSED TO SEE SIGNS OF A GENERAL COMMUNIST OFFENSIVE AGAINST THE GOVERNMENT WITH RUSSIAN HELP. HE POINTED TO A RECENT INDUSTRIAL STRIKE WAVE. HE SAID SOVIET OCCUPATION AUTHORITIES WERE PROMPTING FOOD RIOTS BY HOLDING BACK PRODUCE DELIVERIES TO THE AUSTRIAN RATION SYSTEM FROM ESTATES UNDER THEIR CONTROL.

IN CANADA, AN OTTAWA GOVERNMENT INFORMANT SAID BORDER POLICE HAVE BEEN ORDERED, BY CABINET DECISION, TO KEEP FOREIGN COMMUNISTS OUT OF THE COUNTRY.

MAR 9 1948

LEGAL ADVISERS WERE REPORTED TO HAVE TOLD THE GOVERNMENT IT COULD ACT UNDER PROVISIONS OF THE IMMIGRATION LAW BARRING (1) THOSE WHO BELIEVE IN VIOLENT OVERTHROW OF THE CANADIAN GOVERNMENT AND (2) THOSE IN ORGANIZATIONS "TEACHING DISBELIEF IN OR OPPOSITION TO ORGANIZED GOVERNMENT."

COMMUNISTS FROM THE UNITED STATES IN CANADA AS LABOR UNION OFFICIALS WERE SAID TO BE THE PARTICULAR TARGETS OF THE RULING. THE INFORMANT SAID ALIEN COMMUNISTS NOW IN CANADA WILL NOT BE THROWN OUT BUT WILL BE DENIED RENEWAL OF THEIR VISAS.

MAR 9 1948

SOVIET DELEGATE N.P.KOKTIMOV MADE THE CHARGE AT THE DEPUTY FOREIGN MINISTERS' DEPUTIES' MEETING. HE WAS COMMENTING ON A BRITISH

PROPOSAL FOR MEETING SOVIET CLAIMS AGAINST FORMER GERMAN PROPERTY IN AUSTRIA. BRITAIN CHALLENGED RUSSIA TO SAY WHETHER SHE IS WILLING TO COMPROMISE ON THOSE CLAIMS.

BOTH AMERICAN AND BRITISH OBSERVERS REPORTED KOKTIMOV DID NOT ANSWER DIRECTLY.

MAR 9 1948

RUSSIA IS SEEKING $100,000,000 IN CASH WITHIN TWO YEARS, TWO-THIRDS OF AUSTRIA'S OIL PRODUCTION FOR 30 YEARS, AND CONTROL OF THE DANUBE SHIPPING COMPANY. SHE CLAIMS THESE UNDER THE POTSDAM AGREEMENT.

KOKTIMOV'S CHARGE WAS DIRECTED AGAINST A BRITISH PROPOSAL THAT RUSSIA TAKE CLAIM TO ABOUT 40 PERCENT OF AUSTRIA'S PRESENT OIL PRODUCTION AND ONE-THIRD OF AUSTRIA'S UNDEVELOPED FIELDS.

THE UNITED STATES HAS OFFERED NO FIGURES AS YET. FRANCE HAS SUGGESTED THAT RUSSIA SETTLE FOR ABOUT HALF OF WHAT SHE WANTS.

KOKTIMOV MADE IT PLAIN THAT RUSSIA CONSIDERED THE FRENCH OFFER--THE HIGHEST ON THE RECORD--WAS NOT ACCEPTABLE.

JAMES MAJORIBANKS, THE BRITISH DEPUTY, THEN ASKED WHETHER THE SOVIET DELEGATION WAS PREPARED TO MODIFY ITS DEMANDS IN RETURN FOR CONCESSIONS FROM THE WESTERN POWERS. BRITISH OBSERVERS QUOTED KOKTIMOV AS EXPRESSING HIS DESIRE FOR A SETTLEMENT AND HIS OPINION THAT THE NEXT MOVE SHOULD COME FROM THE WESTERN POWERS.

SIMULTANEOUSLY THE MOSCOW RADIO BROADCAST A 1,500 WORD STATEMENT BY THE CENTRAL COMMITTEE OF THE COMMUNIST PARTY OF THE SOVIET UNION HAILING THE ANNIVERSARYM THE STATEMENT ALSO PRAISED EFFORTS OF SOVIET WOMEN TOWARD FULFILLMENT OF THE FIVE YEAR PLAN.

"THE SOVIET PEOPLES ACHIEVEMENTS IN THE FIELD OF COMPLETE EMANCIPATION OF WOMEN, "AND THEIR BROAD ENLISTMENT FOR ACTIVE PUBLIC, ECONOMIC AND CULTURAL WORK," THE STATEMENT SAID, "INSPIRES THE EXPLOITED AND ENSLAVED WOMAN IN THE CAPITALIST WORLD TO STRUGGLE FOR ANNIHILATION OF IMPERIALIST OPPRESSION, AND FOR THEIR POLITICAL AND ECONOMIC EMANCIPATION."

THE "SENATE," KNOWN AS THE LANDERRAT, COMPRISES 16 REPRESENTATIVES FROM STATES OF THE BRITISH AND U.S. ZONES OF OCCUPATION (BIZONIA). IT IS THE UPPER CHAMBER OF THE BIZONAL ECONOMIC COUNCIL.

Officials of the American and British military governments said they wanted to know if the [redacted] action was in line with democratic principles. Reporters and the public were barred.

The [redacted] even refused to give the vote. Dr. Puender was elected by the lower house earlier this week. He will be a sort of "prime minister" of the American and British occupation zones.

British control officers advised "[redacted]" to issue at least a detailed communique on the session. The upper chamber had barred outsiders with the statement that "internal business" would be discussed.

Puender was nominated by the right wing Christian social union. Left wing xx social democrats have a majority among the 16 members of the upper house, who represent the states in the two zones. Social democrats abstained from voting in the lower chamber.

LONDON, MARCH 5-(AP)-THE UNITED STATES, BRITAIN AND FRANCE WORKED OVERTIME TODAY TO COMPLETE BY TOMORROW DISCUSSIONS ON STEPPING UP WESTERN GERMANY'S PRODUCTION UNDER THE MARSHALL PLAN.

MAR 9 1948

HIGH AMERICAN OFFICIALS ACKNOWLEDGED THE DIFFICULTIES OF THE DECISION AND LISTED AS SOME OF THE FACTORS WHICH MUST BE CONSIDERED:

1. THE LIKELIHOOD THE DECISION WILL SHAPE THE PATTERN OF FUTURE WESTERN POWER RELATIONS WITH THE COUNTRIES THEY CONSIDER UNDER RUSSIAN INFLUENCE.

2. A GROWING RELUCTANCE TO RELY UPON DIPLOMATIC PROTESTS AS A METHOD FOR SETTLING WEST VS. EAST DISPUTES.

3. STRONG BRITISH-FRENCH-AMERICAN FRIENDSHIP WITH THE CZECH PEOPLE THEMSELVES WITH A CONVICTION THEIR PLIGHT IS ONE OF GEOGRAPHY RATHER THAN POLITICAL PERSUASION.

4. CONCERN LEST SOME OF THE COUNTRIES PARTICIPATING IN THE MARSHALL PLAN--IN PARTICULAR THE SCANDINAVIAN NATIONS--REJECT CLOSE WESTERN COOPERATION IN FEAR OF DRAWING SOVIET WRATH.

5. A LINGERING HOPE THAT RUSSIA, IF ONCE CONVINCED WESTERN COOPERATION WILL BRING WESTERN ECONOMIC RECOVERY, WILL TURN TO COMPROMISE IN SETTLING INTERNATIONAL DISPUTES.

BUT THERE WERE NO SIGNS OF COMPROMISE TODAY ON ONE MAJOR ISSUE INVOLVING THE WARTIME ALLIES--A PEACE PACT FOR AUSTRIA.

THE BIG POWER MEETINGS WILL GET UNDER WAY MONDAY AT 11 A.M. (E.S.T.) IN THE NEW YORK OFFICES OF SOVIET DELEGATE ANDREI A. GROMYKO. THE SESSIONS WILL BE PRIVATE.

OBSERVERS SAID THE DEFEAT OF THE AMERICAN DEMAND FOR IMMEDIATE COUNCIL ACCEPTANCE OF PARTITION WAS A SERIOUS BLOW TO THE PARTITION PROJECT. IT WAS TEMPERED SOMEWHAT BY THE POSITION OF SEVERAL OPPOSING DELEGATES WHO HAVE SAID THEY BELIEVED IT WAS TOO EARLY FOR THE COUNCIL TO GIVE SUCH APPROVAL.

ON THIS KEY ISSUE, U.S. DELEGATE WARREN R. AUSTIN TOLD THE COUNCIL TWO DAYS AGO THAT "A VOTE FOR THIS PARAGRAPH WOULD BE A VOTE FOR PARTITION." HOWEVER, IT MUSTERED ONLY THE SUPPORT OF THE U.S., RUSSIA, THE SOVIET UKRAINE, FRANCE AND BELGIUM.

MAR9 1948

ON A FINAL VOTE FOR BIG POWER CONSULTATIONS, EIGHT OF THE 11 COUNCIL NATIONS WERE IN SUPPORT. ARGENTINA, BRITAIN AND SYRIA WERE OPPOSED. THE BIG POWERS WILL STUDY HOW PARTITION MIGHT BE CARRIED OUT.

THE BALLOTING CAME AFTER THE U.S. EARLIER IN THE DAY HAD ACCEPTED A SERIES OF RUSSIAN AMENDMENTS IN EFFORTS TO BRING PASSAGE.

THE FIRST BALLOT WAS EXPECTED ON AN AMERICAN-DRAFTED PROPOSAL THAT THE COUNCIL ACCEPT THE GENERAL ASSEMBLY'S NOV.29 DECISION TO SPLIT THE HOLY LAN

U.S.DELEGATE WARREN R. AUSTIN TOLD THE COUNCIL TWO DAYS AGO: "A VOTE FOR THIS PARAGRAPH WOULD BE A VOTE FOR PARTITION AS A PALESTINE SOLUTION." AFTER HIS DEFINITIV

PALESTINE SOLUTION." AFTER HIS DEFINITION OF THE ISSUE, ONLY RUSSIA OPENLY SUPPORTED THE UNITED STATES.

CANADA, BELGIUM AND CHINA HAVE SAID THEY WOULD OPPOSE SUCH A STEP AT THIS STAGE. SYRIA, THE ARAB COUNTRY ON THE COUNCIL, IS AGAINST ANY PARTITIONING MOVE. BRITAIN IS COMMITTED TO ABSTENTION THROUGHOUT PARTITION BALLOTING ON THE GROUND SHE CANNOT SUPPORT ANY PALESTINE SOLUTION NOT ACCEPTABLE TO BOTH JEWS AND ARABS.

THE OTHER MAJOR POINT IN THE AMERICAN PLAN WOULD OPEN COUNCIL-DIRECTED BIG FIVE CONSULTATIONS ON PALESTINE, INCLUDING CONFERENCES WITH JEWS AND ARABS. THIS SECTION HAD A BETTER CHANCE OF PASSAGE, ALTHOUGH RUSSIA INSISTS THE FIVE BIG POWERS SHOULD CONSULT OUTSIDE THE ORBIT OF THE COUNCIL AND NOT BOTHER TRYING TO MEDIATE JEWISH-ARAB DIFFERENCES AT THIS STAGE.

THE COUNCIL TOOK UP THE PARTITION QUESTION TWO WEEKS AGO ON THE BASIS OF A REQUEST FROM THE ASSEMBLY'S FIVE-NATION PALESTINE PARTITION COMMISSION ASKING FOR INTERNATIONAL ARMED FORCE TO CARRY OUT THE SCHEME.

MAR 9 1948

A5

THE WHOLE PLAN HAS HAD ROCKY GOING IN THE COUNCIL DESPITE THE RARE U.S.-SOVIET AGREEMENT ON PRINCIPLE. ALL DELEGATES TO THE 11-NATION COUNCIL HAVE SHIED AWAY FROM TAKING A DIRECT STAND ON PROVIDING TROOPS. ANOTHER COMPLICATING FACTOR HAS BEEN THE FACT THAT ONLY SIX OF THE NATIONS REPRESENTED ON THE COUNCIL SUPPORTED THE PLAN IN THE ASSEMBLY — THE U.S., RUSSIA, THE SOVIET UKRAINE, FRANCE, CANADA AND BELGIUM.

PROPOSALS INVOLVING PALESTINE NEED SEVEN VOTES IN THE COUNCIL AND ARE SUBJECT TO VETO. THE SEVENTH VOTE WOULD HAVE TO COME FROM ARGENTINA, COLOMBIA OR CHINA, ALL ABSTAINERS IN THE ASSEMBLY VOTE ON PARTITION.

THE ONLY PALESTINE PROPOSAL BEFORE THE COUNCIL BESIDE THE U.S. IDEA IS BELGIUM'S. IT IS VIRTUALLY PARALLEL TO THE AMERICAN PLAN EXCEPT THAT IT WOULD ELIMINATE THE SECTION PROVIDING FOR COUNCIL ACCEPTANCE OF PARTITION NOW.

TRUMAN FOREIGN

BY JOHN M. HIGHTOWER

WASHINGTON, MARCH 5-(AP)-PRESIDENT TRUMAN RETURNED TO WASHINGTON TODAY TO FACE A DECISION OF FAR-REACHING IMPORT: WHETHER THE U.S. SHOULD GIVE MILITARY SUPPORT TO WESTERN EUROPEAN COUNTRIES FEARFUL OF RUSSIA.

MAR 9 1948

THE PRESIDENT'S FIRST BUSINESS ON HIS RETURN FROM VACATION IN THE CARIBBEAN AND FLORIDA WAS A SESSION WITH HIS CABINET AT 4 P.M., EST. WHETHER THE EUROPEAN SITUATION WAS ON THE AGENDA WAS NOT STATED.

BUT THE PROBLEM FOR AMERICAN POLICY MAKERS MAY TAKE PRECISE FORM OVER THE WEEK-END IF FIVE WESTERN EUROPEAN NATIONS AGREE, AS EXPECTED, ON A MUTUAL DEFENSE TREATY AND IF THEY THEN RAISE THE QUESTION OF THE UNITED STATES JOINING IN.

IT IS ALSO EXPECTED TO CROP UP IN ANOTHER AND MORE URGENT WAY SOON IN ITALY. AMERICAN OFFICIALS NOW GENERALLY BELIEVE THAT ITALY WILL BE THE TARGET THIS SPRING OF A RUSSIAN MOVE TO EXTEND COMMUNIST POWER WEST OF THE "IRON CURTAIN."

THE PROBLEM OF MILITARY SUPPORT FOR WESTERN EUROPEAN COUNTRIES HAS BEEN DISCUSSED UNOFFICIALLY FOR MONTHS. AN AMERICAN MILITARY ALLIANCE TO SUPPORT THE MARSHALL-PLAN COUNTRIES WAS PROPOSED TO CONGRESS BY ELDER STATESMAN BERNARD BARUCH SEVERAL WEEKS AGO.

CONSIDERATION OF THE IDEA GOES BACK IN ITS PRESENT FORM TO BRITISH FOREIGN MINISTER BEVIN'S PROPOSAL LAST JANUARY FOR A WESTERN EUROPEAN UNION. HOWEVER, THE IDEA OF AN AMERICAN COMMITMENT TO PROTECT THE COUNTRIES OF SUCH A UNION AGAINST GERMAN, RUSSIAN OR ANY OTHER AGGRESSION HAS BEEN MOST ENTHUSIASTICALLY CONSIDERED SINCE THE COMMUNIST POWER-GRAB IN CZECHOSLOVAKIA.

A198WX

LIEUT.GENERAL ALBERT C.WEDEMEYER WAS EXPRESSING AN OPINION WIDELY HELD AMONG BOTH MILITARY AND CIVILIAN ADVISERS OF PRESIDENT TRUMAN WHENMHTOLTHUHOUSE FOREIGN AFFAIRS COMMITTEE YESTERDAY THAT THIS NATION SHOULD BACK UP ITS ECONOMIC ASSISTANCE TO NON-COMMUNIST COUNTRIES WITH SUITABLE MILITARY SUPPORT.

IN THE CASE OF EUROPEAN COUNTRIES THAT IS ALREADY BEING DONE FOR GREECE AND TURKEY.

PRESIDENT TRUMAN WAS ON HIS VACATION WHEN THE CZECHOSLOVAK CRISIS GAVE DRAMATIC NEW IMPORTANCE, IN THE OPINION OF MANY OF HIS ADVISERS, TO THE QUESTION OF AMERICAN MILITARY COMMITMENTS ABROAD. HIS RETURN TODAY ASSURES AN EARLY OPPORTUNITY FOR A DISCUSSION OF THE METHODS WHICH MIGHT BE USED AND A DECISION AS TO WHETHER, IN FACT, ANY ACTION ALONG THIS LINE IS NECESSARY OR PRACTICAL IN THE WEEKS AHEAD.

UNDERSECRETARY OF STATE LOVETT TOLD A NEWS CONFERENCE WEDNESDAY THAT THE GOVERNMENT WAS DEVELOPING A POLICY ON MILITARY SUPPORT. NO SUCH COMMITMENTS COULD BE WORKED OUT BY THE STATE DEPARTMENT ALONE BUT WOULD INVOLVE DECISIONS BY THE DEFENSE ESTABLISHMENT AND THE WHITE HOUSE.

THE ADMINISTRATION ACTUALLY HAS TO DEAL WITH FOUR TYPES OF SITUATIONS IN ITS "COLD WAR" WITH RUSSIA INSOFAR AS USE OF AMERICAN MILITARY STRENGTH IS CONCERNED. THESE ARE:

1. CASES IN WHICH THE UNITED STATES CAN DO NOTHING BUT PROTEST BECAUSE THE COUNTRIES INVOLVED ARE WITHIN THE RUSSIAN ORBIT. THESE INCLUDE CZECHOSLOVAKIA, AND POSSIBLY FINLAND, IF THE RUSSIANS CRACK DOWN FURTHER ON THE FINNS.

2. THE CASE OF CHINA IN WHICH THERE IS A SPLIT IN THE GOVERNMENT HERE OVER WHAT OUGHT TO BE DONE. SECRETARY MARSHALL FAVORS ONLY ECONOMIC AID AT THIS TIME. GENERAL WEDEMEYER, CHIEF OF PLANNING FOR THE ARMY, URGED CONGRESS YESTERDAY TO SUPPLY MILITARY AS WELL AS ECONOMIC HELP.

3. THE CASE OF GREECE WHERE THE UNITED STATES IS GIVING OUTRIGHT MILITARY ASSISTANCE AND HELPING PLAN THE ACTIVE ANTI-COMMUNIST FIGHT. ALSO THE ALLIED CASE OF TURKEY, WHICH IS ONE OF PREPARATION RATHER THAN OPEN COMBAT.

4. THE CASES OF OTHER COUNTRIES WHICH MIGHT BE THREATENED BY COMMUNIST POWER GRABS IN THE FUTURE. THIS IS REGARDED HERE AS PRETTY LARGELY EMBRACING WESTERN EUROPE WITH ITALY AS THE IMMEDIATE FOCAL POINT.

MAR 9 1948

WHAT HAS SOME OF THE PRESIDENT'S ADVISERS WORRIED ABOUT COUNTRIES IN THIS GROUP IS THAT DIPLOMATS KNOW HOW TO MAKE TREATIES, PROVIDING GUARANTEES AGAINST ATTACK FROM OUTSIDE. THEY HAVE NO READY RESPONSE FOR CASES--SUCH AS MIGHT OCCUR IN ITALY--WHERE THE THREAT COMES (IN A LEGAL SENSE) FROM COMMUNISTS INSIDE THE NATION.

WASHINGTON, MARCH 5-(AP)-SENATOR TAYLOR (D-IDAHO) SUGGESTED TODAY THAT PRESIDENT TRUMAN DEMAND THE RESIGNATIONS OF GEN.DOUGLAS MACARTHUR AND GEN.A.C.WEDEMEYER FOR URGING "A FOREIGN POLICY AT VARIANCE WITH THAT OF THE ADMINISTRATION."

TAYLOR WROTE MR.TRUMAN THAT THE CASE OF THE TWO GENERALS "APPEARS TO BE CLEARLY ANALOGOUS WITH THAT OF HENRY WALLACE, WHO X X X CRITICIZED ADMINISTRATION FOREIGN POLICY."

THE IDAHO SENATOR EXPECTS TO RUN FOR VICE PRESIDENT ON A THIRD PARTY TICKET WITH WALLACE.

MR.TRUMAN DROPPED WALLACE FROM HIS CABINET WHEN HE SPLIT PUBLICLY OVER POLICY TOWARD RUSSIA.

MAR9 1948

TAYLOR SAID THAT MACARTHUR AND WEDEMEYER HAD URGED THAT AID BE GIVEN TO THE CHIANG-KAI SHEK GOVERNMENT IN CHINA AND THUS HAD CROSSED THE ADMINISTRATION'S POLICY IN THAT RESPECT.

"IN ORDER THAT YOU MAY BE CONSISTENT WITH THE POLICY WHICH YOU LAID DOWN IN THE CASE OF MR.WALLACE," TAYLOR WROTE, "I SUGGEST THAT THE RESGTIONS OF GENERAL MACARTHUR AND GENERAL WEDMEYER MUST ALSO BE REQUESTED."

IT IS HIS UNDERSTANDING, THE IDAHO SENATOR SAID, THAT THE ADMINISTRATION HAS "ACCEPTED THE THESIS OF SECRETARY OF STATE MARSHALL THAT CHIANG'S GOVERNMENT IS BOTH HOPELESSLY CORRUPT AND FASCIST IN CHARACTER AND THAT THEREFORE NOTHING IS TO BE GAINED IN SUPPORTING IT."

TAYLOR SAID MACARTHUR AND WEDMEYER HAD CRITICIZED THE ADMINISTRATION'S FAILURE TO RECOMMEND MILITARY AID TO CHIANG.

West Reich Included In Marshall Plan; Federal Rule Slated

J. H. Singleton

LONDON, March 6 (AP).—The United States, Britain and France announced agreement tonight on future international control of the Ruhr and a federalized form of government for Western Germany.

The three Western Powers disclosed their aims in a communique which assigned Western Germany a major role in the Marshall Plan for European recovery. France has been suspicious that German recovery would endanger her security.

The communique wrapped up probably the greatest number of decisions reached at a major conference since the war's end.

NIGHT

It was a statement of obvious compromise and conciliation between the three Powers and contained some important incentives for the German people to work for "close association" with the Western world.

No hard agreement was reached upon merger of the French occupation zone with the United States - British zones. However, responsible officials said decisions reached at the conference here would lead to that objective. In all likelihood a new attempt in that direction will be made in April.

HAILED BY DOUGLAS

As the conference recessed until next month, Lewis Douglas, U. S. Ambassador to Britain and chief of the American delegation, summed up its work this way:

"Extraordinarily fruitful and successful. Within the past 10 days more progress has been made than in the preceding three years."

Left up in the air was the question of Russian participation in the proposed international control of the Ruhr. Russia has advocated four-Power rule of the valley. It was agreed that Germany would participate, however.

DETAILS AWAITED

The Ruhr agreement was described in general terms. Specific recommendations were not disclosed. These will be submitted first to the governments concerned. France has asked for full international control and ownership of the industrial valley's mines and mills. The communique did not say whether German ownership of the area's mines and factories would continue.

Purpose of international control, the communique said, would be to prevent the Ruhr's resources from being used again for purposes of aggression. The Western Powers also agreed that "there should be adequate access to the coal, coke and steel of the Ruhr for the benefit of extensive parts of the European community, including Germany."

Continuous failure of the Foreign Ministers Council to reach four-Power agreement "has created a situation in Germany which, if permitted to continue, would have increasingly unfortunate consequences for Western Europe," the three Western nations said.

OBJECTIVES STATED

The United States, Britain and France listed their broad objectives as:

1. Economic reconstruction of Western Europe.

2. Creation of a basis "for the participation of a democratic Germany in the community of free peoples."

Significantly, they did not particularize "Western" Germany in setting down these goals. And they added:

"While delay in reaching these objectives can no longer be accepted, ultimate four-Power agreement is in no way precluded."

The Western Powers declared their agreement on a federal form of government as "the best adapted for eventual re-establishment of German unity, at present disrupted."

They said such a government must protect the rights of the respective German states but at the same time provide for "adequate central authority."

CALLED COMPROMISE

This was viewed here as a compromise between the French objective of a loose federalization of the German states and the American proposal for a strong federal government.

The communique reported the Benelux countries — Belgium, The Netherlands and Luxembourg—will be given a continuing voice in policy questions affecting Germany. The Benelux countries sat in on most of the discussions, which began on Feb. 23.

The United States, Britain and France ordered close cooperation among themselves and Western Germany's occupation authorities on all questions arising from the area's part in the Marshall Plan.

STRESSES REICH ROLE

"Such cooperation is essential if Western Germany is to make its full and proper contribution to European recovery," the communique said.

The statement called for full association by Western Germany on any continuing organization set up under the European Recovery Program. A plan for this probably will be presented when the 16 nations participating in the Marshall Plan get together in Paris later this month, the communique said.

Western Germany probably will be represented first of all by the occpuation authorities. Informants said the statement does not preclude later direct participation by the Germans themselves. (AMC)

A communiqué was issued tonight after the conferences ended.

Zone Merger Looms

No hard agreement was reached upon merger of the French zone with the United States-British zones of occupation, but responsible officials said decisions reached here will lead to that objective.

The three powers decided Germany will be represented in the international control of the Ruhr. No indication was given whether Russia will be invited to participate.

DAY

The Ruhr agreement was in general terms. The specific recommendations were not disclosed. They will be submitted first to the governments concerned.

Recovery Talks Postponed

The three powers adjourned until next month their talks on the role Germany will play in the economic recovery program.

They agreed on prompt action "to co-ordinate as far as possible the economic policies of the three zones in such matters as foreign and interzonal trade, customs and freedom of movement for persons and goods.

"Such co-operation is essential if western Germany is to make its full and proper contribution to European recovery," the statement said.

Douglas Hails Progress

Emerging from the meeting, United States Ambassador Lewis Douglas said:

"These meetings have been extraordinarily fruitful and successful. Within the past ten days more progress has been made than in the preceding three years."

The three-power statement said it was agreed that the combined British - American zones and the French zone "should be fully associated in the European Recovery Program and adequately represented on any continuing organization."

March Meeting Set

The statement indicates that all western Germany will be represented at the mid-March meeting in Paris of the sixteen nations which seek to participate under the Marshall plan. Germany probably will be represented by the three allied commanders, but this will not rule out later direct participation by the Germans themselves.

The Western powers said that the "continuous failure" of the Foreign Ministers Council to reach four-power agreement "has created a situation in Germany which, if permitted to continue, would have increasingly unfortunate consequences for western Europe."

The communiqué urged the "necessity of insuring the economic reconstruction of western Europe, including Germany, and of establishing a basis for the participation of a democratic Germany in the community of free peoples."

Agreement Not Precluded

But it said that "while delay in reaching these objectives can no longer be accepted, ultimate four-power agreement is in no way precluded."

The communiqué said that agreement in principle "has been reached on continued association of the Benelux countries (Belgium, the Netherlands and Luxembourg) in policy discussions regarding Germany."

In discussing international control of the Ruhr, the communiqué said that its purpose would be to insure "that the economic resources of this area should not again be used for the purposes of aggression and that there should be adequate access to the coal, coke and steel of the Ruhr for the benefit of extensive parts of the European community, including Germany."

Security Is Studied

The communique said:

"For the political and economic well-being of the countries of western Europe and of a democratic Germany there must be a

Ruhr Control Accord Reached By Big 3

London, March 6 (AP)—The United States, Britain and France have agreed upon international control of the Ruhr and close cooperation to enlist western Germany's assets in the Marshall plan.

In conferences here the western powers also agreed that western Germany should have a federal form of government, providing adequate central authority but pro-

close association of their economic life."

However, the statement reported only preliminary study on the question of security against possible future aggresssion, which has been one of major concern to France and the Benelux countries.

The aggression question will be taken up next month. The conference also held over the problem of minor border changes requested by Belgium and the Netherlands.

Russ Charge Violation

Since the United States first called the meetings, Russia has protested that they violated the Potsdam Agreement for unified big-power action on Germany. Czechoslovakia, Poland and Yugoslavia have complained, with Soviet backing, at their being left out. The protests all have met with rejections. The United States made the countercharge that Russia had balked economic unification of Germany under the Potsdam Agreement.

Douglas planned to leave by plane for Washington today to go back to helping work out details of the plan, now before the Senate.

While big-power representatives have been meeting here on Germany, Foreign Ministers' deputies of the United States, Great Britain, France and Russia have been trying to work out principles for an Austrian peace treaty and agree on what to do with Italy's prewar colonies.

Try To Break Deadlock

Informants said their session today was given over to efforts to break a deadlock on how to give other countries a voice on the Italian colonies, now largely under temporary British administration.

German Parley Communique

MAR 9 1948

LONDON, March 6 (AP).—Following is the complete text of the communique issued today after the conference here on the future of western Germany:

The informal discussions of German problems which began in London on 23d February between the representatives of the United States, United Kingdom and France, and as from 26th February with the representatives of the Benelux countries, went into recess today.

At the request of the other delegations, the meetings were under the chairmanship of the United Kingdom representative, Sir William Strang. The United States and French delegations were led by Mr. Douglas and Monsieur Massigli, the United States and French ambassadors in London. At the first meeting it was agreed to invite the Benelux countries to take part, on an equal footing, in the discussions of all items on the agenda, except those dealing with administrative matters which are the direct responsibility of the occupying powers controlling the three occupied areas. The chief representatives of the Benelux delegation were Jonkheer Michiels Van Verduynen, the Netherlands Ambassador; Vicomte Robert de Thieusies, the Belgian Ambassador; and Monsieur Classen, the Luxemburg Minister.

Important progress has been made and it has been decided that these discussions will be resumed during April for the purpose of reaching conclusions on the remaining questions, so that the delegations may be in a position to submit to their governments, at the end of the next session, their recommendations over the whole field. In the mean time various aspects of certain of these problems will be the subject of more detailed examination.

The continuous failure of the Council of Foreign Ministers to reach quadripartite agreement has created a situation in Germany which, if permitted to continue, would have increasingly unfortunate consequences for Western Europe. It was therefore necessary that urgent political and economic problems arising out of this situation in Germany should be solved. The participating powers had in view the necessity of ensuring the economic reconstruction of Western Europe including Germany, and of establishing a basis for the participation of a democratic Germany in the community of free peoples. While delay in reaching these objectives can no longer be accepted, ultimate four-power agreement is in no way precluded.

The various items on the agenda were the subject of a detailed study, with the exception of security questions, which were given preliminary examination and will be considered in deail upon resuming the discussions. Similarly discussion of territorial questions will be held over until the next session.

Discussions took place among the United States, United Kingdom and French delegations on certain limited aspects of the question of reparations from Germany relating to internal policy in the zones for which they are responsible as occupying powers.

The relationship of western Germany under the occupying powers to the European Recovery Program was also discussed by the United States, United Kingdom and French delegations. It was agreed that for the political and economic well-being of the countries of Western Europe and of a democratic Germany there must be a close association of their economic life.

Since it has not proved possible to achieve economic unity in Germany, and since the eastern zone has been prevented from playing its part in the European Recovery Program, the three Western powers have agreed that close co-operation should be established among themselves and among the occupation authorities in western Germany in all matters arising out of the European Recovery Program in relation to western Germany. Such co-operation is essential if western Germany is to make its full and proper contribution to European recovery.

It was also agreed to recommend to the three governments that the combined zone and the French zone should be fully associated in the European Recovery Program, and adequately represented on any continuing organization. Proposals in this sense will be presented at the forthcoming meeting of the Committee on European Economic Co-operation.

Agreement in principle has been reached on recommendations for the association of the Benelux countries in policy regarding Germany.

Consideration was given by all delegations to the establishment of an international control of the Ruhr on which Germany would be represented. The purpose of this international control would be to ensure that the economic resources of this area should not again be used for the purposes of aggression and that there should be adequate access to the coal, coke and steel of the Ruhr for the benefit of extensive parts of the European community including Germany. Agreed recommendations will be submitted to the governments concerned on the scope and form of this control.

A constructive discussion among all the delegations took place on the present situation and the possible evolution of the political and economic organization of Germany in the combined United States-United Kingdom zone and the French zone.

A wide measure of agreement was reached on a number of controversial points. In particular it was agreed that a federal form of government, adequately protecting the rights of the respective states but at the same time providing for adequate central authority, is best adapted for the eventual re-establishment of German unity at present disrupted.

Moreover, in order to facilitate the association of western Germany with the European Recovery Program the three delegations concerned further agreed that prompt action should be taken to co-ordinate as far as possible the economic policies of the three zones, in such matters as foreign and inter-zonal trade, customs and freedom of movement for persons and goods.

RUSS PROTEST BELIEVED NEAR

MAR 9 1948

U.S. Diplomats Make Forecast After Action On Germany

Washington, March 6 (AP)—Diplomatic authorities here expect a violent protest from Russia against the agreement announced in London today for unifying American-British-French control of western Germany.

Unless the Russians upset all predictions here, they will not only protest the decisions taken without them but also will demand a share in the international control of the Ruhr.

In fact, the problem of arranging control of that West German power house may prove the most difficult of all the London decisions to carry out.

Disagreement Adjusted

The State Department appeared pleased by the speed and extent of the London agreement. The decision which calls for international control of the Ruhr also provides for using western Germany's assets in the European recovery program and for eventual organization of a federal form of government for western Germany.

Authorities here believe the agreements have pretty well removed the last barriers to a decision by the French to join their zone of western Germany with the already merged British and American zones.

Reports reaching Washington indicate that the work at London was enormously speeded up after the Soviet-Communist seizure of power in Czechoslovakia. Minor points of disagreement were quickly adjusted.

NIGHT

"Together" Formula Failed

The formal Russian protest which is now confidently expected here probably will be based on the charge that the western powers violated the Potsdam agreement. That called for all four occupying nations to rule Germany together.

But the "together" formula failed. Russia and the Western nations could not agree on any important issue.

The American answer to Russian complaints about Potsdam in the past has been that Potsdam did not prohibit any one or two or three occupying powers from doing what was necessary in event of a four-power failure.

A Perplexing Question

The question of internationalizing the Ruhr has been perplexing. As the split between Russia and the West widened, it became apparent that any agreement which gave the Soviet Union a hand in Germany's western industrial center also would give it a stranglehold on the economic life of western Europe.

American and British policy for many months, therefore, has opposed internationalization of the Ruhr, in any way except such international control as might be provided at Berlin on general policies affecting the whole German economy.

Russian Opposition Obvious

But the French, for reasons of their own, have demanded internationalization. Their argument was that only through real international control could the Ruhr's great industries be prevented from some day creating a new German war potential.

American diplomats see the Ruhr's production as the keystone of the Marshall plan. Russian opposition to that plan is obvious and undisputed.

So—American officials are convinced that whatever influence Russia can exercise in the Ruhr—through strikes and other disturbances—will be used to try to wreck the Marshall plan.

Germany Retains Ruhr Ownership

MAR 9 1948

NEW YORK, March 6 (AP)—Willard L. Thorp, Assistant Secretary of State for Economic Affairs, said that the agreement announced in London today does not commit the United States Government to international ownership of the Ruhr.

Thorp and Trygve Lie, Secretary-General of the United Nations, were among speakers at the New York Herald Tribune Youth Forum.

NIGHT

WAR POWER CURB SOUGHT

"The United States Government is not committed by the London agreement to international ownership of the Ruhr but to supervision of allocations" (of Ruhr resources), Thorp said.

In addressing the forum, Thorp said that the United States did not favor detaching the Ruhr industrial area from Germany, as a step to assure peace. Instead, he said, this country prefers "positive action designed to curb Germany's war-making power."

U. N. MEMBERS ASSAILED

Lie told the forum audience that the U. N. "is not what it was intended to be.

"Its members are not doing all they could be doing to make it work," Lie said.

Charles E. Bohlen, counselor to the Department of State, said the United States is the chief target in a campaign of "vicious propaganda" to misrepresent the policies of "the free nations of the world."

Argentines Get New British Protest

LONDON, March 6 (AP).—A British note protesting continued Argentine occupation of King George Island in the south Shetlands has been handed the Argentine garrison in the Antarctic outpost, the British Admiralty announced today.

The note was handed to the three-man garrison by Sir Miles Clifford, British governor of the Falkland Islands and dependencies, who is touring the area aboard the cruiser Nigeria.

Clifford yesterday protested to the Argentine garrison on British-claimed Deception Island, protesting action of an Argentine minesweeper in halting a Norwegian trawler.

'OCCUPATION' IS PROTESTED

MAR 9 1948

Britain, Argentina Exchange Plaints About Antarctic

Port Stanley, Falkland Islands, March 6 (AP)—Britain has delivered a protest to Argentina and received one in return in the dispute over the Antartic Falkland Island dependencies.

The British protest was delivered by Miles Clifford, Governor of the Falkland Islands, who arrived at Deception Island Thursday aboard the British cruiser Nigeria, messages received here today said.

Clifford, accompanied by an officer from the Nigeria, went to the Argentine camp at Pourquoi Pas Bay and delivered a note protesting Argentina's "unauthorized occupation."

Government officials here said Lieut. Cabrera, leader of the Argentine detachment, immediately protested the presence of the Nigeria "in Argentine territorial waters without authority of the Argentine Government."

Report By Clifford

Clifford reported to Port Stanley that the Argentine detachment includes a meteorological observer and seven seamen, is housed in commodious quarters with central heating, large workshops and powerful radio equipment. The Argentines also have a dinghy with an outboard motor and a jeep.

Later the lieutenant visited the Nigeria.

Clifford received a seventeen-gun salute when he visited the British base on Deception.

Churchill Warns Of War Threat

LONDON, March 6 (AP).—Winston Churchill said today:

"Any thinking man can see that we are all moving into a terrible situation at home and abroad. Not only bankruptcy and privation approach us in this island, but the menace of a third world war rolls toward us with every act of Russian imperialist aggression and Communist violence and intrigue."

The former Prime Minister gave these views in a letter to Frank Harris, Conservative candidate in a by-election at North Croydon.

SCHUMAN VOTE MAJORITY CUT

Support Dwindles In Assembly Ballot On Inflation Curb

Paris, March 6 (AP)—Premier Robert Schuman's majority support in the National Assembly dwindled today in a series of votes on his anti-inflation measure.

Parliamentary observers said they did not believe the Cabinet was in immediate danger, but the "political climate is bad and an accident might happen."

The Assembly was meeting to act on 64 proposed amendments to the Government bill to compel Frenchmen to invest heavily in Government reconstruction bonds or pay an even heavier super tax. Schuman was pitted against the Right as well as the Left, for many conservatives oppose the bill as too har

NIGHT

Only 14-Vote Margin

One Communist-proposed amendment was beaten by 304 to 290, a margin of only fourteen votes for Schuman. A Communist motion to reject the measure entirely was beaten by only 301 to 288. Schuman did not formally pose a question of confidence though he said he would resign if the Communist motion was accepted. The Government squeezed through an earlier test with only sixteen votes to spare.

Observers said the "accident" might be failure of the Government to muster a majority on one of the numerous amendments.

The Communists were joined by 102 other deputies on the vote to scrap the entire measure. Among them were eleven members of the Finance Minister, Rene Mayer's, own Radical Socialist party.

Maginot Line Is For Rent

The French Government has offered for rent as pasture the sections of land in which the Maginot Line was built and through which the German Panzer divisions came so fast in 1940.

The land for rent is in the region of Thionville, Aumetz, Audun-Le-Tiche and Bouzonville. Some of the old fortifications can be seen from the highway.

Russia Accused Of Farben Fraud

S. BASISCHE

Berlin, March 6 (AP)—The United States accused the Russians today of sabotaging the four-power agreements for liquidation of the huge I. G. Farben chemical trust.

A charge that Soviet authorities had sabotaged the agreements through the subterfuge of keeping the German plants intact and working under Russian ownership was made by Maj. Gen. George P. Hays.

Speaking to the Allied Control Authority's co-ordinating committee, Hays asserted that United States authorities had liquidated that portion of the Farben empire in their occupation zone despite Russian delaying tactics in the control authority.

On the other hand, Hays charged that the Russians, instead of breaking up the chemical trust in their zone, had merely seized the ownership of Farben units and transferred them to Soviet Aktiengesellschaften monopoly (the huge, Russian-owned industrial trusts in Germany). (400)

Hitler 'Escape' Story Probed

MAR 9 1948

Munich, Germany, March 6 (AP)—United States Army officials today checked a former German pilot's claim that Adolf Hitler and Eva Braun escaped from Germany near the end of the war.

One American official described as "fantastic" the signed statement by Arthur Friedrich Rene von Angelotte-Mackensen that the couple flew to Denmark in a Junkers 52 transport shortly before Germany surrendered in May, 1945.

[In December, 1947, Capt. Peter Baumgart, a former Luftwaffe pilot, told a district court in Warsaw that he flew Hitler and a woman he believed to be Eva Braun from beseiged Berlin to Denmark on April 28, 1945.]

DAY

Mackensen Questioned

United States officers began questioning Mackensen yesterday when they received a tip from a former girl friend, who said she did not believe him.

The 26-year-old Mackensen, who claims to have been a bodyguard of Hitler, said the last he saw of the Führer and Eva Braun was when they took off by plane for Spain. He said he followed but crashed in southern France.

Mackensen said that he was in the Reichschancellory air-raid shelter in Berlin when Hitler told associates:

"A new German government has been formed which is ready to surrender. Gentlemen, it is time to go."

Shell Hit Tank

Mackensen said the group rode with a tank escort to Tempelhof Airfield. En route, he said, one tank was struck by a shell and he saw Martin Bormann, Hitler's deputy, climb out. Bormann's whereabouts are unknown.

The party then flew to Tonder in southern Denmark in four JU-52's and seven ME-109 fighters, the man said.

"There we landed and Hitler made his last speech," Mackensen said. "We got new pay books and were told to try to make it to Malaga in southern Spain, where everything was ready to receive us."

Hesse Churches Urge De-Nazification Change

Frankfurt, Germany, March 6 (AP)—Catholic and Protestant leaders in the state of Hesse joined today in a plea for revision of the American occupation zone's de-Nazification laws.

The appeal was drafted by the Catholic Bishop of Limburg, Msgr. Ferdinand Dirichs and Bishop Martin Niemoeller of the Evangelical Church in Hesse. It was addressed to the United States military government and to Christian Stock, minister-president of Hesse.

"In their honest desire to overcome national socialism internally and externally, the Evangelical and Catholic churches in Hesse cannot but openly admit that the (de-Nazification) system applied in the United States zone has proved its inefficiency," the memorandum said.

It urged abolition of the automatic arrest clause, payment of wages to working internment camp inmates and early clarification of the status of civil servants dismissed because of Nazi affiliations.

Troops Raid D. P. Camp

Soldiers Arrest 113 in Germany on Black-Market Charge

FRANKFURT, March 6 (AP).—The United States Army announced today arrest of 113 Jews in a black-market raid by troops on a displaced-persons camp.

For the first time in the occupation of Germany, members of the Women's Army Corps assisted the soldiers in the raid Tuesday on the Eschwege camp, which houses 21,000 Jews.

The Army said firearms, a short-wave radio transmitter, American money and tons of food were found in illegal possession of the displaced persons.

Brooklyn Girl in Germany Wed to Trolley Conductor

FRANKFURT, March 6 (AP).—A twenty-five-year-old Brooklyn girl was married to a German streetcar conductor at Heidelberg. "It was love at first sight," said the former Miss Gertrud Hilbert. She married Walter Wagner, twenty-eight, a former German soldier, on Feb. 21, it was disclosed today.

"I hope to take my husband back to Brooklyn this spring," she said. "Maybe he will be a streetcar man there, too."

She arrived in Germany recently on a visit to her grandparents, who live in a suburb of Heidelberg. She met Mr. Wagner when she boarded a wrong trolley and asked him the correct way home.

Mrs. Wagner, who emigrated to the United States with her parents when she was a year old, says she won't give up her American citizenship and has been advised her husband probably will be eligible to enter the United States as an emigrant.

Gift Ship Still Fogbound Off Reich

Bremen, Germany, March 6 (AP)—The American gift ship Gretna Victory was still fogbound off the German coast today, the American Military Government reported.

The ship is carrying food and clothing for Germany and Austria donated by the people of the Northwestern United States and Alaska.

Ceremonies of welcome have been provisionally arranged for next Monday. A friendship train distributing between 700 and 800 tons of food and clothing is scheduled to leave here March 10. It will go first to the Rhineland.

HAMBURG, Germany, March 6 (AP).—Some Germans filling out questionnaires under the recent pantry law calling for listing of all private foods stocks have been replying merely with a reference to Psalm 109, Verse 24.

It reads: "My knees are weak through fasting; and my flesh faileth of fatness."

Western Europe Union Sped by Brussels Parley

MAR 9 1948

Political and Legal Basis Is Laid Down by England, France, Benelux Nations

BRUSSELS, March 6 (AP).—The political and legal basis for a Western European economic and military union was laid down tonight.

All sources said there was general agreement on the basic principles of a 50-year pact binding Britain, France, Belgium, the Netherlands and Luxembourg, but considerable work remained before the basic agreements can be phrased. The conference, which opened last Thursday, is expected to continue until next Wednesday or Thursday.

British delegates said the structure agreed upon here will be a union committed to western ideas of democracy to which no totalitarian state could subscribe.

NIGHT

Pact Reached

Sir George Rendel, British Ambassador to Belgium, said it definitely will commit the western union to mutual armed defense but will make no attempt to detail defense provisions.

The political basis of the pact was reached at tonight's session Gladwyn Jebb, of the British Foreign Office, said one of the main points of political discussion was the attitude toward states outside the pact. He indicated all parties agreed the pact must unequivocally favor western ideas of liberty.

An unofficial Belgian source also reported the pact included a statement committing its signers to freedom of the press.

Outlining the problem presented by the attitude toward other countries, Jebb said: "We wouldn't exactly be eager to have General Franco join it tomorrow morning."

General Optimism Expressed

Because of the desire to finish the pact before the sixteen-nation Marshall plan conference in Paris on March 15, it was believed some details may be passed over for later settlement, particularly implementation of the military agreement.

The future of the pact and its wider implications "will work itself out," Sir George explained. "It will depend on how keen the support for it is."

Expressing general optimism Jebb said: "This is quite a change from other conferences I have attended. There the question was how to work out formulas that would bridge basic differences. Here we are looking for the best way to express basic agreements."

The last session of the week tonight was devoted to "political and juridical questions," Pierre Elvinger, the Luxembourg delegate said. He left when the session was half over, saying "only legal details are left."

Private Meetings On Particulars

Sir George said the conference would "really get going" on Monday when detailed economic provisions are taken up. The general points were discussed tonight, Count Jean de Hautecloque, of the French Foreign Office, said.

The session began work on a common draft and tomorrow will be spent in consulting the various capitals and in private meetings to work out particulars.

Belgium, the Netherlands and Luxembourg—the Benelux countries—were particularly interested in the economic provisions coming up. The three countries have emerged from the war as creditors of both Britain and France and as exporting countries with favorable balances of trade to protect.

Review Of Juridical Provisions

The Belgians in particular have indicated they do not believe mutual prosperity would be served if the revival of French and British industry is at the expense of Benelux production.

Asked how the western European union's economic co-operation would fit into the Marshall plan for European recovery, a Belgian delegate said: "We are looking forward to something a good deal more permanent."

Fernand van Langenhove, of Belgium, who presided today, said it had been agreed the pact would run for an initial period of 50 years. He said the juridical provisions would be reviewed by a subcommittee of legal experts Monday.

H. N. Boon, political adviser to the Netherlands legation, left tonight for The Hague for further instructions. Elvinger went to Luxembourg for the same purpose.

5 Nations Agree In Principle

MAR 9 1948

Brussels, March 6 (AP)—The five-nation conference on Western Europe talked of political issues today and moved toward a discussion Monday of economic factors in their proposed treaty of accord.

All sources reported general agreement on the principle of the Western European union proposed by Britain and France. No treaty has been agreed upon, delegates said, and the conference likely will last until Wednesday or Thursday.

DAY

Pl[illegible] Progress

Sir George Rendel, a British delegate, said the treaty will cover the principle of an armed mutual defense of democracy, but no specific clauses on military dispositions. These will come later, he added.

Both British and French delegates voiced satisfaction at progress so far.

Delegates from the two powers withdrew temporarily from the conference to permit Benelux representatives to discuss French-British proposals.

The British delegates—Ambassador to Belgium Sir George Rendel and Gladwyn Jebb, of the Foreign Office—said the proposed pact would lay down the general principles of a defensive military alliance.

May Let Others Enter

Jebb said one of the questions to be worked out is to what extent the alliance will be open to other countries.

"We wouldn't exactly be eager to have General Franco join it tomorrow morning," he said.

Ferdinand van Langenhove, Belgian delegate to the United Nations, who presided over the conference, declined to say whether there was a military clause in the draft now being considered.

Hails New Atmosphere

"This is quite a change from other conferences I have attended," said Jebb. "There the question was to work out formulas that would bridge basic disagreements—here we are looking for the best way to express basic agreements."

Langenhove said the draft treaty of the Benelux nations—Belgium, the Netherlands and Luxembourg—and the French-British proposals differed more in form than substance.

A defense union of the five countries would consolidate an area of 323,147 square miles with a population of 106,337,918.

Russia has similar understandings with Czechoslovakia, Hungary, Romania, Bulgaria, Yugoslavia and Poland. Prime Minister Stalin has asked Finland to negotiate for a mutual defense pact.

Britain and France already have a defense pact. The Low Countries have a customs union.

Czechs Continue Trade With West

H. Gladberg

PRAGUE, March 6 (AP).—Foreign Trade Minister Antonin Gregor expressed the hope today that Czechoslovakia could continue to do business with Western nations.

The Communist minister told a news conference that Czechoslovakia planned to step up her exports to 48 percent with the Eastern or "planned-economy" countries and to get the rest of her trade elsewhere. He defined Western nations as those lacking a planned economy, regardless of their actual geographic location.

NIGHT

READY FOR NEGOTIATIONS

Gregor said his country — now under a Communist-controlled government — was ready to start trade negotiations at any time with Britain. He announced new trade agreements are under way with Norway and Belgium and said agreements with France and Switzerland have been temporarily extended.

GOVERNMENT BUSINESS

Foreign import and export agents would be unaffected by the new law, the minister said, but they probably would have to deal with governmental agencies in Prague rather than with individuals.

The conference developed a discussion of the grain help given Czechoslovakia by Russia. American and British reporters quickly gained an admission from Gregor and Lobl that the UNRRA aid given the year before had been sizable.

Lobl said one difference was that UNRRA aid was United Nations help given without any political conditions. He retreated from his definition when questioned as to whether he meant that Russia's help, therefore, was political.

Will Nationalize Foreign Trade, Czechs Say

MAR 9 1948

H. Gladberg

Prague, March 6 (AP)—Czechoslovakia will nationalize her foreign trade but will not devalue currency to set up a special trade dollar value, the Minister of Foreign Trade said today.

The Communist Minister, Antonin Gregor, reiterated his hope that Czechoslovakia could continue to do business with the Western countries — defined as those countries lacking a planned economy, no matter what their location.

He announced new trade agreements are under way with Norway and Belgium and said agreements with France and Switzerland have been temporarily extended. (Insert)

To Step Up Exports

Foreign import and export agents probably will have to deal with Government agencies here rather than with individuals, Gregor said. He said Czechoslovakia plans to step up exports to 45 per cent with the Eastern or planned economy nations and to get the rest of her trade with other nations.

The conference developed a discussion of the grain help given Czechoslovakia by Russia. British and American reporters quickly gained an admission from Gregor and Evzen Loebl, an assistant, that the UNRRA aid given the year before had been sizable.

Loebl said that one difference was that UNRRA aid was United Nations help given without any political conditions. Questioned whether he meant that Russia's help was therefore political, he retreated from his definitions.

N[illegible] Banned

Meantime, it became known that the March 4 edition of the European edition of the New York *Herald Tribune* was banned. It contained a denunciation of events here by British Labor party members, the story that the State Department would blacklist Charles University, and the resignation of ambassadors to Washington and Ottawa.

The March 5 edition was for sale freely on news stands this morning, but other English language newspapers were scarce.

A purge of the army is disclosed in the Social Democratic paper *Pravo Lidu*.

The newspaper published this paragraph:

"Action committees are not going to intervene in the purge going on in the army. In the case of intervention or doubt, action committees should apply directly to the Ministry of Defense, and at the same time report to the chairman of the Defense Committee of Parliament."

"Slansky" Is Signer

The paragraph was signed "Slansky." This indicated Rudolf Slansky, secretary general of the Communist party in Czechoslovakia and a founder of the Cominform, was directing the purge.

The Communists took control of the Government February 25. Action committees have been purging political parties, Parliament, industry, police and cultural bodies, but the army apparently had been let alone up to now.

Alois Petr, Minister of Transportation, said the Netherlands had halted negotiations to sell Czechoslovakia four-engined airplanes.

Czech Coup 'A Surprise'

New York, March 6 (AP)—Dr. Juraj Slavik, who resigned Wednesday as the Czechoslovak ambassador, says the use of "revolutionary methods" in the Communist coup in his country "came as a complete surprise to the democratic parties."

"All that the democratic parties had in mind was democratic methods, and they didn't believe it could happen in Czechoslovakia," Dr. Slavik said last night.

He held a news conference before addressing the American-Czechoslovak Society on the ninety-eighth anniversary of the birth of Thomas Masaryk, founder of the Czechoslovakian republic.

Asked if the Communist seizure of power had altered his attitude toward Russian-approved policies which he supported in the United Nations, Dr. Slavik replied that he had become convinced his coun-

Dr. Slavik told the society that Americans of Czech extraction must lend a "helping hand" to Czech political refugees.

"I don't ask you to intervene in the internal politics of Czechoslovakia, but I do ask you to do your duty as Americans," Dr. Slavik said.

Jan Papanek, permanent representative of Czechoslovakia to the United Nations, told the society he believed his nation will conquer the present crisis.

Papanek left the meeting before Dr. Slavik spoke. He said he had no comment on the latter's resignation.

Karelians Flee Finland in Fear Of Russian Pact

Think They May Be Sent Back to Reds; Decision on Treaty Likely Tomorrow

HELSINKI, March 6 (AP).—Many Finnish-speaking Karelians today were reported trying to flee across Finland's far northern border into Sweden. These stateless people were alarmed by prospects of Finnish-Russian treaty negotiations.

Press dispatches telling of the flights reached Helsinki as government sources predicted that Finland would reach a decision Monday on the question of opening negotiations for a treaty of friendship and military alliance with Russia.

The extent of the Karelians' exodus was not revealed. One account said a group of 30 Karelian men, women and children was stopped at the frontier last night.

Flight by Sea

Finnish coastal guards along the Gulf of Bothnia said the Karelians have made no effort thus far to escape to Sweden by sea.

Formerly Russian citizens, the Karelians moved to Finland around 1920. Because these people have not received Finnish citizenship they fear Finland may be forced to turn them over to Russia if a Finnish-Soviet friendship agreement is reached, informants said.

President Juho Paasikivi conferred for two hours today with the Finnish Government's six-man foreign affairs committee on Russia's request for a treaty.

Government sources said the committee would meet again Monday morning to formulate its recommendation. Following that session, the eighteen-man Cabinet will convene to give the issue final consideration. The Cabinet has been advised to stand by for a possible emergency session.

Informants indicated the Government probably would appoint a delegation to meet with the Russians, but its powers would be strictly limited.

Would Belong To Bloc

It was believed such a delegation would seek a full outline of what Russia wants before taking the next step. A majority of the Finnish Parliament opposes any military tieup with Russia as suggested by Prime Minister Stalin nearly two weeks ago.

A Government minister said: "We realize fully that if we accept the proposal we would formally belong to Russia's eastern bloc. That is something we should like to avoid."

There was no indication that any decision was made at today's conference. However, Paasikivi and the members of the foreign affairs committee were believed to have discussed the make-up of a delegation, should Finland decide to take up the negotiations.

It appeared clear that the Agrarians, Conservatives and Liberals—all of whom opposed negotiations of any sort on the basis of Stalin's proposal—could not be represented on the delegation.

Paasikivi Unenthusiastic

Paasikivi himself was reliably reported to be unenthusiastic about a military alliance. Of the nation's six parliamentary groups only the Communist-dominated Popular Front bloc is supporting a full military alignment with the Soviet Union.

Three of the six members of the foreign affairs committee are members of the Popular Front. They are Premier Mauno Pekkala, Yrjo Leino, Interior Minister, and Reinhold Svento, Vice Foreign Minister.

Wives Support Pact

The Foreign Minister, Carl Enckell's, stand is uncertain. He is an independent. Lennart Heljas, Social Affairs Minister, is expected to oppose any negotiations since he is an Agrarian. Eino Kilpi, Education Minister, is expected to follow the Social Democratic line for negotiations but against a military alliance.

Kilpi's wife, Sylvi, is a leading member of the Popular Front. While Kilpi was conferring with Paasikivi she was speaking in support of the pact at a Popular Front rally in the coastal town of Rauma.

Leino's wife, Hertta Kuusinen, is a Communist. She has been addressing Popular Front rallies in and around Helsinki for the treaty.

Finns Postpone Final Decision In Russ Pact

Helsinki, March 6 (AP)—The Government's Foreign Affairs Committee conferred two hours today with President Juho Paasikivi, then decided to meet again Monday.

The committee likely will formulate its position Monday, and after that a Cabinet session will draw up a final answer to the Russian request for a treaty of co-operation.

A Government Minister said: "We realize fully that if we accept the proposal, we would formally belong to Russia's Eastern bloc. That is something we would like to avoid."

Split On Question

The President is expected to lean heavily on advice of the Foreign Affairs Committee. He also has asked parliamentary political groups for their opinions. These groups have split on the question of whether to negotiate.

The Swedish People's party newspaper *Hufvudstadsbladet* said a military pact with Russia "can drag us into a struggle between the great powers."

The Foreign Affairs Committee has six members: Premier Mauno Pekkala of the Socialist Unity party, joined with the Communists in the Popular Democratic Union; Foreign Minister Karl Enckell, Independent, whose main task is Finland's relations with Russia; Vice Foreign Minister Reinhold Svento, Socialist Unity party; Vice Minister for Social Affairs Lennart Heljas, Agrarian; Minister of Education Eino Kilpi, Social Democrat, and Minister of the Interior Yrjo Leino, Communist.

Influential Agrarians

The influential Agrarian party told the President in a letter published last night that it "cannot recommend negotiations" on the basis of Stalin's proposal of nearly two weeks ago for a treaty of friendship and mutual assistance.

The lineup now is:

Four of the six parliamentary groups, representing 101 of Parliament's 200 votes, favor negotiations, but oppose any far-reaching military alliance. They are the Social Democrats, who hold 48 seats; the Conservatives, 29 seats; Liberals, 9 seats, and the Swedish People's party, 15 seats.

Pro-Soviet Bloc

One group, the Communist-dominated Popular Democrats, support a full military alignment with the Soviet Union. This bloc has 51 seats.

The Agrarians, with 48 seats, oppose any negotiations. A spokesman said that if "we agree to the talks we automatically must agree to pacts such as Hungary and Romania signed."

Many Conservatives and Liberals contend that acceptance of the negotiations does not necessarily mean acceptance of the pact.

The Conservatives warned that the military aspects of the proposed pact "would signify joining a special group of powers and giving up our neutrality."

Maritime Body Of U.N. Set Up, Charter Signed

Constitution of Consulting Organization Is Adopted, 21-1, at Geneva Parley

GENEVA, March 6 (AP).—The United Nations Maritime Conference closed today with formal signature of the constitution of the new inter-governmental Maritime Consultative Organization.

The constitution was adopted late last night by 21 votes to one. The only negative vote was that of China. Delegations abstaining included those of Sweden, Denmark, Norway and Egypt. Finland, which had originally formed part of a Scandinavian bloc in the conference opposing some aspects of the constitution, voted with the majority.

China and the abstaining delegations did not sign the constitution at the final ceremony this morning but indicated that their governments may accede to the new organization at a later date.

Eighteen nations signed the constitution, including Egypt, whose delegation had abstained in the voting. Four delegations which had voted in favor of the constitution were unable to sign today, because of inadequate credentials.

The constitution will come into force after it has been ratified by twenty-one nations, at least seven of which must each have a merchant fleet exceeding 1,000,000 tons.

Meanwhile, the organization's work, covering all aspects of world shipping from restrictive practices to safety measures, will be carried on by a twelve-nation preparatory committee, which held its first meeting immediately after the conference closed this morning.

The preparatory committee comprises Argentina, Australia, Belgium, Canada, France, Greece, India, the Netherlands, Norway, Sweden, the United Kingdom and the United States.

The same twelve nations will form the permanent members of the sixteen-member council of the organization when it is formally established as a United Nations specialized agency. This will be after the required number of ratifications. The remaining four members of the council will be periodically elected from among the other members of the organization.

Vatican Suspect Called Slav Spy

ROME, March 6 (AP).—The independent and rightist press charged today that an unfrocked Vatican priest, sought in connection with "swindles and falsehoods," had served as a Yugoslav spy while working in the Vatican secretariat of state.

An attaché of the Yugoslav legation declined to confirm or deny that the former priest, Eduardo Prettner, has taken refuge in Yugoslav territory. The press has charged that he fled to Yugoslav territory with important church documents.

Prettner had used the surname Cippico, a prominent Trieste name. However, a son of the late Senator Antonio Cippico of Trieste declared Prettner used the name only because his mother was the Senator's cousin. The Vatican yearbook lists the priest as Prettner.

Lectured In U.S.

Senator Cippico lectured in the United States and England in the late 1920s.

Italian police announced yesterday they are investigating the disappearance of $450,000 worth of jewels in connection with Prettner's disappearance. The jewels had been entrusted to him by members of his family, the announcement said.

Prettner was unfrocked so that he might be arrested by Italian police without violation of the Government's treaty with the Vatican.

Italian Communist Says U.S. Aims At War

Genoa, Italy, March 6 (AP)—Italy's Communist chief, Palmiro Togliatti, said tonight that America aims at war. He urged Europe's voters to "take in hand the direction of their countries to avoid this new danger."

Thousands gathered in the public square of this Communist stronghold of northern Italy to hear the Moscow-trained leader bitterly attack the United States and the Marshall plan.

He said conferences of western European nations planned to "initiate alliances for war" and warned that a divided Europe means the "menace of imminent war."

Togliatti added:

"It is not true that recovery of the Continent is impossible without American aid."

Aid for Italy under the Marshall plan is set at more than a $1,000,000,000 for the first year and is a big issue in Italy's April 18 election.

Get 6 Months to 4 Years for Hoarding and Illegal Exports

TRIESTE, March 6 (AP).—A court in the Yugoslav-occupied zone of the Trieste free territory has convicted five friars of hoarding and illegally exporting rationad food and currency, reports reaching Trieste said today.

The friars were from the Daila Monastery. All were sentenced to prison terms at hard labor and the monastery's property was confiscated, the reports said.

King Paul Off For Rhodes

Athens, March 6 (AP)—King Paul and Queen Frederika sailed today aboard the destroyer Themistocles for Rhodes to preside over ceremonies marking the return of the Dodecanese Islands. The islands, formerly held by Italy, become Greek territory once more under terms of the peace treaty.

Czech Envoy Takes Leave From Istanbul

Istanbul, March 6 (A. P.).—Kolvrap Krakovsky, Czechoslovak Minister to Turkey, left Ankara last night for London.

He said he was taking a leave of absence which "I gladly synchronized with recent events in my country." On that basis, he added, "I will not have any obligations toward the present Government and I will watch the outcome of events."

Libya's Fate Is Concern... Of Big Four Commission

Cairo, March 6 (AP)—The Big Four nations today launched a study of what to do with Libya, potential base of American and British powed to resist communism in Europe.

A commission representing the United States, Russia, Britain and France left Cairo by plane for Tripolitania, where the British military administration has been repairing roads, barracks and other facilities, and the Americans are tidying up the wartime air base at Mellaha.

In addition to the American airfield, able to handle Superfortress bombers and giant transports, the commissioners will glimpse the big British-operated airport.

Non-Stop Flight Base

From these airports planes can fly nonstop and back to points in Europe some 2,000 miles away.

In Tripoli the commission will hear spokesmen for Arab, Italian and other residents. Later the representatives plan to visit French-administered Fezzan, and toward the end of April go to Bengasi in Cirenaica.

The commission will not make recommendations but will report to the Deputy Foreign Ministers, who have until September 15 to agree on the future of Italy's former African empire. If no agreement is reached the question will go to the United Nations.

An Arid Land

Libya is mostly an arid land, extending about 1,000 miles along the Mediterranean.

It has three good sized harbors—Tripoli, Bengasi and Tobruk. All are somewhat cluttered with sunken ships. The people are mostly Arabic-speaking and work small farms or tend desert flocks. The modern city of Tripoli has a large Italian element.

The Arab League of seven Middle East states is demanding a united, independent Libya. If the Big Four decide upon trusteeship, the League favors itself or Egypt as trustee. A similar position is taken by the National Council for the Liberation of Libya.

Promise By British

The eastern region of Cirenaica is the home of Sir Said Idri El Senussi, leader of the Senussi sect, to which most Cirenaicans belong. As early as 1942 the British promised the Cirenaicans they would never be under Italian rule again.

Opposition to British rule has been expressed in Tripolitania.

Libyan population groups do not present solid fronts. Some Arabian war veterans favor return of Italian rule. A great many Italian residents want Italian trusteeship, but one Italian group favors Arab independence.

Russia recently reiterated that she favors Italian trusteeship over the former colony for a "reasonable period."

Some Arab leaders say that if the United States would quit supporting creation of a Jewish state in Palestine, they would favor that the United States administer a United Nations trusteeship over Libya.

Aid Plan Reported For Middle East

CAIRO, Egypt, March 6 (AP).—The widely circulated weekly newspaper Akhbar el Yom quoted an "informed source" in Washington today as saying Middle East countries "soon will benefit from a plan similar to the Marshall Plan for Europe."

The dispatch describes the information as the "first official confirmation."

BROADENED ARAB ATTACK FORECAST

Field Commander Confers With Officers In Palestine

Jerusalem, March 6 (AP)—Fawzi Bey al Kaukji, field commander of the Arab Peoples Army in northern Palestine, conferred with his staff officers on Palestine soil at newly established headquarters north of Nablus today.

The activities of al Kaukji, who was reported Thursday to have left Syria for Palestine headquarters, raised reports that a broadened Arab attack was imminent. Although the Arab League has decided to make no large-scale attack while British troops are here, his arrival at this time suggested the tempo of Arab operations would be increased.

NIGHT

Shots Fired

Late in the afternoon the commander visited Nablus, in the hills north of Jerusalem, and was greeted enthusiastically by crowds who filled the streets to the market stalls. Heavily armed soldiery fired shots of greeting into the air.

Then al Kaukji returned to his headquarters at a near-by village whose name is still secret. There was speculation that the headquarters was at Tubas, nine miles north of Nablus.

Arab sources said al Kaukji, a veteran of the Arab revolt of a decade ago, had visited his forces in Palestine before, but "this time he has come to stay until the fight is over."

Troops Put At 15,000

One rumor said he had brought 15,000 troops with him across the Jordan. The best information, however, was that the big new American sedan in which he traveled was accompanied by no more than two or three cars of staff officers and a jeep load of guards. His troops—at least for the immediate phase of the fight—are believed already to have been sent into the all-Arab triangle of Nablus-Tulkarm-Jenin.

Dispatches from Damascus, Syria, said two batteries of "heavy artillery"—probably French 75's—moved into Palestine today to support the Arab Army.

Mortar Fire In Haifa

Jerusalem had one of its quietest days, although the Haifa port area was ripped by heavy fire from three-inch Jewish mortars from the slopes of Mount Carmel. Police said five Arabs were killed.

The death toll since November 29 mounted to 1,616.

In Jerusalem a station wagon belonging to the United States Consulate was held up and stolen from in front of the Damascus Gate to the old city by a band of armed Arabs. They stopped the car and forced Manuel Mitchell and another consulate employé named Swedenborg, both Americans, the Arab driver and the messenger to leave the car. The car did not carry the American flag or consular license plates.

More than 2,000 British soldiers and civilians sailed from Haifa for home as Jewish and Arab sniper fire ripped through the business district only three blocks from the dock. About 1,800 soldiers were in the first large contingent to sail for the United Kingdom since Britain announced she was giving up her mandate here.

Jews Shell Haifa Arabs District With Mortars

Jerusalem, March 6 (AP)—Jews in Haifa killed five persons and damaged three buildings severely by firing 3-inch mortar shells at Arabs in the harbor area today, police said.

The police report said the fire came from Hadar Hacarmel, all-Jewish business and residential section halfway up the Carmel mountainside. It ripped into the Arab business district near the entrance to Haifa port.

Rumors circulated in Arab quarters that a Jewish plane strafed the Arab lines in Jaffa and was shot down. Military authorities here denied any airplane was operating in the Tel Aviv-Jaffa area at the time except a military scout plane. They said this plane came under fire but "the fire was not returned, nor was any missile directed from the plane."

Cameraman Shot

DAY

Robert Hecox, of Paramount News, was wounded in the right thigh today when he was fired on by Arab snipers in the Haifa docks area, a reliable source said. Hecox's home is in Grand Rapids, Mich.

Hecox and two other news photographers were taking pictures of British troop evacuations. Five shots were fired at the photographers' car. The other two men, Carl Gossett, of Asheville, N.C., New York *Times* photographer, and Kenneth Henshaw, a Briton, were unhurt.

Meanwhile, Gen. Sir Alan Gordon Cunningham, British High Commissioner, has appealed for the safety of United Nations personnel in Palestine. But the Arab Higher Committee says they soon may need more protection.

"Zone Within Zone"

Six members of the United Nations secretariat arrived here Wednesday as an advance party of the Palestine Partition Commission. They have been closely guarded in a "zone within a zone."

Cunningham asked Palestinians to accord the secretariat the immunity which civilized nations must "show to members of this world organization."

The Arabs, who look on Palestine partition as invasion of their country, have stated they cannot guarantee safety to commission members. (AP00)

AMERICAN SHOT IN PALESTINE

Newsreel Camerman Wounded Leaving Haifa

Haifa, Palestine, March 6 (AP)—A volley of shots peppered an automobile carrying newsphotographers today, wounding an American newsreel cameraman.

Robert Hecox, of Paramount News, was wounded in the right thigh. Two other men, Carl Gossett, of the New York *Times*, and Kenneth Hanashow, a newsreel man from London, escaped injury. Gossett comes from Asheville, N.C.

Mother Lives In Detroit

Hecox, whose mother, Mrs. Clara Thirkell, lives in Detroit, said he did not know whether Jews or Arabs did the shooting.

"We were leaving Haifa to return to Jerusalem, following an unarmored military convoy of three cars," he said. "We ran into this battle before we got out of town.

NIGHT

"I heard a big bang, and looking down, saw the car upholstery tear right out. A bullet came in the back of the car, hitting me in the leg. After a second or two, I told Hanashow, who was driving I was hit.

Wound Not Serious

"We pulled up beside the military cars and they took me to a nearby military hospital."

Hecox was transferred to a Government hospital. The bullet struck the fleshy part of his thigh, and the wound was not a serious one. He expects to leave the hospital in four or five days.

Hecox and the others came here to cover the evacuation of British troops and civilians aboard the Franconia.

Arab Artillery Reported In Palestine

Damascus, March 6 (AP)—A high Syrian official said two batteries of Arab heavy artillery moved into Palestine today.

Military observers speculated that the batteries probably were made up of French 75-mm. guns taken over from the French Army and retooled recently in Syria.

A contingent of 125 armed Moslem Brotherhood volunteers from northern Syria paraded in Damascuse preparatory to their departure for Palestine. Fawzi Bey al Kaukji, commander of the Arab Volunteer Army, has set up headquarters near Nablus, in northern Palestine.

Mortar Fire by Jews Kills 5 in Haifa—Briton Asks U. N. Workers' Safety.

Paris, March 6 (A. P.).—The police said today they had seized five tons of arms destined for Palestine and arrested fifteen persons.

They said the chief of the band was Louis Rawa, 26-year-old Polish Jew, who told them he belonged to Irgun Zvai Leumi, Palestine Jewish underground group.

Another arrested, the police, said, was Joseph Kohn, 40, born in Philadelphia.

The arms were found in the garage of a moving van company. The police said th company was to take them to Marseille for shipment to Palestine.

The newspaper Paris-Presse said the arms included machine-guns, a bazooka, bombs, mines, grenades and 150 rifles.

Stronger Palestine Stand By U.S. Urged

Washington, March 6 (AP)—Democratic National Committee heads have agreed to pass on to President Truman a plea by New York party leaders that he take more affirmative action on the Palestine issue.

The New Yorkers also want the President to stand firm on his civil-rights program despite protests from the Southern States and to begin hitting out at Henry A. Wallace, third-party candidate for President.

Paul E. Fitzpatrick, New York State Democratic chairman, presented the plea yesterday in a call on Chairman J. Howard McGrath and Executive Director Gael Sullivan of the National Committee.

Warning On N.Y.

Fitzpatrick was reported to have expressed a warning that New York could be lost to the Democrats this fall if a more aggressive campaign is not started immediately.

National Committee officials said Fitzpatrick asked that the word be passed to the President and they agreed to do this at the first opportunity. They had no appointment at the White House today, but may confer with Mr. Truman next week.

Fitzpatrick was said to have repeated the gist of a statement he issued in New York Tuesday.

Future Of Holy Land Seen Up To U.S., Russia

Lake Success, March 6 (AP)—Solving the Palestine problem seemed today to have been left mainly to the United States and Russia.

After two weeks of debate, the United Nations Security Council late yesterday called on the five major powers to find a method of carrying out partition of Palestine into Jewish and Arab nations, recommended by the Assembly November 29.

DAY

Britain announced that she would not take part in the consultations. China has abstained from much of the voting. France has been reluctant to take a stand.

Big Five Meets Monday

This prompted the general view that the future of the Holy Land rested on the doorsteps of Washington and Moscow.

The first big-power meeting was set for Monday morning in the New York office of Soviet Delegates Andrei A. Gromyko. A ten-day limit was put on the sessions.

American Delegate Warren R. Austin dispatched his top Palestine adviser, Dean Rusk, to Washington for conferences. Rusk was due back with any instructions from Secretary of State George C. Marshall in time to join Austin at the first session.

Americans Set Parley

United States delegation conferences also were scheduled in New York over the week end.

It still was not clear whether Britain would boycott the meetings entirely or would refuse officially to take part but send an observer. A spokesman emphasized that his Government, as mandatory power in Palestine was prepared to supply any information requested.

The British stand was in line with London's policy of not participating in any move to enforce partition or any other solution not acceptable to both Jews and Arabs. The Arabs oppose partition; the Zionists support it.

U.S. Proposal Rejected

The Council struck a blow at partition yesterday by refusing to adopt an American proposal that it accept the Assembly's decision. That plan makes provision for the Council to find ways to carry out the splitup. The vote on the issue was 5 to 0 with six abstentions. Seven affirmative votes were needed for passage.

The blow was softened somewhat, however, as some delegates said that they merely believed the Council should not move until the big powers had an opportunity to act. China, Britain, Syria, Canada, Colombia and Argentina refused to indorse the move.

Agreement was reached on the Big-Five section of the American resolution only after the United States yielded on several points to Russia. The consultation proposal passed, 8 to 0, with three abstentions. The United States, China, France and Russia were among those voting for it.

One of the deleted sections provided that efforts should be made in the consultations to mediate Jewish-Arab differences. (AP-U)

Nanking Forces Attack Yingkow by Sea and Air

PEIPING, March 6 (AP).—Government naval and air bombardment of Yingkow preparatory to an amphibious landing at that Communist-held port were reported today by pro-government dispatches from Manchuria.

The Communists captured Yingkow a week ago. It is 100 air miles southwest of Mukden and normally is linked with that isolated Manchurian city by two circuitous rail routes. The Communists now are astride both lines.

The Communists were continuing their attacks on Szepingkai, 100 miles northeast of Mukden, but government dispatches said they were being driven back.

10 Still Missing In Indo-China Attack

Saigon, French Indo - China, March 6 (AP)—Ten persons still are missing in the Viet Namese guerrilla attack last Monday on a Saigon-Dalat convoy, a French information official said today.

Newspapers have reported five French civilians dead, ten wounded and 36 rescued. Persons who traveled with the convoy said earlier this week that it had included about 400 French and Asiatic civilians and 175 French and Asiatic soldiers.

French headquarters refused information on military casualties or on progress of counterattacking troops. These troops were reported two days ago to have encircled the headquarters of the guerrillas who launched the attack. Officials announced, however, that 168 Asiatics captured by guerrillas had been freed by troops.

Karen Plot to Revolt Reported by Burma

Talks on Minority People's Future Are Halted

Rangoon, Burma, March 6 (AP)—The Burma Union Government accused the Karen National Union today of plotting an armed rebellion. It said the KNU seeks to set up a parallel government in defiance of recognized authority.

Premier Thakin Nu made the charge in a 3,000-word statement issued by the Government Information Department to announce termination of Burmese-Karen Cabinet-level talks to decide the Karen people's future.

The KNU categorically denied Thakin Nu's charge. It declared the accusation "ill-advised, ill-timed and palpably false."

The KNU is headed by former Cabinet Minister Saw B U Gyi. It claims to speak for 3,500,000 Karens in Burma. It recently demanded a separate state of "Karenistan." This would take in the whole Irrawaddy Delta, Burma's rice bowl, and a coastal strip southward through the Tenasserim region.

Thakin Nu charged the KNU with refusing to surrender arms called in by the Government last year and with starting a drive for money to buy more weapons for use against the Government. He warned, "force will be met by force."

The Premier sad the KNU demand for a separate state was a "menace to the existing peace and amity in Burma."

6 Nations Recognize Siam

U. S. Among Them; Parliament Votes Confidence in Luang

SINGAPORE, March 6 (AP).—Six nations informed Siam today they have recognized the government of Premier Luang Aphaiwongse. The six are the United States, Great Britain, China, France, India and the Netherlands.

An opposition attack on the government ended in parliament yesterday with a debate on the death of King Ananda Mahidol, who was found dead of a bullet wound last June. Luang received a vote of confidence.

The Premier promised parliament four suspects now being held in the case will be tried before the 108-day detention period terminates.

U. S. Recognizes Siam Regime

WASHINGTON, March 6 (AP).—The United States recognized today the new Siamese government headed by Prime Minister Khuang Aphaiwong. Similar recognition has been accorded by China, Great Britain and France.

BATAVIA, Java, March 6 (AP).—An official announcement said today installation of a new interim government for the Netherlands East Indies has been postponed from Monday to Tuesday.

Japan's Police System Will Be Decentralized

TOKYO, March 6 (AP).—Japan will begin tomorrow a new, decentralized police system replacing the autocratic national force which once was an instrument of terror and suppression.

Metropolitan Tokyo gets fifty-nine new police chiefs under the system, one for each ward. Each municipality of 5,000 or more population will have its own police force, towns with less people will be served by a new national rural police force.

It is estimated Japan's civil police force thus will total 125,000, including 30,000 rural police. Tokyo will have 27,000.

Old-line police officials have their doubts about the system. They don't think hundreds of separate municipal forces will be able to co-operate. Smaller cities are expected to have trouble scraping up enough money to pay their police. Heretofore, all police were paid by the government.

Red Cross M... To Leave Japan Soon

Tokyo, March 6 (AP)—Robert C. Lewis, American Red Cross commissioner in the Far East, said today he would leave soon for the United States—his first home-coming in seven years.

Succeeding him will be Henry L. Janeway, formerly of the Mediterranean theater. Lewis served in Europe, India, Burma and China before coming to Japan 22 months ago.

Chennault Favors Arms Aid To China

Tokyo, March 6 (AP)—Claire L. Chennault, wartime leader of the Flying Tigers, said tonight he agreed with Generals MacArthur and Albert C. Wedemeyer that the United States should lend military aid to China.

Chennault stopped here briefly on his flight to Washington, where he will testify before the House Foreign Affairs Committee on American aid to embattled China. He arrived by plane from Shanghai.

Chennault snorted when told that Senator Glen Taylor had suggested that President Truman demand the resignations of MacArthur and Wedemeyer for urging a "foreign policy at variance with that of the Administration." Said Chennault:

"Cowboy Taylor of Wyoming—oh, Idaho, is it?—probably wanted to get his name in the paper."

Chennault, who operates a commerical airline in China, was accompanied by his Chinese bride of a few weeks. They expect to arrive in Minneapolis via Northwest Airlines today.

complish this end."

Actually, Roxas declared, "there is no evidence to show a direct connection with Russia except through the Chinese Communists; but their propaganda theme has been to keep up the fight against the Government until arrival of Russians to set up a military dictatorship."

The Hukbalahap organization (the name means "People's Army against Japan") was formed to oppose the Japanese occupation.

Centering in Luzon, it has continued since the war as a militant Agrarian reform force, headed by Luis Taruc.

Estimates Lower

Roxas estimated the Huks to number 2,000 and the affiliated Peasants Union 50,000. Careful unofficial estimates last year were 7,000 and 85,000.

Brig. Gen. Mariano Castaneda, commander of the Philippines constabulary, who attended the press conference, said that in the past year 834 Huks had been killed, 108 captured and 3,453 surrendered.

Roxas said the formality of outlawing the Huks was meant as a warning that they and anyone giving them aid or comfort would be prosecuted.

old Luis Taruc, of Pampanga province, grew out of the left-wing National Peasants Union, which was formed shortly before the war. It later became affiliated with the postwar Democratic Alliance party, of which Taruc was vice president and which opposed Roxas.

When the Japanese took over the islands, the central Luzon peasants armed themselves with weapons from Bataan's battlefields and, later, with those from ambushed Japanese patrols.

After the liberation, Taruc said his organization was fighting for agrarian reform.

Huks "Await Russ Arrival"

Roxas said there was no evidence showing a direct connection between the Hukbalahap and Russia, "except through the Chinese Communists."

"But their (the Huks') propaganda theme has been to keep up the fight against the Government until the arrival of the Russians to set up a military dictatorship," he added.

The President estimated the Huks' strength at 2,000, and that of the affiliated Peasant Union (PKM) at 50,000. Exhibited at the press conference were documents and red flags, which Roxas said were taken from captured Huks.

The documents linked two Americans obscurely to the Huk movement. They were identified only as "Commander Dick at Clark (presumably Clark Field, northwest of Manila), and Commander Clark at Tom." No other details were given.

Brig. Gen. Mariano Castaneda, commander of the Philippine constabulary, said casualties in the sporadic clashes last year were 834 Huks killed, 108 captured and 84 Government troops killed. He said 3,834 Huks surrendered during the year.

Before he fled Manila, Taruc denied repeatedly that the Hukbalahaps sought the overthrow of the infant republic. He said that charges that the organization was "communistic" were "ridiculous."

Taruc was elected to the Philippine Congress during the April (1946) presidential election but was never permitted to take his seat. The Government charged election fraud.

HOLDS CHINA NEEDS ARMS

MAR 9 1948

Admiral Ramsey Agreed U. S. Military Aid Is Necessary

PEARL HARBOR, March 6—(AP)—Admiral DeWitt C. Ramsey, Pacific Fleet commander, said today he was "inclined to agree" with Generals Douglas MacArthur and Albert C. Wedemeyer that military aid to China was necessary.

"I don't know the State Department's policy in regard to military aid, and I don't want my statements to conflict with that policy," he told a press conference after his return from a trip to China, "but the situation in China is serious."

Admiral Ramsey, who inspected naval installations in the western Pacific, paid a brief visit to Nanking, calling on Generalissimo Chiang Kai-shek. He said he found Generalissimo Chiang an interesting personality with great devotion to his cause, and added that the Chinese leader was in excellent health.

WHEAT PRICE PACT SIGNED

Congress Must Approve Export Ceiling And Floor

Washington, March 6 (AP)—The United States today signed a 36-nation wheat agreement fixing a $2 price ceiling for the next five years on exports from this country, Canada and Australia.

Congress still must approve this "biggest intergovernmental deal in history"—a giant, many-sided contract to buy and sell 500,000,000 bushels of wheat and flour annually at stable prices.

A fight from wheat-state legislators is expected, although the pact also puts an international "floor" under wheat prices to keep them from collapsing when the predicted world surplus appears.

Delegates to the international wheat council, in full session here, penned their signatures to the accord and acclaimed their work as a climax to "years of effort to stabilize the world wheat market by international agreement."

Notably absent were Russia and Argentina, big wheat exporters. Their refusal to join weakens one immediate aim of the pact—to hold down prices for the dollar-starved countries of Europe and elsewhere.

Minimum-Price Provision

The $2 a bushel top is about 50 cents under the present United States price. Argentina has been getting upwards of $4.85 on exports to Europe. She declined to take part unless a broadcr pact was signed governing trucks, machinery and the other goods she must import.

The minimum, or "floor" price, is $1.50 a bushel in the first year, starting August 1, 1948. It drops by 10-cent steps each year to $1.10 in 1952.

The shipments covered by the price compact are: 185,000,000 bushels from the United States, 230,000,000 from Canada and 85,000,000 from Australia.

Each of the 33 importing nations agrees to take a specific share of the half-billion total. On wheat sold them above their quotas, there will be no price restraint.

Federal Subsidy Suggested

Government subsidy — possibly Federal purchase of wheat for sale abroad at a loss—was hinted by one official as a possible solution to the next problem: How can wheat be shipped at $2 if the market is around $2.50?

Another suggestion, given privately and completely bare of detail, is to give farmers who sell for export at $2 a "certificate" entitling them to a higher price for wheat sold for use in this country.

On this point the pact itself is silent. It only pledges that all countries will "be at pains to protect their ability to live up fully to the agreement." This implies Government support as well as continued export controls to steer wheat overseas. But the answer rests with Congress.

MAR 9 1948

Half Of Present Shipments

At the present swollen rate of United States exports, the price ceiling would cover less than half the nation's annual shipments. The current export goal is 450,000,000 bushels.

But if exports should start to slump, the agreement would keep them up to at least 185,000,000 bushels. This is well above the level of the Nineteen Thirties, when exports averaged well under 100,000,000 bushels.

"This agreement is the biggest intergovernmental deal in history," Chairman Leslie A. Wheeler told the council, which sweated out the pact in almost daily sessions since January 28.

"It involves the largest amount of goods—2,500,000,00 bushels of wheat—with a value of say $4,000,000,000.

"It involves more countries and extends for a longer period of time than any similar arrangement."

The "first multilateral agreement of its kind in history," as Wheeler called it, came after fourteen years of effort. A full-dress conference in London last year failed.

Ready Profit Or Stability

Officials saw plenty of chance that Congress still might not approve, and that some of the other governments might fail to ratify.

But even so, Wheeler hailed it as "an important milestone on the road to world peace."

Other delegates said it was the first time nations have been willing to forego a ready profit in an effort to win long-time economic stability.

N. R. Dodd, Under Secretary of Agriculture and chief United States delegate, told the council:

"No more practical and concrete action could be taken toward early and lasting improvement of the basic world food problem."

He said afterward that the pact could reach Congress in any one of three ways. If it is put into effect as an executive agreement, Congress may step in and kill it by concurrent resolution. If offered as a treaty, the Senate alone must ratify. If offered as an ordinary agreement, a concurrent resolution of both huoses would be needed.

Congressional Opponents

Members from several states have stated they will vote "nay." Senator Young (D., N.D.) yesterday reported he favors waiting "a few years."

Chairman Wheeler was not discouraged. He told the delegates, in the State Department's ornate international conference room, the pact's "main significance lies in the fact that it is a definite and concrete indication that many nations can work together toward a common economic goal.

"I hope that it will prove a forerunner of international arrangements for other world staples—with the same objectives of expanding production and consumption at reasonable prices."

Fifteen Nations Sign

Dodd signed for the United States, along with delegates of fourteen other nations. The rest have until April 1.

Canada, the biggest exporter, and England, the biggest importer, signed today, as well as China, Colombia, Egypt, Greece, India, Ireland, Lebanon, Liberia, Peru, Portugal, Denmark and the Netherlands.

Sir Herbert Broadley, head of the British delegation, said the agreement insures producers against a "disastrous slump," and the consumer against "exploitations."

Roxas Also Outlaws National Peasants' Union

Manila, March 6 (AP)—President Manuel A. Roxas told a special press conference today he was formally outlawing the Hukbalahap guerrilla organization and its affiliated National Peasants Union.

The Philippines President charged that the "Huks" had plotted to assassinate him in 1946. He also reiterated assertions that the group was Communist-led and aimed at forcible overthrow of his Government.

To support these charges, he displayed documents and red flags which he said had been captured by Government forces in 95 clashes with the guerrillas since April, 1946.

Expect Russian Aid

Roxas quoted Huk leaders as having said they wanted to establish a Communist Government and were "expecting Russia to arrive in the Philippines to help us ac-

Roxas Formally Outlaws Huks, Links Them To Reds

MAR 9 1948

Manila, March 6 (AP)—The colorful Hukbalahap guerrillas today were formally outlawed by President Manuel Roxas.

The President told a special press conference the Government has evidence linking the Communist party with the central Luzon armed peasant organization, which was formed to resist Japanese occupation.

Roxas cited 95 encounters between the Huks and units of the Philippine army since April 26, 1946—shortly after his election as president of the Philippine Commonwealth. [Roxas automatically became president of the republic on Philippine Independence Day, July 4, 1946.]

NEW REQUEST MADE FOR FBI CONDON DATA

MAR 9 1948

'Top-Flight Bureaucrats' May Be Impeached, Says Rankin

Washington, March 6 (AP)—The uproar over the case of Dr. Edward U. Condon brought a new attempt today to smoke out FBI loyalty records. And Representative Rankin (D., Miss.) said Congress might have to impeach some "top-flight bureaucrats."

Condon is director of the National Bureau of Standards. A House Un-American Activities subcommittee accused him last Monday of associating with suspected Russian spies. It also declared him to be "one of the weakest links" in the nation's atomic security.

But Condon said the country needn't worry—"I'm absolutely reliable."

Developments Listed

The day's developments:

1. Representative Nixon (R., Cal.) wired W. Averell Harriman, Secretary of Commerce, and Tom C. Clark, Attorney General, urging the release of a loyalty report on Condon made last May by J. Edgar Hoover, FBI director.

"Not to do so," he told Harriman, "leaves a suspicion upon Dr. Condon, the Department of Commerce and the Committee on Un-American Activities."

NIGHT

2. Rankin, a member of the Un-American Activities Committee, said in a statement that President Truman should fire Harriman or order him to produce for the committee the records in the Condon case. Harriman has declined to do so. He said it would not be in the public interest to make them generally known.

Rankin said Congress may have to "resort to impeachment" to get rid of "top-flight bureaucrats who are protecting people on the Federal pay roll whose loyalty is questioned."

3. Representative McDowell (R., Pa.) said Chairman J. Parnell Thomas (R., N.J.) of the Un-American Activities Committee has accepted his suggestion that the committee staff "drop everything else" to concentrate on winding up the Condon case. McDowell wants public hearings quickly.

4. Committee members said four more subpoenas are being drafted for possible witnesses at the hearings. They are not ready to say who is involved.

5. Two members of the Senate-House Atomic Energy Committee got together with two from the Un-American Activities Committee.

Interested In Atomic Matters

Senator Hickenlooper (R., Iowa), chairman, said the Atomic Committee is interested only in matters vitally affecting atomic power. He said the Un-American Activities Committee will supply any such information it has.

Hickenlooper said his committee still is undecided about a separate investigation in the Condon case. He and Representative Cole (R., N.Y.), of the Atomic Committee, met with Representatives Nixon and Mundt (R., S.D.), of the Un-American Activities group.

The Hoover report on Condon has become a central issue in the case.

Omission Charged

The subcommittee report, issued Monday, quoted a paragraph as saying FBI files reflect that Condon was in contact as late as 1947 "with an individual alleged, by a self-confessed Soviet espionage agent, to have engaged in espionage activities with the Russians in Washington, D.C., from 1941 to 1944."

The Washington *Post* has said it learned the subcommittee omitted the next paragraph and that this said nothing subversive was found in Condon's contacts with this individual.

U.S. To Hear 4 More In Quiz Of Condon

MAR 8 1948

Washington, March 6 (AP)—The House Un-American Activities Committee lined up more witnesses today to support its charge that Dr. Edward U. Condon is "one of the weakest links in our atomic security."

DAY

Committee members said the group plans to summon four persons to testify at hearings on a subcommittee's report that the Government scientist associated "knowingly or unknowingly" with alleged Russian spies.

The witnesses being subpoenaed were not named.

Condon Denies Charge

The blast at the director of the Government's Bureau of Standards was loosed earlier this week. Condon, who has worked on a number of this country's secret wartime weapons, promptly denied it. He asked for public hearings to answer the charge.

"If Condon wants a hearing," said Representative McDowell (R., Pa.), "he should have it as soon as possible.

But, McDowell added, "unless the committee's information is completely wrong, he's in a very bad spot.

"I have just gone over our material for the first time. In view of what's in it, the doctor is going to have to talk awfully fast."

Not All Material Revealed

Not all of that material has been made public yet. Representative Nixon (R., Cal.) said yesterday it contains information relating to a New York grand-jury investigation of spying by Americans and aliens.

Because the grand jury has not finished its work, Nixon headed off an attempt by Representative Rankin (D., Miss.) to have the committee's detailed records on Condon read in public.

Secretary Harriman, backed by an opinion from Attorney General Clark, told the committee it had no legal right to the files. They are confidential, he said, and contain information given by persons who were told their names never would be made public.

OFFICIAL CITES DISCUSSION BY STEEL LAWYER

U.S. Aide Says Attorney Talk Of Cutting Trade Group Appropriation

Washington, March 6 (AP)—A Government official testified today that an attorney for a big steel company told him "it looks like we have to do something about you, or we will have to cut off the Federal Trade Commission's appropriations."

The FTC currently is checking on the steel industry's method of establishing basic steel prices. The witness, L. C. Paulson, is an FTC attorney who is spearheading the action against the industry.

NIGHT

Conversation Quoted

Paulson told a Senate Judiciary subcommittee that the attorney, whom he did not name, told him last Tuesday:

"Well, it looks like we have to do something about you. Either you have to go up or down, or we will have to cut off the Federal Trade Commission's appropriations."

Paulson said the conversation occurred the day the Joint Congressional Committee on the Economic Report was inquiring into recent steel price increases.

Paulson also testified he and the attorney discussed Senator Taft (R., Ohio), chairman of the joint committee and a candidate for the Republican presidential nomination.

Says He Lunched With Taft

Paulson said the attorney told him he "had had lunch with Senator Taft in Cleveland the day before, and that he had informed the senator he was raising a lot of money."

"I said, well, what was the result of that as far as you are concerned today?" Paulson continued. "He said as far as he was concerned, absolutely negative.

"Taft had blasted him," Paulson said.

Paulson said he then asked the attorney, "Are you going to continue to raise the money?"

Attorney's Reply Quoted

He quoted the attorney as replying that he "didn't know."

The subcommittee earlier had begun an investigation of steel price increases but didn't get anywhere.

John F. Sonnett, head of the Justice Department's Antitrust Division, was asked if he could tell anything about the result of the inquiry. He said he couldn't because it is not finished. He appeared before a Senate Judiciary subcommittee considering stronger antitrust legislation.

The FBI investigation was started at the request of President Truman. It followed a general increase of about $5 a ton in some semifinished steel items.

Attorney General Clark said after a Cabinet meeting yesterday that the FBI has made a preliminary report, but he would not give details.

Collusion Denied

Sonnett said investigators want to know whether steel companies raised prices through agreement. The companies have denied collusion.

Senator Ferguson (R., Mich.) asked if the department had found any evidence in its steel inquiry of an "agreement to raise the price of labor."

"There is no evidence of that yet," Sonnett replied.

Sonnett said he could not accept the explanation made by some companies that they had raised steel prices to "meet competition."

Ferguson said he couldn't either.

'Revisionists' Ask 4-Billion Limit In Year's Aid

MAR 9 1948

Washington, March 6 (AP)—A group of Republican senators who want to change the Marshall plan talked today of cutting a $1,300,000,000 off the first-year outlay.

Senators Ball (Minn.) and Wherry (Neb.), leaders of the revisionists, said they think "$4,000,000,000 would be enough." Th Administration and Chairman Vandenberg (R., Mich.) of the Senate Foreign Relations Committee have asked for $5,300,000,000.

Wherry said the fight to change the program—now being debated in the Senate—is a tough one. But he said the amendment expected to attract the most votes is the one to cut the program's cost.

Even some Democrats may join in that one, he said.

The revisionist group has not reached complete agreement on the size of the cut they want, Wherry added, but he said they probably will settle on the $1,300,000,000 figure.

DAY

Both the plan's backers and those who want to change it hope for a Senate vote late next week. But the Nebraskan, who is acting Senate majority leader, said other urgent business may prevent that.

A heated flurry between Senators Lodge (R., Mass.) and Hawkes (R., N.J.) late yesterday wound up the first week of debate on the four-year program.

Hawkes Predicts Failure

Hawkes said "any sane man would know" the plan must fail and that it may lead to a third world war. He declared it will not stop communism, as its supporters say it will.

And once a program of help has started, he added, it will stop only when it has sapped this nation's economic strength—and then the sixteen western European nations getting the aid "will hate you."

The New Jersey Senator said he lost a son in the last war. "I want my little grandson to know I didn't vote to sell the United States down the river," he cried.

Lodge, who was acting floor manager for the measure at the time, said sharply that he and other backers of the bill "deeply resent" Hawkes's aspersions on their "patriotism and sanity."

The incident came as Senator Malone (R., Nev.) neared the end of a speech against the program, which he called a plan to redistribute United States wealth throughout the world.

Malone held the floor for a day and a half, yielding frequently for questions and long discussions by half a dozen other senators, most of them critical of the bill.

Navy Rocket Rises 78 Miles Into Sky

Washington, March 6 (AP)—A new navy rocket has spurted 78 miles into the sky and hit a speed of 3,000 miles an hour, the Army and Navy said today.

It is the highest and fastest an American missile is disclosed to have gone. The wartime German V-2 reached 114 miles and about 3,500 miles an hour in tests at the White Sands (N.M.) proving grounds.

The navy rocket, called the Aerobee, was tested there yesterday, the joint announcement said.

The performance of the liquid-fueled Aerobee greatly exceeds the 34-mile altitude, 2,100-mile speed of the only other American rocket so far announced. This was the army ordnance WAC Corporal.

Details of design of the new rocket and the fuel are secret.

The Aerobee was developed for

navy ordnance by the Aerojet Corporation of Azusa, Cal., and the Douglas Aircraft Company. The Applied Physics Laboratory of Johns Hopkins University at Silver Spring, Md., supervised.

It carried 150 pounds of instruments for recording cosmic-ray activity. Under the joint Navy-Army program, an initial group of 20 Aerobee rockets is being made ready for tests.

There was nothing in the announcement to indicate any attempt to guide the navy rocket in its flight.

Mechanical Brain To Get War Posers

MAR 9 1948

Washington, March 6 (AP)—The Navy is going to ask a $600,000 "mechanical brain" for some of the answers to warfare of the future.

Now being moved in twenty truckloads from Harvard University, a 25-ton calculating machine can solve long and complicated formulas in a fraction of normal time, the Navy said.

Its main job at its new home, the Dahlgren (Va.) naval proving ground, will be to figure out some of the three-dimensional problems of making guided missles, as well as intercepting enemy missiles. Dahlgren has been chosen as the Navy's first computing center.

Known as the Aiken relay calculator from its designer, Prof. Howard H. Aiken, the brain can multiply millions in one second, add billions in less than one fifth of a second.

It does its "thinking" with 12,500 relays and is built to operate 24 hours a day, a Navy ballistic expert said.

"Any complicated problem that would take too long to solve by ordinary methods is a logical choice for an automatic calculator," Albert Wertheimer, of the Navy's Bureau of Ordnance, said.

Here's what happens;

Problems are punched into paper tape and fed into the machine. The machine adds, subtracts, multiplies and divides according to the "instructions" on another tape. As the mathematician codes the problem, he puts in "checks" at various points. If the machine makes an error, everything stops, bells ring and lights flash.

By mid-June, Wertheimer said, installation and testing of the new machine will be finished.

Senator Demands Arbitration Law

Washington, March 6 (AP)—Compulsory arbitration to settle labor disputes in all atomic energy plants was demanded today by Senator Wiley (R., Wis.).

"The present situation is an open invitation to every Communist agent, fellow traveler and provocator in the United States to concentrate agitation activities on atomic workers in order to cause work stoppages, knowing they can easily wreck all voluntary conciliation and voluntary arbitration efforts," Wiley said in a statement.

Wiley, chairman of the Senate Judiciary Committee, said he has followed with "deep concern" developments in the possible work stoppage at Oak Ridge, Tenn.

EISLER, 3 OTHERS RELEASED IN BAIL

MAR 9 1948

Alleged Alien Communists Break Ellis Island Fast

New York, March 6 (AP)—Four men awaiting deportation proceedings on charges of being alien Communists gained their release on bail today and immediately broke their nearly week-long fast.

A small but noisy crowd of well wishers met the men as they stepped off the ferry boat which brought them from Ellis Island. They had been held there on orders of Tom C. Clark, Attorney General.

Before they left Ellis Island, each of the men took a bowl of soup and a glass of fruit juice.

They said it was their first food since Monday, when they started a self-styled hunger strike to obtain their release on bail pending hearings on the deportation proceedings.

NIGHT

Called No. 1 Communist

The four are Gerhart Eisler, described by a Congressional committee as America's No. 1 Communist; John Williamson, labor secretary of the Communist party; Ferdinand Smith, West Indian-born Negro, who is secretary of the CIO National Martitme Union, and Charles A. Doyle, an official of the CIO United Gas, Coke and Chemical Workers.

Earlier in the afternoon Federal Judge William Bondy had ordered the men released in bail of $3,500 each pending argument Monday on their appeal from his denial of their petitions for habeas corpus writs.

In Government Bonds

The bail was supplied in United States Government bonds, by their attorneys.

Irving Potash, CIO Furriers' Union official who also had been on a hunger strike with the others while awaiting deportation proceedings, was released on bail by Judge Bondy last Thursday.

John F. X. McGohey, United States attorney, did not participate in discussion of the amount of bail today. His only comment to the Judge was:

"I do not think you should be granting bail at all. But I am too tried."

Veterans Rout Pickets

Syracuse, N.Y., March 6 (AP)—A scheduled one-hour picketing demonstration against detention of four alleged Communists at Ellis Island was broken up today by a group of veterans, including Legionnaires.

Less than a dozen pickets carrying placards were marching in front of the Federal building in downtown Syracuse. They deserted their post after being jostled by the veterans, who reported at the scene about 200 strong.

Hint: A-Monopoly At An End

MAR 9 1948

New York, March 6 (AP)—Gen. A. G. L. McNaughton, head of Canada's delegation to the United Nations, hinted today it is known that another country besides the United States has atomic bombs although not enough of them to wage atomic war.

"The prohibition of the use and manufacture of the atomic bomb at the present time would merely seriously reduce the military strength of the United States, the only nation now in possession of atomic bombs, at least on any scale which would suffice to make atomic war," General McNaughton said.

His statements were in an address prepared for delivery before the New York *Herald Tribune* Forum for High Schools.

The general, formerly Canada's representative on the United Nations Atomic Eenergy Commission, did not elaborate on the suggestion that the United States is not the sole possessor of atomic bombs.

Flag For Secretary Of National Defense

Philadelphia, March 6 (AP)—An official flag is being created here for the Secretary of National Defense, newest Cabinet post.

This was announced today by the Army quartermaster depot where the four-starred blue insignia is being made. The Army said the new flag is needed, since the former War and Navy secretaries' flags were retained by those departments when they were joined under the Armed Forces Unification Act.

The flag of the Secretary of National Defense is medium blue silk, with a five-pointed star in each corner. In the center is an American bald eagle, wings outstretched. Talons of the eagle hold three crossed arrows, and on its breast is a shield of thirteen stripes, alternately silver and red, topped by a blue chief.

URGE U. S. TO STOP 'RUSSIA RIGHT NOW'

Westover Air Force Base, Mass., March 6 (A. P.).—Two officials of the military government of Germany today called upon America to "stop Russia right now even if a show of force is necessary."

DAY

The officials, James R. Newman of Akron, Ohio, and Louis Glaser of Washington, D. C., arrived here last night by plane from overseas. Newman is civil governor of the province of Hesse. Glaser is chief of civil administration and political affairs in Berlin.

Newman said Communists are infiltrating labor unions in Germany "in an attempt to foment strikes in order to frustrate the Marshal plan." Glaser said Russia wants "Europe to go down in an agony of despair" and "we must be realistic in handling the situation."

"We must pour more war materials into Greece and Turkey to hold the Communists there," Newman said. "However, the use of American troops there should be avoided if possible."

Big TNT Blasts to Test Buried War Factories

SALT LAKE CITY, March 6 (AP).—Explosive charges of TNT ranging up to 320,000 pounds will be detonated in a series of tests to determine feasibility of underground war factories, Army engineers have disclosed. The tests will be made late this year near Grand Junction, Col.; Dugway, Utah, and Castle Dale, Utah.

Resident Engineer H. O. Plath said yesterday that the explosions will be for experimental purposes only. The results will not determine sites for such structures, he said. He said no atomic bombs would be used in the tests.

Soviet Air Liner Called Copy of Interned B-29s

SEATTLE, March 6 (AP).—The Boeing Aircraft Company magazine says that Russia apparently has produced a seventy-two-passenger plane copied from interned B-29 Superfortresses.

The plane shows at least twenty items that are "exact duplicates" of B-29 parts, the magazine article states. Boeing designers recognized the parts in a newsreel shown in London recently.

The article pointed out that a Berlin newspaper printed a rumor on Armistice Day, 1946, that the Russians were producing copies of the Boeing bomber in factories in the Urals. Then American observers in Moscow, it recalled, saw "several B-29s" during the 1947 "Aviation Day." The article said that "whether these were TU-70s, converted B-29s or new bombers patterned after the B-29 is not clear."

The article said the Russian plane varies in some respects from the B-29. Its fuselage sits higher on the wing, the diameter is larger and the plane is longer—119 feet, as compared to 99 in the Boeing.

Hanford Plant Confirms Uranium 233 Discovery

RICHLAND, Wash., March 6 (AP).—An official spokesman for the Hanford atomic project confirmed today an Eastern scientist's report that a new kind of atomic metal has been produced in the plants near here. The new atomic metal is Uranium 233.

The disclosure that a minute quantity of it had been produced from thorium was made last night by Dr. Glenn T. Seaborg, atomic scientist, in New York City. Thorium is described as a much more abundant metal than the uranium that has been used for conversion into plutonium at the Hanford project.

The public relations office spokesman said "small traces" of the new uranium 233 had been produced, enough for research work only. He said he could not disclose where the research work with it is being conducted.

Hollywood Fete Nets $15,110 For Red-Probe Defense

MAR 9 1948

Hollywood, Cal., March 6 (AP)—Some 300 Hollywood liberals met at a banquet last night and chipped in $15,110 to help the fight of ten film figures accused of contempt of Congress in its un-American activities probe.

All were charged with contempt following refusal to answer the House committee's question: "Are you a Communist?"

A galaxy of speakers headed by Dr. Harlow Shapley, Harvard University Observatory director and chairman of the National Arts, Sciences and Professions Council, pointed up the "importance of our fight."

"This fight for the ten," Dr. Shapley said, "must stop the Thomas committee and quash all the little un-American activities committees which it has spawned in various states, industries and even universities."

The Harvard scientist labeled

30.24- 16063

the committee's current probe of Dr. Edward U. Condon, head of the National Bureau of Standards, as "a national disgrace and a national danger."

John Huston, film producer-director and banquet chairman, said "the cause of these ten is the cause of all artists and freedom-loving citizens who want to be free from fear and censorship."

Lena Horne, Negro songstress, sang and Actor Larry Parks introduced Adrian Scott, producer, one of the ten defendants who were seated at a table of honor.

"We must dramatize our fight," Scott said, and he proceeded to do so by likening the Thomas committee's action to the Reichstag fire which put the Nazis into power in Germany.

"We must fight the flames which threaten our liberties," he declared.

FROM LATIN AMERICA TO AFRICA AND EASTWARD TO ASIA, BRITAIN'S WORLD-WIDE AUTHORITY HAS BEEN CHALLENGED WITH RENEWED STRENGTH IN RECENT WEEKS.

THERE IS LITTLE DOUBT THE MILITARY STRENGTH OF THE BRITISH LION IS WEAKENING. FACED BY AN ECONOMIC CRISIS AT HOME, THE GOVERNMENT LAST WEEK ANNOUNCED MORE CUTS IN BRITAIN'S ARMED FORCES.

IN THE NEXT YEAR BRITAIN'S ARMED FORCES WILL DROP MORE THAN 200,000 --LEAVING THE COMBINED STRENGTH OF THE NAVY, AIR FORCE AND ARMY AT 716,000 MEN BY MARCH 1, 1949. BRITAIN'S ONCE POWERFUL FLEET IS BEING REORGANIZED AND AT THE PRESENT TIME NO BATTLESHIP OR HEAVY AIRCRAFT CARRIER IS READY FOR IMMEDIATE ACTION, THE ADMIRALTY SAID.

WITHIN A YEAR BRITAIN HAS GRANTED INDEPENDENCE TO BURMA AND DOMINION STATUS, WITH A FURTHER CHOICE OF COMPLETE FREEDOM, TO INDIA AND PAKISTAN. CEYLON HAS BECOME A SELF-GOVERNING MEMBER OF THE BRITISH COMMONWEALTH AND BRITAIN IS LEAVING PALESTINE. BUT THE CHALLENGE TO EMPIRE CONTINUES.

HERE ARE THE CURRENT TROUBLE SPOTS IN THE EMPIRE THAT WORRY OFFICIALS IN WHITEHALL:

ANTARCTIC ISLANDS--ARGENTINA AND CHILE SENT NAVAL EXPEDITIONS TO CLAIM LONG DISPUTED TERRITORY IN THE FALKLAND ISLANDS DEPENDENCIES SOUTH OF CAPE HORN. BOTH COUNTRIES HAVE TURNED DOWN BRITAIN'S OFFER TO LET THE INTERNATIONAL COURT OF JUSTICE DECIDE THE OWNERSHIP OF THE ICE-COVERED ISLANDS. BRITAIN, HOWEVER, SAID SHE HAD NO INTENTION OF ARBITRATING ARGENTINA'S CLAIM TO THE STRATEGIC FALKLAND ISLANDS COLONY, 300 MILES EAST OF CAPE HORN. SHE SENT THE CRUISIER NIGERIA TO BOLSTER THE SLOOP THAT WAS BRITAIN'S ONLY WARSHIP IN THE AREA.

BRITISH HONDURAS--BRITAIN DISPATCHED TWO CRUISERS AND LANDED TROOPS ON HER LITTLE CENTRAL AMERICAN COLONY, CLAIMING "IRRESPONSIBLE ELEMENTS" IN NEIGHBORING GUATEMALA PLANNED AN INVASION. GUATEMALA HAS CLAIMED BRITISH HONDURAS FOR MORE THAN HALF A CENTURY. ANTI-BRITISH DEMONSTRATIONS IN GUATEMALA CITY LAST WEEK ACCOMPANIED RENEWED CLAIMS FOR THE LAND OF SWAMPS AND MAHOGANY FORESTS.

PALESTINE--BRITAIN HAS ANNOUNCED SHE WILL GIVE UP HER 20-YEAR-OLD LEAGUE OF NATIONS MANDATE ON MAY 15. BRITISH TROOPS HAVE BEEN FIGHTING TRYING TO MAINTAIN ORDER DURING THE BLOODY ARAB-JEWISH CONFLICT.

THE AFRICAN GOLD COAST--A "STATE OF EMERGENCY" WAS PROCLAIMED IN THE WEST AFRICAN COLONY THIS WEEK AFTER 14 WERE KILLED IN RIOTS ATTRIBUTED TO GROWING NATIONALISM AND DEMANDS FOR SELF-GOVERNMENT. A GOVERNMENT CHARGE THE DEMONSTRATIONS WERE "COMMUNIST INSPIRED" HAS BEEN DENIED BY NATIVE LEADERS. AIRBORNE TROOPS WERE ALERTED AT GIBRALTAR IN CASE REINFORCEMENTS WERE NEEDED TO MAINTAIN ORDER.

THE SUDAN--BRITAIN'S LATEST OFFER TO COMPROMISE THE ANGLO-EGYPTIAN DISPUTE OVER THE SUDAN WAS REJECTED BY EGYPT THIS WEEK. THE SUDAN HAS BEEN UNDER THE JOINT SOVEREIGNTY OF BRITAIN AND EGYPT SINCE 1899. EGYPT'S DEMAND FOR SOLE SOVEREIGNTY OVER THE UPPER NILE REGION HAS BEEN REJECTED BY THE BRITISH, WHO SAY THE SUDAN SHOULD BE PREPARED FOR SELF-GOVERNMENT AND EVENTUAL INDEPENDENCE.

CYPRUS--NATIONALIST ELEMENTS IN THE STRATEGIC ISLAND COLONY IN THE EASTERN MEDITERRANEAN HAVE BEEN AGITATING FOR THE BRITISH TO WITHDRAW. FOUR PERSONS WERE INJURED THIS WEEK IN A STRIKE DEMONSTRATION.

KASHMIR--BRITAIN HAS TRIED UNSUCCESSFULLY TO MEDIATE THE CONFLICTING CLAIMS FOR KASHMIR BY HER TWO NEW DOMINIONS, INDIA AND PAKISTAN. THE DISPUTE WHICH LED TO CIVIL WAR IS NOW BEFORE THE SECURITY COUNCIL.

HONGKONG--ANTI-BRITISH FEELING STILL RUNS HIGH IN SOME CHINESE CIRCLES AS A RESULT OF CHINESE CLAIMS TO PART OF THE WALLED CITY OF KOWLOON. FOUR BRITONS WERE INJURED IN JANUARY DURING ANTI-BRITISH STRIKES IN NEARBY CANTON.

(EDITOR'S NOTE: THE PRROPOSAL FOR A UNITED STATES OF E[illegible] HAS BEEN GAINING GROUND RAPIDLY. THE CAPTURE OF CZECH[illegible]BY COMMUNISTS AND THE CRISIS FACED BY FINLAND HAVE QUICKENED [illegible]EPS IN THAT DIRECTION AS A MEANS OF HALTING THE SPREAD OF COMMUNISM. THE SITUATION IS OUTLINED IN THE FOLLOWING DISPATCH, ONE OF A SERIES OF AP WEEK-END BACKGROUND STORIES, BY GLENN WILLIAMS OF THE LONDON BUREAU STAFF.)

BY GLENN WILLIAMS

MAR9 1948

LONDON, MARCH 6-(AP)-SOME SORT OF A UNITED STATES OF EUROPE WILL BE OPERATING BEFORE THE YEAR IS OUT, LONDON DIPLOMATS BELIEVE.

IT MAY NOT BE KNOWN BY THAT NAME. IT MAY COVER CONSIDERABLY LESS THAN ALL OF WESTERN EUROPE AND IT MAY FALL CONSIDERABLY SHORT OF A EUROPEAN FEDERAL STATE WHICH THE NAME IMPLIES, BUT IT PROBABLY WILL BE IN ACTION.

AT FIRST IT PROBABLY WILL BE A LOOSE ORGANIZATION INCLUDING BRITAIN, FRANCE, BELGIUM, THE NETHERLANS AND LUXEMBOURG DESIGNED AS A WORKING MODEL OF A UNION MEANT TO BE STRENGTHENED AND EXTENDED TO ALL OR MOST OF WESTERN EUROPE AS AN ANTIDOTE FOR COMMUNISM.

SUCH A UNION HAS BEEN THE DREAM OF SOME STATESMEN FOR 30 YEARS OR MORE. FAILURE NOW OF THE BIG POWERS TO COOPERATE IN PEACE, THE WEST'S FEAR OF COMMUNISM AND THE INCREASED NEED FOR JOINT ACTION TO KEEP PEOPLE EATING AND WORKING IN WAR-BATTERED NATIONS ARE SPURRING

ON THE PLANNERS.

BLUEPRINTS OF THE UNION'S FOUNDATION ARE ON THE DRAWING BOARDS AT A BRUSSELS MEETING OF DIPLOMATS FROM THE FIVE NATIONS THIS WEEK-END.

DIPLOMATIC SOURCES FEEL SURE THE EVENTUAL SIZE AND AUTHORITY OF THE WESTERN EUROPEAN UNION WILL BE CLEAR BEFORE THE U.S.-FINANCED EUROPEAN RECOVERY PROGRAMS ENDS IN 1951.

THEY CAN ONLY SPECULATE WHAT THAT SIZE AND AUTHORITY WILL BE.

THERE SEEMS LITTLE DOUBT THE FIVE NATIONS MEETING AT BRUSSELS WILL SIGN AT LEAST GENERAL AGREEMENTS FOR JOINT MILITARY ACTION AGAINST ANY AGGRESSOR.

WORDS THAT FLOAT AROUND THE BRUSSELS MEETING CALL FOR AN "ECONOMIC, POLITICAL AND MILITARY" UNION. THESE WORDS COVER A LOT OF GROUND WITH VAGUENESS.

MAR9 1948

AY64

DOES ECONOMIC UNITY MEAN A CUSTOMS UNION, A KNOCKING DOWN OF TARIFF WALLS DIVIDING THE COUNTRIES? IF IT DOES, HOW WILL IT BE MADE TO WORK AMONG NATIONS WHOSE FOREIGN TRADE PATTERNS VARY SO WIDELY?

WHAT WILL BE THE UPSHOT OF EFFORTS AT POLITICAL UNION? "NATIONAL SOVEREIGNTY"--THE NATIONAL PRIDE AND AUTHORITY OF EACH NATION--IS THE BIG OBSTACLE HERE. HOW DEEP WILL THEY BE ABLE TO BURY IT? DEEP ENOUGH TO SET UP A SORT OF SUPER-NATIONAL CONGRESS, OR JUST DEEP ENOUGH FOR OCCASIONAL MEETINGS OF OFFICIALS WHO WOULD HAVE POWER TO RECOMMEND ACTIONS BUT NOT ENOUGH TO ACT?

WHAT WILL THE MILITARY AGREEMENTS CALL FOR? WILL THERE BE JOINT CHIEFS OF STAFF AND STANDARIDIZATION OF SUCH THINGS AS WEAPONS AND TRAINING, OR JUST A SIMPLE AGREEMENT TO HELP EACH OTHER IN WAR? SUPPOSE ONE MEMBER FALLS TO WHAT SOME WESTERN DIPLOMATS CALLS "INTERNAL AGGRESSION" THAT MADE A RED REGIME IN CZECHOSLOVAKIA. WOULD AN ALLIANCE COVER THAT?

THESE ARE JUST A FEW SUGGESTIONS OF THE PROBLEMS.

ANOTHER PROBLEM IS THE EXTENSION OF THE UNION, AND ITS STRENGTH. SOME NATIONS, NOTABLY SWEDEN AND SWITZERLAND, ARE WELL KNOWN TO BE AGAINST MILITARY ALLIANCES. DIPLOMATIC SOURCES BELIEVE ANY WIDE DEFENSIVE ALLIANCE WILL HAVE TO BE GUARANTEED BY THE UNITED STATES BEFORE SUCH CAUTIOUS NATIONS WILL JOIN A BLOC TO WHICH SOVIET RUSSIA OBJECTS.

THERE IS ALWAYS THE DANGER, TOO, THAT EUROPE'S HOPE FOR UNITY WILL FALL APART BECAUSE OF INTERNAL POLITICAL AND IDOLOGICAL PRESSURES, AS WELL AS NATIONAL JEALOUSIES AND BICKERINGS. THE IDEA OF A UNITED STATES OF EUROPE MEANS A BITTER, INTERNAL FEUD IN SOME COUNTRIES ALONG THE LINES OF COMMUNISM VERSUS ANTI-COMMUNISM.

THE IDEA OF A EUROPEAN UNION WAS IN THE DREAMS OF PRESIDENT WOODROW WILSON. FRANCE'S ARISTIDE BRIAND OFFERED A LOOSE FEDERATION--THE PAN-EUROPEAN UNION--AFTER THE FIRST WORLD WAR. IT CAME TO NOTHING.

AFTER THE LAST WAR WINSTON CHURCHILL CULTIVATED THE FIELD. AT FULTON, MO., TWO YEARS AGO, HE ASKED FOR A "FRATERNAL ASSOCIATION" OF ENGLISH-SPEAKING PEOPLES." EIGHTEEN MONTHS AGO AT ZURICH, SWITZERLAND HE SAID, "WE MUST BUILD A UNITED STATES OF EUROPE. THE FIRST STEP IN THE RE-CREATION OF THE EUROPEAN FAMILY MUST BE A PARTNERSHIP BETWEEN FRANCE AND GERMANY."

AY63

CHURCHILL BECAME THE HEAD OF A UNITED EUROPE MOVEMENT.

EUROPE HAD LITTLE TO BUILD ON TOWARD A UNITED EUROPE, HOWEVER, UNTIL U.S. SECRETARY OF STATE GEORGE C. MARSHALL PROPOSED TO UNDERWRITE A EUROPEAN RECOVERY PROGRAM WHICH OFFERED HOPE AGAINST HUNGER AND INDUSTRIAL STAGNATION. HIS PROGRAM CAME TO MEAN A FIGHT AGAINST COMMUNISM AND BECAME THE SUBJECT OF INTERNAL FEUDING IN MANY COUNTRIES WHERE COMMUNISM IS STRONG.

UNEXPECTEDLY, LAST JANUARY BRITISH FOREIGN SECRETARY ERNEST BEVIN TOLD PARLIAMENT, "THE TIME IS RIPE FOR THE CONSOLIDATION OF WESTERN EUROPE." SIMULTANEOUSLY, HE CALLED ON FRANCE AND THE BENELUX COUNTRIES--BELGIUM, THE NETHERLANDS AND LUXEMBOURG--TO JOIN BRITAIN IN BUILDING THE CENTER OF A "WESTERN UNION." ITALY SHOULD COME INTO THE UNION LATER, HE SAID.

HIS PROPOSALS WERE VAGUE, HOWEVER -- INTENTIONALLY SO, HIS ASSOCIATES SAY. MENTION OF GERMANY WAS LEFT OUT, AS WAS ANY MENTION OF A JOINT STRUCTURE FOR ARMED FORCES. THIS WAS TO AVOID SCARING OFF SOME COUNTRIES WHO MIGHT OTHERWISE BE ATTRACTED TO "CONSOLIDATION."

SINCE THEN, HOWEVER, THE COMMUNISTS HAVE TAKEN FULL POWER IN CZECHOSLOVAKIA. JOSEPH STALIN HAS MADE A POINTED REQUEST TO FINLAND TO GET IN LINE WITH THE REST OF EASTERN EUROPE IN THE NETWORK OF SOVIET DEFENSE PACTS.

THE MOVEMENT FOR A WESTERN EUROPEAN UNION THEN TOOK ON NEW LIFE. PRIME MINISTER PAUL HENRI SPAAK OF BELGIUM BECAME ONE OF ITS STRONGEST ADVOCATES.

CHURCHILL'S ZURICH SPEECH, TOUCHED THE CRITICT SPOT WHEN HE

CHURCHILL'S ZURICH SPEECH, TOUCHED THE CRITICAL SPOT WHEN HE MENTIONED A "PARTNERSHIP" OF FRANCE AND GERMANY. SUCH PARTNERSHIP IS A LONG WAY OFF. THE FRENCH ARE STILL GUIDED BY FEAR AND HATRED OF A STRONG GERMANY.

MAR9 1948

A MAJOR STEP WAS TAKEN TODAY, HOWEVER, WHEN FRANCE, BRITAIN AND THE UNITED STATES AFTER TWO WEEKS OF NEGOTIATIONS ON THE FUTURE OF GERMANY AGREED THAT GERMANY MUST BE ASSIGNED A MAJOR ROLE IN EUROPEAN RECOVERY.

IN BRUSSELS, THE BENELUX COUNTRIES, BRITAIN AND FRANCE MAY REACH CONCLUSIONS ON THE FIRST "WESTERN UNION" PACT BY MID-WEEK.

THE 16 NATIONS WORKING IN THE MARSHALL PLAN EXPECT TO MEET IN PARIS MARCH 15 TO SCAN THEIR PROGRESS AND DISCUSS THE CREATION OF A PERMANENT EUROPEAN ORGANIZATION TO HELP ADMINISTER THE PLAN.

THE BRITISH TRADE UNION CONGRESS HAS SUMMONED A EUROPEAN LABOR MEETING FOR NEXT WEEK TO DISCUSS MARSHALL PLAN PROBLEMS. THE BRITISH LABOR PARTY HAS CALLED WESTERN EUROPE'S SOCIALIST LEADERS TO A SIMILAR CONFERENCE LESS THAN TWO WEEKS LATER.

CHURCHILL'S UNITED EUROPE MOVEMENT WILL HOLD A CONVENTION AT THE HAGUE IN MAY.

BRITAIN AND FRANCE ARE SOUNDING ITALY OUT ON JOINING IN THE UNION MOVEMENT. SWEDEN, NORWAY AND DENMARK ARE MOVING TOWARD A REGIONAL ASSOCIATION OF THEIR OWN. DIPLOMATIC SOURCES SAY THEY MIGHT NOW COME IN WHOLEHEARTEDLY INTO THE UNION MOVEMENT IF THE UNITED STATES WOULD GUARANTEE THEM AGAINST AGGRESSION.

MARSHALL PLAN COUNTRIES ARE EXPLORING THE POSSIBILITIES OF A CUSTOMS UNION. SUCH A UNION ALREADY IS WORKING IN BENELUX.

30.24- 16065

FRANCE AND ITALY HAVE AGREED TO NEGOTIATE ON A CUSTOMS UNION. FROM SUCH SMALL SCALE MODELS, BIGGER UNIONS MAY COME.

FRANCE, BELGIUM AND THE NETHERLANDS HAVE HUGE COLONIAL RESOURCES. THE JOINING OF WESTERN EUROPE IN A COOPERATIVE DEVELOPMENT OF ITS HOME AND COLONIAL RESOURCES WOULD LINK FRONTIER COUNTRIES WITH THEIR HUGE POTENTIAL TO WESTERN EUROPE'S INDUSTRY.

IN THE PAST THE ECONOMIES OF WESTERN AND EASTERN EUROPE, ONE INDUSTRIAL THE OTHER AGRICULTURAL, HAVE HELPED EACH OTHER. NOW A LINE IS DRAWN BETWEEN THEM HARING OFF THE SOVIET ORBIT.

IN THE SOVIET ORBIT ARE SOME 760,000 SQUARE MILES WITH 106,000,000 EASTERN EUROPEANS. THE WESTERN ORBIT, INCLUDING TURKEY AND THE THREE PIECES OF WESTERN GERMANY, IS NEARLY TWICE AS BIG AND HOLDS 248,000,-000 PEOPLE. IN ADDITION THE WEST HAS COLONIES.

PARIS, MARCH 6-(AP)-Premier Robert Schuman's government DAY won its seventh vote of confidence early today with the defeat of a bill which would have cancelled France's forced loan plan.

The assembly REJECTED the cancellation proposal of Communist leader Jacques Ducles by a 301 to 285 vote.

MAR 9 1948

The forced loan plan is part of France's "austerity program." It requires Frenchmen to buy 130,000,000,000 (B) francs' ($1,092,000,000) worth of government bonds or pay the same amount in taxes.

Fi ance Minister Rene Mayer designed it to drain off surplus purchasing power.

Premier Schuman, opposing attacks from both communists and con-

servatives, warned the assembly before today's vote that the government would NOT remain in power if Duclos' bill passed.

LAKE SUCCESS, MARCH 6-(AP)-SECRECY WILL BE THE WATCHWORD OF THE FIVE BIG POWERS WHEN THEY MEET TO DISCUSS THE EXPLOSIVE PALESTINE SITUATION, INFORMED QUARTERS SAID TONIGHT.

THE SECURITY COUNCIL OF THE UNITED NATIONS, FINDING THE PROBLEM TOO HOT TO HANDLE, PASSED IT TO THE UNITED STATES, RUSSIA, BRITAIN, FRANCE AND CHINA. THEIR CONSULTATIONS --WITH BRITAIN DEALING HERSELF OUT--START MONDAY FORENOON IN THE NEW YORK OFFICE OF SOVIET DELEGATE ANDREI A.GROMYKO.

A U.N.SPOKESMAN SAID THE TALKS WILL BE OUTSIDE THE JURISDICTION OF THE U.N.AND WILL NOT BE ATTENDED BY ANY U.N.REPRESENTATIVE.

THIS LEFT THE QUESTION OF INFORMING THE PRESS AND PUBLIC UP TO THE BIG FIVE DELEGATIONS. AND IT WAS UNDERSTOOD THAT NONE OF THEM WAS ANXIOUS FOR ANY PUBLICITY DURING THE TALKS.

THE SECURITY COUNCIL GAVE THE BIG FIVE ONLY 10 DAYS TO FIND SOME SOLUTION TO THE HOLY LAND CRISIS.

A BRITISH SPOKESMAN HAS SAID HIS GOVERNMENT WOULD NOT PARTICIPATE. THIS IS IN KEEPING WITH THE REPEATED BRITISH STAND THAT SHE CANNOT TAKE PART IN ANY EFFORTS DIRECTED TOWARD CARRYING OUT OF PARTITION BECAUSE IT IS NOT MUTUALLY ACCEPTABLE TO JEWS AND ARABS: JEWS WANT PARTITION; ARABS DON'T.

THE BRITISH BOYCOTT LEAVES THE PROBLEM PRINCIPALLY UP TO THE U.S. AND RUSSIA. CHINA HAS ABSTAINED ON ALMOST EVERY PALESTINE VOTE IN THE U.N. AND FRANCE HAS SHOWN LITTLE INCLINATION TO TAKE A STAND ONE WAY OR ANOTHER.

MAR 9 1948

THE COUNCIL CHEWED ON THE PROBLEM FOR TWO WEEKS BEFORE TAKING THESE THREE IMPORTANT DECISIONS FRIDAY:

1. DELEGATES REJECTED AN AMERICAN PROPOSAL THAT THE COUNCIL AGREE TO CARRY OUT ITS PART IN PARTITION AS RECOMMENDED BY THE U.N. GENERAL ASSEMBLY LAST NOV. 29. ON THE SURFACE, THIS APPEARED TO BE A SEVERE BLOW TO PARTITION, BUT IT WAS TEMPERED BY STATEMENTS FROM SEVERAL OPPOSING DELEGATES THAT THEY MERELY CONSIDERED SUCH A DECISION PREMATURE.

2. DELEGATES VOTED TO CALL UPON THE BIG POWERS TO CONSULT "WITH A VIEW OF IMPLEMENTING" PARTITION. THIS MIGHT APPEAR TO CONTRADICT THE FIRST DECISION, BUT IT REPRESENTED THE OPINION OF THE COUNCIL MAJORITY THAT THE BIG POWERS FIRST SHOULD TAKE A CRACK AT THE PROBLEM BEFORE THE COUNCIL COMMITTED ITSELF.

A119

3. DELEGATES STRUCK OUT A SECTION OF THE AMERICAN PLAN PROVIDING THAT THE CONSULTATIONS INCLUDE FURTHER ATTEMPTS TO MEDIATE ARAB-JEWISH DIFFERENCES. THIS WAS A VICTORY FOR THE ZIONISTS AND A DEFEAT FOR THE ARABS, BITTER FOES OF PARTITION AND HOPEFUL OF ANY AND ALL DELAYS. RUSSIA SAYS ANY SUCH FURTHER EFFORTS TO BRING ARABS AND JEWS TOGETHER WOULD BE USELESS BECAUSE THEY HAVE FAILED IN THE PAST.

U.N. OFFICIALS AND CLOSE FOLLOWERS OF THE PARTITION FIGHT HERE WERE DIVIDED OVER INTERPRETING THE RESULTS OF THE FATEFUL FRIDAY DECISIONS. ALL SEEMED TO AGREE GENERALLY THAT THE FUTURE OF THE SCHEME TO SPLIT THE HOLY LAND INTO JEWISH AND ARAB NATIONS BY NEXT OCT. 1 RESTS FIRMLY ON THE DOORSTEPS OF WASHINGTON AND MOSCOW.

U.S. DELEGATE WARREN R.AUSTIN GAVE SOME GROUND IN ORDER TO GET GROMYKO TO AGREE TO THE SECTION OF CONSULTATIONS. IN DOING SO, THE AMERICAN DELEGATE SAID HE WAS ACTING IN THE INTERESTS OF HARMONY. A CLOSE EXAMINATION OF THE AMERICAN PROPOSAL BEFORE AND AFTER OFF-THE-FLOOR PARLEYS WITH GROMYKO SHOWS THAT THE U.S. GAVE WAY ON EVERY CHANGE AND THAT RUSSIA MADE NO NOTICEABLE CONCESSIONS.

THE 10-DAY LIMIT PUT ON THE MAJOR POWER TALKS POINTED UP THE URGENCY OF THE WHOLE PROBLEM. THE PARTITION TIMETABLE LAID DOWN BY THE ASSEMBLY SAYS PROVISIONAL GOVERNMENTS FOR THE PROJECTED JEWISH AND ARAB NATIONS SHALL BE SET UP APRIL 1. THE BRITISH HAVE REPEATED THAT THEY ARE GIVING UP THE MANDATE RULE ON MAY 15.

THIS LEAVES THE UNITED NATIONS 10 WEEKS TO MAKE UP ITS COLLECTIVE MIND. ON MAY 16, THE "FIVE LONELY PILGRIMS" COMPRISING THE PALESTINE COMMISSION BECOME THE GOVERNMENT OF THE HOLY LAND. THE MEMBERS ARE FROM CZECHOSLOVAKIA, PANAMA, THE PHILIPPINES, DENMARK AND BOLIVIA.

THE JEWISH AGENCY FOR PALESTINE, MEANWHILE, HAS INFORMED THE COUNCIL THAT IT PLANS TO SET UP A JEWISH NATION AS PROVIDED FOR BY THE ASSEMBLY. THIS WAS INTERPRETED HERE AS MEANING THE ZIONISTS WERE GOING AHEAD EVEN THOUGH THE U.N. REMAINED ENTANGLED.

(END ADVANCE FOR AMS OF SUNDAY, MARCH 7--MOVED MARCH 5)

THE CEMENT MARKET IN THE WAR-DEVASTATED ORIENT IS ALMOST LIMITLESS. PRACTICALLY EVERY COUNTRY NEEDS CEMENT. MOST SHIPMENTS HERE GO TO CHINA, MANILA, SINGAPORE, HONG KONG AND KOREA.

THE EXPERT IS A.J. ANDERSON, PALO ALTO, CALIF.

ANDERSON NOW IS EMPLOYED BY THE AMERICAN TRANSPORTATION CORPORATION TO HELP REBUILD AND MODERNIZE FORMOSA'S CEMENT PLANTS FOR THE CHINESE GOVERNMENT'S NATIONAL RESOURCES COMMISSION.

THE TAIWAN CEMENT CORPORATION PRODUCES 20,000 TONS OF HYDRAULIC-TYPE CEMENT A MONTH AT ITS SOUTH FORMOSA PLANT HERE AND EXPECTS TO UP THAT TO 30,000 BY JULY 1. THE CORPORATION'S TWO OTHER PLANTS ON FORMOSA PRODUCE ABOUT 32,500 TONS OF CEMENT A MONTH.

BAGUIO, PHILIPPINES, SUNDAY, MARCH 7-(AP)-A SUBCOMMTTEE OF THE U.N. WORLD RICE CONFERENCE PROPOSED TODAY AN ATTACK ON A DISEASE WHICH IS KILLING ASIA'S CARABAO, THE WORK ANIMAL OF THE RICE PADDIES.

THE SUBCOMMITTEE RECOMMENDED SETTING UP A LABORATORY AT BANGKOG FOR THE STUDY AND CONTROL OF RINDERPEST. THIS DISEASE, DEADLY TO CARABAO, IS A MAJOR OBSTACLE TO FULL-SCALE RICE PRODUCTION IN THE ORIENT.

SIAM, ONE OF THE ORIENT'S TWO GREATEST RICE-PRODUCING COUNTRIES, REPORTED IT LOST 500,000 OF THESE CARABAO OR WATER BUFFALO DURING THE

WAR. TWO SOUTH CHINA PROVINCES, KWANGTUNG AND KWANGSI, LOST 33,000 CARABAO IN THE PAST FOUR MONTHS.

SPORADIC OUTBREAKS OF THE DISEASE WERE REPORTED RECENTLY IN INDIA, PAKISTAN, MALAYA AND THE NETHERLANDS EAST INDIES. INDOCHINA AND BURMA FIND RINDERPEST A MAJOR PROBLEM.

CONFERENCE SCIENTISTS SAY NEW VACCINES MAKE IT POSSIBLE TO STAMP OUT THE DISEASE, AS HAS BEEN DONE IN THE PHILIPPINES. THE BANGKOK LABORATORY, CENTRALLY LOCATED, COULD SEND SPECIALISTS AND VACCINE TO ANY POINT IN THE ORIENT.

(EDITOR'S NOTE: THE AUTHOR OF THE FOLLOWING EXPLANATION OF WHAT THE SHOOTING AND SHOUTING ARE ABOUT IN THE PHILIPPINES HAS HARDWON FIRST-HAND KNOWLEDGE OF THE SITUATION. ASSOCIATED PRESS STAFF WRITER

SAN FRANCISCO, MARCH 6-(AP)-THE PHILIPPINES REPUBLIC HAS FINALLY DECIDED TO OUTLAW THE HUKBALAHAP.

AFTER NEARLY TWO YEARS OF FIGHTING THAT MOTLEY PEASANT ARMY ON THE TROPICAL PLAINS OF CENTRAL LUZON, THE DECISION IS HARDLY NEWS, BUT THE MANNER AND EMPHASIS OF THE FORMAL ANNOUNCEMENT ARE SIGNIFICANT.

PRESIDENT MANUEL A.ROXAS ISSUED IT AT A SPECIAL PRESS CONFERENCE, ATTENDED BY KEY MEMBERS OF HIS CABINET.

HE SAID THE "HUKS" AND THEIR AFFILIATE, THE NATIONAL PEASANTS' UNION, WERE COMMUNISTIC AND WERE SEEKING TO OVERTHROW THE GOVERNMENT.

IT IS AN OLD CHARGE, OFTEN DENIED BY THE GUERRILLAS' ELUSIVE LEADER, 34-YEAR-OLD LUIS TARUC. EVIDENCE TO SUPPORT THE CHARGE--DOCUMENTS AND RED FLAGS EXHIBITED BY ROXAS--APPEARS TO BE NEW.

NO SUCH EVIDENCE WAS PRESENTED WHEN CLASHES BETWEEN THE HEAVILY-ARMED MILITARY POLICE COMMAND AND THE NOCTURNAL HUK BANDS BECAME ALARMINGLY VIOLENT AND WIDESPREAD IN THE SUMMER OF 1946.

AT THAT TIME, WADING TO REMOTE HUKBALAHAP STRONGHOLDS THROUGH ACRES RICE PADDIES, THIS CORRESPONDENT HEARD MANY EXPRESSIONS OF ALLEGIANCE TO THE UNITED STATES, BUT NO MENTION OF COMMUNISM.

THERE WERE UNEASY TRUCES. THE PEASANTS DEMANDED REFORM OF THE ANCIENT LAND TENANCY SYSTEM--A HANGOVER FROM SPANISH COLONIAL DAYS.

THESE FACTORS COMPLICATE THE SITUATION:

1. KILLINGS AND ROBBERIES BY GUN-TOTING YOUTHS. SOME ARE HUKS AND SOME NOT, BUT THE HUKS GET THE BLAME.

2. INABILITY OF THE HUKS TO OBTAIN U.S. ARMY RECOGNITION FOR VETERANS' BENEFITS, WHILE SOME OTHER GUERRILLA OUTFITS HAVE BEEN RECOGNIZED.

3. MISTRUST OF THE PHILIPPINES GOVERNMENT ON THE COLLABORATION ISSUE. THE HUKS CHARGE THAT WHILE THEY FOUGHT THE JAPANESE IN THE PROVINCES, MANY OFFICIALS LIVED HIGH IN MANILA.

4. REALIZATION THAT, EVEN IF THE BIG ESTATES WERE BOUGHT BY THE GOVERNMENT FOR RESALE TO THE PEASANTS, MANY A FARMER WOULD BE UNABLE TO BUY HIS SMALL PLOT UNLESS DETAILS OF THE ARRANGEENTS WERE HIGHLY FAVORABLE.

THE TROUBLE IS, NOBODY CAN TELL A HUK FROM ANY OTHER FILIPINO PEASANT IN THE DAYTIME.

WASHINGTON MARCH 6-(AP)-THE UNITED STATES HAS TOLD THREE RUSSIAN SATELLITE NATIONS IT DOES NOT WANT THEIR ADVICE ON GERMANY.

THE THREE--CZECHOSLOVAKIA, YUGOSLAVIA AND POLAND--HAD ASKED TO BE CONSULTED ON AMERICAN POLICIES IN DEALING WITH GERMAN PROBLEMS.

UNDERSECRETARY OF STATE LOVETT IN A BLUNT NOTE SENT TO THEIR EMBASSIES HERE YESTERDAY FLATLY REJECTED THIS BID. AND SINCE THE SOVIET UNION HAD BACKED THE REQUEST, LOVETT SENT A COPY OF HIS NOTE TO THE RUSSIANS ALSO.

THE THREE COMMUNIST-CONTROLLED NATIONS MADE THEIR BID FOR A VOICE IN GERMAN AFFAIRS FEBRUARY 23 WHEN THEY GAVE THE STATE DEPARTMENT THE TEXT OF A RESOLUTION ADOPTED BY THEIR FOREIGN MINISTERS AT A MEETING IN PRAGUE, THE CZECH CAPITAL.

THIS RESOLUTION WAS A BROAD ATTACK ON THE THREE WESTERN POWERS--THE UNITED STATES, GREAT BRITAIN AND FRANCE--FOR THEIR RECONSTRUCTION POLICIES IN WESTERN GERMANY.

TO THIS LOVETT REPLIED:

"I HAVE THE HONOR TO INFORM YOU THAT THIS RESOLUTION CONTAINS SO MANY STATEMENTS WHICH ARE NOT IN ACCORDANCE WITH THE FACTS THAT A DISCUSSION OF ITS CONTENTS WOULD SERVE NO USEFUL PURPOSE."

SECOND NIGHT LEAD FOREIGN AID

WASHINGTON, MARCH 6-(AP)-SENATOR BRIDGES (R-NH) SAID TONIGHT THE ADMINISTRATION IS GOING TO HAVE TO SPEAK OUT ITS "BASIC POLICY TOWARDS RUSSIA" BEFORE ANY FOREIGN RELIEF FUNDS ARE APPROPRIATED.

BRIDGES, CHAIRMAN OF THE SENATE APPROPRIATIONS COMMITTEE, TOLD REPORTERS:

"WE HAVE TO FIND OUT WHAT THE BASIC POLICY IS TOWARD RUSSIA AND WHAT WE ARE GOING TO DO UNDER CERTAIN CONTINGENCIES."

BRIDGES' GROUP MUST PASS ON ALL THE ADMINISTRATION'S REQUEST FOR FUNDS TO HELP FOREIGN COUNTRIES.

THESE INCLUDE THE $5,300,000,000 (B) EUROPEAN RECOVERY PROGRAM WHICH THE SENATE NOW IS DEBATING; $570,000,000 (M) FOR CHINA; $275,-000,000 MORE FOR GREECE AND TURKEY, AND $20,000,000 (M) FOR TRIESTE.

BRIDGES SAID THE COMMITTEE HAS TO HAVE "SOME DEADLINE SO IT CAN KNOW HOW TO PROCEED."

HE SAID THAT, FOR EXAMPLE, THE COMMITTEE MUST KNOW WHAT THE ADMINISTRATION PLANS TO DO IF GREECE AND TURKEY ARE ATTACKED. HE SAID THE COMMITTEE ALSO WANTS TO KNOW WHAT THE ADMINISTRATION HAS IN MIND IF THE COMMUNISTS TAKE OVER ITALY.

BRIDGES SAID HE CONCURS WITH CHAIRMAN VANDENBERG (R-MICH) OF THE SENATE FOREIGN RELATIONS COMMITTEE THAT THE EUROPEAN RECOVERY PROGRAM SHOULD BE SPEEDILY ENACTED. HE ADDED THAT HE WILL VOTE FOR THE $5,-300,000,000 AUTHORIZATION.

BUT AT THE SAME TIME BRIDGES MADE IT CLEAR THAT THE ADMINISTRATION WILL HAVE TO JUSTIFY THAT AMOUNT BEFORE THE ACTUAL APPROPRIATION (IN ANOTHER BILL, IS APPROVED BY HIS COMMITTEE.

HE SAID THAT THE APPROPRIATIONS COMMITTEE STAFF HAS ALREADY STARTED WORK ON THE DETAILS OF THE AMOUNT EACH OF THE 16 WESTERN EUROPEAN NATIONS ARE SLATED TO RECEIVE DURING THE 12 MONTHS COVERED BY THE AUTHORIZATION.

THE FOREIGN RELATIONS COMMITTEE, BRIDGES SAID, MADE ONLY A "SUPERFICIAL" STUDY OF THAT ASPECT OF THE PROGRAM.

BRIDGES SAID HE EXPECTS TO START HEARINGS AS SOON AS IT IS FEASIBLE TO DO SO, AND THAT HE WILL NOT WAIT FOR THE HOUSE APPROPRIATIONS GROUP TO ACT FIRST.

BUT THE FIRST WEEK OF SENATE DEBATE ON THE AUTHORIZATION BILL DIMMED HOPES FOR FINAL ACTION ON IT BY MARCH 15.

THAT'S THE ADMINISTRATION'S TARGET DATE. THE FLOW OF SUPPLIES TO ITALY, FRANCE AND AUSTRIA MAY DWINDLE TO A TRICKLE A FEW WEEKS LATER, AND ITALY'S IMPORTANT ELECTION IS COMING UP NEXT MONTH.

ONE OF THE MANY SUPPORTERS OF ERP, SENATOR LUCAS (D-ILL) TOLD A REPORTER THAT HE WOULD CHALLENGE OPPONENTS IN THE COMING WEEK EITHER TO "PRESENT A CONCRETE ALTERNATIVE OR BEGIN VOTING."

BUT LEADERS ON BOTH SIDES SAID A LONG LIST OF SPEAKING RESERVATIONS THREATENS THE PLAN OF SENATOR VANDENBERG (R-MICH), FLOOR LEADER FOR THE BILL, TO COMPLETE ACTION QUICKLY.

MORE THAN A DOZEN AMENDMENTS HAVE BEEN INTRODUCED IN THE SENATE, MOST OF THEM FROM CRITICS OF THE PLAN. BUT THERE HAS NOT BEEN A VOTE ON ANY PHASE OF THE MULTI-BILLION DOLLAR FOUR-YEAR PROGRAM FOR THE 16 WESTERN EUROPEAN NATIONS AND WESTERN GERMANY.

LUCAS SAID THE OPPOSITION TO DATE HAS CENTERED UPON A "MORASS OF ARITHMETIC OR QUIBBLES OVER TECHNICAL DETAILS."

"I AM GOING TO DEMAND THAT OPPONENTS PRODUCE A SUBSTITUTE OR ALTER-NATIVE," HE SAID. "AND THERE IS ONLY ONE. THAT IS TO TRY AND WITH-DRAW INTO A SHELL OF ISOLATION IN THE WESTERN HEMISPHERE AND SPEND ALL OUR RESOURCES AND ENERGY PLANNING FOR THE NEXT WAR."

THAT WILL REQUIRE UNIVERSAL MILITARY TRAINING, HE SAID, ADDING:

"I AM CERTAIN WE WILL HAVE TO SPEND NOT 17 BILLION DOLLARS IN THE NEXT FOUR YEARS BUT 60 TO 75 BILLIONS IN PREPARING SOUND AND ADEQUATE DEFENSE FOR THE WESTERN HEMISPHERE, IF WE TRY TO G BACK TO ISOLATION."

VANDENBERG, PRESIDENT OF THE SENATE AND CHAIRMAN OF THE FOREIGN RELATIONS COMMITTEE, LED OFF THE DEBATE IN FAVOR OF ERP. SINCE THEN OPPONENTS HAVE USED MOST OF THE TIME DURING DAILY SESSIONS.

SENATOR LODGE (R-MASS), YOUNGEST MEMBER OF THE FOREIGN RELATIONS COMMITTEE, HAS BEEN QUARTERBACKING FOR THE PROGRAM WHEN IT CAME UNDER ATTACKS FROM THE FLOOR.

SENATOR WHERRY (R-NEB), AS ACTING REPUBLICAN LEADER, HAS BEEN SCHEDULING THE SPEECHES. HE ALSO IS A CO-LEADER IN A GROUP OF REPUBLICANS SEEKING SWEEPING CHANGES IN THE PROGRAM.

WHERRY HAS A LONG LIST OF APPLICATIONS FOR FORMAL FLOOR SPEECHES IN THE DAYS AHEAD.

SO FAR, VANDENBERG HAS LISTENED PATIENTLY TO THE LENGTHY SPEAKING OR LET LODGE ANSWER CRITICS.

BUT AS THE MARCH 15 TARGET APPROACHES, IT IS EXPECTED THAT VANDENBERG WILL APPLY PRESSURE FOR SOME VOTING.

(ADVANCE) WASHINGTON, MARCH 6-(AP)-EDUCATION COMMISSIONER JOHN W. STUDEBAKER PROPOSED TODAY THAT FEDERAL SCHOLARSHIPS TAKE UP THE SLACK WHEN THE G.I. EDUCATIONAL PROGRAM BEGINS TO TAPER OFF.

STUDEBAKER SAID, IN THE ANNUAL REPORT OF THE OFFICE OF EDUCATION, THAT A PERMANENT SCHOLARSHIP PROGRAM SHOULD BE DEVELOPED BEFORE 1950. THAT IS THE YEAR VETERANS TRAINING IS EXPECTED TO START A STEEP DECLINE.

"NATIONAL CONSERVATION OF OUR HUMAN RESOURCES IS IMPERATIVE IN ANY INTEGRATED NATIONAL SECURITY PROGRAM," STUDEBAKER SAID.

"TO CITE BUT ONE EXAMPLE, THERE IS AN URGENT NEED TO MAKE UP WARTIME ARREARS IN THE TRAINING OF SCIENTISTS.

"MANY MORE HIGHLY TRAINED SCIENTISTS ARE NEEDED TO EXPAND THE RESEARCH ACTIVITIES UPON WHICH OUR FUTURE NATIONAL SECURITY AND INDUSTRIAL PROGRESS SO LARGELY DEPEND.

"BY A SYSTEM OF FEDERAL SCHOLARSHIPS THE NATIONAL INTERESTS IN THE FURTHER STRENGTHENING AND DEMOCRATIZATION OF HIGHER EDUCATIONAL OPPORTUNITIES CAN BE PERMANENTLY ASSURED.

"TO STRENGTHEN EDUCATION IS TO CONTRIBUTE MIGHTILY TO A HEALTHY ECONOMY, IMPROVED PHYSICAL AND MENTAL HEALTH, AN UNDERSTANDING OF DEMOCRACY, AND A GREATER SENSE OF PERSONAL RESPONSIBILITY FOR ITS SUCCESS."

STUDEBAKER ALSO CALLED FOR GENERAL FEDERAL AID TO EDUCATION.

"YEAR AFTER YEAR THE DEPLORABLE RESULTS OF EDUCATIONAL DISCREPANCIES BETWEEN RICHER AND POORER STATES, BETWEEN URBAN AND RURAL COMMUNITIES, AND BETWEEN SCHOOLS FOR WHITE AND FOR NEGRO CHILDREN HAVE BEEN POINTED OUT," HE SAID.

9 1948

"THE ANNUAL COST OF FEDERAL AID TO ASSURE A REASONABLE NATIONAL MINIMUM OF EDUCATIONAL OPPORTUNITY WOULD BE TRIFLING IN COMPARISON WITH WHAT THE NATION NOW PAYS IN WASTED HUMAN TALENT X X X OR IN COMPARISON WITH THE ECONOMIC DIVIDENDS THAT WOULD ACCRUE."

THE REPORT SAID THE EXODUS OF TEACHERS FROM PUBLIC SCHOOLS SINCE 1940 HAS BEEN WITHOUT PARALLEL IN AMERICAN HISTORY.

"IT MUST BE PROTECTED AGAINST THE FORCES SEEKING TO WRECK IT," BOHLEN TOLD THE HERALD-TRIBUNE YOUTH FORUM.

HE RESTATED MARSHALL'S ENDORSEMENT OF A PROPOSED WESTERN EUROPEAN UNION NOW UNDER CONSIDERATION BY A FIVE-NATION CONFERENCE AT BURSSELS.

"WHILE THIS PROGRAM IS NOT THE WHOLE STORY IN THE ATTEMPT TO BRING PEACE AND STABILITY INTO THE WORLD," BOHLEN SAID. "IT IS AN ABSOLUTELY VITAL LINK WITHOUT WHICH THERE IS LITTLE PROSPECT OF SUCCESS.

AND ON THE CHARGE THAT AMERICAN AID IS A STEP TOWARD WAR, HE SAID:

"ANY SUCH ALLEGATION COULD ONLY BE BASED UPON THE THESIS THAT THE RESTORATION OF ECONOMIC HEALTH, POLITICAL STABILITY AND THE PRESERVATION OF FREE INSTITUTIONS IN THE FREE AREAS OF EUROPE WOULD BE SO INTOLERABLE TO THE SOVIET UNION AND INTERNATIONAL COMMUNISM AS TO BRING ABOUT AN ARMED ASSAULT ON THESE SURVIVING FREE NATIONS.

(ADVANCE)-(WX)-NEW YORK,MARCH 6-(AP)-ONLY THE GERMANS THEMSELVES CAN DECIDE IN THE LONG RUN WHETHER TO CREATE A DEMOCRATIC GOVERNMENT IN THEIR COUNTRY, ASSISTANT SECRETARY OF STATE WILLARD THORP SAID TODAY.

THE BEST THE UNITED STATES CAN DO, HE TOLD THE HERALD-TRIBUNE YOUTH FORUM, IS TO OFFER THEM SUBSTANTIAL AID "TO DEVELOP ALONG CONSTRUCTIVE LINES." BUT HE ADDED:

THORP SAID THE U.S. IS READY TO SUPPORT MEASURES TO PREVENT A REVIVAL OF GERMAN MILITARY MIGHT BECAUSE SOVIET RUSSIA IN EFFECT REJECTED A FOUR-POWER AGREEMENT TO THIS END HE ADDED THAT THE FAILURE OF THE MAJOR POWERS TO AGREE ON GERMANY'S UNIFICATION IS A TREMENDOUS OBSTACLE TO RESTORING HER ECONOMIC HEALTH.

GEN.A.G.L.MCNAUGHTON, CHIEF CANADIAN DELEGATE TO THE UNITED NATIONS, SPEAKING BEFORE THE NEW YORK HERALD TRIBUNE FORUM FOR HIGH SCHOOL STUDENTS, SAID:

"THE PROHIBITION OF THE USE AND MANUFACTURE OF THE ATOMIC BOMB AT THE PRESENT TIME WOULD MERELY SERIOUSLY REDUCE THE MILITARY STRENGTH OF THE UNITED STATES, THE ONLY NATION NOW IN POSSESSION OF ATOMIC BOMBS, AT LEAST ON ANY SCALE WHICH WOULD SUFFICE TO MAKE ATOMIC WAR."

HE SAID INTERNATIONAL CONTROL OF ATOMIC ENERGY WAS AMONG THE "INDISPENSIBLE CONDITIONS FOR THE ESTABLISHMENT AND MAINTENANCE OF STABLE PEACE" AND ADDED:

THE PROBLEM OF STUDYING THEM IN MULTI-CELLED EXPERIMENTS IS COMPLICATED, HOWEVER, BECAUSE SOME DAMAGED CELLS ARE KEPT ALIVE BY ADJOINING CELLS. IN THE PRESENT EXPERIMENTS, EACH CELL IS ON ITS OWN AND CAN BE STUDIED INDIVIDUALLY.

"AFTER WE EXPOSE THE SINGLE CELLS TO RADIATION," DR. BOCHE SAID, "WE TREAT THEM WITH CERTAIN CHEMICALS AND CHECK THE REACTION TO EACH ONE. FINN PROTEST THROTTLED BY COMMUNISTS

Strong-Arm Squad Breaks Up Rally In Opposition To Russian Pact

ED SHANKE

Step taken to merge Czechoslovakia's Communist and Social Democratic Parties.....Page 5

Helsinki, Finland, March 7 (AP)—Strong-arm men broke up today a massmeeting protesting the proposed treaty of co-operation which Russia's Prime Minister Stalin wants from the Finns.

Authorities said the disrupters were Communists.

A decision tomorrow by President Juho Paasikivi on whether to accept Stalin's request for discussion of a treaty was predicted by informed sources tonight. The conensus in the capital was that Paasikivi would decide to appoint a delegation to negotiate with the Russians.

Party Carries Little Weight

The meeting was called by Ernesti Hentunen, a lawyer who leads an independent party carrying little weight in politics.

Thousands of Finns strolling in the warm sunshine had stopped to hear Hentunen say Finland cannot have a Russian pact without the approval of the other peace treaty signatories.

Speaker Hustled Away

"If we must defend the Soviet Union, it is not right," he said.

At that point, a group of four or five men grabbed the microphone, pushed Hentunen aside, and announced the meeting was organized by Fascists.

Others rushed forward, and police hustled Hentunen away. Later the Helsinki police chief said they had advised him to go home. The crowd dispersed slowly at the request of the police, who had brought up two vans of officers and 35 mounted police. They were not used.

In the windows of the Hotel Karelia, which the Soviets have taken over, Russians were observed snapping pictures and following the incident.

Trying To Pacify Finns

Elsewhere today Communists were combatting the belief of some Finns that their sons could be sent abroad to fight if Finland should sign a military pact with the Soviet Union.

The newspaper *Vapaa Sana* said editorially the peace treaty is a guarantee against sending the sons of Finland to Manchuria, for example, to fight. It added the peace treaty defines exactly where the defense forces of Finland can operate.

The newspaper assailed Parliament, where the majority has advised President Juho Paasikivi against a military agreement. If there is not enough feeling of responsibility among its members, the paper said, then Parliament does not meet the people's needs.

FINNS DECIDE TODAY ON RED PACT PARLEY

SHANKE

HELSINKI, Finland, March 7—(AP) President Juho Paasikivi will decide tomorrow whether to accept Prime Minister Stalin's request for discussion of a Russian-Finnish mutual assistance treaty, informed sources said tonight.

The concensus of opinion in the Finnish capital is that Paasikivi will decide to honor Stalin's request and appoint a delegation to negotiate with the Russians.

Earlier today, strong-arm men broke up a mass meeting of Finns who were protesting against the proposed Russian-Finnish treaty. Authorities said the disrupters were communists.

No Decision On Place

Thus far no decision has been made as to whether the proposed treaty negotiations will be held in Helsinki or Moscow. When Stalin made his request in a letter to Paasikivi on February 22 he said the Russians would agree to meet in either capital.

Although most Finns view with concern the possibility of a military alliance with Russia, no grave incidents either for or against the pact have been reported.

Paasikivi has the final responsibility but he now has for guidance the opinion of all Finnish parliamentary groups. The People's Democratic League, which includes both Communists and Radical Socialists, favors such a treaty. The Social Democrats favor negotiating, but object to any kind of military alliance. A third major party, the Agrarians, and the Conservative and Liberal parties, are against the negotiations.

LABOR GROUPS TO DISCUSS AID

13 Nations To Join In London Marshall Plan Talks

Wm Chase

London, March 7 (AP)—Labor leaders from thirteen countries will open Tuesday a Marshall plan conference which may result in some union organizations' breaking away from the Communist-dominated World Federation of Trade Unions.

Maurice Bouladoux, assistant general secretary of the French Federation of Christian Workers, said today steps probably will be taken to form a new international organization free of Communist control.

Russia opposes the London meeting. Communist-influenced labor organizations in France and Italy declined to send delegates. The announced purpose of the meeting is to discuss methods of helping carry out the European recovery plan.

"Capable Of Change"

James B. Carey, secretary treasurer of the American Congress of Industrial Organizations, said the CIO wants the European Recovery Program to succeed and "would also like to bring about the kind of agreement that would make possible the continuation and growth of the WFTU."

But, he said, he doubts if "anything can be done in the WFTU unless the Soviet Government changes its attitude. I think they are capable of change, but we are continuing, regardless."

In Moscow recently Carey obtained from Soviet Union leaders an agreement to join in discussion of the Marshall plan with the WFTU executive bureau "at any date in the future."

AFL To Be Represented

Representatives of the American Federation of Labor, which is not affiliated with the WFTU, are scheduled to attend the Tuesday session. It was called by the British Trades Union Congress and the National Trade Union centers of the Benelux countries. Their invitations went out after the WFTU, supposedly because of the Russian opposition, refused to call a February session on Marshall plan aid.

The Soviets eventually agreed to the WFTU discussions in the indefinite future, in an apparent effort to avoid a WFTU split. But they still opposed any "separate action" such as the London meeting. Today in Moscow the trade union newspaper *Trud* said British trade union leaders backing the Marshall plan are helping American monopolies.

Bulgarian Envoy Resigns 'To Work For Democracy'

London, March 7 (AP)—Nikola Dolaptchiev, Bulgarian Minister to Britain, announced today he is resigning "to work for the restoration of liberty and democracy in my country."

Last Friday Vassil Youroukoff, Bulgarian Minister to Belgium, resigned. Subsequently the Bulgarian Government said Youroukoff had been dismissed. Both diplomats expressed opposition to the present Bulgarian regime. Dolaptchiev said that when he accepted his appointment last July the Bulgarian Government assured him it "would pursue a policy of good and friendly relations with Great Britain and the western powers." He added:

"Events after my departure proved the contrary. And what has recently occurred in eastern and central Europe, in Czechoslovakia and Finland, makes my task in London impossible."

In Bulgaria itself, he said, "the liquidation of all independent political activities and the actual establishment of a one-party system of government . . . will lead inevitably to the suppression of all liberties."

New Soviet Envoy to Czechs

LONDON, March 7 (AP)—Russia has appointed Mikhail Silin Ambassador Extraordinary and Plenipotentiary to Czechoslovakia, Tass, the Soviet news agency, reported today.

Leftist Charges British With Appeasing Arabs

Reading, England, March 7 (AP)—Ian Mikardo, leftist Labor member of Parliament, tonight accused the British of appeasing the Arabs in Palestine.

Mikardo said in a speech here that Lieut. Gen. G. H. A. MacMillan, commander of British forces in Palestine, "forgot" to get evidence on Arabs from the outside who infiltrated Palestine to fight the Jews. A number of times, Mikardo said, MacMillan was informed of the place and time when Arabs from Iraq would enter Palestine, but had "forgotten to send anyone to see them."

General Tells Frenchmen He Is Ready To Lead Nation

CARL HARTMAN

Compiegne, France, March 7 (AP). Gen. Charles de Gaulle declared today American aid to Europe must extend to "the fields of defense" as well as the economic support provided in the Marshall plan.

At the same time, he said that he was ready to take over the direction of France as soon as conditions afford the necessary responsibility. De Gaulle's political power was demonstrated last September when his party, the Rally of the French People, scored heavily in nation-wide municipal elections.

Addresses RPF Meeting

He made these remarks in a speech here calling upon France to lead an organization of western European nations in joining with the United States to oppose communism and the spread of Soviet influence.

De Gaulle, addressing a crowd of 60,000 at a meeting sponsored by the RPF, stated that such an organization might have the support of 250,000,000 men.

"It is necessary that the efforts of the old Europe and those of America be joined to put our poor world back on its feet," he said.

"This means without any doubt that the United States lend us large and prolonged help in the economic field. They took the initiative and I hail with no embarrassment their clear-sighted generosity.

Unity Plan Being Drawn

"But it is clear that their support should spread at the same time to the fields of defense in as precise and explicit a manner as the Marshall plan does on credits and imports."

For the first time de Gaulle said categorically that the German people must have their place among the "free states of Europe."

France, Britain, Belgium, the Netherlands and Luxembourg are drawing up a plan for unity in a five-nation meeting at Brussels. France, Britain and the United States agreed at a London conference which ended yesterday on a federalized form of government for western Germany and international control of the Ruhr.

De Gaulle made no direct reference to these conferences, but said "an economic, diplomatic and strategic group must be formed among the free states of Europe, linking together production, their exchanges, their foreign activities and means of defense."

Calls For Elections

As for the political situation in his own country, de Gaulle urged elections to end "a system which can only be one of chronic feebleness and permanent crisis." It was at this point that he said he was ready to take over direction of France.

He said France is menaced from abroad by the expansion of a vast empire, whose "masters aim at world domination." He identified the empire as Russia "with her vast resources, docile, patient and proud people of 180,000,000, all manipulated by an absolute dictatorship."

At home, he added, France is menaced by "separatists at the service of these foreigners, who profit by confusion in the country and the irritation of all to hinder all activity, agravate all crises, envenom all wounds and prepare their dictatorship."

Germany Must Come In

De Gaulle said Finland, Austria, Greece, Turkey and Iran "are held in the grip of anguish. Italy is in a state of alarm."

Germany must come in western Europe's organization, he asserted, but not if she still seeks to become a possible menace. He viewed the reconstruction of the Reich as a "bad solution" of the German problem, but said the German states, "federating as they wish, would naturally find their place in the grouping of other European states.

MAR - 1948

The same applies to Austria. The Ruhr would enter this framework with its own special regime."

Compiegne, festooned with streamers, Lorraine crosses and loudspeakers, was in a festive mood for de Gaulle's visit. He laid a Lorraine cross of white carnations on the spot where the 1918 Armistice was signed, and dedicated a street to General Le Clerc, who was killed in an air crash last November.

It was in Compiegne, on June 21, 1940, that France signed an armistice with Adolf Hitler. The document was signed in the same railway car in which Marshal Foch had dictated peace terms to Germany 22 years before. Following the ceremony, Hitler was photographed dancing a jig in an expression of glee over the capitulation of France.

DE GASPERI ASSAILS REDS

Campaigns in Leftist North—Togliatti Scores Vatican

ROME, March 7 (AP)—Premier Alcide de Gasperi today carried his campaign for the April 18 elections into the Leftist north section of Italy. Speaking before a huge throng at Turin, he charged that Italian Communists "recognize Stalin and Lenin as their chiefs" and said they were "playing a double game." Turin has a Communist Mayor and is regarded by reds as one of their strongest districts.

"Without the coal, grain and petroleum products received as aid from the United States, Italy's industries would today be closed down," Premier de Gasperi said.

In a speech at Savara, Palmiro Togliatti, Communist leader, accused Signor de Gasperi and the Vatican of "spiritual terrorism." He said the Vatican "is embarrassing, with its religious interference, political developments in Italy."

Luxembourg opened their conference here last Thursday.

To Stiffen Economic Backbone

The delegates completed the political, legal and military basis of a projected 50-year pact yesterday.

Before resuming their sessions tomorrow, the delegates conferred in Brussels and in their home capitals on measures to strengthen the economic backbone of the planned union.

It was generally understood the pact will contain economic provisions for mutual prosperity extending well beyond the Marshall plan.

So much is involved in the military aspects of the union that details will be left out of the pact for separate decision by military experts, it was said.

In Very General Terms

[In The Hague, a Dutch Foreign Ministry official said tonight the military formula of the future five-power pact would be written in very general terms, leaving an opening for all possibilities.

[The official said he hoped a "basic five-power pact" would be signed in a few days.]

Politically the pact may contain democratic guarantees. One source suggested that provision might be made for freedom of the press. The delegates of the five nations hope to have the pact ready before the mid-March meeting of the sixteen Marshall plan countries in Paris.

Blasting of U. S. Army Chief's Train Balked—Athens Acts to Save Children in North

KILKIS, Greece, March 7 (AP)—One hundred pounds of dynamite were removed from rail tracks about ten miles south of this town three hours before a train carrying Lieut. Gen. James A. Van Fleet, new head of the United States military mission, and the Greek Chief of Staff, Lieut. Gen. Demitrios Yantzis, passed the point this morning.

Greek officers said four sacks containing the explosive had been placed there by guerrillas during the night.

They said a detonator had been placed a short distance from the charge so the engine and several cars could pass over the charge before it was exploded. Armored cars are now patrolling the area.

The party, which included the Greek Third Corps commander, Gen. Gregoropoulos, and American officers of General Van Fleet's staff, came from Salonika to inspect Thirty-seventh Brigade installations in the Kilkis sector, which is about thirty miles due north of Salonika.

[General Van Fleet and a Brigadier Steel, deputy chief of the British military mission, who have been making a tour of northern Greece, attended a conference of senior Greek and Allied officers in Salonika on problems of supply for the Greek Army, said a Reuters dispatch.]

Dodecanese Islands Returned to Greece

King Marks End of 600 Years of Foreign Rule

ATHENS, March 7 (AP).—The Dodecanese Islands became Greek territory again today after almost six centuries of foreign domination. Formal ceremonies marking the return of the strategic islands off the Turkish west coast took place on the island of Rhodes.

Minister of the Interior Peter Mavromichalis read a decree annexing the Dodecanese to Greece under the terms of the Allies' peace treaty with Italy.

King Paul offered thanks to God for enabling him to see the "Greek flag fly in the blue sky of the Dodecanese." Deputy Premier Constantin Tsaldaris said the occasion marked the beginning of justice for Greek aspirations.

CZECH PARTY MOVE IS MADE

Communist-Social Democratic Union Planned

MAR — 1948

Prague, March 7 (AP)—The first step was taken today toward merging Czechoslovakia's Communist and Social Democratic parties into a workers' unity party.

Similar mergers elsewhere in Eastern Europe have marked the disappearance of Social Democrats.

The merger move originated at Liberec, a small city in North Bohemia near the German border. The action committee of the Social Democratic party there called on the party's central committee in Prague to allow the Liberec group to join forces with the Communists.

Left wing Social Democrats recently helped the Communists gain control of the Czechoslovak Government.

Decision Within Five Months

Jan Fierlinger, brother of the Social Democratic boss, Zdenek Fierlinger, said the question of fusing the two parties would be decided within the next five months by a Social Democratic congress.

"It may be too soon to say that we shall merge with the Communists, but a common party of workers and working intelligensia certainly would be desirable," he said. "However, things here are not of the same patterns as in Hungary and Romania, and perhaps we will not merge."

It was believed the Liberec action gave the merger advocates the toehold they wanted—"the will of the people" excuse on which so many of the actions since February 20 have been based.

Others As Opposition Bloc

Merger would pave the way for a common Communist-Social Democratic ticket in the elections, whenever they are held. There is a possibility the other parties in Czechoslovakia would be lumped in an opposition bloc to which Communist Premier Klement Gottwald could point as evidence that a type of opposition was permitted to exist.

Rudolf Slansky, Communist chief, denied that his party wanted to raid the Social Democratic ranks in the Communist drive for 2,000,000 members. He reproved zealous Communists for trying to make Social Democrats change their affiliations.

Meanwhile, purgers in Slovakia announced that the Slovak Democratic party had been changed into the Party of People's Unity.

Benes Misses Masaryk Tribute

For the first time in years, President and Mrs. Eduard Benes were not listed among those making a birthday pilgrimage to the tomb of Thomas G. Masaryk, the first President of Czechoslovakia, at Lany.

Benes still was convalescing at Sezimovo Usti as the nation celebrated the ninety-eighth anniversary of Masaryk's birth.

The President also failed to make his customary radio talk to the nation on Masaryk's birthday. Instead, the Prague radio announced briefly tonight that Gottwald visited Benes this afternoon. The subject of their talk was not disclosed.

The Government coupled the memorial occasion with the thirtieth anniversary of the battle of Bachmac and the fifth anniversary of the battle of Sokolov, in which Czechoslovak and Russian troops fought side by side in two wars.

CZECHS BAR U. S. FILMS

PRAGUE, March 7—(AP) Censorship clamped down on the films of five United States stars today because of anti-communist testimony last October before the House Committee on Un-American Activities. The government banned Adolphe Menjou, Gary Cooper, Robert Montgomery, Robert Taylor and Ginger Rogers from appearing on screens here.

Similar action was taken Jan. 16 in Hungary.

A half dozen films, ranging from "Sergeant York" to "Tales of Manhattan," also were barred. Other American and British films continued showing, among them "Second Fiddle" with Sonja Henie and Tyrone Power; "North Star," "Odd Man Out" and "Random Harvest." In neighborhood houses "Mrs. Miniver" still draws tears after three months' screening.

A Russian film, "Salute to Moscow," is playing two first rank theaters.

tributed 714,000 rubles (more than $130,000,000 at the official exchange rate) to make up theatrical deficits, the newspaper said. The deficits had risen from 400,000,000 rubles in 1940.

An editorial in "Soviet Art" revealed revolutionary changes in theatrical practice instituted by P. I. Lebedev, who recently succeeded M. B. Krapchenko as chairman of the Art Committee.

The newspaper deplored the "wasting of funds" by many theaters and declared new productions must be on an economical basis.

"Soviet Art" pointed out that the Kirghiz theater spent 1,400,000 rubles in putting on one new opera. Some Russian singers receive full pay by performing only twice a month.

Directors of theaters having poor attendance must remedy the situation, the newspaper said. Individual theater managers now are receiving a leading voice in the selection of their own repertoires.

Many theatrical leaders have complained of bureaucratic practices by the Art Committee in interfering with the choice of plays being produced.

Theater managers also are going to be allowed more say in the selection of their staffs and actors, the newspaper said.

Moscow Views Treaty With Egypt As Important

Moscow, March 7 (AP)—Moscow observers view the new Soviet-Egyptian trade treaty as an important step in developing trade between Russia and the Arab Middle East.

First official announcement here of the treaty, signed Wednesday, appeared today in the Moscow press. The agreement provides for the exchange of Egyptian cotton for Soviet grain, lumber, ammonium sulphate and other commodities.

Three-Power Plan for Germany Condemned By Soviet Press as Violation of Potsdam Pact

MAR

MOSCOW, March 7 (AP) — The Soviet press said today that the United States, Britain and France had taken a new step toward the partition of Germany through the three-power conference in London.

Izvestia, Pravda and other papers carried Tass dispatches from London reporting in full the statement issued by the three powers at the end of their meeting. Bitter editorials are expected later.

Izvestia and Pravda charged that the conference was a "howling violation" of the Potsdam pact for four-power control over Germany.

They said the decisions reached represented a move for transformation of "Bizonia into Trizonia." Bizonia is the term used for the economically merged British and American occupation zones. Trizonia would apply if France decided to come in.

The newspapers described as "hypocritical" the three-power declaration that the talks took place as the result of the inability of the Council of Foreign Ministers to reach any agreement on Germany.

Turkish Economic Aid Proposal

Istanbul, March 7 (AP)—Turkish sources said tonight the Government would like to change the military character of the American aid program so it would concentrate instead on Turkey's sagging economic structure.

Consequently, Turkey was expected to ask that a new United States mission come here for an economic survey. It was presumed the Turks hoped such a mission would propose that any additional financial aid to bolster Turkey against possible Russian threats be not wholly military as was the initial grant of $100,000,000.

Term Planning Hasty

Ankara sources who cannot be quoted said the military aid program was drawn in haste. They said the general staff had no time to consider all the aspects of the program suggested by the first American mission.

A study during the past months, these sources said, has convinced the general staff and Cabinet members that both American and Turkish funds could be better utilized if the program was aimed at restoring the country's economy.

The newspaper *Istanbul* said today any saving effected by a proposed reduction of the Army under the aid program would be more than wiped out by the cost of maintenance and operation of additional military equipment.

Over 700,000 Under Arms

Turkey has kept more than 700,000 men under arms against a possible Russian threat. The United States aid program proposed that these be reduced by the induction of a more modern and compact military force.

One source said Turkey now is considering asking the United States State Department that American economic experts outline a new program under which "every dollar and every lira spent will be used to the utmost advantage in the fight against Russian expansionism."

Chinese Communists' Siege Of Szepingkai Is Abandoned

Peiping, March 7 (AP)—Pro-Government Chinese dispatches reported with surprise and jubilation today that the Communists had abandoned their seige of Szepingkai, a key Manchurian railway point.

The correspondents said the Communists began their withdrawal Saturday after failing in a new drive on the outskirts of the city 105 rail miles northeast of Mukden.

The nationalist command in Mukden, recovering from its initial mystification, was said to be representing the development as possibly presaging a comeback for the hard-pressed Government forces throughout Manchuria.

"General Mud" On Chiang's Side

[AP Correspondent Harold K. Milks, in Nanking said military observers there felt that the beginning of spring thaws might be a factor in Communist retirement. He said "General Mud" was on the Government side, at least for the time being, because the Communists are thus robbed of their greatest asset: mobility].

Peiping observers theorized the Communists had sought an easy conquest of Szepingkai and quit when they found it would be expensive.

This and other developments, whatever their causes, inspired belief that Mukden's reprieve would extend for months and possibly until next winter.

Mukden Still Isolated

Mukden remains isolated by distant Communist encirclement, but a relieving force from North China has been reported near a junction with garrison troops at Sinmin, 35 rail miles to the west.

Nationalist forces also were reported moving on Kaiyuan, Communist-held railway town 55 miles northeast of Mukden, amid predictions that the Communists would retire in a day or so.

Government warships and planes were continuing to bombard Yingkow, seaport 100 miles southwest of Mukden preparatory to a landing attempt.

Yenan Virtually Surrounded

The Communists captured Yingkow February 28 but were said to have only a small force remaining there.

Less favorable to the Government were press reports that Communist units had virtually surrounded Yenan, onetime Communist headquarters in Shensi Province. Its capture last March 19 by the Government was a blow to Communist morale. Pro-Government papers said the Government garrison was believed to be strong enough to repulse an assault.

Gen. Chen Reported Out As Chinese Army Head

Nanking, March 7 (AP)—Two newspapers reported and a Government spokesman immediately denied today that Gen. Chen Cheng had resigned as chief of staff of the Chinese Army.

The independent *Hsin Min Pao* and the conservative pro-Government *Ta Kang Pao* both said Chen had quit and might go to the United States for treatment of a stomach disorder. Chen recently relinquished the special command in Manchuria.

Although his resignation was denied, the reports increased speculation on a probable successor, with Gen. Chang Chi-chung most frequently mentioned. Chang now is commander of the northwest headquarters.

MAR

Rivals Wait In China

SHANGHAI, March 7 (AP)—Whatever aid the United States grants to the Chinese Government, the Communists stand to gain indirectly because Communist and Nationalist areas are carrying on a virtually unbroken trade.

In Shantung the large cities are held by the Government and rural areas by the Communists. Thousands of tons of tobacco grown in Communist-controlled regions filters into the Nationalist cities.

The Government even collects taxes on these Communist-grown commodities.

In turn, the Communists get kerosene, oil, farm tools and sometimes American weapons or jeeps.

This trade is not confined to Shantung. Travelers from Manchuria and elsewhere bring similar reports.

Chinese Paper Accuses Food Official's Wife

Nanking, March 7 (AP)—The independent paper *Hsin Min Pao* reported today that Food Minister Yu Fei-peng went to Hankow to try to speed up rice distribution and heard his own wife accused of operating a speculative "corner" that caused the shortage.

The paper said Yu angrily denied the charge and demanded that municipal officials who made it apologize within three weeks or face court action.

Yu was quoted as saying his wife could not manage such a market deal because "she is a peasant woman, illiterate and without knowledge of business."

TOKYO, March 7. — (AP) Two American soldiers are believed to have died in a fire which destroyed three barracks at Camp McGill early today, the First Cavalry Division's public information officer reported.

9 FILIPINOS DIE IN DISORDERS

Disturbances Follow Roxas's Order Against Huks

Manila, *Monday*, March 8 (AP)—Nine persons were killed in weekend disorders after President Manuel A. Roxas outlawed the rebellious Hukbalahap peasant army and the National Peasant Union. A Government roundup of hundreds of suspected outlaws is expected shortly.

From Bataan came word that two former members of the Peasant Union were kidnapped and killed by 120 armed men, after the two had been questioned by constabulary.

Two constabulary soldiers, two Huks and three civilians were reported killed in Quezon Province. A detachment of the constabulary camped in a schoolyard there was attacked by an outlaw band.

"A Dictatorial Mark"

In Manila, 3,000 persons assembled at North Cemetery for the burial of Manuel Joven, national executive secretary of the Philippine Congress of Labor Organizations. He was murdered last [illegible] by three unidentified men. Witnesses, police said, identified the car the slayers drove as one hired by the Philippine constabulary.

Liberal Congressman José Topacio Uyeno, of Manila, told the funeral crowd Roxas's outlawing of the peasant groups "has a distinct dictatorial mark which has no place in a democratic country. . . ." Only the courts, he contended, have power to declare an organization illegal.

Roxas, in outlawing the two groups, said the evidence would convince "any fair minded man" that both were organized to overthrow the republic.

Supported By Press

The American-owned Manila *Bulletin* supported his action editorially today, agreeing with his conclusion and remarking "there is no more room left for a divided policy." Roxas said he had evidence which linked both groups with the Communist movement.

The Filipino-owned Manila *Times* agreed with Roxas's "basic purpose." The *Times* urged "greatest discretion" by authorities in carrying out his orders. "In times like these, when action seems to be demanded, let us have even more thought," it said.

In the House of Representatives, a movement to expel formally peasant leaders Luis M. Taruc and Jesus B. Lava was started. [Both were reported elected to Congress in 1946 but the Congress barred them; neither has ever taken his seat. Both are fugitives.]

Senator Vincente Sotto, meanwhile called upon President Roxas to proclaim martial law in central and southern Luzon to put an end to lawlessness.

CONVOY GUARD FIGHTS ARABS

Riflemen Kill Five In Battle In Gaza Area

MAR

Jerusalem, March 7 (AP)—Riflemen guarding a Jewish motor convoy killed five Arabs and wounded another today in a battle near Gaza.

Three other Arabs and one Jew were killed in other incidents in Palestine. Today's deaths brought the unofficial total to 1,625 since the United Nations voted last November 29 to partition the Holy Land.

Eleven Arabs, five Jews and two British soldiers also were wounded during the day.

Thrown Into Blazing Truck

Arab snipers disabled an armored truck driven by a Jew, riddled him with bullets, emptied his pockets and tossed his body into the back of the flaming vehicle.

The incident occurred in the Sheikh Jarrah quarter of Jerusalem at sunset.

The Arabs fired possibly 200 shots into the truck cab, some at two foot range, after the truck had been forced into a stone wall. One of the Arabs screamed at the burning body "Why can't Haganah help you now?"

Police Stopped By Boy

Police started for the truck but an Arab boy in ragged clothes ordered them to halt until the victim's pockets had been gleaned. The police waited.

Police said 300 Arabs accompanied by two armored cars attacked Jews manning a road block in southern Palestine. An Arab was killed in that engagement. Another Arab was killed in the same area when troops fired on Arabs who had attacked two army trucks.

Three grenades accidentally exploded in a house in the coastal village of Qualquiliah, killing an Arab.

To Consider Pact With Irgun

A Jewish Agency official said the Agency Executive would meet in Tel Aviv Tuesday to consider ratification of an agreement between Haganah, the Jewish defense army, and Irgun Zvai Leumi, Jewish underground group.

"Should the agreement be ratified it will be an important step toward stabilization of the political situation of Palestine Jewry and consolidation of our fighting capacity," the official said.

The executive of the extreme Zionist revisionist party said in a communiqué it had decided to participate in the Jewish provisional government council after being reassured by the Jewish Agency that agreement had been reached between Jewish fighting forces.

However, some influential members of the Agency Executive were said to be opposing any agreement with Irgun, which has been charged with some of the more extreme acts of violence in the Holy Land.

starts when I give the word."

He said he entered Palestine two days ago over the Allenby bridge. He assumed active command today.

A headquarters company of 50 men accompanied Fawzi Bey on his tour of northern Palestine. They roared over winding blacktop roads in American-made jeeps, sleek motorcars, and one armored scout car such as the British police use.

In Palestine "To Stay"

In the village of Kabatiya, where Fawzi Bey made his headquarters when he fought British and Jews in the Arab revolt of the late '30's he said:

"I have come to Palestine to stay and fight until Palestine is a free united Arab country, or until I am killed and buried here."

He declined to discuss the actual fighting strength of his "army of liberation."

"Our strength is adequate and infinite," he said. "The armies have started flowing over the borders of Palestine and the flow will continue."

Lists Armored Equipment

A member of his staff said mobile armored equipment includes 6 weapons carriers, 20 armored scout cars and more than 100 assorted light artillery pieces. "There's more to come," he added.

He is expected to launch his first attacks on a guerrilla basis to test enemy strength, an aide said, and after that will come "frontal battles."

Fawzi Bey said the Arabs' main project is to "quash the American decision to divide this country, and to subdue Zionism."

An aide said Fawzi Bey visited King Abdullah of Trans-Jordan en route to Palestine and was told by him:

"You may consider all the military resources of my country as being under your command."

GUATEMALANS FLOWN TO HONDURAS BORDER

FLORES, Guatemala, March 6 (Delayed) (AP)—Guatemalan troops were flown into the Peten area today to strengthen the guard near the British Honduras frontier.

The soldiers were the first to arrive in this border area since the Guatemalan Government recently protested as a hostile act the dispatch of two British warships and troops to British Honduras.

Guatemala has claimed British Honduras for 100 years. The British recently sent the ships and troops to British Honduras to prevent incidents by "irresponsible elements" in Guatemala.

SENATE WON'T CUT AID PLAN FUNDS, BACKERS PREDICT

Not More Than 34 Votes Can Be Mustered for Slash, Is Claim.

DEBATE RESUMES TODAY

House Expected to Insist on Military Aid for China.

MAR — 1948

WASHINGTON, March 7 — (AP) Not more than 34 senators will vote to cut the Marshall Plan's $5,300,000,000, backers predicted today.

Such a number probably would be several short of forcing a slash.

Senator George (D.-Ga.) told a reporter he thinks not more than 34 votes can be mustered to cut. Senator Smith (R.-N. J.) said he doubts there will be that many.

Critics seem likely to settle on $4,000,000,000 as the amount they want to allow the first year.

Second Week of Debate

Here is the foreign aid picture in Congress:

1. The Senate starts its second week of debate tomorrow on European recovery. This bill authorizes Congress to appropriate up to $5,300,000,000 for 12 months of a four-year program. Sixteen countries outside of communist Europe would benefit.

2. The House is letting the Senate act first. The House Foreign Affairs committee is holding hearings. This group wants to wrap up all foreign aid in one package. The administration asks help also in varying forms for Greece, Turkey, China and Trieste.

House Speaker Martin forecast that the House will insist that America supply military aid to China.

"The generals say they need it," he told reporters. "And it certainly seems to have some sense to it too."

So far the administration has recommended no military help for China. President Truman and Secretary of State Marshall have asked for $570,000,000 to enable the Chinese to build up industries and buy necessary things abroad.

But Lt. Gen. Albert C. Wedemeyer, director of plans and operations for the army, told the House committee last week that in China and elsewhere, economic aid must be backed up with military aid to stop communism.

Unless the right steps are taken in this direction," Wedemeyer said, "we are going to pay in blood."

William C. Bullitt, former ambassador to Russia and France, has proposed $100,000,000 in military help for the Chinese.

Billion Rumored for China

Martin wouldn't guess the amount of such aid the House might vote. He said he hadn't heard reports that the committee might go for an even $1,000,000,000 for China for both military and economic help.

The committe has more hearings on the economic end of it tomorrow.

In Senate debate, Senator Taft (R.-Ohio) will take the floor for a formal speech on the European recovery measure this week. He is expected to urge it be trimmed to about $4,000,000,000.

Taft has said he is going along on the principle of providing aid for Europe but thinks $5,300,000,000 is too much to put in at the start.

Senator Ball (R.-Minn.) said he thinks that a group of Republicans who criticized parts of the program in last week's Senate debate will support the lower figure. Several Democrats have indicated they will go along.

Senator Bridges (R.-N. H.) said he probably will vote for the larger amount. But he said that as chairman of the appropriations committee he will make it clear the administration will have to state its basic policy on Russia and justify the need for the full fund before it actually gets the money out of Congress.

An all-out attack on the program is expected from Senator Taylor (D.-Idaho), scheduled to speak tomorrow.

Taylor, who expects to be Henry Wallace's running mate on a third party ticket, said he will contend that the whole European aid program should be turned over to the United Nations.

SOVIET EXPECTED TO PROTEST PACT ON RUHR CONTROL

WASHINGTON, March 7.—(AP) Diplomatic authorities here expect a violent protest from Russia against the agreement announced in London yesterday for unifying American-British-French control of Western Germany.

Unless the Russians upset all predictions here, they will not only protest the decisions taken without them but will also demand a share in the international control of the Ruhr.

In fact, the problem of arranging control of that West German powerhouse may prove the most difficult of all the London decisions to carry out.

The State department appeared pleased by the speed and extent of the London agreement. The decision which calls for international control of the Ruhr also provides for using Western Germany's assets in the European recovery program and for eventual organization of a federal form of government for Western Germany.

SUPPORT OF UN SEEN KEY PLANK OF THIRD PARTY

MAR — 1948

WASHINGTON, March 7.—(AP) A pledge of vigorous support to the United Nations may become the key plank of Henry Wallace's third party platform, Senator Taylor of Idaho predicted today.

Taylor, who bolted the Democrats to run with Wallace, told a reporter anybody who thinks the new party is aiming only at 1952 is mistaken.

"We're out to win this year and I think we have the chance to do it, with the kind of platform that will appeal to the people, Taylor said.

This platform is likely to be built around the contention that the way to bring peace to the world is to make the United Nations work, he said.

"I am against the Marshall plan in its present form," he said. "But I would be for our helping Europe recover if it would turn the whole thing over to the United Nations for it to carry out and abide by their decision as to where the money should be spent."

Similarly, Taylor said he thinks the United States ought to back up the decision of the United Nations Assembly for partitioning of Palestine.

"Unless we support the United Nations in this crisis, it is going to wither away, and when it does I am afraid the last hope for world peace will go with it," he said.

The Wallace party's platform is expected to carry a strong statement on civil rights. In fact, many believe Wallace and Taylor will attempt to go even further than President Truman did in a program that has stirred southern Democrats into a rebellion.

Diplomatic Timetable

MAR — 1948

Washington, March 7 (AP)—State Department officials who say the Communists may make a big push in Italian elections next month are urging faster action in Congress on the European Recovery Program.

The timing is of such concern in the Administration that it is understood to have come up for consideration at last Friday's Cabinet meeting—President Truman's first upon returning from vacation.

Officials say that the swift development of events in Europe—some good, some bad, from the American point of view—is running ahead of American foreign policy. The Washington timetable is off balance, they say.

Pleased By Two Events

Diplomatic officials said today they were extremely pleased with:

1. The London conference decisions announced yesterday for greater American-British-French unity in western Germany.

2. The results of the five-nation conference at Brussels where the foundations of a western European union are being laid.

Both the London and the Brussels developments were described here as master moves in the strategy of the western powers to block the westward drive of Russian-controlled communism.

Most Essential, They Say

The Government's top diplomats contend that the most essential part of this whole strategy is the Marshall plan for European recovery. The future of western Germany, as planned at London, and the future of western Europe, as charted at Brussels, both depend on that.

30.24-16081
MAR - 1948

They are convinced that despite the gains made in London and Brussels, Russia can knock the support from under much of the structure of western Europe if it can capture all or a large share of control of the Italian Government.

The present regime at Rome is entirely non-Communist. Italy has scheduled elections for April 18. The period between that date and the present, State Department officials believe, could have a vital effect on the future of all western Europe.

April 1 Deadline Set

The Administration is calling for final congressional action on the Marshall plan by April 1. That was the date which George C. Marshall, Secretary of State, originally set. Officials insist that because of unrest in Europe created by the Communist power seizure in Czechoslovakia, the Finnish crisis and the prospect of the struggle in Italy, the date is more important now than at the time it was chosen.

House Speaker Martin said today that Congress probably will not meet the April 1 deadline according to present signs.

Some congressional leaders, however, evidently are hopeful it will be met at least approximately.

Senate Speed Expected

Senate observers predicted that a decision on the Marshall-plan bill might be made there before the end of the week. House leaders have been predicting action by mid-April and the efforts of the State Department apparently are designed to get that program speeded up by a week or ten days.

The diplomats contend that what is now most needed in Europe is a prompt reassurance that the United States intends to make the recovery program good. Administration officials also argue that the trend of discussion thus far has virtually proved that the program will be passed by Congress.

They say that timing therefore may be approached as a matter of practical legislative maneuver rather than a decision on the principle of whether there should be any European recovery bill at all.

Condon Fears Effect Of Report On Scientists

Washington, March 7 (AP)—Dr. Edward U. Condon, under fire from the House Un-American Activities Committee, said today he regrets the effects of this on scientists generally.

Condon, head of the United States Bureau of Standards, was described in a subcommittee report as having knowingly or unknowingly associated with alleged Russian spies.

Today, in a radio interview, Condon repeated that he has done nothing disloyal and that the committee won't be able to find that he has. He disputed the subcommittee's description of him as "one of the weakest links in our atomic security."

But he said he was worried over how the committee tactics would affect other scientists.

Byrd Doubts Outcome Of Fight To Block Civil-Rights Bills

Washington, March 7 (AP)—Doubt of the outcome of the fight to block civil rights bills was voiced today by Senator Byrd (D., Va.). He said Southern Senators are up against a "very difficult" task.

Lured by the "presidential votes of the big city pressure groups," Byrd said, both the "National Democratic Party organization, as well as the Republicans, would sacrifice southern traditions and institutions—and the Federal Constitution itself."

Both Parties Bid For Minorities

Interviewed on the radio, Byrd said that both national parties are bidding for the votes of "minority groups in certain Northern and Western States which are regarded as having the balance of power."

President Truman asked Congress to pass anti-poll tax, anti-lynch, anti-job discrimination bills and others. Southerners assailed the idea as an illegal invasion of their rights. Asked about their chances of passage, Byrd replied: ". . . what the results will be, none can now predict . . . our road is a very difficult one."

Legislation Aimed At South

The legislation "is admittedly aimed at the South," he said.

It would impose a system of force like that after the Civil War "with such disastrous results in racial hatred and bloodshed," the speaker declared.

Byrd called President Truman's civil rights program "a devastating broadside at the sovereignty of states, the fundamentals of local self-government, and the dignity of southern traditions and institutions."

South Will Not Barter Principles

"I think the people of the South will form their own opinions when they realize the full import (of the civil rights program). Meanwhile, I believe it will be the concensus of southern people that these recommendations are aimed directly at the South."

Byrd said that "without the South, there can be no national Democratic party today." He added that he does not believe "the South will barter its fundamental principles."

"The stakes are too high," he said. "And I do not believe the South will remain impotent to protect its rightful interests."

Speaking on racial problems, Senator Byrd said that Virginia has had the strongest anti-lynching law ever passed by any state on its books since 1928. The law, he said, has prevented any lynching in Virginia during the past 20 years."

Meanwhile, arrangements may be made tomorrow for a radio program on which Dixie Senators will set forth their arguments. Time was offered by the Mutual Broadcasting System after a group of 21 demanded a chance to reply to a dramatization of a report by President Truman's Civil Rights Commission.

Aid For Cyprus Sought

Washington, March 7 (AP)—The Jewish War Veterans of the United States announced plans tonight for a "Friendship Train" for the relief of the people of Cyprus and Palestine. Gen. Julius S. Klein, national commander of the organization, named David S. Block, his chief of staff, as general chairman.

Chennault Reaches U.S. On Flight From China

Minneapolis, March 7 (AP)—Claire L. Chennault changed planes here today enroute from Shanghai, China, to Washington, where he will testify on American aid to China.

As he passed through customs, Chennault declined to say what kind of aid was needed in China and refused to comment on the Communist situation there. He said he thought he should withhold comment until he arrived in Washington.

He said he thought the situation in China "could be better."

Chennault, wartime leader of the Flying Tigers and now operator of a commercial airline in China, was accompanied by his young Chinese wife, a former Shanghai newspaper woman. Their plane from the Orient was five hours late.

The House Foreign Affairs Committee has invited Chennault to testify.

U.N. Group Given Pay Of $60 A Day

Lake Success, N.Y., March 7 (AP). United Nations officials disclosed today that members of the Palestine Commission receive $60 a day each. This amounts to $21,900 a year, approximately the amount paid assistant secretaries-general of the United Nations.

The Palestine Commission members are Karel Lisicky, of Czechoslovakia; Senator Vicente J. Francisco, of the Philippines; Dr. Eduardo Morgan, of Panama; Per Federspiel, of Denmark, and Raul Diez de Medina, of Bolivia.

They have been meeting here since January 9 and have not decided when they will go to the Holy Land.

Members of the United Nations commissions in Korea and Greece get $20 a day from the United Nations but still draw salaries from their own governments. Members of the Palestine Commission are paid only by the United Nations.

LIE ASSERTS UN IS NOT WHAT IT INTENDED TO BE

NEW YORK, March 7. — (AP) Trygve Lie, secretary-general of the United Nations, said yesterday the UN "is not what it was intended to be."

"Its members are not doing all they could be doing to make it work," he declared in a speech before the third annual high school forum sponsored by the New York Herald Tribune.

"We have failed to take definite action on problems of great and urgent importance—the control of atomic energy, the provision of armed forces to serve the United Nations, the reduction and control of conventional armaments.

"The Security Council has often failed to reach clear and effective decisions because there has not been full agreement among the nations which have permanent seats on the council—the Big Five."

Douglas Arrives For Conferences

New York, March 7 (AP)—Lewis W. Douglas, United States Ambassador to Great Britain, arrived here today en route to Washington to report to Gen. George C. Marshall, Secretary of State, on the London conference on western Germany at which he represented the United States.

The conferees agreed in principle on internationalization of the Ruhr and also considered an economic merger of the French-occupied zone of Germany with the American and British zones, and a proposal to bring western Germany under the European Recovery Plan.

Douglas said that despite Soviet protest against the meeting, the Soviet Union is not precluded from joining in any of the recommendations made by the nations represented at the meeting.

The Ambassador said also that reports on agreement on political and economic co-operation reached at the Brussels conference of Britain, France, Belgium, the Netherlands and Luxembourg, are "good news."

End Of Aid Is Urged If Output Hits '38 Level

New York, March 7 (AP)—American aid to any European country should be dropped whenever such country reaches its 1938 level of production, a foreign trade spokesman said today.

Robert F. Loree, chairman of the National Foreign Trade Council, stated this opinion in a letter to Senator Arthur H. Vandenberg (R., Mich.), chairman of the Senate Foreign Relations Committee.

Loree urged that the European Recovery Plan bill be amended to cut off United States Government assistance "in the case of any participating country in which production has reached the 1938 level after taking into account any increase or decrease in population."

Corporate Type Administration

The letter also urged adoption of a corporate form for administration of the recovery program.

Loree asked that the bill be changed to require that "the administrator shall, to the greatest extent practicable, utilize the facilities provided by private industry and trade."

American investors must be protected, Loree added. He asked specific assurance that American private enterprises in any Marshall plan country cannot be nationalized or expropriated without "prompt, adequate and effective compensation to the owners."

He also proposed that the administrator be directed to use funds provided through private investment channels whenever possible.

THORP SAYS AGREEMENT DOES NOT COMMIT U. S.

NEW YORK, March 7.—(AP) Willard L. Thorp, of Weston, Conn., assistant secretary of state for economic affairs, said yesterday that the agreement announced in London today does not commit the United States government to international ownership of the Ruhr.

The United States, Great Britain and France announced in London they had agreed upon international control of the Ruhr, but specific recommendations were not made public.

LONDON, MARCH 7-(AP)-V. LINETSKY, MOSCOW RADIO COMMENTATOR, SAID TONIGHT THE FUTURE IN THE UNITED STATES BELONGS TO THE FORCES REPRESENTED BY HENRY WALLACE'S THIRD PARTY.

IN A BROADCAST HEARD IN LONDON, LINETSKY SAID "THE MOVEMENT FOR A THIRD PARTY AND THE FIRST SUCCESSES OF THIS MOVEMENT ARE AN OUTSPOKEN PROTEST OF PROGRESSIVE AMERICA AGAINST THE TRUMAN GOVERNMENT'S DOMESTIC AND FOREIGN POLICY."

THEN HE ADDED: "THE OLD PARTIES WHICH REPRESENT THE TWO SIDES OF THE SAME MONOPOLY MEDAL ARE NOW OPPOSED BY THE GROWING FORCES OF A THIRD PARTY. THE FUTURE BELONGS TO THESE FORCES."

THE RUSSIAN RADIO LEVELLED A DOUBLE-BARRELLED ATTACK ON THE LONDON CONFERENCE ON GERMANY AND THE FIVE-POWER TALKS IN BRUSSELS ON A WESTERN EUROPEAN UNION.

COMMENTATOR ATA BELSKAYA SAID THE CONFERENCE WAS AIMED AT ENABLING "BRITISH AND AMERICAN MONOPOLIES" TO SECURE "UNRESTRICTED DOMINATION OVER THE WHOLE OF WESTERN GERMANY."

HE SAID THE BRUSSELS MEETING WAS INTENDED TO GIVE DEFINITE FORM TO A MILITARY AND POLITICAL ALLIANCE OF BRITAIN, FRANCE, BELGIUM, THE NETHERLANDS AND LUXEMBOURG.

MAR - 1948

COMMENTATOR MIKHAIL MIKHAILOV SAID THE LONDON CONFERENCE WAS "HELD IN AN ATMOSPHERE OF SECRECY WHICH HAS CHARACTERIZED ALL RECENT POLITICAL MEETINGS OF THE WESTERN POWERS."

"SECRET DIPLOMACY IS PREFERRED BY THOSE WHO ARE SCHEMING AGAINST PEACE AND UNIVERSAL SECURITY," HE SAID. "THE PUBLIC WAS TOLD NOTHING ABOUT THE WORK OF THE LONDON CONFERENCE WHILE IT SAT, AND THE COMMUNIQUE PUBLISHED YESTERDAY IS COUCHED IN VAGUE LANGUAGE."

"HOWEVER," MIKHAILOV ADDED, "IT CANNOT BE CONCEALED THAT A NEW AND IMPORTANT STEP HAS BEEN TAKEN IN LONDON TOWARDS THE DISMEMBERMENT OF GERMANY AND THE TRANSFORMATION OF BIZONIA INTO TRIZONIA. IT CANNOT BE HIDDEN THAT THIS WAS ANOTHER GROSS VIOLATION OF THE POTSDAM AGREEMENT AND OTHER DECISIONS BEARING ON GERMANY TAKEN BY THE FOUR POWERS."

DESCRIBING THE BRITISH-AMERICAN ZONE OF GERMANY AS "A PUPPET STATE," THE RUSSIAN COMMENTATOR DECLARED: "THE FRENCH GOVERNMENT HAS ASSOCIATED ITSELF WITH THE SEPARATIST POLICY OF THE BRITISH AND AMERICANS. BELGIUM, THE NETHERLANDS AND LUXEMBOURG HAVE ALSO BEEN INVOLVED IN THIS POLICY TO CERTAIN DEGREES."

MIKARDO SAID THE AMENDMENT WILL READ:

"THAT THIS HOUSE DECLINES TO GIVE A SECOND READING TO A BILL WHICH, IN MAKING PROVISIONS WITH RESPECT TO THE TERMINATION OF HIS MAJESTY'S JURISDICTION IN PALESTINE, FAILS TO MAKE PROVISION FOR THE INDEPENDENCE OF JEWISH AND ARAB STATES IN PALESTINE AS PROVIDED BY THE UNITED NATIONS DECISION, FOR AN ORDERLY TRANSFER OF SUCH JURISDICTION TO THE UNITED NATIONS COMMISSION OR FOR CONSEQUENTIAL AND CONNECTED MATTERS."

SAID WALLACE:

"AMILLION PRIVATE CITIZENS, ALL MOVED BY SOME UNEXPLAINED DESIRE TO DESTROY OUR COUNTRY, COULDN'T DO AS MUCH DAMAGE TO AMERICAN FREEDOM IN A YEAR AS THE THOMAS COMMITTEE DID LAST WEEK WHEN IT ATTACKED DR. CONDON."

THE THIRD PARTY PRESIDENTIAL CANDIDATE SAID THE HOUSE COMMITTEE HEADED BY REP. J.PARNELL THOMAS (R-NJ) WAS "NOT CONCERNED" ABOUT DR. CONDON, ADDING:

"THEY WERE INTERESTED IN FRIGHTENING ALL SCIENTISTS INTO SILENCE."

ALLUDING TO THE HOLLYWOOD PROBE CONDUCTED BY THE COMMITTEE LATE LAST YEAR, WALLACE TOLD KEYSTONE STATE DELEGATES:

"A SMALL GROUP OF UTTERLY UNSCRUPULOUS MEN THINK THEY HAVE DISCOVERED THAT YOU CAN STIFLE FREEDOM BY SLANDERS, LIES, DISTORTION, AND INNUENDOES."

WALLACE ALSO STRUCK OUT AT WHAT HE DESCRIBED AS "THE CURRENT ATTEMPT OF BIG BUSINESS TO HAMSTRING WORLD RECOVERY IN ORDER TO INCREASE ALREADY FANTASTIC PROFITS."

POLICIES OF BIG STEEL CORPORATIONS ARE IN THE FOREFRONT OF THIS MOVEMENT, WALLACE SAID.

"THE SCRAMBLE WHICH MAKES HEADLINES X X X FADES INTO INSIGNIFICANCE WHEN THEY ARE COMPARED WITH THE SWINDLE OF THE PEOPLE BY THE STEEL TRUST," WALLACE SAID.

THE THIRD PARTY CANDIDATE POINTED TO THE SALE OF WARTIME-CONSTRUCTED STEEL PLANTS AT WHAT HE SAID WAS GREATLY REDUCED PRICES AND DECLARED:

"THIS IS ROBBERY AND THE AMERICAN PEOPLE HAVE A RIGHT TO KNOW THE FACTS."

UNITED NATIONS BUDGET

BY MAX HARRELSON

NEW YORK, MARCH 7-(AP)-THE UNITED STATES WAS REPORTED READY TONIGHT TO SEEK BIG POWER AGREEMENT ON A NEW CONCILIATION EFFORT IN THE PALESTINE CRISIS.

THIS REPORT CAME FROM A MEMBER OF THE U.S. DELEGATION ON THE EVE OF SECRET TALKS WHICH WILL BEGIN HERE TOMORROW AMONG TOP DIPLOMATS OF RUSSIA, FRANCE, CHINA AND THE UNITED STATES.

THE CONSULTATIONS WERE PROPOSED FRIDAY BY THE SECURITY COUNCIL, WHICH ASKED THE FIVE GREAT POWERS TO BRING BACK RECOMMENDATIONS ON THE HOLY LAND PROBLEM BY MARCH 15. BRITAIN DECLINED TO TAKE PART IN THE DISCUSSIONS.

IT WAS LEARNED THAT BRITISH COLONIAL SECRETARY ARTHUR CREECH JONES LEFT NEW YORK FOR LONDON FRIDAY FOLLOWING THE COUNCIL SESSION. BRITISH SOURCES DESCRIBED HIS DEPARTURE AS ROUTINE.

THE U.S. SPOKESMAN SAID NO FORMAL PROPOSAL HAD BEEN DRAFTED ON THE CONCILIATION QUESTION UP TO TONIGHT. HE SAID, HOWEVER, CHIEF U.S. DELEGATE WARREN R.AUSTIN FELT THE BIG POWER TALKS SHOULD DEAL PRIMARILY WITH THE QUESTION OF "PEACEFUL SETTLEMENT."

ANY PROPOSAL ON CONCILIATION WOULD RAISE A DELICATE POINT BETWEEN THE UNITED STATES AND RUSSIA AS WELL AS A CONTROVERSIAL LEGAL ISSUE.

THE ORIGINAL U.S. RESOLUTION ON BIG POWER CONSULTATIONS PROVIDED THAT THEY TRY TO SETTLE JEWISH-ARAB DIFFERENCES BY DIRECT NEGOTIATIONS ON MEANS OF CARRYING OUT THE PARTITIONING OF PALESTINE. THIS PROVISION, HOWEVER, FAILED BY ONE VOTE TO WIN APPROVAL.

RUSSIA WAS ONE OF THE FIVE COUNTRIES ABSTAINING. SOVIET DELEGATE ANDREI A.GROMYKO CONTENDED CONCILIATORY EFFORTS WOULD ONLY PROLONG THE DISCUSSIONS. FRANCE AND CHINA VOTED ALONG WITH THE U.S. FOR CONCILIATION.

THE JEWISH AGENCY AND OTHER ZIONIST GROUPS INTERPRETED THE COUNCIL'S ACTION AS RULING OUT ANY FURTHER CONCILIATION ATTEMPTS. BUT A U.S. SPOKESMAN TOOK THE VIEW THAT THE BIG POWERS STILL WERE FREE TO CONSIDER SUCH A MOVE, EVEN THOUGH THE COUNCIL REFUSED TO DIRECT THEM TO DO SO.

DEAN RUSK, HEAD OF THE STATE DEPARTMENT'S U.N. DIVISION, WAS IN WASHINGTON FOR DISCUSSIONS WITH ADMINISTRATION OFFICIALS ON A DETAILED U.S. PLAN OF ACTION. HE WAS DUE TO ARRIVE IN NEW.YORK TONIGHT WITH INSTRUCTIONS FOR THE DELEGATION.

MEANWHILE, AN INCREASING AIR OF SECRECY DEVELOPED. THE UNITED NATIONS ADOPTED A HANDS-OFF POLICY AND SAID THE CONSULTATIONS WERE STRICTLY A BIG POWER AFFAIR. IT WAS ANNOUNCED THAT NO U.N. SECRETARIAT PERSONNEL WILL ATTEND THE MEETINGS.

IT STILL WAS UNDECIDED WHETHER THE PARTICIPATING DELEGATIONS WILL BE FREE TO GIVE THE PRESS ANY INFORMATION OR WHETHER NEWSMEN WILL BE ADMITTED TO RUSSIA'S NEW PARK AVENUE OFFICES WHERE THE MEETINGS WILL BE HELD.

A U.S. SPOKESMAN SAID IT WAS UP TO THE CONFEREES TO DECIDE WHAT, IF ANY, INFORMATION WILL BE GIVEN OUT ON THE TALKS.

FINLAND DECIDES TO NEGOTIATE PACT

MAR - 1948

Talks to Be Held in Moscow on Proposed Treaty of Friendship.

E. Shanke

Helsinki, Finland, March 8 (AP)—Finland decided today to begin negotiations for a friendship and military pact with Russia—a step which may bind this nation to the Soviet bloc.

The decision followed two weeks of careful study of Soviet Prime Minister Stalin's request for such negotiations. The Finnish Cabinet acted in a 90-minute session with President Juho Paasikivi.

To Meet In Moscow

A Government announcement said: NIGHT

"The President of the Republic has today in the State Council decided to reply in the affirmative to the Soviet Government's proposal of entering upon negotiations toward the conclusion of a friendship and assistance agreement and to propose that the said negotiations take place in Moscow."

Stalin had suggested that either Moscow or Helsinki be designated as the site for the talks.

The Cabinet will meet again tomorrow to name Finland's representatives. Press reports said a seven-man delegation will be appointed, drawn from both Parliament and the Government.

Contents Kept Secret

A Foreign Office spokesman told a news conference that Paasikivi's reply to Stalin "might be sent to Moscow tomorrow." Its contents, however, were a closely guarded secret, at least until Helsinki knows that the answer has reached the Russian leader's hand.

The spokesman declined to say whether the Finns would attach any conditions or counterproposals in connection with military provisions of the suggested pact.

A majority of the Finnish Parliament had favored beginning the talks, but had opposed a military alignment with the Soviet Union on the grounds that a treaty with military clauses would place Finland solidly in Russia's eastern bloc against the West.

Security Reasons Assigned

Of the six parliamentary groups asked by Paasikivi to express an opinion on the subject, only the Communist-dominated popular front had favored concluding a military agreement with Russia. The final decision to open negotiations rested with Paasikivi.

One highly placed official said the Cabinet preferred Moscow as the site for the talks "for security reasons." If a Russian delegation came to Helsinki very elaborate precautions and preparations would have to be made, he said.

Also the Finns were said to believe that by conducting the negotiations in Moscow they may have ready access to Russia's top leaders and thus win the chance of getting a better agreement.

The date of the negotiations will depend entirely upon the speed with which Moscow responds to the Finnish acceptance.

Unlike Czechs' Position

While Finns readily admitted that a "dangerous first step" had been taken, they rejected any speculation that the country may find itself in the position of Czechoslovakia where a Communist-dominated government recently assumed power.

"Parliament will have the final say-so in the pact if the negotiations lead to any conclusions," they said.

Since 1939 Finland has fought two losing wars with Russia. A Finnish-Russian trade agreement has been signed.

Although newspapers announced the Cabinet session, streets and the square outside the presidential palace were virtually deserted today. The sunny spring weather of the last week gave way to a cold wind which swept out of the east across the Finnish Bay on which the weather-beaten palace fronts.

Russ Pact Bid Is Accepted By Finland

MAR - 1948

E. Shanke

Helsinki, Finland, March 8 (AP)—Finland accepted today Prime Minister Stalin's bid to negotiate for a friendship and assistance treaty.

A Government announcement said:

"The President of the republic has today, in the State Council, decided to reply in the affirmative to the Soviet Government's proposal of entering upon negotiations toward the conclusion of a friendship and assistance agreement, and to propose that the said negotiations take place in Moscow."

Helsinki, March 8 (AP)—Finland's Cabinet decided today to begin negotiations with Soviet Russia, a member of the Government reported. DAY

Finland is suggesting that the talks be held in Moscow. No decision was announced on the make-up of the delegation that will go to the Russian capital to carry on negotiations for the treaty of cooperation sought by Prime Minister Stalin.

The Cabinet member who made available this information said he could not disclose whether Finland is advising Stalin she is ready to negotiate toward a military pact as well as a friendship agreement.

Reserve Explained

This reserve likely was due to the desire not to reveal the contents of President Juho Paasikivi's letter to Stalin before the Russian leader receives it.

The Cabinet met with Paasikivi for 90 minutes today.

In approving the negotiations, the Cabinet and President followed the guidance of Finland's six parliamentary groups. The majority of these favored conferring with the Russians.

One reason was that the proposal originated with Prime Minister Stalin and had become a matter of prestige. Another was that the Finns felt it is necessary at least to meet the Russians to get a more detailed idea of what they have in mind.

An official statement was expected later in the day.

Stalin Suggestion

When Prime Minister Stalin suggested the talks in a letter to Paasikivi dated February 22 and delivered just fourteen days ago, he said Russia would agree to meet either in Helsinki or Moscow. Most Finns seem to want to hold the meetings here, but others prefer Moscow.

Stalin's proposal for a mutual-assistance pact like those Russia now has with Hungary and Romania has caused much concern. Most Finns oppose any far-reaching military alliance with the U.S.S.R.

Opposition Cited

The Popular Front, including Communists and Radical Socialists, was the only bloc to support a full military alignment with the Soviet Union. They have 51 of the 200 parliamentary seats.

Opposed to any kind of military alliance are the Social Democrats, 48 seats; Agrarians, 48 seats; Conservatives, 29 seats; Liberals, 9 seats, and the Swedish People's party, 15 seats.

Any treaty that is concluded must be ratified by Parliament.

Meeting Disrupted

Yesterday, strong-arm men broke up a mass meeting protesting the proposed treaty.

Four or five men, described by authorities as Communists, suddenly appeared and pushed the speaker aside. They grabbed the microphone and announced that the meeing was organized by Fascists.

Silent on Marshall Plan.

Paris, March 8 (A. P.).—Finland has not replied to an Anglo-French invitation for a conference here next week on the Marshall plan. The thirteen other nations invited have agreed to the meeting, called to set up a permanent administrative body to help carry out the European Recovery Plan.

CHURCHILL PROTESTS 'WEAKENING' OF NAVY

LONDON, March 8 — (AP) Winston Churchill charged the Labor government today with weakening the Royal Navy at a time of increasing danger.

"India has gone down one drain and the admiralty proclaim that the home fleet has gone down another," said Churchill, leader of the Conservative opposition.

He took the floor in the House of Commons after John Dugdale, financial secretary for the admiralty, declared the Royal Navy was still a formidable fighting force, second only in size to that of the United States. NIGHT

Dugdale made his statement as the House opened debate on navy estimates for 1948-49. (AP)

British Unions Ask Laws To Outlaw Anti-Semitism

LONDON, March 9 (AP). — A dozen British labor unions and local Labor parties called tonight for legislation to outlaw anti-Semitism.

They expressed alarm over revival of "Fascist activities in many guises in this country," and suggested the Home Secretary be granted power to disband any organization advocating racial discrimination. NIGHT

The requests were made in twelve of 397 resolutions submitted by member organizations for debate at the annual Labor party conference to open at Scarborough on May 17.

Resolutions regarding Fascism stem in part from the launching recently by Sir Oswald Mosley, pre-war British Fascist leader, of a new political group called the "Union Movement." His followers have clashed with anti-Fascists at several meetings in London's East End in the last few months.

Only three of the resolutions criticized the Labor government's campaign against the Communists. The most vigorous of these came from the Gateshead constituency of Konni Zilliacus, one of the leaders of the "Leftist" Laborites in Parliament.

French Assembly Passes Schuman's Forced Loan Bill

B. Jacson

Paris, March 8 (AP). — The National Assembly approved tonight a measure which virtually compels Frenchmen to lend money to their Government.

By a count of 315 to 255 the lawmakers indorsed Premier Robert Schuman's forced-loan measure, a major plank in his anti-inflation program.

The measure met with opposition from the Communists and de Gaullists and, in preliminary skirmishes, the Government's majority in the assembly once dwindled to three votes. NIGHT

The victory encouraged the "third force" coalition, which is resisting both the Communists and the French People's Party (RPF) led by General de Gaulle.

Farmers To Be Taxed

It came a day after de Gaulle said he was prepared to take over power in France whenever called upon. The de Gaullists have been a strong political force since their showing in the September municipal elections.

The law approved by the Assembly provides heavy taxes for farmers, businessmen and incomes in the upper brackets. The forced loan section permits escape from paying taxes by buying an equal amount of Government bonds.

Proceeds from the taxes and the forced loan may be used only for reconstruction and re-equipment of industry.

Government spokesmen said the measure was aimed mainly at mopping up excess purchasing power.

Assembly Votes Schuman Plan

Paris, March 8 (AP)—The National Assembly tonight approved Premier Robert Schuman's program to balk inflation by forcing Frenchmen to lend money to the Government. The 315-255 decision gave Schuman a comfortable 60-vote majority.

The measure provides new taxes which can be avoided by taxpayers subscribing to a Government loan.

In a preliminary skirmish the Government's control of the Assembly dwindled to three votes. This came when an amendment, offered by Roger Dusseaux, a de Gaullist, was defeated, 298-295.

De Gaullists Ready

Schuman has been holding his Government in power with majorities of around 20 to 30 since he beat down the Communist strike surge in December.

The Government's showing tonight was heartening to its supporters in view of fresh assurances by Gen. Charles de Gaulle that he is ready to take over power whenever called upon. De Gaullists dominated the recent municipal elections.

In a speech at Compiegne yesterday de Gaulle called for United States help toward organizing western Europe to oppose Russia. He said United States aid to western Europe should extend to the fields of defense.

War-Crimes Prosecution Rebuked in House Search

NUERNBERG, March 8 (AP).—An American war-crimes tribunal today rebudked American prosecutors for "unwarranted violation" of a defense lawyer's privacy while searching for missing documents in the I. G. Farbenindustrie case.

The tribunal's comment in reply to a prosecution motion asserting that defense counsel had destroyed documents telling of relations between the Farben chemical combine and the Nazi's Oswiecim (Auschwitz) concentration camp. The tribunal held that the prosecutors erred in going to the French-zone home of Dr. Wolffanf Alt in their kuest for the papers without first notifying French zone authorities.

The court also challenged the propriety of the prosecution in "threatening potential witnesses with arrest" if they did not tell what they knew concerning the disappearance of the documents. The statement said the prosecutors "would have reflected greater credit upon themselves" if they had gone to the court for redress instead of taking matters into their own hands.

German Auto Factory Turns Out 7,282 Cars

BRUNSWICK, Germany (AP)—The Volkswagen (people's car) factory near here produced 7,282 passengers cars between March and November and earned 44,000 dollars for exports, the chairman of the works council announced. Half the dollar earnings were earmarked for food imports for the factory workers, he said.

Czech Deputies Given Promise Of Immunity

Prague, Czechoslovakia, March 8 (AP)—The new Communist-led Government promised tonight that all deputies elected in 1946 and still seated when the Government changed ten days ago could come with safety to the first meeting of Parliament on Wednesday.

An announcement over the Government radio quoted the Parliament Secretariat as denying that any deputies were threatened with loss of immunity. Reports that the deputies would not enjoy parliamentary rights were called "lies of enemies of the republic."

A subsequent broadcast said the action committee of Parliament would confer tomorrow on future plans. Its announced program is to purge Parliament of any deputies who refuse to pledge loyalty to the new Government or whose past actions cast doubt on their future behavior. The committee is headed by a Communist woman deputy.

800 Czechs Flee To U.S. Zone

Hof, Germany, March 8 (AP)—German refugee workers estimated today that 800 Czechoslovaks have fled into the American zone since the Communist coup in Czechoslovakia.

DAY

The influx has led to fights and arguments between the refugees and Germans recently expelled from Czechoslovakia. Both have been housed in the same refugee camp at Moschendorf, near here.

Tensions reached such a pitch that the American Military Government began moving the Czechoslovaks today to another camp at Schwabach, near Nuernberg.

The Germans don't like the fact that the Czechoslovaks are being fed from Germany's limited food stocks. Ill feeling stems also from the Czechoslovaks' anger over the German occupation in 1938.

BIG FIVE DRAFTS ARTICLES IN PACT FOR EUROPE UNION

DYKMAN

BRUSSELS, March 8—(AP) Representatives of Britain, France, Belgium, the Netherlands and Luxembourg laid the foundations today for a future customs and economic union of western Europe.

A drafting committee agreed on six particles in a treaty designed to bind the five nations together to resist the further spread of communism.

NIGHT

Officials predicted the pact would be ready for signature before the end of the week.

French Delegate Roland De Margerie told a reporter one of the pact's purposes is to harmonize the social and economic systems of the five countries to achieve the basis for an eventual customs and economic unity.

One French official cautioned, however, against expecting the definite form of a customs union to emerge from the present talks. He explained that the participating nations had differing political and economic systems.

The aim, the official added, is to bring the various national systems more into line with one another. Then a customs union can easily develop.

Eric Beckett, British member of the drafting committee, said the six articles agreed upon embraced general principles on social services. It was indicated the five nations intended to standardize such matters as old age pensions, unemployment insurance and health programs.

Brussels Parley Begins Writing Anti-Red Pact

Brussels, March 8 (AP)—First articles of a pact intended to bind five western European nations in a union to resist the further spread of communism were drafted here today.

The conferees, representing Britain, France, Belgium, the Netherlands and Luxembourg, referred the drafts to an editorial committee for polishing before tomorrow's session.

DAY

Reports circulated that the pact may be ready for signing this week. Conference circles said French Foreign Minister Georges Bidault and British Foreign Secretary Ernest Bevin were ready to come here at any time to sign.

Big Task Is Economic

The delegates held three separate meetings today.

It is generally agreed that the most difficult problems they must solve are economic.

However, it is confidently expected here that Britain and France will make some substantial concessions to the Benelux countries—Belgium, the Netherlands and Luxembourg—to find a solution.

The attitude of the Benelux countries is not known officially. Belgian Premier Paul-Henri Spaak has stressed in recent speeches that no treaty could work without economic collaboration.

"Up to now western European countries have pursued an egoistic economic policy, but now the time for sacrifices has come," he said the day before the conference opened last Thursday.

Agreed On Principles

Delegates agreed Saturday, conference sources said, on the basic political, legal and military principles for a 50-year treaty. Some were in their home capitals yesterday to consult their governments.

Details of the military agreement, it was said, will be left to experts. Delegates were reported to be hopeful of having a treaty ready to sign before the mid-March Paris meeting of the sixteen Marshall plan countries.

[A Dutch Foreign Ministry official said last night in The Hague that military provisions would be very general, leaving an opening for all possibilities. He said indorsement of the pact might be put off until after the Marshall-plan meeting.]

Scores Said To Quit Danish-Soviet Society

Copenhagen, Denmark, March 8 (AP)—Danes by the score were reported today to be quitting the Soviet-Danish Society.

The organization was formed after the war to improve relations. Helge Rungwald, a theater director and one who resigned, said events in Czechoslovakia and Finland made it impossible for him to remain a member.

Danish party leaders, Cabinet members and the Trade Union Congress president all attacked communism in week-end speeches.

Red Isolation Urged

Premier Hans Hedtoft appealed to Danish workers Saturday to isolate Communists. He said democracy means nothing to Communists except a means to power.

Eiler Jensen, the trade-union president, told his organization at Odnese Sunday:

DAY

"It is an ardent Communist wish that they may send to the supreme headquarters a report of a conflict to prove that obedient Communists are carrying out their devastating task also in Denmark . . . and that there also is in Denmark a handful of men looking for Czech conditions."

Fifth Column Charged

Edward Soerensen, parliamentary leader of the Agrarians, second largest Danish party, said there could be no doubt where Denmark stands in the "strife between the democracies of the West and the dictatorship of the East." He warned that Denmark has "a larger fifth column than during the war."

J. Christmas Moeller, former Foreign Minister, declared that if necessary Denmark must line up alongside the western European powers. He said Danish Communists were intent on destroying cooperation within the country.

U. S. SOLDIER SHOT BY SOVIET SENTRY IN 'BOLD' ATTACK

VIENNA, March 8—(AP) U. S. army authorities said today that Pfc. Jack Grunden 18, Portland, Ore., was shot in the back last night after refusing to obey a Russian order to get off a sidewalk.

They described the incident as the "boldest act yet perpetrated against a member of the occupation forces in Vienna" by a Russian soldier.

NIGHT

The shooting occurred in front of a Russian headquarters hotel in the international district. The Am-

30.24- 16087

erican will recover but may lose his left arm, the provost marshal's office said.

Official Report on Shooting

The official account said:

Grunden was walking with Pfc. Joseph Harper and Pvt. Sam Adelman (home towns unknown) and three Austrian girls in front of the Grand Hotel. A Russian sentry ordered the soldiers into the gutter and the Americans refused. The sentry then pushed one of the soldiers, who pushed him back. Thereupon the sentry called another sentry from inside the hotel.

The second sentry struck Grunden with his gun, knocking him to his knees. While the American still was on the ground, the sentry fired a shot into his back. Another entered Grunden's arm, smashing the elbow.

Harper and Adelman—unarmed according to U. S. military regulations—and the three girls ran to the American-occupied Bristol Hotel two blocks away as the Russians fired over their heads.

Grunden still was on the ground and the Russians had made no effort to give first aid when an ambulance arrived 45 minutes later.

Ernie Reed of Beaver Falls, Penn., a reporter for the army newspaper Stars and Stripes, arrived at the hotel five minutes after the shooting. He said 40 armed Russian soldiers emerged from the hotel and formed a cordon around Grunden.

According to Reed, one of the Austrian girls, Elfriede Elias, returned to the scene to tell her story to the International military police. Reed said he pulled her away from a Russian captain who had grabbed her and tried to take her into the hotel.

Reed added that before he and the girl had gone 10 feet, 15 Russian soldiers barred their path with bayonets and took the screaming girl into the hotel. American officials said she has not yet been released.

The soldier is Pfc. Jack Grunden, 18, of Portland, Ore. The provost marshal's office said he will recover, but may lose his left arm.

The official account was as follows:

DAY

Struck By Sentry's Gun

The soldier was walking with two other soldiers and three Austrian girls along a sidewalk bordering a parkway in front of the Grand Hotel. A sentry ordered the soldiers into the gutter and the soldiers refused. The sentry then pushed one of the soldiers, who pushed him back. The sentry then called another sentry from inside the hotel.

The second sentry struck the American soldier with his gun, knocking him to his knees. While the soldier was still on the ground, the sentry fired a shot into his back. Another entered the soldier's arm, smashing the elbow.

The remaining soldiers—unarmed according to American military regulations—and the three girls ran to the American-occupied Bristol Hotel, two blocks away, as the Russian fired over their heads.

Victim Is Surrounded

When an ambulance arrived, 45 minutes later, the soldier was still on the ground and the Russians had made no effort to give first aid.

Ernie Reed, a *Stars and Stripes* reporter, of Beaver Falls, Pa., arrived at the hotel five minutes after the shooting. He said 40 armed Russian soldiers emerged and formed a cordon around Grunden.

Elfriede Elias, a Vienna girl who understands Russian, returned to the scene to tell her story to the international military police patrol.

Reed said a Russian officer grabbed her and tried to take her into the hotel. She screamed: "Do not let them take me in there, they will kill me."

Girl Is Seized

Reed pulled her away from the captain, but fifteen Russian soldiers barred their path with bayonets and took the girl into the hotel.

They described this as the "boldest act yet perpetrated against a member of the occupation forces in Vienna by a Russian soldier."

Grunden's companions were Private Sam Adelman and Pfc. Joseph Harper. All are members of a military police battalion.

U.S. Soldier In Austria Shot By Red Sentry

Vienna, Austria, March 8 (AP)—United States Army authorities said an American soldier was shot in the back last night after refusing to obey a Russian order to get off the sidewalk and into the gutter in front of a Russian headquarters hotel in the international district of Vienna.

Officials said she has not yet been released.

American officials were irate over the fact the Russians acted with no regard for the international patrol, supposedly the sole authority in such cases.

PONTIFF ATTACKS WORLD RIVALRY

VATICAN CITY, March 8—(AP) The rivalry of nations seeking power prevents a return of economic order in the world, Pope Pius XII said in an address released for publication today.

The pontiff said that goods "have become an object of political speculation—and not only material goods but also unfortunately man himself is lowered in so many cases to the status of an article for exploitation." He added:

"We watch unhappily the action of a policy which is only a race for power and hegemony."

The Pope described a national economy as a "natural unity" but said the advantages of regional unions ought to be considered carefully.

NIGHT

Social ordering of the economy, he said, should guarantee a genuine and sane liberty—not a "liberty purely negative" such as that of 100 years ago and not "the pseudo-liberty of our days, of submission to gigantic organizations."

The Pope spoke to a national conference on foreign trade yesterday. As often happens when he speaks on Sunday, his address was not released for publication until today.

Nations' Rivalry For Power Is Hit By Pope

MAR - 1948

Vatican City, March 8 (AP)—Pope Pius XII says the nations' mad rivalry for power prevents the world's return to economic order.

Goods, he told a National Conference on Foreign Trade yesterday, "have become the object of political speculation," so has "man himself, lowered in so many cases to the status of an article for exploitation."

DAY

"We watch unhappily," he said, "the action of a policy which is only a race for power and hegemony."

Cites Deeper Causes

The Pope said disorder in "the field of economic exchange" is due partly to differences of opinion, partly to deeper causes.

"Some propose a return to a world economy such as there was in the last century," he said. "Others sustain a regional union . . . or single economies."

The Pontiff said economists ought to consider four points:

1. "Economic life" is "social life" and should give all "the material conditions requisite for their cultural and spiritual life," but "recourse to a magic automatism is a chimera. . . ."

2. "Social ordering of the economy" should guarantee "genuine and sane liberty"—not "a liberty purely negative," such as that of 100 years ago, nor "the pseudo-liberty of our days, of submission to gigantic organizations."

3. A national economy is a "natural unity," and international economic relations, despite their "necessary function," only subsidiary, but the advantages of regional unions ought to be considered carefully.

4. "Fraternal co-operation" among peoples necessitates victory over "the fatal principle of utility as the basis and rule of right," over "germs of conflict" and over "the spirit of cold egoism."

DEGASPERI WARNS OF COUP BY REDS

VERCELLI, Italy, March 8—(AP) Premier Alcide DeGasperi warned Italians today of a communist coup. "We do not want to end up as another Czechoslovakia," he said.

In his fourth political speech in less than 24 hours, the premier stressed that Italy faces grave danger from its communist minority. This minority, allied with left-wing socialists, forms the nation's most potent political bloc as Italy nears

the April 18 election of a new government.

NIGHT

"It is [illegible] DeGasperi said, "that the coup d'etat in Czechoslovakia happened because government reforms had been impeded in that country. Agrarian reforms for the large part already had been carried out."

Referring to the recent change in Czechoslovakia's regime, DeGasperi said "the truth is that the communist party there had a certain number of adherents but an insufficient number for a majority and did not want to collaborate any longer with the other parties. Thus, the communists began to secure their position by eliminating the opposition.

"We have the ambition not to end as Czechoslovakia did. We want to maintain and defend liberty."

Italy Invited to Tangier

Britain and France Act for Return to International Zone Role

ROME, March 8 (AP).—Great Britain and France invited Italy today to join in the administration of the Tangier International Zone.

British and French diplomatic representatives handed the invitation to Italian Foreign Minister Carlo Sforza. They asked Italy to "take over as soon as possible its participation in the administration of the zone."

Tangier is a strategic Moroccan port opposite Gibraltar. It was first internationalized in 1911 by Britain, France and Spain. Italy was admitted to participate in the administration in 1928, but was ousted during the war.

Van Fleet On Greece

Athens, March 8 (AP)—The American Mission to Aid Greece announced today a second group of C-47 transport planes has been given to the Greek Air Force. United States pilots from the 12th Troop Carrier Squadron flew the twin-engine planes, all loaded to capacity with supplies, from Germany to Athens.

Athens, March 8 (AP)—Maj. Gen. James A. Van Fleet, head of the United States military mission, predicted today a sweeping victory this year for the Greek army. The army has been engaged for months in fighting Leftist guerrillas.

Van Fleet has just made a five-day inspection of combat commands in northern and eastern Greece with Lieut. Gen. Dmitries Yadzis, commander of the Greek army. Van Fleet said he is "tremendously impressed with the quality of the soldiers."

Text Of Statement

He issued this statement:

"During the past five days, General Yadzis, commander in chief of the Greek army; Brigadier Steel of the British military mission staff and I have visited B and C Corps in northern and eastern Greece. We have seen many troops of five divisions, including many front line battalions of the National Army and several of the new organized national defense battalions. We also inspected a number of Hellenic Air Force units. We have seen conditions at first hand and talked with many officials and soldiers and civilians.

"I have been tremendously impressed with the quality of the soldiers. They are superb men, stout hearted, tough and determined fighters imbued with an intense patriotism to keep their beloved country free and independent and to restore it at the earliest possible moment to a peaceful condition.

"Sure Of Sweeping Victory"

"The army is well organized, trained and equipped. Much new equipment has recently been received. Much more will soon be in the hands of both the regular army and the national defense battalions.

"The information which we bring back with us to Athens will be most valuable in supplying the few additional needs of the army and will be of the utmost value in carrying on the current operations and in planning for the complete elimination of bandit activities.

"One significant point which was evident in all communities is that the civilian population is solid in supporting the army. With a united country and a loyal and determined army, supported by the air force and navy, I am very confident the Greek people will secure a sweeping victory in 1948."

U.S. Is Leading Western Plot To Split Europe, Reds Charge

'Aggression Against USSR' Is Purpose, Moscow Claims

MOSCOW, March 8 (AP) Russia charged tonight that the United States is leading a western power plot to split Europe and build up military might in Germany "with the purpose of aggression against the USSR."

A Soviet note to the United States, Britain and France charged that in the attempt to carry out the plot, the major western powers are trying deliberately to liquidate the four-power council of foreign ministers.

British Reply Rejected

The note rejected a British reply to an original Soviet protest that the three power conference in London on Germany's future violated the Potsdam agreement. Russian authorities said the note was delivered Saturday to the governments of the western powers. It was made public today at a news conference.

It accused the western allies of "paralyzing" the Allied Control Council in Germany. It added that the British and Americans merged their zones in western Germany so they would not have to demilitarize the region "nor liquidate their military enterprises in Germany."

The Soviets said the United States had decided to:

1. "Split Europe into two camps."
2. "Include schismatic western Germany in the western bloc" with the purpose of "building up military potential in the Ruhr."
3. Turn "western Europe into a strategic base for American imperialism in Europe with the purpose of aggression agains the U.S.S.R."

The note did not say what action the Russian government intended to take in view of its interpretation of current events.

The western powers wish to liquidate the council of foregn ministers, the note said, "in order to get rid of all constraints which might hinder the conduct of such a policy as the council of foreign ministers could not agree on."

Moreover, it said, Bizonia, the economically merged British and American zones, was created also "as preparation for putting into effect the so called 'American Plan'" for Europe.

The "American Plan," it explained, was to place western Germany "beyond the point control of the four powers." Then, the note added, the western powers would fuse Bizonia and a special group of European states to oppose "the remaining European states, which will lead to a political schism in Europe and the formation of two camps of European countries."

The note said the American-British-French conference in London on the future of western Germany violated the Potsdam agreement of 1945 and played into the hands of the warmongers.

Decisions taken at the London conference, the Soviets protested, "the governments of France, Britain and the United States took on themselves the responsibility for disruption of the agreement on the control council for Germany."

"In fact," they continued, "at the organization of the London conference of the three powers, the policy of Britain, the United States and France directed at liquidation of the Council of Foreign Ministers representing all four occupying powers (in Germany), found its expression."

The Russian note was made public at a news conference of all foreign correspondents in Moscow.

It charged that the failure of the last four power Foreign Ministers' Conference in London was "explained by the fact that Britain, the United States and France departed from the Yalta and Potsdam decisions on the German question and tried to force on the Council of Foreign Ministers a policy in contradiction with these decisions. . . ."

"For everyone it is clear," the note said, "that the consultation at the London conference is a preparation for another deal on the German question between Britain, France and the United States."

The Soviet Government said the conference had followed "only the narrow group of purposes of the creators of the western bloc and opposed by all the remaining states of Europe."

Denied Violation

[In London, a Foreign Office spokesman said the Soviet note apparently was a reply to Britain's rejection of a similar Russian protest last month.

[At that time Britain denied the British-American-French conference on western Germany violated the Potsdam agreement, and accused Russia of blocking a four-power pact on the future of the conquered Reich.

["It is interesting to note," the British spokesman said, "that Russia is attacking 'decisions' of the three-power conference when actually no decisions have been made. Several recommendations were made to the respective governments, but the conference was merely recessed until April when we hope for further agreed recommendations."]

Reaffirms Position

Russia reaffirmed the position of the Soviet Ministry of Foreign Affairs on all matters concerning Germany.

The note said it was clear that the London conference did discuss and arrive at decisions which only the Control Council and the Council of Foreign Ministers have a right to treat.

The Russian declaration claimed the British reply to an original Soviet note "completely and obviously supports the fact of a violation" of the statutes of the two councils on the part of the three powers.

U.S., Britain Seek To Join Western Bloc, Reds Say

Moscow, March 8 (AP) — *Pravda* described the Brussels five-nation conference today as a screen to "hide the main purpose of British-American policy, which is inclusion in a 'western union.'"

The Communist party newspaper's article said the United States State Department, fearing "constitutional questions" at London and Brussels, actually is endeavoring to present the American Congress and people with the accomplished fact of the entrance of the United States into a western military and political bloc.

Afraid To "Risk" Issue

"A western union was forged by (British Foreign Secretary) Bevin and (United States Secretary of State) Marshall—a military and political bloc," *Pravda* said. "Formal entrance of the United States into this bloc is conditioned by a whole series of constitutional requirements.

"Meanwhile, considering the internal political situation in the United States, already aggravated because of presidential elections and the election of a new Congress, governing American circles are afraid to risk presently before Congress the question of formal participation by the United States in a bloc. They prefer to accomplish *de facto* their aims, postponing for the longest possible period *de jure* formulation."

Charge Purpose Hidden

Pravda charged that Anglo-American diplomacy, by creating the "appearance of participation in a 'western union,'" is concealing its primary concern for the "Ruhr industrial magnates." The article declared that this is the only possible meaning of the five-power conference, since the subjects it said are being discussed in Brussels "were already all discussed in London."

The paper said British Prime Minister Attlee's explanation in the House of Commons of the Brussels conference was "specially designed smoke-screen to confuse elementary and simple questions."

Parley Held "Camouflage"

"The basic 'game' already had been played in London," the article continued, and "that which is proceeding at Brussels is typical camouflage."

Pravda asserted that the people of Europe, instead of receiving guarantees of European security against possible German aggression, are receiving "Anglo-American-French plotting and 'strategic co-operation' with Ruhr magnates."

"New Period Of Battles" Due In France, Pravda Says

Moscow, March 8 (AP)—*Pravda* declared today French workers were "entering a new period of battles for their vital rights for the national interests of France."

M. Marinin, writing in the Communist newspaper, said the government of Premier Robert Schuman under the leadership of the United States was attacking the workers' standard of living. He predicted resistance soon from the workers.

He said French reactionaries were aiming at creation of an army of unemployed as a weapon against wage increases. He charged the present French Government with doing all in its power to resist wage increases and lower prices, and with intentionally raising the cost of living for laborers.

Jews Unite For Fight

Jerusalem, March 8 (AP)—The two principal Jewish armed forces in Palestine, Haganah and Irgun Zvai Leumi, were reported reliably tonight to have agreed on a united military front against the Arabs.

One of the chief points of the agreement reached today, Jewish sources said, was a promise by Irgun to cease immediately its attacks upon British forces.

10,000 Full-Time Soldiers

These attacks have been one of the main points of disagreement between Haganah and Irgun. Haganah termed them incidents of terrorism which hurt the Jewish cause.

Haganah now has more than 10,000 paid, full-time soldiers in its shock force. Irgun is thought to have more than 1,000.

Under the present accord, it was reported, Irgun will retain its own military organization and officers, but will be under the overall command of Haganah military chiefs.

The Jewish Agency meets tomorrow to consider ratification of the Irgun-Haganah pact.

Six Houses Wrecked

The Jewish informants said the Irgun fighters attacked Arabs today in a village 10 miles east of Natanya. A number of Arabs were reported wounded and six houses wrecked.

The Haganah force blew up an Arab house near Beth Dajan, in the Tel Aviv-Jaffa area. The informants said the house and an adjoining orange grove were used by Arab snipers endangering traffic on a main road.

In Palestine one Jew and four Arabs were killed in scattered incidents. The unofficial death toll since the United Nations decision on partition reached 1,630.

Passengers Clash On Ship

In Haifa, Jewish and Egyptian passengers clashed aboard the steamer Cyrenia as she docked. Jewish sources said three Jews were injured, including a woman who was stabbed. There was no report of Egyptian casualties.

The Jewish passengers said about 100 Egyptians wearing uniforms boarded the ship at Port Said. The Egyptians said they were going to Syria and then to Palestine "to fight the Jews."

The Jews and Egyptians were segregated until the ship reached Haifa harbor. One Jewish passenger said he believed the clash started when the Egyptians objected to being photographed by the Jewish passengers.

In Jerusalem a military court sentenced three British constables to four years each in prison for attempting to sell British rifles to Arabs.

Jews, Egyptians Clash On Ship Near Haifa

Jerusalem, March 8 (AP)—A shipboard clash between Jews and Egyptians at Haifa and sniping within that port city highlighted Palestinian warfare today.

Haifa officials announced that Egyptian and Jewish passengers aboard the S.S. Cyrenia fought about ten minutes as the vessel docked. Jewish sources said three Jews were injured, one of them a woman who was stabbed. No Egyptian casualties were reported.

The ship bore more than 100 Jews, en route from Marseille as visitors or immigrants. The Egyptians are bound from Port Said for Beirut, Lebanon. Jews quoted the Egyptians as saying they were going from Beirut to Damascus and thence "to Palestine to fight the Jews."

Segregated Previoulsy

The two parties had been kept segregated until the Cyrenia entered Haifa harbor. The fight broke out when the restrictions were relaxed in preparation for docking. The cause of the clash was not clear. One Jewish passenger said he believed the Egyptians objected to attempts of Jewish passengers to photograph them.

One Arab was slain and an Arab woman was found dead in Haifa earlier. Police said they apparently were victims of night-long sniper fire from Jewish quarters.

Report On Arab Bases

A dispatch from northern Palestine said six small divisions of the Arab "Yarmuk Army of Liberation" were now based in villages in the Nablus area. The army, commanded by Fawzi Bey al Kaukji, is named for the River Yarmuk in Trans-Jordan, where one of the Prophet Mohammed's forces won a major victory over the Byzantines. Each division is made up of 1,500 men.

Arab mortar fire, police said, killed a Jew in a section of Tel Aviv bordering Arab Jaffa.

30.24- 16089

Police said no casualties resulted from seven hours of shooting between Jewish and Arab suburbs of Jerusalem.

Death Toll Now 1,628

The unofficial count of violent deaths in Palestine is 1,628 since the United Nations Assembly recommended last November 29 that the Holy Land be partitioned between Jews and Arabs. This includes 702 Jews, 798 Arabs, 103 Brittons, 3 Americans and 22 others.

Eight Arabs and one Jew were killed yesterday.

The Jewish Agency Executive, an official said, will meet in Tel Aviv tomorrow to consider ratifying an agreement between the agency's militia, Haganah, and Irgun Zvai Leumi, extremist Jewish underground band. He said ratification would mean "consolidation of our fighting capacity."

A Jerusalem military court sentenced three British constables today to four years in prison each for "attempting to sell a rifle of his Majesty's forces to an Arab."

Haifa Sniper Wounds Son Of Col. Astor

Haifa, Palestine, March 8 (AP)—A sniper today wounded Hugh Astor, son of Col. J. J. Astor, chairman of the London *Times*.

A bullet fractured his left thigh bone, Astor, correspondent for the *Times*, was entering Haifa with another reporter for the paper, Jerry Caminada.

Astor is a nephew of the American born Lady Astor.

He came to Palestine ten days ago. The attack was in the same area in which Robert Hecox, of Detroit, a Paramount Newsreel cameraman, was wounded Saturday.

Cyprus Police Fire On Mine Strikers' Rally

Nicosia, Cyprus, March 8 (AP)—Police fired today on striking copper miners attempting to prevent the unloading of mining equipment from a United States freighter.

Two persons were officially reported wounded, one critically.

The police fired after 300 miners, attempting to prevent unloading of the freighter William Glackens, had refused to disperse. The incoming equipment was for the American-owned Cyprus Mines Corporation.

Last week three strikers were wounded when police fired into a group atempting to prevent other miners from taking physical examinations.

BRITAIN WEIGHS BID TO ATTEND PALESTINE TALKS

L. HAUCK

NEW YORK, March 8—(AP) A special invitation was extended to Britain today to join in big power talks on the Palestine problem. The British say they had not decided whether to accept.

The move was decided upon by delegates of the United States, Russia, France and China at the first of the big power meetings being held at the suggestion of the United Nations Security Council.

Britain stayed away from the opening session—held at the Soviet consulate—on the grounds that she could not take part in discussions on implementing the U.N. assembly's decision of last Nov. 29 to partition the Holy Land.

U. S. Delegate's Invitation

U. S. Delegate Warren R. Austin extended the invitation to Sir Alexander Cadogan, British delegate, shortly after the 77-minute session. In an obvious effort to get around the British boycott, Austin asked Cadogan to attend the talks as a representative of the mandatory power in Palestine rather than as one of the big five.

In reply to a written question from the Associated Press, Cagogan said:

"I have not yet given any definite acceptance. I don't suppose I shall decide my action till tomorrow."

The four nations also decided to ask U.N. Secretary-General Trygve Lie to join in the consultations. The talks will be resumed tomorrow afternoon at Lake Success.

The opening discussions were informal. The four delegates ranged over methods of trying to find some sort of solution by next Monday, the deadline imposed by the council.

Among topics mentioned were proposals for setting up a Jewish militia or an international force for Palestine, creation of provisional councils of government, and the question whether the Palestine situation is or may become a threat to world peace.

Delegates sat in easy chairs in a pale green room on the second floor of the Soviet quarters on upper Park avenue. It was emphasized that the discussions were so informal there was not even a chairman.

Dean Rusk, head of the U.N. division of the American State Department, sat with Austin and later gave reporters a report on the meeting. It was decided at the session to lift the secrecy somewhat by inviting the U.N. to assign a press officer to future closed meetings. That officer will be authorized to brief newsmen.

Hope For Complete Report

The four delegates hoped to get a complete report from the British tomorrow on the current situation in Palestine. After that they would plunge into the decision stage.

Britain has announced she will give up the mandate May 15 and turn the Government of the Holy Land over to the United Nations Palestine Commission. The five-nation commission has been idling along at Lake Success waiting for a reply to its request to the Council for international armed force to carry out the splitup scheme in the face of Arab opposition.

The Council debated the situation two weeks and then tossed the problem to the big powers last Friday.

Britain Will Not Allow Militias In Palestine

Lake Success, N.Y., March 8 (AP)—Britain advised the United Nations today that she would not permit formation of a Jewish or Arab militia in Palestine before British rule ends.

The United Nations Palestine Commission had asked Britain, as mandatory power, for permission to start organization of the two militias as provided for in the United Nations partition project. The militias would be used by the projected Jewish and Arab nations.

The Arabs, bitter foes of partition, have made no move toward starting a Palestine militia but the Jews have sought authority to get their group under way.

Regarded As Final

Britain said she could not grant permission for establishment of cantonment areas, recruitment, training or equipping of any militia before May 15, the date for terminating the mandate. The British letter added that it was possible that "certain steps" could be taken in the last two weeks of British rule.

A United Nations press officer said the commission viewed the reply as "a final rejection."

The British also refused a commission request to store arms under seal in Palestine pending the departure of the British.

It was announced that the commission this week would begin discussions of provisional councils of government for the two projected countries. The partition plan as approved by the United Nations Assembly last November 29 says these should be set up April 1.

Hand-To-Hand Fighting In Szepingkai Reported

Nanking, March 8 (AP)—Late pro-Government dispatches from Manchuria today said the Communists had driven into the strategic railway junction of Szepingkai, where hand-to-hand fighting was in progress.

This was an abrupt about-face from reports of the previous day, announcing that the Communists had abandoned the city and were retiring.

Today's accounts said the airfield previously reported recaptured by the Government garrison was again in Communist possession.

Szepinghai is 105 miles by rail northeast of Mukden and 70 miles southwest of Changchun, Manchurian capital. The three points are isolated from one another and from China proper.

There was no news from the area west of Mukden, where Government forces last weekend were reported on the verge of reopening a corridor from Mukden to North China.

New Fighting Reported In Szepingkai

Nanking, March 8 (AP)—The fate of Szepingkai, railway junction northeast of isolated Mukden, was in puzzling doubt today.

Pro-Government Peiping newspapers, which only yesterday announced Communist withdrawal from the battle for the city, today reported hand-to-hand fighting in the center of Szepingkai.

They said the airfield, previously lost and regained by Government forces, was conceded in Communist control again. National defenders still held the city itself, the dispatch said.

Poor Communications Cited

The Defense Ministry, however, has been without news from the Government strongpoint since yesterday. A spokesman blamed poor raido communications rather than Communist conquest. He said the Government expected to renew communications with the city soon. Szepingkai has fought off two strong Communist assaults since May, 1946. It is 105 miles from Mukden.

China, meanwhile, looked forward, without excitement or doubt of the outcome, to its first presidential election under the new constitution.

Chiang Kai-shek will be elected without opposition at a meeting of the National Assembly scheduled to open March 29.

New Vice President Slated

Unless there is a complete change of strategy, Yu Yu-jen will replace Sun Fo as Vice President. Yu has the support of Kuomintang (Government) party leaders and apparently is looked upon with favor by the Generalissimo.

The only duty of the Assembly, aside from electing the President and Vice President, is amending the constitution. No proposals for changes have been received. Amendments require publication six months in advance.

Some 3,000 delegates are expected to attend the Aseembly.

Willauer said the transport's pilot, L. B. Buol of Stockton, Calif., an ex-Marine flier, took pictures of the attacking planes. They were marked with red stars, Willauer said.

Scene of the attack was approximately 120 miles north of Tsingtao and 40 miles west of the Kwantung peninsula, over the Gulf of Chihli.

The private airline was organized by Maj. Gen. Claire L. Chennault, retired American air commander in China during the war. It has been aiding in aerial evacuation of hundreds of persons from Mukden since the Manchurian city has been encircled by attacking Chinese Communists.

Willauer's report did not say whether pilots of the fighter planes were Russian or Chinese. The Chinese government frequently has charged Russia with providing arms for Chinese Communist forces.

Until today, there have been no definite reports of any airplanes in action on the Communist side of China's civil war. The government has used some fighter and bomber aircraft obtained from surplus U. S. stocks.

81 Americans Flee Chinese Reds

Canton, China, March 8 (A. P.).—Seven American teachers and seventy-four American children passed through Canton today, fleeing Communist military advances north of Hankow. The group was headed by Earl Dahlstrom of the Chikungshan American school near the Honan province border. The journey, via the Hankow-Canton rail line, took three days.

The teachers plan to establish an American school at Hongkong.

Chennault Line Plane Attacked By Red Fighter Craft in China

SHANGHAI, (Tuesday) March 9—(AP) Two P-39 fighter planes with Soviet markings attacked a Chennault commercial transport plane late yesterday while it was en route from Mukden to Tsingtao, North China, the airline reported today.

Whiting Willauer of the airline staff said the Soviet fighter planes made five passes at the transport, firing each time. The transport, which was carrying passengers, was not hit.

U. S. Task Force 38 Visits Singapore

Singapore, March 8 (A. P.).—Gun salute thundered from the aircraft carrier Valley Force today as United States Task Force 38 arrived in Singapore on a courtesy visit.

Late in the day the British Pacific Fleet Squadron also is scheduledto anchor here, making one of the largest concentrations of British-American seapower in southeast Asia since the war.

U. S. Officers Visit Singapore.

Singapore, March 8 (A. P.).—Sixteen United States Army, Navy and Air Forces officers arrived here today on an undisclosed mission. The party is under the command of Col. Norman Minus, chief of staff to the United States advisory group in Manila.

TWO U. S. WOMEN SHOT TO DEATH BY INDOCHINA REBELS

H. Jackson

SAIGON, Indochina, March 8—(AP) Two American women employed by the U. S. State Department were shot to death near Saigon last night. Their attackers were presumed to be anti-French guerrillas.

NIGHT

The women's jeep, found twisted and burned west of the Saigon airport, was flying an American flag.

Victims of the shooting were Mrs. Jeanne R. Skewes, 32, of Evanston, Ill., and Miss Lydia Ruth James, 30, of Hillsdale, Ind. They were the first American civilians killed in Indochina fighting since V-J Day.

It was believed the women, who left home together about 5 p.m., were returning from a pleasure drive just at dusk when attacked.

The body of Mrs. Skewes, in the driver's seat, was badly burned. Miss James' body had several bullet wounds in the head. It was thrown clear of the jeep.

French police officials said they did not know whether the machine-gunning set the jeep afire, or whether the attackers realized they had killed women neutrals and sought to destroy the evidence.

The position of the jeep indicated the women were turning around at the entrance to a side road before returning to Saigon, police said.

John Hamlin, American consul general, said Mrs. Skewes, was a librarian in Saigon for the U. S. Information Service. She was a wartime employe of the Office of War Information in San Francisco. Her parents, Mr. and Mrs. E. H. Workman, live in Phoenix, Ariz.

Miss James was a secretary in the consulate general. Her parents, Mr and Mrs. Otto James, live in Hillsdale.

Indochina has been torn for months by fighting between French and Viet-Namese nationalist forces.

Two U.S. Women Slain In Orient

Paris, March 8 (AP)—A French communiqué from Saigon announced today the slaying of two American women employed at the United States Consulate General in Indo-China.

The bodies of the women, Jeanne R. Skewes and Lydia Ruth James—were found last night in a dry river bed into which they had driven a jeep. They had been shot to death.

"The two bodies bore bullet wounds, particularly in the head," said the communiqué, reported by the French Press Agency.

DAY

Car Set on Fire

"Before withdrawing, the attackers had set fire to the car.

"There has been no explanation of the reasons which led these two girls to such a distant spot, unfrequented by Europeans."

The location was given as near the village of Tan Sonnh Ut, some three miles from Saigon and outside the security zone maintained by the French in their struggle with nationalist Viet Namese forces. The bodies were discovered by a French military detachment.

Mrs. Skewes was director of the United States Information Service in Saigon. Miss James was secretary at the consulate general.

In Washington, the State Department said it had not received any official report of the slayings.

Native Parisian

Department records list Miss James as a 30-year-old native of Hillsdale, Ind., where her parents, Mr. and Mrs. Otto James, now live. She served with WACs in the Southwest Pacific and in Washington before taking the consulate job.

The department said Mrs. Skewes's husband, Lawrence E. Skewes, lives in Seattle, and her mother, Mrs. E. H. Workman, in Phoenix, Ariz. Mrs. Skewes, a 32-year-old native of Paris, worked for the Office of War Information in San Francisco during the war.

Rangoon, March 8 (A. P.).—A special bench of the Rangoon High Court confirmed today the death sentence given former Premier U Saw for the murder of Gen. U Aung San and six other national leaders shot to death last July 29. The court rejected his appeal for a new trial.

NETHERLANDS INDIES GETS REGIME TODAY

BATAVIA, Java, Tuesday, March 9 (AP)—A Netherlands East Indies Interim Government will be installed this afternoon at the Governor General's palace.

The Interim Government, under Dutch sponsorship, will function until the establishment of a United States of Indonesia. The Dutch have set Jan. 1, 1949, as the target date for a federated Indonesia.

The Indonesian Republic will have no representative in the Interim Government. A group of non-Republicans was sworn in two months ago.

The new government elevates department heads to the status of "Secretaries of State." They will have greater responsibility, and will make up a Cabinet under Acting Governor General H. J. van Mook.

The new regime replaces the provisional federal council, appointed last January to prepare an Interim Government and Senate. The Government does not yet include a Senate or administration. An official announcement said that representatives of member states would be summoned soon to form a provisional representative body.

The Interim Government consist of Mr. van Mook, eleven Secretaries of State, two specially commissioned Secretaries of State, a commander of the Army as War Office head, a naval commander as head of the Navy Office and an Attorney General.

U.N. Korea Group Meets In Seoul

Seoul, March 8 (AP)—The United Nations Commission on Korea met today for the first time since the United Nations Little Assembly proposed elections in South Korea. It took no action on the plan.

George Patterson, of Canada, hinted his opposition. Delegates of El Salvador, France, China and the Philippines spoke approvingly of the proposal. Syria reserved its decision. S. H. Jackson, of Australia, voiced no opinion.

The commission met upon the return of its chairman, K. P. S. Menon, of India, from Lake Success.

DAY

Patterson emphasized the Little Assembly's proposal was "contrary to the majority opinion in the commission" prior to Menon's departure for Lake Success.

Alternate Yasin Mughir, of Syria, said he had instructions to continue his work here but that his Government reserves the right to reject the proposed election if an atmosphere of free voting does not prevail.

Permits Increase In Japanese Trade

Tokyo, March 8 (A. P.).—Allied Headquarters has authorized Japan to contract for an additional $2,110,000 in exports and $906,000 in imports. Since limited trade started last September Japanese have signed $28,798,000 in export contracts and $26,635,000 in imports.

Body As Security

Tokyo, March 8 (AP)—A 28-year-old sewage worker today offered his body as security for a one-year loan of 70,000 yen ($1,400). Ex-soldier Masaatsu Ohiro said that if he could not repay the loan with interest at the end of the year, his banker could "do what he wants with my body or life."

Water To Be Rationed

Tokyo, March 8 (AP)—Tokyo will start rationing water Wednesday. Allied headquarters said reservoirs supplying this city of nearly 5,000,000 will be dry by mid-April unless heavy rains fall.

Under the rationing plan, water will be turned on only two hours daily in Tokyo's eight wards.

51 Filipinos Die In Violence

Manila, March 8 (AP)—Fifty-one Filipinos were killed in week-end violence after President Roxas outlawed the Hukbalahap (Peasant) Army and the National Peasant Union.

DAY

Constabulary headquarters reported today that 42 Huks were killed in a constabulary raid on a training camp maintained by the insurgents 30 miles north of Manila. Headquarters reported these other nine killings:

Two former members of the Peasant Union, slain by 120 armed men after the two had been questioned by constabulary.

Two constabulary soldiers, two Huks and three civilians, killed in a Huk attack on a Government detachment.

Outlawed As "Subversives"

The Huks were outlawed as a "subversive organization." Roxas linked them with Chinese Communists and said they were intent on overthrowing the Philippines Government.

The constabulary said the 42 Huks were killed when about 80 peasants resisted an order to surrender. They were at camp near Akle in the mountainous area of eastern Bulacan province. Constabulary officers said the Huks were engaged in close-order drill with arms.

In Manila, Secretary of Interior Jose Zulueta declared that the Government had no intention of liquidating the 52,000 members of the Huk army and National Peasant Union. "There shall be killing only when such action is justified," he said.

Dictatorship Charged

Roxas's action was criticized by Liberal Congressman Jose Topacio Nueno, of Manila. The order, Nueno said, "has a distinct dictatorial mark which has no place in a democratic country. . . ."

He spoke before 3,000 persons at the burial of Manuel Joven, assassinated National Executive Secretary of the Philippines Congress of Labor Organizations.

Records Show U. S. Has 99-Year Lease in Manila

MANILA, March 8 (AP).—The United States holds a ninety-nine-year lease on the Manila port area, court records showed today.

A legal dispute between the United States Army and the Philippines Supreme Court brought out evidence of former United States Ambassador Paul V. McNutt that the lease was part of the military base agreement he negotiated.

Major General George F. Moore, Philippines-Ryukyus Commander, quoted from a letter in which Mr. McNutt wrote that use of the port reservation "is permanent for the entire life of the agreement unless the two governments otherwise mutually agree. Nothing about temporary use is mentioned or was ever contemplated."

MARSHALL URGES QUICK AID ACTION

Senate and House Leaders Meet Today in Effort to Speed Program.

MAR — 1948

WASHINGTON, March 8 (AP)—Senate and house leaders will meet tomorrow in a new effort to speed the $5,300,000,000 European recovery program through congress.

The meeting was arranged late today after Secretary of State Marshall, known to be deeply concerned over Russia's next move in Europe, pleaded in person with the Republican leadership of the house to speed the aid legislation.

Question of Procedure

Chairman Eaton (R-NJ) of the House Foreign Affairs Committee said the big question was whether his committee would reverse its decision to package ERP with aid to China, Greece and Turkey—all in the same

NIGHT

The state department wants ERP adopted separately and quickly. Officials say it is badly needed to combat communist efforts to win control of Italy in or after the April 18 election.

Eaton agreed that the "one package" idea might delay action on ERP. But he said his committee de-

cided to lump the three programs into one bill because of strong opposition to "piecemeal" legislation.

The $5,300,000,000 senate measure came through its first voting test, meanwhile, with flying colors.

A technical amendment offered by Senator Ball (R-Minn), one of a group trying to whittle the sum to around $4,000,000,000, was defeated, 53 to 19, after Chairman Vandenberg (R-Mich) of the Foreign Relations Committee opposed it.

Two amendments by Senator Knowland (R-Calif) were quickly adopted by the senate after Vandenberg announced he did not object to them.

One would give the secretary of commerce authority to regulate exports of commodities in short supply to countries not taking part in the recovery program.

Knowland said the intent of this amendment is to put Russia and her satellite countries on notice that we expect to receive from them commodities necessary to this country in exchange for what exports we let them have.

The second Knowland amendment calls for the aid administrator to assure, insofar as practicable, that at least 50 per cent of the gross tonnage of commodities sent abroad is transported in United States vessels, if they are available.

Vandenberg is scheduled to attend tomorrow's speed-it-up conference, along with Eaton, House Speaker Martin (R-Mass), House Republican Leader Halleck of Indiana and several other legislative figures.

Marshall Urges Speed

Marshall conferred with House Speaker Martin (R-Mass) behind closed doors in an effort to get favorable action on the Senate bill by April 1.

But Martin told reporters later he doubted if the measure could get through until April 10 or shortly after.

State department officials say the bill must become law by that time if it is to help check the communists' expected next move in Europe—an attempt to reach power in Italy's mid-April elections.

Senator McKellar (D-Tenn) announced he has changed his mind and now will vote for the European recovery bill, as a result of the communist coup in Czechoslovakia and Russia demands on Finland.

The former Senate president urged that the U. S. fighting forces "be put in condition" so that:

"If Russia takes over another nation or attempts to do so, our nation will take the lead in defending that nation and all the other free nations of Europe."

Latin-America Aid Sought

In related developments:

1—The State department announced it would ask Congress soon to approve a $500,000,000 loan by the government's Export-Import bank to Latin-American countries.

2—A bill to send $500,000,000 in military aid to China was introduced by Rep. Clason (R.-Mass.) UNRRA Director Lowell W. Rooks and a former ambassador to China, C. E. Gauss, joined the parade of witnesses declaring that economic aid to China is not enough.

Marshall called on the House speaker in Martin's capitol office. He was accompanied by Undersecretary Robert C. Lovett and Ambassador Lewis W. Douglas, just back from the London talks which charted western Germany's future.

A source close to the House Foreign Affairs committee said Marshall succeeded in at least one thing - getting G.O.P. leaders' promise to try for action on the European recovery bill by itself.

The committee, to the outspoken dismay of leading ERP backers, now is trying to write an omnibus bill including ERP, non-military aid to China and military aid to Greece and Turkey.

Marshall has proposed $570,000,000 for China and $275,000,000 for the other two countries. But his advisers say these projects should be left aside for the time being since debate on them is slowing the progress of ERP legislation.

Senator Taylor of Idaho meanwhile introduced a substitute for the ERP bill. As suggested by Henry A. Wallace, it would funnel this country's help to Europe through the United Nations. And it would rule out the use of aid funds for military expenditures.

Taylor has announced his candidacy for vice-president on Wallace's third party ticket.

Marshall Urges Martin To Rush Aid In House

MAR 1948

Washington, March 8 (AP)—Secretary of State Marshall personally urged Speaker Martin today to expedite House action on European aid.

Accompanied by Under Secretary Lovett and Lewis Douglas, United States Ambassador to Great Britain, the Secretary visited Martin in the Speaker's office.

Later, Martin said he told Marshall he believed that the House would be able to act by April 10 or soon after.

DAY

While the subject of including military and other aid to China was discussed, Martin said, the main purpose of the meeting was to consider a timetable for the European recovery plan.

The House Foreign Affairs Committee has voted to include China in the European aid bill. But a source close to the committee said that Marshall left the capitol "with an understanding that the House leadership would try to persuade the committee to change its mind" and deal first with the European phase.

Senate Presses For Vote

Meanwhile, the Senate turned to its second week of Marshall-plan debate with a promise to "get some voting started."

Senator Wherry, of Nebraska, acting Republican floor leader, added, however, that he isn't too sure of a quick final vote on the $5,300,000,000 European recovery program itself.

The first balloting will be on amendments.

"Of course," Wherry said, "there is always the possibility that many senators will want to make speeches, and that would tend to delay any final vote."

Has A Dual Role

Wherry is playing a dual role. As acting floor leader he is responsible for keeping the Senate working at top speed on the measure. But he is also chairman of a Republican revisionist bloc which would like to rewrite much of the bill, a time-consuming job.

The State Department has long been calling upon Congress to finish its work on the recovery program by April 1.

Officials now say that date has assumed new significance because of the wave of European unrest set off by (1) the recent Communist coup in Czechoslovakia, (2) Soviet demands upon Finland and (3) prospects for a strong Communist push in the Italian elections April 18.

Revisionists Seek Slash

One possible block to speedy Senate action is the determination of the revisionist group to reduce the $5,300,000,000 authorization for the first twelve months to around $4,000,000,000.

Chairman Bridges (R., N.H.) of the Senate Finance Committee, disclosed over the week-end that he would support the $5,300,000,000 proposal. But he emphasized at the same time that this would not commit him when the time comes to vote the actual appropriation in a separate bill.

Bridges also declared that the Administration is going to have to make known its "basic policy towards Russia" before any foreign relief funds are appropriated.

The committee, he said, must know what the Administration plans to do in the event of an attack on Greece and Turkey, or a Communist seizure of Italy.

Taylor To Introduce Bill

Senator Taylor (D., Idaho), meanwhile, announced that he is introducing a bill for a European reconstruction fund handled by the United Nations as a substitute for the pending bill.

Taylor, who expects to be the running mate of Henry Wallace on a third-party ticket, said his bill would provide:

1. For the United States to give $5,000,000,000 to United Nations to set up a Reconstruction and Economic Development Administration. Other nations also would be asked to contribute.
2. An emergency program until the REDA is ready.
3. An ever-normal world food granary within United Nations.
4. Against use of the REDA funds for "any military expenditures."

Taylor said in a statement:

"My bill simply recognizes that we had better turn back to the United Nations now if we don't want war."

ERP SUPPORTERS WIN SENATE TEST

Washington, March 8 (A. P.).—Supporters beat off today an attempt to alter the European recovery bill in the first voting test in the Senate. The vote was 53 to 19.

The roll call test came on a first of a series of amendments by Senator Ball (R.-Minn.). He is one of a group of Republicans seeking to revise the bill which would authorize $5,300,000,000 worth of economic aid to Western Europe.

The amendment, minor in nature, would have changed the wording of a provision dealing with stabilized currency systems in countries taking part in the program.

Senator Vandenberg (R.-Mich.), chairman of the Foreign Relations Committee, opposed the amendment.

DAY

'Valid' Rate of Exchange.

As approved by his committee, the measure called for establishment, where possible, of "a valid rate of exchange."

Ball, joined by Senator Wherry (R.-Neb.), wanted to change this to read, "a rate of exchange which will reflect with reasonable accuracy the relative purchasing power of such currency."

Ball argued that the word "valid" is not binding. He said all it means is "legally sound." He said that might describe any currency.

Vandenberg said there are a number of schools of thought about what international rates of exchange should be. He told his colleagues that to write one definition into the bill is "a very dangerous thing for us to attempt."

"This Senate dare not attempt to put down in words what the rate of international exchange should be," he said.

Marshall Calls for Speed.

On the House side, Secretary of State Marshall personally urged Speaker Martin to expedite House action on the ERP.

Accompanied by Under-Secretary Lovett and Lewis Douglas, United States Ambassador to Great Britain, the Secretary visited Martin in the Speaker's office.

Later, Martin said he told Marshall he believes the House will be able to act by April 10 or soon after.

While the subject of including military and other aid to China was discussed, Martin said, the main purpose of the meeting was to consider a timetable for the European recovery plan.

The House Foreign Affairs Committee has voted to include China in the European aid bill. But a source close to the committee said that Marshall left the Capitol with an understanding that the House leadership would try to persuade the committee to change its mind and deal first with the European phase.

MAR 1948

Senate Continues Debate.

As the Senate turned today to its second week of Marshall plan debate, Wherry said that he isn't too sure of a quick final vote on the ERP.

Wherry is playing a dual role in the debate. As acting floor leader he is responsible for keeping the Senate working at top speed on the measure. But he is also chairman of a Republican revisionist bloc which would like to rewrite much of the bill—a time-consuming job.

U. N. Agency Proposed.

Meanwhile, Senator Taylor (D.-Idaho) announced that he is introducing a bill for a European reconstruction fund handled by the United Nations as a substitute for the pending bill.

Taylor, who expects to be the running mate of Henry Wallace on a third party ticket, said his bill would provide:

1. For the United States to give $5,000,000,000 to U. N. to set up a Reconstruction and Economic Development Administration. Other nations also would be asked to contribute.
2. An emergency program until REDA is ready.
3. An ever-normal world food granary within U. N.
4. Against use of REDA funds for "any military expenditures."

Taylor said in a statement: "My bill simply recognizes that we had better turn back to the United Nations now if we don't want war."

HEAD OF UNRRA ASKS MILITARY AID FOR CHINA

Rooks Wants U. S. Officers to Direct Chinese Forces, 'Even Down to Tactics.'

TESTIFIES AT HOUSE HEARING

Gen. Edgerton Refuses to Say if Armed Help Could Be Given Without Sending Troops.

Washington, March 8 (A. P.).—Military aid for China was urged today by Lowell W. Rooks, director general of the United Nations Relief and Rehabilitation Administration. He told the House Foreign Affairs Committee that economic aid was useless unless the Chinese Central Government could win its war with the Communists.

He said the United States should send American military men to China to equip, train, organize and direct Chinese forces "even down to tactics and strategy."

DAY

UNRRA was set up to administer relief in occupied countries after the war. It is now winding up its affairs, but has some small funds left which are being spent chiefly in China.

No Military Aid in Bill.

The administration has proposed $570,000,000 aid to China for food, road repairs, &c., but no military help, or money to buy guns and weapons. The House committee is considering the administration request.

Lieut.-Gen. Albert C. Wedemeyer, one time commander during the war of American troops in China, urged the committee last week to vote funds for military help.. Wedemeyer said "we are going to pay in blood" unless Communism is stopped.

Rooks told the committee that military and economic aid in China "are equally important. One would be worthless without the other."

Representative Richards (D.-S. C.) asked Rooks what aid, if any, Chinese Communists are getting from outside of China. He did not mention Russia directly. Rooks said he could not say. But he has heard on good authority, he said, that a great amount of military supplies the Russians captured from the Japanese have turned up in Communist hands.

Gen. Edgerton Parries Question.

Major-Gen. G. E. Edgerton, former chief of the UNRRA China office, advocated economic aid for China. Representative Mansfield (D.-Mont.) asked him, "Do you think it is possible to give military aid without ultimately sending over American divisions?" Edgerton said he would not like to answer that question in open session.

Gen. Claire Chennault, famed chief of the Flying Tigers, arrived by plane today from China, to give his views on what should be done there. He will probably appear before the committee on Wednesday.

500 MILLIONS LATIN AMERICA AID PLANNED

State Department Will Also Request 20 Millions for Trieste Zone.

MAR 1948

TO ASK FOR OTHER FUNDS

U. N. Headquarters Loom and Financing for Far East Activities on List.

Washington, March 8 (A. P.).—The State Department announced today that it will ask Congress soon to let the Export-Import Bank lend $500,000,000 to Latin American countries.

The announcement, which was in a statement sent to the House Foreign Affairs Committee, said the department also plans to request $20,000,000 to prevent disease and unrest in the American British zone in Trieste during the fifteen-month period between April 1 1948 and June 30, 1949.

DAY

The committee had asked what foreign aid programs were intended other than the European aid and China aid plans already proposed.

The department listed these estimated authorizations and appropriations to be requested:

1. An economic rehabilitation appropriation for Japan, Korea and the Ryukyu Islands. The Army is developing the plan, the department said, and the amount has not yet been finally determined.

2. Authority to extend financial aid to the Trieste zone. This will be asked under the law providing for help to Italy, France and Austria.

3. The loan authorization for Latin America. The only congressional action needed is an extension of the Export-Import Bank's present lending authority.

4. A $65,000,000 interest-free loan for the construction of United Nations headquarters. This is to be arranged by an agreement between the United States and the U. N. The loan would be repaid in thirty years.

5. Inter-American military cooperation. The department said no figures are available yet on how much will be asked to put into effect co-operation plans outlined in legislation already before the House.

SENATE TO HOLD HEARINGS ON UMT

Forrestal Sees Progress on Project Despite House 'Opposition.'

WASHINGTON, March 8—(AP) Senators pushed the go-ahead button today for public hearings on a universal military training system.

The cost, it was estimated, would be about $1,541,000,000 the first year and $4,281,000,000 in 1952, the year of peak expense.

House leaders sat tight on a similar measure within that body's rules committee. Unless they change their mind, there seems little chance of any final Congress action on the issue in this session.

Forrestal Sees Progress

Despite this prospect, Secretary of Defense Forrestal told reporters that the Senate Armed Service Committee's unanimous order for early hearings represents real progress on a project fully backed by the nation's military leaders.

"Events are making progress for us," he commented significantly.

There was no expansion of this remark. But Chairman Gurney (R-S.D.) said Forrestal and the top men of the army, navy and air force had told the committee in a closed session that UMT is "not only necessary but mandatory."

NIGHT

Gurney said the eight members present voted to go ahead with a full inquiry into the nation's defense p[illegible] UMT as a base.

Forrestal reported to Gurney that the first year's operation of UMT would cost a little over $1,541,000,000, or $555,000,000 more than President Truman thought when he submitted his budget to Congress in January.

Of this amount, Gurney said, $880,400,000 would be spent on UMT and $661,500,000 on reserve units, such as the national guard. The President had estimated $400,000,000 for UMT and $586,000,000 for reserves.

Of the first year's cost, $605,900,000 would represent expenses that wouldn't occur again.

But by 1952, when the program would be in full swing, Forrestal said the cost of UMT and reserves would reach $4,281,000,000. It would drop off after that, since the training plant would be fully built then.

As now proposed, Gurney said, the program would call for training 1,000,000 young men yearly. They could elect to take the six-months training course any time between the ages of 18 and 21, inclusive.

After six months, the trainees either would have to enlist for a tour of duty in the regular armed forces or sign up with the reserves.

Mrs. Lamarre Contemptuous Of Meyers

MAR 1948

Washington, March 8 (AP)—Mrs. Mildred Lamarre said today that she had "only contempt" for Maj. Gen. Bennett E. Meyers, who once contended she was his "girl friend."

She told a Federal court jury that she had considered Meyers "a family friend" until the wartime deputy Air Forces purchasing chief made the "girl friend" remark at a Senate War Investigating Committee hearing last fall.

Meyers is on trial charged with inducing her husband, Bleriot H. Lamarre, the General's former business associate, to lie at the Senate inquiry. Lamarre has admitted that he falsely denied Meyers obtained $150,000 profits from a plane-parts firm at Dayton, Ohio.

Lamarre has said he later "told the truth about Meyers" to the senators.

DAY

Denied By Lamarres

Meyers testified at the Senate hearings that Mrs. Lamarre had been his "girl friend," explaining that he established Lamarre in business for that reason. The Lamarres flatly denied this.

"I would say," Mrs. Lamarre told the jury today, "that I have only contempt for a man who would sacrifice his friends for his own neck."

Mrs. Lamarre was excused from the witness stand without being asked about the General's "girl friend" statement.

She testified that Meyers told her husband on at least five separate occasions to give the Senate group a faked story about the General's business affairs.

Said He Had Influence

"Meyers told us that as long as we stuck together on the fake story, nothing would happen," the slim brunette said, adding:

"He told my husband to say he (Lamarre) got the money and wasted it gambling. Meyers told us he had enough friends and influence in Washingotn to have the investigation stopped. He said it was political, and there would be no trouble."

Mrs. Lamarre backed up Lamarre's testimony to the jury. She said Meyers persuaded Lamarre to tell the senators that cashiers' checks Meyers received from Aviation Electric Corporation, of Dayton, were repayments of loans Meyers had made them.

Blames "Drink Too Many"

Mrs. Lamarre said that Meyers told her that one drink too many for the General put the Senate committee on the track of Aviation Electric.

Originally Meyers was called as a witness in the Howard Hughes contract investigation.

"Meyers told us that because he had several drinks when he went before the Senate committee, he inadvertently mentioned Aviation Electric Corporation," Mrs. Lamarre recalled.

"Meyers said he was sorry he did it, but, since he had, he was sure they would investigate the company."

It was then, Mrs. Lamarre said, that Meyers told them to tell the "concocted story" to the Senate committee.

TWO LOYALTY PROBERS CALLED IN CONDON QUIZ

WASHINGTON, March 8.—(AP) A House un-American Activities Subcommittee subpoenaed two Commerce Department officials today to tell how they passed on the loyalty of Dr. Edward U. Condon.

NIGHT

They are Oliver Sport, personnel director, and Adrian Fisher, a former member of the department's loyalty board. They will appear tomorrow at a closed session of the subcommittee headed by Rep. Nixon (R-Calif).

Dr. Condon, head of the Bureau of Standards, was described in a committee statement last week as "one of the weakest links" in the nation's atomic energy security setup. The department loyalty board cleared him in a report dated February 24.

Robert L. Stripling, chief investigator for the House committee, told newsmen a subpoena also was served on John E. Towne, loyalty board secretary, and another was prepared for Joseph McDaniel of Evanston, Ill., who has left the board. The latter was not served.

Clark Asked To Rush Red-Curb Proposals

Washington, March 8 (AP)—Attorney General Clark got a congressional prodding today for his views on a bill to compel Communists to register as foreign agents.

30.24- 16093

Clark promised a month ago that he would supply an opinion "shortly" for a House Un-American Activities subcommittee trying to draft a law to curb communism.

Chairman Nixon (R., Ala.) reminded him of it in a letter and a statement.

"Our committee," Nixon said, "is about to prepare its report on anti-Communist legislation and we hope that the Attorney General will forward his statement at the earliest possible moment.

"The increasing tensity of the international situation calls for action on the part of the Congress to protect our people from the same type of Fifth Column activity which recently resulted in the overthrow of the Czechoslovakian Government."

2 DENY STEEL PRICING DEAL

MAR 1 1948

Executives Say They Didn't Talk With Competitors.

Washington, March 8 (A. P.).—Two steel executives told Government investigators today that they never consulted with competitors when deciding prices of their products. They testified at hearings on the Federal Trade Commission's price-fixing charge against the American Iron and Steel Institute and 101 steel producers.

DAY

Carl I. Collins, president of Superior Steel Corporation, and J. Douglas Darby, sales manager of Carnegie-Illinois Corporation, a United States Steel subsidiary, were the witnesses.

The hearing is a resumption of the case which began weeks ago, before President Truman ordered the Department of Justice and other agencies to investigate the widespread $5 a ton price increases of last month.

Brought Price Lists.

The steel men brought their price lists since 1935, as ordered by subpoena. But their counsel insisted that they be allowed to take the records home with them until they figure in the testimony, perhaps months hence. L. C. Paulsin, FTC attorney, wanted them left in FTC's hands.

Trial Examiner Frank Hier told the disputants he would rule tomorrow. Meantime, he cut off, for the most part, questions by the steel lawyers as to how the lists were made up. But Darby got one such answer in. When asked if any other steel firm besides Carnegie-Illinois had a hand in preparing the price sheets, he replied: "Not to my knowledge, except during the period of OPA control."

Collins testified that his price quotations were the acts of superior steel alone, "not the acts of some other company."

The Federal Bureau of Investigation sent agents into sixteen steel company offices last week, on President Truman's orders, to see if they could find evidence of anti-trust law violations. That inquiry is separate from the FTC case.

McMAHON URGES PROBE ON PETROLEUM SUPPLIES

WASHINGTON, March 8 — (AP) Senator McMahon (D.-Conn.) today asked a full investigation of supplies of petroleum products.

He made special reference to a shortage in heating fuels in a resolution proposing the Senate Commerce committee be given $25,000 to conduct the inquiry.

The committee would be authorized to look into the transportation situation as it relates to oil, the availability of steel for drilling new wells, the use of substitute fuels, price factors and federal and state conservation practices.

'SECRETS' INQUIRY DELAYED BY MIXUP

MAR 1948

Washington, March 8 (A. P.).—A congressional hearing on proposed control over Government information was called off today due to a mixup over when witnesses were to appear.

Representative Hoffman (R.-Mich.), chairman of the House Executive Expenditures Committeetee, waited twenty minutes after the 10 A. M. announced starting time, then called off the hearing.

DAY

He had announced last week N. R. Howard, editor of the Cleveland News; Nat Finney, Washington correspondent for the Minneapolis Star-Journal and Des Moines Register and Tribune, and Jim Lucas, of the Scripps-Howard newspapers.

Finney told reporters he had not been advised of any hearing today. He said the office of Representative Bender (R.-Ohio) informed him last week there would be a hearing on Wednesday. Finney said he had planned to appear Wednesday and testify.

The hearings are expected to deal, among other things, with a discarded proposal to hang a secret label on some of the Government's peacetime information. Hoffman called that plan "preliminary to the establishment of a Government such as Hitler had."

Army Tours of Duty Extended

WASHINGTON, March 8 (AP).—Legislation permitting the Army to keep personnel in certain areas for more than two years was signed by President Truman today. It removes a two-year limitation on tours of duty in Asia, China, Hawaii, Puerto Rico, the Philippine Islands and the Panama Canal Zone.

U. S. Rejects Most Bids For Flour for Export

WASHINGTON, March 8 (AP).—The government today rejected most offers on a large quantity of flour sought for export because it considered prices too high.

The Department of Agriculture bought flour equivalent to only 900,000 bushels of wheats. Secretary Clinton P. Anderson announced Wednesday the department wanted flour equivalent to 9,300,000 bushels.

Millers will be asked to submit new bids for the rest. The flour is needed to fill April export quotas.

CIO Asks Senate To Kill House Tax-Cut Bill

DAY

Washington, March 8 (AP)—The CIO called upon the Senate today to toss overboard the $6,500,000,000 income tax cutting bill passed by the House.

Stanley H. Ruttenberg, of the labor organization's research staff, called the measure a "tax steal for the wealthy and a stab in the back for the poor."

In testimony prepared for the Senate Finance Committee, Ruttenberg said the bill was "only slightly better" than the two President Truman killed with vetoes last year.

"Most To Well-To-Do"

Ruttenberg contended that most of the tax relief would go to "well-to-do taxpayers," while 25,500,000 low-income taxpayers would get little help.

In another statement to the committee, Russ Nixon, of the CIO United Electrical, Radio and Machine Workers, described the tax cut bill as a "form of camouflaged relief for the needy."

Nixon urged Congress to limit tax relief to those with incomes under $5,000 a year.

How It Would Work

He said an average $2,500-a-year worker with three dependents would get tax relief amounting to "4 cents an hour" under the House bill, while "for an executive at $25,000 it is $1.60 an hour."

Chairman Millikin, (R., Col.) has indicated that the Senate committee would make a "more modest" tax cut than the $6,500,000,000 House-approved slash.

Democrats on the Senate committee say they will join him if the cut is held to four or five billion dollars.

MAR 1948

TREASURY URGES OLEO TAX END AS AID TO CONSUMERS

WASHINGTON, March 8 — (AP) With the approval of the U. S. Treasury, a drive got under way on Capitol Hill today to end federal taxes on oleomargarine.

Rep. Rivers (D-SC) told the House Agriculture Committee that the 10 cents a pound tax on colored margarine, 1-4 cent on uncolored and other special levies "are chains around the necks of the people."

Rep. Poage (D-Tex) asserted that the tax represents "an inexcusable piece of discrimination." Bills by Rivers and Poage are included among the 18 proposals before the committee to eliminate the taxes.

Repeal Recommended

Earlier, A. Lee Wiggins, undersecretary of the treasury, recommended repeal of the taxes, which have been on the statute books for decades.

NIGHT

Under sharp questioning by Rep. August H. Andresen (R-Minn), ranking Republican on the committee, as to whether his views represented those of the administration, Wiggins replied:

"My statement has the clearance of the bureau of the budget, which has the approval of the administration, and it speaks for President Truman.

"It is the treasury department's view that the present oleomargarine taxes distort the competitive position of two domestic industries.

"They unncessarily burden consumers far in excess of the amount paid in taxes."

Chairman Hope (R-Kans) said the dairy industry and other opponents of repeal will have the last half of the five-day hearing to reply.

This did not prevent Andresen, Rep. Murray (R-Wis) and various other committee members from dairy states from tossing in brisk comment.

Murray said the repeal drive jeopardizes the whole dairy industry. He referred to the cow as "the nearest thing to perpetual motion this world has ever seen" and asked:

"What would we do with the butterfat if we don't use it to make butter?"

Rivers said the margarine tax "is really a duty and a ransom extracted from the housewives and consumers of the nation for and on behalf of the butter industry."

DE VALERA VOICES FEAR OF NEW WAR

NEW YORK, March 8 — (AP) Eamon De Valera, former prime minister of Eire, said today he thought the world was headed for a third world war. He added that the United Nations "doesn't amount to much."

De Valera, who was born in New York, made the statements at a news conference following his arrival here for his first visit to this country in 18 years. He was replaced as prime minister by John Costello after last month's elections.

NIGHT

He plans a tour of this country, and he said at the news conference he would call on President Truman at the White House Wednesday. He said he had no plans for discussing specific subjects with the President.

Asked if he thought the world was "racing toward a third world war," De Valera replied: "I think so."

The former prime minister, who once served as president of the League of Nations assembly but whose country has not been admitted to the UN, was then asked to make a comparison between the league and the UN. He said:

"I think that the League of Nations showed more promise at times than the United Nations has at any time."

De Valera added that "the United Nations doesn't amount to very much." He said he saw little prospect for future success of the organization "unless certain nations cooperate in working toward peace."

De Valera Welcomed By Officials At N.Y.

MAR 1948

New York, March 8 (AP)—American-born Eamon de Valera arrived by plane today for his first visit to this country in eighteen years—in plenty of time to take part in St. Patrick's Day celebrations.

Replaced after sixteen years as Prime Minister of Eire, de Valera plans a tour of several learge American cities until about April 6.

De Valera, who flew in from Shannon airport, where 3,000 well-wishers saw him off, was met before dawn by an official party at LaGuardia Field.

He said he believes his nation "will co-operate with other countries as far as feasible with its present national situation." He said "everybody knows" the Irish people's opposition to Communism.

DAY

Has Job On Hands

De Valera, who was replaced as Prime Minister by John Costello after last month's elections, said "I have a job on my hands to beat the opposition."

Asked what he believes Eire's position should be in connection with current European events, he replied:

"I am no longer in office, and I will not interfere in these matters with those now in office, with whom is the present responsibility." He followed this by his prediction of co-operation.

May See President

Told that there had been a report that he was offered the post of superintendent of a large school system in New England, De Valera said: "I have heard nothing about it But I am not open now to engagements."

Asked if he would see President Truman, he replied: "I will do the proper thing. I am not now in office."

De Valera said he came to this country "in response to an invitation from the United Irish Societies of San Francisco to participate in their St. Patrick's Day celebration."

Recalling his old home in Brooklyn, he commented that his last visit to the United States was in 1930.

Grover A. Whalen, chairman of the Mayor's official reception committee, headed the group of officials and notables who met de Valera.

O'Dwyer's Staff On Hand

The airport reception committee also included General Sessions Judge Owen W. Bohan; John J. Byrne, James J. O'Brien and Sean Keating, of Mayor William O'Dwyer's City Hall staff; James Comerford, president of the United Irish Counties Society of New York; the Rev. Sean Reid, O.C., prior of the Carmelite Fathers, New York city; the very Rev. Lawrence B. Flanagan, O.C., of St. Simon's Church, the Bronx, and Garth Healy, consul general of Eire in New York.

SAN FRANCISCO DUE TO GET FREE PORT

Harriman Will Issue Charter Tomorrow—Trade Center Cost Put at $60,000,000

SAN FRANCISCO, March 8 (AP) —A foreign trade zone—an "island" in a busy port—will be established soon in San Francisco.

The charter ceremony for this final step in the city's efforts to become the international capital of the West will take place Wednesday in Washington.

At that time, Secretary of Commerce W. Averell Harriman will present the charter to Tom Coakley, president of the State Board of Harbor Commissioners.

The city already has received approval for a world trade center and recently it established a World Affairs Council.

The world trade center, authorized by the State Legislature, will consist of a group of buildings in the downtown business area. The cost is estimated at about $60,000,000.

A foreign trade zone, into which dutiable merchandise may flow without payment of duty or bond, is expected to increase the volume of imports and advertise San Francisco's port to world traders in other countries.

Only two other ports in the United States now have foreign trade zones—New York and New Orleans.

BE DONE IN THE WFTU UNLESS THE SOVIET GOVERNMENT CHANGES ITS ATTITUDE."
THE WFTU, UNDER COMMUNIST DOMINATION AND PRESUMABLY BECAUSE OF
SOVIET OPPOSITION, ORIGINALLY REFUSED TO CALL A MARSHALL PLAN CONFERENCE
FOR FEBRUARY. THE BRITISH TRADES UNION CONGRESS AND BELGIAN, DUTCH

"FAR FROM THERE BEING ANY CAUSE FOR ALARM, THERE IS EVERY REASON TO BE CONFIDENT TODAY IN THE STATE OF THE NAVY."

CHURCHILL SAID THE GOVERNMENT HAD WEAKENED BRITAIN'S HAND IN FOREIGN AFFAIRS BY SCRAPPING EIGHT BATTLESHIPS, BUT DEFENSE MINISTER A.V.ALEXANDER DISPUTED HIM.

ALEXANDER SAID THE SCRAPPING WAS ORDERED BECAUSE THE SHIPS WERE OUTMODED. HE DECLARED THE GOVERNMENT WOULD NOT PERMIT THE ROYAL NAVY TO BECOME TOO WEAK TO MEET ITS COMMITMENTS.

"IF WE NEEDED A BALANCED TASK FORCE TO GO TO SEA WITHIN ONE WEEK OR 10 DAYS FROM NOW IT COULD BE PROVIDED," ALEXANDER SAID. "I WOULD LIKE THAT TO BE KNOWN NOT ONLY IN THE HOUSE BUT KNOWN TO THE WORLD."

CHURCHILL, A ONETIME FIRST LORD OF THE ADMIRALTY, CHARGED THAT BOTH MEN AND MONEY HAD BEEN WASTED IN FLEET REDUCTION.

"THE ADMIRALTY NEVER GAVE US SO LITTLE FIGHTING VALUE FOR SO MUCH MONEY AND SO MANY MEN," HE SAID.

REFERRING TO TERRITORIAL DISPUTES BETWEEN BRITAIN AND CENTRAL AND SOUTH AMERICAN COUNTRIES OVER BRITISH HONDUR AS AND THE FALKLAND ISLANDS, CHURCHILL ASKED:

DEPUTIES OF THE NATIONAL ASSEMBLY GATHERED IN GROUPS TO DISCUSS THE SPEECH. AND PARIS (Day-Schuman Plan) AND DEFENSE.

PARIS-PRESSE, A SUPPORTER OF THE GENERAL, SAID "EVENTS FORCE DE GAULLE NOT TO WAIT LONGER."

THE COMMUNIST CE SOIR SAID DE GAULLE "DECLARED WAR ON THE REPUBLIC." THE ARTICLE SAID DE GAULLE AND PREMIER ROBERT SCHUMAN'S GOVERNMENT SPEAK THE SAME LANGUAGE AND HAVE "AN EXASPERATING ANTI-COMMUNISTIC ATTITUDE AND A TOTAL SUBMISSION TO THE FOREIGN POLICY OF AMERICA."

INTRANSIGEANT, INDEPENDENT RIGHTIST NEWSPAPER, SAID THE UNION DE GAULLE ADVOCATED WAS AGAINST THE COMMUNISTS AND "ONLY THE COMMUNISTS, OF COURSE, WOULD BE EXCLUDED." THE ACCOUNT SAID THE GENERAL NEVER HAD BEEN SO CATEGORICAL IN DEMANDING POWER.

FRANCE SOIR, INDEPENDENT CENTRIST NEWSPAPER, COMMENTED:

"GEN. DE GAULLE DEMANDS POWER. HE SEEMS TO HAVE RENOUNCED DEMANDING DISSOLUTION OF PARLIAMENT, ONE OF HIS PREVIOUS CONDITIONS TO TAKING OVER POWER. REVISION OF THE CONSTITUTION NO LONGER APPEARS SO URGENT IN HIS EYES."

THE WARTIME FREE FRENCH LEADER AND FIRST POSTWAR PRESIDENT DECLARED HIMSELF YESTERDAY AT A PUBLIC MEETING OF HIS RALLY OF THE FRENCH PEOPLE AT A POINT NEAR WHERE GERMANY SURRENDERED TO FRANCE AND THE ALLIES IN 1918 AND WHERE FRANCE SURRENDERED TO GERMANY IN 1940.

HE CAME OUT FOR THE FIRST TIME WITH THE FLAT STATEMENT THAT GERMAN STATES, "FEDERATING AS THEY WISH, WOULD NATURALLY FIND THEIR PLACE IN THE GROUPING OF OTHER EUROPEAN STATES." HE SAID THE SAME WENT FOR AUSTRIA AND A RUHR "WITH ITS OWN SPECIAL REGIME."

DE GAULLE HAILED THE "CLEAR-SIGHTED GENEROSITY" OF THE UNITED STATES IN LENDING EUROPE "LARGE AND PROLONGED HELP IN THE ECONOMIC FIELD."

"BUT IT IS CLEAR," HE SAID, "THAT THEIR SUPPORT SHOULD SPREAD AT THE SAME TIME TO THE FIELDS OF DEFENSE IN AS PRECISE AND EXPLICIT A MANNER AS THE MARSHALL PLAN DOES ON CREDITS AND IMPORTS.

"AN ECONOMIC, DIPLOMATIC AND STRATEGIC GROUP MUST BE FORMED AMONG THE FREE STATES OF EUROPE, LINKING TOGETHER PRODUCTION, THEIR EXCHANGES, THEIR FOREIGN ACTIVITIES AND MEANS OF DEFENSE," HE SAID. HE ESTIMATED THAT SUCH AN ORGANIZATION MIGHT HAVE THE SUPPORT OF 250,000,000 MEN.

FRANCE, BRITAIN, BELGIUM, THE NETHERLANDS AND LUXEMBOURG HAVE BEEN MEETING IN BRUSSELS TO PLAN A WESTERN EUROPEAN UNION. FRANCE, BRITAIN AND THE UNITED STATES ANNOUNCED AGREEMENT IN LONDON SATURDAY ON A FEDERALIZED WESTERN GERMANY AND INTERNATIONAL CONTROL OF THE RUHR. DE GAULLE MADE NO DIRECT REFERENCE TO EITHER DEVELOPMENT.

HE SAW "CHRONIC FEEBLENESS AND PERMANENT CRISIS" IN THE PRESENT SITUATION IN FRANCE. URGING AN ELECTION, HE SAID HE WAS PREPARED TO TAKE CHARGE WHENEVER HE WAS AFFORDED THE NECESSARY RESPONSIBILITY.

HE PICTURED FRANCE AS THREATENED FROM ABROAD BY AN EXPANDING RUSSIA WHOSE MASTERS, HE SAID, "AIM AT WORLD DOMINATION," AND AT HOME BY "SEPARATISTS (COMMUNISTS) AT THE SERVICE OF THESE FOREIGNERS."

LORRAINE CROSSES, DE GAULLE'S SYMBOL SINCE THE DAYS OF WORLD WAR II, WERE DISPLAYED FOR HIS VISIT. HE DEDICATED A STREET TO THE LATE GEN. LECLERC. HE PUT A LORRAINE CROSS OF WHITE CARNATIONS ON THE SITE OF THE SIGNING OF THE 1918 ARMISTICE.

BY RICHARD KASISCHKE

(ADVANCE) BERLIN, MARCH 8-(AP)-AMERICAN MILITARY GOVERNMENT REPORTED TODAY THERE HAS BEEN AN ENCOURAGING UPTREND IN COAL PRODUCTION IN THE RUHR, A VITAL FACTOR IN WESTERN EUROPE'S ECONOMIC RECOVERY.

HARD COAL PRODUCTION AVERAGED 270,000 TONS A DAY FOR A THREE-WEEKS PERIOD LAST MONTH AND IS STILL RISING, AMG'S SEMI-MONTHLY SUMMARY ON OCCUPATION AFFAIRS REPORTED. THE DAILY AVERAGE FOR JANUARY WAS 262,700 TONS.

(THE FIGURES ARE GIVEN IN METRIC TONS. A METRIC TON IS 2,204.62 POUNDS.)

THE GAIN WAS RECORDED DESPITE THE FACT THERE HAS BEEN LITTLE IMPROVEMENT IN THE GENERAL FOOD SITUATION IN THE RUHR, WHERE THE WINTER MONTHS WERE MARKED BY HUNGER STRIKES IN MANY FACTORIES.

WITH PRODUCTION GOING UP, THE REPORT SAID, SPECIAL EFFORTS ARE BEING MADE TO INCREASE COAL EXPORTS TO GERMANY'S WESTERN NEIGHBORS TO MAKE UP QUOTAS WHICH ARE IN ARREARS.

AN IMPROVED TRANSPORT SITUATION, AIDED BY AN UNUSUALLY MILD WINTER IN GERMANY, HAS SPEEDED THE MOVEMENT OF COAL FROM THE MINES TO INDUSTRIES, THE REPORT CONTINUED. THE STOCKPILE OF MERCHANTABLE COAL AT THE PITHEADS THUS HIT A NEW FIVE-MONTH LOW OF 1,500,200 TONS.

INDUSTRIAL PRODUCTION IN THE U.S. OCCUPATION ZONE IMPROVED SLIGHTLY DURING JANUARY TO A RATE 51 PERCENT OF THE 1936 LEVEL, AMG SAID. THE BEST RECORDS WERE MADE IN VEHICLE MANUFACTURE AND TEXTILE PRODUCTION.

THE U.S. AUTHORITIES REPORTED THAT TRAFFIC ALONG THE FRONTIER BETWEEN BAVARIA AND CZECHOSLOVAKIA WAS SEVERELY RESTRICTED BY INTENSIFIED BORDER PATROLLING ON THE PART OF THE CZECHS FOLLOWING THE COMMUNIST ASSUMPTION OF POWER IN PRAGUE.

IN THE SAME AREA, THE REPORT SAID, AMERICAN AND GERMAN AUTHORITIES BROKE UP A RAILROAD PILFERING RING WHICH HAD BEEN PLUNDERING FREIGHT CARS ENROUTE FROM THE U.S. ZONE TO POLAND AND CZECHOSLOVAKIA. SEVERAL GERMANS WERE ARRESTED, AMG SAID, AND MOST TRAIN CREWS ON THAT PORTION OF THE RAIL LINES REPLACED.

IN NORTHERN PALESTINE, MARCH 8-(AP)-ARABS OF PALESTINE PLAY ONLY A SUPPORTING ROLE IN PLANS OF THE YARMUK ARMY TO THWART PARTITION OF PALESTINE AND "SUBDUE ZIONISM."

BATTLE PLANS OF FAWZI BEY AL KAUKJI'S YARMUK ARMY CALL FOR FRONTAL ATTACKS BY TRAINED MEN--MOSTLY SYRIAN, IRAQI AND EGYPTIAN, WITH A SPRINKLING OF PAKISTAN AND YUGOSLAV MOSLEMS AND AN EVEN SPARSER SPRINKLING OF PALESTINIANS TRAINED IN SYRIA.

THESE PLANS CALL FOR GUERRILLA SUPPORT ONLY FROM ARABS LIVING IN PALESTINE.

A STAFF OFFICER OF FAWZI BEY'S HEADQUARTERS COMPANY SAID:

"THESE PEOPLE WITH RIFLES THEY DON'T KNOW HOW TO USE ARE A DANGER AND DETERRENT TO US. THEY CAN BLOW A BRIDGE HERE AND THERE AND PARALYZE THE ENEMY'S MOVEMENTS BY SNIPING, BUT FOR MILITARY OPERATIONS THEY JUST GET IN THE WAY."

THE YARMUK ARMY'S ORGANIZATION IS BASED ON SMALL, HIGHLY MOBILE DIVISIONS OF 1,500 MEN, EACH CONTAINING 10 SECTIONS OF 150 MEN. MOST OF THE OPERATIONS WILL BE BY SECTIONS.

RIGHT NOW THE ARABS REPORT SIX DIVISIONS IN PALESTINE, ALL BASED IN VILLAGES IN THE NABLUS AREA.

HEADQUARTERS IS THE FIRST YARMUK DIVISION, COMMANDED BY MOHAMMED SAFA, WHO ALSO IS ON FAWZI BEY'S GENERAL STAFF. OTHER DIVISIONS ARE THE SECOND YARMUK, COMMANDED BY HASHIM MOHAMMED AND BASED AT JENIN; EG NADIN, COMMANDED BY SHI SHOKLY, BASED AT SAFAD; EL HUSSEIN, COMMANDED BY ABDUL WAHAB, BASED AT TUBAS VILLAGE; HITTIN, COMMANDED BY MADLUL ABBAS, BASED AT ATTIL VILLAGE; AND EL HASSAN, COMMANDED BY MAHMOUD EL HENDY, BASED AT ANABTA VILLAGE.

ALL SIX DIVISIONAL COMMANDERS ARE IRAQI VETERANS OF THE ABORTIVE REVOLT BY RASHID ALI AGAINST THE BRITISHTIN 1941.

FAWZI IS FIELD COMMANDER OF ALL ORGANIZED TROOPS FIGHTING PARTITION. THE COMMANDING GENERAL IS ISMAIL SAFWAT, FORMEER IRAQI WAR MINISTER, WHO HAS HEADQUARTERS IN SYRIA. INSPECTOR GENERAL TAHA HASHIMI, ALSO AN IRAQI, HANDLES LIAISON BETWEEN FAWZI BEY AND ISMAIL PASHA.

DEAN RUSK, HEAD OF THE U.N. DIVISION OF THE STATE DEPARTMENT, TOLD NEWSMEN AFTER THE SECRET SESSION THAT THE DISCUSSIONS RANGED OVER THE ENTIRE PALESTINE PROBLEM, BUT THAT NO DECISIONS WERE TAKEN ON THAT QUESTION.

AMONG THE SUBJECTS TAKEN UP WERE THE POSSIBILITIES FOR SETTING UP A JEWISH MILITIA, CREATION OF PROVISIONAL COUNCILS OF GOVERNMENT FOR THE PROPOSED NEW JEWISH AND ARAB COUNTRIES AND THE QUESTION WHETHER THE PALESTINE SITUATION IS A THREAT TO WORLD PEACE.

THE DELEGATES AGREED TO HOLD THEIR NEXT SESSION AT LAKE SUCCESS TOMORROW AFTERNOON AFTER A CLOSED MEETING OF THE SECURITY COUNCIL ON THE TRIESTE PROBLEM. RUSK SAID IT WAS POSSIBLE SOME DECISIONS MIGHT BE REACHED THEM.

THE FOUR POWERS DECIDED TO LIFT THE SECRECY OF THE TALKS TO SOME EXTENT BY INVITING THE U.N. TO SEND A PRESS OFFICER TO THEIR CLOSED MEETINGS. HE WOULD BE AUTHORIZED TO BRIEF NEWSMEN AFTER EACH SESSION. IT ALSO WAS AGREED THAT EACH DELEGATION WOULD BE FREE TO HOLD ITS OWN BRIEFINGS IF IT DESIRED TO DO SO.

NO MORNING SESSION WAS SCHEDULED FOR TOMORROW BECAUSE OF A PREVIOUSLY SCHEDULED MEETING OF THE WORKING COMMITTEE OF THE U.N. ATOMIC ENERGY COMMISSION. SEVERAL OF THE DELEGATES WILL ATTEND THE ATOMIC MEETING.

TODAY'S MEETING LASTED FROM 11:05 A.M. (EST) UNTIL 12:25 P.M.

WITH ONLY A WEEK TO DRAFT RECOMMENDATIONS FOR THE UNITED NATIONS SECURITY COUNCIL, THE REPRESENTATIVES OF THE UNITED STATES, RUSSIA, FRANCE AND CHINA MET IN A LUXURIOUS SECOND FLOOR ROOM OF RUSSIA'S NEW CONSULATE ON UPPER PARK AVENUE.

ONLY NINE MEN WERE IN THE ROOM AS THE TALKS BEGAN--CHIEF U.S. DELEGATE WARREN R. AUSTIN, JOHN ROSS, AUSTIN'S DEPUTY, AND DEAN RUSK, HEAD OF THE STATE DEPARTMENT'S U.N. DIVISION; T.F. TSIANG AND C.L. HSIA OF CHINA; ALEXANDRE PARODI AND FRANCOIS DE ROSE OF FRANCE; AND ANDREI A. GROMYKO AND NIKOLAI MOLIAKOW OF RUSSIA.

Santiago, Chile, March 8--(AP)--The government today declared the Ovalle region of Northern Chile an emergency zone and arrested 20 persons, officially termed Communist leaders.

after the Communist mayor of Ovalle had refused to greet President Gabriel Gonzalez Videla officially yesterday.

MAR 1948

The decree placing the zone under army administration said it was a result of "openly seditious" Communist activities. Ovalle is a department of Coquimbo Province.

Gonzalez officially visited his hometown, La Serena, capital of Coquimbo, over the week-end. He was denied an official reception when he went to nearby Ovalle.

"I come ready to fight Mayor Hector Torres, who has dared disregard my actions and my authority," the president said in an address from the balcony of an Ovalle Hotel.

WASHINGTON, MARCH 8-(AP)-CONGRESS WAS ASKED TODAY TO MAKE IT EASIER FOR CERTAIN CLASSES OF AMERICAN CITIZENS TO REGAIN PROPERTY TAKEN OVER BY THE GOVERNMENT DURING THE WAR.

SEVERAL ATTORNEYS TOLD THE HOUSE COMMERCE COMMITTEE THE TRADING WITH THE ENEMY ACT SHOULD BE CHANGED TO PERMIT THE OFFICE OF ALIEN PROPERTY TO BE MORE LIBERAL IN ITS RULINGS.

JOHN L. NOWLAND OF NEW YORK TESTIFIED THAT "UNJUST DISCRIMINATION" RESULTS FROM PRESENT LAWS COVERING THE RETURN OF ALIEN PROPERTY.

BECAUSE OF "THE OPPRESSION CLAUSE" OF THE NATIONALITY ACT, HE SAID, GERMAN JEWS IN SOME CASES HAD "SUPERIOR RIGHTS" TO REPATRIATED AMERICANS--THOSE WHO GAVE UP AND THEN REGAINED U.S. CITIZENSHIP.

THE OFFICE OF ALIEN PROPERTY, HE SAID, IS ABLE TO RESTORE THE PROPERTY OF GERMAN NATIONALS WHO SUFFERED OPPRESSION AT THE HANDS OF THE NAZIS BECAUSE OF THEIR RELIGION WHILE IT COULD NOT HELP REPATRIATED AMERICANS IN SOME CASES.

MAR 1948

"IF CONGRESS DEEMS FIT TO RESTORE CITIZENSHIP AND REPATRIATE THESE AMERICANS," HE SAID, "IT, IN ALL JUSTICE, SHOULD RETURN THEIR PROPERTY."

SIMILAR TESTIMONY WAS GIVEN BY HARRISON E.WEMMETT OF METUCHEN, N.J.

A MEMORANDUM FROM THE OFFICE OF ALIEN PROPERTY SAID THAT 35,000 CLAIMS HAVE BEEN FILED FOR THE RETURN OF PROPERTY. OF 600 CLAIMS THAT HAVE BEEN INVESTIGATED, THE OFFICE SAID 30 INVOLVED U.S. CITIZENS WHO OBTAINED ENEMY NATIONALITY BY MARRIAGE. THESE CLAIMS, THE OFFICE SAID, ARE FOR PROPERTY VALUED AT "UPWARDS FROM $1,000,000."

TROOPS (300)

BY ELTON C. FAY

WASHINGTON, MARCH 8-(AP)-HOW FAST COULD THE 250,000 AMERICAN TROOPS STATIONED IN THE WORLD'S DANGER SPOTS BE REINFORCED OR REMOVED?

MILITARY TRANSPORTATION EXPERTS BELIEVE THERE ARE ENOUGH SHIPS TO DO THE JOB--BUT ONLY FOR THE GRIM REASON THAT THE RESERVE FORCE IS SMALL.

AVAILABLE FIGURES SHOW THERE ARE ONLY ABOUT TWO AND ONE-THIRD COMBAT DIVISIONS IN THE CONTINENTAL UNITED STATES--OR ABOUT 30,000 MEN.

THE ARMY TRANSPORTATION CORPS, IN ANSWER TO QUESTIONS, MADE AVAILABLE TODAY A TALLY OF THE ARMY'S PRESENT FLEET.

IT SHOWS THERE ARE ABOUT 160 ARMY-OWNED OR ARMY-MANNED SHIPS CURRENTLY IN OPERATION. OF THESE, LESS THAN 60 ARE TROOPSHIPS, BUT THE MAJORITY OF THE REMAINING CARGO VESSELS COULD BE USED TO CARRY SOLDIERS IN AN EMERGENCY.

THE SHIPS ARE ASSIGNED ABOUT EQUALLY TO THE ATLANTIC AND PACIFIC. THIS REFLECTS THE APPROXIMATE DEPLOYMENT OF TROOP STRENGTH BETWEEN OCCUPATION ZONES IN EUROPE AND THE FAR EAST.

THE 160 ARMY SHIPS ARE NOT ALL THAT COULD BE COUNTED UPON, HOWEVER, IF A SWIFTLY DEVELOPING SITUATION CREATED A SUDDEN DEMAND. A TRANSPORTATION CORPS OFFICIAL NOTED THAT THE NAVY ALSO HAS SOME PASSENGER-CARRYING SHIPS, AND REGULAR COMMERCIAL LINERS COULD BE DIVERTED TO TROOP USE IN A HURRY.

FURTHERMORE, THE MARITIME COMMISSION'S RESERVE FLEET CONTAINED SLIGHTLY MORE THAN 1,400 LAID-UP CRAFT AT THE LATEST COUNT. HOWEVER, THE TIME NEEDED TO PUT THESE SHIPS BACK INTO OPERATION IS ESTIMATED AT FROM THREE OR FOUR WEEKS TO SEVERAL MONTHS.

ALTHOUGH THE AIR FORCE HAS A TROOP TRANSPORT ORGANIZATION, PLANES EXIST IN NEITHER THE NUMBERS NOR HAVE THE RANGE NEEDED FOR OVERSEAS MOVEMENT OF MASSES OF MEN. IT'S CHIEF JOB IS TO MOVE COMPARATIVELY SMALL STRIKING FORCES QUICKLY INTO LOCAL BATTLE AREAS TO SPEARHEAD A DRIVE OR TO SEIZE OR HELP HOLD A LIMITED AREA.

THE 160 SHIPS THE ARMY NOW USES IS A TINY REMNANT OF ITS WARTIME FLEET. AT THE PEAK OF WORLD WAR II IT HAD 1,756 SHIPS AND USED 188,685 MEN TO MAN THEM AND CONDUCT SHORE OPERATIONS CONNECTED WITH MOVING TROOPS AND SUPPLIES. TODAY THE TRANSPORTATION CORPS HAS ABOUT 68,700 MEN, MORE THAN HALF OF WHOM ARE CIVILIANS.

SHAKEUP

BY JOHN M. HIGHTOWER

WASHINGTON, MARCH 8-(AP)-A SHAKE-UP OF THE WAY THE STATE DEPARTMENT OPERATES IS UNDER STUDY.

PERSONS FAMILIAR WITH THE DETAILED REORGANIZATION PLAN SAID TODAY ITS MAIN OBJECTIVE IS TO TIGHTEN THE WORKINGS OF THE BIG DEPARTMENT, WHICH HAS TAKEN ON MANY NEW DUTIES SINCE THE END OF THE WAR.

WHETHER THE PLAN ACTUALLY WILL BE CARRIED OUT, HOWEVER, REMAINS TO BE DECIDED BY SECRETARY MARSHALL AND PRESIDENT TRUMAN.

IT IS UNDERSTOOD TO ASSIGN MAJOR AUTHORITY FOR THE DAY TO DAY OPERATIONS OF AMERICAN FOREIGN POLICY TO FOUR ASSISTANT SECRETARIES. THEY WOULD BE RESPONSIBLE, RESPECTIVELY, FOR UNITED STATES RELATIONS WITH (A) EUROPE, (B) LATIN AMERICA, (C) THE FAR EAST AND (D) THE MIDDLE EAST AND AFRICA.

IN ADDITION THERE WOULD BE EITHER THREE OR FOUR OTHER ASSISTANT SECRETARIES TO HANDLE PUBLIC RELATIONS (BOTH DOMESTIC AND FOREIGN), ECONOMIC AFFAIRS, UNITED NATIONS AFFAIRS AND POSSIBLY THE ADMINISTRATION OF OCCUPIED AREAS, SUCH AS GERMANY AND JAPAN.

SUCH AN ASSIGNMENT OF DUTIES WOULD DIFFER RADICALLY FROM THE PRESENT SYSTEM.

NOW, FOR EXAMPLE, ASSISTANT SECRETARY NORMAN ARMOUR IS IN CHARGE OF POLITICAL RELATIONS BETWEEN THE UNITED STATES AND ALL OTHER NATIONS. ASSISTANT SECRETARY WILLARD THORP RUNS ECONOMIC RELATIONS, AND ASSISTANT SECRETARY-DESIGNATE GEORGE ALLEN, WHEN HE TAKES OFFICE IN THE NEXT FEW DAYS, WILL HAVE CHARGE OF PUBLIC RELATIONS.

IN THE TOP-MOST LEVEL IMMEDIATELY UNDER MARSHALL, THE VACANT POSITION OF UNDERSECRETARY FOR ECONOMIC AFF

IN THE TOP-MOST LEVEL IMMEDIATELY UNDER MARSHALL, THE VACANT POSITION OF UNDERSECRETARY FOR ECONOMIC AFFAIRS WOULD BE ALLOWED TO LAPSE. BUT A NEW UNDERSECRETARYSHIP FOR ADMINISTRATION WOULD BE CREATED FOR A PERMANENT APPOINTEE.

MAR 1948

30.24- 16105

THE DEPARTMENT THUS STILL WOULD HAVE TWO UNDERSECRETARIES. ONE, AS ROBERT A. LOVETT DOES NOW, WOULD SERVE AS "CHIEF OF STAFF" TO THE SECRETARY AND GENERALLY RUN THE WHOLE ORGANIZATION. THE OTHER WOULD BE IN CHARGE OF ALL ADMINISTRATIVE WORK AND, AS A PERMANENT OFFICIAL, WOULD BE SUPPOSED TO KEEP THE DEPARTMENT ON AN EVEN KEEL REGARDLESS OF ANY POLITICAL CHANGES IN THE GOVERNMENT.

MAR 1948

A12WX

THE LAST EXTENSIVE REORGANIZATION OF THE DEPARTMENT WAS CARRIED OUT FOUR YEARS AGO BY THEN-SECRETARY EDWARD STETTINIUS, JR. HE ESTABLISHED THE PRESENT SYSTEM OF SIX ASSISTANT SECRETARIES AND BROKE UP THE WORK OF THE DEPARTMENT ACCORDING TO FUNCTIONS; THAT IS, ONE DIVISION HANDLING ECONOMIC AFFAIRS, ANOTHER POLITICAL AFFAIRS, ANOTHER PUBLIC AFFAIRS, AND SO ON.

JAMES F. BYRNES DID LITTLE IN THE WAY OF REORGANIZATION, POSSIBLY BECAUSE HE SO OFTEN WAS OUT OF THE COUNTRY AT PEACE CONFERENCES.

ONE OF MARSHALL'S FIRST DECISIONS WHEN HE TOOK OFFICE 14 MONTHS AGO WAS TO STREAMLINE HIS STAFF AND DELEGATE BROAD AUTHORITY TO LOVETT SO MARSHALL COULD DEVOTE MAXIMUM TIME TO MAJOR ISSUES AND A MINIMUM TO EVERY DAY PROBLEMS.

BUT THE PLAN NOW UNDER STUDY IS THE MOST EXTENSIVE THAT HAS COME BEFORE HIS ADVISERS.

WASHINGTON,MARCH 8-(AP)-ONLY A HANDFUL OF EXPLOSIVES WAS USED IN THE BIKINI ATOM BOMB TEST ON WARSHIPS, REP.ALBERT J.ENGEL (R-MICH) SAID TODAY.

HE WAS ONE OF THE CONGRESSIONAL OBSERVERS ASSIGNED TO THE TEST MADE IN THE PACIFIC IN THE SUMMER OF 1946. AFTER DESCRIBING THE DAMAGE DONE, HE SAID:

"ALL THIS WAS DONE, I AM TOLD, WITH AN AMOUNT OF EXPLOSIVE THAT A MAN COULD CARRY IN ONE HAND."

ENGEL'S STATEMENT, SIMILAR TO ONE HE HAD MADE BEFORE, WAS PART OF A PREPARED HOUSE SPEECH OPPOSING COMPULSORY MILITARY TRAINING IN PEACETIME.

FR1030AES

MAR 1948

WASHINGTON, MARCH 8-(AP)-THE AMERICAN BAR ASSOCIATION URGED TODAY THAT HUSBANDS AND WIVES BE ALLOWED TO DIVIDE THEIR FAMILY INCOME EVENLY FOR TAX PURPOSES.

THIS WOULD MEAN THAT IF A HUSBAND HAD A $10,000 INCOME, FOR INSTANCE, HE COULD REPORT AND PAY TAXES ON $5,000 AND HIS WIFE ON $5,000. THE TAX ON TWO $5,000 INCOMES IS SMALLER THAN ON ONE $10,000 INCOME.

THIS CAN BE DONE NOW IN 12 SO-CALLED COMMUNITY PROPERTY STATES.

ALLAN H.W.HIGGINS OF BOSTON, CHAIRMAN OF A TAX SUBCOMMITTEE, GAVE THE BAR ASSOCIATION'S VIEWS TO THE SENATE FINANCE COMMITTEE WHICH IS STUDYING NEW TAX LEGISLATION.

THERE IS A PROVISION FOR INCOME SPLITTING IN THE $6,500,000,000 TAX-CUTTING BILL ALREADY PASSED BY THE HOUSE. THE SENATE COMMITTEE, AIMING AT TURNING OUT A BILL BY THE WEEK'S END, IS EXPECTED TO APPROVE THE SAME PRINCIPLE.

THE HOUSE-PASSED BILL WAS CRITICIZED BY A CIO WITNESS.

(ADVANCE) WASHINGTON, MARCH 8-(AP)-REP. ALBERT J. ENGEL (R-MICH) SAID TODAY THAT COMPULSORY MILITARY TRAINING IN PEACETIME WOULD BE A DETRIMENT RATHER THAN A HELP TO NATIONAL DEFENSE.

UNIVERSAL TRAINING "IS AS OBSOLETE AS A CIVIL WAR CANNON," HE SAID IN A STATEMENT PREPARED TO BE READ IN THE HOUSE.

MOST IMPORTANT FOR NATIONAL DEFENSE, HE ADDED, IS TO BE ABLE TO PRODUCE MODERN WEAPONS QUICKLY AND IN VOLUME.

HE SAID THAT IN WARTIME THE OUTPUT OF WEAPONS LAGS BEHIND THE TRAINING OF MEN. EVEN IF THE NATION HAD MILLIONS OF TRAINED MEN, HE SAID, THE MEN WOULD HAVE "NO ARMS TO SPRING TO" ON THE OUTBREAK OF WAR.

ENGEL BACKED THIS UP WITH TESTIMONY PRESENTED TO THE ARMY APPROPRIATIONS SUBCOMMITTEE OF WHICH HE IS CHAIRMAN.

HE SAID THAT GENERAL H.H. ARNOLD, WARTIME CHIEF OF THE AIR FORCES, TOLD THE COMMITTEE IN 1945:

"YOU CAN, HOWEVER, TRAIN PERSONNEL FASTER THAN YOU CAN BUILD EQUIPMENT."

THE SAME HOLDS FOR INFANTRY TRAINING, ENGEL SAID. HE CITED TESTIMONY BEFORE HIS COMMITTEE BY MAJ. GEN. JAMES G. CHRISTIANSEN THAT 17 WEEKS' TRAINING IS ALL THAT IS NEEDED TO TURN A RAW RECRUIT INTO AN EFFECTIVE FIGHTING MAN.

CHRISTIANSEN WAS CHIEF OF THE ARMY GROUND FORCE STAFF WHEN HE TESTIFIED.

MAR 1948

ENGEL ASKED THE HOUSE TO ASSUME THAT THE UNITED STATES HAD HAD COMPULSORY TRAINING FROM 1920 TO 1940 AND 17,000,000 TRAINED MEN.

"JUST WHAT WOULD WE HAVE DONE WITH THEM WHEN THE EMERGENCY CAME," HE ASKED. "HOW MANY WOULD WE HAVE CALLED OUT, WHAT WOULD WE HAVE GIVEN THEM TO FIGHT WITH AND HOW MANY WOULD WE HAVE HAD TO RE-TRAIN?

"WE WOULD NOT HAVE DARED TO CALL THEM FROM THE CIVILIAN PRODUCTION OF FOOD AND WEAPONS INTO THE ARMED SERVICES UNTIL WE HAD PRODUCED WEAPONS WITH WHICH TO ARM THEM. WE WOULD HAVE HAD TO RE-TRAIN 90 PER CENT OF THEM AND WOULD HAVE TO DO SO AGAIN."

ENGEL PROPOSED THAT EDUCATIONAL ORDERS BE PLACED WITH INDUSTRY. HE SAID THIS WOULD ENABLE INDUSTRY TO CONVERT TO WAR PRODUCTION QUICKLY AND WOULD BUILD UP A POOL OF MEN TRAINED IN MAKING MODERN WEAPONS.

30.24- 16107

HE SCOFFED AT THE IDEA THAT THE ATOMIC BOMB HAS MADE UNIVERSAL PEACETIME TRAINING NECESSARY. ON THE CONTRARY, HE SAID, IT HAS ENDED THE DAY OF GREAT CONCENTRATIONS OF MANPOWER.

ENGEL ADVOCATED A JOINT DEFENSE OF NATIONS BELIEVING IN FREE GOVERNMENT AND THE OUTLAWING OF ANY NATION WHICH THREATENS WAR AND THE USE OF THE ATOMIC BOMB.

CRIPPS SEES CRASH UNLESS U. S. HELPS

BRITAIN IS WARNED OF NEW AUSTERITY

C. Williams

LONDON, rMarch 9—(AP) Sir Stafford Cripps, boss of Britain's economics, laid before his country today the "excessively grim" possibility of hunger and unemployment unless United States aid is approved by congress.

In a 30,000 word "economic survey for 1948" he listed imports of food and vital raw materials only until the end of June. He said for later months "they have not yet been finally decided."

Awaits Marshall Aid Decision

The chancellor of the exchequer said emergency schemes for slashing food and other purchases are already being considered if Marshall Plan aid fails to arrive. Plans are also being made for making the most of the money if it becomes available.

Cripps did not go into detail about the plans but said "preparations are being made for either eventuality." He added "it must be understood that if there is no certainty of aid by the middle of this year, the resulting inevitable cuts in imports would affect raw materials as well as food, and so cause serious unemployment."

Cripps said imports from the western hemisphere will be cut further.

NIGHT

"The year will beyond doubt be dominated by the decisions of the U.S. congress on the grant of aid to Europe for reconstruction," he added. "Without further substantial external aid we can have no hope of recovering equilibrium at a reasonable standard of life within the next few years." (INSERT)

His report, in the form of a white paper, showed that British citizens will average only 2,681 calories of food daily in the first six months of this year. This compared with 2,880 last year and 3,000 pre-war.

Cripps said this food level has already created some marginal cases in which industrial production fell off for lack of human energy. He predicted substantial declines if the food level falls much lower.

The white paper saw unemployment rising from the present 300,000 level to 450,000 by the end of the year.

Lord Beaverbrook's Evening Standard greeted the survey with a banner headline calling it "The Black Paper."

The report set an export rate to be reached by the end of the year equal to a 50 per cent increase over 1938. The goal for an unstinted way of life is a 75 per cent increase.

Cripps Sees U.S. Aid Needed To Save Britain

B. Poole

London, March 9 (AP)—Sir Stafford Cripps told Parliament today that British economy would collapse unless substantial United States aid comes this year.

The Chancellor of the Exchequer said in a White Paper that only the Marshall plan can prevent wholesale unemployment, distress and dislocation of production.

The summary predicted that Britons would get less food and clothing. It said that, without the Marshall plan, there is "no prospect of a decent standard of living for years."

DAY

Cold And Drought Cited

The severe cold of the Winter of 1946-47 and the summer drought were blamed for impending reductions. The White Paper estimated net national income for the year at £9,000,000,000 ($36,000,000,000) and said Britain is likely to borrow another £250,000,000 ($1,000,000,000) from abroad.

Imports from the Western Hemisphere will be cut still further in the first half of 1948 to save gold and dollars. The White Paper said the imports would be "no more than sufficient to maintain the nation in health and working efficiency."

The Government estimated British spending in Germany during the first half of 1948 at $28,000,000. In all of 1947, the British spent $316,000,000 there, but the United States now has assumed 80 per cent of the costs of the American and British zones.

Military Expenses Cut

Overseas military expenses will drop from $844,000,000 for all 1947 to $304,000,000 in the first half of 1948.

"The year is bound to be one of great anxiety," the paper said, "but we can help to make it the first year of a great upward turn in the European economic recovery.

"This year will beyond doubt be dominated by the decisions of the United States Congress on the grant of aid to Europe for reconstruction. Without further substantial external aid, we can have no hope of recovering equilibrium at a reasonable standard of life within the next few years."

30,000-Word Picture

In a 30,000-word picture of Britain's outlook for the year, issued by Sir Stafford, these facts were dominant:

The Government has been forced to slash its vital 1948 export goal by ten per cent because foreign markets are becoming "saturated."

The number of unemployed will rise from 300,000 at the end of 1947 to 450,000 this year.

Withdrawals of £222,000,000 ($888,000,000) are expected to be made by June from Britain's "last-ditch" fund of £680,000,000 ($2,720,000,000) in gold and dollar reserves with which the nation began the year.

Food imports from the Western Hemisphere will be reduced to the barest minimum, forcing down the average daily intake of calories to 2,681 per person from the 1947 average of 2,880, and the prewar average of 3,000.

Further Rationing Hinted

Further tightening of already stringent clothing rationing was forecast unless there is "a marked increase" in production of textile goods.

Export production will be aimed at the peak of Britain's manpower and material resources. Imports will be held to a strict minimum.

Starvation Signs Seen In Britain

London, March 9 (AP)—A London dietitian said today many Britons are showing the first signs of starvation.

Dr. Z. A. Leitner, of St. Mary's Hospital, wrote in the *Medical Press*:

DAY

"For the last twelve months I have seen, as have many others, an increasing number of patients with mild deficiency symptoms."

However, F. Legros Clark, a scientist, wrote in the magazine that "a shortage of calories, provided the diet remains in balance, need only result in some loss in average weight and some fall in the level of (industrial) output."

London Tells Guatemala Honduras Is Still British

LONDON, March 9 (AP).—Great Britain reiterated its claim to full sovereignty over British Honduras today in a formal note to Guatemala. Guatemala has been claiming the British colony in Central America for a century.

The British note answered two Guatemalan protests of Jan. 21 and Feb. 7 against British plans for a Federation of Caribbean Territories and for immigration into British Honduras. Guatemala said putting these plans into effect would be an "unfriendly act."

The note said that unless Guatemala is prepared to submit the conflict to the International Court, she "should desist from a policy which can serve no good purpose and can only be an impediment to good relations between the two countries."

The British recently sent two cruisers to British Honduras with troops to guard against the possibility of "incursions" from across the Guatemalan border by "irresponsible elements."

British Home Fleet Chief, Admiral Syfret, Retires

London, *Wednesday, March* 10 (AP)—Admiral Sir E. Neville Syfret, commander in chief of the British Home Fleet from 1945 to January, 1948, retired today.

Syfret, 58, has been in the navy 44 years. He asked to be retired to facilitate the promotion of junior officers.

Briton Optimistic On Movie Imports

London, March 9 (AP)—Harold Wilson, president of the Board of Trade, expressed optimism tonight over the possibility of resuming American movie exports to Britain.

"If good will can secure a settlement, then it is secure," Wilson said in a brief speech at a Cinema Exhibitors Association dance. Eric A. Johnston, president of the Motion Picture Producers Association of America, is negotiating the subject with British officials.

Wilson said he was pleased that Johnston "completely understands" the shortage of dollars that forced Britain to impose a 75 per cent tax on film imports last year. The high tax caused Hollywood producers to ship no more films to Britain.

NIGHT

"We look forward very soon to the best of American films being shown again in our cinemas," Wilson said. "And I want to make it clear when I say best, the judge is the box office. . . .

"I am sure the combined wisdom of Mr. Johnston and his party will presently bring a happy solution which everybody wants—the British Government, cinema owners and cinemagoers."

Efforts toward a compromise will be resumed at a meeting tomorrow. Earlier today, an assistant to Johnston said the talks "are at a crucial stage, but we can't tell which way the cat will jump."

Shell Oil Says Romania 'Forcibly' Dissolves Unit

LONDON, March 9 (AP).—Shell Oil Co. announced today that its Romanian subsidiary Astra Romana S. A., is "in a state of forcible dissolution." Astra Romana is the biggest oil company in Communist-dominated Romania, producing

35 per cent of the country's petroleum.

Dissolution, the announcement said, was "a result of the many acts of interference by the supervisory administrator appointed by the Romanian government in the administration and affairs of the company, and against the rights and interests of its shareholders."

All British and Dutch employees of the company have been advised to return to their homelands.

Envoy's Wife Declines Women's Day Invitation

London, March 9 (AP)—Mrs. Lewis W. Douglas, wife of the United States Ambassador, declined at the last minute last night to attend a meeting of the International Women's Day committee.

W. Waldemar J. Gallman, counselor of the embassy, explained:

"Mrs. Douglas heard only after accepting the invitation of some of the activities of the organization. She decided not to go."

International Women's Day was celebrated throughout the Soviet Union yesterday. Mrs. E. Zarubin, wife of the Russian Ambassador, is a vice president of the Women's Day Committee in London.

The committee chairman, Lady Megan Lloyd-George resigned two days ago. She said she could no longer be associated with a movement which as "increasingly come under extreme Left and Communist influence."

British City Honors Valor of U.S. Flyer

Captain Died to Prevent Crashing Into Outskirts

STAFFORD, England, March 9 (AP).—A plaque in memory of an American fighter pilot was unveiled today in a ceremony unique in this city's 1,100-year history. It honors the valor of Captain John P. Perrin, of Atlantic City.

The inscription on the plaque recalls that Captain Perrin "sacrificed his life by remaining at the controls of his damaged aircraft and thus avoiding crashing onto the outskirts of Stafford, July 4, 1944."

It adds: "He died that his friends might live."

Captain Perrin was a fighter pilot who had completed 200 hours of combat duty over enemy territory. He held the Distinguished Flying Cross and the Air Medal with Oak Leaf clusters.

Mayor Ruth Turney eulogized Captain Perrin for a "deeply courageous action," and recalled that the city's sympathy had been conveyed to his mother, Mrs. Susan Perrin, of 21 North Vermont Avenue, Atlantic City. The Mayor announced that a street here had been renamed "Perrin Close."

Women and children wept as the ceremony closed with Royal Air Force buglers sounding "Last Post' 'and "Reveille."

SOVIETS RELEASE 2 U. S. OFFICIALS

NUERNBERG, Germany, March 9.—(AP) Two American officials and their wives, held for 27 hours by Russian troops in the Soviet occupation zone of Germany, returned safely today to Nuernberg.

The officials are Howard H. Russell of Baltimore, Md., chief of the administrative division of the U. S. war crimes prosecution staff, and Virgil Van Street, of Catonsville, Md., a member of the I. G. Farben prosecution staff.

Both said that at no time were they mistreated by the Russians. The language barrier presented their only problem, they added.

The two couples visited the Leipzig fair last week. American authorities began inquiries when they failed to return at the expected time.

NIGHT

Russell's office gave this account:

The Russells and the Van Streets were leaving the Russian zone near Hof and asked German police how to get to a highway. The directions apparently were wrong and they ended up on a side road.

Armed Russian soldiers found them on this road about 4 p. m. Sunday and took them to a control point at Hirschberg. A Russian officer took them to Leonstend at midnight and put them in a German hotel for the night.

An English-speaking Russian officer, the first they had encountered, questioned them at noon Monday. He took Van Street to aRussian court at Weimar and a Russian judge ordered their release. This took place late Monday. The Russians lodged them in a Weimar hotel Monday night, gave them food and gasoline and ordered them to leave the Soviet zone early today.

They left this morning on the 130-mile drive from Weimar to Nuernberg.

Nuernberg March 9 (A. P.).—Two high officials of the American war crimes prosecution staff and their wives returned here safely today after twenty-seven hours in the custody of armed Russian soldiers within the Soviet-occupied zone of Germany. The two are Howard H. Russell of Baltimore, Md., chief of the administrative division, and Virgil Van Street of Catonsville, Md., member of the I. G. Farben prosecution staff.

They visited the Leipzig fair together with their wives in the last week. They were overdue in Nuernberg by several days, and inquiries were made. The group finally returned late this afternoon, weary and nervous but unharmed.

DAY

Russell's office told this story: The four were leaving the Russian zone near Hof and asked the German police how to get to a highway. Apparently the directions were wrong and the party wound up on a side road. Armed Russian soldiers picked them up and held them at Hirschberg, in a control point deep in the forest. This was about 4 P. M. on Sunday. At midnight a Russian officer escorted them to Loenstend and put them in a German hotel for the night.

At noon on Monday an English-speaking Soviet officer—the first the party had encountered—asked if any of them were lawyers. Van Street accompanied him to a Russian court in Weimar and, after a discussion with the judge, their release was ordered. This was done late yesterday. The Russians then lodged the group in a Weimar hotel for the night, gave them food and gasoline and instructed them to leave the zone early today.

Both Russell and Van Street said that at no time were they mistreated or abused. The problem, they emphasized, was the language barrier.

U.S. Food-Gift Ship Unloads At Bremen

MAR 1948

Bremen, Germany, March 9 (AP)—The S.S. Gretna Victory began discharging today 3,000 tons of food and clothing given Germany and Austria by the Northwest United States and Alaska.

Fog delayed arrival of the ship four days. Representatives of the donor states, the United States Military Government and the Mayor of Bremen attended ceremonies at the dock.

DAY

Train To Distribute Cargo

A "friendship train" will leave here Thursday on a long haul to deliver the gifts. It will go to Duesseldorf, Coblenz, Frankfurt and Berlin. Gifts will be distributed in all three Western zones of Germany and Austria.

German dock workers volunteered to unload the snip without pay.

The schoolchildren of this ancient city had a surprise holiday to greet the Gretna Victory.

The food and clothing were given by the people of Idaho, Montana, Oregon, Washington and Alaska.

Many View Ceremony

Despite raw, foggy weather, a dockside ceremony at the commencement of unloading was watched by a thousand German schoolchildren and other citizens as well as a large gathering of American and German officials handling the shipment.

At the ceremony were representatives from each of the four contributing states. Ralph Bartholomew, representative of Alaska, was unable to attend, as he was indisposed, Military Government officials said.

Cites Spirit Behind Gifts

Capt. Charles Jeffs, acting director of the AMG in Bremen, told the Germans:

"The most valuable cargo which this ship carries is somthing more appreciated than even the highly prized material gifts. It is something into which the stevedores cannot stick their hooks. It is the intangible spirit of helpfulness, encouragement and good-neighborliness which prompted and attended the dispatch of these gifts."

Wilhelm Tiesen, burgomeister of Bremen, thanked the Americans for the gift, which he said was the first of its kind to reach Germany, although other such ships had gone to other parts of Europe.(900)

Warrant Now Required For Search In Germany

Frankfurt, Germany, March 9 (AP) — United States Army Headquarters issued orders today that military authorities in Germany must not make any arrests, searches or seizures without a warrant.

The new regulations protect Germans as well as American and Allied persons.

Their issuance is the second major step taken recently to apply American constitutional rules to United States military procedure in Germany. United States Military Government recently inaugurated the use of writs of habeas corpus by which imprisoned persons may obtain a hearing.

Reich Court Acquits Hitler Bodyguard Chief

Hamburg, March 9 (AP)—A German court has acquitted the commander of Adolf Hitler's Elite SS bodyguard of "knowledgeable membership in a criminal organization."

He is Maj. Gen. Theodor Wisch, 41. The court is one of those trying cases against members of organizations ruled criminal by the International Military Tribunal at Nuernberg.

5 Nations Reported Reaching Basis For Alliance

Brussels, March 9 (AP)—Negotiators at the western European conference were reported tonight to have reached a basis for converting their projected union into a solid five-way military alliance.

Fernand van Langenhove, of Belgium, the presiding officer, denied that the five nations might ask

the United States to back the alliance with a guarantee of military aid.

NIGHT

A conference spokesman said the delegates of Britain, France, Belgium, the Netherlands and Luxembourg had agreed on further points of "mutual defense and procedure for consultation."

Concessions From Both

The new development involved concessions from both sides. The British were believed to have received approval from London to yield on their original proposal for a series of two-power military pacts involving all five powers. They were to have accepted the Benelux (Belgium, Netherlands, Luxembourg) counterproposal for a single pact binding all five powers.

On the other hand, the Benelux countries were understood to have yielded from their initial proposal to limit the alliance to the defense of the five mother countries, excluding their colonies.

A British source said the delegates were now working on a formula which would recognize that threats outside Europe by other European powers can be at the same time a threat to the peace of Europe.

May Delay Signing

The formula sought still would protect Belgium, the Netherlands and Luxembourg from being committed to the empires' non-European quarrels.

"We can understand," this source said, "that Luxembourg, for instance, would not want to commit herself on our disagreement, say, with Guatemala. But there are other parts of the world where an aggression from some sources might be of much greater importance to us all."

The working out of this formula may delay the signing of the pact until after the March 16 meeting of the sixteen Marshall plan nations in Paris. But it is expected to be initialed by that time.

Van Langenhove's denial that the conference would ask United States military support was prompted by reports from French diplomatic sources in Paris. These sources said France had not asked for American military aid for herself, but that the Brussels conference might ask for a pledge of military support in event the western bloc were attacked.

U.S. May Get Bid To Back Europe Union

Paris, March 9 (AP)—The five-nation conference in Brussels may ask the United States for a military guarantee of a western European defense pact, a French diplomatic source said today.

Representatives of France, Britain, Belgium, the Netherlands and Luxembourg are scheduled to start today the military phase of their negotiations for a western European union to check the spread of communism, the informant said.

He added that the conference might decide to ask Washington to pledge automatic American military aid if the western bloc is attacked.

A Foreign Ministry spokesman denied that France had requested an American guarantee of aid. He declined to predict whether the five nations might make such a request.

[In Brussels, French Delegate Roland de Margerie declined comment on reports that the five powers would seek to have its defensive stature backed by the United States.]

ROME'S POLICE QUIZ EX-PRIEST

Unfrocked Prelate Questioned In Robberies, Money Deals

Rome, March 9 (AP)—Rome's police chief said tonight an unfrocked and arrested Catholic prelate was being questioned concerning a series of robberies and illegal currency deals totaling more than 1,000,000,000 lire ($1,600,000).

Former Msgr. Edoardo Prettner, one-time keeper of the archives in the Vatican Secretariat of State, escaped several weeks ago from an apartment in the Vatican. He was arrested today by Rome police who found him hiding in a fashionable apartment.

Three Automobiles

Police said Prettner would have to face these charges: Robbery, illegal traffic in foreign currency, misappropriation of funds, forgery of Vatican documents and faking the theft of his family's jewels. The nature of the charges was not explained fully.

Rome newspapers said Prettner, 42, lived lavishly and had a luxury apartment and three fine automobiles—one American and two Italian.

Rosario Barranco, chief of Rome's mobile police, said questioning had failed to establish that Prettner engaged in secret political dealings. Rome newspapers had hinted that he had "dealt" important Vatican documents to a foreign power.

The former priest remained calm and ironic as he answered questions concerning his dealings in and out of the Vatican.

A warrant was sworn out Sunday for Prettner's arrest at the request of lawyers for the wealthy and prominent Cippico family, of Trieste, to which he is related.

The warrant charged Prettner with disposing improperly of $150,000 in jewels entrusted to him during the German occupation.

Police In Gem Case Arrest Ex-Priest

Rome, March 9 (AP)—Italian police announced the arrest today of Eduardo Prettner Cippico, 42, an unfrocked Catholic priest.

The police said last Friday they were investigating the disappearance of $450,000 worth of jewels in connection with his flight from house arrest in the Vatican the previous day.

Found In Rome Suburb

Today's announcement said mobile squads found Prettner, former keeper of the archives for the Vatican Secretariat of State, in the home of two women in a Rome suburb. It said "important documents" also were seized. The women were identified as the wife and daughter of a former general of the Fascist militia.

The Holy See unfrocked the priest after his flight in order that Italian police might arrest him without violating the Lateran treaty. The Vatican announcement said he had confessed many "swindles and falsehoods."

Mother's Family Prosecutes

A warrant for his arrest was sworn out Saturday on complaint of attorneys for the wealthy and prominent Cippico family of Trieste, to which he is related through his mother. The warrant charged him with disposing improperly of jewels confided to his care during the German occupation.

The affair has been given big headlines in Rome's Communist press.

Italian-Dutch Trade Treaty

ROME, March 9 (AP).—Italy and the Netherlands signed a commercial treaty here Friday, the Italian Foreign Ministry said today.

Czech Purge Being Studied

Prague, March 9 (AP)—Czechoslovakia's Parliamentary Action Committee, formed to purge Parliament, gets down to business today.

The new Communist-controlled Government said in a broadcast last night that all parliamentary deputies elected in 1946 and still seated when the Government changed hands, can come in safety to the first meeting of Parliament tomorrow.

The Government radio broadcast quoted the Parliament secretariat as denying that any deputies were threatened with a loss of immunity. The broadcast said reports that deputies would not have parliamentary rights were "lies of enemies of the republic."

Nevertheless, the Parliamentary Action Committee, headed by a woman Communist deputy, scheduled a meeting today on future plans, a subsequent broadcast said.

The committee's announced plan is to weed out of Parliament any deputies who refuse to pledge loyalty to the Government, or whose past actions give doubt to their future attitude.

The presidium of Parliament will meet tonight to consider the agenda for the coming session.

The presidium is expected to call for speed in writing a constitution, enactment of decrees nationalizing land, and for laws to make the work of action and purge committees legal in all national life.

Benes's Brother Resigns

Prague, March 9 (AP)—Vojta Benes, brother of President Eduard Benes, has resigned from Parliament, the newspaper *Pravo Lidu* said tonight.

Vojta Benes was a Right-wing member of the Social Democratic party. His action came on the eve of a meeting of the Parliament.

The newspaper said Dr. Vilem Bernard, for two years head of the party's foreign section, resigned at the same time.

GREEK SUMMER VICTORY SEEN

Van Fleet Says U.S. Aid Will Tip Scales For Athens

Athens, March 9 (AP)—Maj. Gen. James A. Van Fleet declared today American aid to Greece will tip the scales of victory for the Greek army over the Communist-led guerrillas.

The head of the United States military mission referred to the guerrillas as "bandits" and added:

"My advice to bandits of good Greek origin is to surrender at once and for others to get out of Greece and stay out forever or be killed."

He made his statements at a news conference attended also by Brigadier C. D. Steele, of the British military mission, and Gen. Dmitrios Yadzis, Greek army commander. All three joined in predicting a decisive victory over the guerrillas this summer.

Five-Day Tour

Van Fleet said British materiel enabled the Greeks to hold their own for two years, but that this was not enough for final victory. American aid, he said, will tip the balance to the decided advantage of the Greek army.

Van Fleet and the other two generals have just completed a five-day tour of army units in northern and eastern Greece.

The American commander said the Greek Army was fighting a "civilized war," while its opposition was conducting "a most inhuman campaign of terrorism which cannot be classified as war."

"Pack Of Lies"

He termed a Communist report that the Greek Army had provoked incidents to justify United States intervention "a pack of lies from start to finish."

The danger of air attack from the guerrillas is not probable but "anything can happen," he said.

Steele said "we feel this will be handled and finished this summer." Yadzis declared that "the means at our disposal is now sufficient to attain our objective."

LEFTISTS LEAD FINNISH GROUP

Delegation Named For Pact Parleys With Russia

Helsinki, March 9 (AP)—President Juho Paasikivi appointed today a delegation of leftist complexion for the talks in Moscow on a Russo-Finnish treaty of friendship and military aid.

The seven-man delegation will be headed by Premier Mauno Pekkala, who was given authority to "sign any documents possibly arising out of the negotiations."

Parliament will have to ratify any pact agreed upon in Moscow. A majority of parties in Parliament oppose any military alliance with the Russians on the grounds it would put Finland in the Soviet eastern bloc. Three members of the delegation represent parties who are against a military pact.

To Begin About March 20

The discussions are expected to begin in the Soviet capital on or about March 20—about three weeks after Prime Minister Stalin made the treaty proposal in a letter to Paasikivi. The latter agreed to the negotiations yesterday after lengthy consultations with parliamentary leaders.

A Foreign Office source said all directives to the delegation will come from President Paasikivi, who will be in constant contact with the mission.

Paasikivi is still working on the final draft of the response to Stalin's invitation to open treaty negotiations, and it was not known when it would be dispatched to the Kremlin, the source added.

Joins Popular Front

Pekkala is a member of the Social Unity party, which has joined with the Communists in a popular front which controls 51 seats in Parliament. Both parties favor signing a pact of friendship and mutual aid with Russia.

The deputy chairman of the delegation is Carl Enckell, Russian-speaking Foreign Minister. He is an independent whose attitude toward the treaty has not been publicly stated. He is the Foreign Office authority on relations with Russia and some thought he had been scheduled to head the delegation to Moscow.

Opposing Military Pact

The three delegation members who represent parliamentary groups opposing a military alliance with Russia are Urho Kekkonen, Agrarian; Dr. J. Soederhjelm, Swedish People's party, and Onni Peltonen, president of the Social Democrats parliamentary group and chairman of Parliament's Foreign Affairs Committee.

The other delegation members are Reinhold Svento, Vice Foreign Minister, a member of the Social Unity party, and Yrjoe Leino, Minister of Interior, a Communist. They were expected to support the pact.

Some Finnish political sources said too much emphasis should not be placed on the leftist complexion of the delegation. They said Finland was still operating under democratic parliamentary procedure and the delegation must follow the directives it gets.

Asks To Be Kept In Touch

Parliament has asked that it be kept in regular touch with the military phase of the negotiations. It was not known whether special technical advisers on military matters would be attached to the delegation.

Kekkonen was described as a leftist in foreign affairs but ardently anti-Communist on the domestic scene. Government informants felt he would follow the Agrarian party line, which opposed a military pact.

Enckell, as the independent whose stand was not known, appeared to hold a balancing position in the delegation.

Most Finns appeared to be sitting back calmly awaiting the outcome of their discussions with the Russians, but the front of the Communists and Social Unity party stepped up their meetings in support of a full friendship and military pact.

7 Finns Named For Russian Treaty Talk

Helsinki, March 9 (AP)—Finland chose a delegation today to negotiate at Moscow on Prime Minister Stalin's proposal for a Russo-Finnish treaty of friendship and mutual assistance.

One of the seven-man delegation is a Communist and two others are members of the Communist-affiliated Socialist Union party.

The official Cabinet announcement said President Juho E. Paasikivi decided "to authorize the chairman of the delegation to sign any documents possibly arising out of the negotiations."

Parliament must ratify any agreement reached.

Government quarters said they expected the negotiations to begin on or about March 20. The seven-man Finnish delegation will be headed by Premier Mauno Pekkala. There was no indication whether special technical advisers on military matters will be attached to the group.

Arms Pact Opposed

The majority of Finland's political parties have expressed opposition to a military alliance with Russia. Of the seven delegates, three represent parliamentry groups which have gone on record against an arms pact.

The Finnish Cabinet session decided upon the makeup of the delegation at a meeting this afternoon. Finland's Foreign Minister, Carl J. A. Enckell, a non-party man, is vice chairman of the delegation. He speaks Russian and has been a member of practically all recent Finnish delegations in dealing with the Soviet Union.

Premier Pekkala is a member of the Socialist Union party, which is affiliated with the Communists in Finland's "Democratic Union."

Arms Pact Suggested

The Russians suggested a friendship and military pact.

Other members of the delegations will be:

Reinhold Svento, Socialist Union party, Deputy Foreign Minister; Yrjoe Leino, Communist, Minister of Interior; Dr. Urho Kekkonen, Deputy Speaker of Parliament, and a member of the Agrarian party; Dr. J. Soederhjelm, member of the Swedish People's party, and Onni Peltonen, a member of the Social Democratic party and chairman of the Parliament's Foreign Affairs Committee.

Enckell "Holds Balance"

Kekkonen, although an Agrarian party member, is a Leftist in foreign affairs. In internal matters he has been ardently anti-Communist.

Informed Government sources said they are certain Kekkonen will follow the Agrarian party line strictly. The Agrarians opposed a military pact.

Soederhjelm, an economist, and Peltonen represent parties which supported the opening of negotiations but opposed a military tie with Russia.

Enckell thus appeared to hold the balancing position on the delegation. An independent, his stand on the proposed agreement has not been made public.

Must Follow Directives

The Democratic Union bloc represented by Pekkala, Svento and Leino has come out for the pact.

The Liberal and Conservative parties are not represented on the delegation. Both are in opposition to the Government.

Finnish political circles said too much emphasis should not be placed on the Leftist complexion of the delegation. The reason, they said, is that Finland still is operating under democratic parliamentary procedure and the delegation must follow the directives it gets.

Finns Watch Woman Red Leader

Helsinki, Finland, March 9 (AP)—A lively little woman of 44 is the soul of Finland's Communist party and a moving spirit behind the proposed Soviet-Finnish treaty of friendship and mutual aid.

As such, Hertta Kuusinen is one of the most watched persons in Helsinki today as Finland gets ready to negotiate with Russia on the pact—suggested in a personal letter from Prime Minister Stalin.

Father Soviet Official

She is a Communist member of Parliament, a political writer for Communist publications and the daughter of Otto Kuusinen, a power in the Soviet Union as president of the Karelian Republic and vice president of the Supreme Soviet.

[The Karelian Republic is formed, in part, of territory the U.S.S.R. took away from Finland in 1939-40 and 1941-44. Otto Kuusinen, a Finn, played an important part on the Soviet side in both conflicts and rose to power in Moscow.]

Appeared "In Mourning"

Because of her links to Russia, many Finn politicians believe she is the pipeline for Moscow's orders to Finnish Communists. She is a frequent caller at the Russian Legation.

After the Popular Front of Communists and Radical Socialists suffered a setback in the municipal elections last December, Hertta Kuusinen appeared at the President's ball.

Soon after, she was off to Moscow with her second husband, Yrjoe Leino, Finland's Communist Minister of the Interior, whom she married in 1945. The secretary general of Finland's Communist party, Ville Pesse, also turned up in Moscow at the same time.

Pact Bid Foreseen

Finnish politicians then felt sure Communist political fences were being mended and future plans laid. They recalled that Leino said in a campaign speech it would be necessary for Finland to have a friendship pact soon with Russia.

Hardly two months later, Stalin addressed his letter to President Juho K. Paasikivi suggesting a friendship pact and military alliance.

Hertta Kuusinen, who dresses simply and wears her hair in a bun at the back of her head, parried all questions on her return from Russia.

"Visited Her Father"

"I visited my father and rested near Moscow," she said.

Pressed as to whether she discussed the pact with Stalin, she replied:

"I had no occasion to see Stalin and talked to no one about the pact."

She was educated in one of Helsinki's most fashionable and aristocratic schools. In 1922 she went to Russia with her father. He left Finland in the postwar revolutionary period and never returned.

Disappeared During War

She came back in 1934, schooled in communism, and worked as a teacher of Finnish at the Soviet Legation. During the 100 days of the Winter War in 1939-40, she went underground, reappearing after the peace.

When war broke out again in 1941, Hertta Kuusinen was interned for the duration as a Communist. Many of her colleagues also were put away.

After the armistice, in 1944, she was among the leaders who organized the Popular Front and since then has been its spokesman in Parliament.

CHINESE REPORT SZEPINGKAI TAKEN

Manchurian Fortress Said To Have Fallen To Reds

Peiping, March 9 (AP)—Szepingkai, Manchurian fortress which withstood all previous assaults, today was reported captured by Communist troops who were storming south for an attack on Mukden's north gateway.

All Chinese newspaper reports said Szepingkai, 105 miles northeast of Mukden, had fallen. Only the Government's Central News Agency insisted the garrison still was fighting.

The newspaper dispatches said the conquerors of Szepingkai were shifting southward for an attack on Tiehling, 40 miles northeast of Mukden.

Government quarters declared the position in Manchuria was improved despite the reversal at Szepingkai. They said a ground supply line to long-isolated Mukden was about to be opened.

Government quarters also claimed a victory in north China. They asserted five Communist regiments were wiped out in a two-day battle about 40 miles east of Peiping.

Papers Say Reds Hold Szepingkai

Peiping, March 9 (AP)—Loss of Szepingkai to the Communists was acknowledged by all Chinese press sources today except the official Central News Agency. The latter said fighting still was in progress.

Szepingkai is a rail junction 105 miles northeast of Mudken.

Government sources minimized Communist entry into the city, saying its long isolation had already robbed it of its strategic value.

Reds Hit South

Independent dispatches noted, however, that the main Communist forces which had been tied up at Szepingkai were already shifting southward to attack Tiehling, northern gateway to Mukden.

Tiehling, known as Iron Bridge, is a trunkline rail center 40 miles northeast of Mukden.

The dispatches said the Nationals were moving to meet the Tiehling threat. Government forces were reported commanded by Gen. Liao Yao-hsiang, former commander of the American trained and equipped new 6th Army and one-time commander of the Changchun garrison.

The Nationalists reported without details a further advance toward the historic city of Liaoyang, 35 miles south of Mukden on the Mukden-Dairen railway.

Air Headquarters Changed

Chinese correspondents said National Air Force headquarters in Manchuria was shifted from Mukden to Chinhsien. No explanation was given. Chinhsien would be more convenient because of the proximity to Hulutao, where gasoline and other supplies can be landed and transferred quickly. It also would provide a shorter overland haul for supplies from North China.

The pro-Government newspaper *Hsin Min Pao* reported that LST No. 105, which the Reds captured at Yingkow, was abandoned after an air attack. The LST was brought into Hulutao, the report said.

MUNITIONS BLAST KILLS 200 CHINESE

Depot Half Mile from U. S. Ships Demolished; No Americans Hurt.

TSINGTAO, North China, March 9—(AP) The explosion of a three-story Chinese ammunition storehouse today killed at least 200 persons and injured hundreds of others. Some estimates of the injured ranged up to 1,000.

The warehouses, located a half-mile from U. S. Navy ships tied up at docks, knocked down more than 100 Chinese dwellings and damaged 400 others. No Americans were reported killed or injured by the late-forenoon blast, but 10 suffered minor hurts in first aid work. No U. S. property was hit.

Cause of Explosion Unknown

Cause of the explosion was unknown. There were wild rumors of communist sabotage, but no confirmation of any responsible source.

Military men said eight truckloads of ammunition had only recently reached the warehouse, destined eventually for transfer to government armies in Manchuria.

Several small factories near the warehouse collapsed, burying workers in debris, and the roof of the Tsingtao customs house 200 yards away caved in. The death toll would have been much higher, officials said, if U. S. Navy and Marine forces had not mobilized firefighting and first aid units quickly. Flames were controlled promptly.

More than 50 of the injured were taken to the American Navy hospital ship Repose, and scores less seriously hurt were treated at the scene.

100 Die In China Arms Blast

Shanghai, March 9 (AP)—A Chinese ammunition dump exploded at Tsingtao today, leveling a city block and causing 250 casualties. An estimated 100 were killed.

United States Navy sources here said the explosion occurred within half a mile of docks where the U.S.S. Estes, flagship of the American Western Pacific fleet, and the navy hospital ship Repose, are tied up.

Tsingtao is the Chinese base of the United States Navy's Western Pacific fleet.

There were no immediate reports of casualties among American personnel.

The explosion, set off by an undetermined cause, swept an area east of the docks.

Fires Rage Two Hours

Resulting fires left a mass of blackened ruins in a wide sector.

The Repose and all available United States Navy medical facilities afloat and ashore immediately gave assistance.

The fires raged for two hours.

The Repose staff is especially trained for disaster work. It swiftly went about the job of rescuing Chinese from fallen buildings and giving first aid.

No United States buildings were damaged.

Chennault Air Line Tells Of 'Red' Attack

Shanghai, March 9 (AP) — Two P-39 fighter planes marked with the Red Star of Russia made five passes at a commercial airliner yesterday, firing their machine guns but apparently not trying to hit it, airline officials said today.

If they had been trying to shoot down the slow transport they couldn't have missed, Pilot L. B. Buol reported.

The transport, one of the planes owned by Maj. Gen. Claire L. Chennault's commercial airline, was carrying 32 refugees from Mukden, Manchuria. It was crossing the Gulf of Chihli south of Russian-occupied Port Arthur and Dairen, the airline reported, but was giving those cities "a wide berth," as all Chennault planes do.

Photo Confirmation

Whiting Willauer, of the airline staff, reported the incident and said the transport was not within 40 miles of the Port Arthur-Dairen peninsula. He said Pilot Buol, ex-Marine flyer from Stockton, Cal., took photographs at close range which confirmed the Red Star markings on the fighters.

The pictures were turned over to authorities in Tsingtao, North China, where United States Marines are based. Willauer did not say what authorities he meant.

Chennault Comments

In Washington, General Chennault said "no one has any reason to shoot at us," and added that he had ordered his planes to continue evacuation flights.

Chennault said he believed the fighter planes belonged to the Russian forces based at Port Arthur.

"If the fighter planes were P-39s and bore Russian markings, they could not have been Chinese," he said. "The Chinese have no P-39s."

U Saw Plans Appeal Of Death Sentence

Rangoon, Burma, March 9 (AP)—U Saw, former Premier of Burma, notified the Rangoon High Court today that he intends to appeal to the Supreme Court from yesterday's confirmation of a death sentence imposed on him for the murder of seven men last July.

A special bench of the high court yesterday rejected his appeal for a new trial. He was convicted last December 30 for the murder of U Aung San and six other national leaders.

New Jap Cabinet Formed By Ashida

Tokyo, March 9 (AP)—After fifteen days of strenuous negotiations, Premier Designate Hitoshi Ashida has formed a coalition Cabinet.

The new Cabinet, expected to be sworn in tomorrow, comprises seven Democrats, eight Socialists and two People's Conservatives.

The arch conservative Liberal party, led by former Premier Shigeru Yoshida, remained outside the coalition.

U.S. Soldier In Japan Sentenced As Robber

Yokohama, March 9 (AP)—The 8th Army announced today that Private Robert L. Jefferson, of Detroit, had been convicted of robbery and of being absent without leave and sentenced to ten years at hard labor.

Jefferson left his guard post December 28, the Army said, and was captured January 5 in Tokyo after twice robbing a Japanese storekeeper by threatening bodily harm.

NEW BATAVIA REGIME SET UP

Dutch Again Invite Indonesian Republic To Join

Batavia, Java, March 9 (AP)—The Dutch formally installed an interim Netherlands East Indies Government today and renewed the invitation to the Indonesian Republic to join.

The ceremonies took place at the palace of Hubertus J. van Mook, Acting Governor General, who said the door was open for the republic to participate as a state.

"In that form she will be very welcome and there is nothing we should like better than to see the whole of Indonesia reunited politically once more," he said.

Premier Due In Batavia

His reference to the republic was considered significant in view of the announcement that republican Premier Mohammed Hatta is coming to Batavia Thursday for consultations with van Mook.

The republic has expressed willingness to participate in the interim government. The Dutch have insisted upon reaching a political settlement through the United Nations good offices commission before making the republic eligible.

Van Mook said principles behind the foundation of the interim government were democracy, federalism and co-operation with Holland.

Positive Disposition

"If we are not mistaken," he added, "we can notice also in the republican sphere a growing positive disposition toward democracy, federalism and co-operation. We rejoice in this. For not until the whole of Indonesia will be reunited will this nation achieve a real and strong existence."

The interim government will function until the establishment of a United States of Indonesia. The Dutch, whose Queen Wilhelmina has declared "colonialism is dead in the Indies," have set January 1, 1949, as the target date for inauguration of the United States of Indonesia.

The new regime consists of Van Mook, eleven secretaries of state, two specially commissioned secretaries of state, an army commander, navy commander and attorney general. All are nonrepublicans. This Government consists of ten Dutch and seven Indonesians.

Java Interim Rule Installed

Batavia, Java, March 9 (AP)—A Netherlands East Indies interim government was installed today at the Governor General's palace.

The Dutch-sponsored Government will function until the establishment of a United States of Indonesia. The Dutch have set January 1, 1949, as the tentative date for setting up a federation.

There are no representatives of the Indonesian Republic in the interim government. The new regime consists of H. J. van Mook, acting governor general; eleven secretaries of state, two specially commissioned secretaries of state, an army commander, a navy commander and an attorney general.

"Gradual Victory"

Van Mook told the members of the new government at their installation that the creation of a provisional government was the consequence of a "gradual victory of common sense over the separatism of past years."

He said the principles behind the foundation of the interim government, in which the secretaries of state will share policy-making responsibilities, are "democracy, federalism and co-operation with Holland."

"If we are not mistaken," he added, "we can notice also in the Republican sphere a growing positive disposition toward democracy, federalism and co-operation. We rejoice in this, for not until the whole of Indonesia will be reunited will this nation achieve a real and strong existence."

Way "Is Wide Open"

Van Mook said the way is "wide open" for the entry of the Indonesian Republic as a state into the reorganized administration.

"In that form she will be very welcome, and there is nothing we should like better than to see the whole of Indonesia reunited politically once more," he added.

Premier Mohammed Hatta, of the Indonesian Republic, is due in Batavia Thursday for "direct consultations with van Mook. The republic has expressed willingness to take part in the interim government, but the Dutch have insisted upon a settlement of their differences first through the United Nations Good Offices Commission.

CANADA TO BOOST DEFENSE OUTLAY

OTTAWA, March 9—(AP) Canada expects to spend approximately $30,000,000 more for national defense in 1948-1949 than it spent in the previous year, Finance Minister Douglas Abbott said tonight.

The Canadian budget for the year beginning March 31, 1948, Abbott said, calls for expenditures of $1,985,146,060. This represents a decrease of more than $131,000,000 from those of the past year.

Principal decreases for the coming year will be in the departments of veterans affairs, reconstruction and finance, external affairs and agriculture, Abbott said. This is due to lower amounts required for food and cost of living subsidies, relief for Europe and the closing out of demobilization reconstruction activities.

Increases included allocations for the departments of mines and resources, health and welfare, public works and are mainly due to increased services, including better roads to draw tourists to Canada, Abbott said.

He went on to say that Canada expects to spend a total of $232,000,000 for defense.

CONGRESS STAMPS 'RUSH' ON AID PLAN

Extra Sessions Lined Up for Senate to Speed Action.

MAR 1948

WASHINGTON, March 9—(AP) Congress stamped "rush" on the Marshall Plan today amid growing talk of a possible new war.

Extra sessions were lined up for the senate to speed action on the $5,300,000,000 European recovery program.

And Chairman Eaton (R-NJ) said the House Foreign Affairs Committee would begin writing its own bill after hearing Maj. Gen. Claire Chennault testify tomorrow on aid to China.

Eaton told reporters after a meeting of GOP committee members with House Speaker Martin (R-Mass) that the house group may reverse itself and consider the ERP bill by itself.

"The time element is of great importance," Eaton said. The committee has been planning to include ERP in the same bill with aid to China, Turkey and Greece.

Leaders of both houses, conferring earlier in the day, failed to reach agreement on a joint timetable.

Secretary of State Marshall urged quick action in a personal appeal to house leader Martin (R-Mass) yesterday.

Hill Warns of War Peril

And today Senator Hill (D-Ala), saying the recovery program is "the best and most immediate chance we have" for peace, told the senate:

"The world is being pushed toward war by a gigantic conspiracy—dictated from Soviet Russia—against order and security and freedom for mankind."

Secretary of Commerce Harriman told the senate finance committee, in a reference to European aid:

"Time is running against us. Delay is causing serious repercussions.

Some members of the senate armed forces committee said Secretary of defense Forrestal told them in a closed hearing yesterday that the possibility of some kind of armed clash with Russia must be considered.

Against this background, Senator Wherry of Nebraska informed the senate that night sessions Thursday and Friday, and a Saturday session might be necessary to speed action on the recovery bill.

GOP Chiefs Fail To Reach Pact To Speed Aid

Washington, March 9 (AP)—Senate and House leaders tried but failed to reach an agreement today on how to speed up foreign-aid legislation.

After a meeting with Chairman Vandenberg (R., Mich.) of the Senate Foreign Relations Committee, House Speaker Martin (R., Mass.) told reporters that there would probably be further discussions.

Martin said the conferees met "to exchange views." He said there is strong House sentiment for a single bill embodying aid to Europe, China, Greece and Turkey, all in one package.

The Senate now is considering European aid only.

DAY

Others At Meeting

Others who attended the meeting were House Republican Leader Halleck, of Indiana, and Chairman Eaton (R., N.J.) of the House Foreign Affairs Committee.

Eaton's committee has voted to wrap up all foreign-aid proposals in a single bill.

There were separate Senate and House moves, however, to speed things.

Senator Wherry, of Nebraska, acting Republican leader, served notice in the Senate that night sessions Thursday and Friday and a session Saturday may be necessary.

Anxious To Get Action

The leadership, he said, is anxious to get action on the European recovery legislation as quickly as possible.

Martin and Halleck arranged a meeting this afternoon with Republican members of the House Foreign Affairs Committee to discuss plans for getting foreign aid legislation to the House floor.

Secretary of State Marshall went to the Capitol yesterday and made a personal plea for enactment of the European Recovery Program by April 1. He talked with Martin.

The Senate is in its second week of debate on the $5,300,000,000 program with leaders still hoping for a vote by March 15. The House, however, has not yet been given a bill by its Foreign Affairs Committee.

Basis For Quick Action

The State Department's drive for quick action is based primarily on two factors: first, the recent Communist grab of Czechoslovakia with simultaneous new demands on Finland, and (2) the Italian elections April 18, at which Communists are expected to make a strong bid for power.

Meanwhile, as the Senate prepared for another round of debate, Senator Hill (D., Ala.) declared that the world is being pushed toward war by a "gigantic conspiracy dictated from Soviet Russia."

"The pattern is clear," Hill asserted. "In the two years since the end of the second world war, every act by Soviet Russia has been an act of calculated aggression, of greed for power and ambition for new domain."

He termed the Marshall plan "the best and most immediate chance we have today for peace and reconstruction in a war-torn world."

ATTACK MADE ON PATRONAGE

House Unit Charges Laxiety In Tax Collection

MAR 1948

Washington, March 9 (AP)—Political atronage has produced inefficiency and laxity in the nation's tax-collecting system, the House Appropriations Committee charged today.

It called attention to one case in which, it said, no action was taken to prosecute an unnamed individual who owed $804,000 in taxes and penalties.

Two employés of the Newark (N.J.) internal revenue office, it said, "flushed several bundles of income-tax records down a drain."

Hitting hard at the way the Internal Revenue Bureau is run, it said too many "unsatisfactory" employés are retained in office. Collection costs per $100 of revenue increased from 32 cents in 1944 to 43 cents in 1946, it declared.

NIGHT

Cites Backlog

"The most serious defect in the organization and operations of the bureau is the fact that the men who are charged with the actual collection of the revenue, the collectors, are political appointees," the committee said.

"The commissioner, who administers the entire bureau, does not have effective control over the collectors throughout the country.

"Whether collectors of internal revenue actively attend to the affairs of their offices or merely bask in their patronage appears to be largely a matter of their own volition."

The statements were made in a report recommending passage of a $1,981,722,350 supply bill for the Treasury and Post Office departments. The funds are to operate those agencies in the new fiscal year which begins July 1.

Small Cut Made

The committee made only a 1.7 per cent reduction in the $2,017,626,200 which President Truman had asked for Treasury and Post Office.

The Post Office would get $1,691,269,250 and the Treasury $290,453,100.

The bill, in addition to the $1,981,722,350 cash appropriation, contains $3,313,584,430 in trust fund appropriations and $5,877,868,083 in general and special fund appropriations. These include such items as interest on the national debt (for which $5,250,000,000 was provided, or $50,000,000 more than the current appropriation) and the old-age insurance fund.

The committee eliminated from the bill the customary appropriation for tax refunds. It decided to delay action on that item until it is determined whether there will be a tax cut, and if so, how much of one.

Other Highlights

Other highlights of the bill included:

A complete ban on the purchase of new typewriters by any branch of the Federal Government for the next year. The committee said there now are 3.6 typewriters for each stenographer, typist and correspondence clerk.

A $1,450,000 fund, or $16,000 more than the President asked, for the Bureau of Narcotics. The extra funds will be used to hire two additional narcotics agents abroad.

Approval without change of the $370,000 asked for White House police. The committee noted that "protection for the President and President-elect in an election year will require adequate funds."

House Unit Hits 'Politics' In Tax Bureau

MAR 1948

Washington, March 9 (AP)—The Internal Revenue Bureau came under sharp fire of the House Appropriations Committee today. The committee said the political-patronage system of picking Federal tax collectors should be abolished.

The recommendation was made in a bill providing funds for the Treasury and Post Office departments for the year starting July 1.

But the committee made only a 1.7 per cent cut in the $2,017,626,200 President Truman had asked for the two departments. It proposed a total of $1,981,722,350 in cash appropriations.

Of this, the Treasury would receive $290,453,100, or a 5.6 per cent cut, and the Post Office $1,691,269,250, or a 1.1 per cent reduction. The President had asked $306,981,700 for the Treasury and $1,710,644,500 for the Post Office Department.

DAY

Beyond Congress Control

In addition to the new cash, the committee recommended $3,313,584,430 in trust-fund appropriations and $5,877,868,083 in general and special fund appropriations. This boosted the gross to $11,173,174,863. The trust, general and special funds include such items as interest on the national debt and the old-age insurance fund. Over these, Congress has only nominal control.

The committee leveled most of its fire at the Internal Revenue Bureau. It made public its own investigators' reports, complaining of inefficiency and citing a case where no action was taken to prosecute an individual alleged to owe $804,000 in taxes and penalties.

Political Backgrounds

"The most serious defect in the organization and operations of the bureau," the committee said, "is the fact that the men who are charged with the actual collection of the revenue, the collectors, are political appointees.

"The commissioner, who administers the entire bureau, does not have effective control over the collectors throughout the country.

"Whether collectors of internal revenue actively attend to the affairs of their offices or merely bask in their patronage appears to be largely a matter of their own volition."

Should Be Under Civil Service

Collectors ought to be under civil service, the report said.

This testimony by George J. Schoeneman, head of the bureau, was called to Congress's attention:

"Equitable tax collection is pure fiction without adequate enforcement. We do not have adequate enforcement today."

Indirectly, the committee also criticized President Truman. It recalled that the President last year said a $20,000,000 cut in Revenue Bureau funds for this year might result in a loss of $400,000,000 in tax money through improper enforcement.

But, the committee added, the President himself cut $5,000,000 from the bureau's budget requests before they reached Congress. Using the same arithmetic, the committee said, "the President caused a loss of $100,000,000 in revenues by his own action."

For the coming year the President asked $188,004,500 for the bureau, the same amount it received this year. The committee cut that by $1,264,000, but said the cut should not apply to field forces handling enforcement.

2 Agents Go Abroad

For the Bureau of Narcotics, the committee recommended $1,450,000, or $16,000 more than the President asked. The extra money is to be used to station two narcotics agents abroad to check narcotics shipments at their source.

The full $370,000 requested for the White House police force was approved. The committee commented that "protection for the President and the President-elect in an election year will require adequate funds."

New Typewriters Banned

The committee ordered a one-year ban on typewriter purchases for the entire Federal Government. It said there already are 3.6 typewriters for every stenographer, typist and correspondence clerk.

The Treasury-Post Office bill went to the House less than 24 hours after that chamber passed and sent to the Senate a $1,017,851,000 bill financing the Labor Department and the Federal Security Agency for next year.

The 24 per cent cut in Labor Department funds in that bill angered Secretary of Labor Schwellenbach, who called the action "another blow at efficient and useful government."

The CIO also assailed the House cuts, calling them "a direct slap" at Government efforts to meet the social and economic problems of wage earners.

Harriman Holds Tax Cut Would Raise Prices

MAR 1948

Washington, March 9 (AP)—Secretary of Commerce Harriman today opposed tax reduction at this time, saying its chief effect would be "to raise demand and thereby prices."

But the United States Chamber of Commerce contended that tax cutting is the best insurance at hand against a business slump.

Harriman and Ellsworth C. Alvord, representing the chamber, gave their views to the Senate Finance Committee. It is nearing the close of hearings on the House-approved $6,500,000,000 tax-cut bill.

DAY

Cut Held Unnecessary

The Senate committee is expected to propose a smaller cut—possibly around $4,500,000,000—in an effort to win Democratic support to override an anticipated veto by President Truman.

Joining other members of the Truman Administration talking against the bill, Harriman insisted that business is able to get investment funds now and does not need tax reductions.

Pressures Cited

"Our economy is still in an inflationary situation and sound policy demands that the level of taxation be maintained," Harriman said, adding:

"The major effect of any lowering of taxes would be to raise demand and thereby prices, rather than to bring forth increased supplies."

Cites Foreign Situation

Eventually, he said, the inflationary pressures "undoubtedly will disappear."

"Tax adjustments will then be necessary and desirable," he added.

Harriman also mentioned the situation abroad as another reason to forego a tax cut now. He said:

"We are in a very serious year in the history of our country. We should guard against a boom and a bust."

Urging quick action on European aid proposals, the commerce chief continued:

"Time is running against us. Delay is causing serious repercussions."

"Pocketbook Guard"

Chairman Millikin (R., Col.) interjected that if this country is to provide heavy foreign aid "we must

30.24- 16115

let the American people know that we are as solicitous about their pocketbooks as we are about the pocketbooks of the people abroad."

Alvord mentioned no specific figure in his testimony. But he said:

"We have had some recent warnings in the commodity and security markets of possible downward tendencies which, if continued and accelerated, could change the status almost overnight from one of apparent prosperity and inflation to depression and deflation. . . .

"Foolhardy Advice"

"The advice offered from some quarters that we should defer a lightening of the tax burden until a business recession takes place is foolhardy. Rather, we should make the tax cut now and provide the best insurance available against a recession."

Alvord said the single word "strength" sums up the "insistence of every American today."

"If we are to become progressively stronger," he added:

1. We must cut Federal expenditures drastically each year until we have a Federal Government we can afford; and

2. We must reduce tax burdens this year and every year until our tax load is no greater than we can afford to carry.

Hearings May End Tomorrow

The committee expects to wind up hearings tomorrow and write its own version of the House bill before the week is out.

Senate Republicans have said that the $6,500,000,000 House figure must be pared.

But Senator Johnson (D., Col.), a committee member, said there is no need to trim below $4,500,000,000.

"I'd say that would give them a veto-proof bill," Johnson added.

50 Greek Cadets To Train In U.S.

Washington, March 9 (AP)—Fifty Greek air cadets are on the way here for a year's training with the United States Air Force.

An Air Force announcement today said the first group of cadets from the Royal Hellenic Air Force will reach Randolph Field, San Antonio, Texas, tomorrow. The remainder will arrive later in the week.

The USAF said the training is part of the United States-Greek aid program. A group of 45 Turkish air officers came to the United States last month to begin technical and staff training with the air forces under the Turkish aid program.

The Greek cadets, accompanied by several English-speaking officers, will start in on ground work at Randolph, later shifting to Williams Air Force Base at Chandler, Ariz., and Barksdale Field at Shreveport, La., for flying training.

UNKNOWN SOLDIER WILL BE HONORED

WASHINGTON, March 9.—(AP) An unknown American service man killed in World War II will receive the Congressional Medal of Honor.

President Truman today signed a bill authorizing the award. The army sponsored the legislation.

The unidentified member of the armed forces who receives the award will be buried in Arlington National Cemetery.

An unknown soldier was so honored after World War I.

PROBE COMMITTEE GRANTED $200,000

Group Currently Investigating Condon Voted Record-Breaking Sum.

WASHINGTON, March 9—(AP) The House Committee on un-American Activities, currently investigating the loyalty of Dr. Edward U. Condon, got a record-breaking $200,000 today to finance its work the rest of this year.

The House voted the fund, 337 to 37. It does not require approval of the senate. The biggest sum the committee ever had in any previous year was $150,000 in 1941.

Meanwhile, there were several other developments in the case of Dr. Condon, director of the National Bureau of Standards:

1. Rep. Holifield (D-Calif) declared in a House speech that the committee's charges against the government scientist were "a cheap means of securing publicity." He criticized what he called "the theatrical release" of the statement about Condon, and called the charges "part of a fantastic attempt to discredit all scientists."

2. An un-American Activities Sub-committee investigator, Louis J. Russell, resigned after protests of State Representatives Louis J. Paduia and Louis A. Lemaire Jr., and State Senator Stanley Stroffolino.

NIGHT

The members of the legislature said they thought a contract should be given for the sewer work, with a survey to be undertaken by the firm receiving the contract at no extra cost. They felt the $2,500 expenditure for a survey alone was a waste of money, since at its completion a contract would be let for the work anyway.

The money for the survey is to be taken from the $300,000 bond issue passed by the state legislature, the bill having stated that part of the funds were to be used for a survey and drafting of plans.

The council passed a resolution approving the sale of bonds in the amount of $100,000 for the additions to Winnepaug and Fitch schools, at a rate not to exceed five per cent. To this sum will be added $160,000 already raised through bond issues.

Senate Unit Studies Clark's Probe Actions

Washington, March 9 (AP)—Senator Ferguson (R., Mich.) said today Senate investigators are studying Attorney General Clark's actions in connection with "alleged vote frauds occurring in the State of Missouri in 1946."

Ferguson is chairman of a special investigating subcommittee authorized to take over major inquiries under the Senate Expenditures Committee.

President Truman took a personal hand in the 1946 Missouri congressional race. He asked defeat in the Democratic primaries of former Representative Roger Slaughter (D., Mo.). Slaughter lost. Later, there were numerous charges of fraudulent votes.

The FBI investigated but the Justice Department brought no prosecutions. State courts did.

Since then Republicans have been trying to obtain a full dress Senate investigation into actions of the Federal Bureau of Investigation as well as Attorney General Clark and the Justice Department. Democrats previously had blocked this.

But Ferguson today announced that three Democratic members of his subcommittee—Senators McClelland (Ark.), O'Conor (Md.) and Hoey (N.C.)—have joined in the present inquiry.

EASTLAND ASSAILS 'RIGHTS' PRESSURE

Sees U.S. On 'Verge Of War,' Asks Unity Against Foe

Washington, March 9 (AP)—The country "is on the verge of war," Senator Eastland (D., Miss.) said today, yet Congress is "asked to drop important things" to take up civil-rights legislation.

This, Eastland told the Senate Judiciary Committee, is a "terrible condition." The committee is considering a Federal anti-lynching bill such as President Truman has urged as a part of a civil-rights program.

Without naming Mr. Truman, the Mississippian said the country needs as a President "a man who can unite this country against a common foe"—namely, Russia.

Urges Truman Quit

"What the people of this country want more than anything else is a man . . . who will not sacrifice the good of the country for the sake of personal gain from organized pressure groups," Eastland said.

In the House, Representative Williams (D., Miss.) suggested that Mr. Truman "quit now while he is still just 20,000,000 votes behind."

Williams said in a brief speech that the President "wants the civil rights program passed, he wants the South throttled, and most of all he wants to be president again."

Southern Democrats, Williams declared, "are going to play fair with the President and tell him that he is not going to get a thing that he asked for."

Offers 4 Amendments

Eastland, bitter critic of the Truman civil rights stand, spoke out in offering four amendments to the anti-lynching bill.

He proposed that picket line violence be included in the list of "mob" actions the bill would make a Federal offense.

He moved to make a city or county liable for deaths at the hands of gangsters or racketeers as well as for deaths in a lynching as the bill now would do.

He would penalize peace officers who do not use "diligent efforts" to solve felonies. The bill does this in lynching cases.

Provides For Damages

He proposed that communities be liable for damages up to $10,000 for injuries or deaths in race riots. The bill would apply such a provision in lynchings.

Representative Rivers (D., S.C.) declined to have a drink with the Democratic National Committee.

Rivers sent a telegram to Gael Sullivan, executive secretary of the committee, saying he would stay away from a committee cocktail party March 11 because of the civil rights program.

STEEL TO YIELD PRICE LISTINGS

U. S. Trade Board Examiner Rules for Government.

MAR 1948

Washington, March 9 (A. P.).—The Government today won a legal battle for possession of price lists covering thousands of steel items.

DAY

The victory—which steel industry lawyers said was temporary—took the form of a ruling by Frank Hier, Federal Trade Commission trial examiner.

Hier made the ruling at the commission's hearings on its charge that the American Iron and Steel Institute and 101 steel companies conspired to fix prices. The charge has been denied.

The price records were subpoenaed by the commission. Steel company lawyers have said the commission's legal staff wants to keep the lists in order to strengthen the agency's case. Lynn G. Paulson, commission attorney, contended the Government is entitled to keep them.

After hearing several hours of argument Hier ruled:

"The documents will remain in the custody of the Federal Trade Commission and will be available for use and inspection and—when convenient—by counsel on the opposite side."

The ruling followed angry complaints from steel company lawyers that they were not being given a "fair chance" to cross-examine witnesses. The witnesses have offered many volumes of their company price lists dating back to 1935.

The trial examiner said he had admitted the documents only for identification and not into evidence. "When the time comes, all will be given a fair chance," he said.

Robin C. Garlick, vice-president of Sharon Steel Corporation of Sharon, Pa., and Harry M. Francis, vice-president of the American Steel & Wire Company, appeared as witnesses to identify price lists submitted by their firms.

Other steel executives are scheduled to give similar testimony.

Food Expert Says Margarine Is As Good As Butter

Washington, March 9 (AP)—Dr. H. J. Deuel, Jr., a college professor, testified today that "butter is in no way superior to margarine."

Deuel urged the House Agriculture Committee to approve legislation removing "restrictive taxes" on oleomargarine. The committee is holding public hearings on eighteen bills proposing to end all special Federal taxes on oleo.

The dairy industry opposes removal of the levies.

DAY

Professor Of Nutrition

Deuel, professor of biochemistry and nutrition at the University of Southern California School of Medicine, said he has reached the conclusion that:

"Cow's milk fat may be the ideal fat for growing calves, (but) there is no reason to suppose that a similar superior nutritive value might hold for the human baby."

Deuel said he did not wish to leave the impression that cow's milk is not a fine food for the child as well as the adult. But, he said this is due to its excellent proteins and inorganic salt mixture (calcium and phosphorous) rather than a superior fat makeup.

Called Excellent Food

He described margarine as an excellent food and said:

"The removal of the restrictions on margarine would encourage a greater use of margarine in cooking and on the table, which, in

turn, would seem to me to probably result in a further improvement in nutrition status of the average individual."

Deuel read a British scientific paper saying that "human milk fat in regard to its component acids has more resemblance to a typical margarine fat blend than to butter fat."

GI STUDENTS PAY RAISE SET TO BEGIN MAY 1

Only Those Attending Schools Full Time Are Eligible For Increase

Washington, March 9 (AP)—The Government pay envelope is going to be thicker come May 1 for many veterans going to school under the GI Bill of Rights, but there's a big "if."

They'll be thicker if the veteran is a full-time student—that is, if he's attending classes 25 hours a week by the clock, or taking 15 semester hours, as most colleges figure it.

Those taking less classroom instruction will have to get along with the same monthly check they're getting at present.

They're part-time students, in the eyes of Uncle Sam, and the theory is that they can earn money for themselves on the side.

$75 Monthly For Single Men

Full-time students, on the other hand, are supposed to have their hands full just going to school. And so:

A man with no dependents will get $75 a month instead of the present $65.

A man with one dependent will get $105 a month and a man with more than one dependent will get $120 a month.

The present payment is $90 a month for a man with one or more dependents.

Congress okayed these increases to take effect April 1 but the actual checks won't go out until a month after that.

Full Students Will Increase

One result of the upgrading probably will be an increase in the number of full-time students.

More money is practically assured for on-the-job trainees, too, although Congress hasn't quite finished dotting the i's and crossing the t's.

Here, as in the case of students, the idea is that the cost of living has gone up and so allowances should go up.

Until Congress acts finally, however, job-trainees will get the same Government allowance they're getting now.

U. S., RUSSIA CLASH ON PALESTINE ISSUE

Austin Rebukes Soviets for Criticism of American Aims

F. Carpenter

LAKE SUCCESS, March 9 (AP)—The United States and Russia clashed heatedly today in a new battle of words over Palestine.

Warren R. Austin, chief United States delegate to the United Nations, took the unusual step of answering directly a remark from a Soviet source. This source had said the United States apparently wants to reopen the Palestine issue in the U. N. The Russian refused to be quoted by name on what he told newsmen early in the day.

Rebukes Red Spokesman

"I regret that the Soviet spokesman has sought to pre-judge the issues before the process of consultation had got under way," Austin said in a formal statement read to newsmen by a member of the U. S. delegation tonight.

Austin made his comment after informed sources disclosed that the United States is making strong efforts to persuade Arab officials here and abroad to consult with the United Nations on the Palestine problem.

On another Palestine diplomatic front here, the chief delegates of four big powers fired questions at Sir Alexander Cadogan, British delegate, in an hour's closed meeting at the United Nations headquarters.

Thursday Meeting Set

The big power consultants, who are seeking a solution to the Palestine partition issue at the request of the Security Council, will meet again Thursday at 10:30 A.M. in Austin's New York offices.

Informed sources said the United States is using all possible means in a carefully devised diplomatic campaign to get the Arabs to abandon their boycott of the Palestine talks.

American diplomats were said to be working to this end in New York, Washington and the Middle East.

Conciliation Sought

The apparent aim of the Americans is another attempt at conciliation between Arab anti-partitionists and Zionists. Such efforts in the past have failed.

The U. S. effort was disclosed as the five great powers sat down in the mahogany-panelled room of United Nations Secretary General Trygve Lie for their second round on the Palestine issue.

Going from a long closed session of the security council on Trieste, the top delegates of Russia, the United States, France, China and Britain gathered with Lie.

An American spokesman told newsmen the U. S. has been trying to persuade the Arab Higher Committee to make its representatives available in New York for consultations with those of the big powers who may wish to consult and to be present in case the security council itself wishes to talk with them.

Arabs Boycott Board

The Arab Higher Committee, recognized by the U. N. assembly as the spokesman for the Arabs of Palestine, has consistently boycotted the Palestine Partition Commission set up by the assembly to carry out the plan approved last Nov. 29 to create Jewish and Arab countries in the Holy Land.

Considerable interest was shown here in a dispatch from Jerusalem saying that the Arab League, made up of seven Arab countries of the Middle East, had superseded the Arab Higher Committee in the fight against partition. Several delegates expressed surprise that the exiled mufti of Jerusalem, Haj Amin El Husseini, had been shunted aside by the Arab League.

During the morning a highly placed Russian informant said "some people" hesitate to carry out partitioning of Palestine.

He said the United States apparently wants to re-open the whole issue in the United Nations but that the Soviet government felt the present partition plan should be carried out.

The Russian informant would not permit use of his name. He discussed Palestine with newsmen at United Nations headquarters.

"Some persons seem to be hesitant about carrying out the assembly decision," he said. "We consider that partition should be carried out."

He would not talk about enforcing partition. He said Russia has not rejected conciliation of Arab and Jewish differences over partition.

Russia Reported Willing To Press For Partition

S. Hanfelson

Lake Success, March 9 (AP)—A high Soviet source said today the United States appears to favor reopening the United Nations plan to partition Palestine.

This Russian statement was made by a leader in the Soviet delegation to the United Nations. He made clear this is the Russian line on Palestine.

"Some persons seem to be hesitant about carrying out the Assembly decision," the Soviet source said, referring to the November 29 vote to split the Holy Land into separate Jewish and Arab countries.

Want Partition Fulfilled

"We consider that partition should be carried out."

He said Russia has "not rejected conciliation" of the Jewish-Arab differences.

"Those who wish to be consulted have been and are being consulted," he said. "If the Arabs want to be consulted, they can file a request."

The Soviet source said it still is possible a final appeal may be made to the Arabs to accept the partition plan, but he indicated nothing concrete had been done on this.

Meanwhile, the British delegation disclosed that Sir Alexander Cadogan would attend this afternoon's secret Palestine talks among the big powers. The other four agreed yesterday to invite Britain to send a representative.

Britain boycotted the first big-power consultations on the ground she could not take part in any discussions designed to implement the partition plan. A British spokesman stressed Cadogan had decided to attend today only to give information and would not participate in the general discussions.

Council's Powers Analyzed

In a surprise move, Secretary General Trygve Lie circulated among members of the Security Council an opinion of United Nations legal experts outlining the Council's powers to enforce partition.

Major points in the opinion were:

1. The Council has no power to alter any of the terms of the United Nations Assembly's partition resolution.

2. The Council is not legally required to take steps to carry out an Assembly decision.

3. The Council has the right to invoke enforcement measures if the Arabs use force to resist efforts of the Palestine Commission to set up separate Jewish and Arab countries in the Holy Land.

4. These measures might range from an economic boycott to a collective declaration of war by all members of the United Nations.

The opinion is not binding upon the Council.

U.S. Backs Conciliation

The American delegation is understood to be insisting that the big powers call in the Jews and Arabs in a move to conciliate their differences. This is in line with United States efforts to find a peaceful solution in the Holy Land crisis.

Russia's Andrei A. Gromyko has described such proposals as worthless and time-wasting in the light of past failure on this tack. He refused to support conciliation sections of an American proposal last week.

The question remained as to how far Gromyko would go in fighting the American idea or what alternative, if any, he would offer.

United States Delegate Warren R. Austin extended the invitation personally. He asked Cadogan to attend as a representative of the Palestine mandatory power other than as one of the Big Five.

The four nations also asked Lie and a United Nations press officer to sit in on future meetings. The United Nations assigned George Barnes, director of its press division, to join Lie. Barnes will brief newsmen on what went on behind closed doors.

DEVALERA IS FETED AT N.Y. CEREMONY

MAR 1948

NEW YORK, March 9 (AP)—Eamon De Valera, former premier minister of Eire, today was named an "honorary citizen" of New York City, where he was born 65 years ago.

NIGHT

The city's official welcome also included a ticker tape parade through the financial district, a city hall ceremony and a luncheon at the Waldorf-Astoria hotel.

It was at the city hall reception that City Council President Vincent R. Impellitteri pronounced the Irish leader an "honorary citizen."

"You have been the bearer of a torch of gallant spirituality through a period of dark materialism", Impellitteri said. "What memories are evoked by the name of Eamon De Valera among the lovers of liberty everywhere."

Replying, De Valera declared he hoped to be able to proclaim one day that Northern Ireland, now a part of the United Kingdom, was joined to the Republic of Eire.

"No Irish man or woman will be satisfied until all Ireland is free," he said, adding that "the day will come" when an Irish leader will come to the United States and announce that Ireland "from sea to sea is now completely free."

"I admit I would like to be that person," he said.

Grover Whalen, traditional guiding spirit in the city's welcomes to distinguished visitors, introduced the former prime minister at the reception as "a boy from Manhattan Island who made good overseas."

All Ireland Must Be Free: De Valera

New York, March 9 (AP)—Eamon de Valera, former Prime Minister of Eire, said today:

"No Irish man or woman will be satisfied until all Ireland is free."

De Valera, a native of New York, spoke at New York's official reception for him on his first visit to the United States in eighteen years. He was introduced by official city greeter Grover Whalen as "a boy from Manhattan Island who made good overseas."

DAY

"The day will come," De Valera said, when an Irish leader will come to the United States and announce that Ireland "from sea to sea is now completely free."

Thousands of applauding New Yorkers cheered as de Valera left his hotel for the reception.

Yesterday, de Valera said he believed the world is "racing toward a third world war" and that the United Nations "doesn't amount to very much."

EISLER IS PERSECUTED BY NEIGHBORS, HE SAYS

NEW YORK, March 9 (AP)—Gerhart Eisler doesn't carry his cane to lean on. It's for protection against the "semi-fascist atmosphere" out in Woodside, Queens, New York, he said today.

The German-born Eisler, who has been labelled "No. 1 Communist in the United States," said at a news conference that living in Queens has been like living "behind fortifications" ever since he got that label.

He has to put screens over every window of his Woodside home, he said, because the neighborhood children broke the windows—with stones in the summer and snowballs in winter.

Yesterday, he said, more than 50 children greeted him outside his home, crying "go back to Russia."

"That's the chorus I meet every time I come home," he said.

Eisler, now awaiting deportation proceedings, yesterday submitted a request to Trygve Lie, secretary general of the United Nations, for intercession with the U. S. government to "allow my immediate return to my homeland."

COMMODITY PRICES DROP SECOND DAY

CHICAGO, March 9—(AP) Skidding commodity prices gave inflation a new long range wallop today.

Wholesale markets registered their second successive average daily decline. The retreat sent the average price of 35 major commodities to the lowest level in seven months.

NIGHT

Reverses Recovery Trend

The decline reversed a gradual recovery trend that started after the sharp commodity market slump of early February.

The Associated Press weighted wholesale price index of 35 commodities dropped nearly a point to 185.58. This compared with 188.56 a week ago, 188.64 a month ago and 181.54 a year ago. It was the lowest point since the index stood at 185.37 on Aug. 1. The previous 1948 low of 186.32 was set on Friday, Feb. 13. Prices in 1926 were 100.

The index covers foodstuffs and industrial raw materials.

Mixed prices prevailed on most major commodity markets after a sharp drop early in trading.

Wheat finished 1 1-4 higher to 2 1-8 cents lower on the Chicago Board of Trade. The May contract was $2.36 1-4 - 1-2. This was only 3 1-2 - 4 1-4 cents above the grain cereal's 1948 low.

Corn was 1 cent higher to 2 7-8 lower, May $2.13 - $2.13 1-4. Oats were 1-4 lower to 1 5-8 higher, May $1.19 1-2 - 5-8. Soybeans plunged the daily 8 cents limit, March $3.50.

Grain prices were off sharply at the opening under the influence of government refusal to purchase any great amount of flour at prices offered by mills.

However, buying by mills sent cotton prices $2 to $3.15 a bale higher in New York.

New York stocks drifted lower, with declines outnumbering advances three to one.

Unfavorable news abroad and the political situation at home kept the markets nervous.

Hog prices held fairly steady at the level of Monday's sharp decline. Cattle prices were mixed while lambs were down 25 to 50 cents a hundred pounds.

Best grade butter tumbled a cent down to 75 1-2 cents a pound, a new 1948 low, on the New York wholesale market. Butter was unchanged at Chicago.

Wholesale meat prices were irregular at Chicago and New York.

Dun & Bradstreet reported there were 113 commercial and industrial failures in the week ended March 4. This was the second highest for any week since early 1943.

Dodd Tells Catholic Conference Family Life in U.S. Is Imperiled

HARTFORD, March 9. — (AP) Thomas J. Dodd said tonight that "the forces of materialism" were "deviously but nonetheless dangerously" attacking family life in the United States.

Dodd, a former government attorney who was on the U. S. prosecution staff at Nuernberg, pleaded for a "restored family life" as a means of reconstructing a world now "burdened by fear and bewilderment."

In a speech at tonight's session of the National Catholic Family Life conference here, Dodd said the same attitude toward family life as was shown by the Nazis could now be found in Russia and other communist dominated countries.

Raps Communist Code

"It is significant," he said, "that these two extremes of bad government which have brought so much tragedy to the world deny the fundamental rights of family life to human beings under their control."

In the United States, he added, the attack is indirect, but he contended that materialistic forces "have succeeded in reducing the influence of family life upon the whole social body."

He cited as evidence the "constantly accelerating divorce rate" and the juvenile delinquency he said resulted from broken homes.

Stating that the family, as a unit, was being weakened also by others than those "who are openly hostile to it as a matter of basic philosophy," Dodd told the conference:

"It has likewise been undermined by the lack of concern and consideration for its importance by those who adopt strictly social and economic viewpoints.

"In all our social and economic study and planning, we willfully fail to make room for or take into consideration even the basic necessities for decent family life in modern society.

Housing Shortage Hit

"Our failure to develop a proper housing program in this country is a national disgrace.

"The inestimable damage to family life which flows from this failure will cost us terribly for generations yet to come."

Resolutions condemning contraception, divorce, and working mothers, and deploring the present housing situation were adopted today by the conference.

The delegates acted favorably on 14 resolutions and recommendations at the second day's session of their three-day meeting.

A resolution on housing termed the present housing situation "a source of great harm to our family life and a disgrace to our civilization." It called for immediate action on an "extensive housing program."

In another resolution the conference asked that public opinion be marshalled against those businessmen who are "wearing and tearing down the moral fabric of the youth of the land" by the use of "salacious advertising."

WARTIME DRAFT BOARDS IN STATE ARE REORGANIZED

MAR 1948

Will Be Ready to Operate on 24 Hours Notice in Event of Emergency.

SET UP 'ON PAPER ONLY'

1,000 Persons Have Agreed to Serve on Boards if Needed, Morehouse Says.

HARTFORD, March 9 — (AP) Connecticut's wartime draft boards are being reorganized and will start operating on 24 hours notice in the event of any national emergency.

Reorganization of the local boards in Connecticut has been going on for the past two months on instructions from the national office in Washington, D.C., which has sent similar instructions to selective service boards throughout the country.

Colonel Vernon S. Morehouse of Stratford who heads the state selective service records office at the state armory stressed that the current reorganization of the local draft boards was "on paper only."

"We want to make sure we are not caught flat-footed in case of another emergency," he said. "In World War II it took us more than eight months to get the boards organized and operating."

1,000 Ready to Serve

The reorganization program is under the jurisdiction of the national guard in each state. Already about 1,000 persons in Connecticut, most of them with experience on the wartime draft boards, have agreed to serve on local boards if the emergency call is sent out.

The selective service system ended March 31, 1947, and was succeeded by Selective Service Records which is in charge of preserving and studying the draft records of World War II. General Lewis B. Hershey who directed the wartime draft is now the national head of the records agency in a civilian capacity.

State Draft Unit Officers Trained, Hershey Explains

San Francisco, March 9 (AP)—The United States is training State selective service officers to put a manpower procurement program into effect if necessary for any emergency, Gen. Lewis B. Hershey said today.

Trainees are being instructed "how to do it quicker if we have an atomic war." Other subjects include what to do at National Guard summer camps and at weekly drills.

The wartime draft director said instruction is given on how to set up State procurement plans no matter whether the nation adopts universal military training or mobilizing.

"Entirely Volunteer"

He described the program as "entirely a volunteer thing." Meanwhile, he said, "a great majority of the states in one way or another are doing something" to keep their draft machinery in condition.

Hershey, whose present title is director of the office of selective service records, said National Guardsmen and Army, Navy and Marine reserves are attending the training sessions as well as selective service officers.

The first course was given at Fort Benning, Ga., in January. This was followed by similar training at San Antonio, Texas, in February. Another such course is being conducted at present at the Presidio of San Francisco. The series will close at Governors Island, N.Y., in June.

Hershey said training courses similar to those being given now were conducted between 1937 and 1940. He said the 1949 program has not been set up yet.

Admiral C. M. Cooke, Jr. Ordered To Washington

Vallejo, Cal., March 9 (AP)—Admiral Charles M. Cooke, Jr., former commander of naval forces in the Far East, has received orders to report for duty in the office of the Chief of Naval Operations, Washington. He has been on temporary duty at San Francisco.

Other changes included in today's orders:

Rear Admiral Frank G. Fahrion, commander destroyers Pacific, headquarters in Honolulu, named superintendent of naval gun factory, Washington. Admiral Fahrion was in charge of logistics for the Bikini atom bomb tests.

Rear Admiral Emmett Forrestel, ordered from duty as commander United States naval base, Norfolk, Va., to commander destroyers Pacific, Honolulu, succeeding Fahrion.

Swimmers Rub Against Ice In Arctic Tests

MAR 1948

San Diego, Cal., March 9 (AP)—Navy and Marine Corps swimmers for the first time have brushed against Arctic ice in underwater scouting.

This was disclosed today by Vice Admiral George D. Murray, 1st Task Fleet commander, in an interview on Alaska exercises.

The rubber-suited swimmers pushed through slush 6 inches thick

and rubbed against 4-inch ice in carrying out their missions.

In Water Over An Hour

They remained in water down to an estimated 4 degrees below freezing for periods of more than an hour. They came out then because their beachhead explorations were completed—not because they were exhausted. DAY

Not even during the war did swimmers operate so far north. Attu and Kiska in the Aleutians were retaken without their pre-invasion survey and demolition work.

The men were sailors from navy underwater demolition team No. 1, led by Lieut. Alfred R. Sears, and Marines from the First Division's reconnaissance company, lead by Major Chas A. Rigaud.

They hit the water from submarines off Kodiak Island in February. They wore long underwear under their rubber suits. Their faces were smeared with petroleum jelly.

Went Through Severe Tests

Lieutenant Sears, who said his men had to go through severe tests "to win their fins," reported that they demonstrated they could carry out their tasks right up to the Arctic ice pack.

The slush and ice were encountered as they reached the beaches, which they were theoretically preparing for an invasion.

Commander Edward L. Foster, who commanded the reconnaissance force, said the men appeared to like the cold weather. There was only one minor casualty, a sailor aboard ship whose feet were frostbitten.

FOOD ACREAGE TARGETS HAVE BEEN INCREASED SHARPLY UNDER A FOUR-YEAR PROGRAM TO BOOST PRODUCTION 20 PERCENT, BUT THE LIVESTOCK PORTION IS FALLING BEHIND BECAUSE OF LACK OF FEEDSTUFFS, WHICH COME MAINLY FROM DOLLAR SOURCES.

CRIPPS ESTIMATED THAT THE OVERALL TRADE DEFICIT WOULD DROP TO 250,000,000 POUNDS ($1,000,000,000) FOR THE YEAR. THE DEFICIT WAS 675,000,000 POUNDS ($2,700,000,000) IN 1947.

BRITAIN WILL HAVE TO SELL ABOUT 220,000,000 POUNDS ($880,000,000) OF HER LAST GOLD RESERVES FOR DOLLARS THE FIRST HALF OF THE YEAR, HE SAID. BRITAIN STARTED THE YEAR WITH 680,000,000 POUNDS ($2,720,000,000) IN HER RESERVES. Some 48 union leaders from 15 nations attended. Miss Hancock presided as permanent chairman. Noting decisions of other nations not to [redacted] participate in the recovery program, Miss Hancock said:

"A divided view of the purpose and intention of America's offer of aid to Europe, and divisions within the international trade union movement, must obviously not be allowed to prevent those who could agree to walk together."

LONDON, MARCH 9-(AP)-TRADE UNION LEADERS FROM 15 NATIONS TOOK THE FIRST STEPS TONIGHT TO ESTABLISH A GROUP APART FROM THE COMMUNIST-DOMINATED WORLD FEDERATION OF TRADE UNIONS (WFTU).

FORTY-EIGHT REPRESENTATIVES FROM THE 15 NATIONS OPENED A CONFERENCE TODAY TO DISCUSS LABOR'S PART IN THE MARSHALL PLAN FOR EUROPEAN RECOVERY. THEY MET UNDER AUSPICES OF THE BRITISH TRADE UNIONS CONGRESS WHICH CALLED THE CONFERENCE WHEN SOVIET TRADE UNIONS BALKED AT CALLING AN EARLY MEETING OF THE WFTU TO DISCUSS THE MARSHALL PLAN.

ARTHUR DEAKIN, PRESIDENT OF THE WFTU AND SECRETARY GENERAL OF THE POWERFUL BRITISH TRANSPORT AND GENERAL WORKERS UNION, PROPOSED THAT THE CONFERENCE SET UP A EUROPEAN RECOVERY PLAN TRADE UNION ADVISORY COMMITTEE. THE COMMITTEE WOULD BE "EMPOWERED TO RECONVENE THE CONFERENCE AS AND WHEN NECESSARY."

THE CONFERENCE THEN ESTABLISHED A SEVEN-MEMBER COMMITTEE TO

"FORMULATE RECOMMENDATIONS WITH REGARD TO THE FORM OF THE CONTINUING ORGANIZATION."

AN OFFICIAL SUMMARY OF THE EXECUTIVE PROCEEDINGS INDICATED THAT THE NEW ORGANIZATION WOULD FUNCTION SEPARATELY FROM THE WFTU ALTHOUGH NOT NECESSARILY SPLIT FROM THE LARGER ORGANIZATION.

FRANK FENTON OF THE AMERICAN FEDERATION OF LABOR SAID "AMERICAN LABOR IS NOT HERE TO DEMAND, URGE OR DICTATE-- IT IS THEIR INTENTION TO ENGAGE IN A COMMON TASK WHICH IS VITAL TO COMMON TRADE UNION EXISTENCE."

FENTON, BERT M.JEWELL OF THE RAILWAY LABOR EXECUTIVES ASSOCIATION AND JAMES CAREY OF THE CIO REPRESENTED THE UNITED STATES. BRUSSELS, BELGIUM, MARCH 9 (AP)-BRITAIN WAS REPORTED TONIGHT TO HAVE CLEARED THE WAY FOR A FIVE-POWER MILITARY ALLIANCE TO BRACE WESTERN EUROPE AGAINST THE SPREAD OF COMMUNISM.

BRITAIN ORIGINALLY SOUGHT A SERIES OF SEPARATE BILATERAL MILITARY PACTS AMONG THE NATIONS TO MAKE UP THE WESTERN EUROPEAN UNION--BRITAIN, FRANCE AND THE BENELUX COUNTRIES (BELGIUM, THE NETHERLANDS AND LUXEMBOURG.)

SOURCES AT THE BRUSSELS CONFERENCE REPORTED BRITISH DELEGATES HAD RECEIVED WORD FROM LONDON ON ACCEPTANCE OF THE BENELUX COUNTER-PROPOSAL

FOR A SINGLE MULTIPLE PACT. AT THE SAME TIME, THE BENELUX DELEGATES WERE SAID TO HAVE YIELDED ON THEIR INITIAL PROPOSAL TO LIMIT THE ALLIANCE TO THE DEFENSE OF THE FIVE COUNTRIES, EXCLUDING THEIR COLONIES. A BRITISH SOURCE SAID THE DELEGATES ARE WORKING ON A FORMULA WHICH WOULD RECOGNIZE THE POSSIBILITY OF THREATS TO THE PEACE OF EUROPE ORIGINATING OUTSIDE THE CONTINENT.

WE CAN FULLY UNDERSTAND, THIS INFORMANT SAID, "THAT LUXEMBOURG, FOR INSTANCE, WOULD NOT WANT TO COMMIT HERSELF, ON OUR DISAGREEMENT, SAY, WITH GUATEMALA. BUT THERE ARE OTHER PARTS OF THE WORLD WHERE AN AGGRESSION FROM SOME SOURCES MIGHT BE OF MUCH GREATER IMPORTANCE TO US ALL.

THERE NOW IS SOME QUESTION WHETHER THE AGREEMENT WILL BE READY FOR SIGNATURE BEFORE NEXT WEEK'S MEETING OF THE MARSHALL PLAN NATIONS IN PARIS. DELEGATES HOPE, HOWEVER, TO HAVE IT INITIALED BY THEN.

SEVEN ARTICLES TO BE INCLUDED IN THE FORTHCOMING PACT HAVE BEEN APPROVED BY THE FIVE NATIONS.

APPROVAL OF TWO OF THE ARTICLES, HOWEVER, WAS SUBJECT TO SANCTION OF THE FRENCH AND BRITISH GOVERNMENTS, INFORMANTS SAID.

CONFERENCE OFFICIALS DECLINED TO SAY WHICH ARTICLES WERE BEING REFERRED BACK. ONE OF THEM WAS REPORTED TO BIND ALL SIGNATORY POWERS TO REFER DIFFERENCES TO THE INTERNATIONAL COURT.

A SECOND MEETING WAS SCHEDULED LATER TODAY.

OFFICIALS FROM BRITAIN, FRANCE, BELGIUM, THE NETHERLANDS AND LUXEMBOURG FORECAST A SPEEDY AGREEMENT ON ECONOMIC ISSUES. THEY EXPRESSED HOPE THE ECONOMIC PHASES OF THE PACT WOULD BE READY TO SIGN BY THE END OF THE WEEK.

FRENCH DELEGATE ROLAND DE MARGERIE DECLINED COMMENT ON REPORTS THAT THE FIVE POWER "WESTERN UNION" WOULD SEEK TO HAVE ITS DEFENSIVE STATURE BACKED BY THE MILITARY MIGHT OF THE U.S.

HUGH MALIARD, AMERICAN CHARGE D'AFFAIRES HERE, SAID THE U.S. WAS STANDING ASIDE FROM NEGOTIATIONS AMONG THE FIVE NATIONS.

INSTRUCTIONS ON ECONOMIC CLAUSES IN THE TREATY, WHICH THE CONFERES PASSED OVER IN THEIR EARLIER MEETINGS, ARRIVED HERE FROM LONDON AND PARIS FOR THE BRITISH AND FRENCH DELEGATIONS DURING THE NIGHT.

THIS IS EXPECTED TO PERMIT THE CONFERENCE DELEGATES TO MAKE GREATER HEADWAY IN TODAY'S SESSION ON THE FIVE OR SIX ARTICLES REMAINING

ON THEIR AGENDA. OFFICIALS PREDICTED THE MEETINGS WOULD CLOSE WEDNESDAY NIGHT OR THURSDAY.

THIS WOULD PERMIT THE FIVE FOREIGN MINISTERS TO SIGN THE PACT BEFORE THE OPENING OF THE PARIS MEETING OF THE 16 MARSHALL PLAN COUNTRIES MONDAY.

DE MARGERIE SAID ONE OF THE PACT'S PURPOSES IS TO HARMONIZE THE SOCIAL AND ECONOMIC SYSTEMS OF THE FIVE COUNTRIES TO ACHIEVE THE BASIS FOR AN EVENTUAL CUSTOMS AND ECONOMIC UNION.

A CUSTOMS UNION IS AN AGREEMENT OF TWO OR MORE COUNTRIES FOR THE LOWERING OF TRADE BARRIERS AND COLLECTING CUSTOMS JOINTLY.

HE CONTINUED THAT THIS HAD "NOT BEEN QUITE ENOUGH FOR FINAL VICTORY BUT THAT AMERICAN EQUIPMENT WILL TIP THE BALANCE TO A DECIDED ADVANTAGE." VAN FLEET AND THE OTHER TWO GENERALS HAVE COMPLETED A FIVE-DAY TOUR OF ARMY UNITS IN NORTHERN AND EASTERN GREECE.

THE AMERICAN SAID THE GREEK ARMY IS FIGHTING A "CIVILIZED WAR." HE SAID THE "BANDITS ARE CONDUCTING THE MOST INHUMAN CAMPAIGN OF TERRORISM WHICH CANNOT BE CLASSIFIED AS WAR."

RUSSIAN (500)
BY THOMAS D. WHITNEY
MOSCOW, MARCH 9-(AP)-RUSSIA MAINTAINED TODAY THAT THE UNITED STATES IS ENGINEERING A WESTERN POWER SCHEME TO DIVIDE EUROPE AND INCREASE MILITARY STRENGTH IN GERMANY FOR AGGRESSION AGAINST THE SOVIET UNION.
IN A NOTE TO THE UNITED STATES, BRITAIN AND FRANCE, RUSSIA DECLARED THE WESTERN POWERS ARE TRYING TO BUILD UP MILITARY POTENTIAL IN THE RUHR SO AS TO "TURN WESTERN EUROPE INTO A STRATEGIC BASE FOR AMERICAN IMPERIALISM IN EUROPE WITH THE PURPOSE OF AGGRESSION AGAINST THE U.S.S.R."
THE NOTE WAS MADE PUBLIC LAST NIGHT AT A NEWS CONFERENCE. RUSSIAN OFFICIALS SAID IT WAS DELIVERED SATURDAY. IT DID NOT SAY WHAT ACTION THE GOVERNMENT INTENDS TO TAKE ON ITS INTERPRETATION OF EVENTS.
THE SOVIET NOTE REJECTED A BRITISH REPLY TO AN EARLIER RUSSIAN PROTEST AGAINST A RECENT THREE POWER CONFERENCE IN LONDON ON GERMANY'S FUTURE. THAT CONFERENCE, THE SOVIET NOTE CHARGED, VIOLATED THE POTSDAM AGREEMENT OF 1945.
(THE CONFERENCE AGREED SATURDAY ON FUTURE INTERNATIONAL CONTROL OF THE RUHR AND A FEDERALIZED FORM OF GOVERNMENT FOR WESTERN GERMANY.)
IN ADDITION, THE RUSSIAN NOTE CONTENDED, THE MAJOR WESTERN POWERS ARE TRYING TO LIQUIDATE THE FOUR-POWER OCCUPATION ZONES IN WESTERN GERMANY BRITAIN AND AMERICA MERGED THEIR OCCUPATION ZONES IN GERMANY SO THAT THEY WOULD NOT HAVE TO DEMILITARIZE THAT AREA "NOR LIQUIDATE THEIR MILITARY ENTERPRISES IN GERMANY."
IT FURTHER CHARGED THE UNITED STATES WANTS TO SPLIT EUROPE INTO TWO CAMPS AND "INCLUDE SCHISMATIC WESTERN GERMANY IN THE WESTERN BLOC."
TO THIS END, THE NOTE DECLARED, THE WESTERN POWERS ARE PARALYZING THE ALLIED CONTROL COUNCIL IN GERMANY, AND WANT TO LIQUIDATE THE COUNCIL OF FOREIGN MINISTERS "IN ORDER TO GET RID OF ALL CONSTRAINTS WHICH MIGHT HINDER THE CONDUCT OF SUCH A POLICY AS THE COUNCIL OF FOREIGN MINISTERS COULD NOT AGREE UPON."
RUSSIA SAID THE AMERICAN PLAN" WAS TO PUT WESTERN GERMANY BEYOND THE JOINT CONTROL OF THE FOUR POWERS.
THE NOTE SAID THE WESTERN POWERS WOULD AFTER THAT HAD BEEN DONE, OCCUPATION ZONE AND A SPECIAL GROUP OF EUROPEAN STATES TO OPPOSE THE REMAINING EUROPEAN STATES. THIS WOULD USE BIZONIA, THE MERGED BRITISH-AMERICAN ZONE, AS A DIVISION IN EUROPE.
THE NOTE SAID "AND THE FORMATION OF TWO CAMPS OF EUROPEAN COUNTRIES."
THUS THE AMERICAN-BRITISH-FRENCH CONFERENCE IN LONDON PLAYED INTO

THE HANDS OF WARMONGERS, SAID THE NOTE.

IT ADDED THAT THE FAILURE OF THE LAST BIG FOUR FOREIGN MINISTERS CONFERENCE IN LONDON IN DECEMBER COULD BE "EXPLAINED BY THE FACT THAT BRITAIN, THE UNITED STATES AND FRANCE DEPARTED FROM THE YALTA AND POTSDAM DECISIONS ON THE GERMAN QUESTION AND TRIED TO FORCE ON THE COUNCIL OF FOREIGN MINISTERS A POLICY IN CONTRADICTION WITH THESE DECISIONS X X X."

THE THREE-POWER LONDON CONFERENCE FOLLOWED "ONLY A NARROW GROUP OF PURPOSES OF THE CREATORS OF THE WESTERN BLOC AND (WAS) OPPOSED BY ALL THE REMAINING STATES OF EUROPE," THE NOTE SAID.

"IN VIEW OF THIS," IT ADDED, "THE SOVIET GOVERNMENT CONSIDERS IT NECESSARY TO AFFIRM A DECLARATION ALREADY MADE THAT THE DECISIONS PREPARED AT THIS CONFERENCE CANNOT HAVE LEGAL FORCE AND INTERNATIONAL AUTHORITY."

FIVE ARABS AND TWO JEWS WERE REPORTED KILLED DURING THE DAY IN A BATTLE IN THE JAFFA-TEL AVIV AREA ON THE COASTAL PLAIN. THE UNOFFICIAL DEATH TOLL SINCE THE U.N. DECISION ON PARTITION MOUNTED TO 1,641.

PALESTINE (360)

MAR 1948

BY JAMES M. LONG

JERUSALEM, MARCH 9-(AP)-HAGANAH AND IRGUN ZVAI LEUMI, THE TWO MAIN JEWISH FIGHTING FORCES IN PALESTINE, WILL GET TOGETHER TODAY, RELIABLE INFORMANTS SAID, TO BIND THEMSELVES INTO A COMMON MILITARY FRONT AGAINST THE ARABS.

THE MERGER HAS ALL BEEN WORKED OUT, THE INFORMANTS SAID, AND A PACT SETTING OUT THE DETAILS IS REPORTED READY FOR RATIFICATION BY THE TWO ORGANIZATIONS AT TEL AVIV TODAY.

UNDER THE AGREEMENT, IT WAS LEARNED, IRGUN WILL RETAIN ITS OWN ORGANIZATION AND OFFICERS UNDER HAGANAH'S OVERALL DIRECTION.

ONE OF THE PRINCIPAL POINTS IN THE AGREEMENT, JEWISH SOURCES SAID, WAS AN IRGUN PROMISE TO HALT IMMEDIATELY ITS ATTACKS UPON BRITISH FORCES, NOW IN THE PROCESS OF WITHDRAWING FROM THE HOLY LAND.

IRGUN'S ATTACKS HAVE LONG BEEN A BONE OF CONTENTION BETWEEN THE UNDERGROUND GROUP AND HAGANAH, THE OFFICIAL MILITIA OF THE JEWISH AGENCY. HAGANAH CONTENDED THE ATTACKS WERE TERRORISM WHICH HURT THE JEWISH CAUSE.

SOME INFORMANTS SAID DAVID BEN GURION, CHAIRMAN OF THE AGENCY, PROBABLY DISCUSSED THE AGREEMENT WITH SIR ALAN CUNNINGHAM, BRITISH HIGH COMMISSIONER FOR PALESTINE, DURING AN INTERVIEW YESTERDAY.

HAGANAH NEVER HAS BEEN RECOGNIZED OFFICIALLY BY THE BRITISH BUT HAS BEEN OPERATING OPENLY, ALONGSIDE BRITISH TROOPS AND PALESTINE POLICE, FOR SEVERAL WEEKS. IRGUN, AN OUTLAW GROUP, STILL IS UNDERGROUND AND HAS BEEN STRWKING AT BOTH THE ARABS AND THE BRITISH.

IRGUN CLAIMED RESPONSIBILITY FOR THE HANGING LAST JULY OF TWO BRITISH SERGEANTS IN A WOOD NEAR NATANYI; FOR THE BOMBING OF THE KING DAVID HOTEL IN JERUSALEM THE PREVIOUS JULY, WHEN 91 PERSONS WERE KILLED; AND FOR OTHER SIMILAR ACTS.

HAGANAH HAS A SHOCK FORCE OF MORE THAN 10,000 PAID, FULL-TIME SOLDIERS. IRGUN IS BELIEVED TO HAVE MORE THAN 1,000.

THE TWO ORGANIZATIONS CLASHED IN A BATTLE IN TEL AVIV JUST TWO WEEKS AGO OVER IRGUN'S RIGHT TO SOLICIT FUNDS AND ARMS. YESTERDAY THEY MADE COMBINED ATTACKS ON THE ARABS IN A VILLAGE NEAR NATANYA.

(IN PARIS, FRENCH POLICE SAID THEY HAD FOUND THREE TONS OF ARMS IN MARSEILLE, DESTINED FOR IRGUN ZVAI LEUMI IN PALESTINE. THEY REPORTED FINDING FIVE TONS OF MUNITIONS IN A PARIS GARAGE SATURDAY, ALSO HEADED FOR THE HOLY LAND.)

THE UNOFFICIAL DEATH TOLL FOR COMMUNAL WARFARE IN PALESTINE SINCE THE NOV.29 PARTITION DECISION HAS REACHED 1,630.

A HARD FIGHT BROKE OUT IN THE JAFFA-TEL AVIV NO MAN'S LAND BEFORE DAWN THIS MORNING. FIRST REPORTS SAID FIVE ARABS AND TWO JEWS WERE KILLED.

JERUSALEM, MARCH 9-(AP)-THE ARAB LEAGUE HAS STRIPPED THE MUFTI OF JERUSALEM, HAJ AMIN EL HUSSEINI, OF VIRTUALLY ALL HIS POWER.

THE SEVEN-NATION LEAGUE, WITH HEADQUARTERS IN CAIRO, HAS TAKEN OVER FULL MILITARY AND POLITICAL CONTROL IN THE AFFAIRS OF PALESTINE'S 1,250,000 ARABS.

THE ARAB HIGHER EXECUTIVE IN PALESTINE, HEADED BY THE MUFTI, NOW DEALS ONLY WITH SUCH INTERNAL AFFAIRS AS COLLECTION OF TAXES, EXPORT OF CITRUS FRUIT AND SETTLEMENT OF TRIBAL BLOOD FEUDS. THE FIGHT AGAINST ZIONISM AND PARTITION IS DIRECTED FROM CAIRO.

THE MUFTI STILL IS EXILED FROM PALESTINE BY THE BRITISH, AS HE HAS BEEN SINCE HIS FLIGHT FROM THE HOLY LAND TO GERMANY JUST BEFORE THE WAR. DURING RECENT ARAB LEAGUE SESSIONS, THE MUFTI SOUGHT UNSUCCESSFULLY TO HAVE HIMSELF NAMED HEAD OF A PROVISIONAL PALESTINE GOVERNMENT, ARAB SPOKESMEN SAY. THE LEAGUE COUNTERED BY CREATING A THREE-MAN ARAB ADMINISTRATIVE COMMITTEE.

LEAGUE SPOKESMEN ARE CONFIDENT THE ARAB VOLUNTEER ARMY CAN THWART PARTITION AND SUBDUE ZIONISM. THEN, THEY SAID, THE LEAGUE WILL ADMINISTER PALESTINE AFFAIRS UNTIL THE PEOPLE VOTE, IN A LEAGUE-SPONSORED ELECTION.

THE MUFTI AND HIS AIDES STILL SERVE AS PALESTINE ADVISERS TO THE LEAGUE BUT TAKE NO PART IN ITS DECISIONS. THE MUFTI'S LOSS OF POWER IN SOME ARAB STATES HAS BEEN ACCOMPANIED BY A DROP IN PRESTIGE IN PALESTINE ITSELF, QUALIFIED PALESTINE OBSERVERS REPORT.

TEHRAN, MARCH 8-(DELAYED)-(AP)-SHEIKH HOSSEIN LANKARANI, MOSLEM RELIGIOUS LEADER, AND HIS FOUR BROTHERS WERE ARRESTED LAST NIGHT BY TEHRAN POLICE. ONE NEWSPAPER LINKED THE ACTION WITH THE ASSASSINATION FEB. 12 OF MOHAMAD MASOOD, TEHRAN NEWSPAPER EDITOR.

MASOOD, WHO HAD OPPOSED FORMER PREMIER AHMED QAVAM, WAS SHOT TO DEATH AS HE LEFT THE OFFICES OF MARIDI EMROOZ, OF WHICH HE WAS EDITOR.

LANKARANI, A DEPUTY IN THE IRANIAN MAJLIS (PARLIAMENT) HAS DESCRIBED HIMSELF AS "BRITAIN'S NO. ONE ENEMY FOR THE PAST 35 YEARS."

GOVERNMENT CIRCLES GAVE NO REASON FOR THE ARRESTS, BUT THE MODERATELY LEFT WING NEWSPAPER DAD, QUOTED THE POLICE CHIEF AS HAVING LINKED THEM TO MASOOD'S SLAYING.

QIAM IRAN, CENTER OF THE ROAD NEWSPAPER, SAID THE IRANIAN GOVERNMENT PLANS TO OUTLAW SEVERAL LEFT WING PARTIES AND ARREST THEIR MEMBERS. QIAM IRAN SPECULATED THAT THIS POLICY MIGHT BE CONNECTED WITH THE ARREST OF LANKARANI AND HIS FOUR BROTHERS. THEY ARE CONSIDERED BY SOME AS AMONG THE MOST ENERGETIC IN LEFT WING ELEMENTS HERE.

INFLATION (190)

BY JOHN RODERICK

SHANGHAI, MARCH 9-(AP)-INFLATION'S DIZZY SPIRAL BROKE ALL RECORDS IN CHINA TODAY, JUST A WEEK AFTER AMERICAN RELIEF MEASURES HAD BEEN APPLIED IN SIX MAJOR CITIES.

DESPITE FOOD RATIONING, INTRODUCED LAST WEEK, THE PRICE OF RICE SHOT UP TO AN ALLTIME HIGH OF FOUR MILLION YUAN (ABOUT $10) FOR 133 POUNDS. BEFORE RATIONING IT WAS 2,900,000 YUAN.

A BLACK MARKET SPURT IN U.S. CURRENCY SENT THE PRICE TO 400,000 YUAN TO $1. THREE WEEKS AGO IT WAS STEADY AT ABOUT 200,000 TO $1.

CHINA'S BIG CITIES--SHANGHAI, NANKING, PEIPING, CANTON, TIENTSIN AND MANGKOW--BEGAN DOLING OUT RICE LAST WEEK UNDER A PROGRAM ADVOCATED BY THE UNITED STATES' CHINA RELIEF MISSION. THE FIRST HANDLED WAS NATIVE RICE AND SUPPLIES FROM SIAM. WITHIN TWO WEEKS UNITED STATES-DONATED COMMODITIES ALSO WILL GO INTO THE MARKETS. FUNDS FROM THE SALES WILL BE SENT TO INTERIOR AREAS FOR RELIEF OF CHINA'S MULTITUDINOUS POOR, FOR WHOM RICE IS ALMOST COMPLETELY OUT OF REACH.

THOUSANDS ARE STARVING DAILY.

RATIONING DID NOT SEEK TO PUSH DOWN THE PRICE OF RICE OR TO END INFLATION, BUT IT WAS HOPED IT WOULD PREVENT AN ADDITIONAL RISE IN PRICES. THE REACTION ON ALL MARKETS HAS BEEN EXACTLY THE OPPOSITE.

SHANGHAI, WEDNESDAY, MARCH 10-(AP)-THE TRANSPORT PLANE OF THE MILTON REYNOLDS SCIENTIFIC EXPEDITION HAS DEVELOPED A SERIOUS GASOLINE LEAK AND WILL BE FLOWN BACK TO LOS ANGELES FOR REPAIRS UNDER WHAT THE MILLIONAIRE MANUFACTURER SAID WERE "HIGHLY DANGEROUS" CIRCUMSTANCES.

HE SAID HIS PILOT, WILLIAM P.ODOM OF ROSLYN,N.Y.; FLIGHO ENGINEER CARROLL SALLEE, DALLAS,TEX.; A CHINESE AIRFORCE LIEUTENANT AND A RADIOMAN HAVE VOLUNTEERED TO MAKE THE TRIP. THEY MAY TAKE OFF TODAY.

THEY WILL STAY IN THE PILOT'S COMPARTMENT BECAUSE ANYONE RIDING IN THE MAIN CABIN "WOULDN'T HAVE A CHANCE" IN EVENT OF AN EXPLOSION, REYNOLDS RELATED.

"I WOULDN'T RIDE IN IT (THE PLANE) FOR 10 MILLION DOLLARS," HE EXCLAIMED.

THE LEAKY GASOLINE SYSTEM WILL DELAY FOR AT LEAST THREE WEEKS HIS PLANS FOR AERIAL EXPLORATION OF MOUNTAINOUS WESTERN CHINA. FUEL PUMP TROUBLE FIRST DEVELOPED AT WAKE ISLAND, EN ROUTE TO CHINA, HE EXPLAINED.

"I WAS FACED WITH TWO PROBLEMS. FIRST, WHETHER TO ABANDON THE EXPEDITION--WHICH I DIDN'T WANT TO DO, SINCE I'VE ALREADY SPENT $200,000 AND STILL HAVE AN AMBITION TO FIND THE HIGHEST MOUNTAIN IN THE WORLD AND DO SOME EXPLORING; AND SECOND, WHETHER TO FLY BACK TO LOS ANGELES FOR REPAIRS."

HE SAID ODOM "BELIEVED HE COULD MAKE ALMOST A NONSTOP FLIGHT TO CALIFORNIA." SHOULD DISASTER THREATEN, THE FOUR BELIEVE THEY WILL BE ABLE TO LEAP FROM THE PLANE'S NOSE.

REYNOLDS FIRST ATTEMPTED TO CHARTER ANOTHER PLANE HERE, BUT FOUND IT WOULD TAKE SEVERAL WEEKS TO TRANSFER DELICATE EQUIPMENT TO IT--IF IT COULD BE DONE AT ALL.

OTHER MEMBERS OF THE EXPEDITION ARE ALREADY IN NANKING, PREPARING FOR A TRIP TO LANCHOW, WEST-CHINA BASE FOR THE PROPOSED EXPLORATIONS.

TSINGTAO, NORTH CHINA, WEDNESDAY, MARCH 10-(AP)-CAPT.A.L.BURRIDGE, SHANTUNG MANAGER FOR THE CHENNAULT AIRLINE, SAID TODAY THE LINE WILL CONTINUE FLIGHTS FROM MUKDEN DESPITE "A SOVIET ATTACK" MONDAY.

TWO P-39 FIGHTER PLANES MARKED WITH RED STARS, THE AIRLINE HAD REPORTED EARLIER, FIRED MACHINE GUNS AT A CHENNAULT TRANSPORT BUT EVIDENTLY WERE NOT TRYING TO HIT IT. IT WAS UNDAMAGED.

"THEY APPARENTLY WANTED TO SCARE US AWAY," SAID BURRIDGE, A FORMER MARINE FLIER FROM CADILLAC, MICH. "WE ARE NOT GOING TO BE SCARED."

(RUSSIANS OCCUPY PORT ARTHUR AND DAIREN, MANCHURIA, NEAR THE AIR ROUTE FROM MUKDEN TO CHINA PROPER.)

IT IS THE FIRST SUCH INCIDENT REPORTED HERE. THE AIRLINE, DEVELOPED AS A COMMERCIAL VENTURE BY RETIRED MAJ.GEN.CLAIRE L.CHENNAULT, WAS ENGAGED IN EVACUATING SOME 7,000 PERSONS FROM COMMUNIST-ISOLATED MUKDEN.

ASKED WHETHER HE THOUGHT THE INCIDENT IS CONNECTED WITH HIS TRIP HERE TO TESTIFY BEFORE A CONGRESSIONAL COMMITTEE ON PROPOSED U.S. AID TO CHINA, CHENNAULT SAID:

"I DON'T LIKE TO THINK THAT. IT WON'T BE REASSURING TO MY PILOTS IF THEY FEEL THE INCIDENT IS THE RESULT OF MY BEING HERE."

CHENNAULT SAID "THE RUSSIANS HAVE NO REASON TO OBJECT TO THE FLIGHTS TO AND FROM MUKDEN." HE ADDED:

"WE ARE OPERATING UNDER AUTHORITY OF THE CHINESE GOVERNMENT OVER CHINESE TERRITORY AND COMPLYING IN EVERY WAY WITH INTERNATIONAL LAW AS RELATED TO SUCH A SERVICE."

CHENNAULT SAID HIS PLANES ALREADY HAD EVACUATED ABOUT 3,000 PERSONS FROM MUKDEN AND HE HOPED THE UNDERTAKING WOULD BE COMPLETED SHORTLY.

THE REVERSAL IN POLICY SHOWED UP, SHORT SAID, WHEN THE DEPARTMENT RETURNED A CORRECTED COPY OF TESTIMONY GIVEN BEFORE THE SUBCOMMITTEE BY WILLARD L.THORP, ASSISTANT SECRETARY FOR ECONOMIC AFFAIRS.

SHORT SAID THORP HAD TOLD THE COMMITTEE THE U.S. DELEGATION WOULD MAKE SURE THAT OIL HAD A HIGH PLACE ON THE AGENDA AT BOGOTA. BUT HE SAID THE CORRECTED VERSION STATED THAT THE DEPARTMENT IS CONSIDERING WHETHER OIL WILL BE DISCUSSED AT ALL.

IT IS CUSTOMARY FOR GOVERNMENT WITNESSES BEFORE CONGRESSIONAL COMMITTEES TO BE GIVEN A CHANCE TO EDIT THEIR TESTIMONY BEFORE IT BECOMES A PART OF THE PERMANENT RECORD.

SHORT CALLED ROBERT EAKENS, ONE OF THORP'S ASSISTANTS, FOR AN EXPLANATION AT A CLOSED COMMITTEE SESSION YESTERDAY.

EAKENS TOLD THE COMMITTEE THE STATE DEPARTMENT HAS DECIDED NOT TO MENTION THE SUBJECT OF OIL UNLESS IT IS BROUGHT UP BY ANOTHER COUNTRY AT THE CONFERENCE, SHORT SAID.

"HE SAID THIS WAS DONE OUT OF DEFERENCE TO A COUNTRY THAT HAS BEEN VERY FRIENDLY TO US AND DOESN'T WANT TO TALK ABOUT OIL," SHORT ADDED. "HE DIDN'T SAY SO, BUT I ASSUME THE COUNTRY IS MEXICO."

"I SAY THAT FRIENDSHIP WHICH HAS TO BE BOUGHT ISN'T TO BE TRUSTED," SHORT SAID. "I DON'T WANT ANY MORE EXPROPRIATION. WE'VE HAD ENOUGH OF THAT."

SHORT SAID TESTIMONY OF MILITARY LEADERS AND PETROLEUM EXPERTS APPEARING BEFORE HIS SUBCOMMITTEE HAS SHOWN THAT THE AMERICAS COULD SUPPLY THEIR OWN OIL NEEDS ONLY FOR A SHORT TIME DURING AN EMERGENCY.

"THE MIDDLE EAST IS THE KEY TO THE WORLD'S OIL," SHORT SAID. "WE HAVE ACCESS TO IT NOW, BUT ALL THAT COULD BE CHANGED. THERE IS COMPETITION FOR IT, AND IT IS FAR AWAY.

(ADVANCE)-WASHINGTON,MARCH 9-(AP)-TAX CUTTING IS THE BEST INSURANCE AT HAND AGAINST A BUSINESS SLUMP, THE UNITED STATES CHAMBER OF COMMERCE SAID TODAY.

ELLSWORTH C.ALVORD OUTLINED THE CHAMBER'S VIEWS IN A STATEMENT TO THE SENATE FINANCE COMMITTEE. THAT GROUP IS NEARING THE CLOSE OF PUBLIC HEARINGS ON THE $6,500,000,000 (B) TAX CUT BILL PASSED BY THE HOUSE LAST MONTH.

IT IS GENERALLY CONCEDED THAT THE SENATE COMMITTEE WILL RECOMMEND A SMALLER REDUCTION TO ROUND UP ENOUGH DEMOCRATIC SUPPORT TO OVERRIDE AN EXPECTED PRESIDENTIAL VETO.

IN ADVANCE OF TODAY'S SESSION, SENATOR EDWIN C.JOHNSON (D-COLO) SAID A $4,500,000,000 BILL WOULD BE "VETO PROOF."

ALVORD MENTIONED NO SPECIFIC FIGURE IN HIS PREPARED TESTIMONY. BUT HE SAID:

"WE HAVE HAD SOME RECENT WARNINGS IN THE COMMODITY AND SECURITY

(150) WASHINGTON MARCH 9-(AP)-SENATOR TAYLOR (D-IDAHO) DECLARED TODAY FIVE FBI MEN WERE STATIONED IN A GOVERNMENT AUDITORIUM LAST NOVEMBER WHILE HE MADE A SPEECH CRITICIZING THE ADMINISTRATION'S FOREIGN POLICY.

TAYLOR TOLD HIS COLLEAGUES HE REFRAINED FROM ASKING THOSE IN THE AUDIENCE WHO AGREED WITH HIM TO RISE BECAUSE HE KNEW MANY OF THEM WERE GOVERNMENT WORKERS.

AFTER A SIMILAR SPEECH AT MORRIS, TENN., TAYLOR CONTINUED, HE DID ASK FOR SUCH AN EXPRESSION. ONLY ABOUT HALF THE AUDIENCE ROSE, HE SAID, BUT MANY LATER TOLD HIM THEY WERE GOVERNMENT WORKERS WHOSE LOYALTY WAS UNDER STUDY AND THEY WERE AFRAID TO RISE.

TAYLOR, WHO IS RUNNING FOR VICE PRESIDENT WITH HENRY A.WALLACE, TOLD HIS COLLEAGUES HE RECOUNTED THIS INCIDENT TO A WASHINGTON AUDIENCE LATER AND SAID HE WOULD NOT ASK THOSE WHO AGREED WITH HIM TO RISE.

DISREGARDING HIS WARNING, HE SAID, EVERYONE IN THE LABOR DEPARTMENT AUDITORIUM GOT TO HIS FEET AND "GAVE ME SUCH AN OVATION AS I HAVE NEVER BEFORE HAD."

WASHINGTON,MARCH 9-(AP)-SENATOR TAYLOR OF IDAHO CALLED THE MARSHALL PLAN "VICIOUS AND STUPID" IN A SENATE SPEECH TODAY. HE PREDICTED ITS BACKERS WILL MEET THEIR "WATERLOO COME NEXT NOVEMBER."

TAYLOR IS RUNNING FOR VICE PRESIDENT ON HENRY WALLACE'S THIRD PARTY TICKET. HE SAID THERE ARE REPORTS PREMIER STALIN HAS OFFERED TO MEET PRESIDENT TRUMAN AT STOCKHOLM IN AN EFFORT TO END RUSSIAN-AMERICAN TENSION.

MR.TRUMAN DENIEDTHIS FLATLY AT A RECENT KEY ZEST NEWS CONFERENCE.

TAYLOR SAID THAT IF THE PRESIDENT "HAS A DREAD OF MEETING MR. STALIN EXCEPT ON HIS OWN DOORSTEP," HE WOULD SUGGEST THAT THE NEW BALCONY ADDED TO THE WHITE HOUSE SECOND FLOOR BE SAWED OFF AND INSTALLED ON A WARSHIP.

"HAUL IT OUT IN THE OCEAN SOME PLACE AND LET THEM TALK THINGS OVER," TAYLOR SAID. "IF ANY GOOD CAME OF SUCH A MEETING, THAT WOULD BE THE BEST SUGGESTION I HAVE HEARD OF FOR GETTING OUR MONEY'S WORTH OUT OF HIS PIECE OF SECOND STORY WORK."

TAYLOR SAID HE DESCRIBES THE EUROPEAN RECOVERY BILL "AS BEING VICIOUS BECAUSE IT MAKES INFINITELY MORE REMOTE ANY POSSIBILITY OF REVERSING THE PRESENT TREND TOWARD WAR AND OF PRESERVING THE PEACE OF THE WORLD."

"I HAVE CALLED IT STUPID," HE SAID, "BECAUSE I DON'T BELIEVE IT WILL ACCOMPLISH THE DESIRED OBJECT OF THOSE WHO SPONSOR IT, NAMELY, BUYING THE FRIENDSHIP OF WESTERN EUROPEAN NATIONS WITH A VIEW TO THEIR BECOMING OUR ALLIES IN AN EXPECTED WAR AGAINST SOVIET RUSSIA."

THE ALTERNATIVE, TAYLOR SAID, IS TO "TAKE THE FORMULATION AND GUIDANCE OF OUR FOREIGN POLICY OUT OF THE HANDS OF THOSE WHO HATE RUSSIA AND PLACE IT IN THE CARE OF STATESMEN WHO GENUINELY DESIRE TO GET ALONG WITH RUSSIA AND IN WHOSE SINCERITY OF PURPOSE THE RUSSIANS WILL HAVE CONFIDENCE."

HE LEFT LITTLE DOUBT HE WAS ALLUDING TO WALLACE AND HIMSELF.

TAYLOR SAID HE THINKS ALL HELP FOR EUROPE SHOULD BE FURNISHED THROUGH THE UNITED NATIONS.

"THE PEOPLE OF AMERICA HAVE PLACED ALL THEIR HOPES FOR PEACE IN THE UNITED NATIONS, BUT THEY ARE COMING TO REALIZE DAY BY DAY THAT THE ARCHITECTS AND PLANNERS OF OUR FOREIGN POLICY HAVE NO REAL INTEREST IN THE UNITED NATIONS," HE DECLARED.

HE SAID THE ISSUE OF DIVIDING PALESTINE "HAS BROUGHT THESE BIPARTISAN, BY-PASS-THE-UNITED-NATIONS FOREIGN POLICY BOY FACE TO FACE WITH THAT AWFUL QUESTION SO WELL EXPRESSED IN THE BOOGY WOOGY TERM, 'IS YOU IS OR IS YOU AIN'T?" FOR THE UNITED NATIONS."

(350) ATOMIC-LABOR

WASHINGTON, MARCH 9-(AP)-DAVID E.LILIENTHAL TOLD CONGRESS TODAY THE GOVERNMENT SHOULD KEEP HANDS OFF OF LABOR ARGUMENTS IN ATOMIC ENERGY PLANTS IF IT POSSIBLY CAN.

THE CHAIRMAN OF THE ATOMIC ENERGY COMMISSION TESTIFIED BEFORE THE JOINT CONGRESSIONAL COMMITTEE ON ATOMIC ENERGY. IT IS HOLDING HEARINGS ON LABOR-MANAGEMENT RELATIONS IN THE STRATEGIC INDUSTRY.

LILIENTHAL SAID THE COMMISSION WANTS THE WIDEST PRACTICABLE PARTICIPATION OF PRIVATE INDUSTRY IN THE DEVELOPMENT OF ATOMIC ENERGY.

IF THE GOVERNMENT SETTLES LABOR DISPUTES SUMMARILY, ON ITS OWN INITIATIVE, HE SAID, THE PARTICIPATION OF PRIVATE ENTERPRISE WILL BE WEAKENED.

A DISPUTE INVOLVING CARBIDE AND CARBON CHEMICALS CORP. AND WORKERS IN THE ATOMIC PLANT AT OAK RIDGE, TENN., IS NOW BEFORE A BOARD OF INQUIRY APPOINTED BY PRESIDENT TRUMAN LAST WEEK. THE BOARD IS TO REPORT TO HIM MARCH 19.

LILIENTHAL SAID THE COMMISSION HAS HOPE THAT WARTIME LABOR AGREEMENTS WHICH PROHIBITED WORK STOPPAGES IN ATOMIC PLANTS MAY BE REVIVED.

THE COMMISSION HAS CONFERRED WITH PRESIDENT WILLIAM GREEN OF THE AFL AND PRESIDENT PHIL MURRAY OF THE CIO, HE ADDED, AND "THERE HAS BEEN COMPLETE AGREEMENT ON THE NECESSITY FOR CONTINUOUS OPERATION" OF PLANTS.

AS HE SEES IT, LILIENTHAL SAID, THE NATIONAL SECURITY MAKES TWO REQUIREMENTS. THESE ARE CONTINUITY OF OPERATION, AND THAT PRIVATE CONTRACTS BE MADE "TO MAKE THE WIDEST USE OF THE PROVEN VALUES OF THE AMERICAN SYSTEM OF FREE INDUSTRY AND LABOR."

THESE, IN TURN, LEAD TO THREE PRINCIPLES WHICH THE COMMISSION CONSIDERS BASIC, HE ADDED. THEY ARE:

1. THE COMMISSION MUST BE CERTAIN THAT THE MEN OF MANAGEMENT AND LABOR WHO BARGAIN ON LABOR PROVISIONS ARE LOYAL TO THE UNITED STATES.
2. WAGES AND WORKING CONDITIONS MUST GENERALLY BE IN LINE WITH THOSE OF COMPARABLE INDUSTRIES.
3. "EITHER BY VOLUNTARY AGREEMENT OR BY FORCE OF LAW, STOPPAGES OF WORK AT VITAL INSTALLATIONS, WHICH WILL HALT OR HAMPER PROGRESS OF THE PROGRAM, MUST BE AVOIDED."

SENATOR HICKENLOOPER (R-IA), CHAIRMAN OF THE COMMITTEE, SAID THE HEARINGS WILL CONTINUE ABOUT TWO WEEKS, AND WILL BE LIMITED TO GATHERING FACTS ON LABOR-MANAGEMENT PROBLEMS IN ATOMIC ENERGY PLANTS.

(ADVANCE)...WASHINGTON, MARCH 9-(AP)-REP.REEVES (R-MO) SAID TONIGHT THERE IS NO DOUBT ABOUT RUSSIA'S DETERMINATION TO "CONQUER AND COMMUNIZE THE WHOLE WORLD."

IN A SPEECH PREPARED FOR BROADCAST OVER A KANSAS CITY RADIO STATION, REEVES ASSERTED:

"THE PATTERN OF AGGRESSIVE ACTION BY RUSSIA HAS BECOME A FAMILIAR ONE AND THERE IS ABSOLUTELY NO DOUBT ABOUT HER DETERMINATION TO CONQUR AND COMMUNIZE THE WHOLE WORLD.

"THERE SEEMS TO BE ONLY ONE NATION WHICH IS CAPABLE OF TAKING EFFECTIVE ACTION TO BLOCK HER EXPANSION AND THAT NATION IS THE UNITED STATES."

DISCUSSING THE EUROPEAN RECOVERY PLAN NOW UNDER DISCUSSION BY THE SENATE AND BY THE HOUSE FOREIGN AFFAIRS COMMITTEE, REEVES SAID:

"NO ONE WILL DENY THAT IN THE EYES OF RUSSIA AND THE REST OF THE WORLD WE ARE ALREADY FULLY COMMITTED TO A PROGRAM OF EUROPEAN RECOVERY.

"THE COMMUNISTS HAVE TAKEN VIGOROUS ACTION TO OPPOSE US, AND I DOUBT SERIOUSLY WHETHER THE UNITED STATES COULD BACK DOWN NOW, NO MATTER HOW MUCH IT MIGHT WANT TO DO SO."

REEVES AGREED THAT THE EUROPEAN RECOVERY PROGRAM IS A "CALCULATED RISK". BUT THE ALTERNATIVE, HE SAID, WOULD BE TO "TURN OUR BACKS" WHILE THE TIDES OF COMMUNISM SWEPT UNOBSTRUCTED ACROSS ALL OF EUROPE.

WASHINGTON, MARCH 9-(AP)-SENATOR WATKINS (R-UTAH) SAID TODAY HE MAY VOTE FOR THE EUROPEAN RECOVERY PLAN IN THE HOPE IT WILL HELP STOP COMMUNISM.

HE CALLED FOR A SHOWDOWN WITH RUSSIA IN THE UNITED NATIONS.

HE ADDED HE DOES NOT THINK IT IS THE ONLY ANSWER.

HE SAID IN A STATEMENT DISCUSSING THE ERP BILL NOW BEFORE THE SENATE:

"I FEEL THAT OUR EXPERIENCES IN THE PAST FEW YEARS HAVE SHOWN US THAT THE MERE USE OF MONEY HAS NEVER PERMANENTLY SOLVED ANY OF OUR TROUBLES AND OUR PRESENT SITUATION IS ENTIRELY TOO SERIOUS TO JUST BLINDLY FOLLOW THESE SAME PRACTICES WHICH HAVE CONSISTENTLY PROVED UNSUCCESSFUL IN THE PAST.

"I AM CONVINCED OUR WHOLE FOREIGN POLICY NEEDS AN IMMEDIATE OVERHAULING. WE SEEM TO BE DISSIPATING OUR RESOURCES ALL OVER THE GLOBE, TRYING TO CONTAIN COMMUNISM. WE VOTED AID TO GREECE AND TURKEY AND TO CHINA. WE HAVE BEEN MAKING LOANS RIGHT AND LEFT. THIS POLICY ISN'T WORKING. RUSSIA, BEING ON THE OUTSIDE, HAS THE ADVANTAGE, SHE IS GETTING NEW RESOURCES WITH EACH COUNTRY TAKEN OVER. AS A MATTER OF FACT, WE AREN'T WINNING THE 'COLD' WAR.

"IN MY OPINION, WE SHOULD HAVE AN IMMEDIATE SHOWDOWN WITH RUSSIA IN THE UNITED NATIONS. THAT IS THE PLACE WHERE IT SHOULD OCCUR, NOT OUTSIDE. LET US FACE THE FACTS, LAY OUR CARDS UPON THE TABLE AND REQUIRE RUSSIA TO DO LIKEWISE. THEN, IF WE CAN'T COME TO SOME REASONABLE UNDERSTANDING, WE SHOULD DRAW THE LINE BEYOND WHICH COMMUNISM SHALL NOT GO. IN THE MEANTIME, WE AND OUR FRIENDS AMONG THE NATIONS WILL KNOW WHTAT WE MUST DEFEND AND WILL BE ON OUR WAY TO MAKE THAT DEFENSE CERTAIN."

J731PES

WASHINGTON, MARCH 9-(AP)-SENATOR DWORSHAK (R-IDAHO) SAID TODAY THAT MOST OPPOSITION TO THE EUROPEAN RECOVERY PLAN IS BASED ON DOUBTS OF ITS EFFECTIVENESS IN COMBATTING COMMUNISM.

THE PLAN IS NOW BEING DEBATED IN THE SENATE.

MAR 1948

HE SAID:

"SOME OPPOSITION TO ERP IS BASED ON A DESIRE TO APPEASE RUSSIA BUT MOST OPPONENTS SENSE THE FUTILITY OF COMBATTING SOVIET AGGRESSION WITH DOLLARS TO THE EXCLUSION OF MORE EFFECTIVE MEANS OF NATIONAL DEFENSE AND SECURITY."

HE DESCRIBED THE PROPOSED LEGISLATION THIS WAY:

"IT IS MERELY A GESTURE OF GOOD WILL AND FRIENDSHIP.

"IT IS LITTLE MORE THAN A PSYCHOLOGICAL BLOCKADE ERECTING A PAPER CURTAIN TO OFFSET THE IRON CURTAIN."

HE PROPOSED MORE FORCEFUL MEASURES.

"ARMED MIGHT," HE SAID, "IS THE ONLY DEFENSE AGAINST RED-INSPIRED SUBVERSION AND AGGRESSION."

HAD ECONOMIC AID BEEN SUFFICIENT, HE TOLD A REPORTER, CZECHOSLOVAKIA WOULD NOT HAVE FALLEN. THAT COUNTRY, HE SAID, HAS HAD NEARLY $300,000,000 (MILLION) IN AID SINCE THE END OF THE WAR.

"THAT MONEY," HE POINTED OUT, "DID NOT HELP CZECHOSLOVAKIA TO RESIST AND OVERCOME COMMUNIST AGGRESSION."

HE SAID THERE IS LITTLE HOPE OF PERMANENT PEACE UNTIL CONGRESS IS TOLD THE FULL HISTORY OF THE CONFERENCES AT TEHRAN, YALTA AND POTSDAM.

HE ASKED:

"WHAT IS OUR NATIONAL FOREIGN POLICY TODAY? DOES IT PROVIDE FOR ANY COOPERATION WITH THE UNITED NATIONS? DOES IT INVOLVE UNILATERAL AGREEMENTS WITH EUROPEAN COUNTRIES? IS IT REFLECTED IN THE MARSHALL PLAN TO FURNISH FINANCIAL AID TO 16 COUNTRIES AND WESTERN GERMANY? IS IT ONE OF CONTINUED APPEASEMENT OF AGGRESSORS?"

MAR 1948

THEN HE SAID:

"IT IS DIFFICULT TO DELINEATE ANY SPECIFIC PATTERN OTHER THAN DOLES, GRANTS AND LOANS TO FOREIGN COUNTRIES WHICH CAN QUALIFY FOR SUCH CONSIDERATION.

"UNQUESTIONABLY, THE INDECISIONS AND VAGUENESS ARE THE LOGICAL RESULT OF THE CONFERENCES WHICH WERE HELD DURING THE WAR YEARS AT TEHRAN, YALTA AND POTSDAM. IT IS LIKELY FEW PERSONS ARE FULLY AWARE OF THESE COMMITMENTS, BUT CERTAINLY THE CONGRESS HAS NEVER BEEN ADVISED SO THAT PROPER STEPS MAY BE TAKEN TO CLARIFY OR MODIFY THESE UNDERSTANDINGS IN THE LIGHT OF PRESENT REQUIREMENTS. UNTIL THIS IS DONE, THERE CAN BE LITTLE HOPE OF X X X PERMANENT PEACE."

(ADVANCE) LAKE SUCCESS, MARCH 9-(AP)-THE UNITED NATIONS TONIGHT REPORTED INDUSTRIAL PRODUCTION IN RUSSIA, AS ESTIMATED BY SOVIET SOURCES, WAS 22 PER CENT HIGHER LAST YEAR THAN IN 1946.

THE SOVIET PRODUCTION FIGURES WERE THE FIRST EVER MADE AVAILABLE TO THE U.N. BY RUSSIA.

THEY ARRIVED TOO LATE FOR INCLUSION IN THE RECENT WORLD ECONOMIC SURVEY, BUT WERE PUBLISHED IN THE FEBRUARY ISSUE OF THE U.N. BULLETIN OF STATISTICS.

WHILE MOST OF THE DATA PREVIOUSLY HAD BEENN PUBLISHED IN MOSCOW, IT WAS REGARDED HERE AS SIGNIFICANT THAT RUSSIA HAS FINALLY MADE A MOVE TOWARD TRANSMITTING ECONOMIC INFORMATION TO THE WORLD ORGANIZATION.

THE SOVIET DATA DID NOT GIVE THE VOLUME OF PRODUCTION INCREASES ON MAJOR ITEMS; IT DEALT ONLY IN PERCENTAGES. IT SHOWED, FOR EXAMPLE, THAT STEE PRODUCTION WAS NINE PER CENT HIGHER IN 1947 THAN IN 1946 WITHOUT GIVING THE TONNAGE FOR EITHER YEAR.

OTHER DISCLOSURES ON SOVIET PRODUCTION:

FARM MACHINERY OUTPUT WAS MORE THAN DOUBLE THE 1946 PRODUCTION.

AGRICULTURAL PRODUCTION WAS UP 32 PER CENT.

AVERAGE DAILY RAILWAY LOADINGS INCREASED 10 PER CENT.

THE VOLUME OF CAPITAL INVESTMENTS WAS UP 110 PER CENT.

THE INCREASE IN THE NUMBER OF WORKERS AND EMPLOYEES IN 1947 WAS 1,200,000, WHILE THE VOLUME OF WAGES AND SALARIES WAS UP 23 PER CENT.

ATOMIC
BY BENNIE TAYLOR
ASSOCIATED PRESS SCIENCE REPORTER

BERKELEY, CALIF., MARCH 9-(AP)-ATOMIC SCIENCE GOT OFF TO AN EXCITING NEW START TODAY WITH MAN MADE MESONS, MIGHTY PARTICLES WHICH HERETOFORE HAVE BEEN PRODUCED ONLY BY NATURE.

THE ACHIEVEMENT ENDS A NOTABLE RACE AMONG SCIENTISTS IN AMERICA, EUROPE AND PERHAPS ELSEWHERE. THEY AGREED THAT ARTIFICIAL PRODUCTION OF A MESON WOULD BE THE GREATEST THING IN ATOMIC RESEARCH SINCE THE DISCOVERY OF URANIUM FISSION IN 1939, WHICH LED TO THE ATOM BOMB.

PRODUCTION OF MESONS IN THE LABORATORY FOR THE FIRST TIME WAS ANNOUNCED YESTERDAY BY DR. ERNEST O. LAWRENCE, FAMED ATOM SMASHER, AND JAMES B. FISK, RESEARCH DIRECTOR OF THE ATOMIC ENERGY COMMISSION.

THE POTENT PARTICLES, WHICH EVENTUALLY MAY POINT THE WAY TO ATOMIC ENERGY FAR GREATER THAN THAT PRODUCED BY THE ATOM BOMB, WERE PRODUCED IN THE UNIVERSITY OF CALIFORNIA'S 4,000 TON CYCLOTRON.

DR. LAWRENCE SAID LABORATORY MESONS WILL GIVE SCIENTISTS THEIR BEST TOOL FOR FINDING OUT JUST WHAT PARTICLES THERE ARE IN THE NUCLEI OF ATOMS. HOWEVER, THERE WILL BE NO IMMEDIATE PRACTICAL APPLICATION, HE ADDED. DESPITE THE ATOM BOMB, LITTLE IS KNOWN ABOUT THE INSIDES OF ATOMS.

DR. LAWRENCE, GIVING CREDIT TO HIS STAFF AND TO BRITISH RESEARCHERS, TERMED THE ACCOMPLISHMENT "ONE OF THE GREAT MILESTONES OF ALL TIME IN FUNDAMENTAL ATOMIC RESEARCH."

MESONS ARE IMPORTANT BECAUSE THEY ARE THE MOST POWERFUL PARTICLES KNOWN TO SCIENCE AND BECAUSE THEY HAVE SOMETHING TO DO WITH
MUCLEI WHICH RESEARCHERS MAR 1948

NUCLEI WHICH RESEARCHERS MUST LEARN ABOUT BEFORE THEY CAN SOLVE ANY REMAINING ATOMIC MYSTERIES.

IN NATURE THEY COME FROM THE UPPER AIR. PRESUMABLY THEY ARE BORN WHEN THE NUCLEUS OF A SPEEDING HYDROGEN ATOM HITS AN ATOM OF OXYGEN OR SOME OTHER MATTER IN THE AIR AND EXPLODES IT. MESONS ARE PRODUCTS OF THESE EXPLOSIONS. SOME HAVE BEEN RATED AS HAVING ENERGIES OF HUNDREDS OF BILLIONS OF VOLTS. THE ENERGY PRODUCED IN URANIUM ATOM EXPLOSIONS IS ONLY 200 MILLION VOLTS.

THE CYCLOTRON MESONS ARE FEEBLE ONES -- ONLY ABOUT 4 MILLION VOLTS. BIGGER ATOM SMASHERS WILL BE NEEDED TO PRODUCE THE MORE POWERFUL ONES, DR. LAWRENCE SAID. HE ADDED THAT THE ATOMIC ENERGY COMMISSION WAS INTERESTED IN PLANS FOR BUILDING STILL LARGER ATOM BUSTING MACHINES.

TWO YOUNG RESEARCHERS ON LAWRENCE'S STAFF, DR.C.M.G.LATTES, 23, OF SAO PAULO, BRAZIL, AND DR.EUGENE GARDNER, 35, A NATIVE OF LOGAN, UTAH, PRODUCED MESONS ON THE NIGHT OF FEB. 21. THE ANNOUNCEMENT WAS HELD UP UNTIL THE ACHIEVEMENT WAS VERIFIED BEYOND DOUBT.

THE RESEARCHERS ALSO CONFIRMED BRITISH EXPERIMENTS INDICATING THERE ARE TWO KINDS OF MESONS, HEAVY AND LIGHT, THE CYCLOTRON MESONS ARE HEAVY BUT THEY SOMETIMES PRODUCE LIGHT ONES. SIMILAR HEAVY AND LIGHT MESON PRODUCTION WAS FOUND BY THE BRITISH INVESTIGATORS HIGH IN THE ANDES MOUNTAINS.

DR.LATTES, THE YOUNG BRAZILIAN SCIENTIST, RECENTLY CAME TO BERKELEY ON A FELLOWSHIP OF THE ROCKEFELLER FOUNDATION.

WHILE DR.GARDNER WAS USING THE CALIFORNIA CYCLOTRON, BOMBARDING PHOTOGRAPHIC EMULSIONS TO STUDY DIFFERENT ATOMIC DISINTEGRATIONS, LATTES WAS WORKING AT THE UNIVERSITY OF BRISTOL, ENGLAND, STUDYING COSMIC RAYS AS SHOWN ON PHOTOGRAPHIC EMULSIONS.

THE TWO SCIENTISTS POOLED THEIR INFORMATION. THE EVIDENCE SHOWED CLEARLY THAT THE CYCLOTRON PRODUCED MESONS IN LIBERAL QUANTITIES.

LATTES SPENT THREE MONTHS LAST YEAR WITH AN EXPEDITION IN THE BOLIVIAN ANDES, EXPOSING FILMS WHICH PROVED IMPORTANT IN DISCOVERIES RECENTLY ANNOUNCED BY THE UNIVERSITY OF BRISTOL.

IN HIS BRISTOL EXPERIMENTS DR.LATTES WORKED CLOSELY WITH DR.C.F. POWELL AND DR.G.P.S.OCCHIALINI.

BERKELEY SCIENTISTS SAID THAT BEFORE THE BRISTOL FINDINGS WERE DISCLOSED IT WAS GENERALLY BELIEVED ONLY ONE KIND OF MESON EXISTED.

Prague Official Links Suicide To Critical Letters

A. H. GOLDBERG

Prague, Czechoslovakia, March 10 (AP)—Jan Masaryk, Foreign Minister of Czechoslovakia, plunged to his death today after staying two weeks in his country's new Communist-controlled Cabinet.

An official Government announcement said he committed suicide.

The 61-year-old diplomat was the son of a Brooklyn-born mother and a Bohemian father, who became Czechoslovakia's first President. He jumped more than 50 feet to his death on the stone flagging of a court yard in Czernin palace, said an announcement from the Government which seized power two weeks ago today.

Blames Critical Letters

Vaclav Nosek, Communist Minister of the Interior, told Parliament Masaryk had ended his life after a night of brooding over "tendentious macilious letters and telegrams from his former friends in Great Britain and America assailing him for his manly stand" in remaining in the Communist-led Government.

[In Sydney, Australia, the Czech consul, K. Tokoly, said Masaryk's death "is not suicide. It is plain murder." Tokoly said he was resigning his post.]

Government sources gave this account of Masaryk's death:

He apparently stepped up on a low couch that stood under the window of his bathroom and hurled himself out of the window. He occupied a small apartment in the palace that houses the Foreign Affairs Ministry.

Post Mortem Planned

A guard on duty found him lying on the stones. He summoned a medical student on duty at a first-aid station in the ministry.

The student pronounced him dead shortly before 7 A.M. His head was uninjured.

No official cause of death was given. A post mortem will be held.

A state funeral was announced for Saturday afternoon, with Communist Premier Klement Gottwald speaking at the Pantheon of the Prague museum in Prague's central square. The body will be taken to Lany, to be buried in the family plot beside that of his father, President Thomas G. Masaryk.

The Communist Under Secretary of State for Foreign Affairs, Vlado Clementis, will give the funeral oration at the grave.

Last Seen By Servants

The last two men known to have seen Masaryk alive were his male housekeeper, Vacla Topinka, and his old valet, Bohumil Prihoda, who served Masaryk's father before him.

They took him a supper of chicken, potatoes and beer shortly before 8 P.M. They cleared away the dishes a half hour later and they said Masaryk told them:

"So long, boys; I don't want to see you before half past eight tomorrow morning."

Talked With Attache

The Government-controlled radio gave this account of Masaryk's activities last night:

At 6 P.M. Dr. Pavel Kavan, Czech press attaché in London, went to his apartment and talked with him for an hour. As Kavan was leaving Masaryk said:

"Come around tomorrow morning. I have some letters for you to take back to London."

Then his secretary, Dr. Jiri Spacek, went in with some photographs to autograph. Masaryk signed some, pushed the rest aside and said:

"I will finish the others in the morning."

Czechs Weep At News

The country mourned the death of the man whose family name was synonymous with democracy. Many Czechs wept at the news. The Government ordered flags flown at half-mast.

The radio gave out the tidings in short bulletins, broken by the solemn requiem music of the great Czech composer Anton Dvorak.

Masaryk's death was a blow to the Communists, who had retained him as Foreign Minister when they assumed control two weeks ago. His distinguished name gave prestige to their regime.

Masaryk's death recalled that Dr. Prokop Drtina, Minister of Justice in the previous Cabinet with Masaryk, was recovering from head injuries suffered in what police said was a three-story plunge from his villa.

Part Of Speech On Desk

There was no word from President Eduard Benes concerning Masaryk's death. Masaryk conferred with the President only yesterday.

Official accounts said numerous cigarette butts and the half-completed text of a speech he was preparing were found on Masaryk's desk.

The recently purged Parliament met for the first time since Premier Klement Gottwald and his cohorts seized control. One report said Votja Benes, brother of President Eduard Benes, and right-wing member of the Social Democrat party, had resigned on the eve of the session.

A wreath of roses and lilies lay at Masaryk's place on the Ministers' bench.

Recalls Recent Utterance

Nosek told Parliament Masaryk's recent utterance "I go with the people" would be recalled.

The Foreign Minister had been quoted in the controlled press as telling Czech army officers last Thursday "You can count on me. I am one of you. . . . We must have unity with the Soviet Union. Our place is at their side. We must be grateful if Russia allows us to be there. We made a bloodless revolution and have entered a new phase of history."

Most qualified observers thought Masaryk's statement meant that he had embarked on a definite course of action, but there were two schools of thought on what it might be.

Double Game Suggested

One held that he was playing a most dangerous double game. The other said he had lent himself to the Government in the possible hope he could steer a middle course and bring Russia and the West together in the peace he insisted must be maintained.

"The investigation has shown thus far that it was a voluntary death," Nosek said.

He related that yesterday morning Masaryk had accompanied the Polish Ambassador to visit President Benes, and afterward remained with the President. Masaryk showed no signs of depression, Nosek added.

Had Suffered Insomnia

"In the consequence of his deteriorating illness he suffered from insomnia, and during last night a nervous crisis set in," Nosek said. "A number of cigarette ends were found o- his desk indicating he had been awake all night and he must have succumbed to a fit of sudden depression.

"A great fighter for the co-operation of peace-loving nations is lost in Masaryk," he added. "He belonged to the people and the people loved him. He became the object of malicious attack from foreign reaction. A good man has left us."

He said Masaryk "had no enemies in our nation among our people."

No Mention By Gottwald

Gottwald made no mention to Parliament of Masaryk, whose empty seat was two places away from his. He looked sorrowfully bowed and toyed with his spectacles.

There were 253 deputies present, including the Premier and his Cabinet. The normal seating is 300. There was no clear indication of how many members were present involuntarily.

Parliament attachés said some had been excused for illness, and others were "under arrest." All deputies had been promised parliamentary immunity, but any member caught in actual commission of a crime cannot claim immunity. Attemps to escape the country are considered criminal acts.

Masaryk had been ill with bronchitis, and during the crisis which brought the Communists to power had refused to see foreign newsmen.

Appeared At Celebration

His last public appearance was Sunday in the old town square, when he attended the combined celebration of the ninety-eighth birthday of his father, Thomas, and the thirtieth anniversary of the battle of Bachmac, in which Czech and Russian troops fought side by side.

Photographs showed him harassed, haggard and worried in appearance.

A radio broadcast of the death described Masaryk as a deeply sentimental man who "must have been seriously aggrieved and wounded by the malicious, tendentious attacks made upon him by Western powers."

Nowhere was there any reaction, official or otherwise, that his death was other than suicide.

His bathroom window is 50 to 60 feet above the courtyard. Descriptions of his leap said he plunged from a second-story window. This is the third story by American standards of counting. The Europeans call the first floor the ground floor.

Sister Lives Near Palace

Masaryk's sister, Alice, the only survivor bearing the family name, lives in a home near the palace. Another married sister, Olga Revilliod, lives in Geneva, Switzerland.

His mother was an American, the former Charlotte Garrigue, of Brooklyn. He was born in Prague, but lived in New York city for a time before the first World War. There he worked as an office boy, plumber's assistant and piano player in a movie theater.

A jocular man, Masaryk told his American friends he knew every alley of New York between Third avenue and the East River.

Gave Credit To Mother

He credited his American mother with helping formulate the political creed of his father. He said they worked out the pronouncement that "a nation that is not founded on truth does not deserve to live."

The Czechs adopted the motto "Truth Conquers."

A bomb plot against his life was foiled last September when explosive parcels addressed to him and two other non-Communist Cabinet members were found in the mails.

Last September he was considered as a possibility for presidency of the United Nations Assembly sessions. He led the Czech delegation to the Assembly. In 1945 he headed his country's delegation to San Francisco for the founding of the United Nations.

Visited U.S. First In 1907

He was born September 14, 1886. He completed his education at Charles University in Prague but studied later in Boston. He visited the United States first in 1907, and worked for Charles Crane, father of Richard Crane, who became the first United States Minister to Czechoslovakia.

In the first World War he served with the Austro-Hungarian Army and was discharged with the rank of first lieutenant.

When that conflict ended he entered his country's diplomatic service. He was Czech Minister to London at the time of Munich, when he resigned.

Signed Russian Treaty

He went to the United States, and while still there was named Minister of Foreign Affairs for the Czech Government in exile in London.

In that capacity he signed a treaty with Russia renewing friendship ties of the two nations and giving the Czech Government the right to form an army on Russian soil.

His wartime broadcasts were a source of consolation to the Czechs during the occupation. He returned to Prague after the second World War, and became Foreign Minister in the postwar regime.

Czech Foreign Minister's Death Shocks Nation

A. I. Goldberg MAR 10 1948

Prague, March 10 (AP)—Jan Masaryk, non-party Foreign Minister in the new Communist Government, killed himself today in a leap from his second-story office, the Government announced. He was 61.

Masaryk was the son of Thomas Masaryk, founder and first president of the republic. His death took from the Communists the use of the distinguished name. The controlled radio said Masaryk "must have been seriously aggrieved and wounded by the malicious, tendentious attacks made upon him by the Western press." Officials of the Foreign Ministry, after a period of reluctance to confirm the report, finally announced that Masaryk had died at 8 A.M. The Government broadcast at noon officially announced the death. It followed the announcement with the solemn requiem music of Anton Dvorak, the great Czech composer. The Government delayed without explanation foreign news agency telegraph circuits for 30 minutes.

Many Stubs Found

Vaclav Nosek, Minister of Interior, told the purged Parliament that Masaryk had hurled himself from his bathroom window. He said the Foreign Minister had spent the night reading letters and telegrams from England and the United States attacking him for continuing in the Communist Government. Numerous cigarette stubs were found on the desk, Nosek said.

All the new Cabinet attended the session. A wreath of roses and lilies lay on the bench where Masaryk would have sat.

Last Public Appearance

Masaryk last appeared publicly Sunday. He looked harassed, haggard and worried.

The controlled press had quoted him as telling Czechoslovak Army officers last Thursday:

"You can count on me. I am one of you. . . . We must have unity with the Soviet Union. Our place is at their side. We must be grateful if Russia allows us to be there. We made a bloodless revolution and have entered a new phase of history."

Drtina Recovering

Even while Masaryk's body was borne from the courtyard where he fell, Dr. Prokop Drtina, who was Minister of Justice in the previous Cabinet with him, was convalescing from head injuries sustained in what police said was a three-story plunge from his villa.

Czechoslovaks gathered in little knots discussing Masaryk's death. It was a shock to those who regarded him as a possible balance wheel for the country. It was a blow also to those who believed he might be helpful in getting them out of the closely guarded country legally. Masaryk once helped 5,000 Jews escape from German occupation forces.

"Nervous Disturbance"

The Government announcement said Masaryk had "suffered an illness, coupled with infirmity, and it seems probably that in a moment of nervous disturbance he jumped out of a window in his official flat in the (Czernin) palace."

"Right to the last minute, he showed no sign of depression," the announcement said. "To the contrary, he was full of lively optimism. The circumstances are being investigated."

The Government said Masaryk "voluntarily took his life." The Foreign Minister had suffered from bronchitis recently.

Communist Premier Klement Gottwald made no immediate statement. Nor did ailing President Eduard Benes, who acceded to Communist demands for control.

The radio account said half of the text of a speech Masaryk was to have made tonight to a Polish-Czech friendship meeting was on his desk.

Interior Minister Nosek's report to Parliament said messages from the United States and England had attacked Masaryk for his "manly stand."

Gottwald spoke for almost an hour, but made no mention of the dead minister, whose seat was two places from his own. The Premier described the new Communist program and asked a vote of confidence.

Gottwald looked sad. It appeared he might have been crying.

Flags were placed at half staff throughout the country at the Government's order.

Nosek, who controls the police, told Parliament Masaryk "had no enemies in our nation among our people."

"His recent utterance, 'I will go with the people,' will be recalled," Nosek said. "The investigation thus far has shown that it was a voluntary death."

He said Masaryk and the new Polish Ambassador called on Benes yesterday and that Masaryk later remained for an audience.

"He left in a satisfied mood," Nosek said. During the afternoon, Masaryk showed no signs of depression, he went on.

Insomnia Victim

"In the consequence of his deterioriating illness—he suffered from insomnia—and during last night, a nervous crisis set in," the Interior Minister continued. "A number of cigarette stubs were found on his desk, indicating he had been awake all night and he must have succumbed to a fit of sudden depression.

"A great fighter for the co-operation of peace-loving nations is lost in Masaryk. He belonged to the people and the people loved him. He became the object of malicious attack from foreign reaction. A good man has left us."

The Parliament which listened had 47 other empty seats. Attaches said some members had been excused for illness and that others are "under arrest."

Masaryk's last public appearance was in the old Town Square Sunday, when he attended a combined celebration of the ninety-eighth birthday anniversary of his late father and the thirtieth anniversary of a battle in which Czech and Russian troops fought side by side.

Lights On All Night

His body was found in the palace courtyard at about 8 A.M. It was carried away quickly. Neighbors said the lights in Masaryk's offices burned all night.

His sister, Alice Masaryk, lives in a home near the palace. Another sister, Mrs. Olga Revilliod, lives in Geneva, Switzerland.

Masaryk's retention in the Communist-bossed Cabinet after the coup was interpreted here as a Communist maneuver to make use of his name.

"I Am With You"

His flat indorsement several days later of close co-operation with Russia, coupled with an "I am with you" message to the Army and to his "Czech and Slovak brothers," however, puzzled as to his future course.

Masaryk first became Foreign Minister for the Czech Government in exile on July 8, 1940. He returned to Prague when Czechoslovakia was liberated from the Germans in 1945 and kept the Foreign Affairs post.

There were rumors soon after the Communist coup that he had been imprisoned. The Communist press denied these rumors. During the crisis period he remained in a sickbed and refused to see reporters.

A bomb plot against Masaryk's life was foiled last September. The conspiracy failed when explosive parcels addressed to Masaryk and two other Czechoslovak officials were found in the mails.

EUROPE TENSE OVER CZECHS

A. STEINHOFF

Masaryk's Death Emphasizes Capitals' Grave Concern

MAR 10 1948

London, March 10 (AP)—The death of Jan Masaryk today deepened Europe's already grave concern over the political developments in Czechoslovakia.

The question of future relations with the onetime "western democracy of the East"—which has been under consideration in Paris, London and Washington—moved to the forefront.

Masaryk's leap to death gave dramatic emphasis, officials here agreed, to the pressures brought to bear on him and President Eduard Benes since the Communist seizure of power by political means. "What of President Benes now?" was a query frequently heard in London.

Lover Of Freedom

Prime Minister Attlee expressed the feeling. "He was essentially a lover of freedom," Attlee said in a personal statement. "And it may well be that he could not endure to live in the suffocating atmosphere of totalitarianism when all that he had striven for was being ruthlessly destroyed."

Ernest Bevin, Foreign Secretary, expressed the feeling that the story of the Czech Foreign Minister's death had not been told fully.

"Recent events have clouded much that has happened," he said.

Winston Churchill referred to his friendship with Masaryk "in the dark days of the war" and added, "but one cannot help rejoicing . . . that the famous name he bears will continue to be an inspiration to the peoples of Czechoslovakia."

Terrific Pressure

Lev Prchala, former chief of the Czechoslovak Army, said in London that "terrific pressure to bring him into line" with the Communist Government had been exerted on Masaryk.

London press comment noted that only one strong personal link between Czechoslovakia and western countries remained—President Benes, of whom little had been heard lately.

There were expressions of concern for him, and speculations as to the course open to him. Reports he was considering resigning were recalled. There was a general belief that Masaryk had retained his post in the Communist-dominated Government on the President's advice.

British, French and other foreign offices reported that there had been no official contacts with Benes for a number of days.

Faith In United Nations

Most observers who spoke of Masaryk's difficult situation as Foreign Minister of a country wedged tightly between the eastern and western worlds emphasized his faith in the United Nations. There was fear that the United Nations had lost an influential spokesman in a critical region.

An Italian Foreign Office spokesman said the death "may have important effects on public opinion" and that Czech developments were now of the utmost importance.

The Right-wing Italian newspaper *Giornale D'Italia* said he killed himself "so as not to serve the oppressors."

Co-Operation Impossible

Sir Paul Dukes, British intelligence officer who knew Masaryk well, said he believed Masaryk had kept his office under the Communists in an effort to keep some link with Western culture but found "it was utterly impossible to achieve co-operation."

Deep feeling was displayed by Czechoslovak refugees in the American zone of Germany, many of whom refused to believe Masaryk has taken his own life.

"Did he fall from that window, or was he pushed?" many asked. Most of the fugitives asked not to be identified because they have relatives at home.

Policy Suffered Defeat

Reactions in Stockholm were that the death of Masaryk would give impetus to an anti-Communist campaign in Sweden.

Dagsbladet in Oslo said his death was the "logical end to a man whose policy had suffered such a terrible defeat."

Information reaching London Czechs indicated that the Communists had been bringing pressure on Masaryk to join the Czech Social Democrat party which is closely affiliated with the Communists. He was listed as a nonparty man in the Cabinet.

Masaryk once said he had a Slav heart and a Western mind and he believed his nation could be of service in bridging the gap between the two worlds.

"Such A Little People"

But he had cautioned against hoping that Czechoslovakia could accomplish much "because after all we are such a little people."

His friends believed he had had definite Soviet promises Czechoslovakia would be permitted to carry on as a democracy. Consequently in his public speeches on both sides of the Atlantic he had deplored talk of an "iron curtain" dividing East and West.

Whether he had felt himself betrayed and disillusioned was not known, but he had given none of his usually lighthearted interviews to newspaper men in Prague recently.

Distinguished Father

Masaryk sometimes was called a playboy in diplomacy because of his fondness for jokes. Nevertheless he had displayed considerable shrewdness, inherited from his father, in fashioning Czechoslovakia's foreign policy. He was a careful reader of his father's works and often sought guidance in his writings.

"My only merit," he once said, "is that I had the good sense to pick out a distinguished and wise father."

Deep Devotion, Humor Characterized Masaryk

MAR 1948

This profile of the late Jan G. Masaryk was written by Alvin J. Steinkopf, of the London Associated Press bureau. Steinkopf served as an Associated Press correspondent in Czechoslovakia both before and after the war. He knew Masaryk well.

By Alvin J. Steinkopf

London, March 10 (AP)—Jan Masaryk, of Czechoslovakia, in recent years was a man with a heavy heart and a fund of jokes.

One of the more colorful of European political leaders, he was dominated and guided all his life by the personality of his father, the founder of modern Czechoslovakia, Thomas Garrique Masaryk.

Jan Masaryk, sometimes called a playboy and frequently accused of being frivolous in high office, nevertheless possessed a shrewdness which left its mark on Czechoslovak foreign policy.

"My only merit," he said once in a conversation at Czernin Palace in Prague, "is that I had the good sense to pick out a distinguished and wise father."

Father's Spirit A Guide

He approached every problem in the spirit of his father, asked himself constantly, "What would father have done?"

In the voluminous writings of his father he was able to find counsel on practically every problem and speculation that can trouble man—even suicide.

One of Thomas Masaryk's early sociological works was a thick volume in German: "Suicide As Phenomenon of Modern Civilization."

The elder Masaryk came to scholarly conclusion that exaggerated individualism creates an abnormal man who, under pressures, frequently ends his life in an abnormal manner.

Constantly under the shadow of his father's personality, Jan Masaryk frequently expressed a sense of inadequacy. But he was also moved by a powerful sense of duty and was determined, to the limits of his ability, to carry on the tradition of the broad democracy his father introduced to central Europe.

Appreciated Difficulties

Jan Masaryk appreciated fully the difficulties of being the foreign minister of a little country between Germany and Russia, but until recent months at least he was hopeful that a balance might be kept.

He said he had a Slav heart and a western mind and he believed that his nation could be of some service in linking the east and the west. But he added:

"It can be only a modest contribution because, after all, we are such a little people."

He objected to the catch phrase about Czechoslovakia being a bridge between the east and west. He recalled the old Slav saying that a bridge is a structure over which cavalry marches, and strove with all his energies to prevent his country's becoming that kind of a connection.

"In a collision between big fellows, the little fellow must not be so close as to be smashed," he said. "But this doesn't mean that we aren't going to contribute our modest bit to improving understanding between the peoples."

Deplored Iron Curtain Talk

Masaryk's friends received an impression that he had very definite promises from the Russian side that Czechoslovakia would be permitted to carry on as a representative democracy. Consequently, he deplored talk of an iron curtain shutting off much of eastern Europe, and, on a recent visit to the United States, he insisted in lectures that there is no such curtain.

Whether in the end he became disillusioned and felt himself betrayed is not known. He had given none of his lighthearted interviews since the Communist coup in Prague, and there were indications he was deeply shaken.

There were suggestions that Masaryk chose suicide as a means of dramatizing the plight of democrats under a regime headed for totalitarianism. Other acquaintances, however, said they believed it was just a case of a man of tensely emotional nature overcome by a crushing sense of defeat and futility.

Saw Self Losing Course

Alone in Czernin Palace, with a Communist Action Committee purging his staff and foreign policy getting out of his control, Masaryk saw that he was drifting far from the course outlined by his father, and that there seemed to be no turning back.

Information reaching Czech resistance leaders in London indicated that pressure was being brought on Masaryk to join the Social Democrat party, which is closely affiliated with the Communists. Masaryk's conception had always been that, as his father's son, he should always be a detached neutral, outside of the confusions of party maneuvering.

Masaryk spoke often of his American mother, Charlotte Carrigue, of Boston, and credited her with having helped to formulate his father's political credo. Together, he said, they worked out the pronouncement that "a nation that is not founded on truth does not deserve to live."

The Czechoslovak motto became "truth conquers."

Humorous Quips Recalled

Czechoslovaks will remember the light touch of humor he brought to every situation. He believed that he and President Roosevelt appreciated more than many other political leaders the value of a quip dropped into solemn discussions.

Irritated once by an American questionnaire which required him to specify his race, he wrote with a bold hand—"human."

In London, he saw Joachim von Ribbentrop, then German Ambassador, give a Nazi salute to King George VI.

Masaryk, next in the reception line, whispered to the King: "I suggest you throw him out."

Worked In New York

Masaryk boasted frequently of his thorough acquaintance with New York, said he "knew every alley" between Third avenue and the East River. He related many anecdotes of his life in New York before World War I, working as an office boy, plumber's assistant and piano player in a movie house.

He retained his interest in music and his skill at the piano, frequently playing for his visitors.

Masaryk was mentioned frequently when the United Nations was first looking about for a secretary general.

"I get enough abuse being Foreign Minister of one coutry," he protested. "Imagine what I would have to endure if 51 nations were kicking me about."

'Suicide? It Is Possible,' Says Gen. Prchala

A. STEINKOPF

MAR 1948

London, March 10 (AP)—Gen. Lev Prchala, former chief of staff of the Czech Army, said today that Jan Masaryk was under "terrific pressure to bring him into line" with the new Communist Government in Prague.

Informed of reports that the Czechoslovak Foreign Minister had taken his own life, Prchala said:

"Suicide? It is possible."

A British Foreign Office spokesman said: "Nothing could more clearly demonstrate the character of the recent events in that country (Czechoslovakia) and the betrayal of that country by a small minority taking its orders from abroad, than the death, by his own hand, of the son of the late President of Czechoslovakia."

Heads Resistance Group

Prchala, as president of the Czech National Committee in London, is the leader of a movement resisting the new Communist regime in his homeland.

He said the committee represents national groups in Britain, Belgium, France, Italy, Germany and Austria, as well as the Czech national freedom movement in Bohemia, Moravia and Silesia.

Commenting on the suicide report, Prchala said:

"We were alarmed by reports received yesterday that Masaryk had agreed to join the Social Democratic party."

Closest To Communists

[The Social Democrats are closest to the Communists in the new regime headed by Communist Premier Klement Gottwald.]

Prchala said Czech exiles in London understood that Masaryk, a nonparty man, had been given the choice of joining the Social Democrats or getting out of the Government.

Molotov Sympathy Is Voiced to Prague

Moscow Press Carries No Comment on Masaryk

MOSCOW, March 10 (AP).—Czechoslovak sources here said tonight that Russian Foreign Minister Viacheslav M. Molotov had sent an official expression of his sympathy to the Czechoslovak government over the death of Jan Masaryk.

It was learned that Mr. Molotov sent one of the highest officials of his department to the Czechoslovak Ambassador Horach tonight with his message.

[The Moscow Radio heard in London said that the Soviet chargé d'affaires in Prague had conveyed the Soviet government's condolences to Vlado Clementis, Under Secretary of State for Foreign Affairs.]

The Soviet press has as yet carried no official government comment on Mr. Masaryk's death.

Mr. Masaryk was widely known in Moscow and had the respect of Soviet leaders. He last visited Moscow in July, 1947, when he came with Klement Gottwald, now Premier of Czechoslovakia, as a member of a mission which concluded a trade pact with the Soviet Union.

Mr. Masaryk's inclusion in Premier Gottwald's new Czechoslovak government was hailed here

Masaryk Talked Last With Benes

MAR 1948

By The Associated Press.

PRAGUE, March 10—The conversation between Czechoslovak President Edward Benes and Foreign Minister Jan Masaryk yesterday may hold the key to M. Masaryk's death, in the opinion of some who knew him well.

M. Masaryk remained behind to talk with the President after a state visit by the Polish Ambassador yesterday. It was their first conversation since the Government crisis in which Dr. Benes yielded against his will to Premier Klement Gottwald's demands for Communist control of the country.

It is doubtful that even during the crisis M. Masaryk saw much of the President.

Thus, in the quiet little village of Sezimovo Usti, on the winding Luznice River, Masaryk and the man who stood with his father in building the nation sat and talked.

London, March 10 (A. P.).—Prime Minister Attlee said today that Jan Masaryk may have killed himself because "he could not endure to live in the suffocating atmosphere of totalitarianism." Attlee specified his statement was a "personal one."

The statement handed out at No. 10 Downing street said:

"The name of Masaryk is one that free men will always honor. I had known Jan Masaryk for many years and I recall today the firm stand he made against Nazi oppression. His death has come as a great shock. He was essentially a lover of freedom and it may well be that he could not endure to live in the suffocating atmosphere of totalitarianism when all that he had striven for was being ruthlessly destroyed." NEWS DISRUPTED ON PRAGUE WIRES

MAR 1948

Prague, March 10 (A. P.).—The leased teleprinter circuits of leading foreign news agencies in Prague were halted for thirty minutes today without explanation. The disturbance occurred while the lines were busy with news of the death of Foreign Minister Jan G. Masaryk.

The Ministry of Posts said that

there was a "local line disturbance," but service on the Associated Press lines through Nuernberg to Frankfurt, Germany, was not restored for more than two hours.

The United Press, French News Agency and Reuters were similarly affected. The military teleprinter line leading from the United States embassy to United States Army Headquarters in Frankfurt also was interrupted.

Up to 12:30 P. M., however, no attempt had been made to halt correspondents telephoning their messages out of Czechoslovakia. There was no sign of what could be called direct censorship.

Dr. Juraj Slavik, who resigned as Czechoslovak Ambassador to the United States last week rather than serve a Communist government, said: "I am sure that Masaryk sacrificed his life to show what has really happened to Czechoslovakia. He had no other chance to express his feelings."

Washington Sees Czech 'Shadow Deepened' —Attlee Shocked by News.

Washington, March 10 (A. P.).—The State Department said today that Foreign Minister Masaryk's death "deepened the shadow" resulting from the "extinction of Czechoslovak liberties."

The department issued this statement:

"The tragic death of Jan Masaryk has deepened the shadow cast on the observance a few days ago of the birthday anniversary of his father, Thomas Masaryk, by the extinction of Czechoslovak liberties which Thomas Masaryk founded."

Representative Stefan (R.-Neb.) called Congress's attention to Masaryk's death with these words:

"The Czechoslovakian freedom underground, from this day forward, has a spiritual leader. From this day forward, there will be no rest for the bestial Soviet conqueror."

Stefan, born in a section of Bohemia which is now part of Czechoslovakia, spoke briefly at the opening of the day's session in the House.

He said that although early reports named the cause of death as suicide, "it could just as easily have been murder."

"The Kremlin has never stopped at murder," he added.

added emphasis, for ordinarily reporters may report only indirectly his remarks at news conferences.

Marshall's Quoted Words.

Marshall granted permission for direct quotation after a reporter had raised the question. The reporter suggested that great fears have been aroused over the Czechoslovak crisis. He said these range all the way to apprehension that the Communists may win the April 18 elections in Italy. Marshall authorized direct quotation after reexamining slowly exactly what he had said:

"I think you correctly described the situation in your question—that there are great fears as to the developments. There is also a very strong feeling regarding these developments and a considerable passion of view on the part of a great many in this country.

"The situation is very very serious. It is regrettble that passions are aroused to the degree that has occurred.

"It is tragic to have things happen such as just occurred in Czechoslovakia, particularly regarding what has happened to

it as a suicide, Marshall said the department had no formal reports yet.

Asked for comment on the appeal of the Czech delegates for United Nations action on Czechoslovakia, he replied that it is refreshing to hear a man say what he actually thinks.

TOP DELEGATE SENDS DEMAND TO TRYGVE LIE

F. CARPENTER

Moscow, Prague Aides Consulted Before Action Is Taken

MAR — 1948

the call for Council action was a nongovernmental communication.

Masaryk His Best Friend

Under United Nations rules it thus will remain now in the United Nations files unless some member brings it up and calls for action.

Papanek said he decided to spring his surprise action only after the death of Jan Masaryk, his best friend.

Papanek blamed Premier Stalin and Russian officials for the success of the Communist minority stroke last month.

The Czechoslovak communicated his charges in the formal letter to Lie and read them to newsmen in a special news conference.

"Could Not Have Been Suicide"

Papanek, with obvious emotion, declared also:

1. That Masaryk, who died in Prague today, could not have been a suicide. He said the Foreign Minister, who received six votes on the first ballot for president of the United Nations Assembly in New York last fall, had received a Communist-made bomb in Prague several weeks ago.

2. That he is not resigning his United Nations post. He said he still is the representative of the Czechoslovak Republic and that he does not represent the Communist-dominated regime in Prague. United Nations officials said Lie's ruling has no bearing on Papanek's status as a delegate; that the United Nations has received no instructions from Prague changing Papanek's status.

3. That Russian soldiers were held in readiness on Czechoslovakia's northwest frontier to back up the Communists last month.

Rules Of Procedure

Lie summoned Arkadi A. Sobolev, of Russia, the assistant secretary general in charge of the Security Council affairs; Dr. Ivan Kerno, of Czechoslovakia, assistant secretary general in charge of legal affairs, and Dr. Tsiang to his office late in the day. Sobolev has been under fire twice in two days on Security Council matters.

This statement was issued by the United Nations after their consultations:

"After consultations, the secretary general found it (the Papanek letter) a nongovernmental communication and it will be treated in accordance with the rules of procedure of the Security Council as such."

These rules, it was said, made the communication available to anyone desiring to see it but it will not be circulated among the delegates. The letter actually was turned over to Sobolev for the Security Council department files.

Sponsorship Question

It will not appear on a United Nations list, officials added, since it does not have any bearing on a matter with which the Council is considering.

There was widespread speculation among delegates tonight whether some country would pick up the letter and sponsor it formally. Papanek, informed of the possible action, said he considered it a formal governmental communication and that he expected action.

It was said the United Nations authorities considered this was not a communication from the Czechoslovak Government since it contained an attack on the Czechoslovak Government.

Lisicky, Lie Confer

Meanwhile, Dr. Karel Lisicky, of Czechoslovakia, chairman of the United Nations Palestine Partition Commission, conferred with Lie on his status. It was said that Lisicky was not planning now to resign from the commission.

These developments came quickly after the death of Masaryk, who is remembered here as a wise-cracking but deadly earnest diplomat.

It was Masaryk's personal popularity which kept Czechoslovakia off the Security Council, where she would have been expected to vote with Russia as a member of the Slav bloc.

U. N. Inquiry on Czech Coup Asked; Marshall Sees 'Reign of Terror'

MAR 1948

Secretary of State, Viewing Czechoslovakia, Says 'Very, Very Serious Situation' Is Created by Russian Expansion.

Washington, March 10 (A. P.).—Secretary of State Marshall declared today that Czechoslovakia is under "a reign of terror."

The death of Foreign Minister Jan Masaryk "indicates very plainly what is going on," Marshall told a news conference.

He also said the conditions created by Russian expansion in Europe and the "passions" aroused in this country created "a very, very serious" situation.

Marshall gave permission to quote directly several sentences of comment. That gave them

some of the officials, as in the affair today of Masaryk—all of which indicates very plainly what is going on.

"It is a reign of terror in Czechoslovakia and not an ordinary due process of government by the people."

A reporter asked whether the State Department had any information about Masaryk's death other than that from Communist-controlled sources which describe

Lake Success, N.Y., March 10 (AP). Czechoslovakia's chief delegate to the United Nations demanded today the Security Council investigate the Russian-backed Communist coup in his "terrorized" homeland.

The United Nations secretary general, Trygve Lie, shelved the demand after a hurried consultation with other high United Nations officials.

These officials included his top Russian and Czechoslovak aides in the cabinet of the United Nations secretariat and Dr. T. F. Tsiang, of China, this month's president of the Security Council.

Lie decided that an 1,100-word letter of complaint against Russia from the chief Czechoslovak delegate, Dr. Jan Papanek, containing

Text Of Dr. Papanek's Letter To U.N. Asking Probe Of Coup

MAR 1948

Lake Success, N.Y., March 10 (AP)—The text of the letter submitted today by Dr. Jan Papanek, Czechoslovak delegate to the United Nations, to Trygve Lie, United Nations Secretary-General:

On February 25 I had the honor to discuss the development in Czechoslovakia with you. I mentioned my position and an eventual investigation by the Security Council. After my conversation with you I decided to postpone any action or decision, but to await further developments and allow time for more direct information from Czechoslovakia.

Today I feel that I can no longer postpone action without failing to do my duty to my country and my terrorized, silenced and enslaved people, and I take recourse to the provision of the Charter of the United Nations in a specific situation, a situation in which one member of the United Nations has violated the independence of another.

Jeopardy By Force

The Government of the Czechoslovakian Republic, legally constituted by the general parliamentary elections of May, 1946, has been undermined and openly placed in jeopardy on February 22, 1948, through force by a Communist minority. This Communist minority was encouraged and given promise of help, if necessary, by the representatives of the Government of the Union of Soviet Socialist Republics who came to Praha (Prague) for that purpose, led by V. A. Zorin, Deputy Minister of Foreign Affairs.

The political independence of Czechoslovakia, a member of the United Nations, has thus been violated by threat of use of force of another member of the United Nations, the Union of Soviet Socialist Republics, in direct infringement of Paragraph 4, Article 2 of the Charter.

Suppressing Freedom

As representative of the sovereign state of Czechoslovakia, I bring this situation, referred to in Article 34 of the Charter, to the attention of the Security Council, asking its investigation, as one that is suppressing freedom and independence of Czechoslovakia and which is likely to endanger the maintenance of international peace and security.

It is very clear that the coup by the Communist minority by force was effectuated successfully only because of official participation of representatives of the Union of Soviet Socialist Republics and because of the threat of the use of military force of the Union of Soviet Socialist Republics in readiness on the northwest boundaries of Czechoslovakia.

Participated In Meetings

Official and military representatives of the Union of Soviet Socialist Republics participated in closed and public meetings of the Communist party and stayed long enough to see organized terror take hold of the free democratic Czechoslovak people. Pictures taken in the streets of Prague, published in the world press, show the officers of the Soviet Union with armed police, clad in new Czechoslovak uniforms, participating in the meetings and demonstrations.

Since the coup of the Communist minority, the President of the republic has not been permitted to make any public appearance, or public utterance, has been allowed to receive no visitors, except Valerian Zorin, the Deputy Foreign Minister of the Soviet Socialist Republics whom he refused to receive, and is not a free agent, while the Communist usurpers spread terror and break every law which establishes and protects the freedom of men and democratically established institutions, even while they say they are carrying out the will of the people.

People Source Of Power

The constitution of Czechoslovakia, adopted in 1920, states that the people are the sole source of state power and provides for general secret elections through which the people express their will. Masses of people, driven by terror and the threat of the loss of their jobs into public squares of Czechoslovak cities and towns to demonstrate or to strike, cannot be considered as expressing the will of the people.

Yet, claiming that such demonstrations with the participation of official and military representatives of the Union of Soviet Socialist Republics express the will of the people, a minority party usurped the power of Government of Czechoslovakia and is imposing its rule upon all the people without regard for the constitution or the law.

The President is prevented from executing his constitutional powers.

Political parties have been forced to change their leaders.

Many regularly elected members of Parliament have not only been removed from office, but deprived of their parliamentary immunity.

Many have been brutally beaten and jailed.

University professors, judges, high officials in all governmental departments who refuse to bow to the Communist dictatorship have been dismissed or demoted.

Students who refuse to pledge loyalty to the new "order" are expelled from the universities.

The rights and privileges of citizens guaranteed by the constitution are being flagrantly violated.

The official lists of names of individuals faithful to their democratic principles who have been arrested without legal grounds are increasing daily.

Forced Manual Labor

Personal liberty is restricted. Many dismissed intellectuals are forced to hard manual labor.

The right of private ownership of property is violated.

To travel or emigrate is prohibited, except for the chosen few.

The inviolability of the home no longer exists.

The freedom of the press has been abolished.

Many newspapers and periodicals have been discontinued, their editors dismissed and forbidden ever to write for any press again. Among them is Dr. Sychrava, editor in chief of one of the most liberal independent Prague dailies who fought for Czechoslovakia's independence in World War I, spent 68 months in concentration camps in Germany during World War II, is Czechoslovakia's representative on the subcommission on freedom of information and press and returned to Prague from Lake Success only a few weeks ago.

The right of assembly, of petition and freedom of expression no longer exists.

Stalin's Insincerity

The constitution of Czechoslovakia is flagrantly violated in letter and spirit, not only by the manner in which this present so-called "people's democracy" of the Communist pattern was established, but in its every action. It is not only unconstitutional and illegal, but it is not government. It is an instrument used by the Union of Soviet Socialist Republics.

Munich, in September, 1938, and the occupation of all of Czechoslovakia six months later, laid bare to the world the plans of Germany for further conquest. The tragedy of the Communist coup in Czechoslovakia, planned and executed with the help of officials and the military of the Union of Soviet Socialist Republics, reveals the insincerity of Premier Stalin who personally promised President Benes in March, 1945, in Moscow, that Czechoslovakia would always be free to develop, democratically internally, that the Union of Soviet Socialist Republics wanted only to have friendly neighbors on all its borders and that their foreign policies would follow a common plan.

Independence Respect

The treaty of friendship, mutual assistance and postwar co-operation concluded between the Union of Soviet Socialist Republics and Czechoslovakia on December 12, 1943, stipulates in Article 4 that the contracting parties shall respect each other's independence and sovereignty and shall not interfere in the internal matters of the other state. Czechoslovakia, its Government and people lived up to the letter and spirit of the treaty. The violation of this agreement and treaty on the part of the Union of Soviet Socialist Republics shakes the very foundations of peace and security, not only of Cechoslovakia, but of Europe and the world.

Therefore, as representative of the sovereign, democratic republic of Czechoslovakia, I request that this situation which enslaves the people of Czechoslovakia and endangers international peace and security be brought to the Security Council for consideration.

Respectfully yours,

DR. JAN PAPANEK,
Permanent representative of Czechoslovakia to the United Nations.

Masaryk Married Frances Crane In '24

Chicago, March 10 (AP)—Jan Masaryk, Czechoslovakian Foreign Minister who died today, was the former son-in-law of Charles R. Crane, Chicago industrialist and one-time Minister to China.

Masaryk was married in 1924 to Crane's daughter, Frances. They were divorced in 1931.

Although the Crane family made their home in New York, Crane was born in Chicago and attended the public schools here. He served in various capacities in the Crane Company, plumbing equipment manufacturers, which his father had founded. He was president of the firm from 1912 to 1914.

Marsaryk worked for Crane when he made his first visit to this country in 1907.

Crane's son, Richard, became the first United States Minister to Czechoslovakia.

Ex-Wife Calls Death Of Masaryk Tragic

Woods Hole, Mass., March 10 (A. P.).—Mrs. Frances Crane, former wife of Foreign Minister Jan Masaryk, today termed his death "a very tragic situation and one which will touch the whole world."

Mrs. Crane, daughter of Charles R. Crane, Chicago industrialist, reassumed her maiden name after her divorce from Masaryk in 1931.

Friend Asserts Suicide Was His Only Way

MAR 1948

Chicago, March 10 (AP)—A personal friend of Jan Masaryk for years said today the Czech Foreign Minister killed himself because that "was the only way to warn the world of what is actually going on."

The Rev. Jaroslav Pelikan, pastor of the Trinity Slovak Lutheran Church, said "it is not true that he took his life because he was depressed because of what the western world thought when he was retained as Foreign Minister after the Communists took control.

"The truth is he was inveigled into a position and words were put into his mouth. He could not run away. He could not say what he wanted. His suicide was the only way to warn the world of what is actually going on."

The Rev. Mr. Pelikan last saw Masaryk just before the diplomat left for Europe last fall.

The Czechoslovak National Council planned a special meeting to consider developments caused by Masaryk's death. A memorial service for the Czech leader will be arranged at the meeting.

Blunt Headlines, Charts Tell Of British Plight

BARTON PATTIE

MAR 1948

London, March 10 (AP)—The British press used blunt headlines and primerlike charts today to impress the nation's economic plight upon the people.

Some newspapers expressed belief editorially that, despite dire warnings, the full meaning of Britain's financial crisis has not been grasped by the man on the street.

To reach these people, Sir Stafford Cripps, Britain's economic chief, will translate his formal 30,000-word economic survey of yesterday into "fireside-chat" language in a radio broadcast tonight.

Printing A-B-C Version

In addition, the Government is publishing thousands of copies of an A-B-C version of Cripps's economic White Paper for distribution. It forecast hunger and mass unemployment for Britain in 1948 without Marshall-plan aid.

Even with such help, the survey said, the British people must expect less food and "somewhat reduced standards of living through out this year."

The conservative *Daily Graphic* doubted whether Cripps's statement would "jolt the man in the

1948

workshop back to realities."

Emphasizes "Dependence"

"Tell us how," urged the tabloid *Daily Mirror* in banner headlines. "They call for a great effort by the whole nation and set new targets. All will agree these must be reached, but the question is: How?"

The independent *Times*, of London, said the survey emphasizes the "utter dependence of the old world upon the new," and "the decisive necessity for the European recovery program."

First Communist reaction, through the *Daily Worker*, stressed the "harmful character of the drain" of Britain's overseas military expenditures.

With the economic survey focusing attention on the Marshall Plan, London newspapers featured Washington dispatches giving congressional developments in processing the recovery program, and generally expressing optimism that final action will be taken in April.

Soviet Compromise On Austria Hinted

London, March 10 (A. P.).—Russia indicated today she might compromise with Western Powers on an Austrian peace treaty. N. P. Koktimov, Russian delegate, told the deadlocked meeting of deputy foreign ministers the Soviet Union "will not insist upon every letter of the Soviet proposal." The four-Power deputies have met seventy-four times without agreement on Russian claims for former German assets in Austria.

British Rail Units Give $25,250 To Mme. Peron

Buenos Aires, March 10 (AP)—The Government today announced that Madame Perón, wife of Argentina's President, had received a check for $25,250 from British railroad interests in recognition of the wide program of social welfare she had undertaken.

The money was from rail companies that recently relinquished their holdings in Argentina to the Government for $600,000,000.

THE LONDON MARKET

London, March 10 (A. P.).—The securities market shrugged off the Government's economic survey for 1948 today, refusing to get excited about further gloomy predictions on the state of Great Britain's trade balance.

Government bonds slipped fractionally and other prices were mixed.

During the first few hours of trading textile shares jumped sharply on buying stimulated by the Government announcement that cotton and rayon export targets must be increased.

The London Financial News common shares index today was 111.9, up 0.4.

Eire to Issue $48,000,000 Bonds

Dublin, March 10 (A. P.).—Finance Minister Patrick McGilligan announced in Parliament that Eire's new Government will issue £12,000,000 ($48,000,000) worth of Treasury bonds carrying 3 per cent interest.

McGilligan said the bond issue, first since 1941, would raise money to pay off short term loans used for such projects as electricity development, housing and agricultural improvements.

The bonds will not be sold to foreign investors, he said.

The bonds will be retired between 1965 and 1970. Other bond issues are planned for capital development schemes, McGilligan said.

U. S. Sentences Nazis on 'Race Purity' Project

Head of S. S. Program Gets Life; 7 Others to Serve 10 to 25 Year Terms

NUERNBERG, March 10 (AP).—An American war crimes court today sentenced eight S. S. Elite Guard leaders in Hitler's "racial purity" program.

General Ulrich Greifelt, head of the "racial and resettlement" campaign, was sentenced to life imprisonment. He was described as the "main driving force" in the Germanization program.

Seven other defendants were sentenced to imprisonment for terms ranging from ten to twenty-five years on conviction on three counts—war crimes, crimes against humanity and membership in the S. S. Five were convicted of membership in the S. S., which had been ruled a criminal organization, and were released as having already served sufficient time while awaiting trial. One, a woman, Mrs. Inge Viermetz, was found not guilty of all charges and was released.

The defendants were convicted of kidnaping foreign children to rear them as Germans, "resettling" Poles and Jews in forced labor or concentration camps, forcing abortions upon women considered racially inferior, exterminating children of Eastern European workers and plundering the properties of subjugated peoples. The trials had lasted six months.

The other defendants and their sentences included Rudolf Creutz, S.S. colonel, deputy to Greifelt, fifteen years; Herbert Huebner, S.S. colonel, chief of the racial office of Poznan, Poland, fifteen years; Werner Lorenz, S.S. general, chief of the repatriation office for "ethnic Germans," people with German background discovered in conquered territories, twenty years; Heinz Brueckner, S.S. major, section chief under Lorenz, fifteen years; Otto Hofmann, S.S. general, police leader in southwest Germany and former head of racial office, twenty-five years; Richard Hildebrant, S.S. general, successor to Hofmann, twenty-five years, and Fritz Schwalm, S.S. colonel, chief of staff, ten years.

The five released after conviction only on charges of being members of the S. S. were Konrad Mayer-Hetling, Otto Schwarzenberger, Max Sollman, Gregor Ebner and Guenther Tesch, all S. S. colonels and majors.

The court president, Judge Lee B. Wyatt of La Grange, Ga., imposed the sentences and said the court was unanimous in its findings. Judge Daniel C. O'Connell, of Newton, Mass., in a dissenting opinion on the sentencing, said he thought the penalties were too heavy for Greifelt, Creutz, Lorenz, Brueckner, Hofmann and Hildebrandt.

He said the defendants "were in fact" civilian employees operating under the army and it was difficult to pin responsibility on them.

Judge Johnson T. Crawford, of Oklahoma, was the third member of the court.

Pope Pius On Voting

MAR 1948

J. P. McKNIGHT

Vatican City, March 10 (AP)—Pope Pius told the Rome clergy in a Lenten address today that Catholics must vote for candidates who stand "for safeguarding the rights of God and of souls, for the true good of individuals."

The Pope thus placed his personal and official prestige behind prelates and bishops who have been telling Italian Catholics to vote and to vote for candidates friendly to the church in the national electoral contest April 18 between Communists and Premier Alcide de Gasperi's Christian Democrats.

Failure Held Grave Sin

Catholics, he said, must vote for candidates "who offer guarantees truly sufficient for the safeguarding of the rights of God and of souls, for the true God of individuals, of families and of society, according to the law of God and Christian moral doctrine."

The Catholic who fails to vote because of "indolence or cowardice," he said, commits "a grave sin, a mortal fault."

The church, he added, had a "right and duty" to point out to Catholics "the extraordinary importance" of the April 18 elections.

This appeared to be his answer to charges in the Leftist press that the church was intervening illegally in politics and was waging a political offensive through Catholic Action, its lay organization, the pronouncements of various cardinals and bishops and the recently circulated decree of the Consistorial Congregation. The decree, adopted in 1945 and more recently reaffirmed, bid Catholics to vote for candidates who were sure to protect the interests of the church.

Economic Problems

At the same time the Pontiff reminded priests "not to stoop to mean questions of political parties, to harsh factional contests which irritate souls, sharpen discord, impede charity and impair your very dignity and the efficacy of your holy ministry."

There are "difficult questions, especially economic problems and struggles which closely affect the well-being of the people," he continued. "In so far as these are of temporal nature (if indeed they also concern the moral order) the men of the church in present circumstances ought to leave to others the task of pondering them and dealing with them technically for the common utility of the nation."

In the address the Pope also deplored that youth spends so much time at the movies.

Monstrous Offenses

"Why is youth, and the public in general, so impassioned about the cinema?" he asked.

He answered that it was because they see on the screen "a slice of life" and a realization of the drama of their daily lives.

Moviegoers, however, see too much of the "portraiture of criminal passions and monstrous offenses, presented with vivacity to their imagination and sensibility," he said. "The doctrine of truth is not less attractive and the heroism of virtue not less stimulating if it is not portrayed with the coldness of a theorem or the aridity of an article of a code."

Pope Holds Elections Crucial

MAR 1948 P

Tells Clergy to Impress on Catholics in Italy Importance of April Balloting.

Vatican City, March 10 (A. P.).—Pope Pius XII, in his annual lenten address to the Rome clergy, told them today that it is their right and duty to impress upon Catholics "the extraordinary importance" of Italy's elections April 18.

This is considered the pontiff's reply to his critics in the Communist-dominated Popular Front, who for weeks have been charging that the church is improperly and illegally intervening in politics.

The Pope's speech, the most forthright political pronouncement yet, placed his personal prestige squarely behind the efforts of Italy's cardinals, bishops and priests to mobilize Catholic votes to defeat the Left in the coming parliamentary elections.

The Pope said the church "remains outside and above political parties."

But, he asked, how could it remain indifferent to the makeup of the Italian Republic's first parliament if the parliament is to legislate "in matters which so directly affect the highest religious interests and the conditions of the life of the church itself in Italy?"

Tells Catholics to Vote.

He said Catholics must vote for candidates who safeguard the rights "of God and of souls, for the true God of individuals, of families and of society, according to the law of God and christian moral doctrine."

Failure to vote because of "indolence or cowardice" will be a grave sin for Catholics, the pontiff declared.

The Pope, however, warned priests "not to stoop to mean questions of political parties, to harsh factional contests which irritate souls, sharpen discord, impede charity, and impair your very dignity and the efficacy of your holy ministry."

Earlier in his address the Pope said that motion pictures take up so much time of the youth of Italy they have not enough left for religious instruction.

Cautions Moviegoers.

Moviegoers, he said, are exposed to "doctrines of error and portraiture of criminal passions and monstrous offenses, presented with vivacity to their imagination and sensibility.

"The doctrine of truth is not less attractive and the heroism of virtue not less stimulating if it is not portrayed with the coldness of a theorem or the aridity of an article of a code.

"If the cinema appeals principally to fantasy, the doctrine of the faith is an efficacious counterpole. It demands of youth penetration and mental application. Youth must learn to judge and distinguish the true from the false, the good from the bad, the licit from the illicit."

The Vatican said Prettner had confessed "swindles and falsehoods." He was arrested by Italian police yesterday. The Vatican said Msgr. Guidetti had honored a signature Prettner had forged.

Austrian Girl Describes GI Shooting

MAR 1948

Vienna, March 10 (AP)—A 19-year-old Austrian girl, her face still swollen from the blow of a Russian gun butt, said today she underwent grueling questioning by the Russians after her American companion was shot in the back by a Soviet sentry.

Red-haired Alfriede Elias said she was seized by the Russians while trying to give first aid to Pfc. Jack Grunden, 18, of Portland, Ore., the unarmed American who was beaten and shot in a scuffle with Russian soldiers Sunday night.

She said she was taken through a back door of the Russian-occupied Grand Hotel and driven to Russian headquarters. There, she said, she was questioned three times by Russian officers before being released Monday night.

Tells Of Threats

Miss Elias said she had signed a statement dictated by the Russians, and was warned:

"If you tell another story to the Americans later on, we will find you, wherever you are, and then you will see what happens to you."

Her story of the incident, as told the Associated Press, has been confirmed by Grunden, now recovering in the 110th Station Hospital. This is her version:

Three American soldiers were walking with their Austrian girl friends along the sidewalk of the parkway bordering the Grand Hotel. Pfc. Joseph Harper (address unavailable) and his girl were leading. Following at some distance were Pvt. Samuel Adleman, of Baltimore, and his girl. Grunden and Miss Elias were some 30 yards behind.

Ordered Into Gutter

A Russian soldier, apparently off duty, ordered Adleman off the sidewalk into the gutter. Grunden saw the argument and rushed up. At the same time a Russian sentry rushed over from the front of the hotel.

The sentry attempted to hit Adleman in the groin with the butt of his rifle. Grunden tried to wrest the weapon away. Grunden was struck on the head with the gun and knocked to his hands and knees. The Russian then shot him in the back.

Troops Seize Girl

Harper and his girl raced to the American-occupied Bristol Hotel and called for the international military police patrol and an ambulance. When the police arrived, Miss Elias was trying to give first aid to Grunden. She was grabbed by a Russian captain and hustled toward the Grand Hotel.

Ernie Reed, a *Stars And Stripes* reporter, pulled the girl away from the Russian and called for the police for help. But a cordon of Russian soldiers, bayonets fixed, seized the girl and took her screaming into the hotel.

Red Version Given

The police later told Reed they were unable to interfere, although the four-power patrol is supposed to have full authority in any case involving Allied soldiers.

The Red Army newspaper in Vienna, Oesterreichische Zeitung, gave the Russian version today. It is totally different from any of the others thus far advanced. The newspaper said the three Americans were trying to force their way into the Grand Hotel. It said they "dragged the Russian sentry ten feet from his post," and that the sentry then acted "in full accordance with his instructions."

American officials have asked Miss Elias to report to them by telephone so they can be sure she has not been picked up again by the Russians. She planned to visit Grunden tomorrow.

The soldier was given a blood transfusion today.

Parley To Admit Others To Pact

J. DORAN

MAR 1948

Brussels, March 10 (AP)—Five western European nations negotiating a military alliance agreed in principle today that their union will be open to other countries of the Continent.

France and Britain have pushed for a five-power pact open to other nations, and British officials said the Benelux countries—Belgium, the Netherlands and Luxembourg—had accepted this as a basis for discussion.

The Benelux nations, however, cautioned that there still are differences to be bridged in discussion of the French-British proposal, submitted late yesterday. Fernand van Langenhove, chief Belgian delegate, said the proposal affects the fundamental structure of the proposed treaty.

Designed For Italy

The provision to leave the door open was believed to be designed primarily for Italy. In his first speech proposing a union to check the westward march of Communism, British Foreign Secretary Ernest Bevin had mentioned the possibility of extending such an alliance to the "new Italy."

Such a clause could, however, accommodate any of the Marshall plan countries which might want to join in the future.

Benelux nations are believed to hold that the best way to build a union of western Europe might be to start with a solid core of five closely knit countries which could decide later how to bring in new members. Diplomats of the five nations have completed nearly all the other articles of the treaty and officials predicted that this conference may end tomorrow or Friday.

It was understood that the articles drafted today included provisions for mutual assistance, machinery for settlement of disagreements arising among the five powers and economic questions.

U.S. Aid Plea Denied

Langenhove denied that the five nations might ask the United States to back the proposed union with a guarantee of military aid.

French diplomatic sources in Paris said yesterday that the Brussels conference might ask for such a pledge.

A British informant said the delegates were threshing out a formula which would recognize that threats outside Europe by other European powers can be at the same time a threat to the peace of Europe.

A Dutch spokesman said the negotiations had virtually agreed on a plan under which the four nations with colonies would pool the resources of their respective overseas territories for mutual benefit.

Clay Bars Exile Groups

MAR 1948

Berlin, March 10 (AP)—Gen. Lucius D. Clay says Czechoslovak refugees will not be permitted to establish exile political committees in the United States zone of Germany.

On the other hand, the American military governor added, United States authorities will not attempt to force the return of refugees to Czechoslovakia.

Clay declared he had no idea how many Czechs had fled into western Germany. He had received no protest from the new Czechoslovak Government over the haven given the refugees.

Advices from Frankfurt said Adolph Prochazka, former Czechoslovak Minister of Health, has arrived in the American zone. Mystery had surrounded Prochazka's whereabouts since he fled his country early in March.

One Daughter In Prague

Informants said he arrived in the United States Zone with his wife and 13-year-old daughter. Reports from Prague said another daughter, Milada, 19, was under arrest after attempting to flee.

Prochazka declined to talk to newsmen because he feared reprisals against Milada.

He was one of several ministers named by Czechoslovak Premier Klement Gottwald as "agents of foreign reaction" during the recent crisis.

[In Prague, the newspaper *Pravo Lidu* said Votja Benes, brother of President Eduard Benes, has resigned from Parliament. He was a right-wing member of the Social Democratic party.]

Czech Coup Described As 'Tragic' By Canada

Ottawa, March 10 (AP)—The Canadian Government described the Communist coup in Czechoslovakia as "tragic" in a statement on the death of Jan Masaryk, Czech Foreign Minister, read to the House of Commons today by Louis St. Laurent, External Affairs Minister.

It was the first formal Canadian Government comment on the coup. In it St. Laurent associated the Dominion firmly with the February 26 declaration by Britain, the United States and France condemning the events.

He made reference to Czechoslovakia's democratic freedom for which Masaryk had fought and which, he said, she now had "so tragically lost."

GI Czech Studies Banned

PRAGUE, March 10 (AP)—The United States Embassy said tonight that all educational institutions in Czechoslovakia had been removed fro mthe approved list for United States war veterans. Old students will be allowed to finish their current terms, but no new ones may enroll. The war veterans study under provisions of the GI Bill of Rights.

Mexico City, March 10 (AP)—Mexico today recalled her Ambassador to Czechoslovakia to "report on recent developments." A brief Foreign Office announcement gave no further details.

Finn Delegates Seek To Avoid Russ Talks

ANNE. STELLMAN

MAR 1948

Helsinki, Finland, March 10 (AP). Several members of Finland's delegation to negotiate with Russia were reported today to have asked in vain to be relieved of their assignment.

They were appointed yesterday to negotiate in Moscow in a Finnish-Russian pact. The delegates reportedly told President Juho K. Paasikivi they "did not under any circumstances want to go to Moscow."

The President cut them off with the remark:

"There is no question of whether you have any desire to do this or that. This is compulsory labor."

Will Leave In 10 Days

The seven-man delegation is expected to leave for Moscow in about ten days.

The delegation will be headed by Premier Mauno Pekkala, who was empowered to "sign any documents possibly arising out of the negotiations."

Three members represent parties who are against a military pact.

While the delegation prepared to negotiate, Helsinki newspapers expressed hope that Moscow would pay due respect to Finnish points of view.

"Special Interest" Noted

"Stalin has repeatedly shown a special interest for Finland," the independent *Helsingin Sanomat* said.

"This gives us the right," the paper added, "to hope that Finland's point of view will be given proper consideration. Finland's sole ambition is to live in peace with its neighbors and be allowed peacefully to cultivate its own soil."

A Foreign Office source said the delegation will be directed by Paasikivi, who will be in constant contact with the mission.

Paasikivi's reply to Prime Minister Stalin's letter suggesting the pact was delivered this morning to the Soviet Legation in Helsinki by normal diplomatic channels.

Small deputations from the Communist-controlled popular front bloc visited Helsinki newspapers, the radio station and Parliament last night, demanding that Finland sign the proposed pact with Russia and condemning opponents of the pact.

Finn Move Worries Denmark; Defense Of Liberty Is Pledged

MAR 1948

Copenhagen, March 10 (AP)—Gustav Rasmussen, Foreign Minister, expressed concern today for Finland. He declared Denmark would defend her own liberty "with all available force" if attacked.

The Foreign Minister spoke in an extraordinary parliamentary session called to debate foreign affairs. It was scheduled after the news of the Communist coup in Czechoslovakia and of Soviet pressure on Finland. The debate brought numerous attacks on communism from party leaders.

The Foreign Minister did not mention any nation as a possible source of attack on Denmark.

Links To West

But he said:

"The main eastern power, the U.S.S.R., is at present striving to attach Finland to the east European system.

Rasmussen said Denmark hopes for continued friendly relations with Russia. He added, however, that "our civilization, political ideals, democracy, our whole way of thinking is the same as in the Benelux countries, France, Switzerland and the Anglo-Saxon nations."

Rasmussen said Denmark hopes for quick realization of the Marshall plan. He said negotiations are continuing with the United States in an effort to obtain suspension of the 1941 Danish-American agreement on bases in Greenland.

In Northern Palestine, March 10 (AP)—Fawzi Bey al Kaukji tonight ordered martial law in all northern Palestine effective at dawn tomorrow.

Fawzi Bey is commander of Arab forces gathered here to fight the partition of Palestine voted last year by the United Nations.

His headquarters said military courts, conducted by Arab lawyers now attached to his army, would begin sitting in all major towns and cities.

Prison Set Up On Mountain

Prisons are being established in a mountain-top village where Fawzi Bey's headquarters are located. Several persons already have been arrested and are awaiting trial before military courts.

The Arab commander said that "every order from this headquarters will now become the law of the land (northern Palestine) for civil and military alike."

Punishment ordered by the courts will be "strict and severe," he added.

Fawzi Bey and his general staff aides now are studying maps and intelligence reports in preparation for an offensive against the Jews. An aide said one phase of the staff's plans is to provide adequate portection for thousands of Arabs living near Jewish settlements in the north who might be endangered by counterattacks once the Arab army begins its operations.

...ve of renewal of the big power talks. Trygve Lie, Secretary General, for the first time declined to express confidence that the split-up scheme would be carried out.

In the Trusteeship Council, one section of the partition plan was put on the shelf. The Council concluded discussions on a draft statute for the city of Jerusalem, to be internationalized under the split-up plan. However, before a vote could be taken Belgium suggested that final approval be held up until the last week in April.

There was no objection to the delaying maneuver. It was learned that the postponement move developed after a closed meeting yesterday in which the trusteeship delegates lined up five to four against the adoption of the statute now.

A United States spokesman said the United States voted for the postponement this afternoon not because this country favored the delay but because it wanted to avoid defeat of the statute.

Commons Revolt Crushed

London, March 10 (AP)—A minor Labor revolt against the Government's Palestine withdrawal was crushed tonight in the House of Commons.

The House defeated, 240 to 30, a proposal calling for rejection of the entire bill. The proposal, offered by Laborite William Warbey, said the governmant had "delayed and frustrated" the United Nations plan to partition Palestine.

The bill allows the Government to hand over Britain's Palestine mandate to a United Nations commission by an Order in Council.

Arthur Creech oJnes, Colonial Secretary, told the House the United Nations plan was unworkable and emphasized the Government would give up the mandate May 15 as planned.

The bill then was given a second reading without a record vote.

said British police captured three British constables leaving the scene of the fight in a police armored car. The constables were absent without leave, the announcement said.

Details of the battle were not known here.

Arab Apartment Dynamited; 1 Killed

Jerusalem, March 10 (AP)—A twenty-man Jewish demolition force dynamited a small Arab-owned apartment house last night in the once fashionable and now virtually deserted Katamon quarter of Jerusalem.

Police said one Arab was killed and another was wounded in a half-hour gun battle which followed the blast.

5,000,000 Arab subjects Saudi Arabia is one of the very few Mideast states where Americans are safe as guests of the country, regardless of Arab anger over Palestine.

What Soviet propaganda may call "capitalistic window dressing" but Aramco officials describe as "enlightened self interest" is in a great measure responsible for Saudi Arabia's confidence in these troubled times.

Since obtaining exclusive oil rights from Ibn Saud in 1933 for a term of 60 years, Aramco's fundamental policy has been to maintain his trust.

His royalty is said to be at least the second highest in the world. Only in Venezuela are American oil developers reported paying more per barrel to the government than here, and Venezuela is a scene of heavy international competition.

But royalties are not Aramco's only contribution to Saudi Arabia's progress.

ple into citizens of the machine age Ibn Saud has found many projects into which to plow back his oil income.

Port Improvements

Port improvements are under way at Jidda on the Red Sea, where pilgrims for Mecca traditionally disembark.

A railway with diesel locomotives is being constructed from Damman near Dhahran to connect Riyadh, Ibn Saud's' capital, with the Persian Gulf. It will cost more than $32,000,000.

Educational and medical services for the people are bieing extended and bettered.

A decade ago Saudi Arabia consisted of two classes—chieftains and peasants. Thanks to Aramco's efforts and Ibn Saud's interest a middle class of businessmen and technicians is springing up.

Aramco has a standing offer to help any Arab employee become a subcontractor of his own. It will not only train him but grubstake him. Over 200 such new entrepreneurs with 4000 employees now engage in everything from trucking to building construction for Aramco.

Aramco's first dividend—$22,000,000—was declared last year the same time as nearly $24,000,000 in royalties was paid to Ibn Saud.

Big Investment

It is estimated that Aramco's total investment in Saudi Arabia will exceed $1,000,000,000 eventually. The investment budget for the next five years is $500,000,000.

For Aramco the rule is—"The Arab is always right." In any case involving personal friction with Arabs an American employee is returned to the United States immediately.

There is great pride among the Americans here that the Arabs are as friendly as ever. Just a short launch ride distant in the Persian Gulf the oil island of Bahrein under British political sponsorship has a less favorable record.

After Palestine partition was voted, riots broke out in Bahrein and caused $500,000 property damage and took the life of one Jewish woman.

The great bugbear to Americans in Saudi Arabia is that somehow American troops may get involved in a shooting war against the Arabs in Palestine.

That possibility, they aver, would be liable to destroy the United States position not only in Saudi Arabia but in all Moslem lands from the Dardanelles to the Himalayas.

Vast Reservoirs of Oil Under Saudi Arabia Sand

Americans Get Good Treatment From King Ibn Saud, In Return for Big Royalties

By DANIEL DE LUCE

Dhahran, Saudi Arabia, March 10—(AP)—A vast reservoir of oil worth billions of dollars lies scattered under 450,000 square miles of sunbaked rock and sand in Saudi Arabia.

That is the area for oil exploitation under the concession granted to the Arabian-American Oil Company.

Oil Reserved

Geologists on the basis of American exploration of 3 per cent of this vast desert area estimate as much as 100,000,000,000 barrels of oil may ultimately be tapped by Aramco wells.

That would mean upwards of $100,000,000,000 on the future world market. It would also mean $23,000,000,000 in royalties for King Ibn Saud's once half-forgotten kingdom.

From the small scale exploration to date cautious executives of Aramco admit reserves of at least 25,000,000,000 barrels have been indicated.

While current bitterness of Mid-East Arabs over alleged pro-Zionist actions of the United States government clouds the horizon here, intimate relations of Aramco with the sagacious Ibn Saud continue to be extremely cordial.

Ibn Saud is a rare king in the modern world. He rules—with an iron hand—as well as reigns.

Wages Increased

Before Aramco's advent the Saudi Arabian daily wage scale averaged less than one rial—30 cents. Now 13,500 Arab employees of the American concern average $1.35, and 90 cents is the minimum.

Through friendly negotiation with Saudi Arabia's finance minister, Sheikh Abdulla Sulaiman, Aramco now pays seven days wages for six days. Aramco accepts Sulaiman's argument "A man must eat on the seventh day of the week, too." It also pays full wages for six-hour shifts instead of eight during the Moslem fasting month of Ramadan.

Beginning next month Aramco has guaranteed to match fully all savings by Aramco employees under the company thrift plan.

It is erecting a modern Arab town of brick dormitories with the latest conveniences next to the American air-conditioned settlement at Dhahran.

Its $350,000 Arab hospital is half completed.

It maintains a model farm of 3000 irrigated acres of gardens where the future of Saudi Arabia's agriculture is being shaped.

U.S. Palestine Action Depends On Arab Reply

Lake Success, N.Y., March 10 (AP)—Future American Government moves on partitioning Palestine hinge on the outcome of United States efforts to bring Arabs into consultations, informed quarters said tonight.

The American delegation hopes to have a high-level answer from the Middle East before another big-power meeting tomorrow.

Arab rejection of the invitation to join in United Nations talks would be a major blow to American hopes for peaceful settlement of the Holy Land problem.

Abolition Of Indian Salt Tax Brings Little Comfort To Masses

MAR 1948

New Delhi, March 10 (AP)—Abolition of the tax on salt, an impost by the former British rulers of India which this country's patriots fought as a badge of servitude, has brought little benefit to the poor man, to whom availability of salt means life itself.

Dr. Syama Prasad Mookerji, Minister of Industry and Supply, told the constituent assembly that salt production remains ten per cent below the country's needs.

The price actually has risen in some areas since the heavy tax was removed.

Although patriots sacrificed their lives and endured imprisonment to fight the salt tax as an injustice, especially to the poor, Mookerji said "in areas where supplies are deficient the benefits of the abolition of the salt tax have gone solely to the producers and middlemen."

The tax represented two thirds of the retail purchase price. Its abolition was one of the first actions of the free Indian Government.

Large quantities of salt must be eaten by the people to compensate for the loss of bodily salt in India's heat, and it is an important item in the poor man's food budget.

The salt tax was a heritage from rule by the old East India Company, whose ships arriving in India carried salt as ballast, sold it to the people who were forbidden to manufacture their own.

Salt manufacture later became a British-Indian Government monopoly. People, including Mahatma Gandhi, were imprisoned for evaporating sea water to obtain tax-free salt.

Addis Ababa, March 10 (AP)—Haile Selassie, Emperor of Ethiopia, told George Robert Merrill, new American minister to Addis Ababa: "We are confident that your mission will strengthen that close friendship and sympathetic understanding which have always characterized relations between our two countries."

The emperor made this statement after the new American minister presented his credentials at the Imperial Palace.

Soviet Trade Unions Hit At Estonian Nationalism

MOSCOW, March 10 (AP).—Russia's trade unions called today for a drastic improvement in the "mass political education" of Estonia.

"Trud," the trade union paper, quoted the following statement by the presidium of the Soviet Trade Union Council in joint session with leaders of the Trade Union Central Committees: "In Estonia there are still survivals of bourgeois nationalism, and pressure is still being exerted by urban rural elements who haven't laid down their arms and are hostile to the working class."

The statement said that kulak elements in the countryside continue to exploit farm laborers. (The kulaks are well-to-do farmers. In Estonia the chief occupations are agriculture and dairy farming. The Estonian Soviet Socialist Republic was admitted into the Soviet Union Aug. 3, 1940)

China Denies Reds Have Taken Szepingkai

Nanking, March 10 (AP)—A Government military spokesman said today that Szepingkai remains in National hands, despite pro-government press reports that Communists captured the city.

"As a result of enemy gunfire, Szepingkai's airport has been destroyed," said Maj. Gen. Chang Lu-shih. "Consequently, Government forces concentrated their strength for the defense of Szepingkai's otskirts. Hostilities are still going on."

Szepingkai, 105 miles northeast of isolated Mukden, is an important junction on the rail line to Changchun.

Chang reported heavy Government losses in a battle west of Ichuan, a Shensi province highway center in north China. He said Ichuan is in Communist hands. The Reds have apparently mustered large forces in the area in an attempt to retake their old capital of Yenan, 50 miles northeast of Ichuan.

4 South Korea Policemen Die In Outbreaks

MAR 1948

Seoul, March 10 (AP)—The United States Army today reported that four Korean policemen were killed, three injured and two missing in a renewal of outbreaks in South Korea.

The Army said the incidents were part of the series which began February 7 and cost 80-odd Korean lives and sabotaged communications. American authorities blamed Communist-inspired groups attempting to force the United Nations Election Commission to quit Korea.

The latest attacks occurred Monday.

The United Nations commission, meanwhile, adopted the national voting law of the Korean interim legislature with a view of recommending its use for the proposed election of a national assembly from South Korea. Entry to Russian-occupied North Korea has been refused the commission.

The main change considered in the Korean law, a spokesman said, would lower the minimum voting age from 23 to 20 years.

Hoover Quoted In Jap Defense

Tokyo, March 10 (A. P.).—The international war crimes defense today quoted former President Herbert Hoover in an effort to strengthen its argument that Japan was "deliberately provokd" into attacking Pearl Harbor.

William Logan Jr., New York city, defense attorney, attributed to the former President the statement that "we would never have been attacked by the Japanese if we had not given them provocation." Logan spoke in defense of twenty-five accused wartime leaders of Japan.

Jap Dead Laid To U.S. Food

Moscow, March 10 (AP)—*Pravda*, the Communist party newspaper, said today there have been 4,000 Japanese deaths from spoiled American soybean flour. It said the Americans are doing everything possible to hush up the matter.

The newspaper quoted a Japan dispatch of the Soviet news agency Tass, which said Japanese journalistic circles confirmed there had been at least 2,000 persons poisoned fatally in Tokyo, and a like number in Hachioji, a town just southwest of Tykyo, since the American occupation.

The article also said there were other incidents of poisoning of Tokyo Japanese from defective American food.

810 Cases Reported

It said that on February 25 there were 810 cases of serious food poisoning officially reported. Tass said it presumed the figure was several times larger since "American authorities are doing everything possible to keep the matter quiet."

[On July 11, 1946, Japanese police reported 800 workers had become ill from ptomaine poisoning caused by eating tainted fish loaves served in twenty factories. The police said the mass poisonings were the worst ever experienced in Tokyo. No deaths were reportd.]

U.N. Impasse On Kashmir

MAR 1948

Lake Success, N.Y., March 10 (AP)—The Security Council returned to the Kashmir issue today after a one-month recess and found itself in the same impasse.

Debate was halted on India's charges against Pakistan last February 12 to enable the Indian delegation to return to New Delhi for instructions. That move was made when the Council was unable to agree.

Upon renewal of discussions, N. Gopalaswami Ayyanger, Indian delegate, repeated that his Government could not agree to withdraw its troops from the princely state of Kashmir before a plebiscite was held to decide on affiliation with India or Pakistan.

He also said India could not agree to putting an interim government into power in Kashmir to set up the voting machinery.

These have been the two main points at issue. Pakistan contends that the present Kashmir administration is pro-India and that a free vote cannot be held with Indian troops in the state.

"The position of India is exactly the same today as at the time of adjournment last February 12," Sir Mohammed Zafrullah Khan, Pakistan Foreign Minister, said.

Off-the-floor conferences among delegates have been under way during the recess. It was anticipated that a compromise proposal might be ready for the Council next week.

India originally brought charges against Pakistan, contending that her sister dominion was aiding the tribal invaders of Kashmir.

Senate Rejects Taylor Plan To Aid Europe Through U. N.

MAR 1948

Taft Will Vote to Cut ERP to 4 Billions—Chennault for Military Aid to China to Cost Up to 2 Billions.

Washington, March 10 (A. P.).—The Senate today voted down a proposal to administer foreign relief through the United Nations.

The proposal was offered by Senator Taylor (D.-Idaho) as a substitute for the bill authorizing a $5,300,000,000 European Recovery Program.

The vote was announced as 74 to 3, with Senators Pepper (D.-Fla.) and Langer (R.-Ind.) joining Taylor in favor of it.

Taylor has announced that he hopes to be elected vice-president on a third party ticket headed by Henry Wallace. His proposal reflected the expressed views of both men on the foreign aid problem. It would have provided that the United States contribute $5,000,000,000 to the United Nations to help set up a reconstruction and economic development administration for Europe.

Taylor told the Senate the measure also provided for an ever-normal world food granary; prohibit use of the reconstruction funds for military expenditures, and permit "universal disarmament to prevent war." He charged that the ERP "prepares for war and puts Europe on a permanent dole."

Taft to Vote for Cut in ERP.

Earlier, Senator Taft (R.-Ohio) said he will vote to trim the cost of the recovery program to $4,000,000,000 but will oppose attempts to cut it lower than that.

Congress has set April 10 as target date for final passage of the program, known as the Marshall plan. This deadline, if met, would throw the weight of the ERP into the scales against Communism just eight days ahead of the crucial Italian elections.

Taft said he hopes the Senate will complete action on the proposed $5,300,000,000 measure this week or early next week. He told a reporter he thinks a cut to three or three and one-half billion dollars, urged by some Republican critics, would provide too

little money. "I would vote to reduce it to four billions," he added.

He said an amendment to cut the total to four billions probably will be presented Friday. He did not forecast its approval.

Major-Gen. Claire E. Chennault, meanwhile, told the House Foreign Affairs Committee that the United States must provide military aid to the China Nationalist Government in its war against Communists. He said immediate aid to China is a cheaper and safer force than possibly "fighting an all-Communist world."

The former commander of the Flying Tigers said failure to provide aid to China "will inevitably set the stage for world war III."

Under questioning Chennault estimated that it would cost from $1,500,000,000 to $2,000,000,000 over a three-year period to provide the aid China needs.

The Flying Tigers were a volunteer force of flyers, mostly American, who fought with China against Japan before Pearl Harbor. At 57, Chennault is retiring from the Army and heads a commercial aviation concern in China. He flew here to testify at the committee's hearings on the administration's request that Congress vote $570,000,000 for aid to China. His 25-year-old Chinese wife accompanied him to the hearing.

Chennault argued:

"China's enormous population could furnish almost unlimited manpower for military operations if properly trained, equipped and supplied. At least the fact that they could not be dominated and trained as slave labor by Russian masters would be of utmost value to us as an asset.

"When these facts are considered and given proper weight as strategical factors in any future war, it is not difficult to understand why Russia would not voluntarily launch an offensive in Europe so long as China remains un-communized. Nor should it be hard to understand why a third world war is improbable if China remains our friend and ally."

Chennault read a 13-page statement which concluded with this summary:

"1. World peace is definitely threatened by the world wide expansion plans of the Communist leaders.

"2. A strong, independent, anti-Communist Chinese National Government constitutes our only hope of halting the spread of Communism in Asia and of preserving the peace of the world. China, because of its strategic geographical position, must be included in any overall plan for resisting the spread of Communism, for if China goes Communist, all of continental Asia will quickly follow, and there will be no continental Asiatic bases left to us.

"3. After more than ten years of continuous warfare, China has almost reached the end of her resources. She must have substantial military, economic and financial aid quickly if an anti-Communist National Government is to survive. The alternative is a Communist, anti-American Government.

"4. Failure to provide adequate aid to China at this time will constitute the greatest failure of American foreign policy in all of our history and will inevitably set the stage for world war III."

Calls China Key to Peace.

Chennault said it was his firm belief that Russia will not launch an attack in the west until it has secured an eastern continental front by the communization of China.

"If and when China is communized," he said, "we will be confronted immediately with the necessity for deciding whether we will engage in a third world war or retire to the defense of the American continents." It is obviously that under such conditions, our chance of defending the European States which remain outside the iron curtain at that time will be extremely doubtful and enormously expensive.

"In my opinion, China is the key to world peace; or to victory if a third world war is precipitated by accident or design."

Chennault said "we will make a tragic mistake if we permit our preparations in Europe to absorb all of our attention and resources."

"I am convinced that our plans and preparations, as announced and discussed to date, have caused the Communist leaders very little if any real concern," he said. "In fact, it is more than likely that they have fitted into Russia's long range policy very nicely . . . We are actually planning the rehabilitation, by the expenditure of large sums of money and goods, of a number of states in Europe whose people may have to accept communization at any time."

Votes Down, 74 to 3, Move of Henry Wallace to Put Aid Under UN

TAYLOR OFFERED IDEA

Joined Only by Pepper and Langer in Approval

Washington, March (AP)—The Senate cast aside today by an overwhelming 74 to 3 vote a Henry A. Wallace-backed proposal to put U.S. aid to Europe under United Nations control.

35,000 Word Speech

Senator Taylor of Idaho, candidate for Vice-President on Wallace's third party ticket, offered the proposal—after a 35,000-word speech that began yesterday—as an amendment to the $5,300,000,000 European recovery bill.

Taylor charged that the ERP bill, commonly known as the Marshall Plan, "prepares for war and puts Europe on a permanent dole."

Senators Pepper (D-Fla.) and Langer (R-N.D.) joined Taylor in voting for his amendment, which provided for a $5,000,000,000 contribution by this country to a UN reconstruction and economic development administration for Europe.

Russia's Status

Russia, as a UN member, would have a voice in controlling the aid setup proposed by Taylor. The Marshall Plan seeks to do the job by direct agreements between the U.S. and 16 countries, along with Western Germany, outside the Soviet sphere.

The Senate action came after Maj. Gen. Claire Chennault of "Flying Tigers" fame said this country will "set the stage for World War III" if it fails to send China military aid.

By voice vote, the Senate struck from the ERP bill a section which would have authorized this country to charter 300 ships to Western European nations participating in the recovery program. The amendment was offered by Senator Brewster (R-Me.).

Estimates Cost

Chennault estimated it would cost between $1,500,000,000 and $2,000,000,000 over a three-year period to give Generalissimo Chiang Kai-Shek the held he needs to defeat China's Communists.

The Truman administration has asked for $570,000,000 in strictly non-military aid to Chiang.

Chennault gave his views to the House Foreign Affairs Committee. He flew here Monday from Shanghai, where he operates a commercial airline, to testify at the committee's request.

While his 25-years-old Chinese bride listened, Chennault said military backing of Chiang would throw up a wall against "Russian aggression" in Europe as well as in Asia. China, he said, is the key to world peace—or, if another war comes, to victory.

Gen. Chennault Asks Military Aid For China

MAR 1948

Washington, March 10 (AP)—Maj. Gen. Claire Chennault told the House Foreign Affairs Committee today that military aid to China would help to stop "Russian aggressions" in Europe.

The former commander of the "Flying Tigers" said failure to provide aid to China "will inevitably set the stage for World War III."

Under questioning, Chennault estimated that it would cost from $1,500,000,000 to $2,000,000,000 over a three-year period to provide the aid China needs.

"Hinges On China"

Chennault said it is his "firm belief" that Russia will not "launch an attack in the West" until it has secured an eastern continental front by the communization of China.

"If and when China is communized," he added, "we will be confronted immediately with the necessity for deciding whether we will engage in a third world war or retire to the defense of the American continents."

"It is obvious that under such conditions, our chance of defending the European states which remain outside the Iron Curtain at that time will be extremely doubtful and enormously expensive.

"In my opinion, China is the key to world peace; or to victory if a third world war is precipitated by accident or design."

Warns Against Mistake

Chennault said "we will make a tragic mistake if we permit our preparations in Europe to absorb all of our attention and resources."

"I am convinced that our plans and preparations, as announced and discussed to date, have caused the Communist leaders very little if any real concern," he asserted.

"In fact, it is more than likely that they have fitted into Russia's long-range policy very nicely. . . . We are actually planning the rehabilitation, by the expenditure of large sums of money and goods, of a number of states in Europe whose people may have to accept communization at any time."

The "Flying Tigers" were a volunteer force of flyers, mostly American, who fought with China against Japan before Pearl Harbor.

Heads Airline

At 57, Chennault is retired from the Army and heads a commercial aviation concern in China. He flew here to testify at the committee's hearings on the Administration's request that Congress vote $570,000,000 for aid to China.

Chennault's 25-year-old Chinese wife accompanied him to the hearing.

Chennault argued:

"China's enormous population could furnish almost unlimited manpower for military operations if properly trained, equipped and supplied. At least the fact that they could not be dominated and trained as slave labor by Russian masters would be of utmost value to us as an asset.

Held Peace Factor

"When these facts are considered and given proper weight as strategical factors in any future war, it is not difficult to understand why Russia would not voluntarily launch an offensive in Europe so long as China remains uncommunized. Nor should it be hard to understand why a third world war is improbable if China remains our friend and ally."

De Valera Says War Appears 'Very Difficult To Avoid'

MAR 1948

Washington, March 10 (AP)—Eamon De Valera said today that war "appears very difficult to avoid."

The world faces a "terrifying situation," the former Prime Minister of Eire told a news conference.

In an indirect reference to Soviet Russia, he said:

"The sad part is that this situation need not arise, no one worries much about the internal economy a country wants to have. It is only when one country attempts to push economic theories on other people that danger is created."

Sees Threat To Eire

Answering a question, De Valera said that Eire would be "definitely threatened" if the Communists won control of western Europe.

Asked if Eire would join a western European political and economic union, he said:

"Ireland is anxious to co-operate with western Europe economically and otherwise."

But De Valera saw the creation of such a union as a difficult task.

"It is much easier to think in general terms than to work out actual schemes," he said. "Whether the terrible alternative will cause people to forget their differences, I don't know."

Sees Marshall And Truman

Asked if Eire would remain neutral in a future war, as in World War II, De Valera said:

"Every nation remains neutral until it has to go to war. In any future war, each country will want to decide the question of going to war on the basis of the issues then prevailing."

Shortly after his arrival from New York this morning he made a brief call on Gen. George C. Marshall, Secretary of State at the State Department.

Then he visited President Truman for 15 minutes at the White House. After this call De Valera said politics was not discussed. He would not say what they did talk about.

DE VALERA VISITS TRUMAN BRIEFLY

MAR 1948

Washington, March 10 (A. P.).—Eamon De Valera, former Prime Minister of Eire, paid a fifteen-minute courtesy call on President Truman today. Afterward he told reporters politics was not discussed.

Asked to elaborate on the "meloncholy" world outlook he pictured yesterday in New York, De Valera said: "I might be completely wrong about that. I hope so."

Before going to the White House, De Valera called briefly on Secretary Marshall at the State Department. He was accompanied on both visits by Frank Aiken, former Irish Finance Minister, and Sean Nunan, Irish Minister to the United States.

The American-born leader of the Irish opposition is en route to San Francisco and Los Angeles for St. Patrick's Day celebrations. He told reporters he was "happy that the President took time to see me," but said he could not discuss the nature of their conversation.

Recently, Byron made an operating agreement with owners of a lease of nine square miles of state-owned land in the area. He had it assayed, and last week he and Robinson conferred with the Atomic Energy Commission. They took along some samples.

The AEC encouraged them to develop the claim. Except for one in Europe, it's the only known deposit of uranium that can be obtained so easily. The nation now gets its domestic uranium by extracting it from the "tailings" or residue of vanadium ore in Western Colorado.

The Army and Air force are expected to keep secret virtually all details of the test.

The heaviest bomb dropped prior to the test was one of 12½ tons used in experiments last fall in Germany by the United States Air Force and the British Royal Air Force.

EX-G. I. CONVICTED OF 'A' FILM THEFT

Albuquerque, N. M., March 10 (A. P.).—Ernest L. Paporello, 29-year-old former resident of Union City, N. J., will be sentenced tomorrow in United States District Court on charges of stealing six secret photographs from the atomic energy project at Los Alamos.

Paporello, a former Army photographer, was found guilty last night by a jury which deliberated less than two hours before returning its verdict to Judge Bower Broadus.

Paporello was accused of taking the secret pictures and removing them from the Government reservation in violation of Federal statutes. He faces a maximum penalty of five years in prison or $5,000 fine or both.

Washington, March 10 (A)—The ilitary High Command will meet is weekend in an effort to agree n the individual part the Army, avy and Air Force should play in vent of a war.

Defense Secretary Forrestal told a new conference today about plans for the meeting.

He implied that disagreements exist among the joint Chiefs of Staff over what role each service should have in strategic planning.

Forrestal said he would ask the commanders of the services to list "those things on which they are in disagreement."

Next Step

Asked what the next step would be after that, Forrestal replied:

"I hope to get them to come to an accommodation of views. If they don't, I'll have to make my own decisions."

When the Army, Navy and Air Force were all put under a single defense department, one declared aim was to end disagreements among the services.

A congressional Air Policy Commission recently criticized the Joint Chiefs of Staff for failure to provide up to now an overall strategic plan.

Chiefs Listed

The joint chiefs include Gen. Omar Bradley, army chief of staff; Gen. Carl Spaatz, Air Force chief of staff; Admiral Louis E. Denfield, chief of naval operations, and Admiral William B. Leahy, chief of staff to the President.

Disagreements between the chiefs of staff have existed virtually since the beginning of that organization in the early war days. During the war major arguments between the various services were reported actually to have delayed campaigns in the war zones.

Outside Washington

Forrestal said the civilian secretaries of the three services "probably will not" be at the meeting. The gathering, he implied, will be held at some place outside of Washington where there will be nothing to interrupt the week-end session.

A reporter asked whether the argument between the Navy and Air Force over their respective roles in strategic planning would be considered. Forrestal replied that the discussions would relate to that, among other things.

Then he added:

"There is no question in my mind that the role of strategic air power belongs to the Air Force. By the same token, the Navy has certain functions that belong to it."

Plans For Carrier

He was asked if the Navy's recent announcement of plans for an 80,000-ton carrier had his approval. He answered that it had the approval of himself, the President and the Budget Director. But he added that this does not mean he indorses the building now of "any large array" of super-carriers. His idea is, he said, that a prototype should be constructed as a pattern if more are needed later.

He then was asked if he thought it possible to predict that there would be war or not be war in any specified period.

"I think if you read the papers," Forrestal said, "you become aware of a world situation that would make any attempt to deal in time an irresponsible assumption."

In response to another question, he said that he has not ordered the selective service organization to be reorganized for possible use.

SENATE TO BEGIN HEARINGS ON UMT BILL ON TUESDAY

MAR 1948

Effort to Win Approval in Hurry Is Announced by Senator Gurney

Washington, March 10 (AP)—An attempt to win speedy Senate approval of universal military training was announced today by Senator Gurney (R-S.D.).

Marshall on First

Gurney said the Senate Armed Services Committee will begin public hearings Tuesday with Secretary of State Marshall as first witness.

The committee chairman said he hopes to wind up hearings within the next few weeks "in view of the sudden turn of events in Europe which have brought Czechoslovakia into the Soviet orbit and now threaten Finland."

Gurney said his committee will hold hearings next Tuesday and Thursday and then begin two weeks of daily sessions the following Monday, March 22.

Wants All Data

"Our committee is very anxious to have all information and all shades of opinion" Gurney said, adding that all groups and organizations should contact the committee staff immediately if they wish to testify.

The House Armed Services Committee approved a UMT bill last year but it has been deadlocked in the Rules Committee there.

Gurney and other senators who favor the peacetime compulsory training program hope that the Senate hearings may spur the House to action.

Uranium Pellets Picked Up In Creek Beds in Wyoming

MAR 1948

Denver, March 10 (AP)—The existence of open deposits of uranium which may add greatly to the nation's store of atom bomb material was reported today by two Denver men.

The pea-sized yellow pellets are found in dry creek beds in the red desert northwest of Rawlins in Southern Wyoming. The men said a specimen assayed as high as 30 per cent pure uranium. The ore can be mined with a bulldozer or a steam shovel.

Kenneth Robinson, an attorney, and Walter Bryon, a former private investigator and mining man, announced plans to mine the ore.

The Atomic Energy Commission in Washington said the discovery is "of sufficient interest to warrant further examinations during the coming summer."

Existence of the ore in Southern Wyoming has been known for years.

Criticized Over Planning.

A congressional air policy commission recently criticized the Joint Chiefs of Staff for failure to provide up to now an overall strategic plan.

Sales Of Surplus Well Handled, M'Cabe Says

MAR 1948

Washington, March 10 (AP)—Thomas B. McCabe asserted today the disposal of surplus property abroad "has been well handled" even though some "inescapable" mistakes were made.

The former foreign liquidation commissioner told the Senate Banking Committee he is "confident that any impartial examination of the record will support my assertion."

McCabe, a Pennsylvania industrialist who has been nominated to the Federal Reserve Board, was answering charges by Committee Chairman Tobey (R., N.H.) that the sale of surplus overseas was badly managed.

His Statement Read

He handed the committee a 10,000-word statement replying point by point to Tobey. It was read by a committee clerk.

McCabe has been designated by President Truman as the successor to Marriner S. Eccles as chairman of the Federal Reserve System. The committee and the Senate must pass only on his appointment to the board.

He devoted a large part of his statement replying to Tobey's criticism last week that surplus war goods sales to the Chinese Government cost the American taxpayers millions of dollars.

Tobey had been especially critical of bulk sales to the Chinese Government.

Safes Called Urgent

McCabe declared that Secretary of State Marshall, then the President's special envoy to China, "had expressed the most urgent desire that his mission . . . be aided by turning over as rapidly as possible to the Chinese Government the largest possible amount of surplus in the Pacific having any conceivable civilian value."

Because of this, McCabe continued, Mr. Truman directed him to proceed to China to negotiate bulk sales of the remainder of war surplus this country had in the Pacific.

"The deal was, I firmly believe, a wise one from all points of view and as favorable to the United States as it was to China," McCabe said.

Plans "Witness Or Two"

McCabe was liquidation commissioner abroad for approximately two years after the end of the war.

He said he will call "a witness or two" if the committee will permit. Tobey has said he will allow McCabe to tell his story any way he sees fit.

McCabe, who is president of the Scott Paper Company and chairman of the Federal Reserve Bank of Philadelphia, had been in Washington for the past week drafting his reply to Tobey's charges.

McCabe's handling of surplus property disposal was described to the committee last week by Tobey and one supporting witness.

Accused In Sales In China

Previous testimony dealt largely with surplus property sales in China. Tobey called it "a rather nauseating picture."

Tobey asserted that Col B. A. Johnson, then a brigadier general who was McCabe's deputy commissioner in China, extended special favors to Chiang Kai-shek's Government while he was negotiating with that Government for a job.

The committee was told Johnson was later accused on nineteen separate charges by the army inspector general's office. But he was not court-martialed and is now on active duty in Tokyo.

Among other actions which Tobey attributed to Johnson was the sale of eleven B-25 bombers, in defiance of Government policy, to a private Chinese firm. Tobey said when news of the deal leaked out, McCabe ordered their tails cut off to block the sale.

EX-G. I. LAYS BRIBERY OFFER TO GEN. MEYERS

MAR 1948

Former Soldier-Chauffeur Says He Had Promise of $2000 Cash.

TELLS COURT OF CAR STORIES

Mettee, Now College Student, Relates That Officer Wanted Denial of Ownership.

Washington, March 10 (A. P.).—Calvin Mettee, former G. I. chauffeur of Major-Gen. Bennett E. Meyers, testified today that Meyers offered him $2,000 to give false testimony at the General's present Federal court trial.

Meyers is being tried on charges of inducing Bleriot H. LaMarre, a former business associate, to lie at the senatorial investigation last fall about the General's war-time profits from a plane parts firm. Meyers is former No. 2 purchasing agent for the Army Air Forces.

Traveling Expenses.

Mettee, a civilian student at Ohio State University, said that Meyers paid $100 traveling expenses for him to leave school last fall, and go to the General's home at Huntington, L. I. There, Mettee related to the jury, Meyers coached him to tell investigators that a $3,000 blue Cadillac automobile was a "gift" from the Aviation Electric Company, the plane parts concern.

Mettee testified that Meyers complained of being "victimized."

"He told me he was being blackmailed for $45,000 by a Mr. Lamarre, and, as a result, he was going to try to defend himself," Mettee said. Mettee said that as a G. I. he was assigned to the General in Washington during the war. He said that he drove the General and Mrs. Meyers on frequent trips around the capital.

Mettee said that some times he drove Meyers's car on trips to get groceries and laundry for the General, and, on occasion washed windows in Meyers's Washington apartment.

Lamarre has testified that he was "dummy president" of Aviation Electric but that Meyers actually owned the concern. Lamarre also has said that Meyers drew $150,000 in war-time profits from that firm.

Mettee said that Meyers repeated over and over with him answers which he was to give to questions if called at the trial. He was to say, Mettee said, that Lamarre assigned the car to Meyers for the General's use. Lamarre has testified that Meyers bought the $3,000 blue Cadillac car with Aviation Electric money.

Mettee said that when he went to Meyers's home at Huntington to talk with the General, Meyers had him register at a hotel there under a false name. Mettee told the jury that Meyers instructed him to say that he never saw Meyers or Mrs. Meyers drive the car. He said that Meyers also told him to say that he (Mettee) drove it on Lamarre's orders, and not on Meyers's instructions.

"Was there any discussion about money?" Mettee was asked, in regard to his talk with Meyers at Huntington. "Yes, there was," Mettee answered. "The General said that, if I was able to be of value in my testimony about the automobile, when it was all over he would give me $2,000."

Mettee testified that he told Meyers he did not want to get "into the same situation as Lamarre."

Not Yet Sentenced.

Lamarre has pleaded guilty to perjury in connection with his testimony at the senatorial investigation. He has testified that he lied to protect Meyers at the General's direction. He has not been sentenced yet.

George Morris Fay, United States Attorney, told reporters that the Government expects to complete its case against Meyers today. Mettee, 30, and a former sergeant, related a conversation which he said he held with Meyers in the General's station wagon after Meyers met him at the train in Huntington. Mettee said that he went there from school at Columbus, Ohio, because Meyers wanted to talk to him.

Mettee said that he first gave the false story about the Cadillac to Leo Riley, described as a private detective employed by Meyers. He said that Meyers wanted the story in statement form. Mettee said that he gave such a statement to Riley.

'In Moral Jam.'

"I was in a moral jam with myself," Mettee said. The ex-G. I. testified that he later repeated the false story to FBI agents who visited him at the home of his wife's family at Rochester, Pa.

Then, when he received a subpœna to be a governmental witness at the trial, Mettee said, he came to Washington and saw Edward Molenof, assistant United States Attorney.

"I then told him (Molenof) that the story I gave the FBI was a lot of baloney," Mettee said.

On cross-examination Meyers's attorney asked Mettee why he agreed to make a false statement in the first place.

"I had nothing against the General and I was willing to co-operate," the former sergeant said. Mettee said that Meyers had told him that the whole investigation of the General's affairs was "a political one to expose Mr. Roosevelt."

The Senate War Investigating Committee began the Meyers inquiry as an offshot of another investigation into war-time plane contracts held by Howard Hughes. Elliot Roosevelt, son of the late President Franklin D. Roosevelt, figured in the Hughes matter.

Mettee testified that Meyers had claimed that "pressure had been brought to bear" on the General to "reveal things about Mr. Roosevelt which I would not do."

LOYALTY-FILE ORDER HINTED

MAR 1948

Reported Edict Would Bar Release Of Federal Records

Washington, March 10 (AP)—A Government official reported today that a general directive is being prepared instructing all executive departments to decline to release confidential loyalty files to congressional committees.

The order will be issued by President Truman, it was said, if it meets with his approval.

At the White House, however, the presidential press secretary, Charles G. Ross, said he knew nothing about the order.

The official who reported the order is being drawn said it has been discussed with the chiefs of several agencies, but that its issuance is being held up by the temporary absence of the Attorney General, Tom C. Clark.

Subpoena Issued

30.24- 16151

The blanket order, it was reported, would lay down an Administration policy of keeping confidential the loyalty inquiry reports on Federal employés which are now being compiled by departmental boards.

The House Committee on Un-American Activities recently issued a subpoena for Department of Commerce loyalty board records on Dr. Edward U. Condon, director of the Bureau of Standards.

The Commerce Secretary, W. Averell Harriman, after consulting Clark, declined to make the records available. To do so, he said, would be "prejudicial to the public interest."

He added that such files contain information gathered in confidence.

Marshall Comments

Gen. George C. Marshall, Secretary of State, said in a statement today he had confidence in the loyalty of the State Department's officials and employés.

He added:

"I regret the undermining of the confidence of the people in the department, especially at this critical juncture."

He said the department wanted to act with "fairness and decency" and must "avoid action based on spiteful, unsupported or irresponsible allegations."

Marshall's statement was prompted by a House Appropriations Committee report which criticized a loyalty check on the department.

Meanwhile, John E. Peurifoy, Assistant Secretary of State, told a congressional subcommittee it should be possible to investigate Federal employés without "gossip mongering and character assassination."

"Guilt By Association"

He said he is "disturbed" by a tendency to arrive at "guilt by association" when a personnel investigation involves the loyalty of an employé.

Peurifoy delivered his observations to a House Executive Expenditures subcommittee, which is inquiring into the qualifications of Hamilton Robinson, director of the State Department's office of control.

Representative Busbey (R., Ill.) had complained Robinson is not qualified for the position, lacks necessary experience, and should have been removed from office months ago "because of certain facts" known to his superiors. Busbey called Robinson's office the key spot in the State Department's security program.

Report "Favorable"

Peurifoy said Norman Armour, former Assistant Secretary of State, recommended Robinson for the job, and that John Foster Dulles, a former employer of Robinson's, described him as a man of "high moral character."

He said an FBI report on Robinson was "completely favorable," although it showed he had a second cousin who had been investigated for "alleged communistic activity." It was testified this second cousin resigned a minor State Department position in December, 1946.

Representative Chenoweth (R., Col.), chairman of the subcommittee, said Congress is being criticized by those who believe the State Department has disloyal persons on its pay roll.

The people, he said, "don't understand why you're not having some treason trials in Washington. There's a very strong feeling on that point."

Peurifoy said he thought the department has a "good record" considering the few disloyal workers that investigation has uncovered in a total of 20,000 employés. He said the FBI had been called in to investigate only 22 employés.

Department Accused

Late today the House un-American activities subcommittee charged the Commerce Department was lax in probing Dr. Condon's loyalty.

Chairman Nixon (R., Cal.) issued a statement after a two-day, locked-door questioning of seven department witnesses. The statement said the department's loyalty board studied the case ten months, but heard only one witness—Dr. Condon.

ers.

"I am as concerned with the problem of security in Government as any of you," he said. "But I cannot believe that the only alternative is to be swept off our feet by the gossip mongering and char acterassassination which so often accompanies personnel invsetigations."

Peurifoy was at the Capitol talking to a House Executive Expenditures sub-committee. That group was asked by Representative Busbey (R.-Ill.) to investigate the qualifications of Hamilton Robinson, now director of the State Deportment office of control.

Called Unqualified.

Busbey said in a letter to the committee that Robinson is not qualified, lacks the necessary experience and, "because of certain facts" known to his superiors should have been removed from office months ago.

Robinson's office handles the State Department's security program and has other administrative duties. He took the post about a year ago.

Peurifoy said he is not "worried about my reputation or that of Mr. Robinson" but hopes the matter "will be handled in a way which will not leave indelible blots on the reputations of individuals who do not have equal opportunity to defend themselves." He told the committee

Peurifoy Decries 'Guilty by Association' Trend in Loyalty Investigations.

Washington, March 10 (A. P.).—John E. Peurifoy, Assistant Secretary of State, told a congressional committee today that investigations of Government employees should be possible without "gossip mongering and character assassination."

He said he is "disturbed" by an apparent tendency to use a theory of "guilt by association," when questions are raised about the loyalty of Government workers.

Robinson was recommended for his job by Norman Armour, former Assistant Secretary of State John Foster Dulles, for whom Robinson worked six years, described Robinson as "of high moral character" and an FBI report was "completely favorable to Mr. Robinson," although it showed that he had "a second cousin who had been the subject of investigation for alleged Communistic activity."

Stock Mart Head Asks Tax Relief For Business

MAR 1948

Washington, March 10 (AP)—President Emil Schram of the New York Stock Exchange asked Congress today for prompt tax relief for business.

Reporting an "alarming shortage" of funds for investment, Schram said Stock Exchange trading is down 22 per cent from last year.

His statement was prepared for the Senate Finance Committee, now winding up its hearings on the House-passed bill to cut income taxes $6,500,000,000.

Urges "Substantial" Cuts

Without mentioning a specific figure, the Exchange president indorsed "substantial" tax cuts. He said:

"A (Government) surplus that gives promise of reaching in excess of $9,000,000,000 this fiscal year, and a possible figure of some $18,000,000,000 for this and the coming fiscal year, is ample justification for substantial tax reduction."

But whatever the amount of the tax cut, Schram said, these benefits to business should be written into the bill:

First, a cut in the capital-gains tax—a levy on profits made from the sale of stocks, property or other assets—from the present top rate of 25 per cent to 12½ per cent.

Second, an exemption from the normal 3 per cent income tax—but not from the surtax—on income from corporation dividends. Corporation earnings now are taxed twice—once in the form of the company's profits, and again in the form of earnings paid to the stockholder.

Would Stimulate Business

The first proposal would cost the Treasury $165,000,000 a year, Schram said. But by stimulating business, he said, the capital gains proposal would bring "increased revenues to the Treasury." He discounted the danger of inflation.

"I have never been as apprehensive as many others have been with respect to the danger of a runaway inflation of the price level," he testified. Referring to "the latest economic developments" — the stock and commodity price breaks —he went on:

"A reduction in national income, with a consequent shrinkage of the Government's revenues, seems to be a stronger possibility . . . than the chance of a further increase in national income and Government revenues. . . .

Would Change Tax Structure

"A moderate change in our tax structure at strategic points can go a long way to secure larger production and a continued high level of employment."

Tomorrow the Senate group will begin meeting behind closed doors to write its own bill.

The biggest change forecast by Chairman Millikin (R., Col.) is a trimming down of the House measure to hold the cut to between $4,500,000,000 and $5,000,000,000.

Otherwise, Millikin says, the committee will probably go along with the House and:

1. Increase the personal exemption from $500 to $600.

2. Let husbands and wives split their income for tax-figuring purposes.

3. Make the tax reduction effective as of January 1, 1948.

Meanwhile, Representative Knutson (R., Minn.), author of the House bill, predicted that the House would insist on a cut of at least $5,000,000,000.

Other Witnesses

Senate committee witnesses late yesterday included:

Lloyd C. Halverson, economist for the National Grange, who said there should be no general tax cut at this time.

Ralph W. Button, representing the National Retail Dry Goods Association, who said all groups should get a tax cut with special emphasis given to those with incomes below $4,000.

Dr. Willford I. King, economics professor emeritus of New York University, who said tax rates above 25 per cent cannot be justified.

King said the nation's tax policy makers should be as smart as the managers of Monte Carlo and other gambling casinos.

"They know," he told the committee, "that when they make the 'cut' too high business falls off."

'Kill All Rent Curb' Motion Rejected

MAR 1948

Washington, March 10 (AP)—The House Banking Committee today rejected a motion to kill all rent control at the end of this month.

Chairman Wolcott (R., Mich.) then predicted that tomorrow the committee would approve legislation extending the rent law for at least a year. Other committee sources indicated that the group would accept the Senate measure to continue controls to May 1, 1949.

The vote on the motion to kill the controls March 31 was taken behind closed doors and only the result was announced.

Wolcott said some bill would be approved by Congress and sent to the White House before the one-month stopgap extension expires at the end of this month.

D.C. Approval Required

However, Wolcott said the measure would probably modify present controls.

The "big fight," he said, will probably come on efforts to put more authority in local rent boards.

These boards now recommend rent adjustments or decontrol of an area. But under present law their proposals are put into force only when Washington officials find the recommendations borne out by local conditions.

The House committee yesterday voted to eliminate all controls over the use of scarce building materials for amusement places. The Senate bill would extend these controls, except for recreation buildings operated by schools or churches, and baseball and football stadiums to be used at some time by schools, churches or other community groups.

Cotton Council Aids Fight On Oleo Taxes

MAR 1948

Washington, March 10 (AP)—The Cotton Council today joined retail grocers in advocating repeal of Federal taxes on margarine.

Both groups told the House Agriculture Committee they are opposed to the levies, for reasons of health and economics.

William R. Blake, vice president of the National Cotton Council, said in a statement the special taxes work a hardship against the South.

Blake noted that cottonseed oil, a prime component of margarine, is a major item in the cotton farmers' income. And he said the cotton industry itself looks to an expanded market in seed products to meet the competition from synthetic fibers.

But Blake told the committee that margarine taxes handicap both cotton groups.

"Millions Denied A Spread"

In the case of the farmer, he said that the average per capita income in 1946 "for all the people in the eleven states of the Southeast was $801."

"Obviously the majority of these millions can't afford much butter," he added.

"It is an outrage that our Federal laws should stand between these people and an opportunity to have a cheap, attractive table-spread made from a product of their own cotton fields."

Turning to the cotton industry, Blake said it "has been placed under the severest test of its history by the great expansion in synthetic fibers."

"We cannot meet the test of competition," he said, "we cannot survive, if while losing some markets we are barred by our own laws from developing others."

"A Help Against Inflation"

Tyre Taylor, general counsel of the National Association of Retail Grocers, told the committee that repeal of the taxes on margarine "would help materially" in the fight on inflation.

Taylor said in a prepared statement that the special license fees and taxes placed on margarine dealers are "discriminatory."

He said the Government collected $1,828,594 from grocers last year in license fees. This is 80 per cent of all license fees collected, Taylor testified, and 30 per cent of the total revenue from all special taxes on margarine.

Taylor also said the tax prevents "thousands of retailers from selling margarine at all and thereby denies to millions of consumers . . . a wholesome, economical product with a high nutritive value."

"Nothing Against Butter"

"Needless to say," he added, "retailers have nothing against butter . . . If the margarine people should propose a similar discriminatory tax against butter, the retailers would stand shoulder-to-shoulder with the dairy industry in opposing it."

Meanwhile, Senator Maybank (D., S.C.) also asked Congress to repeal the margarine tax. In a statement to the Senate Finance Committee he proposed an amendment to the income-tax-cut bill which would accomplish this.

Noting that the oleo taxes were set up 46 years ago, Maybank said: "Such an archaic statute in our modern Federal code makes it almost as incongruous with free trade as the sight of a mounted cavalryman riding out against a Sherman tank."

Steel Price, Inflation Linked By Nourse

Washington, March 10 (AP)—Chairman Edwin G. Nourse of the President's Council of Economic Advisers took to the White House today a report hinting at inflationary risks in the recent steel-price increases.

Nourse, head of one of three agencies ordered by President Truman to investigate the boost, told a reporter it was too early to judge the effect, but he said the $5-a-ton increase on semi-finished steel last month is "potentially dangerous" in view of other inflationary hazards.

Leaving Mr. Truman's office, Nourse told reporters he had recommended a course of action, but would not go into details. He said he thought the President would make his report public.

Butter, Margarine And Lard Continue Decline In Retail Stores

Chicago, March 10 (AP)—Commodities inched generally higher today in the wholesale markets and on the exchange.

Stocks staged their first average gain of the week in New York. Advances ranged from fractions to around two points.

Butter, margarine and lard continued to decline in the nation's retail stores, but prices of other foods generally remained unchanged, the National Association of Retail Grocers reported.

Covers Prices For Week

The survey covered prices for the week March 3 to March 10. The decline in butter prices ranged from 1 to 3 cents a pound. Lard and margarine dropped about 1 cent.

All grains joined in the advance on the Chicago Board of Trade. Wheat closed ¾ to 3¾ cents a bushel higher, the May contract at $2.38-2.38¼. Corn was up ¾ to 2¾ cents and oats were ⅛ to 1 cent higher. Soybeans closed 2 cents off.

At the Chicago stockyards, hog prices climbed 50 cents to $1 a hundred pounds. Cattle were generally steady to 50 cents lower and sheep were steady.

Wholesale Butter Down

Wholesale butter slipped a half cent a pound at Chicago but was unchanged in New York.

Cotton futures closed unchanged to 50 cents a bale lower in New York.

The Associated Press weighted wholesale price index of 35 commodities rose .19 of a point to 185.77. The index stood at its lowest point of 1948 at the close of trading yesterday. A week ago the index was 188.16, a month ago 187.78 and a year ago 181.97. The index uses 1926 prices as 100.

LONDON, MARCH 10-(AP)-GLENVIL HALL, FINANCIAL SECRETARY TO THE TREASURY, TONIGHT DEFENDED BRITAIN'S NEW EXCHANGE ORDER AFFECTING JAPAN.

HE TOLD THE HOUSE OF COMMONS THE GOVERNMENT WOULD "STRAIN EVERY NERVE" TO SOLVE THE ADMITTEDLY "UNSATISFACTORY" SITUATION IN HONG KONG.

THE NEW ORDER FOR JAPAN IS AN EXCELLENT ONE, HALL SAID, AND IS WORKED OUT ON A BASIS OF ARRANGEMENTS WITH GEN.DOUGLAS MACARTHUR TO COVER BRITISH EXPORTS TO JAPAN.

HE EXPLAINED THAT UNDER THE ORDER, STERLING ACQUIRED AS A RESULT OF PRIVATE TRADING WILL BE CONVERTIBLE INTO DOLLARS, BUT CONVERSION WILL TAKE PLACE ONLY EVERY SIX MONTHS "AND THEN ONLY IF THE SUPREME COMMANDER FEELS IT ESSENTIAL THAT SUCH CONVERSION SHOULD TAKE PLACE."

MAR 1948

"HE WILL USE STERLING FOR THE PURCHASE OF RAW MATERIALS IN THE STERLING AREA AND ONLY IN A LAST RESORT WILL CONVERT THE BALANCE AT THE END OF A GIVEN PERIOD INTO DOLLARS. THE ARRANGEMENT DOES NOT COVER COTTON TEXTILES.

"THE ADVANTAGE FOR US IS THAT FOR THE FUTURE THE ONLY BALANCE WILL BE CONVERTIBLE, AND NOT ALWAYS INTO DOLLARS. IT WILL ALSO ENABLE THE SUPREME COMMANDER TO BUY MORE AND MORE RAW MATERIALS FROM STERLING AREA SOURCES INSTEAD OF DOLLAR SOURCES."

HALL SAID NEITHER THE JAPANESE ORDER NOR OTHER NEW "ROUTINE" ARRANGEMENTS WITH CHINA AND FORMOSA WOULD AFFECT AN ACKNOWLEDGED SERIOUS "LEAKAGE" OF DOLLAR EARNINGS THROUGH HONG KONG, WHICH HE SAID THE BANK OF ENGLAND WAS TRYING TO CORRECT.

THE SITUATION IN THE CROWN COLONY ARISES FROM THE EXISTENCE OF A LARGE FREE GOLD AND DOLLAR MARKET THERE, WITH ONLY ABOUT 25 PER CENT OF WHAT EXPORTERS RECEIVE IN DOLLARS BEING TURNED OVER TO THE CONTROL.

THE POSITION IS "PECULIAR AND COMPLICATED," HALL SAID, AS HONG KONG IS A MEMBER OF THE STERLING AREA AND IS LINKED ECONOMICALLY WITH CHINA.

"SUPPOSING IT WERE LAID DOWN BY CONTROL THAT 100 PER CENT OF WHAT EXPORTERS RECEIVE SHOULD BE HANDED OVER X X X. THE PROBABILITY IS THAT MUCH OF THE TRADE WHICH NOW GOES TO HONG KONG WOULD TAKE ANOTHER ROUTE AND THEREFORE WE WOULD NOT GET THE 25 PER CENT.

"I ADMIT THE SITUATION IS EXTREMELY UNSATISFACTORY AND THE BANK OF ENGLAND HAS SENT AN OFFICIAL WHO IS IN HONG KONG DISCUSSING THE MATTER WITH AUTHORITIES. WE SHALL STRAIN EVERY NERVE TO FIND A SOLUTION AND STOP THE PREVENTABLE LEAKAGE OF DOLLARS."

LONDON, MARCH 10-(AP)-RESPONSIBLE SOURCES SAID TONIGHT "PROGRESS HAS BEEN MADE" TOWARD SETTLEMENT OF THE TAX DISPUTE WHICH STOPPED HOLLYWOOD FILM EXPORTS TO BRITAIN. MAR 1948

THESE INFORMANTS, WHO INSISTED UPON ANONYMITY AND GAVE NO CLUE AS TO WHAT THE NATURE OF ANY COMPROMISE AGREEMENT MIGHT BE, SAID THEY WERE SURE ERIC JOHNSTON, HEAD OF THE MOTION PICTURE ASSOCIATION, LEFT TODAY'S MEETING WITH HAROLD WILSON, PRESIDENT OF THE BOARD OF TRADE, "IN A MORE HOPEFUL FRAME OF MIND."

JOHNSTON HIMSELF WAS NONCOMMITTAL. AMERICANS CLOSE TO HIM IN THE TALKS, WHICH STARTED MORE THAN A WEEK AGO, WERE GUARDEDLY OPTIMISTIC BUT SAID PREMATURE SPECULATION ON THE FINAL OUTCOME OF THE DISCUSSIONS MIGHT JEOPARDIZE NEGOTIATIONS.

A FURTHER MEETING OF JOHNSTON AND BOARD OF TRADE OFFICIALS WAS FIXED FOR TOMORROW.

NO AUTHORITATIVE SUPPORT WAS GIVEN TO RUMORS THAT JOHNSTON AND BRITISH GOVERNMENT LEADERS ALREADY HAD COME TO TERMS ON A PLAN TO BREAK THE DEADLOCK OVER BRITAIN'S SEVENTY-FIVE PERCENT TAX ON FOREIGN FILM REVENUES.

"IT'S JUST GUESSING," BOTH AMERICANS AND BRITISH SAID.

PART OF THAT "GUESSING" WAS A REVIVED REPORT, PUBLISHED IN A LONDON NEWSPAPER, THAT ONE OF THE MOST LIKELY PROPOSALS FOR SETTLEMENT CALLED FOR:

A REDUCTION IN THE TAX FROM SEVENTY-FIVE TO FIFTY PERCENT AND AN AMERICAN GUARANTEE OF "A SUBSTANTIAL INCREASE" IN THE SHOWING OF BRITISH PICTURES IN THE UNITED STATES.

UNDER THE SCHEME, THE PAPER SAID, HALF THE TWENTY-FIVE PERCENT DIFFERENCE WOULD BE "FROZEN" HERE, BUT WOULD BE AT THE DISPOSAL OF U.S. FILM COMPANIES MAKING MOVIES IN BRITAIN.

NEGOTIATORS DID NOT FLATLY RULE OUT THE POSSIBILITY OF SUCH AN ARRANGEMENT. THEY OBSERVED, HOWEVER, "WE WOULD NOT PUT TOO MUCH FAITH IN IT."

SHOULD THE HOLLYWOOD BAN BE LIFTED AS A RESULT OF THE TALKS, FILM EXPERTS SAID, THE FLOW OF AMERICAN PICTURES BACK TO THIS COUNTRY PROBABLY WOULD BEGIN IN A FEW WEEKS. THUS WOULD END A FAMINE OF NEW MOVIES WHICH HAS COMPELLED BRITISH EXHIBITORS TO FALL BACK UPON REISSUES OF OLD TIME HITS PLUS A LIMITED NUMBER OF FEATURES FROM HOME STUDIOS.

LONDON, MARCH 10-(AP)-PRIME MINISTER ATTLEE AND FOREIGN SECRETARY ERNEST BEVIN TONIGHT SENT MESSAGES OF SYMPATHY TO THE SISTERS OF CZECHOSLOVAK FOREIGN MINISTER JAN MASARYK. THE MESSAGES SENT TO MISS ALICE MASARYK AND MADAME OLGA REVILLIOD SAID:

"WE ARE DEEPLY GRIEVED TO HEAR OF THE PASSING OF YOUR DEAR BROTHER JAN. IN ADDITION TO BEING THE SON OF A GREAT PRESIDENT AND FOUNDER OF THE REPUBLIC, HE HAD A LONG AND CLOSE ASSOCIATION WITH US, ESPECIALLY IN THE GREAT STRUGGLE AGAINST HITLER.

"THROUGH ALL THAT PERIOD WHEN YOUR COUNTRY WAS GOING THROUGH SUCH A TERRIBLE TIME HE WAS EVER OPTIMISTIC AND HAD GREAT FAITH IN THE DEMOCRATIC SURVIVAL OF CZECHOSLOVAKIA. HIS MANY FRIENDS IN ENGLAND ARE DEEPLY DISTRESSED AT THE END WHICH HAS OVERTAKEN HIM."

HELSINKI, MARCH 10-(AP)-PRESIDENT JUHO PAASIKIVI AND FINLAND'S SEVEN-MAN DELEGATION CONFERRED FOR 90 MINUTES TODAY ON THE COMING NEGOTIATIONS IN MOSCOW ON A RUSSIAN-FINNISH FRIENDSHIP AND MUTUAL ASSISTANCE PACT.

A NUMBER OF EXPERTS ON SOVIET AFFAIRS AND ALLIED MATTERS, INCLUDING GEN.AARNE SIHVO, COMMANDER-IN-CHIEF OF THE FINNISH ARMY, ALSO ATTENDED THE SESSION.

ATTENDANTS SAID THE TABLE BESIDE PAASIKIVI WAS PILED HIGH WITH DOCUMENTS AND PAPERS, INDICATING THE DELEGATION BEGAN THEIR STUDY OF NUMEROUS SPECIAL REPORTS THE PRESIDENT HAS BEEN ASSEMBLING.

FINLAND'S FORMAL REPLY TO PRIME MINISTER STALIN WAS SENT TODAY THROUGH THE RUSSIAN MINISTER HERE. UNOFFICIAL BUT RELIABLE SOURCES SAID PAASIKIVI TOLD THE SOVIET LEADER THAT THE VIEWS OF THE FINNISH PARLIAMENT MUST BE TAKEN INTO CONSIDERATION DURING THE NEGOTIATIONS.

MAR 1948

THE MAJORITY OF PARLIAMENT, IT HAS BEEN DISCLOSED, FAVORED NEGOTIATIONS, BUT OPPOSED OUTRIGHT MILITARY ALLIANCE WITH RUSSIA. THE SOURCES SAID THAT PAASIKIVI FURTHER EXPRESSED FINLAND'S DETERMINATION TO KEEP OUT OF AGREEMENTS WHICH MIGHT POSSIBLY LEAD TO INTERNATIONAL CONFLICTS.

IT WAS REPORTED BEFORE THE MEETING THAT SEVERAL MEMBERS OF THE FINNISH DELEGATION ASKED IN VAIN TO BE RELIEVED OF THE ASSIGNMENT. INFORMANTS SAID PAASIKIVI REPLIED:

LEAD DAY U.N.-CZECH

LAKE SUCCESS, MARCH 10-(AP)-THE UNITED NATIONS TONIGHT SHELVED A LETTER FROM THE CZECHOSLOVAK CHIEF DELEGATE DEMANDING A SECURITY COUNCIL INVESTIGATION OF THE COMMUNIST COUP IN CZECHOSLOVAKIA.

U.N. OFFICIALS SAID SECRETARY-GENERAL TRYGVE LIE ACTED AFTER CONSULTING WITH MEMBERS OF THE U.N. LEGAL DEPARTMENT, THE DEPARTMENT OF SECURITY COUNCIL AFFAIRS, AND DR. T.F.TSIANG, OF CHINA, PRESIDENT OF THE SECURITY COUNCIL FOR THIS MONTH.

"AFTER CONSULTATIONS, THE SECRETARY-GENERAL FOUND IT (THE LETTER CONTAINING THE DEMAND) A NON-GOVERNMENTAL COMMUNICATION AND IT WILL BE TREATED IN ACCORDANCE WITH RULES OF PROCEDURE OF THE SECURITY COUNCIL AS SUCH."

MAR 1948

THESE RULES PROVIDE THAT NON-GOVERNMENTAL COMMUNICATIONS ARE AVAILABLE FOR THOSE MEMBERS WHO DESIRE TO SEE THEM BUT ARE NOT DISTRIBUTED TO THE SECURITY COUNCIL.

U.N. OFFICIALS SAID THE DEMAND WOULD BE KEPT IN THE FILES UNLESS SOME U.N. MEMBERS CHOSE TO PRESS IT.

THE CZECHOSLOVAK DELEGATE ALSO CHARGED PREMIER STALIN OF RUSSIA WITH "PERSONAL INSINCERITY."

THE DELEGATE, DR. JAN PAPANEK, HANDED TRYGVE LIE, U.N. SECRETARY-GENERAL, HIS DEMAND IN A LONG LETTER.

LIE IMMEDIATELY CALLED A CONFERENCE OF U.N. OFFICIALS AND WILL CONSULT SECURITY COUNCIL DELEGATES BEFORE DECIDING WHETHER TO TRANSMIT IT FORMALLY TO THE COUNCIL.

PAPANEK SAID HE WOULD REFUSE TO SURRENDER HIS POST AS CZECHOSLOVAK DELEGATE TO THE UNITED NATIONS. BUT HE REPEATEDLY EMPHASIZED THAT HE REPRESENTED THE CZECHOSLOVAK REPUBLIC WHICH EXISTED BEFORE FEB. 20 AND NOT THE COMMUNIST-DOMINATED REGIME WHICH WAS INSTALLED IN PRAGUE ON THAT DATE.

IN A VOICE FREQUENTLY FALTERING AS HE MENTIONED THE DEATH TODAY OF HIS BEST FRIEND, JAN MASARYK, CZECHOSLOVAK FOREIGN MINISTER, PAPANEK TOLD A NEWS CONFERENCE HERE THAT MASARYK SEVERAL WEEKS AGO RECEIVED A BOMB WHICH PAPANEK SAID WAS MADE BY COMMUNISTS IN MORAVIA.

THE TALL CZECHOSLOVAK DELEGATE SAID HE HAD DECIDED TO MOVE FOR ACTION HERE WHEN HE HEARD OF MASARYK'S DEATH. HE SAID MASARYK TOLD HIM WHEN HE LEFT NEW YORK AFTER THE 1947 U.N. ASSEMBLY LAST FALL NOT TO TAKE ANY SORT OF ACTION HERE "'UNTIL YOU CAN BE SURE I (MASARYK) AM NO MORE IN THE POSITION OF FOREIGN MINISTER AT LEAST 24 HOURS.'"

ASKED BY A REPORTER WHETHER HE IS IN REALITY PLANNING TO SET UP A CZECHOSLOVAKA REPUBLIC GOVERNMENT IN EXILE, PAPANEK SMILED SLIGHTLY AND SAID THAT DEPENDS ON THE MEMBERS OF THE U.N.

PAPANEK SAID HE COULD NOT BELIEVE MASARYK COMMITTED SUICIDE.

HE SAID THAT SINCE FEB. 20 MASARYK HAD BEEN ACCOMPANIED AT ALL TIMES BY THREE POLICEMEN AND THAT PRESIDENT BENES HIMSELF IS NOT NOW A FREE AGENT. SINCE THE COUP, PAPANEK SAID, BENES HAS NOT BEEN ABLE TO MAKE ANY PUBLIC APPEARANCES.

PAPENK CHARGED THAT THE COMMUNIST MINORITY IN CZECHOSLOVAKIA WAS ENCOURAGED IN THE COUP BY REPRESENTATIVES OF RUSSIA LED BY VALERIN ZORIN, SOVIET DEPUTY FOREIGN MINISTER.

ZORIN WAS IN PRAGUE DURING THE COUP FOR THE ANNOUNCED PURPOSE OF CHECKING ON ECONOMIC MATTERS.

MAR 1948

OF HIMSELF, PAPANEK SAID IN AN EMPHATIC VOICE:

"I REPRESENTED THE CZECHOSLOVAK GOVERNMENT THAT EXISTED BEFORE FEB. 20. I WAS NEVER A REPRESENTATIVE OF THE NEW REGIME. I AM NOT RESIGNING MY OFFICE (AS CZECHOSLOVAK DELEGATE TO THE UNITED NATIONS)."

"IT IS NOT UPON ME TO RESIGN," DR. PAPANEK SAID. "IT IS UPON THE MEMBERS OF THE UNITED NATIONS TO DECIDE WHETHER THEY WILL RECOGNIZE THE REGIME IN PRAGUE NOW OR RECOGNIZE THE REPUBLIC AS IT WAS BEFORE FEB. 20. BUT I WILL NOT GO OUT AND LEAVE THE POST EMPTY."

HE CHARGED THAT SOVIET RUSSIA ENGINEERED THE COMMUNIST COUP. HE SAID THE COUP HAD TERRORIZED THE CZECHOSLOVAK PEOPLE.

PAPANEK CHARGED DIRECTLY THAT RUSSIA HAD VIOLATED THE INDEPENDENCE OF CZECHOSLOVAKIA AND THAT PREMIER STALIN WAS PERSONALLY INSINCERE IN GOING BACK ON PROMISES TO PRESIDENT BENES TO RECOGNIZE THE SOVEREIGNTY OF THE REPUBLIC.

PAPANEK SAID THAT MUNICH IN 1938 AND THE OCCUPATION OF CZECHOSLOVAKIA BY THE NAZIS LAID BARE THE GERMAN PLANS FOR WORLD CONQUEST.

"THE TRAGEDY OF THE COMMUNIST COUP REVEALS THE INSINCERITY OF PREMIER STALIN WHO PERSONALLY PROMISED PRESIDENT BENES THAT CZECHOSLOVAKIA ALWAYS WOULD BE FREE," PAPANEK SAID IN A LONG LETTER SUBMITTED TO LIE.

"THE TREATY OF FRIENDSHIP BETWEEN RUSSIA AND CZECHOSLOVAKIA ON DEC. 12, 1943, STIPULATED THAT THE CONTRACTING PARTIES SHALL RESPECT EACH OTHER'S SOVEREIGNTY. CZECHOSLOVAKIA, ITS GOVERNMENT AND PEOPLE LIVED UP TO THE LETTER AND SPIRIT OF THE TREATY. THE VIOLATION OF THIS TREATY SHAKES THE VERY FOUNDATIONS OF PEACE AND SECURITY, NOT ONLY OF CZECHOSLOVAKIA BUT OF EUROPE AND THE WORLD. I URGE THAT THE SITUATION WHICH ENSLAVES THE PEOPLE OF CZECHOSLOVAKIA BE BROUGHT TO THE SECURITY COUNCIL FOR CONSIDERATION."

THE MATTER IS NOW UP TO THE UNITED NATIONS. I HOPE THE UNITED NATIONS WILL TAKE A STAND IMMEDIATELY AND PREVENT FURTHER OCCUPATION OF OTHER COUNTRIES AND EVENTUALLY THE THIRD WORLD WAR."

HE SAID HE HAD CONSULTED WITH OTHER CZECHOSLOVAKA LEADERS ON THIS STEP AND WITH SOME OTHER U.N. DELEGATIONS. ASKED WHETHER HE HAD DISCUSSED IT WITH THE UNITED STATES, HE DECLINED TO ANSWER.

NIGHT LEAD MASARYK

BY JOHN M.HIGHTOWER

WASHINGTON,MARCH 10-(AP)-THE DEATH OF JAN MASARYK MAY HELP THE CAUSE OF LIBERTY BY DRAMATIZING CZECHOSLOVAKIA'S PLIGHT, AMERICAN OFFICIALS SAID TODAY.

AND PRIVATELY VOICED SUSPICIONS AMONG DIPLOMATIC AUTHORITIES FOUND PUBLIC EXPRESSION AT THE CAPITOL WHERE REP.STEFAN (R-NEB), A NATIVE OF BOHEMIA, TOLD THE HOUSE THAT MASARYK MAY HAVE BEEN MURDERED.

"EARLY REPORTS FROM THE FREE RADIO OF EUROPE," STEFAN SAID, "NAMED THE CAUSE OF HIS DEATH AS SELF-DESTRUCTION--SUICIDE. IT COULD JUST AS EASILY HAVE BEEN MURDER. THE KREMLIN HAS NEVER STOPPED AT MURDER."

AT THE STATE DEPARTMENT, WHERE OFFICIALS ARE KEEPING AS CLOSE A WATCH AS POSSIBLE ON EVENTS INSIDE THE NEW COMMUNIST SATELLITE COUNTRY, AUTHORITIES SUGGESTED THAT HOWEVER MASARYK DIED HIS DEATH MIGHT PROVE TO BE "THE BEST ACT OF HIS LIFE."

OFFICIALS SAID THEY WERE CONVINCED THAT IT REPRESENTED A DESPERATE RESISTANCE AGAINST THE POWER OF THE COMMUNIST GOVERNMENT, IN WHICH MASARYK WAS SERVING AS NON-PARTY FOREIGN MINISTER.

IT ADDS TO THE TRAGEDY OF CZECHOSLOVAKIA, IN THE STATE DEPARTMENT VIEW, AN ELEMENT OF HIGH PERSONAL DRAMA WHICH UNTIL NOW HAD BEEN LACKING.

MAR 1948

AUTHORITIES HERE ARE BY NO MEANS CERTAIN IT WILL BE THE LAST SUCH INCIDENT. CONCERN IS STRONGLY FELT ABOUT THE FUTURE OF PRESIDENT EDUARD BENES, WHO IS BELIEVED HERE TO BE LITTLE BETTER THAN A PRISONER OF THE COMMUNIST LEADERS OF THE GOVERNMENT WHICH HE OFFICIALLY HEADS.

BENES HAS DIABETES AND DIPLOMATIC INFORMANTS SAID SOME TIME AGO HE HAD ALSO SUFFERED A STROKE. HIS PHYSICAL CONDITION ALMOST CERTAINLY HAS BEEN FURTHER WEAKENED BY THE STRAIN OF THE PAST THREE WEEKS.

BENES AND MASARYK SYMBOLIZE CZECHOSLOVAK DEMOCRACY NOT ONLY TO THEIR OWN PEOPLE BUT TO THE REST OF THE WORLD. THE STATE DEPARTMENT SOUGHT TO EMPHASIZE THIS FACT IN ITS OFFICIAL STATEMENT:

"THE TRAGIC DEATH OF JAN MASARYK HAS DEEPENED THE SHADOW CAST ON THE OBSERVANCE A FEW DAYS AGO OF THE BIRTHDAY ANNIVERSARY OF HIS FATHER, THOMAS MASARYK, BY THE EXTINCTION OF CZECHOSLOVAK LIBERTIES WHICH THOMAS MASARYK FOUNDED."

REPORTS FROM PRAGUE SAID MASARYK HAD BEEN FOUND IN THE COURT YARD BENEATH A WINDOW OF HIS OFFICE. SPECULATION THAT HE MIGHT HAVE BEEN THROWN FROM THE WINDOW, INSTEAD OF JUMPING AS CZECHOSLOVAK GOVERNMENT SPOKESMEN REPORTED, GREW PARTLY FROM THE FACT THAT MOST OF THE INFORMATION ABOUT THE INCIDENT WAS CONTROLLED BY THE COMMUNIST GOVERNMENT.

ANOTHER CONSIDERATION WAS THAT IF MASARYK WAS UNDER SUCH PRESSURE AS TO TAKE HIS OWN LIFE, HE MIGHT EQUALLY WELL HAVE BEEN RESISTING COMMUNIST PRESSURES TO SUCH A DEGREE THAT EXTREMISTS PREFERRED TO REMOVE HIM.

MASARYK HAD FAVORED HIS COUNTRY'S COOPERATION WITH RUSSIA ON GROUNDS OF SHEER NECESSITY. PERHAPS, SAID AMERICAN OFFICIALS, HE HAD REACHED A POINT BEYOND WHICH HE COULD NOT GO.

HIS LIFE IN RECENT YEARS HAS BEEN DEVOTED TO PROVING THAT THE SMALL NATION COULD LIVE PEACEFULLY BESIDE THE GREAT POWER. THE COMMUNIST COUP IN CZECHOSLOVAKIA TWO WEEKS AGO PUT AN END TO THAT DREAM. IN HIS DEATH, MASARYK MERGED THE TRAGEDY OF HIS OWN POLITICAL LIFE WITH THE NEW DESTINY OF HIS COUNTRY.

UNITED NATIONS

BY LARRYHAUCK

LAKE SUCCESS, MARCH 10-(AP)-THE MUCH-HERALDED U.S.-RUSSIAN AGREEMENT ON PALESTINE PARTITION APPEARED TODAY TO BE CRUMBLING.

A BATTLE OF WORDS OUTSIDE UNITED NATIONS CHAMBERS YESTERDAY SPOTLIGHTED THEIR CURRENT DIFFERENCES OVER THE POLITICAL FUTURE OF THE HOLY LAND. IT WAS THE SHARPEST SPLIT ON THE ISSUE BETWEEN THE TWO POWERS SINCE LAST NOVEMBER WHEN THEY PUSHED THE PARTITION PLAN THROUGH THE U.N. ASSEMBLY.

THE CORE OF THE VERBAL TUSSLE WAS AMERICAN INSISTENCE ON BRINGING THE ARABS, BITTER FOES OF PARTITION, INTO UNITED NATIONS CONSULTATIONS. SO FAR THE ARABS HAVE BOYCOTTED EVERY DISCUSSION OF THE SPLITUP SCHEME. THE JEWS ACCEPT THE PLAN TO CREATE JEWISH AND ARAB NATIONS BY NEXT OCT.1.

MAR 1948

THE JEWS OPPOSE OVERTURES TO THE ARABS. RUSSIA HAS TERMED THE MOVES WORTHLESS IN VIEW OF PAST FAILURES AT CONCILIATION.

A HIGH SOVIET SOURCE TOLD NEWSMEN YESTERDAY THE UNITED STATES APPEARS TO FAVOR RE-OPENING THE PARTITION PLAN.

"SOME PERSONS SEEM TO BE HESITANT ABOUT CARRYING OUT THE ASSEMBLY DECISION," HE SAID TARTLY.

SEVERAL HOURS LATER WARREN R.AUSTIN, CHIEF AMERICAN DELEGATE, TOOK THE UNUSUAL DIPLOMATIC STEP OF REPLYING DIRECTLY TO THE REMARKS OF THE SPOKESMAN. PRESUMABLY, AUSTIN'S STATEMENT CARRIED WASHINGTON'S APPROVAL.

"I REGRET THAT THE SOVIET SPOKESMAN HAS SOUGHT TO PRE-JUDGE THE ISSUES BEFORE THE PROCESS OF CONSULTATION HAS GOTTEN UNDER WAY," AUSTIN SAID IN A SPECIAL STATEMENT READ TO NEWSMEN BY AN AMERICAN PRESS OFFICER. ADDING THAT HE WAS "SURPRISED" THAT THE SOVIET DELEGATION WOULD AUTHORIZE SUCH REMARKS, AUSTIN SAID:

"I CAN SAY THAT MY GOVERNMENT IS INTERESTED IN THE FACTS AND IN A DECISION BASED UPON THEM."

AUSTIN'S COMMENT CAME AFTER HIGH AMERICAN SOURCES DISCLOSED THE U.S. IS MAKING STRONG EFFORTS TO PERSUADE ARAB OFFICIALS HERE AND ABROAD TO JOIN IN U.N. TALKS. IT WAS REPORTED THE REPRESENTATIONS WERE BEING MADE THROUGH TOP DIPLOMATIC CHANNELS WITH THE ARAB NATIONS IN THE MIDDLE EAST. IT WAS UNDERSTOOD THERE HAD BEEN NO ACCEPTANCE FROM THE ARABS SO FAR.

DELEGATES OF THE U.S., RUSSIA, FRANCE AND CHINA SPENT AN HOUR IN CLOSED MEETING FIRING QUESTIONS AT SIR ALEXANDER CADOGAN, BRITISH DELEGATE ATTENDING AS REPRESENTATIVE OF THE MANDATORY POWER IN PALESTINE. A SUMMARY OF THE PROCEEDINGS GIVEN NEWSMEN LATER BY A U.N. PRESS OFFICER REVEALED THAT MOST OF THE QUESTIONS ALREADY HAVE BEEN ANSWERED BEFORE THE ASSEMBLY'S FIVE-NATION PALESTINE PARTITION COMMISSION.

CADOGAN AGREED TO REVIEW THE PREVIOUS REPLIES AND ADD ANY NEW ONES POSSIBLE FOR PRESENTATION TO THE FOUR BIG POWERS LATE TODAY. THE NEXT MEETING OF THE GROUP, WHICH HAS ONLY UNTIL MONDAY TO REACH SOME DECISION, WAS SET FOR TOMORROW MORNING IN NEW YORK. AFTER THESE PRIVATE CONSULTATIONS, THE SECURITY COUNCIL GETS THE PROBLEM AGAIN.

ONE OF CADOGAN'S AIDES SAID BRITAIN WOULD PROVIDE THE DELEGATES WITH INFORMATION AND THEY COULD DECIDE THEMSELVES WHETHER THE PALESTINE SITUATION CONSTITUTED A THREAT TO INTERNATIONAL PEACE. THIS WAS THE FIRST BIG POWER SESSION ATTENDED BY CADOGAN AND INDICATIONS WERE THAT HE WOULD NOT SHOW UP THURSDAY. THIS WAS IN KEEPING WITH BRITISH POLICY OF REFUSING TO DISCUSS THE CARRYING OUT OF PARTITION OR ANY OTHER PALESTINE SOLUTION NOT ACCEPTABLE TO BOTH JEWS AND ARABS.

LAKE SUCCESS, MARCH 10-(AP)-A PRELIMINARY CHECK TODAY SHOWED THAT NEWSPAPER PEOPLE WILL BE IN A MINORITY AT THE GENEVA CONFERENCE ON FREEDOM OF INFORMATION.

A LIST OF 12 DELEGATIONS ANNOUNCED BY THE UNITED NATIONS SHOWED THAT THE LARGE MAJORITY OF THE REPRESENTATIVES WILL BE GOVERNMENT PEOPLE, AMBASSADORS AND PRESS ATTACHES.

THE CONFERENCE WILL CONVENE IN GENEVA MARCH 23.

THE U.N. SAID IT HAD NOT YET RECEIVED THE OFFICIAL LIST OF DELEGATES FROM THE FIVE BIG POWERS.

BRIG.-GEN. CARLOS P.ROMULO, FORMER MANILA EDITOR AND NOW CHIEF DELEGATE OF THE PHILIPPINES TO THE U.N., WILL HEAD HIS COUNTRY'S DELEGATION.

CLEVELAND, MARCH 10-(AP)-THE UNITED NATIONS CAN ENFORCE ITS DECISION TO PARTITION PALESTINE BY RECOGNIZING THE HAGANAH, THE JEWISH MILITARY ARM IN THE HOLY LAND, BARTLEY CRUM OF SAN FRANCISCO DECLARED TONIGHT.

THE FORMER MEMBER OF THE ANGLO-AMERICAN COMMITTEE OF INQUIRY ON PALESTINE TOLD 3,500 PERSONS AT A MASS RALLY THAT "THE PROBLEM IN PALESTINE IS LINKED TO WORLD PEACE AND IS NO LONGER ONLY A JEWISH PROBLEM."

MAR 1948

"IF THE WESTERN WORLD WANTS TO SURVIVE, IF IT WANTS TO SEE OUR DOCTRINE OF POLITICAL FREEDOM AND ECONOMIC SECURITY EXPANDED, THEN SHEER COMMON SENSE, THE SIMPLE INSTINCT FOR SURVIVAL, MAKES US OF NECESSITY ALLIES WITH THE JEWISH COMMUNITY IN PALESTINE," HE SAID.

CRUM, AN AUTHOR AND STUDENT OF MIDDLE-EAST AFFAIRS, URGED THE LIFTING OF THE U.S. EMBARGO ON MILITARY EQUIPMENT AND ARMING OF THE HAGANAH.

"TOKEN DANISH, BELGIAN AND DUTCH TROOPS ALSO CAN BE SENT INTO PALESTINE TO AID THE U.N. COMMISSION," HE CONTINUED. "THIS WOULD GIVE US ENFORCEMENT BY ATIONS NOT INTERESTED IN NEAR EASTERN OIT. RATHER THAN ENFORCEMENT BY THE UNITED STATES OR RUSSIA.

"PARTITION IN PALESTINE WAS VOTED BY THE U.S. UNQUESTIONABLY, IN MAKING THIS DECISION, THERE WAS IN THE MIND OF THE PRESIDENT THE SORRY AND SHABBY DECISION WE HAD MADE RELUCTANTLY NOT TO SUPPORT CHINA WHEN JAPAN SEIZED MANCHURIA."

CRUM CAUTIONED AGAINST SIMILAR "WELCHING" BY THE AMERICAN GOVERNMENT ON ITS POLICIES, AND SAID THE MANCHURIAN INCIDENT "WAS THE FIRST STEP THAT LED TO THE SUBSEQUENT CONQUEST OF ETHIOPIA, TO THE CALLOUS BETRAYAL OF THE SPANISH REPUBLIC, TO MUNICH, TO THE DESTRUCTION OF THE LEAGUE OF NATIONS---AND TO WORLD WAR II."

CRUM ASSAILED THE RIGHT OF SECRETARY OF DEFENSE FORRESTAL TO JUDGE THE PALESTINE ISSUE ON GROUNDS OF FORRESTAL'S FORMER BANKING CONNECTIONS "FOR YEARS FORRESTAL HAD BEEN ASSOCIATED WITH THE POWERFUL BANKING HOUSE OF DILLON READ & CO.," CRUM DECLARED. "FOR THE LAST THREE YEARS BEFORE HE CAME TO WASHINGTON HE WAS ITS PRESIDENT.

"AS PARTNER AND PRESIDENT IN THE BANKING CONCERN, HE PARTICIPATED IN FLOATING LARGE LOANS FOR THE STANDARD OIL CO. OF CALIFORNIA AND THE TEXAS CO. BOTH THESE COMPANIES ARE HEAVILY INVOLVED IN OIL OPERATIONS IN THE MIDDLE EAST---PARTICULARLY IN SAUDI ARABIA AND BAHREIN."

(ADVANCE)...(NY)...PHILADELPHIA, MARCH 10-(AP)-FORMATION OF ALLIANCES OUTSIDE THE UNITED NATIONS THREATEN THE WORLD ORGANIZATION AND SHOULD BE OUTLAWED, BRIG. GENERAL CARLOS P. ROMULO SAID TONIGHT.

THESE ALLIANCES, HE SAID, "TEND TO EXTINGUISH WHATEVER SPARK OF HOPE YET REMAINS FOR AMICABLE SETTLEMENT OF GRAVE INTERNATIONAL PROBLEMS."

HE CHARGED SUCH BLOCS "CONSTITUTE AN ACT OF DESPAIR."

ADDRESSING THE PHILADELPHIA BULLETIN FORUM, ROMULO, GENERAL DOUGLAS MACARTHUR'S WARTIME AIDE DURING BATAAN AND CORREGIDOR DAYS, DECLARED:

MAR 1948

"FORMATION OF SUCH GROUPS PRESENTS A SERIOUS THREAT TO THE VERY EXISTENCE OF THE UNITED NATIONS.

"IT IMPLIES LACK OF FAITH IN THE CAPACITY OF THE UNITED NATIONS TO RECONCILE CONFLICTING INTERESTS OF ITS MEMBERS. THEY HARDEN THE CLEAVAGES THAT MIGHT OTHERWISE BE HEALED BY PATIENT PERSUASION AND REASONABLE COMPROMISE."

HE DESCRIBED AS A "DANGEROUS DELUSION" ANY INCLINATION TO IGNORE OR MINIMIZE THE SERIOUSNESS OF CONFLICTS AMONG THE WORLD'S GREAT POWERS.

"BUT HAVING RECOGNIZED THE MALADY," HE SAID, "WE SHOULD NOT DISCARD THE REMEDY THAT WE OURSELVES HAVE PRESCRIBED AND PREPARED FOR IT.

"THE UNITED NATIONS WAS MEANT PRECISELY TO RENDER MILITARY ALLIANCES AND POWER BLOCS OBSOLETE BY SETTING UP NECESSARY MACHINERY FOR PEACEFUL SOLUTION OF CONFLICTS BETWEEN RIVAL STATES.

"THE MOMENT THIS CENTRAL FUNCTION IS DISREGARDED OR DENIED, THE UNITED NATIONS LOSES ITS REASON FOR BEING."

OUTSIDE POWER BLOCS, HE URGED, SHOULD BE DISCOURAGED. "TO BE CONSISTENT WITH THE AIMS AND PRINCIPLES OF THE UNITED NATIONS, ALL SUCH ALLIANCES SHOULD BE OUTLAWED," ROMULO SAID.

TO RESOLVE DIFFERENCES OF PARTICIPANTS IN THE "COLD WAR," ROMULO SUGGESTED A "FRESH EFFORT TO ACHIEVE MUTUAL UNDERSTANDING AND SATISFACTORY RECONCILIATION OF RIVAL CLAIMS AND INTERESTS".

"I CANNOT BELIEVE," HE SAID," THAT WE HAVE BECOME SO BANKRUPT IN STATESMANSHIP OR SO IMPOVERISHED IN GOOD INTENTION THAT WE CANNOT WORK OUT, EVEN AT THIS RATHER LATE HOUR, AN EQUILIBRIUM BETWEEN RIVAL INTERESTS THAT WOULD BE JUST AND DURABLE ENOUGH TO AVERT AT LEAST THE DANGER OF IMMEDIATE WAR."

ROMULO SUGGESTED THESE MEASURES TO STRENGTHEN UNITED NATIONS POWER AND AUTHORITY:

1--MODIFY THE U.N. CHARTER TO PERMIT ORGANIZATION OF A LIMITED WORLD GOVERNMENT.

2--CONVERT THE GENERAL ASSEMBLY, WHICH NOW CAN ONLY MAKE RECOMMENDATIONS TO MEMBER STATES, INTO A GENUINE PARLIAMENTARY BODY WITH LEGISLATIVE POWERS SUFFICIENT TO PREVENT WAR.

"SUCH POWERS," HE EXPLAINED, "WOULD INCLUDE THE POWER TO PROHIBIT ALL WEAPONS OF MASS DESTRUCTION, MAINTAIN AN ADEQUATE INTERNATIONAL POLICE FORCE, TO APPLY NECESSARY SANCTIONS AND TO ESTABLISH WORLD TRIBUNALS.

"UNDER SUCH A SCHEME, THE SECURITY COUNCIL WOULD BECOME THE EXECUTIVE AGENT OF THE GENERAL ASSEMBLY AND IN THAT CAPACITY WOULD BE FREED OF THE VETO WHICH HERETOFORE HAS RENDERED IT COMPLETELY HELPLESS IN MOMENTS OF CRISIS."

-(200)-NIGHT LEAD MARSHALL - CHINA

WASHINGTON, MARCH 10-(AP)-SECRETARY OF STATE MARSHALL SAID TODAY HE STILL FAVORS TAKING COMMUNISTS INTO CHINA'S GOVERNMENT--EVEN WHILE OPPOSING THE SPREAD OF COMMUNISM IN EUROPE.

BROADENING THE POLITICAL BASE OF THE CHINESE REGIME, WHICH HE TRIED TO ARRANGE AS PRESIDENT TRUMAN'S SPECIAL ENVOY, IS STILL WHAT HE WOULD LIKE TO SEE, MARSHALL TOLD A NEWS CONFERENCE.

THE PROBLEM HAS CHANGED IN TWO YEARS, MARSHALL ADDED, BECAUSE THE COMMUNISTS NOW ARE IN OPEN REBELLION AGAINST CHIANG KAI-SHEK'S GOVERNMENT.

HOW THAT PROBLEM IS TO BE SOLVED IS FOR THE CHINESE GOVERNMENT TO DECIDE AND NOT FOR THE UNITED STATES TO DICTATE, HE SAID.

MARSHALL'S STATEMENT CAME AFTER A REPORTER MENTIONED CRITICISM VOICED IN CONGRESS THAT AMERICAN POLICY TOWARD COMMUNISTS IN EUROPE AND IN CHINA APPEARED TO DIFFER.

MILITARY AID TO CHINA HAS BEEN URGED BY MANY WITNESSES BEFORE THE HOUSE FOREIGN AFFAIRS COMMITTEE, INCLUDING MAJ.GEN.CLAIRE CHENNAULT TODAY.

THIS DEADLINE, IF MET, WOULD THROW THE WEIGHT OF THE EUROPEAN RECOVERY PROGRAM INTO THE SCALES AGAINST COMMUNISM JUST EIGHT DAYS AHEAD OF THE CRUCIAL ITALIAN ELECTIONS.

THE TARGET DATE WAS ANNOUNCED BY CHAIRMAN EATON (R-NJ) OF THE HOUSE FOREIGN AFFAIRS COMMITTEE AFTER A TALK WITH SPEAKER MARTIN (R-MASS) AND PARTY LEADER HALLECK (R-IND).

EATON'S COMMITTEE WAS DUE TO CLOSE ITS PUBLIC HEARINGS TODAY WITH TESTIMONY FROM MAJ.GEN.CLAIRE CHENNAULT (10 A.M.) ON THE ADMINISTRATION'S PROPOSAL TO EXTEND $570,000,000 (M) IN AID TO CHINA.

EATON SAID THE COMMITTEE WILL START WRITING ITS FOREIGN AID BILL THURSDAY.

IN VIEW OF THE NEWLY SET DEADLINE IT APPEARED LIKELY THE COMMITTEE WILL CONCENTRATE FIRST ON THE MARSHALL PLAN DISPITE A PREVIOUS DECISION TO "PACKAGE" ALL FOREIGN AID--EUROPE, CHINA, GREECE AND

TURKEY--INTO A SINGLE BILL.

THIS HAS ENCOUNTERED STRONG OPPOSITION, INCLUDING THAT OF CHAIRMAN VANDENBERG (R-MICH) OF THE SENATE FOREIGN RELATIONS COMMITTEE.

ON THAT SIDE OF THE CAPITOL, SENATOR WHERRY (NEB), ACTING MAJORITY FLOOR LEADER, ANNOUNCED HE WILL CALL NIGHT SESSIONS STARTING TOMORROW, IF THE SENATE APPROVES.

THE BIG ISSUE TO BE DECIDED THERE IS WHETHER TO GO ALONG WITH THE $5,300,000,000 (B) BILL AS WRITTEN OR TRIM THE AMOUNT TO AROUND $4,000,000,000.

SENATOR TAFT (R-OHIO), WHO FAVORS SUCH A CUT, TOLD A REPORTER HE DOES NOT EXPECT A FINAL VOTE BEFORE TUESDAY.

THE CRY FOR FAST ACTION SOUNDED AT THE HOUSE LEADERS' HUDDLE WAS ECHOED YESTERDAY ON THE SENATE FLOOR.

SENATOR LUCAS (D-ILL.) TOLD HIS COLLEAGUES THAT WHILE THE SENATE IS DEBATING "STALIN IS MOVING WITH SPEED."

SENATOR FLANDERS (R-VT) CHIMED IN WITH A PLEA FOR "SHORT SPEECHES," SAYING:

WASHINGTON, MARCH 10-(AP)-SECRETARY OF THE ARMY ROYALL IS GETTING LETTERS FROM COMPLAINING GERMANS.

THEY DON'T LIKE THE WAY THE UNITED STATES RUNS THE FOOD PROGRAM OVER THERE. SO THEY ARE TAKING PEN IN HAND AND SENDING THEIR VIEWS TO "MISTER KENNETH C.ROYALL, MINISTER OF WAR OF U.S.A., WASHINGTON," OR TO THE SECRETARY, "CARE OF UNITED STATES CONGRESS."

TWO RECENT LETTERS APPARENTLY ARE BASED ON A GERMAN UNDERSTANDING, OR MISUNDERSTANDING, OF TESTIMONY BY ROYALL BEFORE THE HOUSE APPROPRIATIONS COMMITTEE IN JANUARY. IN TALKING ABOUT MONEY NEEDS FOR FOOD IN GERMANY ROYALL SAID THAT "INADEQUATE FOOD MAKES WORKERS LESS EFFICIENT."

BUT A WOMAN WRITING FROM DUSSELDORF-OBERKASSEL SAID REPORTS PUBLISHED IN THE NEWSPAPERS THERE WERE "TO THE EFFECT 'THOSE WHO DO NOT WORK SHALL NOT EAT.'" THIS STATEMENT, THE LETTER SAID "PRODUCED HIGHEST INDIGNATION AMONG THE HALF-STARVED POPULATION HERE." AND IT ADDED:

"I INVITE YOU TO SPEND ONE DISTRIBUTION PERIOD (FOUR WEEKS) HERE IN GERMANY IN THE CAPACITY OF A 'NORMAL CONSUMER.' BY THAT TIME YOU WOULD PROBABLY REACH THE CONCLUSION 'THOSE WHO DON'T EAT CAN'T WORK.'"

ANOTHER LETTER FROM A MAN IN UBER GROSS-UMSTADT, PROVINCE OF HESSE, MENTIONED A DISPATCH IN THE NEWSPAPER DARMSTADTER ECHO WHICH, THE WRITER SAID, LEFT HIM "ASTONISHED THAT YOU ARE TO LITTLE INFORMED OVER THE REAL SITUATION HERE."

"IF YOU, MR. KENNETH ROYALL," THE MAN WROTE, "COULD GIVE US THE SECURITY OF ONLY A MODEST LIVING, WE WOULD RECEIVE YOU WITH OPEN ARMS AND YOU WOULD BE ASTONISHED WHAT A LARGE NUMBER OF PEOPLE WOULD COME TO YOU TO WORK FOR YOU AND THIS ALL WITHOUT BAYONETS."

WASHINGTON,MARCH 10-(AP)-UNITED STATES MILITARY COMMANDERS GOT THIS ORDER TODAY: AGREE ON THE DIVISION OF DUTIES BETWEEN THE ARMY, NAVY AND AIR FORCE IN THE EVENT OF WAR.

SECRETARY OF DEFENSE FORRESTAL GAVE THE ORDER. HE TOLD A NEWS CONFERENCE "I'M GOING TO SPEND THE WEEK-END" THRESHING OUT THE QUESTION WITH THE JOINT CHIEFS OF STAFF.

THOSE LAND, AIR AND SEA CHIEFTAINS ARE:

GEN.OMAR BRADLEY, ARMY CHIEF OF STAFF.

GEN.CARL SPAATZ, AIR FORCE CHIEF OF STAFF.

ADM. LOUIS E.DENFELD, CHIEF OF NAVAL OPERATIONS.

FLEET ADM.WILLIAM D.LEAHY, CHIEF OF STAFF TO THE PRESIDENT.

THE MEETING WILL BE SOMEWHERE OUTSIDE WASHINGTON, TO PERMIT UNINTERRUPTED DISCUSSIONS. AND THE CIVILIAN SECRETARIES OF THE THREE SERVICES PROBABLY WON'T BE INVITED.

WHAT FORRESTAL WANTS DECIDED NOW IS WHICH SERVICE WILL DO WHAT IN A WAR.

HE IS UNDER PRESSURE BY CONGRESS TO COME UP WITH A GENERAL STRATEGIC PLAN WHICH WOULD ASSIGN TO EACH OF THE THREE SERVICES THEIR PART IN A WAR. INVOLVED ARE SUCH OLD ARGUMENTS AS THOSE BETWEEN THE AIR FORCE AND THE NAVY OVER BOMBING OPERATIONS.

FORRESTAL TOLD NEWSMEN HE WANTS THE JOINT CHIEFS TO SUBMIT A LIST OF THE POINTS IN WHICH THEY ARE IN DISAGREEMENT AND THEN "COME TO AN ACCOMMODATION OF VIEWS."

AND IF THEY DON'T?

"I'LL HAVE TO MAKE MY OWN DECISIONS," HE SAID.

ARGUMENTS AMONG THE JOINT CHIEFS OF STAFFS ARE AS OLD AS THE AGENCY, CREATED EARLY IN 1942.

DURING THE WAR THE WRANGLING ASSUMED SERIOUS PROPORTIONS AND REPORTEDLY CAUSED STALEMATES LASTING FOR MONTHS.

THROUGHOUT THE WAR, THE COMMANDERS OF THE ARMY, NAVY AND AIR FORCE ARGUED OVER THE ALLOCATION OF MANPOWER AND MATERIALS. AT ONE TIME, THE ARMY WAS SAID TO HAVE CHARGED THAT THE NAVY WAS DELAYING THE INVASION OF EUROPE BY INSISTING ON USING LARGE QUANTITIES OF STEEL TO BUILD COMBAT SHIPS INSTEAD OF LANDING CRAFT.

REP.NIXON (R-CALIF), CHAIRMAN OF A SUBCOMMITTEE WHICH IS QUESTIONING PROSPECTIVE WITNESSES PRIVATELY, SAID THE TIMING HINGES PARTLY ON WHEN A FEDERAL GRAND JURY IN NEW YORK COMPLETES ITS INVESTIGATION OF SPY ACTIVITIES.

"ON MANY PHASES OF THE CONDON CASE, THE COMMITTEE COULD GO AHEAD WITHOUT WAITING FOR THE GRAND JURY," NIXON TOLD REPORTERS.

"BUT THERE ARE PARALLEL INTERESTS INVOLVED.

"IT SIMPLY WOULD BE PREJUDICIAL TO EVERYONE, INCLUDING DR. CONDON, TO HAVE FACTS BROUGHT OUT IN PUBLIC HERE WHILE THEY ARE ALSO BEING CONSIDERED BY A GRAND JURY IN SECRET."

CONDON, HEAD OF THE GOVERNMENT'S BUREAU OF STANDARDS, WAS ACCUSED BY THE COMMITTEE LAST WEEK OF HAVING ASSOCIATED "KNOWINGLY OR UNKNOWINGLY" WITH A SUSPECTED RUSSIAN SPY. HE HAS BEEN CLEARED BY THE COMMERCE DEPARTMENT'S LOYALTY BOARD.

NIXON'S SUBCOMMITTEE SPENT ALMOST FOUR HOURS BEHIND CLOSED DOORS YESTERDAY QUIZZING ADRIAN FISHER, FORMER CHAIRMAN OF THE LOYALTY BOARD; OLIVER SHORT, A BOARD MEMBER, AND JOHN L.TOWNE, BOARD SECRETARY.

ROBERT L.STRIPLING, CHIEF COMMITTEE INVESTIGATOR, ANNOUNCED LATE IN THE DAY THAT THERE WOULD BE NO COMMENT FROM COMMITTEE MEMBERS UNTIL THE TESTIMONY OF FOUR OTHER COMMERCE DEPARTMENT WITNESSES IS FINISHED.

THOSE SUMMONED TO APPEAR TODAY ARE UNDERSECRETARY WILLIAM C. FOSTER, SOLICITOR ISAAC P.STOKES, THOMAS SCANLON, A DEPARTMENT INVESTIGATOR, AND WALTER R. SWANK, A SHORTHAND REPORTER.

NEW YORK, MARCH 10-(AP)-THE U.S.CIRCUIT COURT OF APPEALS TODAY HEARD ARGUMENTS BY COUNSEL FOR FIVE ALLEGED ALIEN COMMUNISTS APPEALING THEIR DETENTION WITHOUT BAIL WHILE AWAITING DEPORTATION PROCEEDINGS.

FOUR OF THE MEN ARE FREE IN $3,500 BAIL EACH, PENDING THE COURT'S DECISION AND THE FIFTH, IRVING POTASH, CIO FURRIER'S UNION OFFICIAL, IS OUT IN $5,000 BAIL.

THE FOUR ARE GERHART EISLER, TERMED NUMBER ONE COMMUNIST IN THIS COUNTRY BY A CONGRESSIONAL COMMITTEE; FERDINAND C.SMITH, WEST INDIAN NEGRO WHO IS SECRETARY OF THE CIO NATIONAL MARITIME UNION; JOHN WILLIAMSON, LABOR SECRETARY OF THE COMMUNIST PARTY, AND CHARLES DOYLE, OFFICIAL OF THE CIO UNITED GAS, COKE AND CHEMICAL WORKERS.

LEE PRESSMAN, FORMER CIO GENERAL COUNSEL, REPRESENTED POTASH. IN A LENGTHY REVIEW OF THE HISTORY OF ADMINISTRATIVE PRACTICES IN THE TREATMENT OF ALIENS, PRESSMAN SAID THAT THE CASES OF THE FIVE WERE THE ONLY ONES IN WHICH THE GOVERNMENT DENIED THE DEFENDANTS THEIR LIBERTY WHILE AWAITING DEPORTATION PROCEEDINGS.

MAR 1948

PRESSMAN ADMITTED THAT THE GOVERNMENT HAS A RIGHT TO KEEP A MAN IN CUSTODY "A RESONABLE TIME" BUT ADDED THAT WHEN THE TIME BECOMES IN HIS OPINION "UNREASONABLE," THE MAN HAS THE RIGHT TO ASK IN COURT, "HOW LONG?"

HE CITED THE HARRY BRIDGES DEPORTATION PROCEEDING WHICH TOOK SEVEN YEARS TO REACH THE SUPREME COURT.

COUNSEL FOR THE OTHER MEN CHARGED THE GOVERNMENT WITH "INTIMIDATING" ALIENS, "PERSECUTION," AND "SINISTER MOTIVES" IN DENYING THE MEN BAIL.

EISLER YESTERDAY SAID HIS APARTMENT IN WOODSIDE, QUEENS, HAS BEEN MADE A "KIND OF FORTIFICATION" AGAINST A "SEMI-FASCIST ATMOSPHERE."

WASHINGTON,MARCH 10-(AP)-THE COMMANDING GENERAL OF THE CIVIL AIR PATROL DISCLAIMED TODAY ANY INTENTION TO PUT MILITARY SPIES IN INDUSTRIAL PLANTS DURING PEACETIME TO REPORT ALLEGED DISLOYAL PERSONS.

A STATEMENT BY BRIG.GEN.LUCAS V.BEAU, COMMANDER OF THE VOLUNTEER ORGANIZATION, WAS PROMPTED BY AN ANNOUNCEMENT ON JANUARY 13 OF COL. PHILLIP F.NEUWEILER, CAP COMMANDER FOR PENNSYLVANIA. NEUWEILER OUTLINED PLAN WHICH HE SAID WAS BEING PUT INTO OPERATION IN HIS ORGANIZATION TO INCLUDE, AMONG OTHER THINGS, INSTRUCTIONS IN INTELLIGENCE. OF THIS, HE SAID:

"WE ARE ASKING THE INDUSTRIALISTS AND BUSINESSMEN OF PENNSYLVANIA FOR THREE THINGS: FIRST, THAT THEY ENLIST AT LEAST ONE MEMBER OF THEIR FIRM IN CAP AND HAVE THEM TAKE THIS COURSE; SECOND, REPORT VIA THIS ENLISTEE, ALL PERSONS IN THEIR ORGANIZATION KNOWN TO HAVE COMMUNISTIC OR SUBVERSIVE TENDENCIES; THIRD, LEND ANY FINANCIAL SUPPORT THEY ARE ABLE, SO THAT CAP CAN CARRY OUT THIS PROGRAM."

GEN.BEAU SAID IN HIS STATEMENT, WHICH WAS ISSUED IN RESPONSE TO A REPORTER'S INQUIRY, THAT CAP HEADQUARTERS AT WASHINGTON "HOPES TO OFFER NUMEROUS SHORT COURSES IN A WIDE VARIETY OF FIELDS TO CAP MEMBERS WHO VOLUNTEER." THESE WOULD INCLUDE PERSONNEL MANAGEMENT, COMMUNICATIONS, AIRCRAFT MAINTENANCE AND "INTELLIGENCE," HE SAID. THEN HE ADDED:

"THE TRAINING PROGRAM, IF IT GOES THROUGH, WILL BE DESIGNED FOR UTILIZATION IN THE EVENT OF A NATIONAL EMERGENCY WHEN THE CAP AGAIN WOULD BE CALLED ON AS THEY WERE IN THE PAST WAR. THERE IS NO INTENTION OF MAKING ACTIVE USE OF ANY PERSONS WHO MAY BE TRAINED IN THE TWO-WEEK INTELLIGENCE COURSE UNLESS A NATIONAL EMERGENCY ARISES.

"NEITHER IS IT THE CAP'S PLAN TO GIVE INTELLIGENCE TRAINING TO CAP VOLUNTEERS FOR UTILIZATION IN INDUSTRIAL PLANTS AS DETECTORS OF SUBVERSIVE ACTIVITY."

A REPORTER FIRST ASKED THE OFFICE OF DEFENSE SECRETARY FORRESTAL FOR COMMENT ON NEUWEILER'S ANNOUNCEMENT. FORRESTAL'S AIDES SAID THAT BECAUSE HE KNEW NOTHING OF THE PLAN OR THE PENNSYLVANIA CAP'S ANNOUNCEMENT, HE REFERRED THE QUESTION TO THE UNITED STATES AIR FORCE AND CAP HEADQUARTERS. THE AIR FORCE THEN CONFERRED WITH BEAU AND THE GENERAL'S STATEMENT WAS ISSUED.

THE CIVIL AIR PATROL, ORGANIZED DURING THE WAR, CONDUCTED FLIGHTS OVER THE INTERIOR AND ALONG THE COAST AS AN AUXILIARY TO THE REGULAR AIR FORCE. WHILE ITS PEACETIME OPERATIONS ARE GEARED TO THOSE OF THE USAF, IT IS NOT AT PRESENT AN ELEMENT OF THE AIR FORCE BUT A VOLUNTEER UNIT.

MAR 1948

THE AIR FORCE, AS DOES THE ARMY AND NAVY, MAINTAINS AN INTELLIGENCE ORGANIZATION. INCLUDED IN THE WORK OF THOSE ORGANIZATIONS IS SO-CALLED "COUNTER INTELLIGENCE" ACTIVITIES, THE BUSINESS OF UNCOVERING AND FOILING ANY ESPIONAGE EFFORTS BY FOREIGN POWERS. IN WAR TIME, "PLANT SECURITY" (THE GUARDING OF INDUSTRIAL PLANTS AGAINST SABOTAGE OR THE LEAKING OF SECRET INFORMATION TO THE ENEMY) IS A CONCERN OF THE MILITARY INTELLIGENCE ORGANIZATIONS.

INQUIRY IN WASHINGTON DISCLOSED THAT COL.NEUWEILER WAS VISITED SHORTLY AFTER THE JANUARY ANNOUNCEMENT BY FBI AGENTS WHO TOLD HIM HIS SUGGESTION WAS IN VIOLATION OF A PRESIDENTIAL DIRECTIVE OF SEPTEMBER, 1939. THAT DIRECTIVE, ISSUED BY THE LATE PRESIDENT ROOSEVELT, PLACED THE HANDLING OF "ALL INTERNAL SECURITY MATTERS" IN THE HANDS OF THE FBI

THE FBI SAYS THAT IF ANY CITIZEN BELIEVES HE HAS EVIDENCE OF ESPIONAGE OR SUBVERSIVE ACTIVITY, HE SHOULD REPORT IT PROMPTLY TO THE BUREAU. THE BUREAU HAS REPEATEDLY ADVISED AGAINST PRIVATE INDIVIDUALS ATTEMPTING TO CONDUCT SUCH INVESTIGATIONS.

IN RESPONSE TO A SERIES OF INQUIRIES CONCERNING THE ATTITUDE OF FBI DIRECTOR J.EDGAR HOOVER TOWARD CAP ACTIVITIES AND SUCH WORK AS NEUWEILER OUTLINED, THE BUREAU MADE THIS OFFICIAL STATEMENT:

"MR.HOOVER'S POSITION IS THE SAME NOW AS IT WAS EARLY IN THE LAST EMERGENCY. IT HAS NOT CHANGED ONE IOTA.

"HE HAS FELT THAT THE HANDLING OF INTERNAL SECURITY MATTERS SHOULD BE BY CAREFULLY SELECTED AND TRAINED LAW-ENFORCEMENT OFFICERS TO WHOM THAT JOB WAS GIVEN BY PRESIDENTIAL DIRECTIVE.

"HE FEELS THERE IS NO ROOM IN THE UNITED STATES FOR VIGILANTE COMMITTEES, MOB SPIRIT OR HYSTERIA. AS FAR AS THE FBI RECORD OF CAPABILITY FOR HANDLING THE SITUATION IS CONCERNED, THE RECORD SPEAKS FOR ITSELF.

"WE HAD NO FOREIGN-DIRECTED SABOTAGE DURING THE LAST WAR. ESPIONAGE HAS BEEN KEPT UNDER CONTROL AND THERE HAS BEEN NO FIFTH COLUMN ACTIVITY.

"IT IS RECALLED THAT ON DEC.7,1941, AS A RESULT OF COORDINATED INVESTIGATIONS ACROSS THE COUNTRY RELATING TO SECURITY, THE FBI THAT VERY DAY WAS ABLE TO BEGIN THE IMMEDIATE ARREST OF THE MOST DANGEROUS KNOWN ENEMIES OF THE COUNTRY."

(ADVANCE)...NEW YORK, MARCH 10-(AP)-THE GRAY MARKET IN STEEL IS ABOUT TO COLLAPSE, THE IRON AGE, METALWORKING TRADE WEEKLY, SAID TODAY.

"ONE MORE HEAVY PUNCH WILL KNOCK IT OUT," THE PUBLICATION SAID. "HIGH PREMIUM PRICES OBTAINED NO MORE THAN A WEEK AGO ARE FINDING FEW IF ANY TAKERS THIS WEEK."

NORMAL STEEL MARKET DEMAND CONTINUED AT AN ALL-TIME HIGH DESPITE THE GRAY MARKET CRACK-UP, REPORTED THE IRON AGE, ADDING "IT IS DOUBTFUL IF STEEL COMPANIES WILL SEE ANY EFFECT ON THEIR FLOW OF ORDERS OR PRODUCTION FOR MANY MONTHS TO COME, IF THEN."

THE TRADE PAPER SAID THESE FACTORS WERE BEHIND THE COLLAPSE OF THE PREMIUM STEEL MARKET:

(1) NERVOUSNESS OVER CONSUMER AND LIGHT PRODUCT DEMAND ON THE PART OF THE PUBLIC,

(2) ABILITY OF MANY FABRICATORS TO REDUCE QUICKLY THEIR UNFILLED ORDERS BY TURNING THEM INTO FINISHED PRODUCTS MADE FROM STEEL,

(3) THE DESIRE TO GET THE FULL BENEFIT OF WEAKNESS APPEARING IN GRAY MARKET PRICES, AND

(4) SETTING UP OF PRODUCTION SCHEDULES ON THE BASIS OF REGULAR STEEL MILL AND WAREHOUSE SHIPMENTS.

MAR 1948

ALONG WITH THE FALLING GRAY MARKET IS A DRYING UP OF CONVERSION DEALS, UNDER WHICH INGOTS PURCHASED OUTSIDE USUAL CHANNELS ARE PROCESSED INTO FLAT-ROLLED MATERIAL, THE IRON AGE REPORTED.

WHILE CONVERSION OPERATIONS THROUGH THE SECOND QUARTER ARE STILL HELD INTACT, IT SAID, "BEYOND THAT DATE THERE IS A WALL OF SILENCE WHICH IS CAUSING FIRST CLASS JITTERS FOR INGOT MAKERS WHO HAVE SUPPLIED THE RAW MATERIAL."

CHIEF RESISTANCE IN THIS CONNECTION WAS CREDITED TO AUTOMOTIVE COMPANIES. "ONE OF THE LARGE AUTOMOTIVE COMPANIES," THE PUBLICATION SAID, "HAS EVEN BROKEN UP ITS CONVERSION PLANS FOR THE SECOND QUARTER AND SPEWED ITS UNCONVERTED MATERIAL INTO THE OPEN MARKET FOR SALE -- WITH FEW TAKERS."

WITH STEEL FABRICATORS BACKING WATER ON GRAY MARKET DEALS, IT CONTINUED "EVEN SPOT BUSINESS IS BEING POSTPONED THIS WEEK IN MANY CASES."

STEEL OPERATIONS THIS WEEK WERE PLACED AT 96 PER CENT OF RATED CAPACITY. THE IRON AGE SCRAP COMPOSITE DIPPED 25 CENTS TO $39.75 A GROSS TON, A NEW 1948 LOW.

Red Regime in Prague Given Unanimous Vote by Parliament

All 233 Deputies Present Out of 300 Back Communists—Gottwald to Speak at State Funeral for Masaryk.

Prague, March 11 (AP)—Czechoslovakia's Communist Government got a unanimous vote of confidence in Parliament today as it prepared a state funeral for Foreign Minister Jan Masaryk.

Thus, in two weeks and two days after the seizure of power, Communist Premier Klement Gottwald has tied up parliamentary approval for the program for which he had battled since last summer.

When Chairman Josef David called for the confidence vote, all the 233 deputies who were present raised their hands. The Parliament has a normal membership of 300.

Control To Be Legalized

Ahead of the deputies is the adoption of legislation to legalize activities of the action committees which Gottwald set up as the Czech crisis developed. The committees took control of the Government for him and quickly began to guide every phase of public and private life.

Now Gottwald has a Parliament rid of the deputies he did not like. President Eduard Benes still is in office, although resting at his country home. The national coalition of parties is maintained in name, with the addition of trades-union representatives, and it showed today how it will vote. Gottwald's "poplar people's democracy" is functioning in full swing along the lines of others in Communist Europe.

Communist speakers orated today in favor of the Communist national-action program for nationalization of industries and businesses employing more than 50 persons, for restricting land holdings and for providing lower taxes for workers, peasants and small shopkeepers.

Funeral On Saturday

The speakers included Rudolf Slansky, secretary general of the Czech Communist party; Stefan Bastovansky, secretary general of the Slovak Communist party, and Lieut. Col. Milan Polak, new head of the People's Unity party of Slovakia, formerly the Slovak Democratic party.

Jan Masaryk's state funeral will be Saturday. He will be buried beside his father, founder and first President of the Czechoslovak Republic.

Services In Pantheon

The 61-year-old nonparty Foreign Minister was found dead yesterday, two weeks after the new Cabinet came to power, in a stone courtyard more than 50 feet below his bathroom window at the Foreign Office. The Government said he jumped.

Services will be held in the pantheon of the Prague Museum in the capital's Central Square. Gottwald will speak. Burial will be in the family plot at Lany, beside the grave of Thomas G. Masaryk, who was President from 1918 to 1935 and died in 1937. Vlado Clementis, Communist Under Secretary of State for Foreign Affairs, will speak there.

Love Matched By Sorrow

Czechoslovakia mourned the Minister today in shocked melancholy. Half-staffed tricolors and black banners did not begin to tell the story of the loss felt by the nation's "little people."

Czechoslovaks are a hard-headed, soft-hearted people, unashamed of sentimentality. The love they lavished on their world-famous son in his lifetime was matched at his death by their sorrowing. The tone of melancholy was set by radio broadcasts, with continuous reference to his death and with the somber melodies of Czech funeral music.

To thousands the loss was personal, because Masaryk numbered his personal friends in the thousands. And to millions the country's loss was real, because they shared with him the tradition of the Masaryk family name and the big part it played in the birth and building of the republic of the Czechs and Slovaks during and after the first World War.

They knew the young Jan, who stood up in the councils of the world and talked with the mighty. And they knew he came back to enjoy picnics in the country, to swim at public barges in the Vltava River here, to chat and joke with shopkeepers, waiters and workmen in a familiar way his father, the old professor, never had.

"I am glad to be home," he said in his last news conference, upon his return from the 1947 United Nations Assembly meeting in New York. "I am glad to be back with my little people."

During and after the political crisis that saw Czechoslovakia go under Communist control, he denied himself to western newsmen.

Would Not See Press

They got no farther than his secretaries, who said Masaryk would not see them. He was being quoted by Polish journalists and other correspondents from eastern Europe in interviews, and no explanation was given.

What politics, what policies lay behind his moves and his statements while he remained a nonparty member of the Communist-controlled Government may never be known.

What went on in his mind through a sleepless night in his apartment in the Foreign Ministry's Czernin Palace was a compelling mystery in the personal life of Masaryk and the political life of his country. (400)

ANTI-RED CZECH REPORTED SUICIDE

Admitted Plot Against Regime Before Ending Life, Prague Police Say.

PRAGUE, Czechoslovakia, March 11—(AP) District police at Moravskaostrava announced tonight that an official of a former anti-communist party had committed suicide in a jail cell.

The police said Josef Herot, local secretary of the National Socialist party, took his life after confessing he participated in a plot against the Government.

Party Purged After Coup

Following the communist coup in Czechoslovakia two weeks ago, the national socialist party was purged of many old members and changed its name to the Czech Socialist party. Police said Herot's confession involved high officials of the old party.

Herot died as black banners and tricolors flew at half staff throughout Czechoslovakia in memory of Jan Masaryk, the Foreign Minister, whose death plunge from his apartment window yesterday remained as big a mystery as ever.

Meanwhile, a smoothly functioning Parliament, with 67 of its members absent, gave Premier Klement Gottwald the go-ahead signal on his Communist program and proceeded quickly to reorganize the Assembly into a Communist-controlled body.

Unanimous Confidence Vote

The Parliament began by giving Gottwald a vote of confidence.

The unanimous vote was in effect approval of Gottwald's sweeping Communist program and signaled that his new "popular peoples democracy" was in full motion along the road of other Communist states in eastern Europe.

Police said Herot's death and confession gave the Communist Ministry of Justice the last necessary link they may have needed in prosecuting Prokob Drtina, former Minister of Justice; Peter Zenkl, former deputy minister; Vladimir Krajina, former secretary general, and other party officials.

An armed raid on the National Socialist party headquarters here was the first act of force by the Communist Ministry of Interior in the bloodless revolt that led to Gottwald's rise to complete power.

Military Aim Charged

In that raid, Vaclac Nosek, Interior Minister, said at the time, documentary evidence was discovered that the National Socialists had organized the country into military districts and were preparing to take over the nation by force.

Drtina later was found injured near his home in what police said was an attempted suicide. Drtina himself has made only one cryptic statement about it, a statement interpreted as a denial he had tried to end his life.

Krajina has been arrested several times but released on his plea of parliamentary immunity.

Say Deputies Were Named

District police in eastern Moravia said Herot confessed before he killed himself that he had engaged in a party putsch plot along with Krajina and other party deputies.

Thus his death, officially described as a suicide, left him no chance to refute the police assertion.

Krajina, Zenkl and other party leaders now in disgrace because of their anti-Communist attitude before the upheaval, were not in their seats in Parliament today when every hand shot up in unanimous approval of Gottwald's program for nationalization, land reforms and lower taxes.

Other Deputies Absent

Other veteran deputies, many of them old-time resistance workers and concentration-camp prisoners who were absent, included:

Josef Duchacek, Catholic People's party leader and former chairman of the committee on foreign affairs; Vaclac Majer, former food minister, and Vojta Benes, the President's brother, both right-wing Social Democrats; former Deputy Premier Jan Ursiny, and Josef Hodza, son of the one-time premier, both Slovak Democrats, a party now purged out of existence.

The deputies showed they knew how to vote. After two organizers of the Cominform, Communists Rudolf Slansky and Stefan Bastovansky, had spoken, Chairman Josef David called for the vote for the Government.

Every Hand Raised

Every hand was raised.

He called for opposing votes.

Not a hand was raised.

He called for a show of hands of those abstaining.

Not a hand.

Tomorrow, the program calls for speedy adoption of legislation legalizing the activities of the action committees which paved the way for Gottwald's rise to power by purging parties, Government departments, industries and every phase of Czechoslovak life.

In twenty days since the crisis broke, Gottwald thus demonstrated he had a parliament ready to do his bidding. He had a government of his own choice. The one important nonparty man of the government, Masaryk, was dead.

Edouard Benes, a cofounder of the republic on the western model, was still president, but resting at his country home and apparently communicating with no one.

Masaryk will be laid to rest at a state funeral Saturday beside the grave of his father, Thomas G. Masaryk, first president of the republic.

Official Version

The government's official account was that Masaryk was ill, suffered from insomnia, became overwrought on reading reproachful messages from friends in England and America and finally threw himself out the window to his death.

By government account, this transition in Masaryk's mood was in the eight hours after ending a cheerful day by giving aids instructions for the work for the morrow.

Verses Are Quoted

No suicide note has been mentioned. The Communist paper *Pravo Lidu* said however he had hastily marked two passages in his Bible and left it on his bed as his "message to the world."

The passages were verses 22 and 23 of chapter V in the King James version of the Epistle of St. Paul to the Galicians:

"22. But the fruit of the spirit is love, joy, peace, long suffering, gentleness, goodness, faith.

"23. Meekness, temperance: against such there is no law."

The official account said he was found dead outside the window. A state physician said tonight an autopsy showed that Masaryk had died instantly when he struck the stone pavement in the courtyard. The doctor said his head was not injured.

His closest friends have expressed no doubt that Masaryk ended his own life, but they are puzzled by the reasons that could have impelled him to self-destruction. (400)

Czech Population Is 12,171,000

PRAGUE, (AP) — According to official statistics, Czechoslovakia's population on May 22, 1947, totalled 12,171,000.

In 1938 there were 14,612,000 people living on the present territory of Czechoslovakia which does not include the province of Ruthenia, now part of the Soviet Union.

Czechoslovakia has lost 2,441,000 inhabitants, mostly Germans, who were transferred to Germany.

EUROPE STIFFENS AGAINST COMMIES

LONDON, March 11—(AP) The death plunge of Czechoslovak Foreign Minister Jan Masaryk and other events in his country had their effect all over Europe today.

The Swiss National Assembly in Bern voted 187 to 7 for a resolution condemning Switzerland's communists and recommending that the government act vigilantly "for the protection of the state."

The resolution, supported by all parties except the communists said "the past weeks show with frightening clarity what dangers threaten a democratic state not determined to defend itself against attacks from within."

The noisy debate was set off by a congratulatory telegram sent to Czechoslovak Premier Klement Gottwald by the Swiss communist leader Leon Nicole.

Dutch Justice Minister J. M. Maarseveen said at the Hague the government would announce within two days the formation of a special police force "to combat extremist activities from whatever side they may come."

He said the government had been contemplating such a force for some time, but the decision may have been speeded up by events in Czechoslovakia. Informed sources said the Dutch intended to organize an emergency police force on a voluntary basis.

In Paris French Foreign Minister Georges Bidault in a speech to the National Assembly mentioned communist actions in recent months in Romania, Bulgaria, Hungary, Poland and Czechoslovakia. He declared they were "extremely similar" and had characteristics "that do not please us."

"Time presses to organize what remains of Europe," he said, and defended the western European defense pact nearing completion at Brussels among Britain, France, Belgium, and Netherlands and Luxembourg. His foreign policies were upheld by a vote of 419 to 183, with the communists voting in opposition.

Czech Officials Quit

Several more Czechoslovak officials resigned abroad. Jan Novotny, Social Democrat member of the Czech parliament, left his plane at Rome while enroute home from India and said he was resigning. He left his baggage aboard the plane. A communist minority has seized power in a coup long prepared, he said. He added he would try to form an organization to aid Czechs who escape from their country.

The Czechoslovak legation at the Vatican announced the resignation of its first secretary, wealthy Prince Frantisek Schwarzenberg, leader of Czech youth in the underground resistance to the Nazis during the war.

Schwarzenberg said his resignation meant he do not recognize the Gottwald government which has usurped power."

A close friend of Masaryk, he said he found Masaryk a "broken man" on a recent visit to Prague. "He could have committed suicide or he could have been killed," he commented.

Schwarzenberg's associates said his decision probably would cost him his fortune.

The Czechoslovak minister to Norway, Emile Walter, resigned his post, declaring "I do not find it possible to cooperate" with the Prague government. He said he still was a "loyal Czech."

Nicholas Viest, Czechoslovak trade representative attached to the London embassy announced his resignation.

The non-communist European press described Masaryk who died yesterday as a martyr to the philosophy of freedom and democracy.

The de Gaullist newspaper *Le Pays* declared in Paris: "We say to Gottwald and his Kremlin masters: You assassinated Jan Masaryk."

The German Socialist newspaper *Telegraf* in Berlin predicted Masaryk's death would result in resistance among Czechoslovaks against Communist leaders.

Copies of the French-licensed *Kurier* in Berlin, first there to print an Associated Press account of Masaryk's death, were confiscated in the Russian zone. The Soviet-licensed press withheld the story yesterday, but printed the official account from Prague today.

3 More Czech Diplomats Quit

London, March 11 (AP)—Three more Czechoslovak diplomats resigned their posts today amid repercussions of Jan Masaryk's death.

Prince Frantisek Schwarzenberg, hero of the Czech resistance against the Nazi, quit as first secretary of the Czech Legation at the Vatican.

"It is obvious my resignation means I do not recognize the Gottwald Government which has usurped power," he declared.

"A Broken Man"

Schwarzenberg said that, in his last visit to Prague, he talked with Foreign Minister Masaryk and found him "a broken man."

"I do not know," Schwarzenberg said. "He could have committed suicide—or he could have been killed."

Dr. Emil Walter resigned as Czechoslovak Minister to Norway. His note to the Prague Foreign Ministry from Oslo said:

"I ask the Foreign Ministry to accept my resignation because, under the circumstances, I do not find it possible to co-operate. As a loyal Czech I will always be at the disposal of my country."

Nicholas Viest, Czechoslovak trade representative attached to the London Embassy, announced his resignation, because of the policies of the Communist Government in Prague.

Report Of Fourth

[Meanwhile, a Reuter dispatch from Istanbul reported a fourth Czech aide had resigned.

[Reuter said that Kolowrat Krakowsky, Minister to Turkey, who left for London a few days ago to join his wife, sent this cable to Turkish newspapers from Athens: "You may announce my breach with the present Czech Government. My voluntary resignation was proffered on March 4."]

Hailed As Martyr

Europe's non-Communist press hailed Masaryk as a martyr in a fight of free men against oppression. The Communist press said the Czech leader was a victim of foreign slander.

Police in the Soviet zone of Germany yesterday confiscated all copies reaching the zone of the French-licensed German newspaper *Kurier*, which carried the Associated Press account of Masaryk's death.

"They killed him," said the Rightist newspaper *Le Pays* in Paris. "We whose voice cannot yet be choked, we say to Gottwald and to his Kremlin master: 'You assassinated Jan Masaryk.'"

"Victim Of Slander"

L'Humanite, French Communist newspaper, said Masaryk was a victim of "foreign reaction's slanders." It said: "He suffered deeply from the attitude of a certain number of his former friends during the recent events."

The *Times*, of London, said:

"There can be no compromise in principle between the philosophies of individual freedom and of dictatorship. Jan Masaryk has died a victim of this conflict."

Resistance Foreseen

In Berlin, the German Socialist newspaper *Telegraf* said Masaryk's death would result in increasing resistance among Czechoslovaks to their Communist Government.

In Brussels, Belgium, the independent newspaper *La Lanerne* said:

"We know why Masaryk died, but we do not know how he died."

Czech Refugees' Reception 'Cool'

Schwabach, Germany, March 11 (AP)—Anti-Communist Czechs who have fled to the United States zone of Germany said today they are disillusioned at the "cool reception" so far extended them by the American Military Government.

"We find ourselves 'guests' of the Germans—a people we fought for six years," said a young Czech student at a German-operated refugee camp here. "We must live on the charity of the Germans and eat their food. It is humiliating.

Expected Welcome

"As democrats, we came here only because the Americans were here. We thought they would welcome us. We would have gone elsewhere if we had known we were going to be left in German hands."

He said American officers are courteous and sympathetic as individuals.

"But they tell us," he added, "that they have no orders to do anything about us."

200 Czech Refugees

Another Czech, wearing part of the same British uniform he wore when he fought with the Allies, broke into the interview.

"It would be good for democracy throughout the world," he said, "if democratic nations would show that they are ready to protect and help those people who are working for democratic principles."

He and the student stood in the midst of a group of 200 other Czech refugees—men, women and children—in front of the shabby wooden barracks that have become their home—for how long they do not know. The group has assembled here since Czechoslovakia passed under Communist control some two weeks ago.

CZECH QUITS VATICAN POST

Five Officials in the Legation in Argentina Also Resign

ROME, March 11 (AP)—The Czechoslovak legation to the Holy See announced today the resignation of its First Secretary, Prince Frantisek Schwarzenberg.

Prince Schwarzenberg was a leader of Czechoslovak youth in the underground fight against the Nazis in World War II. He won decorations for his part in the battle to liberate Prague.

A legation spokesman said the Prince had decided to resign after the death of Jan Masaryk, "his intimate friend." Prince Schwarzenberg returned to Rome five days ago from Prague.

CZECH RENEWS U.N. DEMAND

Papanek Assails Secretary General For Action

Lake Success, N.Y., March 11 (AP). The defiant chief delegate from Czechoslovakia's deposed democratic regime reopened his fight today for United Nations action on his home country.

He started the battle yesterday soon after Jan Masaryk's death and quickly lost the first round.

Dr. Jan Papanek, Masaryk's friend and still recognized delegate here for the old Benes-Masaryk government, said he was not giving up yet.

Seeks Action In League

He suggested, however, that the United Nations seemed to be going the way of the defunct league of nations.

His first target was Trygve Lie, Secretary-General of the United Nations, who yesterday brushed aside Papanek's demand for United Nations Security Council investigation of the Communist coup in Czechoslovakia and Russia's part in it.

"This is a repetition of 1939 when President Benes demanded action in the League of Nations (against German pressure) and the League secretary-general killed the complaint," Papanek told reporters.

Papanek said he might channel his appeal for action to the United Nations Little Assembly. Czechoslovakia has boycotted this United Nations body along with Russia and her other satellites.

Reason Challenged

In disclosing the form of his new protest, Papanek said he specifically challenged the reasoning under which his demand for action was sidetracked by Lie. Lie classified Papanek's 1,100-word complaint as a "nongovernmental communication."

This had the effect of pigeonholing the document. Papanek said he still holds credentials from Prague that Lie had no authority to question the validity of his document of complaint against Russia.

Premier Klement Gottwald in Prague declined to comment on Papanek's move here. United Nations officials privately expected Prague to recall Papanek.

The Czechoslovak delegate said today, however, that he would not heed any notice that he had been fired unless it was signed by President Benes himself.

Czechs Can Seek Loan, Fund Director Asserts

Washington, March 11 (AP)—The new Communist-dominated Czechoslovakian Government has been declared eligible to apply for economic assistance from the $7,961,000,000 international monetary fund, Camille Gutt, managing director, said today. But he declined to predict what the fund's attitude would be toward any such request.

Gutt told a news conference that if the fund's fourteen-member board of directors approves, Czechoslovakia can withdraw one-fourth of its $125,000,000 quota.

Gutt said J. V. Mladek, who has represented Czechoslovakia since the fund began operations last March, continues to attend all meetings and has given no indication of a change in status since the Communists took over in Prague.

Wavell Admits He Misjudged Burma Threat

But He Doubts He Could Have Done More to Halt Japanese Early in 1942

LONDON, March 11 (AP).—Field Marshal Lord Wavell says he was "guilty of an error of judgment" in underrating the Japanese threat to Burma in the first days of the Far Eastern war. He expressed doubt, however, that he could have done much more than he did to help Burma, in any event.

His story of the five-month jungle campaign was made public tonight in his Burma dispatch, published in the official "London Gazette." He was commander of all Allied forces in that part of the world early in 1942.

Like recently published reports on the fall of Singapore and Hong Kong, his dispatch told of valiant —but hopeless—fighting by poorly-trained, poorly-equipped British and Chinese troops against crack Japanese jungle fighters backed by superior air support.

Lord Wavell, supreme commander from Jan. 15 to Feb. 23, disclosed that even a few days after the Japanese invaded Burma on Jan. 19 he did not think the threat serious, provided reinforcements came soon.

"I was certainly guilty of an error of judgment in minimizing the danger . . .," he said, "but it is doubtful whether, even if I had appreciated it thoroughly, I could have done much more to help Burma.

He laid the Allied defeat mainly to lack of promised reinforcements and the availability only of troops poorly trained in jungle warfare. He denied it was caused by his reluctance to accept Chinese troops when they first were offered. He said it was doubtful anything could have been done to save the vital Burma Road to China, in view of the general Allied unpreparedness in the Far East.

He paid tribute to the "dash and skill" of American P-40 pilots in the American Volunteer Group (the Flying Tigers) which repelled Japanese air raids until Rangoon fell.

Air Vice Marshal D. F. Stevenson told in a 15,000-word dispatch how the little band of American flyers and a few squadrons of the Royal Air Force destroyed 233 Japanese fighters and bombers in the air. Of that number 179 were claimed by the American Volunteer Group. The A. V. G. and the R. A. F. lost thirty-eight fighters.

Marshal Stevenson's report covered the period from January to May, 1942, when the British withdrew from Burma. For the ten days prior to the fall of Rangoon on March 6, the air vice marshal said, the numerically superior Japanese "would not face our fighter force."

British End Tax on U. S. Films

Hollywood and London Reach Accord to Run 4 Years—Ban Will Be Lifted.

London, March 11 (A. P.).—Great Britain and Hollywood ended a months-long feud over taxes today, opening the way for renewed British imports of American movies.

Eric Johnston, head of the Motion Picture Association, said the American film industry had approved an agreement announced today in the House of Commons. He hailed the settlement, removing the controversial 75 per cent tax on foreign films earnings, as "beneficial to both sides."

"It is not a British agreement nor a Johnston agreement," he commented, "but a democratic compromise. Once again there will be a free flow of films from the United States to Britain, and we have avoided the consequences of a hazardous precedent.

"We have reached what we consider a mutually attractive agreement. On Britain's side, the acute dollar shortage position has been overcome without danger of harming the British economy. It will save the maximum amount of dollars for the United Kingdom. From our side of it, it will help greatly to keep Hollywood a going and flourishing concern."

Harold Wilson, president of the Board of Trade (Minister of Commerce), told the House of Commons that the controversial 75 per cent duty on the earnings of imported film "will be withdrawn as quickly as the necessary order could be made," and that the normal export of American films to this country will "resume as soon as possible."

Pact Effective June 14.

The new agreement, effective June 14, will run four years, but be subject to review after two years. For the first two years the American producers may take home $17,000,000 of their earnings on American films shown here. In addition they may withdraw dollars equal to British film earnings in the United States.

The $17,000,000 limitation on withdrawals covers earnings from old films as well as those imported under the new agreement, Wilson said. Films imported before imposition of the 75 per cent tax escaped this special levy. They have been earning at the rate of $50,000,000 yearly since the ban was invoked seven months ago, Wilson said.

The agreement provides "permitted uses" for the profits which cannot be sent to the United States. Wilson did not specify these uses, but said they will be under joint control of the British Government and the American picture industry.

Russ Reject 3 New Austria Peace Plans

London, March 11 (AP)—Russia rejected today three compromise proposals on terms for an Austrian peace settlement.

The action tightened the deadlock among deputies of the Big Four Foreign Ministers in their seventy-fifth attempt to reach agreement.

Official observers quoted Samuel Reber, the United States deputy, as saying that the sincerity of each delegation in seeking a pact "can only be judged by the concessions it makes."

"And," he added, "in the course of the morning all the offers have come from the three western delegations."

A British official observer commented that "in the face of such stubborn stonewalling (stalling) only a general desire on the part of the western deputies could account for continuing the discussions."

French Call Up Men of 20

Assembly Passes Routine Bill for Army Service

PARIS, March 11 (AP).—The National Assembly passed a routine bill today authorizing the call up of men twenty years old for Army service. About 300,000 men are affected.

The French system provides that twenty-year-old men are called up each year for twelve months of training. The government has been reported planning to extend the period this year to eighteen months. Communists in the Assembly failed to get a definite statement from the government on this point today. The vote was by a show of hands.

Gustaf Safe in Paris After Death Rumor

Paris, March 11 (A. P.).—King Gustaf V of Sweden arrived in Paris by train late today on his way to the Riviera.

Rumors spread mysteriously in Sweden this morning that the 89-year-old monarch had died aboard the train, the Nord-Expresse from Brussels. He arrived smiling and giving every sign of being in good health, and motored to the Swedish embassy. He plans to leave for Nice tomorrow.

BIDAULT SOUNDS ANTI-RED WARNING

Paris, March 11 (A. P.).—French Foreign Minister Georges Bidault cited Communist actions in recent months in Romania, Bulgaria, Hungary, Poland and Czechoslovakia in a speech in the National Assembly today, and declared they were "extremely similar" and had characteristics "that do not please us."

"Time presses to organize what remains of Europe," he said, as he defended the western European defense pact nearing completion at Brussels among Britain, France, Belgium, the Netherlands and Luxembourg. His foreign policies were upheld by a vote of 419 to 183, with the Communists voting in opposition.

Union Best Defense, German People Told

Berlin, March 11 (AP)—The American Military Government told the German people in a broadcast tonight that a strong union of western European nations, including Germany, was the "best defense against both lasting hunger and the spread of Red fascism."

The broadcaster asserted that western Germany's hope for the future lay in its inclusion in the European Recovery Program. He added that western Germany, occupied by the United States and Britain, would "continue to get its full share of the available world food supply" even though American and British taxpayers would have to shoulder the costs.

The broadcast—entitled "Hunger Must Go"—said many Germans had made "dangerously wrong conclusions" that they were not getting a fair share of the world's food.

"This is partly because some do not have all the true facts and partly because forces hostile to the western powers have skillfully exploited the misery of hungry people by spreading falsehoods," the broadcast said.

5 Nations Draft Western Europe Defense Treaty

Brussels, March 11 (AP)—The delegates of France, Britain and the Benelux countries expect to put the finishing touches tomorrow to the completed draft of a pact binding them to united action for 50 years.

Except for the approval of two minor points and the formal signing, the dream of Ernest Bevin, British Foreign Secretary, and Paul-Henri Spaak, Belgian Premier, of a western European union balancing the eastern bloc is a reality.

The Luxembourg delegate, Pierre Elvinger, said he considered the treaty "completed for all practical purposes" and announced he was leaving for home tonight.

Exceed Original Plans

The pact's implications are stronger than the original plans of Britain and France, and broader and more inclusive than originally contemplated by Belgium, the Netherlands and Luxembourg, the Benelux countries.

Militarily, the pact binds its five members to mutual defense and mutual consultation if the peace of Europe is threatened.

Politically, it commits them unequivocally to western ideas of democracy.

Economically, it groups them into a great sphere of mutual profit and development, and includes the world's greatest colonial possessions.

Socially and culturally, it pledges them to improve the standards of living.

Open To Other Nations

It will be open to other nations whose applications are approved by the original members.

A British delegate said it "covers everything from the spiritual to the realistic."

The drafting committee completed the editing of the full text of ten articles and the preamble today and sent it to a plenary session of the conference for final approval. The conference approved the ten articles, but the Belgian delegate said the negotiators were awaiting instructions from their governments on two secondary points.

It was believed these involved suggestions by the Benelux countries which required approval from London and Paris.

"One More Meeting"

Leaving the session, Sir George Rendel, British Ambassador to Belgium, commented, "One more meeting tomorrow." All delegates came out of the session smiling.

A comprehensive communiqué at the end of the conference is expected tomorrow. The text will not be released until it is given a thorough checking in the five capitals, however.

Brussels Parley May End Task Tomorrow

Brussels, March 11 (AP)—A delegate said the drafting committee of the five-power conference had completed editing the full text of a Western European Union treaty today.

Great Britain, France, Belgium, the Netherlands and Luxembourg have been conferring for a week on a proposed political, economic and military union.

A plenary session of the conference was convened late today to consider the draft.

New Proposal Raised

Spokesmen said an official treaty text in French and English will be ready tonight or tomorrow morning. They said another meeting to polish it up may be necessary tomorrow, but the odds are against this.

One of the things left for decision today is a new, last-minute proposal of unspecified nature brought from Paris yesterday by Jean Chauvel, secretary general of the French Foreign Ministry.

Another is believed to be the detailed procedure for passing on applications for membership in the union.

Delegates were reported to have agreed last night that any one of the original treaty signatories will be allowed to blackball any new applicant.

OBSERVERS SEE REDS READY FOR AUSTRIAN DRIVE

VIENNA, March 11—(AP) Observers predicted tonight that Communists in Austria, a neighbor of Czechoslovakia, soon will begin an all-out drive against the coalition government of Chancellor Leopold Figl.

It was 10 years today that Austria was forcibly joined to Adolf Hitler's greater German Reich which the Nazis said would last for 1,000 years.

Government sources said a wave of Communist-inspired strikes is expected throughout Austria next week. According to the informants, the work stoppage might be brought about by groups similar to the action committees which helped the Communists gain control of the Czechoslovak government by purging the opposition.

May Use Food as Issue

The first step in the Communist campaign, it was suggested, would be an attempt to place the blame for the country's critical food situation on the shoulders of the Socialist food minister, Otto Sagmeister.

Apparently the Communists have given up their previous attempts to woo Socialist support in Austria, the informants said. Until recently the Communists used the right-wing People's party as their primary target but seldom attacked the Socialist outright.

The People's Party and the Socialists are the two major parties of the country. The Communists hold only four of the 165 seats in Parliament and have played a minor role in governmental affairs ever since the November, 1946 elections. The People's Party has 85 seats and the Socialists 76.

When the big parties shoved a currency devaluation bill through Parliament last December in spite of bitter Communist opposition, the Communists withdrew from the government.

Government quarters have received reports that Communist groups in Austrian factories, particularly in the Russian occupied zone, have been stirring up discontent the past few weeks.

Interior Minister Oskar Helmer has warned the Communists that groups such as Czechoslovakia's action committees are illegal and may be punished under Austrian law in certain circumstances.

The executive committee of the Austrian Trade Union Federation has told its members that anyone helping to establish action committees will be expelled from the federation.

Austrian-Czech Parley Is Off

VIENNA, March 11 (AP)—The Austrian Ministry of Trade announced today that negotiations for a trade agreement with Czechoslovakia, due to begin here March 17, have been postponed indefinitely.

Austria Expects Reds To Stage Strike Wave

Vienna, March 11 (AP)—Informed Government sources said today that a wave of Communist-inspired strikes is expected throughout Austria next week.

Informants said the Communists are expected to bring about work stoppages through groups similar to the "action committees" of Czechoslovakia.

[In Czechoslovakia, action committees were set up before and after the Communists gained control of the Government. They are composed of strong party members. They have been given the job of purging national life of opposition to the Communists.]

Groups Called Illegal

Minister of Interior Oskar Helmer already has publicly warned the Communists that such groups are illegal and may be punished under Austrian law in certain circumstances.

The executive committee of the Austrian Trade Union Federation has told its members that anyone helping to establish such action committees will be expelled from the federation.

In rejecting a Communist demand for a general 25 per cent wage increase, the committee instructed Austrian workers to strike only on orders from the Trade Union Federation.

2 Major Parties Closer

Chancellor Leopold Figl thanked the federation for "coolness in the present critical situation."

Renewed Communist activity in Austria appeared to many to be bringing the two major parties—the right-wing Peoples party and the Socialists—closer together.

A public demonstration at which leaders of the two parties are to pledge their mutual support in the fight against Communism is scheduled for next week.

Vatican Links Aide, Ex-Priest

Rome, March 11 (AP)—*L'Osservatore Romano*, Vatican newspaper, announced today that Msgr. Giulio Guidetti, former administrator of Holy See properties, was involved "in some of the financial operations of Edoardo Prettner," unfrocked priest now in the hands of Italian police.

The Vatican press office announced recently that Guidetti was under house arrest at the Vatican.

Alessandro Rossini, Italian industrialist whose interests extend to France, South America and the United States, has filed a complaint with Italian police against Guidetti.

Rossini wrote to Pope Pius XII January 29, listing consignments of some 400,000,000 lire (about $750,000) as made to the Vatican properties office. He said none of the promissory notes issued by Guidetti's office was honored. He said he asked the Pope for restitution.

Unless Guidetti is unfrocked, he cannot be arrested by Italian police because the Lateran treaty of Italy and the Vatican forbids it.

Prettner was unfrocked by the Vatican after being charged with misappropriating jewelry entrusted to him during the German occupation. He had been in the Vatican secretariat of state. Police also say Prettner's dealings in foreign exchanged totaled about 1,000,000,000 lire (about $1,750,000).

Commission Unaware

The Vatican newspaper said it was authorized to state that the Cardinalitial Commission for the administration of the Holy See properties, of which Guidetti was secretary, knew nothing of Guidetti's dealings.

The Vatican announced yesterday the appointment of Msgr. Sergio Guerri as administrator, succeeding Guidetti. *L'Osservatore* said Guidetti had resigned in a letter dated January 28—a day before Rossini sent his letter to the Pope.

His Other High Posts Cited

Vatican announcements did not say whether Guidetti has been relieved of his other high posts.

The other posts included consultor of the Congregation of Religious Orders, member of the Council of the Administration of the Congregation of Seminaries, and deputy camerlengo of the Ecclesiastical Hospice of the 100 priests (founded in 1855 for old or incapacitated Roman priests).

He also was consultor for the custody and administration of funds for religious works.

While he was listed as its secretary, Guidetti actually was the administrator of the properties office, with the commission of four cardinals serving only in advisory capacity.

SWISS SCORE COMMUNISTS

Assembly Calls Upon Government to Increase Vigilance

BERNE, Switzerland, March 11 (AP)—The National Assembly adopted today a resolution condemning this country's Communists and calling for increased Government vigilance against them.

All but the Communist Workers party supported the resolution, adopted 187 to 7.

The resolution was prompted by a recent telegram from Swiss Communist leader Leon Nicole to the Communist Premier of Czechoslovakia, Klement Gottwald, congratulating him on the Communist rise to power there.

"The past weeks show with frightening clarity what dangers threaten a democratic state not determined to defend itself against attacks from within," the resolution said.

Kidnapping Of Greek Children Is Reported

Salonika, Greece, March 11 (AP)—The United Nations Commission for the Balkans instructed observers throughout northern Greece today to investigate Greek charges that countries to the north are kidnaping Greek children.

Alexandros Dalietos, Greek liaison officer, told a plenary session of the commission increasing numbers of children are missing.

He said "bandits" listed all children aged 2 to 15 in Kranies, a village along the Yugoslav-Albanian-Greek border, and quoted witnesses as saying the villagers were told their children would be deported to Yugoslavia, Bulgaria, Romania and Albania.

He said the circumstances under which forced deportation is taking place are "appalling and barbarous."

The commission passed without discussion communications from Bulgaria and Albania charging border violations between October and late January. An announcement said the commission would await a reply to its letter concerning establishment of normal diplomatic relations with Greece.

12 DIE IN BLAST IN JERUSALEM

Jews Say Arab Masked Attack Behind Stolen U.S. Flag

Jerusalem, March 11 (AP)—An Arab who masked his attack behind a stolen American flag bombed the heavily-guarded Jewish Agency building today killing twelve persons and wounding nearly 100 others, an Agency spokesman said.

Three of the dead were women.

Driving an automobile stolen approximately an hour earlier from the United States consulate three blocks away, the attacker entered the agency compound, ignited the explosives and walked away.

Seconds later a terrific blast ripped into the walls of the two-story semicircular stone and concrete structure. Windows were shattered and ceilings blown down.

Used Stolen Car

[Robert B. MacAtee, United States consul general in Jerusalem, informed the State Department in Washington that an Arab driver at the consulate had taken the car to run a short errand an hour before the blast.

[The unidentified persons who drove the car into the agency compound was "in uniform with proper credentials," MacAtee said. He added that neither the consulate driver nor whoever was operating the car when it entered the agency compound had been located.]

The spokesman for the Jewish Agency, the official organization for Palestine Jewry, said at a news conference:

"We are told that a car bearing the American flag and number plates of the United States consulate drove into the courtyard just before the blast. The driver was said by the guards to be well known to them as one of the consulate drivers.

Must Be Respected

"Orders had been given that personnel and property of foreign consulates must be respected. For that reason the car was allowed in without the usual further check."

An Arab source declared the car was not driven by a consular employé. According to the informant, the driver was an Arab "who had lived in America several years and has a United States passport"

The informant said the consulate driver delivered the car to Arabs involved in the attack and then left Jerusalem and went into hiding. The source continued:

"A member of the attacking party took the car to the vicinity of the old city where an electric bomb was installed.

Explosion Wrecks Jewish Agency Jerusalem Building; 11 Dead

Jerusalem, March 11 (AP)—An explosion severely damaged the Jewish Agency Building today soon after a car flying the American flag was parked in its heavily guarded courtyard.

The Jewish Agency, official organization for Palestine Jewry, said nine persons were killed and 89 injured. Up to 500 persons were in the building and 50 or 60 were in the right wing, which was the worst shattered.

Consul General's Car Stolen

Haganah, the Jewish militia, took charge. Its preliminary inquiry indicated the explosive had been under the car's floor. The Government said the Jews were barring all police from the scene.

A Haganah informant said wreckage of the automobile indicated it was that of United States Consul General Robert B. MacAtee, which was stolen yesterday.

Leib Jaffe, chairman of Keren Hayessod, the Jewish national colonization fund, was reported to have been one of those killed. He was a widely known Zionist leader of Russian birth.

Three minor officials of the agency were reported injured slightly.

Driver "Well Known"

"It is not yet known how the blast occurred," a spokesman for the Jewish Agency told a noon news conference. "We are told that a car bearing the American flag and number plates of the United States Consulate drove into the courtyard just before the blast.

"The driver was said by guards to be well known to them as one of the consulate drivers. Orders had been given that personnel and property of foreign consulates must be respected. For that reason, the car was allowed in without the usual further check."

The spokesman said only the driver was known to have been in the car. A second man had been reported previously to have accompanied him.

Vaad Leumi Files Lost

The first dozen or more foreign correspondents and two photographers who reached the scene were shut in one of the undamaged rooms for almost an hour. Guards said the reason was that photographs were not to be taken showing men with arms. Armed men were everywhere.

One wall was blown out in the second story of a wing which housed the Jewish National Council (Vaad Leumi) and the Karen Hayessod offices. The blast destroyed Vaad Leumi files on social and educational services.

The block of building was designed in the late 1920's by Prof. Eugen Rattner, Odessa-born Jewish architect.

Most of the damage was in the Jewish Agency wing. The wing housing the Keren Kayemeth (Jewish National Land Fund) at the other end of the semicircular compound suffered less. This wing also contained the Theodore Herzl Room, where a number of mementoes recall the life of the late founder of the Zionist World Organization.

Long Active In Movement

Leib Jaffe had been connected with the Zionist movement since his early youth. He was born in 1876 in Grodno, Russia. Jaffe, author of Hebrew poems, came to Palestine in 1919. He was editor of Tel Aviv's first daily, *Haaretz*. Since 1927 he has been director of Keren Hayessod. His son, Benjamin, was among the injured today.

Jews in the building at the time said the automobile with the American flag entered the courtyard through the guarded gate with two men in it. The men parked the car, walked out past the guard and drove away in a waiting taxicab, the witnesses said.

Structure Catches Fire

The building caught fire after the blast.

The semi-circular two-story stone-and-concrete building had hundreds of rooms and was one of Jerusalem's finest.

Among those injured slightly were Gershon Hirsch, spokesman for the Executive; Reuben Sasuni, of the Jewish Agency political department, and Walter Eytan, liaison officer of the agency with the United Nations Partition Commission's advance party here.

Fled Through Cemetery

"He then drove up the Mamillah road (past the American consulate and through British Security Zone B) and entered the Jewish Agency compound under the guise of delivering two packages. He parked the car inside the compound and went into the Jewish Agency building and left two dummy packages. Then he walked away and fled through the Mamillah cemetery."

Approximately 500 persons were in the Agency building when the blast shook the city. Most of those killed or seriously injured were in the horseshoe-shaped courtyard. The walls of the compound were splattered with blood.

Jewish informants said they feared the death toll might mount since several of the injured were in a critical condition.

Reprisal Reports

Talk of a possible Jewish reprisal attack spread through Jerusalem. Arabs said they were ready to oppose such a blow with automatic weapons.

Haganah, the Jewish militia, took over the entire investigation of the explosion. The British mandate government said Haganah was barring all police—even Jewish Palestine police—from the scene.

The right wing of the building was the worst shattered. The most seriously damaged offices were those of Vaad Leumi (Jewish National Council) and of the Keren Hayessod (National - Colonization Fund). Leib Jaffe, 72-year-old director of the fund, was reported to have been one of those killed. His son, Benjamin, was among the injured.

Members In Tel Aviv

The remainder of the offices, including those of the Jewish Agency itself, were less seriously damaged. Work was resumed in some of them late in the afternoon. Most of the members of the Jewish Agency executive, including David Ben-Gurion, chairman, were in Tel Aviv at the time of the explosion.

Jews were bewildered by the bombing. Because the agency was one of the most heavily guarded buildings in Palestine, they could not understand how it could happen.

Communal violence erupted elsewhere in the Jerusalem area. Firing was heard from Arabs in the Katamon district and Jews in the Montefiore area. On the city's outskirts Arab snipers killed a British soldier and wounded five others.

Since November 29 when the United Nations voted for partition, 1,658 persons have been killed in communal strife, an unofficial tabulation showed.

British Officer Confers With Arab Commander

In Northern Palestine, March 11 (AP)—A British officer conferred today with Fawzi Bey al Kauki, Arab commander of Arab troops fighting Jews.

What they said was secret. Reporters were kept from them until the British lieutenant colonel left. The talk was at a bus stop shelter in an isolated section of northern Palestine. The Briton wore the uniform of the disbanded Trans-Jordan frontier force and was accompanied by two aides.

Fawzi Bey came to the conference from his headquarters on a near-by mountain top.

Members of the Fawzi's general staff said 200 Trans-Jordan troops reached the headquarters area at dawn. Their officers are one-time Arab legionnaires.

Fawzi's army orders became the sole law of northern Palestine. Orders were posted placing all of Palestine north of Nablus under martial law. Military courts were established in most towns. The final court of appeals is Fawzi's headquarters.

Moslems To Keep League In India

Madras, March 11 (AP)—The Moslem League of the Dominion of India decided today to continue to operate as a party in India, which is predominantly Hindu.

The league decided, in convention, to revise its constitution and to devote its principal attention in the future to the "religious, cultural, educational and economic interests of Moslems."

Headed by Mahomed Ali Jinnah, the league was the prime mover behind the partition of India last year into the dominions of India and Pakistan, the latter predominantly Moslem.

SOVIET THREATENS PALESTINE TALKS

Rejects U.S. Proposal To Hear Jews And Arabs

New York, March 11 (AP)—Russia threatened today to walk out of four-power talks on Palestine if Jews and Arabs take part.

The Russian declaration at the third closed session of the four powers dashed American hopes for conciliation by bringing Jewish and Arab leaders into the consultations.

Andrei A. Gromyko, Soviet Deputy Foreign Minister, said the views of the Jewish Agency for Palestine and the Arab Higher Committee already were well known. He said he could not take part in any Big Four meeting to which they were invited.

Conciliation Held Failure

He made it clear that Warren R. Austin, United States delegate, personally could pursue conciliation efforts with the Agency and the Arab Higher Committee and report the results to the other three powers.

But Gromyko stood by his previous declaration that conciliation has failed; that the United Nations plan to divide Palestine into Jewish and Arabic countries should be carried out.

The delegates passed over the point without a final decision. They will meet again at 2.30 P.M. tomorrow at the French delegation offices.

Ambiguous Role Charged

At Lake Success, the Palestine Partition Commission hurriedly drew up answers to ten questions asked by the Big Four. They will be considered tomorrow. The questions covered a wide range of problems connected with carrying out the plan.

In the Economic and Social Council at Lake Success Russia's delegate, A. Amarutiunian, charged that the United States delegation is playing a "very ambiguous role" in relation to Palestine.

"Everyone knows what pressure the oil interests are exerting on the American Government in this instance," he declared.

The Council rejected, 9 to 3, a Russian demand that the Council elect now three members of an economic board for Palestine. This board is to govern the proposed Arab-Jewish economic union in Palestine. The election was put off to the next Council session, set for Geneva on July 10, less than two weeks before final British withdrawal from the Holy Land. The United States opposed election now.

U.S. Reaffirms Stand

Other Palestine developments in the United Nations were:

1. Britain again served notice she would end her Palestine mandate on May 15.

2. A United States delegation spokesman reaffirmed this country's stand for partition. This was done in a brief statement denying a published report hinting that the United States might agree to a federal union in Palestine.

3. Dr. Abba Hillel Silver, of Cleveland, head of the American section of the Jewish Agency's executive, conferred for twenty minutes at Silver's request with Austin. Later the agency issued a statement declaring partition is the "irreducible minimum" beyond which it cannot go. It also answered the published report with a statement rejecting a federal state.

4. Arab leaders and the spokesman here for the Arab Higher Committee declared they would not take part in any conciliation talks as long as those discussions were based on partition. They rejected again any part of partition.

Despite these setbacks there was no indication from the American delegation that Austin has given up his attempts to bring the Jews and Arabs together.

Seeks To End Boycott

An American spokesman has said that the United States is doing everything it can to persuade the Arabs to end their boycott of the partition question and to get them to sit down with the Jews.

The closed meeting of the four powers was held in the skyscraper office of Austin, Trygve Lie, United Nations secretary-general, attended.

After Gromyko turned down two attempts by Austin to get an agreement on inviting Arab and Jewish representatives, the delegates called in Sir Alexander Cadogan, of Britain, who had not expected to appear at this meeting. The remainder of the session was taken up with questions by the delegates and answers by Cadogan.

Willing To Supply Data

Britain is not taking part in the discussions because, the British have said, they cannot accept any solution which is not agreeable to both Jews and Arabs. But they have announced willingness to supply information.

Cadogan declared he felt personally that no modification in the partition plan would be accepted by the Jewish Agency or the Arab Higher Committee.

The Assembly approved last November 29 a plan for the creation of Jewish and Arabic countries in Palestine with an economic union between them. Jerusalem would become an international, free city under this plan.

Last Friday the Security Council asked the four big powers to attempt a solution of the problem and report back within ten days.

Palestine Talks Resumed By U.N.

New York, March 11 (AP)—The big-power talks on Palestine were resumed today amid increasing indications that American moves for Jewish-Arab conciliation were failing.

The United States delegation was not yet ready to concede failure, but top Arab leaders indicated there was little likelihood that the Arab Higher Committee for Palestine would accept the American bid to take part in the big-power consultations.

Faris Bay el Khoury, of Syria, leading Arab spokesman in the United Nations, said "there can be no conciliation involving the Arabs" as long as the 1947 United Nations Assembly's partition plan stands.

Still Back Partition

His statement came as a spokesman for the United States delegation issued a statement saying the United States still was backing the partition plan.

The American statement denied reports published here this morning that the United States might support a federalized government for Palestine—instead of partition—if the Jewish Agency for Palestine agreed. It said the American policy "has not changed."

Representatives of the United States, Russia, France and China met in secret session in the lower Park avenue offices of Warren R. Austin, chief United States delegate to the United Nations.

Would Be Blow To Hopes

The United States has been banking on acceptance of direct American appeals to Middle East governments for Arab participation. Arab rejection of the invitation would be a major blow to American hopes for a peaceful settlement of the Holy Land problem.

Faris Bey said the Arabs, who have boycoted partition discussions, might be willing to sit down and try to settle differences with the Jews, should the partition plan be dropped. The Jews oppose any further talks with the Arabs on the ground such conversations would only delay partition.

Under the assembly's decision of last November 29, the Holy Land would be split into Jewish and Arab nations by October 1. The United Nations is due to take over Palestine when the British give up their mandate May 15.

The big powers are expected to devote part of the session to consideration of data an Palestine supplied by the British as mandatory power. Britain was expected to stay away, in keeping with its policy of not taking part in any discussions designed to carry out partition.

Chinese Report Capture On Manchuria Corridor

Peiping, March 11 (AP)—Pro-Government Chinese dispatches today reported capture of Peichipao in Manchuria and said it meant that a corridor soon would be opened to Mukden, 50 miles to the northeast.

A Government salient from Communist-isolated Mukden extends to Sinmin, 15 miles above Peichipao.

[For the past week, Government dispatches have been saying that the Sinmin force and relief troops from North China were within "a few miles" of a junction, implying they were nearer than 15 miles apart.

[The Communist radio meanwhile asserted that Kirin, important electric-power center 60 miles east of Changchun, had fallen to Communist attack.]

Nationalist dispatches had no new word of Szepingkai, strategic city 105 miles northeast of Mukden and 70 southwest of Changchun, reported captured by the Communists, but Government spokesmen have said it remains in Nationalist hands.

ITALIAN QUITS RICE GROUP

Walks Out in Dispute Over Membership of Committee

BAGUIO, P. I., March 11 (AP)—The Italian delegate walked out of a committee session of the United Nations World Rice Conference today in a dispute over representation.

The conflict between Asian and non-Asian delegates as to the membership of the proposed Southeast Asia Rice Committee resulted in Vittorio Strigari's leaving the meeting. He argued that non-Asiatic nations were entitled to full representation.

Signor Strigari's walkout caused an abrupt suspension of committee sessions.

It was agreed yesterday that the question of membership would be left to the whole committee of the United Nations Food and Agricultural Organization. A plenary session of that organization is scheduled tomorrow.

CANADA WILL BAR KNOWN COMMIES

OTTAWA, March 11—(AP) Canada has moved to keep known communists out of the country, it was announced formally in the House of Commons today. The move is especially aimed at those driven from labor organization work in the United States.

L. S. St. Laurent, minister for external affairs, said Canada's immigration regulations had been under review "with respect to certain persons known to be coming to Canada to exercise activities no longer permitted in United States under the Taft-Hartley law."

He added that immigration officials had been ordered to bar entry of known communists. St. Laurent declined to answer specific questions whether any entry permits already had been refused.

Truman Asks 55 Million New Europe Stopgap Aid, Sees Peril if Flow Stops

MAR 1948

WASHINGTON, March 11—(AP)—President Truman asked congress today, in the light of recent communist gains in Europe, for $55,000,000 to tide western Europe over until the Marshall Plan can be put into effect.

At the same time he said it was a matter of "extreme urgency" that the $5,3000,000,000 Marshall program itself be approved at the earliest possible moment.

A state department spokesman said the $55,000,000 would represent an advance installment of the funds western European countries would get under the Marshall Plan, that is, it would come out of the $5,300,000,000.

Would Have U. S. Backing

The president's appeal came as Republican members of the house foreign affairs committee gave serious thought to U. S. military backing for any country in the world which is threatened by communist pressure.

This worldwide extension of the "Truman Doctrine" which will be one year old tomorrow, was proposed at a meeting to seek quick action on the European Recovery Program (ERP) known as the Marshall Plan.

Chairman Eaton (R-N.J.) said after a second meeting, however, that the world-wide aid plan is "out the window for right now."

But the group decided definitely to include military aid to China in the house bill, a step that has been urged by General Douglas MacArthur and others. The administration has asked $570,000,000 for China in non-military assistance only.

Eaton said the aid bill will be divided into sections:

One will cover "economic relief and assistance for western Europe and China."

The other bill provides for military aid to China, Greece and Turkey.

In the senate, Senator Taft (R-Ohio) introduced an amendment which would cut the first-year outlay for the Marshall Plan program from $5,300,000,000 to $4,000,000,000.

Taft sponsored the measure on behalf of himself and about 20 other members as the senate got ready for the first of two expected night sessions. These are planned, along with an extra Saturday session, in order to reach a final vote on the ERP bill this week.

A vote on the Taft amendment, which will provide the showdown test for the bill, is scheduled for tomorrow. ERP backers said they were confident the amendment would be defeated. Taft and the other sponsors of the amendment did not predict its success.

Mr. Truman told House Speaker Martin (R-Mass) in a letter asking stopgap aid, on top of the $522,000,000 voted for three western European countries last December:

"Events which have taken place in Europe during recent weeks do not permit us with safety or prudence to risk a break in the supply flow at this moment. I therefore hope that congress will find it possible to make available the needed funds before April 1."

The president's reference to European developments followed Secretary of State Marshall's comment yesterday that the world situation is "very, very serious." Marshall referred particularly to the communist seizure of power in Czechoslovakia.

Presumably Mr. Truman also had in mind the necessity, as stated by Marshall and others, for keeping supplies flowing to Italy, where the communists will make a bid for power in the April 18 elections.

Marshall Talk No Surprise, Chinese State

Nanking, March 11 (AP)—Chinese officials said today they were not surprised that Secretary Marshall still favors broadening the base of China's Government to include the Chinese Communists.

The officials, who declined to be named, said the Communists "are now in armed rebellion against our Government and not available for peace talks of any kind."

United States Ambassador J. Leighton Stuart recently expressed belief that a coalition government in China still was the best solution to this nation's problems.

Rites Held in Saigon For 2 U. S. Women

Saigon, March 11 (A. P.).—Simple services were held today for the two American women shot to death on a jeep ride near Saigon Sunday. Both worked for the United States State Department.

The body of Lydia Ruth James of Hillsdale, Ind., is being returned to the United States for burial. Word still is awaited from the family of Mrs. Jeanne R. Skewes in Phoenix, Ariz.

GI Wounds Bride; Plunges Into Sea In Stolen Plane

Honolulu, March 11 (AP)—One shoe is all that police have found of a young soldier they said critically wounded his estranged bride, then suicide-dived a stolen plane into the sea.

Five terrified children watched the shooting. One of them, a 9-year-old girl, dared to slap the man in the face.

Detective Eugene A. Kennedy said the case is closed and that the soldier, Private Samuel A. Wong, 24, certainly died in the crash dive. The plane hit the water near the inbound liner Matsonia yesterday as hundreds of passengers watched.

Quarrel Over Money

The war veteran's 20-year-old bride of two weeks, Rose Lim Wong, is in Queen's Hospital with four .45-caliber bullet wounds in her head.

The bride's mother, Mrs. Martha Lim, said the couple quarreled over money matters and that Rose returned to the Lim home—where the shooting took place as five younger children screamed in fright. No one else was in the house.

Nine-year-old Nellie Lim, oldest of the five, told police that Wong burst into the house, "laughed and carried on awful," and, as Rose tried to telephone police, he "put a gun to her head and shot. . . ."

"Rose fell on him and he fell onto the crib [of Kenneth, 4] and broke it. He was sitting on Kenneth's foot. I slapped him hard on the face. He didn't say anything—just moved."

Child Slaps Him

Nellie and Irvin, 7, got Kenneth out of the crib. "We were all scared and crying like everything," the girl related. Carrying Kenneth, she led Irvin and Doreen, 6, to a neighbor's house, then rushed back after Pearl, 3.

"When I came in, he was hitting Rose on the head with the gun. Then he threw her down on the floor. Pearlie was sitting there crying. I carried her out. Sam ran out. . . . I didn't see him any more."

Faith in World Peace Shaken, Says Truman

WASHINGTON, March 11—(AP) President Truman declared today that his faith in the attainment of world peace has been somewhat shaken. But he said he still believes that peace can be achieved because the world can not afford the destruction of another war.

In one of the most sweeping denunciations he has ever voiced on Communism, Mr. Truman also told a news conference that the United States does not want a Communist government in China or anywhere else in the world.

With respect to China specifically, the President emphatically declared that American policy does not call for inclusion of any communists in the Chinese government.

The United States would like the Chinese government to have a broader base, he said, but that means the inclusion of Chinese liberals, not Communists.

Discusses World Situations

The Chief Executive discussed the world situation in response to a series of rapid fire questions from reporters. These began when a newsman told the President that a year ago tomorrow he proclaimed the Truman Doctrine for helping free nations fight Soviet-Communist aggression. The President was asked whether that policy, first applied to Greece and Turkey, should now be expanded.

Mr. Truman said the policy does not need expansion. It is part of the foreign policy of the United States, he explained, and he considers that it is preliminary to the European recovery program.

If the recovery program is carried out promptly, he said, it can accomplish the aims (of holding the line against Communism) which the Truman doctrine originally set forth. (ADD)

TRUMAN ADMITS HIS CONFIDENCE IN PEACE WANES

Bars Any Communists in Chinese Government or Anywhere Else.

ASKS $55,000,000 MORE AID

House Republican Group Takes Up Question of Shipping Arms to Anti-Red Nations.

Washington, March 11 (A. P.).—President Truman said today that his confidence in eventual world peace has been somewhat shaken by recent developments abroad. He told his weekly news conference that he still clings to his confidence in eventual peace, but that his confidence is now somewhat marred.

He said that the United States is opposed to the participation of any Communists in the Chinese Government or anywhere else if the United States can help it.

Mr. Truman said this was not a departure from the views expressed by Secretary of State Marshall that the base of the Chinese Government should be broadened.

[Simultaneously with the President's conference, the State Department got out a statement that there was a misunderstanding of what Marshall said at his news conference yesterday. Some understood him to say the United States favored the inclusion of Communists in the Chinese Government. What Marshall had in mind, the Department said, was the inclusion of a greater number of liberals in the Chinese Government.]

Stresses Liberals, Not Reds.

Mr. Truman said there was a great difference between the Chinese liberals and the Communists. He said the Communists believe in a totalitarian State.

Turning to other subjects, Mr. Truman expressed sorrow over the death of Foreign Minister Jan Masaryk of Czechoslovakia.

A reporter recalled that Mr. Truman refused to comment recently on whether the time had come for the United States to join in a military alliance for the protection of the western European nations. He asked whether Mr. Truman would now comment on that. The President said he was not prepared to answer such a question now.

He also denied again any knowledge of revived rumors that Generalissimo Stalin desires a meeting with him. There was no foundation to a report that he had been approached about such a meeting, he declared.

In response to another question he said that the so-called Truman Doctrine does not need expansion. He said that if the European Recovery Program was carried out promptly, American foreign policy would be successful.

Earlier today Mr. Truman asked Congress for an additional $55,000,000 to help tide western Europe over until the European Recovery Program is enacted.

In a letter to Speaker Martin (R.-Mass.), the President said: "Events which have taken place in Europe during recent weeks do not permit us with safety or prudence to risk a break in the supply flow at this moment. I therefore hope that Congress will find it possible to make available the needd funds before April 1."

Also today Republican members of the House Foreign Affairs Committee today talked of broadening foreign aid programs to permit the sending of guns and weapons to any country. Representative Vorys (R.-Ohio), acting chairman at the closed session, told reporters that the proposal referred to any country where the conditions arise similar to those in Greece, Turkey and China—that is, any country the Communists threaten.

He said the Republican majority of the committee arrived at no definite decison, but would meet again later today. They met primarily to talk about ways of speeding passage of the European recovery program and the discussion, Vorys said, covered: (1) the possibility of confining immediate foreign aid action to passage of a European Recovery plan; (2) a combination bill including economic aid to Europe and to China; (3) economic aid to Europe, China and the Greco-Turkish military aid plan; and (4) Economic aid and a policy of military assistance wherever our interests require it. This, he added, would involve Europe, China, Greece and Turkey and any other places where similar conditions arose.

The suggestion to ship arms received serious attention against a ackground of increasing congressional concern over world developments.

Representative McDowell (R.-Pa.) told the House that he believes "the world is on the verge of war" and announced that he will reverse his previous stand and vote for a peacetime draft.

Representative Hinshaw (R.-Cal.) complained in another speech that national defense is being "frittered away by confusion, neglect and failure" in military planning.

In requesting the additional $55,000,000, Mr. Truman said the money is needed to permit the continued placement of contracts for essential supplies for a "brief additional interim period." Congress voted $540,000,000 temporary aid last fall, including $18,000,000 for China, and it was expected then that this money would last until the Marshall plan was passed.

"The appropriation proposed will provide only for a very short period and extreme urgency remains for the earliest possible authorization of the European Recovery Program itself," the President said, and added that without it there is now "grave danger that a break in the supply pipeline will occur" between the end of interim aid and the start of the European Recovery Program.

Arms Furnishing To Offset Red Threat Urged

Washington, March 11 (AP)—Republican members of the House Foreign Affairs Committee today talked of broadening foreign-aid programs to allow sending of guns and weapons to any country.

Representative Vorys (R., Ohio), acting chairman at the closed-door conference, told newsmen the proposal included "any place where" conditions arise similar to those in Greece, Turkey and China. That is, anywhere that Communists threaten.

He said the Republican group—a majority of the Foreign Affairs Committee—reached no definite decision.

This idea got serious attention against a background of obvious increasing congressional concern over world developments.

"Verge Of War"

In a house speech, Representative McDowell (R., Pa.) said he believes "the world is on the verge of war" and announced he will reverse a previous stand and vote for a peacetime draft.

Senator Capehart (R., Ind.) said that aid to Europe should be based on American principles of free enterprise.

"If we cannot stop the spread of communism with the spirit of freedom, our cause is lost," Capehart declared.

Favors Substitute Bill

He asked the Senate to substitute for the Marshall plan his proposal for loans through a system of reconstruction finance corporations.

The freedom of western Europe, he said, cannot be bought with dollars, but "we can inspire the will of those people to be free by the method in which those dollars are used."

Capehart's measure would:

1. Increase the lending power of the Reconstruction Finance Corporation from $2,000,000,000 to $5,000,000,000. The additional $3,000,000,000 would be allocated to a new international RFC division.

2. Provide for an outright grant of $2,000,000,000 to send fuel, food and clothing to western Europe. Capehart said direct relief needs should be separated from the recovery funds, as his bill provides, and he added:

"Where the Marshall plan is based on government-to-government procedure, the substitute is based on the private enterprise-to-private enterprise processes symbolic of the American system."

Recalls Old Warning

Capehart noted that a few years ago, the warning was heard that if Hitler was not stopped he would conquer the world.

"Now the cries are coming again," he said. "This time they are saying that if we don't do something about it that a man named Stalin will conquer Europe, England, Asia and North Africa and then conquer us.

"I am for stopping this bully, too, but I would like to see it done by hitting him right square in the teeth with a good solid punch of Americanism that would scatter a bit of freedom around this war-tattered globe."

Vote This Week Predicted

A leading Senate critic said today the Senate will vote on the Marshall plan this week.

The European Recovery Program bearing his name is one of the main remedies Secretary of State Marshall is urging for "very, very serious" world situations.

But without referring to that summation by Marshall of Communist induced "terror" abroad and rising "passions" at home, Senator Wherry (R., Neb.) said of the recovery plan debate:

"We will finish up here Saturday night without a doubt."

MARSHALL URGES COOL JUDGMENT IN WORLD CRISIS

WASHINGTON, March 11—(AP) Secretary of State Marshall said tonight "the world is in the midst of a great crisis, inflamed by propaganda, misunderstanding, anger and fear."

"At no time has it been so important for cool judgment," he told the Federal Council of Churches.

He said one measure which could be taken "affirmatively and immediately" was approval of the European recovery program.

Praises 5-Nation "Pact"

Marshall praised the five-nation effort at Brussels to form a western European union.

This, he said, "may be the first step to what has been the dream of many great minds troubled by the dangers of the existing uncoordinated situation."

Marshall's speech was given at a Washington Cathedral meeting with President Truman among the invited guests.

The church and the school, Mar-

shall said, must play "a very important part" in coping with world problems.

"Prayer is one of the great means of keeping alive our belief in the ultimate triumph of the Christian principles which underlie our civilization," Marshall said.

"This faith in our ideals is particularly important when we are forced to be realistic in face of an extremely serious world situation."

Marshall said that virtually every current action of the United States "is misunderstood by some abroad."

Must Keep Level Head.

"In the midst of this turmoil, complicated by the distractions of an election campaign, it is important to express one's feelings on the situation in moderate terms," Marshall said, adding:

"In the midst of this clamor of propaganda and some times reckless statements, I personally, in my responsibility as secretary of state, have tried to keep a level head."

The meeting was arranged by Charles P. Taft, president of the Federal Council and brother of Senator Taft (R-Ohio).

Another speaker, John Foster Dulles, said Soviet leaders, in their European offensive, "are creating a terrible future danger, for people who have known freedom will not always be docile under despotism."

Dulles, an adviser to the U. S. delegation in the United Nations, said the European recovery program can be made an American recovery program as well.

"It will be that if it evokes vision and sacrificial effort such as enabled our founders to make our nation great," Dulles said.

SENATORS APPROVE A $4,772,600,000 CUT IN FEDERAL TAXES

Section on Percentage Cuts Differs from House Measure.

G.O.P. Hopes Lower Figure Will Woo Democrats for

Veto Fight.

WASHINGTON, March 11—(AP) The Senate Finance Committee voted 10 to 1 tonight to cut income taxes $4,700,000,000.

The House already has passed a $6,500,000,000 tax cut bill.

Chairman Millikin (R-Colo) of the Senate committee declined to give the vote division.

Democratic Proposal Beaten

Shortly before the final ballot, the committee defeated 7 to 6, on a party line vote, a Democratic proposal to hold the tax cut to $4,000,000,000.

Then it adopted by a vote of 9 to 3 an amendment by Millikin which cut the House $6,500,000,000 figure to $4,772,600,000.

The only major change the Senate committee made in the House measure is in a section setting up percentage tax reductions.

Senator Connally (D-Tex) later told a reporter that he cast the lone vote against the Senate bill in committee. He said Senators Barkley (D-Ky) and Lucas (D-Ill) were not present for the final ten to one ballot.

That would leave these ten senators voting for the $4,700,000,000 cut:

Republicans—Millikin (Colo.) Taft (Ohio), Butler, (Neb.); Brewster, (Maine); Bushfield, (S. D.); Hawkes, (N. J.), and Martin, (Pa.).

Democrats—George, (Ga.); Edwin C. Johnson, (Colo.), and Byrd, (Va.).

The House bill provides for cuts ranging from 30 per cent for the lowest income brackets, 20 percent for the middle brackets and 10 per cent for the highest.

The Senate bill cuts range from 12.6 per cent for those with the lowest income, 7.4 per cent for the middle brackets and 5 per cent for the highest.

Provisions of Bill

Both the Senate and House bills provide for making the tax cut effective as of last Jan. 1.

Both bills also:

1. Increase the personal exemption for each taxpayer and each dependent to $600. The present exemption is $500.

2. Permit husbands and wives in all states to split their income for tax purposes. This "community property" program is in effect now in only 12 states.

3. Increase the maximum standard deduction for contributions, medical expense and certain other expenses to $1,000. The top deduction now is $500.

4. Make the exemption for blind persons $600, instead of $500 as at present.

5. Give persons 65 or older an extra $600 exemption.

Apply the income splitting principle to estate and gift taxes.

Differences on Reductions

Here are the differences on the percentage reductions:

The House bill would give all individual income tax payers with a net income of $1,000 or less, after exemptions and deductions, a 30 per cent cut.

Persons with net incomes between $1,000 and $1,395 would get a 30 to 20 per cent cut, those with $1,395 to $4,000, a 20 per cent cut, and those with incomes over $4,000, 20 per cent for the first $4,000 and 10 per cent for the rest.

The Senate bill provides for 12.6 per cent reduction on net incomes up to $2,000; 7.4 per cent on incomes from $2,000 to $136,719.10, and 5 per cent on incomes over $136,719.10.

The strategy of the Republican members of the Senate committee in cutting the House figure is to try to win enough Democratic votes to override an expected presidential veto. That would require a two-thirds margin in both the Senate and House.

Asked whether he believes the Senate measure will woo the Democrats, Millikin replied:

"I think it will get very strong support, but I am not making any predictions about overriding a veto."

President Truman's veto killed two tax cut bills last year. He is opposed to any individual income tax reduction this year that is not offset by higher corporation taxes.

The Senate committee measure goes now to the Senate floor. Millikin said debate probably will start by next Tuesday or Wednesday.

4¾ Billion Likely New Goal Of Income Tax Cut

Washington, March 11 (AP)—Senator George (D., Ga.) today predicted the Senate Finance Committee will vote for an income-tax cut of about $4,750,000,000, with some Democrats going along.

The Georgia lawmaker, ranking minority member, made this forecast as the Republican-controlled finance group scheduled a closed meeting to start writing a tax bill.

Chairman Millikin (R., Col.) said he believes the job can be finished by nightfall.

Out To Trim House Figure

He and other Republican members are out to whittle the $6,500,000,000 tax-cut measure passed by the House to a figure they hope will attract enough Democratic votes to override an expected presidential veto. That would require a two-thirds margin in both House and Senate.

Millikin has said he expects the Senate figure to be "somewhere between $4,500,000,000 and $5,000,000,000."

George said he believes the amount will be "about halfway between" Millikin's low and high.

Prefers Even 4 Billion

The Georgian commented that he would like to see the cut held to about $4,000,000,000. But he held out little hope the Republicans could be persuaded to go that far.

Senator Edwin C. Johnson (D., Col.), another Finance Committee member, has said he will vote for as much as $5,000,000,000.

But, like George, Senator Lucas (D., Ill.) said he favors a top cut of $4,000,000,000.

Profits-Tax Cuts Urged

Representative Ploeser (R., Mo.) proposed, meanwhile, that all corporations be granted tax exemption on the first $25,000 of net income. Ploeser is chairman of the House Small Business Committee.

He said his main idea is to "provide tremendous incentives to all corporations and extend life-saving tax relief to many small ones."

Ploeser called the present corporate-tax structure faulty. He said it is harmful to expansion and prosperity of business, especially small business.

Would Mean More Capital

His plan, he said, would provide larger amounts of capital that could be put back into business for production and expansion, putting business on sounder footing. Small businesses particularly would benefit.

He said taxes form the chief obstacle to such development and added:

"Largely because of this heavy tax load, the trend in America is a rapid drying up of long-term equity capital. In the case of small business the situation has become critical.

Small Businesses Harmed

"Small business should have the same right of corporate protection extended to big business, but through the system of double taxation on business profits we are running small business out of the corporation field and denying it the privilege of expansion.

"Attempts by Government to finance small business have met with little success and all such programs have been widely criticized as favoring and subsidizing groups. Private attempts to finance small business have fared little better."

Gen. Keyes Brands Soviet Version of the Shooting a 'Complete Distortion'

WASHINGTON, March 11 (AP).—The American commander at Vienna reported today that the Russian sentry who wounded an American soldier used "a rifle bullet of explosive dum dum type."

Moreover, Lieutenant General Geoffrey Keyes reported to Washington, the Russian version of the Sunday night shooting was "a complete distortion of facts."

General Keyes said the American member of the Vienna inter-Allied commission has made a preliminary protest to the Soviet area commander and requested he take action to prevent such incidents.

General Keyes's report to the Army gave this version:

Private First Class Jack Grunden, of Portland, Ore., with two other American soldiers and three Austrian girls, started to pass the Grand Hotel, where Russian headquarters are located. A Russian soldier with a bandaged head came out, crossed the street and intercepted them. The soldier made a "filthy remark" which was understood by one of the girls. The group attempted to disregard the Russian but he grabbed one of the men. Grunden attempted to separate them and the Russian grabbed him. And during the scuffle, the Russian pulled a pistol and fired it into the air.

A Russian sentry posted in front of the Grand Hotel came from across the street armed with a rifle with fixed bayonet. Grunden was thrown to the ground. The Russian simply jabbed at him with the bayonet, but did not wound him; then hit him with the rifle butt. Then the sentry shot Grunden while he was on the ground.

An unidentified American doctor and Austrian civilian doctor gave first aid, but at no time during the forty-five minutes Grunden lay on the ground did the Russians give any assistance.

A group of American military investigators arriving on the scene were "completely encircled by Russian bayonets and not permitted to move." They were told the Russian commander would provide information later in the day.

General Keyes said the Russian report, submitted by a Colonel Ivanov, said "three drunk American soldiers" attempted to disarm the Soviet guard at the hotel. In the ensuing fight, the Russian version said, one of the Americans struck the Soviet soldier with a bottle. The Soviet guard fired and wounded the American in the left arm.

"First aid was rendered to the wounded on the spot and he was turned over to the American element," the Russian report stated.

General Keyes reported that Grunden is improved and doctors "have high hopes of saving his arm."

General Keyes said this was an interim report, to be followed later by a complete report.

TRUMAN BRANDS QUOTATION 'A LIE'

WASHINGTON, March 11—(AP) President Truman branded as "a lie out of the whole cloth" today a columnist's report that he once said New York Jews "were disloyal."

Mr. Truman volunteered his remarks at a news conference and authorized direct quotation. Usual news conference rules are that his remarks may not be put in direct quotes.

The President did not name the columnist he said had won "another liar's star." But Columnist Drew Pearson later issued this statement:

"I regret to say that my quotation of the conversation between President Truman and the New York publisher was all to accurate, but I am glad the President has now reconsidered his intemperate words."

Word "Gossip" Deleted

Reporters heard Mr. Truman say the column was published in a New York "gossip paper." He told them to read The New York Mirror to find out about it.

But the reference to "gossip" was deleted when the White House issued an official version of his remarks. This said:

"First, I want to pay attention to a vicious statement that was made by a columnist in a New York paper, in which he said, I had made the statement here to an editor a New York paper that the Jews in New York were disloyal.

"I had thought I wouldn't have to add another liar's star to that fellow's crown, but I will have to do it. This is just a lie out of the whole cloth. This is as emphatic as I can put it."

MEYERS FLAYED; CASE TO BE GIVEN TO JURY TODAY

WASHINGTON, March 11—(AP) The government today pictured Maj. Gen. Bennett E. Meyers as loyal to "the flag of the dollar sign" and living in air-cooled comfort during the war.

Assistant U. S. Attorney John Fihelly asked the jury to convict the 52-year-old wartime deputy air force purchasing chief on charges of inducing a former business associate to lie about Meyers' war business.

The jury was directed by Federal Judge Alexander Holtzoff to start considering its verdict tomorrow morning.

Fihelly said:

Assailed By Prosecutor

"This old soldier, as his attorney labels him in looking for sympathy, spent the war waving the flag of the United States in one hand and the flag of the dollar sign in the other."

Fihelly said Meyers spent the war years "comfortably in an air-cooled apartment"—drawing more than $150,000 pocket money from a plane parts firm.

Meyers is charged on three counts with inducing Bleriot H. Lamarre to lie at a Senate probe of Meyers' affairs last fall. A maximum penalty would be 10 years on each count, or a 30-year prison term for all three.

It was reliably reported tonight that separate perjury charges against Meyers, based on his own testimony to the Senate committee, will be dropped in the event of a conviction tomorrow. However, Meyers is also under indictment for income tax fraud.

Lamarre admitted as a government witness during the trial that he lied to senators as urged by Gen. Meyers. He said he falsely denied the general had any connection with the Aviation Electric Corp., Dayton, O. Lamarre also said he lied in telling the Senate committee he gave Gen. Meyers a $3,000 Cadillac car.

Actually, Lamarre said, Meyers owned Aviation Electric and paid for the car himself out of its profits.

Meyers' attorney, Robert T. Bushnell, lost a plea for acquittal based on a contention that the committee itself was illegal. It was the chief defense effort of the trial.

No Defense Witnesses

Meyers didn't take the stand himself and called no witnesses. His attorney's chief defense effort was the plea for acquittal by the court. It was based on a contention that the war investigating subcommittee before which Meyers and his one-time associate, Bleriot H. Lamarre, testified last fall was not formally established by the parent Senate committee. Meyers' lawyer argued that perjury could not be committed before an illegally organized subcommittee.

Lamarre previously pleaded guilty to perjuring himself and is awaiting sentence.

Meyers has two more charges hanging over him: That he, too, lied to the investigating group, and that he tried to defraud the government on his income tax returns.

The Senate investigating group poked deeply into Meyers' wartime business dealings. Lamarre has admitted that he lied to the committee in denying that Meyers received $150,000 from a wartime subcontracting firm, the Aviation Electric corp. of Dayton, Ohio.

Lamarre said Meyers really owned the firm and directed its operations. He himself was only the "dummy" president, he added, and had to kick back most of his salary to Meyers.

Navy Simplifies Names of Ratings

Enlisted Men's Titles Cut From 198 to 77

WASHINGTON, March 11 (AP).—The Navy simplifed today its system of ranking enlisted men, merging 198 ratings into seventy-seven general service rates under twelve general categories.

Under the new system, the ship's cook becomes a commissary man. The carpenter's mate and painter are now damage control men. Buglers will be seamen, signalmen will be quartermasters, and water tenders will become boiler men. The rating of coxswain, first used in 1797, will be permanently replaced by the rating of boatswain's mate, third class.

The order, effective April 2, standardized rate abbreviations, which used to range from BMCBB/2 (boatswain's mate, construction battalion, boatswain second class) to S/2 (seaman, second class). Abbreviations will be two initials, with the suffix "C" for a chief petty officer, or numerals designating other petty officers.

The twelve rating groups are deck, ordnance, electronics, precision equipment, administrative and clerical, miscellaneous, engineering and hull, construction, aviation, medical, dental and steward.

Washington, March 11 (AP)—President Truman tonight announced a six-man American delegation to attend the United Nations Conference on Freedom of Information at Geneva opening March 23.

Chairman will be William Benton, a member of the United States National Commission for the United Nations Education, Scientific and Cultural Organization.

The other delegates are Sevellon L. Brown, editor-publisher of the Providence (R.I.) *Journal*; Edwin D. Canham, editor of *Christian Science Monitor*, Boston; Harry Martin, of the Memphis *Commercial Appeal*, president of the American Newspaper Guild; Zachariah Chaffee, Jr., Harvard Law School, Cambridge, Mass., and John Carter Vincent, United States Minister at Bern, Switzerland.

All members of the United Nations have been invited to send delegates to the conference, lasting from March 23 through April 24.

Romanian Embassy Secretary Resigns

Washington, March 11 (AP)—Mircea Vasiliu, third secretary of the Romanian legation, resigned today. He refused to explain why.

Vasiliu said he cabled his resignation to Budapest last night and informed the State Department of his action.

"I don't want to give any kind of reason for my resignation," Vasiliu said. "I hope to remain in the United States and to start a new life."

At the State Department, officials reported Vasiliu differed with policies of his Communist-controlled Government.

CONSUMER INCOME AT NEW HIGH RATE

Washington, March 11 (A. P.).—Consumer incomes rose in January to hit a record high yearly rate of $210,820,000,000, compared with $210,400,000,000 in December, the Department of Commerce announced today. The January rate was 7 per cent higher than the 1947 average of $196,800,000,000.

January's increase over December came despite a slight downturn in wage and salary payments, biggest single source of personal incomes.

The department attributed the wage-salary drop to a decline in employment and a shorter work week in durable goods manufacturing, along with more than a seasonal drop in building employment due to bad weather.

The general increase in consumer income during January was attributed to:

1. Increased income from abroad due to higher prices. This was just before the early February break in market prices for farm commodities, which should be reflected in the February income report.

2. A gain in unemployment insurance payments, which the department said "more than offset" the small wage-salary decline.

3. Higher bonus payments to veterans as New York State began its payments on a bonus expected to total about $400,000,000.

Also counted in consumer income are net incomes of business owners and partnerships, dividends and interest, and net rents received by landlords.

Willys Ordered To Quit Calling Jeep Its Creation

Washington, March 11 (AP)—The Federal Trade Commission today told Willys-Overland to quit claiming the "jeep" as its creation.

It ordered Willys-Overland Motors, Inc., and United States Advertising Corporation, Toledo, to stop advertising that Willys-Overland alone or in co-operation with the Army created the famous wartime vehicle.

It said, however, the company could say it helped.

Actually, the agency said, at least four companies aided the Army in designing the jeep.

WASHINGTON, March 11 (AP)—Eamon de Valera left by air at 11:42 A. M. today for the West Coast, where he will take part in St. Patrick's Day celebrations.

Eire's former Prime Minister took an American Airliner plane for Nashville, Tenn. There he will transfer to a special American Airlines DC6 carrying newspapermen on a transcontinental flight.

U.S. Proposes Specific Cuts In Veto Use

Lake Success, March 11 (AP)—The United States today proposed drastic restrictions on the big-power veto in the United Nations.

The proposal would exclude all the issues on which Russia used the veto 22 times in the last two years.

It was laid before the Little Assembly as the first move toward carrying out a declaration made by Secretary of State George C. Marshall before the United Nations Assembly last September.

Marshall said at that time the United States was willing to limit the veto to questions of prime importance if the other big powers would agree. The Assembly referred the entire veto question to

the Little Assembly.

In advancing its specific proposals today, the United States delegation conceded there still was no evidence that Russia would agree to any modification of the Security Council voting procedure.

No Sign From Russia

The United States spokesman said, however, the issue was so important it was worth trying, even though there was no definite indication Russia would agree.

Russia, along with other Slav countries, is boycotting the Little Assembly. Any changes in the veto use, however, would have to go before the regular Assembly and then would have to be agreed upon by the Security Council, including all the five great powers.

The United States program listed 31 specific categories of questions which would be excluded from the veto, either as procedural matters or through mutual agreement among the big powers.

These categories include all the issues on which Russia used its 22 vetoes during the past two years. They would, in fact, limit the veto almost exclusively to enforcement measures such as economic sanctions and the use of military force.

Under the United States proposal, the General Assembly would be asked to call on the big powers to accept these categories and definitely exclude them from the veto.

Among the issues the United States proposed to place outside the veto threat were the admission of new members to the United Nations, and Council decisions on whether specific questions are subject to the veto.

The American spokesman said the United States hoped the veto changes could be brought about without changing the United Nations charter, but, he said, "we aren't closing the door to possible amendments to the charter."

If the Communists succeed, Koo said, "the iron curtain will fall upon China as it has fallen on eastern Europe."

"Back Door" Periled

"Europe and the Atlantic may be considered as the front door of the United States, and are important from the point of view of security and defense. But the Far East and the Pacific are the back yard of this country and certainly are no less important for the same purpose. Pearl Harbor and Manila proved in the recent World War.

"In other words, the success of the Chinese National Army against the Chinese Communists will be in the vital interest not only of China but also of the United States, which is a great power in the Pacific as well as in the Atlantic.

"It is for this reason that China ardently hopes that military aid in the form of supplies and technical advice as well as economic aid will be promptly and adequately extended to China. . . ."

Mrs. Eisler Arrested After Giving Herself Up

New York, March 11 (AP)—Mrs. Gerhart Eisler appeared voluntarily today at the offices of the United States Immigration and Naturalization Service and was served with an immigration warrant of arrest.

She was charged with "being illegally in the United States, on the ground that she had failed to maintain the exempt status of a visitor." She is a native of Poland.

Her husband has been described by a House committee as the nation's No. 1 Communist. He is awaiting deportation proceedings.

China Envoy Asks U.S. Armed Aid

New York, March 11 (AP)—Dr. V. K. Wellington Koo, Chinese Ambassador to the United States, appealed today for prompt United States military aid as well as economic help to prevent Communists from taking over China.

In a speech before the Chamber of Commerce of the State of New York, Koo said the Chinese Communists were fighting with an army of 1,000,000 men "supported morally and materially by the Com-

Fund For World Relief Is Oversubscribed

New York, March 11 (AP)—The $1,000,000 Fund for World Relief has been oversubscribed.

The Rt. Rev. Henry Knox Sherrill, presiding bishop of the Protestant Episcopal Church, who appealed to more than 4,000 units of his church in a sermon broadcast by 600 radio stations on February 29, said last night:

"With deep gratitude to hundreds of thousands of donors, we have now passed the minimum goal of $1,000,000. However, it should be borne in mind that the need is so great that every additional gift will bring relief to many sufferers throughout the world."

The total amount of this year's subscriptions is not yet determined.

N. E. COUNCIL ASKS NATIONAL DRIVE TO CURB INFLATION

BOSTON, March 11—(AP) The New England Council today urged a nation-wide anti-inflation drive by business men by keeping prices down, holding down inventories, avoiding credit expansion and postponing renovations and expansion programs.

Walter H. Wheeler, Stamford, Conn., executive, and head of the council's industrial committee, called on business and industry to join in battling spiraling prices.

He also asked cooperation from labor organizations and the public.

He already has contacted heads of the American Management Association, Committee for Economic Development, National Association of Manufacturers, U. S. Chamber of Commerce and National Planning Association.

The committee's statement said control of inflation "basically rests in the hands of a free people, who, by exercising restraint in not outbidding one another for a limited supply of goods and service, can minimize or avoid the danger ahead."

U. S. GRAND JURY INDICTS GARSSONS ON FRAUD CHARGES

BALTIMORE, March 11—(AP) The Garsson brothers and three associates in a wartime Illinois munitions combine were indicted by a Federal grand jury today on charges of swindling the government of "large amount of money."

They did it, the government charged, with a complex system of juggled accounts, kick-backs, and fictitious expense statements designed to hide excess war profits that were subject of partial recovery by the United States.

Named Indicted

Named as defendants were the Erie Basin Metal Products Company, of Elgin, Ill., Henry M. and Murray W. Garsson, Allen G. Gellman, Joseph T. Weiss and Harry S. Glick, all of Chicago.

Gellman was president of Erie. The others were officers and directors, the three-count, 18-page indictment said.

It gave no total figure for the alleged fraud. But Frank H. Patton, special justice department prosecutor, said the government expected to prove it lost "well over a million dollars."

The syndicate, started on a shoestring, held $78,000,000 in war contracts, Patton reported.

The Garsson brothers and former Rep. Andrew J. May, wartime chairman of the House Military Affairs Committee, were convicted last July of passing bribes. All have appealed their sentences.

Required under the Wartime Renegotiation Act to file profit and cost statements for Erie operations, the indictment said, the defendants had agreed to put Erie funds into new buildings for Illinois Watch Case Co., at Elgin and charge it to the government.

The indictment charged the defendants agreed that Henry Garsson was to receive a loan from the Interstate Machinery Company, Inc., owned by Weiss and Gellman and their families, and pay it back with a $50,000 overcharge on machinery sold to Interstate.

There was also agreement, the government said, that the Garssons and certain of their friends and relatives would get money from Erie Basin and Interstate by false claims for salaries and expenses.

In order to "conceal" and reduce the combine's profits, the indictment said, items totaling $136,250 had been improperly charged to Erie expenses over the fiscal years ended Nov. 30, 1944, and Nov. 30, 1945 in statements filed with Chemical Warfare Service at Baltimore under the renegotiation act.

Bryn Mawr Honor Shared By Mrs. R.

Philadelphia, March 11 (AP)—Bryn Mawr College tonight conferred its highest honor on Mrs. Franklin D. Roosevelt and Anna Lord Strauss in recognition of their "distinguished achievements in the field of international relations."

The M. Carey Thomas Award of $5,000 was divided equally between the widow of the former President and the president of the National League of Women Voters.

Katharine E. McBride, college president, cited Mrs. Roosevelt as "one of the great representatives of the United States" for her work as a delegate at the first sessions of the United Nations Assembly and later as chairman of the Human Rights Commission.

Miss Strauss was lauded for "leaderhip that has helped the women of the country to understand the support they can give to such efforts for new international co-operation."

PRICES TAKE NEW TUMBLE

Wholesale Commodities At Lowest Level Since July

Chicago, March 11 (AP)—The high cost of living got another jolt today from skidding commodity prices. All grains, hogs, cocoa, rubber and burlap joined in the downturn.

The Associated Press weighted index of 35 wholesale foodstuffs and industrial raw materials slipped .67 of a point to 185.10—lowest since last July 31. A week ago the index was 188.53, a month ago 187.78 and a year ago 182.53. The index uses 1926 prices as 100.

Wheat closed 1¼ to 2 cents a bushel lower on the Chicago Board of Trade. The May contract finished at $2.36½-$2.37. Corn was 2 to 4¼ lower, oats dropped ¾ to 2 cents and soybeans declined 3½ to 4 cents.

Butter, Meat Unchanged

Hog prices were mostly 50 cents to $1 a hundred pounds lower at all mid-West markets. The maximum decline of $1.50 was posted at Sioux City. At Chicago, prices were off 75 cents to $1.25.

Cotton for future delivery closed 85 cents a bale lower to 35 cents higher in New York and 10 to 60 cents a bale lower in New Orleans.

New York stocks got off to a flying start but falling commodity prices dampened enthusiasm. At the close, advances and declines were fairly well mixed.

Butter and wholesale meat prices were generally unchanged in Chicago and New York.

Consumer Incomes Up

Onions for March delivery leaped 22 to 24 cents a 50-pound sack on the Chicago mercantile exchange on reports of freezing temperatures in the spring onion section of Texas.

The Bureau of Labor Statistics reported that wholesale prices of 900 commodities rose 0.8 per cent during the week ended March 6 to 160.4 per cent of the 1926 average. The index remained 2.1 per cent below the week preceding the recent drop in commodity prices. It was 7.9 per cent above the corresponding 1947 week.

The Commerce Department reported that consumer incomes rose in January to a record high annual rate of $210,820,000,000. This was seven per cent higher than the 1947 average. The December figure was $210,400,000,000.

Stassen Offers Price-Support Plan for Crops

In Nebraska, He Proposes Flexible Parity Policy to Bar Losses From Surplus

SCOTTSBLUFF, Neb., March 11 (AP).—Harold E. Stassen announced tonight a farm price support policy aimed at giving to the farmer "a complete fair share of the national income."

The former Minnesota Governor described his farm price program in a speech prepared for a city auditorium address here. He is beginning a three-day campaign for support in Nebraska's April 13

30.24- 16181

Presidential preference primary.

He said the national Administration's first objective should be "helping agriculture by indirect means to obtain a full 100 per cent of parity."

"This means that our export policy, utilization of agricultural products for new industrial uses, school lunches, better diets, economic storage and favorable financing would be directed to maintaining full parity and a complete fair share of the national income."

Besides this general objective, Mr. Stassen said, the government should have a flexible program paying up to 90 per cent of parity in normal years and down to 70 per cent in years of bumper crops and an oversupply in the carry-over.

(Parity prices are arrived at by a complicated formula which is supposed to give farmers the same purchasing power they had in some past, favorable period.

Even when payments are scaled down because of bumper crops, a supplemental payment on a family-sized farm basis for a normal crop to reach 90 per cent of parity should be made, Mr. Stassen said.

"A provision of this kind is essential to prevent the possibility of a succession of high production of some crops from breaking down the entire support program and to encourage diversification of agriculture in accordance with supply and demand. The supplemental payment would insure the family-sized farm against being penalized year after year by an overproduction by the vast commercial farms with low costs. . . .

"This price support formula should be further aided by a fair total farm income consideration. If total farm income falls below its fair share, additional supports should be given in relative percentage to those of the agricultural crops which are in short supply."

Mr. Stassen said he would "establish a floor under agricultural income as a counterpart to the special rights and rules of different natures developed for industry, finance and labor."

Top Military Men Drafting Coordinated Services Plan

KEY WEST, Fla, March 11—(AP) The nation's top military men are in conference here on the duties of the newly integrated air, sea and ground forces in the event of war.

Under the armed forces merger law enacted nine months ago, the drafting of a coordinated program for action is required.

Defense Secretary James V. Forrestal and the chiefs of three military branches are conducting the conferences in the "Little White House" on the naval base where President Truman spends.

The building is under marine guard, and no word emerged from it except that Forrestal is there and a meeting is being held.

Reportedly with him are Gen. Omar Bradley, Gen. Carl Spaatz and Admiral Louis E. Denfield, chiefs of the ground, air and sea forces, respectively.

Also reported in the party are Fleet Admiral William D. Leahy, chief of staff to the commander-in-chief; Maj. Gen. A. M. Greunther, director of the joint chiefs of staff; W. J. McNeil, special assistant to Secretary Forrestal; Maj. Gen. Albert C. Wedemeyer, army planning chief; Lt. Gen. Lauris Norstead, air forces deputy chief of staff for operations; Adm. Arthur William Radford, assistant deputy chief of naval operations, and others.

A brass tacks session was indicated by an announcement from Forrestal's Washington office that "arguments" over wartime duties of the armed services were intended to be "settled."

The sessions will last through the weekend.

WHAT WENT THROUGH HIS MIND IN THE LONE HOURS BEFORE HIS BODY WAS PICKED UP OUTSIDE THE FOREIGN OFFICE BUILDING PROBABLY WILL NEVER BE KNOWN. NO LIGHT HAS BEEN SHED IN HIS LAST HOUR-LONG TALK WITH HIS OLD FRIEND BENES ON THE DAY BEFORE.

SO FAR NO ONE KNOWS WHETHER MASARYK WAS DISTRUSTED OR IN DISFAVOR IN MOSCOW, OR WITH HIS OWN GOVERNMENT. HE WAS KNOWN FOR HIS FRANK TALK IN PRIVATE CONVERSATION, HOWEVER, AND SOME OF THIS MAY HAVE MILITATED AGAINST HIM.

HIS FRIENDS SAID MASARYK WANTED TO LIVE TO DO WHAT HE COULD FOR PEACE. THEY ASKED NOW IF HE HAD REACHED THE DECISION THAT HIS WORK TO KEEP THE EASTERN AND WESTERN WORLDS TOGETHER WAS HOPELESS.

HIS CLOSEST FRIENDS EXPRESSED NO DOUBT THAT MASARYK HAD ENDED HIS OWN LIFE.

HOWEVER, THE URGENCY OF HIS REASON WAS A BIG QUESTION, BECAUSE MASARYK HAD SHOWN HIMSELF DESIROUS OF REMAINING ALIVE TO FIGHT FOR PEACE.

HIS EVERY PUBLIC SPEECH IN THE LAST SIX MONTHS HAD ARGUED THAT THE WORLD MUST NOT BE DIVIDED; THAT BETWEEN MOSCOW ON THE ONE HAND AND WASHINGTON ON THE OTHER THERE MUST BE AN END TO QUARRELING.

HE WAS ONE MAN WHO HAD A CHANCE TO TALK TO BOTH SIDES, IN FLAWLESS ENGLISH TO THE ONE, IN RUSSIAN AND SLAV DIALECT TO THE OTHER. HIS FIRM STAND AGAINST GERMAN AGGRESSION BESPOKE HIS GOOD REPUTATION IN EASTERN QUARTERS.

MANY QUESTIONS WERE RAISED BY HIS DEATH.

WAS HE SUSPECT OR AT LEAST IN DISFAVOR IN MOSCOW?

WAS HE SUSPECT OR IN DISFAVOR IN HIS OWN GOVERNMENT?

HAD MASARYK'S FRANK TALK IN PRIVATE CONVERSATION MILITATED

AGAINST HIM?
HE TOLD THIS CORRESPONDENT PRIVATELY IN PARIS A YEAR AGO HE DEPLORED THE LACK OF A SENSE OF HUMOR IN THE RUSSIAN DIPLOMAT, AND WHAT HE CALLED THE SOVIET BAD SENSE OF PUBLIC RELATIONS.
THIS CORRESPONDENT NEVER HAS REPEATED THAT STATEMENT TO OTHERS. BUT IF MASARYK SAID IT CASUALLY TO ONE, HE MAY HAVE SAID THAT AND MORE TO OTHERS.
WHAT DID HE DISCUSS WITH PRESIDENT EDUARD BENES FOR FOUR HOURS ON TUESDAY, IN HIS FIRST LONG TALK THIS WEEK WITH HIS OLD FRIEND? ONLY A YEAR SEPARATED THEM IN AGE, BUT BENES ALWAYS HAS BEEN REGARDED AS AN OLD MAN, MASARYK AS A YOUNG ONE.
DID REJECTION OF THE SLAV MINISTERS' DEMAND FOR REPRESENTATION IN LONDON TALKS ON GERMAN RECONSTRUCTION AND POSSIBLE AGGRESSION SO DISHEARTEN HIM AS TO SEND HIM ON A DEATH PLUNGE?
OR HAD MASARYK REACHED THE HORRIFYING PERSONAL DECISION THAT HIS WORK TO KEEP THE WORLD TOGETHER WAS ENTIRELY HOPELESS?
THOSE QUESTIONS ARE UNANSWERED; PERHAPS UNANSWERABLE.

PAPANEK PLANS IN THE NEXT FEW DAYS TO CONSULT WITH LUIS PADILLA NERVO OF MEXICO, PRESIDENT OF THE U.N. LITTLE ASSEMBLY WITH A VIEW TO TAKING HIS DEMAND TO THAT U.N. ORGAN.

THE U.N. MADE NO RULING ON PAPANEK'S STATUS AS A DELEGATE. THE DECISION WAS MADE SOLELY ON THE DOCUMENT ITSELF AND IT WAS UNDERSTOOD THAT U.N. OFFICIALS CONSIDERED IT WAS NOT A COMMUNICATION FROM THE CZECHOSLOVAK GOVERNMENT SINCE IT CONTAINED AN ATTACK ON THAT GOVERNMENT.

Might Lead Dividends

By Robert Hewett

London, March 11--(ap)--British industrialists recommended tonight that 1948 corporation dividends be frozen voluntarily at last year's levels to combat inflation.

MAR 1948

The voluntary plan to curb profits and fix price ceilings at present levels was presented to the chancellor of the exchequer, Sir Stafford Cripps.

Cripps, the boss of Britain's economic drive, warned last month that he would fix compulsory profit limits if industry did not produce a [redacted] plan to join in the government's anti-inflation program. [redacted]

Practically all of Britain's manufacturers are represented in the three organizations that produced the profits curb scheme. They are the Federation of British Industries, the association of British [redacted] Chambers of Commerce and the National Union of Manufacturers.

Sir Norman Kipping, director general of the federation, told a news

conference he was confident British manufacturers would agree to price and profit restrictions. But he emphasized that the government had the power to force the compliance of individual firms.

The industrialists said in their report: "We recognize that the country is in an economic crisis greater than any with which it has been confronted in the past century of its history."

They proposed that the voluntary price ceilings and the curb on dividends be limited to one year. The government's reaction to the manufacturers' proposal was not known immediately. Cripps told Sir Frederick Bain, president of the federation, that he would give his views next week.

unless the government curtailed public spending and labor refrained from seeking increased wages. The government already has asked labor unions to agree to a voluntary ban on wage raises, BUT A NUMBER OF UNIONS HAVE INDICATED THEY WILL GO AHEAD WITH THEIR DEMANDS FOR HIGHER WAGES.

Any surplus piled up by restricting dividends would be used for price reductions or would be plowed back into the business, Kipping said.

The report urged manufacturers to make a determined drive for price reduction. MAR 1948

LONDON, MARCH 11-(AP)-HOLLYWOOD AND THE BRITISH GOVERNMENT SETTLED THEIR FILM TAX DISPUTE TODAY. A COMPROMISE AGREEMENT WILL END THE SEVEN-MONTHS HOLLYWOOD BAN ON EXPORT OF NEW MOVIES TO BRITAIN.

HAROLD WILSON, PRESIDENT OF THE BOARD OF TRADE, ANNOUNCED IN THE HOUSE OF COMMONS THAT BRITAIN WILL WITHDRAW THE 75 PER CENT TAX ON FOREIGN FILMS THAT WAS IMPOSED LAST AUGUST TO SAVE DOLLARS.

ERIC JOHNSTON, PRESIDENT OF THE MOTION PICTURE ASSOCIATION OF AMERICA, SAID THE AGREEMENT MAKES CONCESSIONS TO BRITAIN'S NEEDS TO ECONOMIZE AND WILL BE SIGNED FORMALLY TOMORROW. HE SAID THE AMERICAN FILM INDUSTRY HAD APPROVED THE COMPROMISE.

ACTUAL CANCELLATION OF THE 75 PER CENT TAX ON EARNINGS OF FOREIGN FILMS PROBABLY WILL FOLLOW ABOUT APRIL 1 AND THE FIRST NEW FILMS SHOULD ARRIVE SOON AFTER. THE AGREEMENT WILL BE EFFECTIVE FROM JUNE 14 FOR FOUR YEARS AND IS SUBJECT TO REVIEW AFTER TWO YEARS.

UNITED STATES PRODUCERS WILL BE ALLOWED TO TAKE OUT OF BRITAIN $17,000,000 OF THEIR ANNUAL EARNINGS ON THEIR FILMS SHOWN HERE. THIS IS ABOUT A QUARTER OF WHAT AMERICAN FILM COMPANIES EARNED HERE IN 1946.

IN ADDITION, THEY WILL BE ALLOWED TO WITHDRAW IN DOLLARS A SUM EQUIVALENT TO THE EARNINGS OF BRITISH FILMS SHOWN IN THE UNITED STATES, ITS POSSESSIONS AND THE PHILIPPINES. THE $17,000,000 THEREFORE REPRESENTS A MINIMUM FIGURE WHICH WILL BE SWOLLEN BY THE SIZE OF BRITISH FILM EARNINGS IN THE UNITED STATES. LAST YEAR BRITISH EARNINGS IN THE U.S. WERE ABOUT $4,000,000. THE $17,000,000 FIGURE COVERS EARNINGS FROM OLD FILMS AS WELL AS THE NEW ONES TO COME.

WILSON SAID THE AGREEMENT WOULD LIKELY BE AN INCENTIVE FOR THE AMERICAN FILM INDUSTRY TO PUSH BRITISH FILMS IN AMERICA.

THE AMERICANS WILL BE ALLOWED TO RETAIN THE REMAINDER OF THEIR EARNINGS IN STERLING FOR EXPENDITURE HERE OR IN THE STERLING AREA.

JOHNSTON SAID THIS BALANCE COULD BE USED TO COVER ADVERTISING, PRODUCTION AND DISTRIBUTION COSTS, THE PURCHASE AND BUILDING OF THEATERS, SALARY PAYMENTS TO BRITISH STARS FILLING HOLLYWOOD CONTRACTS, OR INVESTMENT IN OTHER UNDERTAKINGS OUTSIDE THE FILM INDUSTRY SUCH AS TELEVISION, RADIO, RECORDING AND FILM EQUIPMENT MANUFACTURE. MAR 1948

"WE SHALL TRY TO TAKE ALL THE UNREMITTED STERLING AND USE IT FOR THE GOOD OF THE AMERICAN FILM INDUSTRY, BUT IN A WAY THAT WILL NOT BE INIMICAL TO THE BRITISH ECONOMY," JOHNSTON EXPLAINED.

HE SAID THE SETTLEMENT WAS "BENEFICIAL TO BOTH SIDES."

"HAD THE TAX REMAINED ON THE BRITISH STATUTE BOOKS IT MIGHT WELL HAVE BECOME A PATTERN FOR THE TAX POLICY ON FOREIGN FILMS AROUND THE WORLD," HE EXPLAINED. "THAT RISK HAS NOW BEEN AVERTED."

BRITAIN LEVIED THE TAX TO SCALE DOWN THE MONEY IT WAS EXPORTING FOR HOLLYWOOD FILMS. SHE SPENT $68,000,000 FOR FILMS IN 1946 AND NO LONGER HAD THE DOLLARS TO SPARE.

IMPOSITION OF THE TAX PROMPTLY PROVOKED A HOLLYWOOD EMBARGO ON FURTHER FILM SHIPMENTS TO THIS COUNTRY, CUTTING OFF A LITTLE MORE THAN HALF ITS FOREIGN MARKETS.

--DASH--

IN NEW YORK, PRESIDENT BARNEY BALABAN OF PARAMOUNT PICTURES SAID HE WAS "DELIGHTED THAT THE IMPASSE HAS BEEN BROKEN AND THAT THE BRITISH GOVERNMENT HAS RECOGNIZED THE VALIDITY OF MR.JOHNSTON'S ARGUMENT THAT THE INDUSTRY COULD NOT LIVE UNDER THE TAX AS IMPOSED.

"NOW THAT THE BRITISH TAX DIFFICULTIES HAVE BEEN SETTLED AND WE CAN LOOK FORWARD TO AN INCOME FROM OUR PRINCIPAL CUSTOMER IN THE FOREIGN MARKET, WE CAN ALL SETTLE DOWN TO THE JOB OF GETTING OUR HOUSE IN ORDER."

BALABAN SAID THE MOVIE INDUSTRY "FACES THE PROBLEM OF HIGH OPERATING COSTS AGGRAVATED BY A 4.9 PER CENT DECLINE IN WORLD FILM RENTALS" AND "THE EFFECT OF THIS HAS BEEN TO WIPE OUT PRACTICALLY ALL ITS WORLD WIDE PRODUCTION AND DISTRIBUTION PROFITS."

"THE COMPROMISE," HE SAID, "WILL CAUSE A FURTHER REDUCTION IN THE FLOW OF DOLLARS OF SOMEWHERE BETWEEN $20,000,000 (M) AND $30,000,000 (M) ANNUALLY. SINCE THIS NEW ARRANGEMENT DOES NOT GO INTO EFFECT UNTIL JUNE 14, THE AMERICAN PRODUCING AND DISTRIBUTING INDUSTRY HAS THAT TIME WITHIN WHICH TO EFFECT FURTHER REDUCTIONS IN PRODUCTION AND OTHER OPERATING COSTS."

OTHER FILM OFFICES IN NEW YORK HAD NO COMMENT IMMEDIATELY.

HOLLYWOOD,MARCH 11-(AP)-AMAZEMENT AND JUBLICATION WAS HOLLYWOOD'S INITIAL REACTION TODAY TO NEWS THAT BRITAIN HAD CANCELLED ITS 75 PER CENT AD VALOREM TAX ON AMERICAN MOVIE PROFITS.

MANY TOP PRODUCERS DECLINED TO COMMENT ON THE TURN OF EVENTS--GENERALLY UNEXPECTED HERE--UNTIL NOTIFIED BY THEIR NEW YORK OFFICES. SPOKESMEN WHO COULD BE REACHED, HOWEVER, WERE UNANIMOUS IN SAYING "IT'S ALMOST TOO GOOD TO BE TRUE."

PRODUCER HARRY SHERMAN, A LEADING MAKER OF WESTERNS, SAID:

"REMOVAL OF THE FILM TAX GIVES THE GREEN LIGHT TO THE GREATEST SURGE OF PRODUCTION ACTIVITY IN HOLLYWOOD'S HISTORY.

SAID SAM WOOD, A TOP PRODUCER-DIRECTOR:

"THE BRITISH GOVERNMENT'S ACTION IN JETTISONING THE 75 PER CENT FILM TAX IS NOT ONLY A STIMULATION TO THE AMERICAN FILM INDUSTRY BUT IS A POSITIVE STEP FORWARD IN ALL PHASES OF INTERNATIONAL TRADE RELATIONS. SLAPPING ON OF THIS TAX HAD THROWN A SHADOW OF DISTRUST OVER RELATIONS IN MANY OTHER FIELDS, DUE TO THE FACT THAT IT SET A PRECEDENT THAT COULD HAVE JEOPARDIZED MUCH OF OUR INTERNATIONAL TRADE."

SPOKESMEN WHO DECLINED TO BE QUOTED VIEWED THE END OF THE DISPUTE AS "A SHOT IN THE ARM" COMING AT A TIME WHEN THE INDUSTRY IS SUFFERING A MINOR DEPRESSION.

REVENUE FROM FOREIGN COUNTRIES HAS FOR YEARS PROVIDED THE BULK OF THE INDUSTRY'S PROFIT, THEY POINTED OUT. DOMESTIC REVENUE JUST ABOUT PAYS THE COST IN MOST INSTANCES OF MAKING AND DISTRIBUTING MOVIES, AND BRITAIN WAS THE U.S. MOVIE INDUSTRY'S LARGEST CUSTOMER ABROAD.

THESE SPOKESMEN FORESAW THAT REOPENING OF A MAJOR MARKET FOR U.S. MOVIES WOULD RESULT IN INCREASED EMPLOYMENT AND MORE ELABORATE PICTURES. SINCE IMPOSITION OF THE TAX, EMPLOYMENT HAS BEEN CUT BY THE HUNDREDS AND HOLLYWOOD'S WATCHWORD HAS BEEN "LESS MONEY."

IN NORTHERN PALESTINE, MARCH 11 (AP) MARTIAL LAW HAS BEEN DECREED IN ALL NORTHERN PALESTINE, EFFECTIVE AT DAWN TODAY, BY FAWZI BEY AL KAUKJI, ARAB COMMANDER.

HIS HEADQUARTERS SAID PRISONS NOW ARE BEING ESTABLISHED IN HIS ORDER LAST NIGHT.

HIS HEADQUARTERS SAID PRISONS NOW ARE BEING ESTABLISHED IN THE MOUNTAIN TOP VILLAGE WHERE FAWZI BEY HAS SET UP HIS COMMAND. SEVERAL PERSONS ALREADY HAVE BEEN ARRESTED AND ARE AWAITING TRIAL BEFORE MILITARY COURTS, WHICH OFFICERS SAID WILL BEGIN SITTING SOON IN ALL MAJOR TOWNS AND CITIES OF THE NORTHERN HOLY LAND.

THE COURTS ARE TO BE OPERATED BY ARAB LAWYERS NOW ATTACHED TO THE ARAB ARMY, WHICH ENTERED PALESTINE LAST WEEK IN READINESS TO FIGHT PARTITION OF THE HOLY LAND, VOTED BY THE UNITED NATIONS LAST NOV.29. FAWZI BEY SAID PUNISHMENTS WILL BE "STRICT AND SEVERE."

ARMY INFORMANTS SAID AMONG THOSE NOW BEING HELD FOR TRIAL IS A JEWISH WOMAN "WHO TRIED TO POSE AS AN ENGLISH NEWSPAPERWOMAN." THEY SAID THE WOMAN, WHOSE IDENTITY WAS NOT DISCLOSED, WAS ARRESTED IN A SAMARIAN MOUNTAIN VILLAGE TUESDAY WHILE TRYING TO ARRANGE AN INTERVIEW WITH FAWZI BEY.

THE ARAB COMMANDER AND HIS STAFF NOW ARE BUSY STUDYING MAPS AND INTELLIGENCE REPORTS IN PREPARATION TO TAKE THE OFFENSIVE AGAINST THE JEWS.

1. RETENTION OF THE PRESENT GOVERNMENT BY COMMISSION.
2. RETURN OF RESPONSIBLE SELF-GOVERNMENT.
3. CONFEDERATION WITH CANADA.

THE BIG ISLAND, THE OLDEST ENGLISH COLONY, WENT UNDER A COMMISSION FORM OF GOVERNMENT IN 1933 WHEN FINANCIAL TROUBLES COMPELLED THE BRITISH GOVERNMENT TO STEP IN. EXECUTIVE POWER IS VESTED IN THE GOVERNOR, ACTING ON ADVICE OF THREE COMMISSIONERS FROM NEWFOUNDLAND AND THREE FROM THE UNITED KINGDOM.

A NATIONAL CONVENTION WAS ELECTED IN 1946 TO RECOMMEND TO LONDON POSSIBLE FORMS OF FUTURE GOVERNMENT. IT VOTED 29-16 AGAINST THE PROPOSITION TO JOIN CANADA. THE BRITISH GOVERNMENT, HOWEVER, INCLUDED THE PROPOSAL ON THE BASIS OF A MINORITY REPORT.

JOSEPH SMALLWOOD, ADVOCATE OF UNION WITH CANADA, SAID 50,000 OF THE 330,000 NEWFOUNDLANDERS SIGNED PETITIONS ASKING THAT CONFEDERATION BE ON THE BALLOT.

WHEN THE PRESIDENT WAS ASKED WHETHER THE KEY WORD IN THAT REMARK WAS THE "PROMPTLY" HE SAID THAT WAS CORRECT.

MR.TRUMAN WAS THEN REMINDED THAT LAST DECEMBER AS ON MANY PREVIOUS OCCASIONS, HE HAD EXPRESSED CONFIDENCE IN THE EVENTUAL ATTAINMENT OF GENERAL WORLD PEACE; DID HE STILL HOLD THAT SAME CONFIDENCE?

THE PRESIDENT'S REPLY, ALTHOUGH HE IMMEDIATELY MODIFIED IT, WAS PROBABLY THE MOST PESSIMISTIC STATEMENT HE HAS EVER MADE PUBLICLY ON THE OUTLOOK FOR PEACE. HIS CONFIDENCE, HE SAID, HAS BEEN SOMEWHAT SHAKEN. HE DID NOT GIVE THE REASONS FOR THIS. THEN HE ADDED THAT HE STILL BELIEVES THE WORLD CAN GET PEACE BECAUSE IT MUST HAVE IT.

THE WORLD CANNOT AFFORD THE DESTRUCTION OF ANOTHER WORLD WAR, THE CHIEF EXECUTIVE EMPHATICALLY ASSERTED.

WASHINGTON (AP-Truman)

THE QUESTION OF AMERICAN POLICY ON CHINA AROSE JUST 24 HOURS AFTER SECRETARY OF STATE MARSHALL DISCUSSED THIS AT A NEWS CONFERENCE. MARSHALL SAID THAT THE UNITED STATES POLICY FAVORING A BROADENING OF THE BASE OF THE CHINESE GOVERNMENT STILL STANDS.

THAT POLICY WAS FIRST ANNOUNCED FORMALLY IN DECEMBER, 1945, SHORTLY BEFORE MARSHALL WENT TO CHINA TO TRY TO WORK OUT A PLAN BY WHICH THE CHINESE COMMUNISTS WOULD HAVE A VOICE IN THE CHINESE GOVERNMENT AND CHINA THEREBY BE UNIFIED.

MARSHALL WAS ASKED SPECIFICALLY YESTERDAY WHETHER BROADENING THE CHINESE GOVERNMENT MEANT INCLUDING THE CHINESE COMMUNISTS. HE WAS UNDERSTOOD BY SOME REPORTERS TO HAVE REPLIED YES, BUT THAT THE TROUBLE IS THAT THE COMMUNISTS ARE NOW IN OPEN REBELLION AGAINST THE GOVERNMENT. THEREFORE, HE SAID, THE MATTER IS ONE FOR THE CHINESE GOVERNMENT TO DECIDE AND NOT ONE FOR THE UNITED STATES TO DICTATE.

TODAY THE STATE DEPARTMENT ISSUED A RESTATEMENT OF MARSHALL'S REPLY ON THIS POINT. THE STATEMENT COVERED HIS REFERENCE TO THE COMMUNISTS BEING IN REBELLION AND THAT THE DECISION IS UP TO THE CHINESE GOVERNMENT.

IT CONTAINED NO REFERENCE TO MARSHALL SAYING THAT AMERICAN POLICY STILL FORMALLY FAVORS INCLUSION OF THE COMMUNISTS IN THE GOVERNMENT.

MR.TRUMAN'S COMMENTS ON CHINA POLICY WENT FAR BEYOND THOSE OF HIS SECRETARY OF STATE. HE SAID THAT HE DID NOT KNOW IT HAD EVER BEEN THE POLICY OF THE AMERICAN GOVERNMENT TO INCLUDE COMMUNISTS IN THE GOVERNMENT OF CHINA. IF SO, HE ADDED, IT WAS NEWS TO HIM.

AMERICAN POLICY, HE SAID, HAS BEEN TO TRY TO HELP THE CHINESE GOVERNMENT MAINTAIN PEACE IN THE FAR EAST. BROADENING THAT GOVERNMENT DOES NOT INCLUDE TAKING IN COMMUNISTS, THE PRESIDENT DECLARED.

HE WAS THEN ASKED WHAT WAS MARSHALL'S PURPOSE IN HIS MISSION IN CHINA BEFORE HE BECAME SECRETARY OF STATE. THE PRESIDENT REPLIED THAT MARSHALL'S TASK WAS TO ENDEAVOR TO ASSIST THE GOVERNMENT OF CHIANG KAI SHEK TO MEET THE SITUATION WITH WHICH IT WAS CONFRONTED. (THE SITUATION AT THAT TIME WAS THAT CHIANG AND THE COMMUNIST LEADERS WERE TRYING TO WORK OUT AN ARRANGEMENT TO UNIFY CHINA THROUGH SOME SORT OF COALITION GOVERNMENT.)

FROM BEFORE THE TIME MARSHALL WENT TO CHINA UNTIL THE PRESENT, THERE HAD NEVER BEEN ANY FORMAL CHALLENGE TO THE WIDELY DISCUSSED IDEA THAT AMERICAN POLICY WAS AIMED AT GETTING THE CHIANG GOVERNMENT AND THE CHINESE COMMUNISTS TOGETHER.

MR.TRUMAN'S PRONOUNCEMENTS ON THAT SUBJECT TODAY MIGHT, THEREFORE, BE INTERPRETED AS MARKING A REVERSAL OF AMERICAN POLICY ON THAT POINT.

THE PRESIDENT WAS BOTH SWEEPING AND PRECISE IN WHAT HE HAD TO SAY. THE U.S. GOVERNMENT, HE DECLARED, DOES NOT WANT A COMMUNIST GOVERNMENT IN CHINA OR ANYWHERE ELSE IF THIS GOVERNMENT CAN HELP IT.

A43WX

A REPORTER THEN SUGGESTED MR.TRUMAN MIGHT BE USING THE WORD "COMMUNIST" IN A DIFFERENT WAY FROM THAT IN WHICH HIS QUESTIONERS WERE USING IT.

THE PRESIDENT SAID THAT THERE IS A VERY GREAT DIFFERENCE BETWEEN LIBERALS AND COMMUNISTS. COMMUNISTS, HE SAID, BELIEVE IN GOVERNMENT FROM THE TOP--TOTALITARIAN RULE. THERE ARE A GREAT MANY LIBERALS IN CHINA, HE CONTINUED, SOME OF THEM EDUCATED IN AMERICA AND THEY FORM WHAT MIGHT BE CALLED THE INTELLIGENTSIA OF CHINA. THOSE ARE THE PEOPLE THAT THE UNITED STATES BELIEVE SHOULD BE INCLUDED IN A BROADER CHINESE GOVERNMENT.

ON OTHER FOREIGN AFFAIRS QUESTIONS, MR.TRUMAN SAID:

HE KNOWS OF NO FOUNDATION FOR ANY RUMORS THAT HE MIGHT MEET WITH

30.24- 16193

PREMIER STALIN OF RUSSIA. HE HAS NOT BEEN APPROACHED ON A MEETING.
IF KING MICHAEL OF ROMANIA, WHO HAS JUST ARRIVED IN THIS COUNTRY, WANTS TO SEE THE PRESIDENT, HIS REQUEST FOR AN APPOINTMENT WILL BE COURTEOUSLY TREATED.
HE WAS WELL ACQUAINTED WITH FOREIGN MINISTER JAN MASAYRK OF CZECHOSLOVAKIA AND FEELS VERY BADLY ABOUT HIS DEATH IN PRAGUE YESTERDAY.
THE PRESIDENT SAID HE COULD NOT MAKE AN OFFICIAL STATEMENT AT THIS TIME, BECAUSE HE HAS RECEIVED NO OFFICIAL REPORTS ON THE EVENT. HE ADDED, THAT HE AGREED WITH GENERAL MARSHALL THAT AMERICANS SHOULD BE CAREFUL NOT TO LET THEIR PASSIONS GET THE BETTER OF THEM BEFORE THEY KNOW ALL THE FACTS.
THE END OF THE FIRST YEAR OF THE "TRUMAN DOCTRINE" FINDS THE UNITED STATES IN THE MIDST OF THE WORST INTERNATIONAL CRISIS SINCE THE END OF WORLD WAR II. BOTH HERE AND ABROAD APPEARS EVIDENCE THAT A FATEFUL SHOWDOWN WITH RUSSIA THIS SPRING IS INEVITABLE.

IT WAS ON MARCH 12 LAST YEAR THAT PRESIDENT TRUMAN TOLD THE CONGRESS "IT MUST BE THE POLICY OF THE UNITED STATES TO SUPPORT FREE PEOPLES WHO ARE RESISTING ATTEMPTED SUBJUGATION BY ARMED MINORITIES OR BY OUTSIDE PRESSURES."
HE WAS ASKING FOR HELP FOR GREECE AND TURKEY. IT AMOUNTED TO A DEMAND FOR A "STOP RUSSIA" POLICY IN THE MIDDLE EAST. CONGRESS RESPONDED WITH $400,000,000 TO BOLSTER TURKEY AGAINST DIRECT PRESSURE FROM RUSSIA AND TO SUPPORT GREECE AGAINST WHAT AMERICAN OFFICIALS CALL THE "INTERNAL AGGRESSION" OF THE COMMUNISTS.
BUT THE EFFECT OF THE DOCTRINE WAS MUCH GREATER AND ITS POTENTIAL APPLICATION TO OTHER COUNTRIES FORESHADOWED MAJOR DEVELOPMENTS IN AMERICAN FOREIGN POLICY IN EUROPE. ONE OF THE MOST IMMEDIATE RESULTS WAS THE IMPACT ON THE BIG FOUR FOREIGN MINISTERS CONFERENCE ON A GERMAN PEACE TREATY AT MOSCOW. FRANCE SUDDENLY BEGAN TO LINE UP MORE AND MORE WITH THE WESTERN POWERS AND TO SHOW LESS FEAR OF RUSSIA.
ALL OVER EUROPE, DIPLOMATIC REPORTS TO THE STATE DEPARTMENT EMPHASIZED, THERE WAS A REACTION THAT THE UNITED STATES HAD FINALLY DECIDED TO STOP MAKING SPEECHES ABOUT POLITICAL FREEDOM AND THE RUSSIAN THREAT AND INSTEAD TO START DOING SOMETHING.
TO THE EXTENT THAT AMERICAN OFFICIALS HOPED THE DECLARATION OF THE TRUMAN DOCTRINE PLUS A FEW HUNDRED MILLION DOLLARS WOULD BE SUFFICIENT TO STOP RUSSIA THE GREEK-TURKISH POLICY HAS NOT SUCCEEDED. AT ONE POINT MONTHS AGO THE STATE DEPARTMENT GENERALLY TOOK THE LINE THAT BOTH GREECE AND TURKEY COULD BE "SAVED" WITHIN THE 12 MONTHS ENDING JUNE 30,1948. BUT NOW SECRETARY OF STATE MARSHALL HAS HAD TO ASK CONGRESS FOR AN ADDITIONAL $275,000,000 (M) TO CARRY ON MILITARY HELP TO GREECE AND TURKEY FOR ANOTHER YEAR. THERE MAY BE OTHER REQUESTS FOR FUTURE YEARS.

MAR 1948

A195WX

INSOFAR AS THE PROGRAM WAS DESIGNED TO MAKE A START ON STOPPING SOVIET COMMUNIST EXPANSION IT HAS REGISTERED AT LEAST PARTIAL SUCCESS. OFFICIALS CITE IN SUPPORT OF THIS CONCLUSION THE FACT THAT TURKEY HAS NOT YIELDED TO RUSSIAN THREATS, THAT GREECE HAS NOT FALLEN TO THE COMMUNIST REBELS AND THAT THERE IS STILL A CONVICTION THROUGHOUT EUROPE THAT THE UNITED STATES WHEN THE SHOWDOWN COMES--AND IF IT COMES--WILL STAND BY THE POLICY WHICH PRESIDENT TRUMAN DECLARED A YEAR AGO.
THE INADEQUACY OF THE GREEK-TURKISH PHASE OF THE TRUMAN DOCTRINE WAS DEMONSTRATED ALMOST BEFORE HELP BEGAN MOVING TO THOSE STRATEGIC COUNTRIES. FOR THE ECONOMIC BREAK-DOWN OF ALL WESTERN EUROPE QUICKLY BECAME A CAUSE OF GREAT ALARM IN WASHINGTON AND RESULTED IN THE FURTHER DEVELOPMENT OF AMERICAN POLICY IN JUNE LAST YEAR. AT THAT TIME SECRETARY MARSHALL PROMISED THAT THE UNITED STATES WOULD HELP COOPERATING EUROPEAN NATIONS THAT WERE WILLING TO HELP THEMSELVES. THUS THE MARSHALL PLAN DEVELOPED AS AN ECONOMIC BARRIER TO THE SPREADING OF COMMUNISM THROUGH CHAOS.
BUT THERE IS CONSIDERABLE FEAR BOTH IN WASHINGTON AND EUROPEAN CAPITALS TODAY THAT THE SITUATION IS AGAIN GETTING OUT OF HAND. THE GOVERNMENTS OF BRITAIN, FRANCE, BELGIJM, HOLLAND AND LUXEMBOURG, MEETING IN BRUSSELS THIS WEEK, ARE TRYING TO FIND ANOTHER PART OF THE ANSWER IN A WESTERN EUROPEAN PACT.
IT SEEMS A FOREGONE CONCLUSION HERE THAT WHEN THEY WORK OUT SUCH AN AGREEMENT IN THE NEXT FEW DAYS, THE UNITED STATES SOON AFTERWARD WILL BE INVITED TO SUPPORT IT WITH AMERICAN MILITARY GUARANTEES. THAT IS AN ASPECT OF HOLDING THE LINE IN EUROPE WHICH WAS NOT CONTEMPLATED IN EITHER THE TRUMAN DOCTRINE OR THE MARSHALL PLAN BUT WHICH MIGHT GROW OUT OF THEM.
HOWEVER, THE CRISIS WHICH SECRETARY OF STATE MARSHALL DESCRIBED YESTERDAY AS "VERY, VERY SERIOUS" IS A CRISIS WHICH NONE OF THESE MEASURES IN ITSELF MAY BE SUFFICIENT TO STEM. SPECIFICALLY IT HAS GROWN OUT OF THE SPREAD OF COMMUNIST POWER IN EASTERN EUROPE AND THE THREAT NOW DYNAMICALLY POSED AGAINST WESTERN EUROPE, PARTICULARLY ITALY.
THE TRUMAN DOCTRINE WAS HARDLY OUT OF THE ARGUMENT STAGE LAST YEAR WHEN COMMUNIST FORCES SEIZED THE GOVERNMENT IN HUNGARY AND PUT AN END TO THE LAST VESTIGES OF WESTERN TYPE POLITICAL FREEDOM IN THE BALKAN AREA. THE RECENT SEIZURE OF POWER IN CZECHOSLOVAKIA AND RUSSIA'S INSISTENCE ON A "MUTUAL DEFENSE" TREATY WITH FINLAND--BOTH NATIONS WITH CLOSE AMERICAN TIES--HAVE PRODUCED A SHOCK FAR BEYOND ANY THING THAT SECRETARY MARSHALL AND HIS ADVISERS APPARENTLY EXPECTED.
THE TRUMAN DOCTRINE WAS NEVER TAILORED TO FIT COUNTRIES IN THE SOVIET ORBIT OF EASTERN EUROPE. THE UNITED STATES LIFTED ONLY A FEEBLE VOICE IN PROTEST AGAINST THE FALL OF HUNGARY. IT DID NOT IN any WAY CHANGE THE SITUATION.

MAR 1948

A196WX

BUT THE COMMUNIST CONQUEST OF CZECHOSLOVAKIA AND THE DEMANDS ON FINLAND EVIDENTLY MARK THE END OF ONE WHOLE PHASE OF RUSSIA'S POSTWAR POLICY. THE CONSOLIDATION OF EASTERN EUROPE UNDER RUSSIAN POWER, EITHER DIRECT OR INDIRECT, IS NOW VIRTUALLY COMPLETED. THE PROBLEM THAT HAS AMERICAN OFFICIALS WORRIED, IS, WHAT NEXT? THE ONLY WAYS THEY SEE FOR RUSSIA TO MOVE NOW INVOLVE COUNTRIES WHERE THE TRUMAN DOCTRINE WOULD APPLY.
THAT IS WHY SO MUCH FEAR IS FELT OF A REAL SHOWDOWN THIS SPRING BETWEEN EXPANDING POWER OF SOVIET COMMUNISM AND THE RALLYING FORCES OF THE WESTERN NATIONS.
THE FOCAL POINT OF PRACTICALLY ALL AMERICAN CONCERN AT THE MOMENT IS ITALY. ELECTIONS ARE SCHEDULED FOR APRIL 18. THE UNITED STATES MAY BE EXPECTED TO DO ALL IT REASONABLY CAN TO MINIMIZE THE COMMUNIST VOTE IN ITALY AND PREVENT THE COMMUNIST RISE TO POWER IN THAT MAJOR WESTERN EUROPEAN COUNTRY.
WHETHER AVAILABLE MEASURES WHICH THIS GOVERNMENT MAY FIGURE OUT WILL SUCCEED AND WHETHER THE COMMUNISTS MAY RESORT TO THE USE OF ARMED FORCE ARE AMONG THE QUESTIONS WHICH WILL BE A MEASURE OF HOW CRITICAL THE SPRINGTIME CRISIS WILL BE THIS YEAR.

TRUMAN TEXT

WASHINGTON, MARCH 11-(AP)-THE TEXT OF PRESIDENT TRUMAN'S LETTER ASKING CONGRESS FOR $55,000,000 ADDITIONAL TEMPORARY EUROPEAN AID:

I HAVE THE HONOR TO SUBMIT FOR THE CONSIDERATION OF THE CONGRESS A SUPPLEMENTAL ESTIMATE OF APPROPRIATION FOR THE FISCAL YEAR 1948 IN THE AMOUNT OF $55,000,000 FOR ADDITIONAL AID UNDER THE FOREIGN AID ACT OF 1947.

MAINTENANCE OF A CONTINUING FLOW OF ESSENTIAL SUPPLIES TO AUSTRIA, FRANCE AND ITALY IS IMPERATIVE FOR THE PRESERVATION OF THE ECONOMIES OF THESE COUNTRIES. THERE NOW IS GRAVE DANGER THAT A BREAK IN THE SUPPLY PIPELINE WILL OCCUR BETWEEN THE END OF THE INTERIM AID PROGRAM, WHICH THE CONGRESS AUTHORIZED TO CONTINUE TO MARCH 31, AND THE START OF ANY PROGRAM WHICH COULD BE AUTHORIZED UNDER THE EUROPEAN RECOVERY LEGISLATION NOW BEING CONSIDERED BY THE CONGRESS.

AS SHOWN IN THE ATTACHED LETTER FROM THE DIRECTOR OF THE BUREAU OF THE BUDGET, THERE IS AN IMMEDIATE NEED FOR ADDITIONAL FUNDS IN THE AMOUNT OF $55,000,000 TO PERMIT THE CONTINUED PLACEMENT OF CONTRACTS FOR ESSENTIAL SUPPLIES FOR A BRIEF ADDITIONAL INTERIM PERIOD. THESE ADDITIONAL FUNDS CAN BE PROVIDED UNDER PUBLIC LAW 389 (80TH CONGRESS) WHICH AUTHORIZES THE APPROPRIATION OF $597,000,000 FOR FOREIGN AID. OF THIS AUTHORIZATION $75,000,000 REMAINS UNAPPROPRIATED.

EVENTS WHICH HAVE TAKEN PLACE IN EUROPE DURING RECENT WEEKS DO NOT PERMIT US WITH SAFETY OR PRUDENCE TO RISK A BREAK IN THE SUPPLY FLOW AT THIS CRITICAL MOMENT. I THEREFORE HOPE THAT THE CONGRESS WILL FIND IT POSSIBLE TO MAKE AVAILABLE THE NEEDED FUNDS BEFORE APRIL 1.

THE APPROPRIATION PROPOSED WILL PROVIDE RELIEF ONLY FOR A VERY SHORT PERIOD AND EXTREME URGENCY REMAINS FOR THE EARLIEST POSSIBLE AUTHORIZATION OF THE EUROPEAN RECOVERY PROGRAM ITSELF.

DAY THIRD LEAD FOREIGN

WASHINGTON,MARCH 11-(AP)-SENATOR TAFT (R-OHIO) TODAY INTRODUCED AN AMENDMENT TO SLASH THE $5,300,000,000 (BILLION) AUTHORIZATION FOR EUROPEAN RELIEF TO $4,000,000,000 (BILLION).

TAFT'S SINGLE-HANDED SPONSORSHIP OF THE AMENDMENT CAME AS A SURPRISE. IT HAS BEEN INDICATED PREVIOUSLY THAT IT WOULD BE INTRODUCED BY ONE OR MORE OF A GOP REVISIONIST GROUP, HEADED BY SENATOR WHERRY (R-NEB).

HIS ACTION CAME SHORTLY AFTER PRESIDENT TRUMAN ASKED CONGRESS FOR AN ADDITIONAL $55,000,000 TO HELP TIDE WESTERN EUROPE OVER UNTIL THE EUROPEAN RECOVERY PROGRAM IS ENACTED.

CONGRESS VOTED $540,000,000 TEMPORARY AID LAST FALL, INCLUDING $18,000,000 FOR CHINA.

IT WAS EXPECTED THEN THAT THIS MONEY WOULD LAST UNTIL THE MARSHALL PLAN WAS PASSED.

BUT IN A LETTER TO SPEAKER MARTIN (R-MASS), PRESIDENT TRUMAN SAID:

"EVENTS WHICH HAVE TAKEN PLACE IN EUROPE DURING RECENT WEEKS DO NOT PERMIT US WITH SAFETY OR PRUDENCE TO RISK A BREAK IN THE SUPPLY FLOW AT THIS MOMENT. I THEREFORE HOPE THAT CONGRESS WILL FIND IT POSSIBLE TO MAKE AVAILABLE THE NEEDED FUNDS BEFORE APRIL 1."

MR.TRUMAN SAID THE MONEY IS NEEDED TO PERMIT THE CONTINUED PLACEMENT OF CONTRACTS FOR ESSENTIAL SUPPLIES FOR A "BRIEF ADDITIONAL INTERIM PERIOD."

"THE APPROPRIATION PROPOSED WILL PROVIDE ONLY FOR A VERY SHORT PERIOD AND EXTREME URGENCY REMAINS FOR THE EARLIEST POSSIBLE AUTHORIZATION OF THE EUROPEAN RECOVERY PROGRAM ITSELF," THE PRESIDENT ADDED.

WITHOUT THE ADDITIONAL $55,000,000, MR.TRUMAN SAID, "THERE NOW IS GRAVE DANGER THAT A BREAK IN THE SUPPLY PIPELINE WILL OCCUR" BETWEEN THE END OF INTERIM AID AND THE START OF THE EUROPEAN RECOVERY PROGRAM.

AT THE CAPITOL, REPUBLICAN MEMBERS OF THE HOUSE FOREIGN AFFAIRS COMMITTEE WENT INTO A PRIVATE HUDDLE OVER FOREIGN AID. IT WAS DISCLOSED AFTERWARD THAT ONE THING THEY TALKED OVER WAS WHETHER TO BROADEN AID PROGRAMS AND ALLOW SENDING OF GUNS AND WEAPONS TO ANY COUNTRY.

WASHINGTON,MARCH 11-(AP)-THE $55,000,000 (M) ASKED BY PRESIDENT TRUMAN FOR WESTERN EUROPE TODAY IS ABOUT ENOUGH TO LAST FOUR DAYS--AT THE MARSHALL PLAN RATE OF SPENDING.

THE MARSHALL PLAN, IN THE FORM NOW BEING DEBATED BY THE SENATE, CALLS FOR $5,300,000,000 (B) IN A YEAR, OR ABOUT $14,500,000 (M) A DAY.

THE $55,000,000 (M), HOWEVER, IS INTENDED ONLY FOR STOPGAP PURPOSES WHILE THE FULL-SCALE PROGRAM ENVISIONS A VAST RECONSTRUCTION JOB.

FOREIGN AID

(ADVANCE)-WASHINGTON,MARCH 11-(AP)-SENATOR CAPEHART (R-IND) SAID TODAY AID TO EUROPE SHOULD BE BASED ON AMERICAN PRINCIPLES OF FREE ENTERPRISE.

"IF WE CANNOT STOP THE SPREAD OF COMMUNISM WITH THE SPIRIT OF FREEDOM OUR CAUSE IS LOST," CAPEHART DECLARED.

HE ASKED THE SENATE TO SUBSTITUTE FOR THE MARSHALL PLAN HIS PROPOSAL FOR LOANS THROUGH A SYSTEM OF RECONSTRUCTION FINANCE CORPORATIONS.

THE FREEDOM OF WESTERN EUROPE, HE SAID, CANNOT BE BOUGHT WITH DOLLARS, BUT "WE CAN INSPIRE THE WILL OF THOSE PEOPLE TO BE FREE BY THE METHOD IN WHICH THOSE DOLLARS ARE USED."

CAPEHART'S MEASURE WOULD:

1. INCREASE THE LENDING POWER OF THE RECONSTRUCTION FINANCE CORPORATION FROM $2,000,000,000 (B) TO $5,000,000,000 (B). THE ADDITIONAL $3,000,000,000 WOULD BE ALLOCATED TO A NEW INTERNATIONAL RFC DIVISION.

2. PROVIDE FOR AN OUTRIGHT GRANT OF $2,000,000,000 (B) TO SEND FUEL, FOOD AND CLOTHING TO WESTERN EUROPE. CAPEHART SAID DIRECT RELIEF NEEDS SHOULD BE SEPARATED FROM THE RECOVERY FUNDS, AS HIS BILL PROVIDES AND HE ADDED:

"WHERE THE MARSHALL PLAN IS BASED ON GOVERNMENT-TO-GOVERNMENT PROCEDURE, THE SUBSTITUTE IS BASED ON THE PRIVATE ENTERPRISE-TO-PRIVATE ENTERPRISE PROCESSES SYMBOLIC OF THE AMERICAN SYSTEM."

CAPEHART NOTED THAT A FEW YEARS AGO, THE WARNING WAS HEARD THAT IF HITLER WAS NOT STOPPED HE WOULD CONQUER THE WORLD.

"NOW THE CRIES ARE COMING AGAIN," HE SAID. "THIS TIME THEY ARE

30.24- 16195

SAYING THAT IF WE DON'T DO SOMETHING ABOUT IT THAT A MAN NAMED STALIN WILL CONQUER EUROPE, ENGLAND, ASIA AND NORTH AFRICA AND THEN CONQUER US.

"I AM FOR STOPPING THIS BULLY, TOO, BUT I WOULD LIKE TO SEE IT DONE BY HITTING HIM RIGHT SQUARE IN THE TEETH WITH A GOOD SOLID PUNCH OF AMERICANISM THAT WOULD SCATTER A BIT OF FREEDOM AROUND THIS WAR-TATTERED GLOBE."

MILITARY

BY ELTON C.FAY
ASSOCIATED PRESS MILITARY AFFAIRS REPORTER

WASHINGTON,MARCH 11-(AP)-~~MILITARY~~ DEVELOPMENTS IN THE UNITED STATES REFLECT THE "VERY, VERY SERIOUS" WORLD SITUATION NOTED BY SECRETARY OF STATE MARSHALL.

HIGH COMMAND CONFERENCES. . . NEW WEAPONS. . . QUESTS FOR MILITARY MANPOWER. . . CONGRESSIONAL WARNINGS AGAINST CUTTING DEFENSE FUNDS.

ALL THESE COINCIDED TODAY WITH MARSHALL'S GRAVE SUMMATION OF THE TREND OF GLOBAL AFFAIRS.

BUT JUST AS THE SECRETARY VOICED AN IMPLIED PLEA TO THE AMERICAN PEOPLE TO KEEP COOL, OTHER TOP OFFICIALS IN BOTH THE DIPLOMATIC AND MILITARY BRANCHES OF THE GOVERNMENT TOOK PAINS TO STRESS THIS:

ALL EFFORTS TO BUILD UP THE UNITED STATES' ARMED MIGHT ARE AIMED SOLELY AT GUARDING AGAINST AGGRESSIVE ATTACK.

THESE OFFICIALS SHUN THE IDEA OF A "PREVENTIVE" WAR TO BEAT ANY WOULD-BE ATTACKER TO THE DRAW. SECRETARY OF DEFENSE FORRESTAL TOLD A NEWS CONFERENCE YESTERDAY THAT IT IS NOT THE NATURE OF DEMOCRACIES, "PARTICULARLY THIS DEMOCRACY," TO PLAN A WAR DELIBERATELY.

BUT THE UNITED STATES IS DETERMINED TO PUT ITS MILITARY HOUSE IN ORDER.

HERE ARE SOME OF THE LATEST EFFORTS:

HIGH COMMAND: FORRESTAL HAS ORDERED THE JOINT CHIEFS OF STAFF TO MEET WITH HIM AND TELL HIM WHERE THEY DISAGREE ABOUT WHAT SERVICE SHOULD DO WHAT IN A WAR.

IF THESE MILITARY COMMANDERS OF THE ARMY, NAVY AND AIR FORCE AND THE CHIEF OF STAFF TO THE PRESIDENT STILL CAN'T AGREE, FORRESTAL WILL MAKE HIS OWN DECISIONS.

THE CHIEFS OF STAFF HAVE WRANGLED FOR YEARS ABOUT SUCH THINGS AS THE ROLE OF THE AIR FORCE AND THE NAVY IN BOMBING OPERATIONS. AND THEY ARE STILL ARGUING, DESPITE LAST YEAR'S SERVICE UNIFICATION LAW.

WEAPONS: WHILE MAKING READY FOR FURTHER TESTS OF ATOMIC WEAPONS IN THE PACIFIC, THE MILITARY HAS BEGUN EXPERIMENTS IN CALIFORNIA WITH THE WORLD'S BIGGEST STANDARD EXPLOSIVE BOMB--A 21-TON MISSILE.

THE FIRST PHASE OF THE TEST WAS FOR A B-29 TO DROP A DUD. LATER LIVE BOMBS WILL BE EXPLODED.

THE AIR FORCE PLANS THESE TEST DROPS FROM ITS BIGGEST BOMBER, THE B-36. THAT HUGE SIX-ENGINE PLANE WAS DESIGNED FOR 10,000-MILE FLIGHTS. HOWEVER, THE RANGE PRESUMABLY WOULD BE LESS WITH A LOAD WHICH INCLUDED THE 42,000-POUND BOMB.

A16WX

THE NAVY, STRESSING MORE AND MORE THE ROLE OF CARRIER-BORNE AVIATION IN ITS FLEET, PROPOSES TO BUILD A GIANT 80,000-TON FLATTOP. SUCH A CARRIER COULD MAKE POSSIBLE NEW AND EVEN HARDER-STRIKING TASK FORCES.

MANPOWER: A NEW EFFORT TO PUSH UNIVERSAL MILITARY TRAINING THROUGH CONGRESS IS UNDERWAY. THE SENATE ARMED SERVICES COMMITTEE DECIDED YESTERDAY TO IGNORE HOUSE DELAYS AND BEGIN ITS OWN HEARINGS ON A BILL NEXT WEEK. MARSHALL WILL BE THE FIRST WITNESS.

MEANWHILE THE OFFICE OF SELECTIVE SERVICE RECORDS IS TRAINING OFFICERS TO PUT A NEW DRAFT PROGRAM INTO EFFECT QUICKLY IF THE NECESSITY ARISES. THERE HAVE BEEN SUGGESTIONS THAT IF UMT ISN'T ADOPTED, A RESUMPTION OF SELECTIVE SERVICE MIGHT BE THE ONLY ALTERNATIVE. THERE HAS BEEN TALK TOO THAT UNIVERSAL TRAINING MAY NOT BE ENOUGH.

SENATOR WILSON (R-IOWA) ECHOED THIS VIEW TODAY. HE SAID THE NATION MAY NEED BOTH UMT AND SELECTIVE SERVICE.

"HEROIC METHODS" MAY BE NECESSARY, WILSON SAID IN A STATEMENT, ADDING:

"SHOULD CONDITIONS BE AS GRAVE AS THEY ARE PICTURED, I WOULD FAVOR REACTIVATING THE SELECTIVE SERVICE SYSTEM SO ALL MAY DO THEIR PART."

HOWEVER, HE SAID "THE EVASIVENESS OF THOSE IN HIGH ADMINISTRATIVE AUTHORITY REGARDING THE UNITED STATES SECURITY POSITION IS DEPLORABLE. THEY INDICATE THAT DANGER IS IMPENDING BUT THEY GIVE US ONLY PART OF THE FACTS." HE ADDED:

"IF THE SECURITY OF OUR COUNTRY IS IN DANGER, I KNOW OF NO REASON WHY OUR HIGH OFFICIALS SHOULDN'T COME FORWARD AT ONCE AND SAY SO PUBLICLY WITHOUT EQUIVOCATION."

AN ARDENT UMT SUPPORTER, MARSHALL IS REPORTED TO BE CONCERNED OVER THE VARIOUS RECENT STATEMENTS DEALING WITH SELECTIVE SERVICE. HIS POSITION IS SAID TO BE ONE OF FEAR THAT THE PUBLIC MAY BE MISLED INTO BELIEVING THE GOVERNMENT HAS SOME SECRET MOBILIZATION PLANS.

DEFENSE FUNDS: HOUSE SPEAKER MARTIN (R-MASS) SAID CONGRESS NOT ONLY WILL FIND IT DIFFICULT TO CUT MILITARY FUNDS BUT MAY HAVE TO APPROPRIATE MORE THAN THE $11,000,000,000 (B) PRESIDENT TRUMAN ASKED FOR NATIONAL DEFENSE IN HIS BUDGET.

"WE JUST CAN'T DO MUCH CUTTING ON THOSE THINGS IN TIMES LIKE THIS," MARTIN TOLD A REPORTER. "IT'S GOING TO COST MONEY, BUT THERE IS NOTHING TO DO BUT TO PAY FOR IT. WE INTEND TO HAVE THE STRONGEST AIR FORCE IN THE WORLD. THAT HAS TOP PRIORITY."

MARTIN ADDED THAT HE WANTS THE UNITED STATES TO HAVE THE STRONGEST AIR FORCE IN THE WORLD FOR BOTH "DEFENSE AND OFFENSE."

MD307AES

(120) WASHINGTON,MARCH 11-(AP)-A HOUSE FOREIGN AID COMMITTEE ACCUSED YUGOSLAVIA TODAY OF SEEKING TO DESTROY THE FREE ZONE OF TRIESTE AND SWING IT INTO THE COMMUNIST CAMP.

THE ZONE, LYING BETWEEN ITALY AND YUGOSLAVIA, WAS CREATED SEPT. 15, 1947, IN A UNITED NATIONS MOVE TO END AGE-OLD CONFLICT OVER THE KEY AREA AT THE TOP OF THE ADRIATIC SEA.

THE HOUSE COMMITTEE, HEADED BY REP.JENKINS (R-OHIO), CALLED FOR FULL SUPPORT OF AMERICAN TROOPS WHICH NOW OCCUPY THE FREE TERRITORY JOINTLY WITH YUGOSLAV FORCES.

"IT IS NOW QUITE CLEAR THAT YUGOSLAVIA HAS NOT IN REALITY ACCEPTED THE SPIRIT OF THE DECISION TO ESTABLISH THE FREE TERRITORY AND WILL DO EVERYTHING IN ITS POWER TO SUBVERT IT TO COMMUNIST CONTROL," THE COMMITTEE SAID IN A REPORT.

CHINA

BY JOHN M.HIGHTOWER

WASHINGTON,MARCH 11-(AP)-SECRETARY OF STATE MARSHALL STOOD FIRM TODAY IN THE FACE OF INSISTENT DEMANDS FROM SOME OF HIS WARTIME SUBORDINATES THAT THE UNITED STATES THROW BIG SCALE MILITARY AID INTO THE FIGHT AGAINST COMMUNISM IN CHINA.

GEN.DOUGLAS MACARTHUR, LT.GEN.ALBERT C.WEDEMEYER AND MAJ.GEN. CLAIRE L.CHENNAULT ALL HAVE DECLARED IN THE PAST WEEK THAT THIS COUNTRY MUST GO BEYOND ECONOMIC HELP FOR CHIANG KAI-SHEK'S HARD-PRESSED NATIONALIST GOVERNMENT.

BUT MARSHALL--ARMY CHIEF OF STAFF DURING THE WAR--MADE CLEAR YESTERDAY THAT THE THREE-YEAR-OLD AMERICAN POLICY TOWARD CHINA STILL STANDS.

HIS NEWS CONFERENCE RESPONSE TO QUESTIONS THUS PUT IT OFFICIALLY ON THE RECORD THAT THE UNITED STATES IS FOLLOWING TWO DIFFERENT COURSES IN MEETING THE COMMUNIST CHALLENGE IN EUROPE AND IN THE FAR EAST.

THE DIFFERENCE IS, HOWEVER, WASHED OUT TO SOME EXTENT BY THE FACT THAT IN BOTH CHINA AND EUROPE THE UNITED STATES IS ACTIVELY AIDING GOVERNMENTS FIGHTING THE COMMUNISTS.

AS FOR CHINA, MARSHALL SAID HE STILL BELIEVES ITS GOVERNMENT SHOULD BE BROADENED TO PROVIDE GREATER REPRESENTATION. ASKED WHETHER THAT SHOULD INCLUDE THE COMMUNISTS, HE SAID YES.

BUT MARSHALL HASTENED TO ADD A QUALIFICATION. HE SAID THE TROUBLE NOW IS THAT THE COMMUNIST PARTY IS ENGAGED IN OPEN REBELLION AGAINST THE CHINESE GOVERNMENT. AND HOW THAT PROBLEM IS TO BE HANDLED IS FOR THE CHINESE GOVERNMENT TO DECIDE AND NOT FOR THE UNITED STATES TO DICTATE.

THE SECRETARY'S ASSERTION SUGGESTED THAT THE OUTCOME HE HOPES FOR CHINA IS THIS: EVENTUALLY THE CHINESE GOVERNMENT WILL SUCCEED IN ENDING THE COMMUNIST REBELLION AND THEN WILL DEAL WITH THE COMMUNISTS AS A POLITICAL PARTY.

NOWHERE IN THE EUROPEAN ARENA OF COMMUNIST CONFLICT, HOWEVER, HAS MARSHALL OR ANY OTHER HIGH OFFICIAL GIVEN EVIDENCE OF BELIEF THAT THE COMMUNISTS WORK AS A NATIVE PARTY.

MAR 1948

A47WX

IN FACT, BASIC AMERICAN POLICY TOWARD EUROPE OPENLY ASSUMES THAT IN ALL CASES THE COMMUNISTS THERE ARE AN ARM OF MOSCOW. THAT IS THE SITUATION WHICH STATE DEPARTMENT OFFICIALS NOW BELIEVE EXISTS IN CZECHOSLOVAKIA.

IT ALSO IS AT THE ROOT OF OFFICIAL FEARS THAT THE COMMUNISTS MAY MAKE BIG INROADS INTO THE ITALIAN GOVERNMENT IN THE APRIL 18 ELECTIONS

THUS FAR THE UNITED STATES IS PROVIDING GREECE WITH BOTH MILITARY AND ECONOMIC ASSISTANCE AND IS HELPING ACTIVELY TO ORGANIZE A MAJOR MILITARY EFFORT TO SMASH THE COMMUNIST-LED GUERRILLAS.

THIS COUNTRY ALSO IS GIVING OUTRIGHT MILITARY AID TO TURKEY TO HELP THAT COUNTRY RESIST DIRECT RUSSIAN THREATS.

HOWEVER, A MAJOR FACTOR IN THE DIFFERENCES BETWEEN EUROPEAN AND CHINESE POLICY IS KNOWN TO BE THE ADMINISTRATION'S VIEW THAT AMERICAN ABILITY TO OPPOSE COMMUNISM EVERYWHERE IS LIMITED.

HENCE MARSHALL, WHO SPENT 13 MONTHS IN CHINA TRYING TO ARRANGE A NATIONALIST-COMMMMMMMMMMM

ICAN ABILITY TO OPPOSE COMMUNISM EVERYWHERE IS LIMITED.

HENCE MARSHALL, WHO SPENT 13 MONTHS IN CHINA TRYING TO ARRANGE A NATIONALIST-COMMUNIST MERGER, IS ADVOCATING A NEW $570,000,000 (M) PROGRAM OF ECONOMIC AID BUT IS NOT PROPOSING ANY BROAD SCALE MILITARY ASSISTANCE.

PROPAGANDA (100)

WASHINGTON, MARCH 11-(AP)-THE STATE DEPARTMENT IS PLANNING NEW PROPAGANDA WEAPONS TO TRY TO BEAT THE COMMUNISTS IN THE ITALIAN ELECTIONS APRIL 18.

REP. MUNDT (R-SD) TOLD A REPORTER TODAY THAT SEVERAL SENATORS AND REPRESENTATIVES CONFERRED THIS WEEK WITH GEORGE V.ALLEN, ASSISTANT SECRETARY OF STATE IN CHARGE OF THE "VOICE OF AMERICA" BROADCASTS.

THE CONGRESSIONAL GROUP WAS MADE UP OF MEMBERS OF THE JOINT COMMITTEE WHICH TOURED EUROPE LAST SUMMER TO STUDY U.S. PROPAGANDA EFFORTS.

"ALLEN MADE CLEAR," MUNDT SAID, "THAT THE DEPARTMENT IS DEVISING SEVERAL NEW PROPAGANDA TECHNIQUES FOR USE IN THE APRIL 18 ELECTIONS IN ITALY. FOR OBVIOUS REASONS, THOSE DEVICES CAN'T BE DIVULGED NOW."

TABER (170)

WASHINGTON,MARCH 11-(AP)-REP.TABER (R-NY) COMPLAINED TODAY THAT HIS EFFORTS TO CUT GOVERNMENT SPENDING RUN INTO "WELL-OILED ADMINISTRATION PROPAGANDA" AGAINST CUTS.

"ONE OF THE WORST OFFENDERS," HE SAID IN A STATEMENT, HAS BEEN THE INTERNAL REVENUE BUREAU. HE ACCUSED IT OF A "CONNIVING AND DISHONEST APPEAL" TO THE PUBLIC AFTER THE HOUSE APPROPRIATIONS COMMITTEE VOTED LAST YEAR TO CUT ITS BUDGET $20,000,000.

TABER HEADS THE APPROPRIATIONS COMMITTEE. HIS STATEMENT NOTED THAT THE HOUSE IS NOW CONSIDERING APPROPRIATIONS FOR THE BUREAU FOR THE 12 MONTHS BEGINNING NEXT JULY 1.

WHEN CONGRESS MADE LAST YEAR'S $20,000,000 CUT, HE SAID, IT SPECIFIED THAT NONE OF THE REDUCTION SHOULD BE APPLIED TO ENFORCEMENT ACTIVITIES.

BUT IN SPITE OF THIS, HE SAID, "THE BUREAU ANNOUNCED THAT THE REDUCTION WOULD HAVE TO BE APPLIED BY DISCHARGING BETWEEN 4,000 AND 5,000 EMPLOYES FROM THE 'ENFORCEMENT ARM' OF ITS ORGANIZATION--THUS, THEY LAMENTED, OPENING THE WAY FOR WIDESPREAD ILLICIT LIQUOR TRAFFIC AND TAX EVASION BY BLACK MARKETEERS. I SAY THIS WAS DELIBERATELY CONNIVING AND DISHONEST."

WASHINGTON,MARCH 11-(AP)-REP.MCDOWELL (R-PA) SAID TODAY "THE WORLD IS ON THE VERGE OF WAR" AND THAT THEREFORE HE WILL REVERSE HIS PREVIOUS STAND AND VOTE FOR A PEACETIME DRAFT.

THE PITTSBURGH CONGRESSMAN TOLD THE HOUSE:

"ONLY LAST WEEK AN AMERICAN SOLDIER WALKING WITH HIS GIRL ON A EUROPEAN STREET WAS CLUBBED BY A RUSSIAN SOLDIER, SHOT IN THE BACK, AND KICKED INTO THE GUTTER.

"ADVICES FROM YUGOSLAVIA AND ITALY INDICATE THAT SERIOUS MILITARY DISTURBANCES WILL SHORTLY OCCUR THERE.

"I FEEL THAT THE WORLD IS ON THE VERGE OF WAR AND THAT IT IS THE PATRIOTIC DUTY OF AMERICAN OFFICIALS TO REALIZE THIS SERIOUS THREAT TO OUR NATIONAL SECURITY.

"THEREFORE I SHALL SUPPORT ANY PROPER MEASURE TO ARM AND TRAIN THE FIGHTING MEN OF THE UNITED STATES."

MCDOWELL SAID HE ALWAYS BEFORE HAD OPPOSED COMPULSORY MILITARY TRAINING IN PEACETIME AS "A EUROPEAN WAY OF LIFE THAT HAS NEVER BEEN SUCCESSFUL AND WOULD ONLY CAUSE NEEDLESS DISTURBANCES IN THE LIVES OF YOUNG MEN OF AMERICA AND IN THE FUNDS OF THE TAXPAYERS OF THE NATION."

CONDON (REPT

WASHINGTON, MARCH 11-(AP)-THE FEUD OVER LOYALTY BOARD RECORDS BROUGHT A NEW CROSS FIRE OF CHARGES TODAY INVOLVING DR. EDWARD U. CONDON.

MEANWHILE THE BATTLE MOUNTED BETWEEN THE EXECUTIVE AND LEGISLATIVE BRANCHES OF THE GOVERNMENT. DEMANDS THAT CONGRESSIONAL COMMITTEES BE GIVEN ACCESS TO THE LOYALTY FILES LED TO A REPORT THAT PRESIDENT TRUMAN MAY ISSUE A COUNTER ORDER TO REFUSE SUCH REQUESTS, EVEN WHEN BACKED WITH A SUBPOENA.

THE HOUSEUN-AMERICAN ACTIVITIES SUBCOMMITTEE, WHICH SET OFF THE CONFLICT, WAS ITSELF ACCUSED OF UN-AMERICAN ACTION BY SECRETARY OF COMMERCE HARRIMAN. THE CABINET OFFICER ISSUED A FORMAL STATEMENT LAST NIGHT ATTACKING THE GROUP'SINVESTIGATION OF CONDON, DIRECTOR OF THE BUREAU OF STANDARDS.

"THE SUBCOMMITTEE'S ACTION IS, IN MY OPINION, UN-AMERICAN," HARRIMAN SAID:

"IT SUMMONED MEMBERS OF MY STAFF TO SECRET SESSIONS. IT HAS PUBLISHED ITS INTERPRETATION OF THEIR TESTIMONY. THE PRESS AND PUBLIC WERE EXCLUDED AND COULD NOT FORM AN INDEPENDENT OPINION. FROM MY KNOWLEDGE OF THE SITUATION, I CAN SAY THAT THE SUBCOMMITTEE'S ACTION IS MISLEADING."

A FEW HOURS EARLIER CHAIRMAN NIXON (R-CALIF) OF THE SUBCOMMITTEE CHARGED THAT THE COMMERCE DEPARTMENT WAS LAX IN PROBING CONDON'S LOYALTY. IN A STATEMENT SUMMARIZING TWO DAYS OF SECRET QUESTIONING OF SEVEN DEPARTMENT WITNESSES, NIXON SAID THE COMMERCE DEPARTMENT'S LOYALTY BOARD STUDIED THE CASE FOR TEN MONTHS BUT HEARD ONLY ONE WITNESS--CONDON HIMSELF.

BXFENSE-HINSHAW (400)

WASHINGTON, MARCH 11-(AP)-REP. HINSHAW (R-CALIF) SAID TODAY THE NATIONAL DEFENSE IS BEING "FRITTERED AWAY AWAY BY CONFUSION, NEGLECT AND FAILURE" IN MILITARY PLANNING.

INSTEAD OF GETTING UNIFICATION FROM PUTTING THE ARMED SERVICES UNDER A SINGLE DEFENSE DEPARTMENT, THE COUNTRY HAS GOTTON "TRIPLIFICATION," HE SAID IN A SPEECH PREPARED FOR THE HOUSE.

"SOME BRASS HATS, INSTEAD OF GETTING DOWN TO BRASS TACKS, ARE BOGGED DOWN IN CONTROVERSY."

HE ASKED THAT PRESIDENT TRUMAN "ACT AT ONCE TO SEE THAT THE PRESENT, DANGER-FRAUGHT SITUATION IS CORRECTED."

HINSHAW IS A MEMBER OF THE AVIATION POLICY BOARD WHICH RECENTLY COMPLETED A STUDY OF MILITARY AVIATION. THAT GROUP WAS CRITICIAL OF WHAT IT SAID WAS THE MILITARY HIGH COMMAND'S FAILURE TO COMPLETE STRATEGIC GENERAL PLANS FOR DEFENSE.
